

## Hot Meets Cold Chapter 21

Ye Qianqian stood quietly in place, her face seemingly expressionless.

Only Si Xia, who was closest to her, noticed that the moment Liang Lihua said those words about Ye's parents, the girl's eyes, which had always been timid and numb, were like cold ice breaking at first, diffusing an extremely frightening coldness.

The boy's eyebrows knitted slightly, a hint of suspicion flashed across his gaze, an illusion? How could this ugly monster have such a look in his eyes .....

After a short silence, Ye Qianqian speaks unhurriedly, "So that's how it is, what kind of parents can teach what kind of children ....., Then, can I also say that what kind of teachers can teach what kind of students? Class F as the worst class in the whole school, I wonder, Liang Teacher, how do you feel about it?"

"You ....., are reckless!" Liang Lihua was so angry that she broke her voice.

This damn girl, how dare she mock her teaching level!

Class F had the worst grades among several classes, and this had always been a sore spot for her.

In the classroom, all the students were already stunned.

哎哟卧槽 .....

Liang Lihua sneered, "Ye Qianqian, do you really think that I can't do anything about you? I can tell you to get out of Qinghe High School's gate right now!"

The word "so powerful" was deliberately added to the sentence, clearly implying Liang Lihua's abnormal relationship with the school head.

Sure enough, Liang Lihua's face suddenly changed.

Although Ye has no proof and no one would believe her, if she were to make up such nonsense on the spot, it is inevitable that someone who is interested would really check it out, especially if that person's wife is also a teacher at the school .....

This damn girl, how dare she threaten her!

"Ding bell-"

At that moment, the official class bell rang, breaking the stalemate.

Liang Lihua sulked and said angrily, "There's still a week to go before the exams, and for you alone, you almost delayed all the students' classes! Ye Qiao, I'll settle the score with you later!"

Forget it, this dead girl was leaving in a few days anyway, there was no need to make a big deal out of it by getting into trouble with her here.

"Everyone, turn your textbooks to page seventy-two!"

There was a sigh of disappointment from the students at the bottom as they saw that there was no more drama to be seen.

The senior years were spent in constant exams, big and small, and this mapping exam was considered one of the more important tests, and would be re-seated according to the exam's ranking.

In the next second, the content that she had just read was already clearly etched in her mind.

In fact, she had a very good memory.

As long as she had read the textbook once, even if she didn't use her head at all, she would still remember everything word for word.

To get the school to withdraw its decision to expel her, this exam was the key.

A week's revision time was a bit rushed, but it was enough to cope with this quiz.

## Hot Meets Cold Chapter 22

Thinking of this, Ye Qiao ceased to be distracted and began to look through his textbook.

The boy who was sleeping on his desk next to him heard the noise of pages turning next to him, and immediately frowned and looked towards him.

As a result, when he looked up, he surprisingly saw Ye Qiao reading a book.

This woman ..... was stimulated and modified?

As he was thinking this, after looking at Ye Qiao's movements, the boy's face instantly darkened.

Because the speed at which Ye Qiao turned the book was simply faster than the speed at which she turned her face today.

How could this be reading a book?

But if it wasn't reading a book, what was it doing? Flipping through a book for fun?

"It's noisy." The boy's handsome face was full of displeasure.

Do you believe I'll crush you with my seniority?

In terms of seniority, he still had to call her Auntie Nine respectfully!

In her previous life, it was only later that she found out that Qinghe's schoolboy, Si Xia, was actually Si Yehan's nephew.

Ye 000 raised his eyebrows slightly, "Heh, too noisy? If you have the ability to take the test to the front! The weak are strong, the strong are strong, school dregs are not qualified to BB!"

"....." The boy was instantly choked to death, the expression on his face was simply unbelievable.

He had actually just been mocked by the bottom of the school?

Heh, very well.

This exam, he showed her exactly what it means to be the weakest and the strongest!

The school bell rang and the day passed quickly.

Missing class for a while, revising for the crematorium.

After a whole day, Ye 000 was already seeing people in double shadows, and there were dense words on the double shadows.

The next seven days, the school will be closed for everyone to focus on revision for exams.

Qinghe High School is closed, and unless there are special circumstances, students are uniformly required to stay at school.

During these days of revision, everyone can either revise on their own in the dormitory or go to class.

The school dormitory was four to a room, however, because of the joint exclusion of her roommates, she was placed in a room by herself.

In addition to the unknown relationship between her and Si Yanghan, living alone was beneficial to her instead.

Her slender white fingers gently pushed open the door of the dormitory, and the familiar scent immediately came to her.

This single dormitory was not large, but it was enough for her to live alone, compared to the terribly large Jin Yuan, which instead made her feel safe.

Moreover, Qinghe had always had investments from countless wealthy businessmen and alumni, and the dormitory was in good condition, with not only air conditioning, but also a separate bathroom and toilet.

Ye 00 put down her luggage and put all her things in order.

After everything was packed up, she was about to sit down and continue her revision when there was a knock on the door.

