

C1 Gongzi Zhao

Donghai City, Faang Ni gaming Production Company, time for lunch break.

"Did you guys see that 'Big Man'? Bobel and Wang Qianyuan. That Zhao Tai and Young Master Zhao played by Bao Bei is really bad to a certain degree. "

"I saw it!" "I like the line in there the most. Everyone, tonight's consumption will be paid by Young Master Zhao, scream!"

"Haha ..."

The group of people laughed too loudly, causing Zhao Qian, who was sleeping on the table in the morning, to wake up.

Zhao Qian got up from the table and attracted the attention of his colleagues.

"Aiya! If it's the same Young Master Zhao, then the other person's Young Master Zhao will be able to pay for everything. However, our Young Master Zhao's poor phone can't even be traded with money. "

The one who spoke was called Zhang Yuan. He was the same as Zhao Qian and was also planning things out. The department was short of a manager and the two of them were competing, so he couldn't stand Zhao Qian and always wanted to find an opportunity to kick him out.

His colleagues immediately laughed.

Zhao Qian was used to being mocked as a poor diaosi, so he didn't want to argue with them. However, the more he didn't want to argue, the more others would want to provoke him.

Zhang Yuan immediately walked to Zhao Qian's side and said with an evil smile, "Young Master Zhao, ever since you came to the company, you have never invited anyone and you do not want to join in the dinner. Today was Friday. Since he wasn't going to work tomorrow, why don't he invite everyone out for a meal? "Don't worry, I'll pay for my portion. You only need to hire someone else."

The others immediately agreed with Zhang Yuan, saying that they would pay for themselves as well. As for everyone else, Zhao Qian only needed to give them their share.

"No, I don't have money."

Zhao Qian replied very quietly.

Everyone laughed.

Zhang Yuan purposely said loudly, "Young Master Zhao, you can't be serious, right? It's just a gathering, you can't even take out a hundred or two hundred yuan per person? How poor are you? What are your wages? Could it be that he was going to reward the female streamer and eat instant noodles? "Young Master Zhao, you're still doing such a stupid thing?"

"Haha ..."

The crowd burst into laughter once more.

Previously, Zhao Qian rewarded a female streamer with a few thousand yuan before eating instant noodles for half a month. In the end, everyone knew that the entire company had mocked him for a whole month and would even tease him now and then.

A person who even had difficulty eating actually wanted to reward a female host? How retarded was that!

Zhao Qian had a reason for praising the female streamer, but he never explained because they were not yet qualified for him to explain.

At this moment, the Finance Department's Xiao Liu came over.

"Ladies and gentlemen, the company is short on funds. Director Faang said she would only pay half of her salary. Check your balance. If you have any problems, come find me before getting off work.

Zhao Qian's eyes immediately lit up. He quickly took out his phone and logged into the Internet Cafe to check his balance.

Zhang Yuan laughed again and said, "Wah! Look at Young Master Zhao's nervous expression, 5000 yuan... Oh, that's not right. It would only have two thousand five hundred in half. It's only two thousand five hundred, so you don't have to act like this. "

"Haha ..." "Zhang Yuan, don't say that. The female streamer is still waiting for him to give her a reward."

"Haha ..."

While everyone was laughing, the manager, Wang Qiang, returned to the restaurant while eating with his assistant, Jiang Xiaoqing.

Zhao Qian felt very uncomfortable when he saw the two of them. Because Jiang Xiaoqing was his ex-girlfriend and had just broken up with him a few days ago, she was now in love with the manager.

Zhao Qian quickly looked away and continued fiddling with his phone.

Wang Qiang deliberately walked over and asked what everyone was talking about and why they were so happy.

Zhang Yuan was playing tricks on Zhao Qian, trying to embarrass him. If he could successfully chase Zhao Qian away, then the head of the planning department would definitely be him.

"I was just getting paid today. Young Master Zhao said that he would treat everyone to a meal, so he told everyone in the company to go. Does everyone think so? "

The others also wanted to see Zhao Qian make a joke, so they said it loudly.

Wang Qiang walked to Zhao Qian, smiled and patted his shoulder, saying, "Zhao Qian, you've matured." I said that a man who experiences an emotional failure will definitely mature. "In the past, you didn't participate in the company's dinner, but now you're taking the initiative to treat us. This is a great improvement."

After Wang Qiang said this, he intentionally hugged Jiang Xiaoqing closer to his chest, trying not to sound too provocative.

However, Zhao Qian didn't even look at them as he fiddled with his phone.

Jiang Xiaoqing said with disdain, "Zhao Qian, are you crazy? If you have the money to buy a new phone, then learn from others on how to act rich! Where are you going to invite everyone to dinner with that little salary of yours? "There's a bunch of them at the roadside stand. A few more bottles of beer wouldn't even be enough!"

"Haha ..."

Everyone laughed.

As an ex-girlfriend, Wu knew Zhao Qian's financial situation too well. It was precisely because Zhao Qian didn't have any money that she was able to climb up to the top.

Zhao Qian, who had not said anything all this while, finally spoke.

"Mr Wang, can you help me apply to Director Faang for my salary?" I need money badly, really. "

Zhao Qian's words made his colleagues burst into laughter. No one was short of that half of the salary, only he was short. It would be strange if everyone didn't laugh at him.

Wang Qiang laughed out loud. He took out a stack of money from his wallet. It was only slightly more than two thousand and five hundred yuan.

"There's a problem with the company's funds. Director Faang has no other choice." As an employee, we can't block the boss. However, if you really need this money, I can lend it to you first. However, I have a condition. In the future, you're not allowed to pester Xiaoqing anymore. Otherwise, I'll beat you up every time I see you. "When the time comes, don't tell me that I, as your manager, would bully the weak and ruin my reputation."

F * ck, this is humiliating people with over two thousand yuan.

Everyone stared at Zhao Qian. They felt that if he was a man, he definitely couldn't take the money.

After Jiang Xiaoqing proposed to break up, Zhao Qian tried for a long time to be unable to recover. A few days ago, he had seen her go with Wang Qiang to a hotel beside the company. From then on, he had completely given up on searching for Jiang Xiaoqing.

He had to take this money because he really had a great use for it. With this money, he would be able to pay back all the humiliation he had suffered.

Thus, under everyone's watchful eyes, Zhao Qian took the money without hesitation and ran out.

"Haha ..."

Everyone laughed. It would be better for a man to die than to live like this. Does he still have any dignity as a human?

Jiang Xiaoqing had a face full of contempt, she was glad that she had dumped him.

Zhao Qian ran to the bank in one breath, deposited the money into his own account, transferred it into Alipay, and finally transferred another 5000 yuan into a bank account.

He laughed happily, as if he had done something great. Then, he sent a voice message to a person using WeChat.

"Money, I've already paid it all back. Give me the promissory note."

After a while, the other party replied. It was a girl's voice, asking him to fetch it right away.

Zhao Qian quickly called a taxi and sent a photo to his dad after receiving the promissory note.

After a while, his father Zhao Fu replied to his message.

"It took me five years. It's been a bit too long, but I saw your growth. I'm very pleased. "Let's begin now. The ban will be lifted. Come back."

Zhao Qian laughed happily. He finally managed to pull himself out of the situation.

Zhao Fu, Yanjing Ocean Wealth Group's Chairman.

The Wealthy Group operated in oil, gas, mining, communications, finance, navigation, real estate, entertainment, catering and other industries that covered all aspects of human life. Nearly a hundred countries around the world have invested, with total assets conservatively estimated at two trillion dollars.

Zhao Fu had a son and a daughter, the eldest daughter was called Zhao Qunn, and the son was Zhao Qian.

Five years ago, after Zhao Qian finished his college entrance examination and attended a reunion with his classmates, he got drunk and drove him away.

As far as his family background was concerned, as long as he didn't smash someone to death, it was a small matter. However, he had lost his mind due to being drunk, and crazily shouted that his father was Zhao Fu while he was at police station.

Unfortunately, someone was doing something at police station and secretly took a video, which was uploaded to the Internet. Zhao Fu used some methods to delete all the related videos online and spent a lot of money to seal off the news. Only then did he manage to keep his son safe.

However, Zhao Fu felt that if his son had such mentality, such a big business empire would definitely be defeated by him in the future.

For the sake of the family's future, Zhao Fu had ordered for Zhao Qian to be kicked out of Zhao Family. Zhao Qian could earn money to compensate for the medical expenses of the girl he had bumped into. When would he be able to pay it back and when would he be able to return to his family?

Before today, Zhao Qian had already paid back \$195,000. If he paid another five thousand, he would be even with the girl. That was why he asked Wang Qiang, who had taken his girlfriend, to tell his boss to pay him in full.

Wang Qiang wanted to take the opportunity to humiliate him, but he didn't want to help him

collect the money and pay off the compensation instead.

Now, Zhao Qian is no longer poor Wu steel, but the same as the movie's big shot, Zhao Tai Young Master Zhao.

"Zhang Yuan, Wang Qiang, Jiang Xiaoqing, just you wait. I'll have some fun with you!"

C2 Company I Want

Zhao Qian took a taxi home, took the necessary things and then returned to the company. Along the way, he also sent an email to his boss, Faang Ni.

When he returned to the company, the moment he entered the office, he saw Zhang Yuan packing up beside his desk.

"Who let you touch my things?"

Zhao Qian shouted angrily.

Zhang Yuan turned around and replied with a face full of smiles, "Mr Wang told me to pack up for you because you have already been expelled."

"Expelled? Hehe ... No company in the world can fire me! "

Just as Zhao Qian finished his sentence, Wang Qiang's voice came from behind.

"Yo!" What big words! This trip of yours is even more boastful! "

Zhao Qian looked back at Wang Qiang and asked, "Director Faang is personally in charge of personnel. What qualifications do you have to fire me?"

