

## Hot Meets Cold Chapter 16

The next morning.

Ye 00 sleeps until she wakes up naturally.

Then, she began to think about her make-up for today.

In fact, although the heavy make-up she wore before made her suffer a lot, it was also her protective colour that saved her from a lot of trouble, otherwise she would not even be able to go to school, after all, it was the high school period when young boys and girls were in their first days of love, if she wore her real appearance, a random male classmate would confess to her, and she would be able to GG.

After careful consideration, she knew that until she was strong enough, it was necessary to hold back.

So, Ye 00 returned to her old spicy make-up look and wore a shiny green wig by the way.

When she went downstairs, she didn't see Si Yehan, but Lin Yao was there again today.

He was talking to someone across the room, and when he looked up at her, he spat out all the coffee in his mouth...

"Fuck! My dog eyes!!!"

She swept a glance towards the stairs and found that not only was Lin Yao there today, but Si Yanghan's other best friend Xie Zuizhi was also there.

Xie Fei Zhi's rippling peach blossom eyes were upturned as she swept towards Ye 000, especially when she glanced at her hair, her expression froze, clearly shocked by her, "Lin Er, is this the surprise you woke me up at 5am to rush to Jin Yuan to see .....? Well, indeed, it is quite a surprise, Little Leaf's styling is getting more and more creative!"

"No! No, she was ..... vegan yesterday, no makeup, really super beautiful and super fairy, I was stunned ....." Lin Lack explained incoherently.

Xie Fei Zhi laughed and trembled, "Yes yes yes, super beautiful and super fairy, you can also find one of this style like Jiu~"

Lin lacked the means to explain, so he could only glare towards Ye 000 with a stifled expression.

Ye     raised his eyebrows, "What are you looking at me for? Makeup is the most basic courtesy a girl can show to others, don't you know?"

The corner of Lin's mouth twitched, "You are so polite ....."

At this time, a footstep sounded from overhead, it was Si Yanghan who had woken up.

The man's gaze swept downstairs indifferently, and there was no extra expression on his face as his eyes swept over Ye        .

The man's gaze swept downstairs without a single expression on his face.

The most important thing at the moment was to brush up on Si Yanghan's goodwill and loyalty so that he would trust himself and be completely at ease with himself, so he stomped up to him and invited his merits, "Ninth Master, Ninth Master, do you think I look good today?"

Since Si Yanghan likes heavy flavors, then this should be to his liking, right?

Si Yanghan looked at the girl with bright eyes begging for praise and an incomparably vivid expression in front of him, and the mood that had been gloomy all night because of the girl's departure inexplicably dissipated a few points: "Mm."

Ye     was instantly happy, indeed!

Lin Liao had a miserable face, Jiu, does your conscience really not hurt?

Looking at the atmosphere of Ye           and Si Yeh Han today, Xie Xie raised his eyebrows slightly unexpectedly, his fingers lightly tapping his chin, a thoughtful expression on his handsome and confusing face.
