

His True Colors Novel Chapter 1523 - 1526

Chapter 1523

“Of course.” The person answered quickly, because the only person who could help him do this was Fei Lingsheng.

Although Yi Qingshan had already arrived on Earth, Yi Qingshan couldn't get close to Amelia Su, and could never appear in front of George Han, because Yi Qingshan was not a real powerhouse of the gods, nor was it George Han's opponent.

“As long as you kill Amelia Su, I can make you reach the same realm as Yi Qingshan in a very short time.”

Fei Lingsheng is willing to fight to the death for the sake of the realm of God, because relying on George Han to become a powerhouse in the realm of God, this is still a thing full of unknowns, but the person in front of him has actually helped Yi Qingshan do it, so she is willing Believe this person in front of you.

“I want to know why you want to kill Amelia Su.” Fei Lingsheng said curiously.

Although Amelia Su is George Han's woman, and the person in front of him clearly wants to target George Han, in Fei Lingsheng's view, killing Amelia Su is completely meaningless, and will only increase George Han's anger. The crazy god realm powerhouse, thinking about it makes people feel scared.

“Because only this woman can threaten me.” The man said.

This made Fei Lingsheng frowned. Amelia Su is just an ordinary person now. Although she will become very strong in the future, how can there be no George anymore?

He was not afraid of George Han, but was afraid of Amelia Su, which was too strange.

“I know Amelia Su's strength, she has defeated many strong men in Xia Guojing Wushan, but those strong men are not worth mentioning compared with George Han?” Fei Lingsheng said.

The man smiled faintly and said, “If you knew that it was only one-tenth of her strength, you wouldn't think so.”

“What!” Fei Lingsheng said with a shocked face and an expression of disbelief: “How is it possible, how could she be so strong?”

“Her former life, but Fuyao, how can someone like you understand the power of Fuyao?” The person suddenly looked up at the sky and said with a sigh.

Fei Lingsheng didn't know who Fuyao was, but that person's move to look up at the sky gave Fei Lingsheng a bit of insight.

Could it be said that the Fuyao in his mouth was the strong man in the dimension above Xuanyuan World, and only in this way would the god realm be frightened?

But how can the strong in that space appear on the earth?

"Even in the Bafang World, she is also the strongest person in the Kongtong Realm. Destroying a world is just a snap." The person said involuntarily.

All directions!

Is this the name of that world?

Kongtong Realm, it seems that it is not a low realm, and it is still the strongest!

This caused Fei Lingsheng to take a deep breath. Although this was a category she couldn't understand, she knew that once Amelia Su recovered her true strength, she would definitely be more powerful than the so-called God Realm powerhouse.

And it is a good thing for her to get rid of such a person as soon as possible.

"Don't worry, I will help you kill Amelia Su as soon as possible, and I hope you can keep your promise and help me break through the divine realm after I kill Amelia Su." Fei Lingsheng said.

"As long as you can kill Amelia Su, I will definitely let you break through the gods."

The dream disappeared as soon as the man's voice fell.

Immediately, George Han appeared in the forbidden area.

He rushed over because he felt a strange wave of power in the forbidden area.

But when George Han came to the forbidden area, the strange power disappeared again.

"What happened to that power just now?" George Han asked Fei Lingsheng.

"I don't know, the space tunnel seems to have some kind of fluctuations, maybe someone will come to the earth again." Fei Lingsheng pretended to be vigilant and stared at the space tunnel.

George Han felt that Fei Lingsheng was a little strange. Her vigilance shouldn't appear after the power disappeared. This was obviously deliberately performed for herself.

Could it be that the power just now has something to do with Fei Lingsheng?

“Fei Lingsheng, what I hate the most in my life is betrayal. If someone dares to betray me, I will let him die without a place to bury him.” George Han said coldly.

“With your strength, how could anyone dare to betray you?” Fei Lingsheng said with a smile, without revealing anything unusual.