"The plan you gave Xingyuan Corporation, they are very unsatisfied with it, they have already cancelled cooperating with us. The company's operating situation is not optimistic, Director Faang was still hoping for this order to turn the tables, but you broke it. She's very angry right now and she's going to fire you by name. "

"Impossible, I've modified the plan according to the other party's request. How can they not be satisfied with it?" Even if you are not satisfied, you should at least tell me. How can you cancel the order unilaterally? "

"You don't believe me?" Director Faang happens to be in the office. If you don't believe me, you can ask her.

With that, Wang Qiang glanced at Zhao Qian with disdain.

Zhao Qian chuckled and walked straight to Faang Ni's office.

"Dong Dong Dong ..."

Zhao Qian knocked on Director Faang's door.

"Enter!"

Zhao Qian opened the door and walked in.

When Faang Ni saw Zhao Qian, her face immediately darkened.

"You still have the face to come? You've already been expelled, hurry up and f * ck off! "

Judging from Faang Ni's expression, she was indeed very angry. It couldn't be blamed on her, as the company's hope of a comeback had been ruined by Zhao Qian. Anyone would be angry if they were in his place.

However, Zhao Qian chuckled and replied, "Director Faang told me to leave, don't she want the three million?"

Faang Ni's eyes lit up as she immediately asked how he knew about the three million.

Zhao Qian smiled and replied, "Because I sent that email, and the person who wants to invest in the company is me."

Faang Ni widened her eyes in shock, unable to believe Zhao Qian's words.

"No ..." You can't even bear to go for a meal, and you don't even have the money to exchange for a broken phone like that. You're telling me you have three million? Hehe ... If you want to stay, you can also find a good excuse. Such a shameless excuse, go out and ask who will believe you. "

"Can't you? Who told you that you have to show off when you have money? I'm used to living a low-key life like this, isn't it? "

Faang Ni chuckled and asked Zhao Qian if he had any evidence to prove that he had three million.

Zhao Qian threw a cheque onto Faang Ni's table and said, "This is 3 million. According to the email, I want 51% of the company's shares. If you agree, you can have the money. If you don't agree, I'll have to use some unconventional methods. "In short, I'm taking it for real at the company!"

Faang Ni swallowed her saliva and asked Zhao Qian if it was illegal to write a cheque.

Zhao Qian rolled his eyes and replied, "Whether it's a blank cheque or not, you can check it at the bank. " I'm not bored enough to write a cheque for you. "

Faang Ni felt that this made sense and quickly stood up with a smile, respectfully inviting Zhao Qian to take her seat.

Being rich was still a big deal. She was cold before, but now, she wanted to kneel and lick Zhao Qian.

Zhao Qian gave a contemptuous smile and said, "Director Faang, this isn't appropriate, is it?"

"What's wrong with that?" Now that you're the boss of the company, this seat should be yours. "I'll move into the next office. This will be yours from now on."

Zhao Qian waved his hand and replied, "I prefer to work with everyone in the office. This place will still be yours in the future. However, I have a condition. You are not allowed to tell anyone about my investment in the company. Otherwise, I'll have to withdraw my funds. "

"Understood. You are a low-key person, I understand. "

"Hehe ..." As long as you understand. Now that there's a problem, what do you think I should do if Wang Qiang wants to kick me out? "

"Simple! I'll kick him out and make you a manager. "

Zhao Qian immediately waved his hand and said, "No way, Wang Qiang must stay. When he has enough fun, when can he let that grandson leave?"

Faang Ni nodded and said, "No problem, I will follow his instructions."

Zhao Qian nodded, turned around and walked out. Faang Ni quickly saved the document and chased after him.

Wang Qiang and Zhang Yuan were waiting for Zhao Qian. When the two saw him come out, they immediately smiled and asked him if he was still going to stubbornly resist?

Zhao Qian glanced at the two of them in disdain and replied, "I just said that no company can fire me!"

"What is it? You think you still have a chance to stay? Do you think what Director Faang said was fart? "

Faang Ni heard exactly what Wang Qiang said.

"Who did you say was farting? "You have quite the guts!"

Hearing Director Faang's voice from behind, Wang Qiang was scared out of his wits and hurriedly went up to apologize.

"Sorry, Director Faang, I didn't mean it that way ..."

"What does that mean? Who gave you the authority to expel Zhao Qian? I am in charge of personnel, what right do you have to be good at making decisions? "

Wang Qiang was stunned and quickly replied, "Zhao Qian messed up the company's order. Director Faang, you said yourself that you want to fire him!"

At this moment, Zhao Qian interrupted.

"Director Faang, I followed the other party's request to modify the plan. They can't possibly not be satisfied with it. Even if they are not satisfied, it is impossible for them to cancel an order without saying a word. This is illogical. "

Faang Ni felt that since Zhao Qian had already offered 3 million yuan for the company's shares, he definitely wouldn't intentionally cheat the company. Furthermore, such a rich person would definitely not lie.

Thus, she said, "I feel that there must be something fishy about this matter. I'll make a decision after I thoroughly investigate it."

Wang Qiang did not dare to say anything else, so he could only nod in agreement.

Zhang Yuan saw that the situation was bad and quietly went back to his seat. He was panicking because Zhao Qian's plan had been bought out and replaced by the Xingyuan employees. Once Faang Ni had investigated thoroughly, it was highly likely that she would find out the truth. Would it not be a tragedy for him?

"Hurry up and put Zhao Qian's stuff away!" It's really rude to secretly touch someone else's things without permission. "

Faang Ni reprimanded Wang Qiang, then turned around and returned to her office.

Wang Qiang did not dare to be slow and quickly put Zhao Qian's stuff back into the distance.

"Zhao Qian, you dared to hit my snitch in front of Director Faang. Just you wait, you're still working for me, let's see how I'll beat you to death!"

Zhao Qian laughed and said mercilessly, "Hehe ..." I'll be with you anytime. "Don't worry, you'll stay at the company until I'm done playing."

"You ... Just you wait, Director Faang won't protect you forever! "Humph!"

Wang Qiang reluctantly put everything back and returned to his office.

The atmosphere in the office was a bit tense. No one dared to speak for fear of being caught red-handed by the angry boss.

Soon, it was time to get off work. Zhao Qian stood up and said to everyone: "I'll treat everyone tonight. At seven o'clock, see you at Donghai Hotel."

Everyone was stunned when they heard this. They thought, is he okay? He really wants to treat us! He just had to find a place that was more convenient. He actually went to the city's best Donghai Hotel. Did he have the money to go there?

Zhao Qian didn't even give them a chance to ask, he just took his stuff and left.

His colleagues panicked. Should they go or not?

"Will you go?"

"Go! Since someone is treating us, why don't we go? "

"But he's going to the Eastsea Hotel. We can't even afford to pay him a month's salary for a single dish there."

At this moment, Zhang Yuan snickered.

"Zhao Qian, oh Zhao Qian, you want to go to the Donghai Hotel to act cool even though you don't have any money?" "I'll let you take this opportunity to offend everyone in the company. Let's see how you continue to work here!"

Zhang Yuan thought for a while and said loudly, "It's rare to see Young Master Zhao treat everyone to a meal, we have to go." If he missed this opportunity, he wouldn't have another in the future. Everyone had to believe Young Master Zhao. Since he said he would go to the Eastsea Restaurant, he would definitely be able to afford it. What we need to do is to support them, don't doubt Young Master Zhao. "

Everyone felt that Zhao Qian was reasonable. Although he was poor, he was not stupid. If he did not have that much money, how would he dare to go through the Donghai Hotel to act cool?

Thus, everyone hurriedly packed their stuff and took the company's bus to Donghai Hotel.

C3 I Pay the Bill Eat Without Worry

At seven o'clock, everyone was waiting for Zhao Qian at the Donghai Hotel entrance.

"It's already seven o'clock, why isn't Zhao Qian here yet? He's not messing with us, right? "

"No way. He dares to play with so many of us, he still wants to stay in the company? Director Faang wouldn't tolerate it.

"What does that mean? "He left us here, but he didn't come himself."

As his colleagues were discussing, a silver-gray sports car whizzed by and stopped in front of them.

The group of people were simply looking at this sports car. They didn't know what brand of car it was because they had never seen a sign for this type of car before.

In order to act cool in front of everyone, Wang Qiang quickly used his phone to search the world's most expensive sports car on the internet.

"Do you know what brand of sports car this is?"

Wang Qiang was about to start acting cool, so everyone shook their heads and said they didn't know.

"This... This was the Koenigsegg One: 1, the world's most expensive sports car, worth 100 million! There are only six cars in the world, and five of them went to our country. I never thought that there would be one in Donghai City, and I wonder who the owner of that car is. "

Everyone immediately exaggerated Wang Qiang's knowledge and experience. As expected of someone who could be a manager.

Wang Qiang looked calm, but in his heart, he was extremely happy.

Jiang Xiaoqing looked at him with admiration, her eyes filled with happiness. A man with so much experience and knowledge couldn't be compared to a bumpkin like Zhao Qian.

As the sports car slowly approached, the crowd couldn't help but exclaim in admiration.

"Wah!" I wonder if the owner of such a beautiful sports car is a handsome man or a beauty. "

"Let's keep our distance. If our clothes are touched, we might have to accompany them for a few

hundred thousand dollars. "

"Only someone who can drive this kind of car is called Young Noble, our Young Master Zhao is like a joke."

"Haha ..."

Just as everyone was laughing in ridicule, the car door opened. Everyone's eyes were focused on the direction of the car door.

When the people in the car got off, Faang Ni's game Production Company people all opened their eyes wide in shock.

