

## Hot Meets Cold Chapter 41

Ye          admired her own pretty face in the mirror and gave her a sidelong glance, "Is it my fault for looking good?"

Shen Mengqi was instantly choked, "I didn't mean that, I just reminded you to be careful, you've endured for so long, don't lose everything. After all, it took that big devil a long time to lose interest in you and let you leave Jin Yuan. What if he sees how good looking you are and gets evil intentions towards you again?"

Oh, the big devil ah .....

As she listened to Shen Mengqi's words, Ye     cooed with her chin in her hand, "Si Yeh Han doesn't even mind that I'm so ugly, maybe he has true love for me?"

Shen Mengqi immediately blurted out, "How is that possible! He's a murderous devil! And he especially likes to torture women! He's a pervert! You were just unlucky enough to be chosen by him! Have you forgotten what he did to you in the past two years?"

Ye    nodded, "Oh, so ....."

I wonder how Si Yanghan would feel when he heard Shen Mengqi's comment about him?

Heh, in her previous life she was foolishly used by Shen Mengqi, not only did she create a lot of opportunities for her to get close to Si Yanghan and brush up her goodwill in front of him, but she also gave Shen Mengqi, and the Shen family, a lot of benefits in front of him for her.

After all, a behemoth like the Si family, a little leakage from a random finger is enough for the Shen family to level the playing field.

Because Ye    helped the Shen family to say a few words in front of Si Yeh Han, later the whole Shen family was blessed, from a small bottom-rate company to a listed group, leaping to become a famous family in the imperial capital.

In this life, she still wants to step on her head and climb up the ladder, even to the position of Mrs. Si? How dare you!

Shen Mengqi was completely unaware of what was going on in Ye's mind at the moment. She was afraid that Ye had moved on to Si Yanhan, so she hurriedly brought out the killer Gu Yueze again, "   , are you still angry with young Gu? If you had gone with him then and explained to him afterwards that you were forced, you might have been together by now!

But you were too impulsive to leave with him, and it was a waste of my efforts to help you contact Gu Shao and get rid of the subordinates in the Garden!”

Ye 000 sighed as she smiled, pretending to be emotional as she spoke, “Mengqi, I know, you’ve been worrying about me too, you were the one who helped me come up with the idea of pretending to be ugly to avoid Si Yanghan, you were the one who kept trying to help me escape, and you were also the one who was helping me pass on the message to Gu Yueze ……”

Shen Mengqi saw that Ye Mengqi was really still so stupid, her eyes crossed with a trace of mockery, but her face was full of sincerity, “00, you are my best friend, ah, who will help you if I don’t help you! So, listen to me, you should stop messing around with Gu Shao, you’ve easily left Jin Yuan now, you should seize the opportunity to find Gu Shao, otherwise if you continue like this, when exactly will you be able to chase Gu Shao back!”

Ye 000 glanced in the direction of the bathroom without moving a muscle before speaking slowly, “Who said I was going to chase him back?”

Shen Mengqi froze at her words and said with a slight frown, “Gu Shao is obviously your fiancé, but he was snatched away by your cousin, so of course you have to get him back! Are you going to give up? How can this be! Wouldn’t that be a bargain for that bitch Ye Yi Yi!”

Is it necessary? If Ye Yi Yi thinks she’s taking advantage of it, then let’s make it easy for her.”

## Hot Meets Cold Chapter 42

Broken Shoes ……

Shen Mengqi’s eyes widened, completely not expecting that Ye 000 would say such a thing.

You should know that Gu Yueze was simply a god-like existence to Ye 000, and no one could say half a bad word about Gu Yueze no matter what.

Shen Mengqi’s heart was in shock and disbelief, staring at her in dismay, “000, you …… how can you say that about Gu Shao! Her father stole the Ye family, and she shamelessly stole your fiance. What’s going on? What makes you think that all of a sudden?”

Ye 000 said casually, “It’s nothing, I just suddenly figured it out.”

Shen Mengqi hurriedly persuaded, “00, don’t be emotional, after all, it’s been so many years ……”

She said, "I'm sleepy, I want to go to bed, let's talk about it next time we have time."