George Han could not see any flaws in Fei Lingsheng from the surface, but he knew that this woman must be weird, but still said that, as long as Amelia Su is protected, Fei Lingsheng will be fearless.

“You go to rest, I’ll stare.” George Han said.

Fei Lingsheng subconsciously wanted to refuse, but as soon as he reached his throat, she took it back again.

George Han stayed in the forbidden area, this was her great opportunity to kill Amelia Su, how could she miss it.

“You are a powerhouse in the god realm. It’s not good to let you do these coolies,” said Fei Lingsheng.

She didn’t even refuse!

A trace of killing intent flashed in George Han’s eyes. How could a strong person like her need to rest, and she did not refuse, obviously there was a certain purpose.

Could it be that she really has some thoughts about Amelia Su?

Chapter 1524

The next moment, George Han appeared behind Fei Lingsheng.

Even a strong person in the Extreme Master Realm could not sense George Han’s movements.

Fei Lingsheng only felt that George Han had disappeared suddenly, wondering if he regretted it, so he ran away?

“Fei Lingsheng, what are you hiding from me?” George Han’s voice suddenly came from behind him.

Fei Lingsheng was startled to let out a cold sweat, and turned to look at George Han, his expression obviously flustered.

“You, what are you talking about, how can I hide from you?” Fei Lingsheng said.

“You can’t hide your panic.” George Han said.

Fei Lingsheng quickly suppressed his panic, and said: "You suddenly appeared behind me, I was only scared to panic."

George Han suddenly stretched out his hand, grabbed Fei Lingsheng's throat, and said in a cold voice, "The one who betrays me has only one dead end. Do you want to go?"

Fei Lingsheng, who turned red from suffocation, shook his head with all his strength and said, "I didn't, I didn't betray you."

Killing Fei Lingsheng was the best way George Han could think of to remove the threat. As long as Fei Ling was dead, he would not have any worries in this regard.

But because of what happened to Fei Lingsheng, this will become an untraceable question.

With Fei Lingsheng's guts, she definitely did not dare to betray herself easily, so George Han wanted to know what caused it.

"Let's talk, who gave you the guts." George Han asked.

At this time, Fei Lingsheng could hardly breathe, and she had no room for resistance in front of George Han with the strength of her Extreme Master Realm.

Fei Lingsheng could not speak, so he could only shake his head.

When Fei Lingsheng almost died, George Han let go.

Fei Lingsheng gasped.

George Han said coldly: "Yi Qingshan can come to the earth without being sensed by my spiritual sense. It must be because he had some kind of adventure in Xuanyuan world. You betrayed me because of this reason. ?"

"Is it because of the divine realm that can make you think of betraying me?"

"But in Xuanyuan World, who can help you reach the God Realm?"

George Han's remarks made Lingsheng feel chilly, and almost every sentence reached the point.

But this is not unusual for George Han.

Because this situation is very easy to guess.

The only thing that can interest Fei Lingsheng is to break through the divine realm.

And being able to make Fei Lingsheng betray him must also have a certain connection with the divine realm.

But George Han couldn't figure it out, how could someone in Xuanyuan World help her reach the God Realm?

"Could it be that Linlong has awakened?" George Han continued.

These words made Fei Lingsheng's mind rumbling.

She had previously doubted the identity of that person, but after learning that Yi Qingshan had become a powerhouse of the gods, Fei Lingsheng did not pursue this issue anymore, because her desires had been blinded by the gods.

Now hearing what George Han said, it is indeed very possible.

In the Xuanyuan world that hasn't appeared in the gods for thousands of years, how could there be strong gods in the gods and she didn't know it?

Since that person appeared in a dream, he could appear in any form. It is absolutely possible to say that he is the incarnation of Linlong.

"Go ahead, tell me the truth, I don't need to kill you." George Han's desire for knowledge has risen to the extreme, which makes him unable to easily kill Fei Lingsheng.