"Zhao Qian?"

"Zhao Qian!"

Some expressed doubts and others expressed admiration. This car belongs to Zhao Qian? How could this car be Zhao Qian's!

Jiang Xiaoqing's heart skipped a beat. Could it be that she misjudged him? Zhao Qian was an invisible rich second-generation?

Very quickly, she rejected this idea. How could a fuerdai live so bitterly? It must have been a car he rented out on a loan. What a naive idiot, actually doing such a boring and foolish thing.

After Zhao Qian got out of the car, he said a few words to the driver and then walked over to everyone. The sports car immediately started up and drove away.

No one believed that the car belonged to Zhao Qian. They all felt that it must have been rented by him.

Zhang Yuan laughed. "Zhao Qian, do you think you need to? In order to act cool, did he borrow money online? Otherwise, why would you have so much money to rent such a luxurious sports car! "

Everyone laughed out loud. Right now, this was the only explanation that made sense.

Wang Qiang, as a leader, said sincerely, "Zhao Qian, you are wrong. We're all colleagues, who doesn't know who. Do you think you need to do this? Have you heard a word? He didn't look like a prince in a dragon robe either. Even if this car belongs to you, no one would believe it, not to mention that it was rented by you. Why do you have to spend so much money to act cool? "

As a top rich second-generation, even when he was pretending to be poor, Zhao Qian wouldn't explain anything to anyone. Now that he had recovered his identity, he felt even more disdainful to explain himself.

"Enough!" "Just think whatever you want to think. Hurry up and go in to eat, I'm hungry."

After Zhao Qian finished speaking, he directly walked into the Donghai Hotel and asked the waiter for the highest class room.

As the most formidable restaurant in the city, even if one ate in the main hall, the minimum cost would be over ten thousand yuan.

The most luxurious box here had a basic cost of 200,000 yuan.

The waiter was overjoyed upon hearing that, but when she saw Zhao Qian's outfit, she suppressed her smile.

Stop messing around, with a body full of goods, he was not worthy of eating here, much less having the right to ask for the most luxurious private room.

"Sir, I'm sorry, but our main hall has a minimum cost of ten thousand yuan. The basic cost for a luxurious box is two hundred thousand, it might not be suitable for you."

"What do you mean? Afraid that I can't afford it?"

"Hehe ..." Sir, don't get me wrong. I didn't mean it that way. Everyone here is a reputable person in the Donghai City, it would not benefit anyone if you were to make a ruckus."

"Damn!" Bring me Wang Yu!"

The waiter was stunned. Wang Yu was this person's lobby manager. Usually, no one would dare to call her by name. That brat called her Wang Yu in such a tone. Could it be that he is truly a powerful figure?

In order to not cause trouble for himself, the waiter quickly called the manager over.

When Wang Yu saw Zhao Qian, she immediately ran over.

"Young Master Zhao, why are you here?" Long time no see! If I say it in advance, I'll arrange a room for you."

"Hehe ..." Cut the crap, give me the most luxurious box here. "Also, if you drive this waiter away, I'll be bored watching this happen!"

"Sigh!" "Alright!"

Wang Yu turned around and said to the waiter, "You've been expelled. Go collect your salary and leave!"

After saying that, he quickly caught up to Zhao Qian and led him to the most luxurious private room.

Everyone in the game's Production Company was stunned. Zhao Qian must have bought the manager's act in advance, right? What he said was too f * cking realistic.

Zhang Yuan and Wang Qiang were both secretly laughing in their hearts. Let's see if Liu Tie can continue acting like this after dinner.

Everyone hurried to catch up and arrived at the most luxurious box in Donghai Hotel.

It was rare for a person to have the qualifications to enter this room in a year, and the interior decoration could be said to be luxurious. Even the washbasins were made of gold, one could tell how luxurious they were.

Zhao Qian took the menu and specifically picked out dishes that his colleagues had never seen or even heard of before.

Take this caviar, for example. It's made from a mixture of giant white sturgeon seeds and gold. From maturity to spawning, this type of fish would take around twenty years. One could imagine how expensive it was.

Other dishes such as the shark fin and bird's nest were only appetizers.

Looking at this table of expensive dishes that he had never seen before, his colleagues did not dare to move their chopsticks at all.

Zhang Yuan swallowed his saliva and said, "Zhao Qian, we can tell you in advance that you will be treating us tonight, no AA."

"That's right! I forgot to bring my wallet. I can't do anything about AA. "

"That's right, that's right. I forgot to bring my wallet and my phone is out of battery. There's really no way for AA."

These colleagues were afraid that Zhao Qian wouldn't have the money to pay. If they ate it, they might end up in debt for the rest of their lives.

Zhao Qian chuckled and replied, "Don't worry about the food. Your Young Master Zhao will pay for all of tonight's expenses!"

With that said, everyone put away their phones. They had already recorded Zhao Qian's words, so they were not afraid of him cheating.

Everyone quickly picked up their cutlery and started eating. Zhang Yuan and Wang Qiang were like reincarnated hungry ghosts as they ate one mouthful after another without stopping at all.

These two grandsons usually make things difficult for Zhao Qian, so they enjoy their meal the most.

Everyone was eating happily except Jiang Xiaoqing, who was having a hard time swallowing her food. She felt that Zhao Qian came here to treat her to a meal because he wanted to act cool in front of her. In the end, even he himself felt inferior, so he wanted to use this method to regain his confidence.

Zhao Qian had gotten tired of eating these things five years ago, so he just ate a few bites and then stopped. When he saw that Jiang Xiaoqing did not seem to have any appetite, he asked, "Jiang Xiaoqing, out of all the good dishes on the table, is there one that suits your appetite? "Then what do you want to eat? I'll get the restaurant to make it for you."

He just wanted Jiang Xiaoqing to regret her actions and then come back and beg for his help. When the time came, he would ruthlessly reject her as revenge for hacking his legs.

Jiang Xiaoqing snorted and threw down her chopsticks, scolding, "Zhao Qian, you are also 24 years old, why are you still so childish? For the sake of your so-called face, do you think it's worth it for you to bear such a huge debt? "No matter how good your acting is, I still won't be able to come back to you. Can you please don't do such disgusting things?"

While eating, Zhang Yuan and the rest watched the show happily.

Zhao Qian still didn't explain anything and just smiled.

Jiang Xiaoqing had lost her appetite even more as she sat there in a daze, fuming.

Wang Qiang completely ignored her. At this moment, the food on the table was his favorite.

Soon, everyone had finished their food. They were all still enjoying their meals as they stared at the empty plates on the table, licking their lips as if they were enjoying the aftertaste.

Now that the main issue had arrived, it was time to pay the bill. Could Zhao Qian really have the

money to pay for so many expensive dishes? If he didn't have money, they were all finished. These things had to eat a BMW of theirs.

C4 Never Heard of It

Zhao Qian saw that everyone was looking at him, so he asked with a smile, "Is everyone done eating?"

Everyone quickly nodded their heads and said that they had finished their meal.

"That's good. After all, this is my first time treating, so I have to make sure you all eat your fill. Waiter, pay!"

The waiter quickly ran over and replied very respectfully, "Mr Zhao, please wait for a moment, I'll go call the manager over right now."

Zhao Qian nodded and the waiter ran out.

After eating his fill, Zhang Yuan wanted to find trouble with Zhao Qian again.

"Young Master Zhao, which platform did you borrow money from?" Let us know, maybe we'll need it in the future. If it's a naked loan, then forget it.

"Haha ..."

Everyone laughed.

If Zhao Qian revealed his identity directly, he would definitely frighten these people. People like Wang Qiang and Zhang Yuan, who only dared to bully the weak and fear the strong, would definitely kneel down and lick him.

But what he wanted was not for them to kneel and lick, but to enjoy the pleasure of slowly eating. Therefore, he decided to continue concealing his identity.

"Recently, I got lucky and won the lottery. So don't make wild guesses and just enjoy it peacefully."

When everyone heard that he had won the lottery, they immediately asked how much he had won.

"Not much, just around 500,000 yuan."

His colleagues immediately let out sounds of jealousy and envy.

Wang Qiang's and Zhang Yuan's faces turned ugly. They felt that the five hundred thousand

should have belonged to them.

However, at this time, Jiang Xiaoqing began to mock Zhao Qian.

"I'm really afraid of being poor, seeing how smug you are with so little money. Was it more than five hundred thousand yuan? Other than you, which one of them doesn't have 500,000 yuan? A house was worth several hundred thousand! I don't see anyone as cocky as you! "

Zhao Qian didn't want to tolerate Jiang Xiaoqing any longer, so he immediately retorted, "My money, I can spend it however I want, but it's not up to you to comment. "Who do you think you are? What qualifications do you have to comment on me?"

"Who are you scolding!"

Jiang Xiaoqing immediately stood up, looking like she wanted to slap Zhao Qian.

As Jiang Xiaoqing's current boyfriend, Wang Qiang would definitely show off at this time.

"Zhao Qian, don't think that you can do whatever you want just by treating everyone! Hurry up and apologize to Xiaoqing, or else I won't be polite! "

His colleagues quickly tried to stop him. Since Zhao Qian had invited everyone to dinner, they gave him some face. As compensation, Zhao Qian invited everyone to sing again, and must go to the KTV Di Hao.

These people were very unbalanced. If they didn't spend all the money Zhao Qian won the lottery, they wouldn't be able to sleep well at night.

Zhao Qian understood their feelings and thoughts, so he couldn't help but laugh.

At this moment, the manager arrived.

"Young Master Zhao, just sign here."

The manager respectfully placed a bill in front of Zhao Qian.

He handed the pen to him again, humbly.

Zhao Qian took the pen and drew a few lines on the bill.