When I opened the door, I saw Shen Mengqi, wearing a light pink lace dress, standing playfully at the door.

As soon as the girl saw Ye 000, her face was immediately filled with excitement and her eyes were teary-eyed, "000! I finally saw you! I've been worried sick! It's so good to see you're okay!"

Looking at Shen Mengqi's caring look, Ye 00àÅç<sup>000</sup>, she couldn't help but feel that it was no wonder that Shen Mengqi would become so popular in the entertainment industry in the future, her acting skills were indeed beyond words.

She was so impatient at being disturbed, "Is there something wrong? Whatever you have to do, come back to me in seven days, I don't have time now."

Shen Mengqi thought she was in a bad mood because she had a fight with Gu Yueze, so she softly advised, "Gu Shao probably misunderstood the relationship between you and Si Yanhan, but he also loves and blames you deeply, he still has you in his heart, otherwise he wouldn't have gone to help you this time! Just go and find him and explain the misunderstanding to him!"

Ye 00 has no time to talk nonsense with this drama queen bestie for the time being, and has her full attention on the book at the moment.

Seeing that Ye 00àÅ" kept flipping through the book in an annoyed manner, presumably not having lost her temper yet, Shen Mengqi didn't continue to advise.

"Then 00, I'll go first, it's almost exam time, I have to hurry up and revise, my dad said if I can continue to stay in the top three in the class this time, I'll buy me a new mobile phone, if you have something to do, you must remember to come to me ah!"

"Got it." Ye 00àÅç<sup>000</sup>, not even raising her head.

Shen Mengqi's brows knitted slightly, somewhat uncomfortable with Ye's cold attitude.

She was about to leave when her afterimage glanced over at the corner of Ye's desk and saw a flowery corner, which was clearly a love letter.

## Hot Meets Cold Chapter 23

Shen Mengqi instantly let out a cold laugh in her heart.

She had really thought that Ye ÒÀÀÇ<sup>00</sup> could have a little bit of backbone this time!

So she was still the same cheap bone!

What's the point of pretending to be serious?

With a flash of her eyes, Shen Mengqi secretly took out her mobile phone and took a picture in Ye's direction as she walked behind her, then quietly retreated.

After returning to the dormitory, Shen Mengqi naturally did not review, but immediately sent a message to Si Yanghan.

What kind of person was Si Yanghan, the heir of the first family of Z, the Si family, was an unreachable existence to them ordinary people.

As for her, not only did she have Si Yanghan's personal mobile phone number, she could also enter and exit the Jin Garden, which was known as a small imperial palace in the imperial capital, at any time.

Thinking about this, imagining that one day she would become the mistress of Jin Garden, imagining that everyone would know about her relationship with Si Yanghan, she was so excited that she was trembling.

Even that grass-roots woman like Ye ÒÒ could get Si Yeh Han, how could she not.

After all, that man treated herself so differently, not only did she have free access to the Jin Garden, he gave her his own personal number and even helped out when her family was in trouble.

Shen Mengqi's cheeks were tinged with red, her face was full of sweetness and confidence, as long as she worked a little harder, this man would be hers sooner or later!

[Mr. Si, I heard that you had a fight with ÒÒ, are you okay? You don't need to worry about ÒÒ, I've just been to see her, Ò she's fine.Ó]

This message was also accompanied by a picture, the very picture she had secretly taken just now, and in the picture, the love letter was captured very clearly.

With Si Yanghan's powers of observation, he would definitely find this love letter to Gu Yueze!

He would know that Ye ÒÒ is chasing after Gu Yueze again!

Now she had to make Si Yeh Han completely disgusted with Ye ÒÒ, without any possibility of coming back to him.

At this moment, inside Ye's dormitory.

Subconsciously, she looked towards a corner of her desk.

Sure enough, she only saw a draft of a love letter in the corner, something she had written to Gu Yueze earlier but hadn't had the time to finish it yet, so she hadn't been able to send it out.

Tch, almost forgot about this!

She remembered that in her previous life, Shen Mengqi had made an issue of this love letter, when her relationship with Si Yanghan was at its worst, and this love letter was like the last straw that broke the camel's back.

In her previous life, she was forced to die in order to return to school, but as a result, not long after her return, Si Yanhan sent people to arrest her with great force, and there was a lot of fuss in the school at that time, saying that she was taken away by loan sharks, and there were also rumors that she was taken away to become a girl .....

The situation in this world is slightly different, but the outcome will definitely not be any better than in the last world, after all, she had just sworn her loyalty to Si Ye Han.

If he thought she had lied to him, she couldn't imagine the consequences!

Thinking of this, Ye ÒÒ picked up the love letter and twirled the pen in her hand, the corners of her mouth slowly curving up.

Fortunately, this love letter was only a draft and it didn't say who it was addressed to.

So why couldn't it be addressed to Si Yehan?

Ye ÒÒ took out her mobile phone, took a picture of the love letter, and then, sent it to Si Yeh Han with a love emoji.