"No, I really didn't betray you." Fei Lingsheng said.

George Han's words made Fei Lingsheng almost believe that the young man was the incarnation of Linlong, but because of this, she would not tell George Han the truth.

If Fei Lingsheng had a hint of doubt before that person could help her break through the divine realm, then Fei Lingsheng had completely believed it now.

Linlong is such a powerful creature, and he has not known how many years he has lived, he will definitely be able to help himself become a god-level powerhouse, and more importantly, Yi Qingshan has already reached it.

George Han gritted his teeth, this woman is so stubborn, it seems that she can't cry without seeing the coffin.

"He won't let you kill me because your strength is not my opponent at all. It seems that the person he is going to deal with is Amelia Su. Under the circumstances I have already guessed, do you think you still have a chance?" Han Three thousand said.

This sentence made Fei Lingsheng almost desperate. Killing Amelia Su was not an easy task, but now that George Han is vigilant, this is even more difficult to achieve.

"You can't complete his task. Does his promise to you have any meaning? And how do you think what he said is true?"

“Don’t you think that Yi Qingshan is already a powerhouse of the gods, if that’s the case, it really makes people laugh. If Yi Qingshan is a powerhouse of the gods, does he need to hide in front of me? As a strong god, does he still need to be afraid of me?”

George Han’s thinking was very clear, and he almost judged the trajectory of the whole thing.

For Fei Lingsheng, these words are heart-warming. Yi Qingshan is a powerhouse of the gods, so he does not need to be afraid of George Han, let alone hide in front of George Han.

Could it be said that Yi Qingshan’s God Realm is simply fake?

Chapter 1525

Fei Lingsheng’s position became less and less firm, and his expression showed hesitation.

George Han hit the iron while it was hot, and continued: “There is no use value, you are just a waste. Do you think anyone else will help you? And I want to kill you, no one can stop it.”

“You can’t even save your life, how can you become a strong god?”

“wishful thinking!”

When these last four words were uttered from George Han, Fei Lingsheng completely collapsed.

The words of George Han made her realize the reality.

Although her imagination is very beautiful, the matter has reached this point and is beyond her control. If she does not tell George Han the truth, she may really only have a dead end.

“Why do you know so right?” Fei Lingsheng said.

George Han smiled faintly, and Fei Lingsheng would ask this, indicating that she had already admitted what George Han had said before.

“Guess.” George Han said.

Fei Lingsheng smiled bitterly. Based on guesswork, George Han almost guessed the ins and outs of the whole thing. For her, it was more terrifying than the shock of strength.

“Yes, someone indeed promised me that as long as I help him do what he wants, I will help me reach the gods.” Fei Lingsheng said.

“What’s the matter?” George Han asked. This is what he cares about the most. Although he has probably guessed it, it is not clear to George Han whether it is right or wrong.

“Kill Amelia Su.” Fei Lingsheng said.

Han Three Thousand Days time is frosty.

really!

Sure enough, he wanted to do something against Amelia Su.

You must know that Amelia Su is George Han’s inverse Lin, and all threats to Amelia Su’s existence are inexcusable to George Han.

George Han took a deep breath to calm his irritability, and said, “Who is it, who wants you to do this.”

Fei Lingsheng shook his head and said, “I don’t know who he is, he will only appear in my dreams.”

“Dreamland?” George Han frowned, still having this ability to enter other people’s dreams.

“This dream was created by him, not a real dream.” Fei Lingsheng explained.

Dreamland created.

With George Han’s current ability, he can also do it, but he hasn’t tried it yet. It seems like a very unbelievable thing, but it is not difficult for him.

“Do you know who he is?” George Han asked.

“I don’t know, he just told me that he is a strong god realm who has been hiding in Xuanyuan World.” Fei Lingsheng said.

How could it be possible for the hidden gods in Xuanyuan World?

If there is such a strong person in Xuanyuan World, he should have ascended long ago, how could he stay in Xuanyuan World, and George Han had never felt such a strong person.