"Alright, let's go."

With that, Zhao Qian got up and walked out.

Everyone was shocked.

Zhang Yuan immediately asked the manager, "Zhao Qian, are you going to pay just by signing this?"

The manager replied with a smile, "Yes, Young Master Zhao is priceless."

"Holy sh * t!" It looks like you've collected quite a bit from him! This acting is really amazing. "

"Haha ..."

The manager gave Zhang Yuan a "you're an idiot" look and left while laughing.

Wang Qiang did not believe that Zhao Qian's name would be useful in Donghai Hotel, so he said: "Everyone, don't think too much, since he is willing to show off, we can enjoy it peacefully."

Zhang Yuan quickly agreed, "Yes! We didn't force him. "Let's go, don't make him wait for us at Di Hao's place, he's still waiting to show off in front of us."

"Haha ..."

Laughing loudly, everyone followed him out of the private room.

Zhang Yuan deliberately walked very slowly. When the others had left, he walked to Wang Qiang's side.

"Manager, this kid is so arrogant for getting the lottery ticket, he doesn't even give you face." In a bit, we have to teach him how to conduct himself, so that he won't be so arrogant in the future. "

"What do you think?"

"Isn't that simple? Why don't you bring some expensive wine over?" The dozen of us still need to drink a few bottles as we please. Even if he won another prize, it wouldn't be enough to pay up. Let's see how he finishes then. The boss of the KTV was Mr Hu, a fierce character. He can't pay for it, and he won't be any better off without an arm and a leg. "

Wang Qiang revealed a satisfied smile, indicating that he would do it.

Jiang Xiaoqing, who was at the side, said, "You guys have to keep a good grasp on the scale. If that Mr Hu wants us to pay him, that would be bad."

Wang Qiang nodded and assured Jiang Xiaoqing. At worst, when the time came for them to pay up, they would excuse themselves and leave Zhao Qian alone. Whether he lived or died depended on his luck.

Very quickly, everyone activated their Donghai Hotel.

Zheng Ming made a call and the driver drove his sports car over.

"There are only two seats in the car, so I can't take you. I'll go to the Emperor's private room first. Hurry over here. "

With that, Zhao Qian got into the car.

"Aiya, Young Master Zhao is living a free and easy life." It wasn't easy for me to earn 500,000 yuan, but I'm not thinking about buying a house or a car.

The person who spoke was called Wang Chuan. Envy and jealousy were written all over his face.

He was a poor man, too, but he was more likely to come. His money was used to buy relationships, so everyone was polite to him.

He felt that Zhao Qian wasn't as good as him, so why didn't he win the lottery when Zhao Qian won?

The others immediately laughed and said that Zhao Qian was open-minded, but he lived a relaxed and happy life.

They spoke very casually, but in reality, their hearts were very unbalanced. How could someone like Zhao Qian win the lottery!

Soon, everyone arrived at the KTV.

As the city's most luxurious and high-end KTV, ordinary people could not come.

Any random private room would cost tens of thousands of yuan, and the wine inside was also expensive. Even the princess' young master was much more expensive than normal. In short, ordinary people couldn't afford it.

Wang Qiang led everyone in, and the receptionist asked them if they had a reserved room.

Wang Qiang replied, "We've booked a private room with him. His name is Zhao Qian."

"Oh, so it's Young Master Zhao's friend. Young Master Zhao has instructed us to bring you guys

directly to the private box when you come. Xiao Qian, come and prop me up. I'll bring them to the room. "

The front desk girl brought a group of people to a luxurious private room. The moment she opened the door, she gave off a dazzling feeling. The interior of the box was as grand as the palace on television.

Zhao Qian called them in and told them what they wanted to eat and drink.

Wang Qiang and the rest were waiting to see Zhao Qian make a joke, so they desperately ordered expensive wine and ordered 10 bottles of '82 Lafite'.

Zhao Qian instantly laughed. Zhang Yuan then asked him what he meant by that laugh, was he not willing to part with it?

"No, I think the most important thing about red wine is tasting it, not drinking it like beer. How about this, I'll order some. If you want eighty-two years of Lafite, two bottles. Then we'll have Romane Conti, Petrus Pomerol, Chateau-Margux, and two bottles each. These colleagues of mine like Lafite. When it's over, pack two bottles for each of them and take them away. "

The waiter immediately laughed and praised Zhao Qian's taste, but the others were confused. They only knew that Lafite did not understand what kind of wine Zhao Qian wanted.

Zhang Yuan asked like a country bumpkin, "Zhao Qian, you can't possibly be reluctant to give us some Lafite and then order some trash wine that we've never even heard of, can you?"

Zhao Qian laughed heartily and ignored him. However, the waiter couldn't bear to listen anymore and immediately introduced the wines Zhao Qian asked for.

After the waiter finished his introduction, everyone expressed their disbelief. Zhao Qian was willing to open such expensive wine for everyone? Besides, how could Zhao Qian know about a wine they've never even heard of?

At this moment, Jiang Xiaoqing's words made everyone burst out in laughter.

"Zhao Qian, you are so bored. In order to act cool, he even came in advance to make preparations. You think saying the names of a few famous wines will make you look big? No! It will only make you feel even worse! "

"Haha ..."

C5 Give Me Some Face

Hearing these bumpkins mocking Young Master Zhao, the waiter couldn't bear to listen anymore. She tried to explain to Zhao Qian, but he stopped her.

"Waiter, hurry up and go to the bar. A few more plates, to be faster. "

"Sigh, alright. "Wait a moment, Young Master Zhao, we'll be packing right away."

The waiter quickly ran out to prepare. In less than five minutes, several waiters came together to deliver all the things Zhao Qian wanted.

The efficiency of this service wasn't something that an ordinary person could enjoy. Only someone like Zhao Qian would be able to enjoy it.

Jiang Xiaoqing said with a look of disdain, "Being rich is a waste of money, that's true." Give them a tip and they'll be as obedient as dogs. "

Anyone who could work for the Di Hao, even the waiters, would feel that they were awesome. It was one thing for this Jiang Xiaoqing to be a country bumpkin, but she was still scolding people. How could he let her off so easily?

"Young lady, pay attention when you speak. Don't take your ignorance as a personality, it will only make people laugh. "If it wasn't for Young Master Zhao, you would have been kicked out by now!"

The head waiter looked at Jiang Xiaoqing with a serious expression and said.

Jiang Xiaoqing was displeased and immediately replied, "What's wrong? You all are so shameless, taking the money and acting along with him, why would you all be afraid of others spouting such nonsense? "

"Miss, please take back what you just said, or the consequences will be very serious!"

"What's the result?" What are you pretending for! You are just a waiter, and so is the one with the Di Hao. A dog is a dog, and Teddy is a dog. He won't change the fact that you're a dog just because you're a Teddy. "

The supervisor was furious. He took out his walkie-talkie and was about to call the security guard.

Wang Qiang was panicking. Di Hao was not someone to be trifled with. This was Mr Hu's place.

Making trouble here was simply courting death.

He quickly apologized to the supervisor, "Brother, brother. I'm sorry, but she's in a bad mood. She understands more, and she understands more."

"Who are you? What do I understand? Even if I'm just a dog, I'm still a dog she can't afford to offend."

"No, that's not it. Brother, please forgive me. I apologize to you on her behalf."

"Who do you think you are? Why are you apologizing for her? And why should I accept your apology?"

Wang Qiang felt really awkward, and the atmosphere at the scene also became awkward.

Zhang Yuan immediately introduced her to the supervisor, "This is the manager of our game's Production Company, Wang Qiang. This is her girlfriend. Brother, give me face and don't bother about it. We're here to consume, not to cause trouble."

The supervisor laughed out loud and replied, "What game's Faang Ni Production Company? I've never even heard of her before. It's just a lousy manager, he doesn't even have a high salary for the most ordinary waiters here. Also, the one who came to consume was Young Master Zhao, not you guys. You're just here to eat and drink for free."

"You ..."

Zhang Yuan was speechless.

Zhao Qian crossed his legs and watched them perform. He had to continue playing with Wang Qiang and the rest. He could not let Yang Hu appear, otherwise, his identity would be exposed.

"Waiter, they're my colleagues, forget it."

The anger on the supervisor's face immediately disappeared and he replied with a smile, "I will do as Young Master Zhao says. Young Master Zhao, play slowly, we won't disturb you anymore."

Zhao Qian blinked his eyes and the waiters quickly left.

Wang Qiang and Zhang Yuan were embarrassed, but they had no reason to be angry at Zhao Qian. The two of them vented their anger on the wine.

"Come, drink up!" "Let's drink to our heart's content!"

Zhang Yuan opened all the wine on the table one by one and drank it all up quickly with everyone else. They, a bunch of bumpkins, drink wine like beer for nothing.

"Damn, it doesn't taste that good either. What bullshit Lafite! "

Zhang Yuan did not forget to curse a few times after drinking it.

Jiang Xiaoqing drank a few mouthfuls as well. She was currently very angry in her heart. Since Zhao Qian likes to act tough, then let him act tough.

"Zhao Qian, I finished my wine. Let's order again. "

Everyone quickly echoed Jiang Xiaoqing and told Zhao Qian to continue ordering the wine.

Zhao Qian immediately said there was no problem. They could drink however much they wanted and he would pay for everything tonight.

Zhang Yuan sneered. He wanted to continue acting. He ate half of that several hundred thousand yuan worth of food. Then he would order a few bottles of wine and see what else he could use to pay.

Wang Chuan immediately rang the service bell. He couldn't wait to spend all the money he got from Zhao Qian's lottery ticket.

The waiter quickly ran over when he saw that it was Zhao Qian who wanted to serve.

"Young Master Zhao, what do you need?"