Shen Mengqi was going to say more, but, seeing that Ye ÒàÀ" was already yawning and lying on the bed, she could only leave first.

In the past, she used to obey her words, but now she has gone beyond her control three times, and even her attitude towards her is getting colder and colder.

After making sure that Shen Mengqi had already left, Ye ÒÒàÀÇ<sup>000</sup> got up immediately and walked in the direction of the bathroom.

The conversation she had with Shen Mengqi should have been heard by Si Yanhan, who had seen Shen Mengqi's true face, right?

Ye ÒÒ pulled open the bathroom door and hurriedly invited the big devil out, "Sorry sorry sorry! The person has already left! So it was Mengqi, I thought it was the hostel manager checking the rooms! It scared me!"

When Ye ÒÒ opened the door, Si Ye Han's tall figure was leaning on the washbasin, and the basket next to it held her change of clothes, the top of which was her underwear with a strawberry print.

Ye ÒÒ was embarrassed, and was busy copying a towel to cover it up, and then secretly watching Si Yanghan's expression.

However, it was obvious that Si Yanghan's mind was not something that a mere mortal like her could just guess; there was not the slightest peculiar look on the man's face, and he could not see what he was thinking at all.

Si Yanghan looked at her for a few seconds, then gently rubbed his fingers against the girl's delicate jaw, his voice hovering low and mute within the narrow washroom, "Six hours, and you'll be forgiven."

"Huh? What six hours?" YeÒÒ didn't respond for a moment.

Si Yanghan: "Sleep with me."

Ye ÒÒÒ: "....."

## Hot Meets Cold Chapter 43

Literally ..... or .....

The man gave her a look, "If you wish it to mean something else, that's fine too."

Ye ÒÒÒ immediately shook her head like a rattle, "No, no, no! Just the literal meaning!"

But even if it was just “sleeping”, it was still enough to give her a headache.

Two hours would have given her the willies, let alone six.

But she was in the wrong.

In the end, she had to bite the bullet and comply.

When she was lying on the bed again, she suddenly wondered, with the benefit of hindsight, whether Si Yanghan had just deliberately dug a hole for her to jump into. So that she would have to meekly agree to this unequal treaty because she was in the wrong .....

There were also the words that Shen Mengqi had just said, and she wondered if Si Yanghan had heard them or not.

She was muttering to herself, when she turned her head and found that someone was already sleeping soundly.

She had been wrong all along, had she?

Si Yanghan’s sleep was obviously quite normal! It didn’t look like he was terminally ill .....

The first thing that happened was that she couldn’t sleep because of her thoughts, but finally she was infected by Si Yanghan’s sleepiness and fell asleep.

Late at night.

The man in the bed was like an insatiable beast, slowly opening his eyes.

However, even though he had just woken up from his sleep, the man’s eyes still carried a stern and cold look.

Until ..... suddenly felt the different softness in his arms, the man’s harsh expression was fiercely stunned for a moment, slowly dropping his head towards his arms to look.

The girl was curled up in his arms like a small cat under the soft light, sleeping sweetly.

In an instant, the hollow in his chest, where the cold wind was whistling, was suddenly filled, and his suspended heart returned to his body at once.

The man’s gaze was unfailingly fixed on the person in his arms, and a complex look appeared between his brows.

It seemed that from that night onwards, she had little by little become inscrutable to him  
.....

Although, he loved this change in her, these sweetnesses that seduced people were too vague.

It's like a traveler who has been walking in the desert for too long and suddenly sees an oasis, only to realize the next moment that it's just a mirage that's gone for a while.

At this moment, the mobile phone placed aside glowed with a flash of light, indicating a new message.

Si Yanhan's eyes darkened slightly as he tapped the message open.

The sender was Shen Mengqi – [Mr. Si, I went to see ÒÒnite, I persuaded her for a long time, but she still seems to be angry with you. After all, Gu Shao was once her fiancé, it's inevitable that she can't get over it for a while, I believe that one day, she will definitely find out how good you are].

Si Yanghan only skimmed a glance before indifferently tossing the phone aside, his face not changing in the slightest.