“But your guess just now is very likely to be correct. I suspect that this person is the incarnation of Linlong. Except for Linlong in Xuanyuan world, there shouldn’t be any strong gods.” Fei Lingsheng explained. This is only her personal guess, but Fei Lingsheng thinks this possibility is very large.

Because she was a native of Xuanyuan world, and she knew very well whether there were strong gods in Xuanyuan world.

Although George Han had long suspected that Linlong might have woken up, because George Han believed that Linlong's help was for Yi Qingshan to reach the earth, and even his means of hiding his breath was related to Linlong.

But according to the time when Linlong should really wake up, it was more than ten years earlier, which is definitely not good news for George Han.

And now Linlong obviously still remembers the past, so he can't wait to deal with George Han.

But there was one thing that made George Han puzzled. Since Linlong had awakened and wanted to deal with him, why didn't he come to Earth himself, instead let Yi Qingshan come?

To know the strength of Yi Qingshan, it is impossible to pose a threat to George Han. He is at most a mouse with a hidden breath, and he only dared to hide in the dark to cause some small troubles for George Han.

"A waste like Yi Qingshan can't deal with me at all, why did he send Yi Qingshan to the earth?" George Han frowned and said to himself.

Hearing George Han saying that Yi Qingshan is trash, Fei Lingsheng showed a wry smile unconsciously.

Once a strong master in the Extreme Master Realm, he was the top existence of Xuanyuan World, but now, in the eyes of George Han, it is just a waste. Such a gap in status is really too great for Fei Lingsheng.

This is also the reason why Fei Lingsheng is obsessed with the divine realm.

"Perhaps, he can't leave Xuanyuan World at all." Fei Lingsheng guessed.

George Han had a calm face. He still remembered that Linlong once said that he came from a more advanced world and would rather be a chicken head than a phoenix tail, and in the process, he still needs to sleep to escape the power of the advanced world. Tracking shows that he is very afraid of the advanced world.

And when he comes to the earth, he will inevitably pass through a space tunnel. Perhaps he is afraid that his breath will be exposed to the space tunnel and attract the attention of a higher world?

Although this is only a possibility, the current George Han can only explain why Linlong does not come to Earth in this way.

"Why is he killing Amelia Su?" George Han asked with a puzzled face.

The importance of Amelia Su to him is self-evident. Killing Amelia Su will only arouse George Han's anger. Even if it is a replacement position, George Han thinks he will not

make a decision from the perspective of Linlong. Such a choice is definitely not a wise choice because it completely angers a strong god.

“Because he is afraid of Amelia Su.” Fei Lingsheng said.

“Fear?” George Han showed a surprised expression.

Isn't fear the same as fear?

How could Linlong be afraid of Amelia Su?

Although it is said that Amelia Su will indeed become very strong after receiving the power of Fuyao, no matter how strong he is, can he still be strong in the gods?

“How is it possible, he is not afraid of me, but afraid of Amelia Su.” George Han said in disbelief.

“I found it very strange at first, but he said that Amelia Su's strength was only restored by one-tenth in Xuanyuan World,” Fei Lingsheng said.

one tenth.

Even George Han couldn't help swallowing.

Amelia Su was actually so strong.

“And he said one more thing.” Fei Lingsheng continued.

“What is it?” George Han asked impatiently, because he knew that the next sentence was the real point.

“He said that even in the Bafang world, she is the strongest in the Kongtong realm, destroying a world, but only a few moments away.”

Chapter 1526

All directions!

Kongtong Realm!

For George Han, these two words are very strange.

But he knew that this was the more advanced world, the Kongtong realm. It is called the state of that world.

According to Linlong's words, the Kongtong realm should be a very powerful realm in the world of eight directions.

Moreover, the three words for the strongest were struck hard in George Han's heart.

