"Luna, what's wrong? What happened to Jake?" He asked running over to me and taking Jake. a<sup>10</sup>

I stood there and just blinked back tears. I soon followed Beta Justin to the hospital wing so I wouldn't get lost. a<sup>5</sup>

"I already contacted the pack Doctor, he is in there." We go into a room with a frail old man in his 50's.

Justin places Jake on the table and the doctor rushes over to him. a<sup>7</sup>

"So what happened?" He asked me.

I was shaking. I couldn't do anything but just stand there frozen.

You could already tell Jake was healing because of his wolf but he wasn't moving. What if he is in a coma?

A few hours later Jake finally started to stir awake.

"Where is my Bella?" He said when he was half awake. a<sup>39</sup>

Who is bella? Is he cheating on me? a<sup>28</sup>

"She's right here Alpha." The doctor said bringing me to him.

"Aw, my Bella Silent Mate. How are you love?" He asked. He thinks I'm bella. a<sup>21</sup>

I shrug my shoulders in response as I let a few tears go. At least he is alright.

"Rose! Why are you crying, beautiful?" He asks.

I shrugged as realization hit me. Bella means beautiful. How could I not think of that, Jake is loyal. Recognition covers Jake's face then he starts laughing. a<sup>18</sup>

"Did you think I was talking about someone else?" He asks rubbing my hair. a<sup>4</sup>

I nod my head then hug his chest. a<sup>2</sup>