"After drinking the wine from earlier, I feel that it's not bad and I still want to drink it. "How about this, you guys bring ten bottles of each type of wine and leave them here for them to drink."

"Sigh!" "Wait a moment, Young Master Zhao, we'll send it over right away!"

The waiter was overjoyed. Tonight's private room was enough for three years of her salary.

The waiter hurriedly ran out to get some wine. The other waiters in the other rooms were all envious when they saw this.

"A tycoon came to room 808!" Just the wine alone is worth a few million, my God, and Xiao Li is going to make a few hundred thousand tonight. "

"Aiya! "I'm so jealous. How could I not be so lucky to meet such a wealthy customer?"

"Sigh!" This is all life! I just don't know what this tycoon looks like. If he's handsome, then I'll go seduce him. Just a little bit of the separation fee should be enough for me to buy a few houses. "

"F * ck!" Aren't you being too savage!?"

"Haha ..." How could such a rich man possibly have a fancy for a waiter like us? I have to be proficient in a few foreign languages and be an outstanding beauty in all aspects. "

"..."

The waiters were envious and jealous. The manager and the boss of the KTV soon heard about it.

The boss, Yang Hu, asked who was at 808. After knowing it was Zhao Qian, he specifically told them not to talk about it with anyone else, otherwise, they would be fired immediately.

The waiter called Xiaoli put down all the wine and came out happily.

"Xiaoli, we're rich!"

"Worked for years a night."

Xiaoli is really good at being a person. She immediately smiled and said that she was lucky and would treat her after work tomorrow.

At this moment, Zhang Yuan and the others in the room were starting to blind the wine again.

However, the wine had a lot of aftereffects. As they drank and drank, they felt dizzy.

Jiang Xiaoqing called her two colleagues to go to the washroom together. The others didn't dare to drink anymore, so they ordered and sang.

After a while, Jiang Xiaoqing and the rest returned in a huff. Wang Qiang asked them what had happened.

"Just now when we went to the washroom, there were a few drunk men flirting with Xiaoqing."

"What?" "Damn it, who dares to be so bold!?"

Wang Qiang was immediately enraged. He stood up and was about to find the other party to settle the score.

Jiang Xiaoqing quickly stopped him, saying, "Forget it, it's not that big of a deal. I just wanted to

say a few words." I've already slapped him in the mouth, forget it. "

"Humph!" "Let's say they are lucky!"

Jiang Xiaoqing looked at Wang Qiang with a smile on her face.

Zhao Qian held his wine cup and carefully savored it. A smile appeared on his face. Which one of the people who could come here to spend money could be simple? Jiang Xiaoqing actually dared to slap him. Just watch and see. She will definitely get even with him.

Sure enough, at this moment, someone kicked open the private box's door and a group of people rushed in.

C6 Kneel and Lick and I'il Spare You

The sudden appearance of a group of people startled everyone.

Jiang Xiaoqing pointed excitedly at one of the men and scolded, "It was this hoodlum who teased me. How the f * ck do you dare to come?"

That man immediately pointed at Jiang Xiaoqing and swore, "It was that bitch who slapped me. Brothers, teach her how to behave!"

As the man gave the order, several burly men behind him rushed forward to capture Jiang Xiaoqing.

Jiang Xiaoqing retreated in fright while Wang Qiang stood up.

"Brother, what does that mean? You teased my girlfriend, and you still dare to find trouble with her? What do you think this place is?"

While Wang Qiang was speaking, he intentionally walked over and opened a bottle of Lafite, directly blowing at the bottle.

Only now did the group of people realize that there was so much wine piled up in the room. A rough estimate of several million was not something that an average person could afford.

"Hehe ..." May I ask what your name is? My name is Liu Xi, please take care of me in the future. "

Wang Qiang said with a proud smile, "Sure, sure. I'm Wang Qiang, the manager of Faang Ni's Game Production Company. Everyone is out to play. Being happy is the most important thing.

Liu Xi nodded as if he thought of something and turned around. He then told his subordinates to check on the background of Faang Ni's game Production Company. After that, he chatted with Wang Qiang to buy some time for his subordinates.

A few minutes later, his subordinate came to report to Liu Xi that Faang Ni's game Production Company did not have any background.

As long as he didn't have any background, Liu Xi wasn't afraid. So what if he had money? Maybe he got it from the demolition of his home, winning the lottery, loans, etc. As long as he had no background, everything was fine.

Liu Xi walked forward with a giggle and slapped Wang Qiang onto the sofa.

"F * ck, a slightly larger company manager actually dares to call me brother? F * ck!" This is your girlfriend, right? At first, I just wanted to slap her a few times and forget about it. But now, I'm going to vent all my anger and make her kneel down to vent my anger, then I'll let you guys go! "

After saying that, Liu Xi sat down, spread his legs, and signaled Jiang Xiaoqing to quickly come over and help him vent his anger. His lackeys were grinning on the side as they urged Jiang Xiaoqing to hurry up.

Jiang Xiaoqing quickly hid behind Wang Qiang and whispered, "Qiang Zi, I'm scared."

Wang Qiang covered his face and lightly patted her back to comfort her.

After all, he was his girlfriend, and with so many colleagues present, Wang Qiang couldn't pretend to be scared.

"Bro, no, Bro, this is Mr Hu's territory, it's not good for anyone to make a big fuss. "My girlfriend gave you a slap, and you gave me a slap. Why don't we just forget about it? We're even, how about it?"

Liu Xi immediately got angry, grabbed a bottle of wine and threw it over. Fortunately, Wang Qiang reacted quickly and grabbed the wine bottle.

But now, Liu Xi was even more angry. He grabbed a bottle of wine and smashed it onto Wang Qiang's head.

"Damn it, you still dare to dodge? Hide another one and let laozi see! "

"Ah ..."

The female colleagues were so scared that they screamed and ran away. They immediately started crying.

Jiang Xiaoqing cried as she asked Wang Qiang how he was doing. He was in so much pain that he couldn't speak and his head was still dizzy. He didn't want to move at all.

Liu Xi walked over, grabbed Jiang Xiaoqing's arm, pulled her into the crowd, and threw her onto the ground.

"Hurry up and vent your anger for laozi, otherwise laozi will have these brothers pull you to the toilet!" Think about it clearly, do you want to serve me alone, or do you want to serve my brothers? "

When Liu Xi's brothers heard this, they happily shouted "Long live Happy Brother". They

couldn't wait any longer.

Liu Xi said with an evil smile, "Did you see that? These brothers of mine do not know how to show mercy to the fairer sex, don't kill you in the toilet. "

"Brother Xi, don't worry. We will treat him gently."

"Yes!" "Haha ..."

"Brother Xi, there are also those two beauties with her. How about ..."

Liu Xi turned around and saw that the two female colleagues who went to the washroom with Jiang Xiaoqing, Liu Mei and Wang Juan, had turned pale with fright.

Liu Xi smiled and said, "If you guys like it, try pulling me into the toilet. It's such a simple matter." Everything is under the responsibility of you, Brother Xi. Don't be afraid. "

"Thank you, Brother Xi! Brothers, let's go to the washroom! "

Liu Xi's lackeys immediately rushed forward to pull Liu Mei and Wang Juan. The two of them were so scared that they shouted loudly, and their voices even changed.

But no one dared to move. Wang Qiang couldn't even protect Jiang Xiaoqing, much less both of them. Zhang Yuan, Wang Chuan, was hiding at the back of the crowd.

However, this Zhang Yuan was very bad. He felt that this was a good opportunity to teach Zhao Qian a lesson. If Zhao Qian was beaten up to the point where he couldn't go to work, then the position of the head of the planning department would belong to him.

"Zhao Qian, you were the one who invited us here to sing. Now that something has happened, you didn't say a word. Are you still a man? This big brother here, the one who will be treating tonight is him. He will bear all the consequences.

Everyone suddenly came to their senses. That's right, with Zhao Qian, the Prince of Mischief, it would be fine to just throw the pot to him, right?

"Right, right, right. Brothers, Zhao Qian is in charge of all the expenses tonight, so he should be in charge of this as well. Talk to him. "

"Zhao Qian, it's time for you to come out, don't play dead!"

"You have been acting for the entire night and yet you dare not speak at such a crucial moment. Are you a man as well?"

If it was anyone else who heard him being called like this, they would definitely be furious.

But Zhao Qian didn't get angry at all. He even held his wine cup and carefully tasted the wine. It was as if he didn't hear his colleagues say anything about him and didn't put Liu Xi and the others in their eyes at all.

Jiang Xiaoqing was also crazy. She pointed at Zhao Qian and said to Liu Xi, "This brother here, he recently won the lottery and is rich. How about you let him compensate you a little bit?"

Liu Xi walked in front of Zhao Qian and arrogantly asked, "Did you win the lottery?"

Zhao Qian chuckled and nodded.

"Haha ..." How much did you get? "

"Not much, just a few hundred thousand."

"Several hundred thousand?" Haha ... Hundreds of thousands! Then why the f * * k did you order so much wine? Do you know how much it costs? "

Zhao Qian put down the blanket and withdrew his smile. He said seriously to Liu Xi, "Did you swear earlier?"

Liu Xi's face immediately turned dark. He pointed his forehead at Zhao Qian and replied, "I said it already, what can you do to me?"

Zhang Yuan was very happy that the two of them started to fight.

"Zhao Qian, let's see how you're going to end this. "It would be best if you were beaten by them and hospitalized for a period of time. The planning department will be mine."

Zhang Yuan thought to himself and he started to imagine the scene where he was the head of the planning department.

Zhao Qian laughed and replied in a low voice, "I think you'll lose a few teeth later."