But he couldn't figure out how could Fuyao appear on Earth since he was a strong man in the world of all directions. Moreover, a strong person of this level should live longer, and how could he die on the earth for no reason? This is obviously a very bizarre thing.

"Did he say anything?" George Han asked.

"No. I know, I've already told you everything, absolutely nothing to hide." Fei Lingsheng said.

Looking at Fei Lingsheng's eyes, George Han knew that she was not lying.

However, a bunch of doubts became a paste in George Han's mind.

The reason why Fuyao appeared on the earth and why she died on the earth have become things that George Han could not figure out.

"If he reappears in the dream to find you, you help me tell him. Sooner or later I will get his dragon tendons." George Han said to Fei Lingsheng.

Fei Lingsheng nodded. Although these words made her feel chills in her back, since George Han had confessed, she could only convey the truth.

With huge doubts, George Han left the forbidden area.

The Kongtong realm in the eight directions world.

Amelia Su had such a shocking past life, which really made George Han not expect.

I thought that Fuyao was just a strong man on the earth, a leader in the apocalypse, but now it seems that George Han has obviously underestimated Amelia Su's identity.

George Han desperately wanted to know what happened in it and why Fuyao came to earth. But George Han also knew that this matter could not be known in a short time.

Unless one day. Amelia Su restored the memory of her previous life, otherwise. Only after George Han went to Bafang World, it was possible to investigate the cause.

Back to the residence, George Han was still lying at the door, he was not just talking about Amelia Su's respect, anything Amelia Su was unwilling to do. George Han would not force it.

Early the next morning, Amelia Su got up and went out. Almost stepped on George Han.

Seeing him really sleeping at the door, Amelia Su suddenly felt a little guilty.

I thought George Han would go to other rooms, but he didn't expect him to be lying on the floor in front of the door.

"When I wake up, the sun is basking." Amelia Su said to George Han.

When Amelia Su got up. George Han felt it already, but just pretending to sleep.

Pretending to rub his eyes. A sleepy look stood up and said, "It's dawn so soon."

"You... really slept here all night?" Amelia Su asked.

"Yes." George said, taking it for granted, "Only in this way can I better protect you, but that's okay. Although it's a bit harder, it's OK."

George Han would not do anything to force Amelia Su. But it does not mean that he will not deliberately pretend to be pitiful in front of Amelia Su, in order to win Amelia Su's mercy, and thus enter the room to sleep.

In this case, Amelia Su was even more guilty. After all, George Han slept at the door to better protect her.

"Are you serious, or pretend to be pathetic in front of me." Amelia Su asked.

George Han nodded without showing a trace, but was a little surprised in his heart. Could it be that his acting skills revealed flaws that made Amelia Su say that?

"What's the pity. I slept well, how could I be pitiful." George Han said as if nothing had happened.

George Han behaved more carelessly. Amelia Su's guilt became more serious. At this time, a voice in her heart was telling her that George Han should be allowed to sleep in the room tonight. After all, he was to protect herself. How could she sleep at the door?

"What are we going to do today?" Amelia Su changed the subject and asked George Han.

George Han was not in a hurry for success. He knew that Amelia Su must already have guilt in his heart. As long as the guilt was made worse, he could sleep in the room sooner or later.

"Take you to see the scenery. Tianqi's scenery is very good, and I also know that there is a natural waterfall nearby, which is very beautiful." George Han said.

The geographical location where Tianqi belongs is in a virgin forest. It maintains the most primitive forest style and has not been destroyed by anyone. For people like Amelia Su who grew up in the steel jungle, it definitely has a strong attraction.

Sure enough, Amelia Su became interested in the waterfall and said to George Han again and again: "In this case, let's go quickly."

George Han smiled faintly, and couldn't help but have some bad thoughts in his heart.

The two chatted all the way, and it took a short period of time to arrive at what George Han called the waterfall.

George Han had never been here, he only felt it with his spiritual sense, so he saw the scene before him for the first time, and he couldn't help being amazed by the scenery here
