

## Hot Meets Cold Chapter 3

In the blink of an eye it was already three days later.

In these three days, Ye did not go to school, spending most of her time sleeping and sorting out her memories from her previous life.

Si Yanghan, like in his previous life, did not appear for three whole days, and all the underlings in the house were burying their heads in their work, rarely speaking to her and not even daring to meet her eyes.

The large house was like a tomb.

Ye 00 changed out of her pajamas, looked at the time on the clock, and then went downstairs towards the courtyard.

The moon was beautiful tonight, and the cool breeze made the golden cage, which she remembered repelling so much, seem less annoying after all.

In fact, the garden had an excellent view, after all, it was designed by Si Yanhan himself, hired the world's top architectural team, and took a full five years to complete in one of the best located feng shui sites in the imperial capital.

It was a pity that in her previous life, not to mention admiring it, she only hated the cage in which she was imprisoned and wanted to destroy it completely.

As far as the eye could see, there was a large area of burnt grass, a flower garden that had been deliberately cut off, and a pond that was filthy ..... all of which were her "work".

"00-

At this moment, a familiar voice suddenly sounded in the night wind.

Ye 000 retracted her gaze from a patch of withered roses and raised her eyes in the direction the voice came from.

She saw a man in an expensive and luxurious couture suit in the dim light across the room, with a deep and handsome face and an extraordinary bearing.

I have to admit, Gu Yueze does have the capital to charm her to the core.

However, if it was compared to that demon, Si Yanhan, it instantly seemed bland.

Gu Yueze stood a few steps away from her and gave her a glance, his eyebrows instantly wrinkling imperceptibly.

Naturally, Ye 00 noticed this subtle reaction of his and lowered her eyes to look at her outfit.

At the moment she was still dressed in a non-mainstream heavy metal outfit, with her face painted with frighteningly heavy make-up.

Because she simply didn't have any normal clothes in her wardrobe, she simply kept her previous image straight, which was a way to avoid changing herself too much in a short period of time and arousing unnecessary suspicion.

Gu Yueze stared at her coldly, his handsome face full of disappointment, "00! How can you be so self-indulgent as to send yourself to the door to be spoiled by others!"

Self-indulgent?

In her previous life, her whole heart had been in his body, and in order to keep her innocence, she had gone to great lengths to make herself look like this.

As a result, all she got in return was a "self-indulgent" remark from him.

She knew that Shen Mengqi must not have said anything good about her in front of Gu Yueze, but if this man still had the slightest affection for her, he would not have believed only Shen Mengqi's side of the story.

Because Shen Mengqi was her best friend and often came over to keep her company, she was able to enter and leave the place unhindered, so it was obvious that Gu Yueze had been secretly let in by her.

When she thought of this, Ye was about to speak up when a chill rose steeply up her spine.

司夜寒 .....

He was nearby at the moment!

Almost instinctively, she sensed the man's scent.

In her previous life, she hadn't even known that Shen Mengqi had sold her out and Si Yeh Han was watching from the shadows, tightly cuckolding Si Yeh Han and becoming the beginning of all her nightmares .....

My ex-fiancé? Or ..... my cousin's husband?"

Hearing Ye 000's obviously mocking rhetorical question, Gu Yueze's face sank slightly, "0000, I know you resent me, but I can't help it, no matter what, I am also

responsible for you becoming like this today, you come with me now, I will send you out of the imperial capital!"
