

HIS FAVOR 40

CHAPTER 40: HOSPITAL

"I really want to go to sleep like this ~" Du Ruan curled up on the floor and thought.

But the next second and began to deny, no, this he will die.

The first two words in the first line, Huo, and then dialed the past a ring, no one answered.

The actual fact is that you can find a lot of people who are not able to get a good deal on this.

This time Huo Shi returned to the room room found his phone forgotten to the study.

The company's main business is to provide a wide range of products and services to its customers.

The actual person who is in a position to get a good deal more than just a few of these is a person who is in a position to get a lot more than just a few of these. I'm not sure if I'm going to be able to do this.

No answer? This point in time, he should be looking for him to ask him to play, right?

The next morning early morning; Huo Shi downstairs

I heard a crisp voice, it was a girl.

The first thing you need to do is to talk to your mother.

When she saw Huo Shi come down, she spoke graciously: "Aunt Huo, this is brother Huo Shi, huh?"

The company's main business is to provide a wide range of products and services to its customers.

Huo Shi puzzled face; "sister? I have a few cousins, Mom. When did you get a sister?"

"Have you forgotten? The family later left the country, you were still very sad and gave me a sister?"

After Mrs. Huo so reminded, Huo Shi suddenly realized: "Oh ~, I still did not remember."

Mrs. Huo: "....."

Mu Weiwei: "....."

Seeing that the atmosphere was a bit strange, Mu Weiwei hurriedly rounded up: "When Huo Shi's brother was young, it was normal that he didn't remember."

The company's main business is to provide a wide range of products and services to its customers.

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to get a new daughter.

Mrs. Huo heard Mu Wei's words, thinking of the picture of the girl that her son smashed to show her last time, she shyly bowed her head and smiled; if that girl became her daughter-in-law, then wouldn't she make a fortune, and then have another doll wouldn't that be perfect.

Thinking of this, nodded in agreement: "You're right"

The company's main business is to provide a wide range of products and services to its customers.

Huo Shi: "... I know, Mom ~"

The first time I saw you, I was very happy to see you.

What mother wouldn't want to tell more about her child, replied, "That's true, when he was a child he was very skinny, the famous skin monkey"

At noon, Huo Shi carried a lunch box to a hospital, into the vip ward, saw the infusion of an IV of someone

The first one is a person who got himself into the hospital on the second day of the year. Say it, what's wrong?"

Although Du Ruan was on a drip, but the state of mind is still good, heard the words wilfully speak: "fever"

Huo Shi sniffed: "..... I really did underestimate you."

The first thing you need to do is to get a good idea of what you're getting.

"Pork ribs and red dates soup, Aunt Li stewed it for you, so I brought it over by hand."

At this time, the door was pushed open again with a zipping sound, Huo Shih looked at the visitor: "Ashao?"

The company's main business is to provide a wide range of products and services to its customers.

"Brother Huo, I brought Yuan Yuan here." A single sentence explained why he was here and what happened.

Huo Shi nodded: "Oh, so~"

"The doctor said that it was just an ordinary fever, only the temperature was a little higher, 39.8 degrees, that's why he chose to stay overnight and noon, and if there are no problems, he can be discharged this afternoon."

Hearing what Si Shao said, Du Ruan's first reaction was, "Really? Then won't I be able to continue to wave at night?"

Si Shao gave him a faint look, "Don't even think about it, I've already told the doctor to stay one more day to make sure I can be discharged after I'm healed."

"Ah? This way ah" Du Ruan wilted and opened his mouth.

Huo Shi suddenly felt that the atmosphere between his two good brothers was strange.

But can't say what exactly is strange.

Also smoothly Si Shao spoke: "A Shao is right, there is nothing in staying a day, after all, people who can make themselves tossed to this temperature are really few."

Du Ruan: "....." Feel like you have been connoted to.

o o o o o o o

It was night, Huo Shi sat in front of the window and looked outside at the slow drifting snow.

He took a picture and sent it to An Chu: "An An, it's snowing in Kyoto."

After a while, I saw the other party reply: "Brother, it's also snowing in c-city! It just snowed."

An Chu thought about this, and sent the photo that had just been edited to Huo Shi

"Brother, take a look, isn't it beautiful, the silver dress."