## Hot Meets Cold Chapter 24

After sending the text message, Ye <sup>000</sup> didn't care about the love letter, and continued to chew the book in a race against time.

And at this moment in Jin Yuan, the sky has turned upside down and people are tumbling .....

The inky eyes of the man on the sofa were like a deep winter night, and a huge sense of oppression was raging wildly in the large space.

The house maids all shivered and hid in the corners, not daring to utter a single breath.

Xu Yi's back was slick with cold sweat as he stood stiffly at the man's side, his eyes trembling as he glanced at the broken phone on the floor, his face full of despair.

The phone was of such good quality that the screen had been crushed and still stood firm, clearly displaying the enlarged love letter.

Damn it, he knew this would happen!

That woman was so devoted to Gu that she didn't even care if she was dumped or repented of her marriage, and she was still falling for him.

This is not the case, the first foot just after cheating the master, the second foot immediately went after Gu Yueze again.

And she even wrote such a fleshy love letter!

How shameless!

The love letter is a poem that translates to something like I would like to be the lapel on your blouse to feel your fragrance, I would like to be the sash on your coat to bind your waist, I would like to be the oil on your hair to moisten your dark hair .....

It's a lustful song!

No wonder the master is so angry!

The woman is just a woman, since she is not obedient, she should be kept as an object in the mansion, why indulge her so much.

The master was also confused, he had been fooled by that woman's words.

At this moment, the man's face was as gloomy as water, the beast that lay dormant inside him had completely broken out of its cage, licking its sharp claws and emitting a bloodthirsty aura.

Could it be that the fleshy love letter was not written to Gu Yueze, but to ..... for her master!

Crap!!!

## Hot Meets Cold Chapter 25

This ..... how is this possible!

Xu Yi stared at the text message, his expression as if he had seen a ghost.

His mind was repeatedly filled with those few lines of meaty to death love poems.

“This .....” Xu Yi was dumbfounded.

After all, this was just too unbelievable!

This love letter from Ye Òn was actually written not to someone else, but to his master?

Xu Yi’s strange appearance naturally caught Si Yanghan’s attention, and the man’s voice was husky and gloomy: “Bring it here.”

As Si Yanghan’s cold gaze looked over, Xu Yi dared not delay and hurriedly handed over the phone with both hands respectfully.

The man’s fingers squeezing the phone tightened slightly, pausing for a moment before finally looking at the contents of the text message through the shattered screen.

The text message contained a photo, and the photo was taken of the very same love letter that had just burned his internal organs to ashes.

The man’s eyes narrowed dangerously at once, yet at that very moment, his afterimage inadvertently crossed a name above it – ÒÒ!

ÒÒÀÇ° .....ÒÒÀÇ° .....

After seeing the nickname in the sender’s column, the man’s gloomy, icy expression instantly froze on his face and turned into dismay.

This text message .....

was sent by Ye ÒÒ?

Fingers subconsciously continued to scroll down and found that not only was it a love letter, there was also a sweet and loving emoji attached below the love letter.

The letter that proclaimed the proof that she had betrayed herself again, the love letter written to Gu Yueze .....

It was ..... to him!

May it be in the garment for the collar, to bear the remaining fragrance of the head of Hua; may it be in the garment for the belt, to bind the slender body of the fair; may it be in the hair for the zephyr, to brush the Xuan temples in the decadent shoulder .....

Just as the man's expression went blank, another text message was sent immediately after – [九爷九爷~ Why haven't you answered me yet? I write well ~ seeking praise for praise for mua-da~]

The maids, who had been hiding in the corner and shivering, were now looking at each other, not understanding why their master, who was about to destroy the world one moment, suddenly quieted down the next, and kept staring at the phone repeatedly with an unpredictable expression, as if the phone could see the flowers.

Xu Yi was not sure what kind of attitude Si Yanghan had at the moment, so he cautiously tried to speak, "Ninth master, you ....."

The actual fact is that you can't be sure that you're going to be able to get a good deal on your own.

Xu Yi instantly did not dare to speak.

And after Si Yanghan finished, he began to stare at his phone with a serious face, his long and slender fingers tapping on the phone screen.

Probably because the screen was broken and a little insensitive, the man frowned slightly.

Xu Yi was really too curious, so he couldn't resist stealing a glance with his afterglow.

Then, his dog eyes were almost blind .....

Ye 00 sent a new text message over that was so sweet that people didn't look at it, while his master used that broken screen to intermittently tap one word: [Good].

Xu Yi stared at the word "good" in horror.

He couldn't imagine that his master actually thought that Ye 000 was a good little love poem?

As he was horrified, the man's cool tone returned to his ears, "Send them back."

The man's face instantly spring back to the earth in general, his gaze kept looking at the poem on the love letter word by word repeatedly, obviously in a very good mood.

"Uh ..... yes!" Xu Yi hurriedly greeted and called back those who had just gone to the school to catch Ye ÔÒà.

A wild storm had lifted just like that!
