

Hot Meets Cold Chapter 20

Instantly, a murmur of surprise rang through the classroom.

“Holy shit! Is Ye ÒÒ crazy? How dare you contradict Si Xia!”

“It’s not because they want to take advantage of the opportunity to get close to Si Xia! After all, such a good opportunity!”

“Shit! She doesn’t even have to take a piss and look at herself, how dare such trash hit on our boy god?”

The young female class teacher was so angry that her face turned black, “Ye Òà! You’re about to be expelled from school and you’re still smug about it! Are you ashamed of being at the bottom of the class? How could I have taught such a shameless student like you!”

Hearing the teacher’s words, all the girls were excited at once.

“So the news is true!”

“Great! Now let’s see how she can still be arrogant!”

The class teacher had been prepared to put up with her until her expulsion notice came down, but now she started to scold her in front of the class, “Look at yourself in the mirror and see what you look like, you look like a ghost, your grades are a mess, you’re always at the bottom of the class. You’ve ruined our reputation! You’ve dragged the whole class down with you, and you don’t even have a shred of shame! You, get the hell out of school now!”

That ugly bitch was still trying to dominate their boy god, Si Xia!

Now you’ll get what’s coming to you!

“Get out get out get out!”

“Get out of here!”

I don’t know, who gave you the right to tell me to get lost, Teacher Liang?”

Seeing that Ye Lihua actually dared to question her words, Liang Lihua’s face suddenly became even more ugly and said in a stern voice, “After the unanimous decision of the school leaders, you have been expelled!”

Although she had broken many school rules, they were all minor offences, and according to the school's rules, she could only be expelled after at least three major offences.

She would be expelled solely because Liang Lihua had put the wool over her eyes in front of the school leaders.

As a teacher, there was no need to cross a student like that, but she was lucky to have caught Liang Lihua in an adulterous affair with a married school leader.

Naturally, Liang Lihua wants to get her out of school by any means possible!

This was the case in her previous life, where she was given small shoes and humiliated in front of the class at every turn, and watching her humiliated every time became an after party for the students.

"What are you waiting for? Get out of here!" Liang Lihua pointed sternly outside the classroom, looking like she couldn't wait.

Is the school your one word?"

Liang Lihua's face suddenly turned pale and she slapped the podium hard, "Ò'Ye! How dare you! How can you talk to a teacher like that? What did your parents teach you?"

Liang Lihua said, giving her a contemptuous glance, "But no wonder, what kind of parents bring up what kind of children! The father laundered money, embezzled public funds, borrowed from loan sharks and owed a lot of debts, the brother is a punk gambler, what kind of goods can be raised from such a family?"

Liang Lihua was full of disgust and mockery, surprisingly exposing Ye's private family affairs right in front of all the students.

There was a burst of surprised whispers from below, and all eyes were as if they were looking at something disgusting.