"Haha ..." Brothers, he said I could lose a few teeth. "

Liu Xi's subordinates laughed out loud, rolled up their sleeves and were about to go dry Zhao Qian.

At this moment, a rough male voice sounded from outside the door.

"Who is causing trouble here?"

Everyone turned to look at the door, only to see a bearded middle-aged man standing at the entrance.

Startled, Liu Xi ran to meet him.

"Mr Hu, why are you here?"

C7 Tooth Extraction

Liu Xi hurriedly went to greet Yang Hu with a flattering smile.

Yang Hu looked at him contemptuously and asked, "You are causing trouble here?"

Liu Xi hurriedly denied it, "Mr Hu misunderstood me. It's not me who is causing trouble, it's them. "Brother, when I went to the washroom, I was slapped in the face by that woman. I have to come over and get back at her, don't you agree?"

"Hehe ..." You're right. "Who is so ignorant as to actually dare to hit you?"

"It's this bitch! She actually gave me a slap!"

With that, Liu Xi went over and grabbed Jiang Xiaoqing's hair, forcefully dragging her over.

Jiang Xiaoqing howled in pain and screamed for her life. However, no one dared to move. Wang Qiang had already shrunk.

Liu Xi threw Jiang Xiaoqing in front of Yang Hu, then pointed at Zhao Qian and said to Yang Hu, "Mr Hu, and this kid is going to knock out my teeth. It's too arrogant, I can't let him get away with it! "

"He actually wants to knock out your teeth?"

"That's right!" Isn't that too arrogant? "

"En, he is indeed too arrogant!"

"So Mr Hu doesn't mind that I'm going to fuck him, right?"

Yang Hu laughed and said that he had no objections.

Liu Xi laughed out loud happily and called his men to go and capture Zhao Qian.

Zhang Yuan was extremely excited and thought to himself: "Zhao Qian, enjoy it. "It's best if you stay in the hospital for a few months, hehe ..."

Yang Hu waved his hand at his men and said, "Didn't you hear what Young Master Zhao said? If he wants to knock out a few of Liu Xi's teeth, won't you hurry up and fulfill his wish? "

Liu Xi smiled arrogantly and urged Yang Hu's men to break Zhao Qian's teeth.

Zhang Yuan was secretly happy that he finally got his wish.

Wang Qiang was shamed to the point that he had no face to meet others. Seeing that Zhao Qian's teeth were about to be pulled out, he suddenly felt a lot more balanced.

These people were already used to bullying Zhao Qian. No matter how tragic things were for them, as long as Zhao Qian was more tragic than them, they would have a balance in their hearts.

Yang Hu's subordinate immediately took out a pair of pliers and walked in front of Zhao Qian.

"Young Master Zhao, are you satisfied with this tool?"

Zhao Qian held the glass, took a sip, nodded and replied, "Not bad. However, you should pull it out slowly. I must enjoy the process. Do you understand what I mean? "

"Understood."

Liu Xi immediately pointed at Zhao Qian and cursed: "You're too f * cking cocky! To say such words in front of Mr Hu, you really want to die, don't you? "

Zhao Qian still didn't look at him. He poured another cup of wine and just as he was about to raise it, Liu Xi came up to grab his cup.

At this moment, Yang Hu's men rushed forward.

Zhang Yuan was extremely excited, he was finally going to make a move.

Liu Xi shouted, "Fuck him!"

But just as he finished speaking, he was pressed down on the table and his mouth was opened.

Liu Xi shouted, "What are you doing? It was a knock on his teeth. Why are you guys grabbing me? Mr Hu, your brothers are too naughty. "

Yang Hu's eyes turned cold and replied, "Young Master Zhao is my guest, you actually dared to provoke him. What did your boss teach you? "

Startled, Liu Xi quickly replied, "Mr Hu, you and Mr Bao are brothers. Mr Bao values me a lot, so why don't you give him a call."

Yang Hu raised his foot and ruthlessly kicked Liu Xi, and cursed: "Fuck, what do you mean by mentioning Liu Bao at Yang Hu's place? Are you looking down on me? Pull it out for me, or at

least pull out two pieces! "

With Yang Hu's order, his men immediately began to pull Liu Xi's teeth out.

Liu Xi wailed and begged for mercy, but Wu Junli ignored him.

Zhao Qian took a sip of the wine and said, "Bro, slow down and pull. If you're too fast, it will hurt."

"Young Master Zhao, don't worry. I will pull it out slowly. I won't let him hurt."

"What's your name? "I can see that you have a bright future. I'll give you ten thousand tips when we settle the bill later."

"Thank you, Young Master Zhao!" My name is Wang Jun. "

Zhao Qian nodded as he slowly enjoyed Wang Jun's teething performance.

Zhang Yuan and the rest didn't understand what was going on. Why did this Mr Hu listen to Zhao Qian?

Liu Xi's subordinate quickly ran out to call Liu Bao, asking him to come and save Liu Xi.

Soon, two of Liu Xi's teeth were pulled out by Wang Jun.

Zhao Qian placed a cup of wine in front of him and said, "After drinking this cup of wine, the grudge between us will be written off."

Liu Xi was unwilling and immediately scolded: "You're dreaming! "Just you wait. I definitely won't let you off when Mr Bao comes!"

"Then you're not giving me any face? Fine! Continue pulling! When will he be willing to drink this wine and stop!?"

Wang Jun turned to look at Yang Hu, Yang Hu nodded to him, he immediately began to pull Liu Xi's teeth.

After two more teeth were pulled out, Liu Xi couldn't take it anymore and quickly said that he was willing to drink this wine.

Wang Jun stopped, while Liu Xi hurriedly raised his glass and downed the wine in one gulp.

Zhao Qian smiled and said, "That's more like it. Since we've already drunk our fill of wine, the

grudge between us will be resolved. It's getting late. I have to take these colleagues home. "Mr Hu, I'll leave this to you."

Yang Hu immediately replied with a smile, "Take care, Young Master Zhao. Do you need me to send him off?"

"No need. You have things to take care of here, so I won't trouble you. "Alright, I'll be going."

"Young Master Zhao, take care."

"Yes."

Zhao Qian stood up and walked out under everyone's gaze.

His colleagues were all shocked. He just swaggered away like that? Isn't this too arrogant?

Wang Qiang and Zhang Yuan got up and ran, too, ignoring their colleagues. Wang Qiang didn't even care about Lili, he just wanted to get out of here.

Jiang Xiaoqing got up in a sorry state and staggered out. The rest of her colleagues also rushed out.

When he arrived at the front desk, Zhao Qian signed the bill and then left. Just as he reached the entrance, the limited edition global sports car drove over.

At this moment, Wang Qiang and Zhang Yuan ran out, but all they saw was Zhao Qian getting on the car and leaving.

Everyone was puzzled, how did this Zhao Qian know Yang Hu? Was it just because he had spent millions of dollars here?

Zhao Qian returned to the riverside mansion, showered, then went to bed and entered the live broadcast room.

"Everyone, tonight is my last live broadcast. I hope everyone can accompany me to the end."

Zhao Qian immediately became nervous when he heard the host say that.

This streamer's name was Wu Xin, the girl that he often gave rewards to, the girl that he had injured.

The audience watching the live broadcast was asking her if she was doing well. Why did she stop broadcasting? She was one of the top ten anchors on the platform's popular list, so her income

shouldn't be bad.

"There's nothing I can do. I'm just a small anchorman. I have no money and no influence, so I don't have any background." It was a long story, so he didn't say anything else. The babies will be with me for the last time. If you want to hear any song, please do so. I will do my best to satisfy you all. "

In the past, everyone was competing for a song, but now, no one said a word. The live broadcast room instantly quieted down.

After a while, someone asked if they could broadcast on this platform. If they could, they would definitely chase after them.

Wu Xin sighed and replied, "I have offended the big shots in the industry and have been banned. I can only bid farewell to my live broadcast career. "Thank you for your support, I..."

Wu Xin immediately burst into tears again, unable to continue any further.

Everyone asked which big boss had banned her for whatever reason. They could go online and force that big boss to cancel the ban.

Wu Xin shook her head and said never mind, the bigger the commotion, the worse it would be for her.

Zhao Qian's expression was very serious. Which bastard would dare to touch his streamer?

C8 Big Brother Qian

The live broadcast room was silent for a while, then Wu Xin started crying again.

"What are you doing? Normally I would be quarrelling for singing, but now I don't want to sing anymore? "Sob, sob ..."

Everyone knew that someone was suppressing Wu Xin, but they were just ordinary people, unable to do anything. Everyone's heart was in pain. How could they be in the mood to choose a song?

At this moment, someone thought of Qian Gege.

Qian Gege was a celebrity in the live broadcast room. Every day, he would give Wu Xin a present. Not necessarily, but he insisted on scrubbing every day.

"Where's Qian Gege?" Come out! Xin Xin baby can't be broadcast anymore, hurry up and help! "

"That's right! You like her so much, so you can't just watch her get bullied! "

"Qian Gege, come out quickly!"

"Qian Gege, come out ..."

In the chatroom, everyone was very tacit in agreement as they typed out Zhao Qian's name.

Just as everyone was shouting, a rocket appeared on the live stream.

"Qian Gege sends out the rocket x1, x2, x3 ..." "x100..."

Seeing the number of rockets rapidly rising, the broadcast room was immediately flooded with 666 screens.

Wu Xin wiped her tears and thanked Qian Gege with a smile. But then she said it was too much of a waste because she couldn't even get her salary and gave the platform a free ride.

Everyone immediately asked Qian Gege to help Wu Xin. He was so rich, so he must have connections. In this era, it was a matter of networking. As long as people had connections and resources, there would be no problem.

Zhao Qian didn't know what happened to Wu Xin, but he knew one thing. As long as he didn't want her to stop broadcasting, no one could force her to.

