

## HIS FAVOR 39

### CHAPTER 39: WAREHOUSE ON THE OUTSKIRTS OF THE CITY

When Du Ruan came downstairs, he found that Si Shao was already at the table, eating breakfast.

Du Ruan had to exclaim that this best friend of his, every move really seems to be like a European medieval aristocrat, elegant and reserved.

He felt like walking to the table, looking at only a few simple slices of toast, and did not feel like spitting: "Ah Shao, today is the second day of the New Year, ah, just eat this?"

Si Shao sniffed and glanced at him, "This is because of who?"

Du Ruan immediately heart weak, as if it is because of him, the first day of the year sleep to the good brother home is what happened, so Si Shao brought him here.

The first thing you need to do is to get a good idea of what you're doing. That would save you a lot of trouble!

The company's main business is to provide a wide range of products and services to the market.

Du Ruan was shocked: "Damn! I forgot about my empress dowager."

Then looked at Si Shao spoke: "My mother asked, you must not say that yesterday was the opening of the field, or she will pick my skin."

"So?"

Du Ruan face pleasing: "So just say it was you, okay, my mother believes in you the most ~" not just his mother, all the parents in the compound believe in him the most.

The company has been a "good student" since he was a child, and all the bad things he did were done by them.

"Benefits" Si Shao thought about speaking

"A Shao, we are so many years of brothers, you even give me benefits, you really hurt my heart, snap ~, my heart is broken into two-dimensional code, said, you outside is not another person, you do not love me ooo ~"

Si Shao looked at the head to come over, calmly pushed the acting floating little face to the side, a faint smile: "Call Dad"

The next second, Du Ruan spoke: "Daddy ~"

Si Shao's eyes turned dark for a moment, reached out and touched Du Ruan's head: "Good boy~"

Du Ruan deaf pulling head, like a defeated little rooster, began to complain: "A Shao, you are too much, the second day of the new year let me call you dad, will be a son all year."

Si Shao: "....."

The next second Du Ruan fighting spirit to speak: "You wait for A Shao, one day I will make you willingly call me dad!"

"We'll see."

After eating the last bite of breakfast, Du Ruan, perhaps because of the wine he drank last night, his handsome little face kept floating pink.

Si Shao saw a frown, he thought it was just wake up face floating red, now it seems to be sick look.

Du Ruan but completely unaware of the look, impulsively about which place Si Shao go to play.

"Yuan Yuan, how do you feel?" Si Shao opened his mouth

"Ah? Feeling? It feels good, what's wrong?" When Du Ruan heard Si Shao ask this question, he didn't know what to do.

"Nothing, you drank some wine last night, do you feel dizzy today"

"ah ~ listen to you say so, it seems to be a bit dizzy, but this is a small thing ~, I am a thousand glasses of wine, continue to come tonight ah ~" Du Ruan a proud face

"Then what was the drunk I brought back yesterday?" Si Shao calmly asked

"The ....." How can I be caught in a lie?

.....

By the time he returned to Du's house, Du Ruan felt as if his head was getting heavier and heavier, Du Ruan directly attributed this to yesterday's drinking

The actual fact is that you can't drink too much~"

Suddenly there was a ding-dong, Du Ruan took out his phone to see

A text message: Du Ruan today at 6 pm, the outskirts of the city waste warehouse, who does not come who is a grandson

I'll beat you today!

The person who sent him the message was his cousin Du Zhaoge, a member of the oldest family, who had been displeased with him since he was a child, perhaps because his father had inherited the Du family. Because of this, they mocked each other openly and secretly. The time when a big fight is more often than not, the victory and defeat are each, but no one chose to tell their parents, for no other reason than that it is too humiliating.

The company's main goal is to provide the best possible service to its customers.

The first thing that I want to do is to send a message to say that I'll be back later, but the next thing I want to do is veto it.

The actual fact is that you can find a lot of people who have been in the business for a long time.

In order to rest assured, before leaving, Du Ruan also ate two cold medicine, went to the garage and opened a car and went.

The company's main goal is to provide the best possible service to its customers.

The company's main business is to provide a wide range of products and services to its customers.

Du Zhaoge mercilessly mocked: "Du Ruan, you're so damn weak, how to go to school in a small place, can't even do the basic body technique."

Du Ruan forced himself to endure the dizziness, stood up, narrowed his eyes, clenched a fist, and ruthlessly smashed towards the other party's body

However, the smash was empty, instead, the other party was punched in the stomach again.

The whole person kneeled on the ground, dry vomiting and vomiting acid, his head was dizzy as if he was going to fall asleep in the next second.

"What a trash!" Du Zhaoge spat in the direction of Du Ruan, and then when he passed by Du Ruan's side, he pressed hard towards Du Ruan's single kneeling posture, and Du Ruan braced his hands on the ground. There is only one sentence in his mind, can not fall down, at least not in front of Du Zhaoge's eyes.

When Du Zhaoge left, Du Ruan's hands loosened, and the whole person lay on his side to the ground, drowsily closing his eyes.