As a result, he simply replied: "If I don't agree, no one can force her to stop broadcasting."

When everyone saw this, they all calmed down.

Zhao Qian ignored the messages in the chat and just watched Wu Xin's live broadcast quietly.

At eleven-thirty, Wu Xin said goodbye to everyone with tears in her eyes. The live stream froze in front of her tearful face.

Zhao Qian felt very uncomfortable, it felt like his things were taken away by someone else.

He immediately called his father's secretary, Wang Qi.

"Hello, Young Master. What can I do for you so late at night?"

"Secretary Wang, I want you to help me check out the background of the live broadcast platform for Flying Fish."

"There's no need to check. The company has been planning to dabble in live webcasts. We have already collected information on several live broadcast platforms. I'll pass it to you right away?"

"Alright!" Send it to me in my mailbox. "

Zhao Qian immediately hung up, turned on his computer and logged on to his email.

Wang Qi had already sent the email over.

Flying Fish's live broadcast platform was under the control of Cloudsoar Entertainment Company. With Dragon Fang and Swan, they were able to rule over the entire world in the live broadcast world. Flying fish currently have sufficient funds and are in good business condition.

The boss of the company was called Yang Cheng, and his only son was called Yang Ming.

Yang Cheng is a lecherous person, often harassing female artists. Yang Ming was also lustful, but he liked the Internet. His prey was the female anchorwoman under his banner.

Yang Ming was arrogant and despotic.

He was interested in that girl. He would smash her with money, and if he couldn't smash her, he would use his identity to suppress her. If he couldn't, he would use the stronger one. In short, he had to put her to sleep, or else he wouldn't stop.

Then the question was, could it be that Wu Xin rejected Yang Ming's unspoken rule and was

ordered to stop the live broadcast?

Zhao Qian couldn't help but want to clarify this matter, so he sent a WeChat message to Wu Xin.

"Are you there? Are you sure your injuries are alright? My dad wants me to ask you for a guarantee that I won't pursue the matter. Come out tomorrow Saturday if you have time. "Is that okay?"

After a while, Wu Xin replied.

"Good!" We'll meet tomorrow morning at 10 o'clock at Starbucks in People's Square. "

Zhao Qian quickly cleaned up and lied down to sleep.

The next morning, while Zhao Qian was still sleeping, Faang Ni called him.

"Hello, Director Faang, what's the matter?"

"Don't call me that, Director Zhao. Just call me Little Fang or Little Ni in the future." I just want to ask if our company and the Boxer Company still have that game project? "

"Do it, why not do it?"

"But they have withdrawn their cooperation with us."

"There's something fishy about this. I have to find out what's wrong. Don't worry about it. I'll take care of it. "

"Alright, Director Zhao, I'll be waiting for your news."

Zhao Qian nodded and hung up. He called the man in charge of the project at the boxer game company.

The person in charge was Chen Hsing, the younger brother who represented Chen Yang in Xingyuan.

"Hey, Chen Hsing, what's wrong with our company's plan? Why did you stop working with us? "

"No problem, I just don't want to work with you guys. Is this answer satisfactory? "

This was clearly a provocation. Zhao Qian coldly snorted and replied, "Your brother and I still have a bit of a friendship, don't force me to use some bullying methods."

"Haha ... " How could my brother have a relationship with a small fry like you? Stop f * cking sticking gold on your face. If you want to continue working with me, you can give me a million yuan. I'll give the real proposal to the company. Otherwise, no need to talk about it. "

With that, Chen Hsing hung up the phone.

Zhao Qian sneered, in his mind, he was thinking about how to resolve this matter.

The Fighter game released a Production Company that represented Chen Yang, and Chen Yang was Zhao Fu's man.

Therefore, Zhao Qian was the future boss of the fighter. He had too many ways to solve the problem.

However, he did not intend to use his real identity to solve the problem, because that way, Zhang Yuan and the others would know his true identity.

With Zhang Yuan's bullying of the weak and afraid of the strong, once he found out Zhao Qian's true identity, he would definitely kneel down and beg for forgiveness.

Zhao Qian wanted to slowly play with them and enjoy the thrill of being a rapist.

Zhao Qian had interacted with Chen Hsing a few times, so he knew that Chen Hsing liked to hang out in nightclubs. This was easy.

Zhao Qian then called Yang Hu.

"Aiyo, Young Master Zhao called so early in the morning, is there something you need?"

"Xiaohu, what happened last night?"

"Don't worry, Young Master, Liu Bao doesn't dare to do anything to me."

"That's good. Do something for me. Tell your brothers to pay attention to the boxer game production and distribution work, Chen Hsing. See who he's in touch with, and report back to me in time. "

"No problem, we'll do it immediately."

Zhao Qian nodded and hung up.

As long as he could grasp Chen Hsing's weakness, Zhao Qian only needed to know the truth.

It was already 9 o'clock, Zhao Qian was even planning to meet Wu Xin. He quickly brushed his teeth and face, tidied himself up before leaving the house.

But as soon as he entered the garage, he was troubled and didn't know which one to drive.

He bought them five years ago. Except for the sports car, which was worth a hundred million, the rest of the cars were famous runners like Ferrari and Porsche.

Five years ago, he was domineering and liked these cars. However, after five years of growth, he no longer liked to brag like this. So he wanted to buy a more low-key car.

It was almost time for them to meet, so Zhao Qian had no choice but to take a taxi to Starbucks. When he got there, Wu Xin was already waiting for him at the door.

C9 Call Dad

Zhao Qian quickly went up to Wu Xin to apologize.

"I'm sorry, the road is a bit blocked. It's a bit late."

Wu Xin shook her head and replied, "It's fine, I just arrived too. "Let's go in."

The two of them went in and asked for coffee, then sat down to drink and talk.

Wu Xin passed the written guarantee to Zhao Qian and promised him that no matter what happens in the future, she would definitely not pursue his responsibility.

Zhao Qian didn't even look at the paper and just stuffed it into his pocket. Then he said, "Look at you, you don't seem happy. Don't tell me you're angry because I asked you to do this?"

"No ..."

"Then why? Tell me, maybe I can help you. "

"You can't help me."

Indeed, how could someone who took five years to repay 200,000 yuan help her?

However, Zhao Qian still didn't give up and kept questioning her until she opened her mouth.

Just as Zhao Qian thought, Yang Ming fell for Wu Xin and wanted to sleep with her. But she didn't want to do it, so she was stopped.

With Flying Fish's position in the industry, Yang Ming knew that no platform would dare to sign Wu Xin. Therefore, she could only bid farewell to the live broadcast industry forever.

"Oh, I see. I'm going to buy a car, so I won't tell you. We'll talk about it another time. "

"You want to buy a car. I'll go with you. "I know a little, I'll help you check."

"Is that so? "Then I won't stand on ceremony. Let's go."

Zhao Qian quickly bought the bill and walked out with Wu Xin.

When Wu Xin asked him if he thought well of any cars, he shook his head and replied, "No. I want a low-key luxury car. "

"What about the budget?"

"No budget, as long as it's appropriate."

"You won the lottery! How did you suddenly become so rich? "

"Wah!" You're smart enough to guess. I did win first prize, only five million. It took more than 3 million yuan to treat our colleagues yesterday, so you can introduce them to me for over 1 million yuan. "

Wu Xin was truly speechless. The poor were truly poor, to suddenly be rich and not know how to live their lives. You can't spend money like this.

However, she then thought, this was someone's money, and she could spend it however she wanted. She thought about it carefully and recommended that Zhao Qian buy Jaguar XJ.

"As a top-grade Jaguar product, XJ has a broad waist and a short rear end ..."

Wu Xin started to introduce Zhao Qian. It sounded quite good, so Zhao Qian decided to buy the Jaguar XJ.

Although this car wasn't very expensive, it would still cost around a million yuan. Most people couldn't afford it.

As soon as the two of them arrived at the entrance of the 4S store, Wu Xin's brother called her to tell her that there was an urgent matter. She could only apologize to Zhao Qian and leave immediately.

Zhao Qian walked into the car store and looked around, but still couldn't find any XJ models. At this moment, Wu Xin sent him a video request.

Zhao Qian wanted to use the traffic video to check the internet.

He looked around and asked the salesperson beside him, "Hello, what's your WIFI password?"

The clerk glanced at him with distaste, pointed at the wall, and did not say anything.

Zhao Qian looked at the password, it was a phone number. He quickly connected to WIFI and replied to Wu Xin.

Just when the video was connected, the sales clerk said in disgust, "We just sent away a group of WeChat merchants to take pictures and act cool. Now there's another one who's acting cool with

his girlfriend. How can there be so many bored people? "

Zhao Qian ignored her and quickly asked Wu Xin what she wanted.

"It's fine, let's see if you've made your choice."

"Not yet, I don't even know which one is that XJ."

"Oh, you're stupid. Can't you ask the salesman?"

Zhao Qian looked at the salesperson next to him, who was looking at him with a straight face, and chuckled. He replied, "Forget it. If I ask her, she will definitely not tell me." She's looking at me with disdain. "

"What?" If you go and buy a car, would she dare to look at you in vain? This is outrageous. Go, don't buy it there. "

"It's fine, I'm used to it. You can go back first, I'll contact you after I buy it. "

"Alright then. Be tough, or they'll take the chance to kill you. "

Zhao Qian nodded with a smile and hung up the video. He called over the salesman who despised him.

"Beautiful girl, I want to see the XJ. May I ask which one is the XJ?"

The salesperson scoffed and replied, "Handsome, we are Jaguar here, not Jetta. Are you sure you're not in the wrong place?"

"I know it's Jaguar! I want to see the XJ model. "

"You don't even know what a car looks like. You're telling me you're here to buy a car?"

"Is there a problem?" This kind of car is too low, I don't need to pay attention. "

The salesperson immediately laughed. She even called the other salespeople over to mock Zhao Qian.

"What kind of background is that!?" Such arrogance, it was too lowly of him! Can you afford a million? "

"Look at his street stall, a hundred yuan is bad enough, so why would he give a million yuan?"

"Are you here to take pictures and act cool again? I can understand what a big guy like you is. Is it fun to think about how to make money and waste your time on such a boring thing? "

Zhao Qian looked at them as if they were idiots, and smiled as he enjoyed their performance. When they were finished, he spoke.

"Are you done talking? To me, the car was too low to be worth my attention. But you seem to think it's very high-end. How about this, you guys call me daddy and I'll give you one. "How about it?"

It's just money, there's a lot of it. It didn't matter if he had money or not. The most important thing was to be happy.

For Young Master Zhao, spending a few million just for fun was a very common thing.

He could have spent millions on dinner yesterday, but today he could have spent millions to call his father.

Those salespeople were humiliated, so they were naturally unhappy and immediately wanted to join hands to scold Zhao Qian.

At this moment, Zhao Qian took out a black card and threw it on the hood of a car.

"Call me daddy, one for each of us."

Seeing the black card, everyone held back their words that were about to come out of their mouths.

At this moment, the female salesman who always looked down on Zhao Qian timidly said, "Putting on an act when you take a card, who knows what card it is."

"Hehe ..." It doesn't matter if you don't know the goods. I can tell you that I can buy a plane with this card without any credit limit. "If you can call me daddy, I'll buy this shop and give it to you."

The salespeople were all dumbfounded, not knowing whether to believe it or not.

If he was a scammer and they believed him, wouldn't they be fools?

If he really was an overpowered boss, wouldn't they be offending him if they didn't believe him?

When they heard that a customer had brought a black card to buy a car, the manager and the boss quickly ran over.

"Aiya, I'm sorry, I'm sorry. My underlings don't know what's good for them. Please don't take offense to handsome brother." "Hello, I'm the boss of this shop. My name is Hong Fu, please take care of me, please take care of me ..."

Hong Fu said as he extended his hand to shake Zhao Qian's.

Zhao Qian only nodded meaningfully and did not extend his hand.

"This has nothing to do with you. I just want to ask if they want to call me dad."

Hong Fu immediately shouted at the salespeople with a stern face, "You idiots, you still don't dare to call me daddy. None of them want to work anymore, right? "

There was no helping it, the salespeople called him Daddy to keep the job.

"Father ..."

"Father ..."

C10 Daddy Is the Best Man in the World

Zhao Qian smiled in satisfaction and said to Hong Fu, "Boss, give these salespeople and me one car apiece to each of us."

Everyone was stunned when they heard this. Was this person for real? Were they really going to send him off? No kidding?

Hong Fu knew how to behave and quickly smiled apologetically, "Oh wow, there are a lot of handsome men. Don't lower yourself to the same level as them. Don't be angry with them for calling you Daddy. You guys, hurry up and apologize to the handsome guy again. If he doesn't forgive you, then don't come tomorrow."

The salespeople quickly apologized to Zhao Qian.

"Handsome, I'm sorry. Please forgive us. We're all little girls, and you're a big spender, so don't lower yourself to the same level as us."

"It's my fault. I shouldn't have judged others by their appearances. I'm sorry, I'm sorry ..."

Zhao Qian asked helplessly, "What are you doing?" I told you to give me your car."

Hong Fu got anxious and invited Zhao Qian to the side. He said with an evil smile: "Handsome, don't make things difficult for us. So, if you're interested in any sales, just say so and I'll tell her to go to bed tonight and get your dad. If your body can take it, I can call them all over. "You don't have to make things difficult for us, okay?"

Zhao Qian couldn't help but laugh. Did the boss misunderstand?

"Boss, I'll tell you the truth, I didn't take a fancy to any of them. "I said that I will give them the car, so I will. If you don't sell it, I will give it to them when I go to another store."

"Is the handsome brother serious?"

"Do I look like I'm joking?"

Hong Fu immediately laughed and said that there was no problem, and immediately prepared a car for him.

"You guys come over here. Hurry up and thank the handsome guy. He really wants to give you a ride."

The sales staff were all shocked. It seemed that they had really met a tycoon!

"Handsome, no ..." Dad... Are you free tonight? I want to treat you to a meal as an apology. You can choose from anywhere you want to eat. "

"Father... I also have something that's wrong with me. I also want to treat you to a meal as an apology. "

"Dad, and me ..."

When they met a young tycoon, these girls would immediately go to bed and call for their father. If he could call him father every day, what good would that do?

Zhao Qian chuckled and replied, "Forget about eating, I don't have time tonight. Get the car ready, I want to test it. "

Hong Fu immediately called for people to prepare the car and personally accompanied Zhao Qian to test the car.

It had been five years since he drove, so Zhao Qian didn't dare to drive too fast. He took a stroll and felt that if there were no obvious problems, he would have to pay for it.

The salespeople walked him out of the store as if he were their father, watching him go before reluctantly returning to the store.

Zhao Qian drove directly to the car management office to get his cards. After getting his cards, he called Wu Xin.

"Hey, I've bought a car. Do you want to take a look?"

"Great!" "Then come find me. I just don't want to be at home. Take me for a ride."

"Alright!" You send me the address, and I'll pick you up now. "

Wu Xin nodded, hung up the phone and quickly called Zhao Qian. Zhao Qian looked around according to the location and soon arrived at a large car repair shop.

Zhao Qian parked his car in front of the door and was immediately welcomed by a shop assistant.

"Handsome, repair the car?"

Zhao Qian shook his head and replied, "I'm looking for Wu Xin."

"Oh ..." "Brother Le, someone is looking for Xin."

At this moment, a man with long hair walked out of the shop. He looked to be around 30 years old.

Wu Le asked without a trace of politeness, "Why are you here? Did you pay off my sister's medical expenses? "

Zhao Qian was about to say something, but Wu Xin ran out and pulled him into the car to leave.

Wu Le immediately held down the car door and warned Zhao Qian, "Brat, stay away from my sister. You two aren't suitable. Don't have any illusions."

"Brother!" Why are you like my dad! To think I've always respected you so much! "Humph!"

Wu Xin pushed Wu Le away and told Zhao Qian to get on the car and leave.

After leaving the garage, Zhao Qian asked Wu Xin what was going on.

Wu Xin hesitated for a moment and replied, "Yang Ming found my brother and said that he wants me to support him to continue participating in the race as his girlfriend. Originally, my brother didn't want to do it, but after my dad found out that Yang Ming is the Young Master of Feiyun's Entertainment, he insisted that I be his girlfriend. Sigh ... "How annoying."

"Your brother is a Driver?"

"That's right! Three years ago, he lost a battle and lost everything. As a result, he always wanted to return to the arena and prove himself. But racing needs a lot of money, and we can't do anything about it. "

Zhao Qian nodded and thought for a while before saying to Wu Xin, "My luck has been pretty good recently and I might even win first place in the lottery. "How about this, I'll go buy a pair of colored balls again tonight. If it's a coincidence, I'll support your brother's return to the tournament."

Wu Xin speechlessly rolled her eyes, as she did not take Zhao Qian's words seriously.

Zhao Qian took her around before he took her to eat at Donghai Hotel.

As soon as they arrived, Wu Xin started to retreat. She said to Zhao Qian, "This place is too expensive, let's change it. You finally got lucky and won the lottery, so you should save some of your savings. "

"No need. I'm used to living a life of misery, so I feel uncomfortable with money. I have to spend it quickly. "Let's go, you don't have to be polite with me."

Wu Xin couldn't refuse Zhao Qian, so she could only follow him in.

Zhao Qian took Wu Xin for an afternoon stroll before returning home in the evening. He called his father who was far away in Yanjing.

"Hello, Dad. I heard you are preparing to enter the live broadcast industry?"

"That's right! Is there a problem? "

"No, I just want to ask, are you going to purchase it directly, or create your own platform?"

"Of course it's a purchase, we don't lack that bit of money. Creating one's own platform would require at least three years. "Buying one will allow you to make a profit immediately."

Zhao Qian immediately asked him if he had any plans to buy one. He replied that the target was flying fish. However, the specifics would depend on the actual situation.

"Dad, why don't you leave the live broadcast platform to me." You see, I've also been training outside for a long time.

Zhao Fu felt that his son was right. Sooner or later, this business empire would be handed over to Zhao Qian. If he didn't train him earlier, what would he do if he couldn't handle it in the future?

"That's fine! I'll leave this matter to you. No matter how much it costs, it's fine as long as you do it well. "

"Dad, I want to sing a song for you."

"Sing? What song is it? "

"Dad is the only good thing in the world. A child with a father is like a treasure ..."

"Haha ..." Scram! "Hurry up and get back to business!"

Zhao Fu happily hung up the phone, while his heart was filled with anticipation for his son.

Zhao Qian happily showered before going to bed to watch a movie.

When it was almost 12 o'clock, just as he was about to put down his phone and go to sleep, Yang Hu called him.

"Hello, Young Master. Just now, someone came to report that they found out that Li Xing and his sister-in-law had gone to get a room. I think this must be useful to you. I'll call you and report it."
"

"Haha ..." This happened! Where can I get a room? Bring me there immediately! "

"At the Sheraton Hotel."

"Alright!" I'll go over now. Hurry up and bring some people over to wait for me. "

"Alright."

After hanging up, Zhao Qian quickly drove over.

As long as he could grasp onto this weakness, Li Xing had to say whatever Zhao Qian wanted to know.
