

His True Colors Novel Chapter 1691 - 1694

Chapter 1691

The golden gourd, the green jade abacus, the crystal sword, the soft armor, the green mule purple shirt...

This is not only a small treasure house of heaven and earth, but also a small treasure house of heaven and earth. It's dizzying, it's emotional, it's...it's good for people to call it rich!

Had it not taken care of face, George Han would want to shout that I'm getting rich.

"Master, look at this sword. The blood-drinking snow sword is made of thousands of years of ice on the top of the snow mountain. It is extremely sharp and there is no grass in the place it passes."

"There is also this purple hedgehog armor. It is made of the fur of a thousand-year-old purple hedgehog. It can be worn on the body to ensure safety."

"There is also a purple gold gourd! This purple gold gourd is made of special materials and made by the top craftsmen of the world. It can effectively resist fire attacks. As long as it is fire, all are obediently let me enter the gourd."

"And this one. Boots of No Hidden..."

The Beastmaster was flipping through the treasure pile one by one, like a few Jiazhen, counting and counting, he was suddenly taken aback, this damn wrong, how many of his previous magic weapons and equipment.

"Damn, these four stinky dragons are really f*cking tricky. They found so many good things behind me." Beastmaster Xiaobai was taken aback. It was just a reincarnation. He felt that his property was emptied.

Silong lowered his head and did not dare to speak. Nonsense, who has no treasure to do the job of a bodyguard for you.

"Okay, don't read it, pack everything." Lin Long said.

When I heard that they were all packed, the faces of the four dragons were like ashes. This was the painstaking effort of their entire lives. Is it just such a piece of armor?

"That patriarch, can you keep some for us." The head of the four dragons said weakly.

"Keep it? Okay, is there a life flower?" Linlong smiled deeply.

The head of the four dragons shuddered suddenly: “You take it, don’t be polite, don’t leave one piece.”

Linlong leaned to George Han’s ear at this time: “There are so many things here, and I can’t pick out anything for a while, so I just take them all away, and look at what’s inside when nothing is wrong.

George Han thought about it, and he was right. Picking up the portable space ring handed by Linlong, he collected all the gold in the entire house.

At this time, Ye Gucheng fled in a hurry. With a group of juniors rushed out of the beast forest center, and flew quickly towards Wu Yan and others.

“Gucheng, where is Shuang’er?” Seeing Ye Gucheng ran back panic. Lin Mengxi looked at him nervously while supporting the Seven Star Sword Array.

Ye Gucheng shook his head: “I’m sorry, Master Four, there are too many monsters in the center of the beast forest. I think Junior Sister Qin Shuang is already...”

Speaking of this, Ye Gucheng sighed fiercely.

Lin Mengxi’s face paled when she heard this.

“Fourth Junior Sister, take my sorrow by the way. But now is not the time to be sad, these strange beasts are now mad, and the Seven-Star Sword Formation cannot last long. We evacuated quickly.” Wu Yan snorted coldly.

“No, Qin Shuang is not dead, I want to see people alive, I want to see a corpse, and I won’t withdraw!” Lin Mengxi shook her head resolutely, what Qin Shuang meant to her. There are only two simple words, life!

Even if she sacrificed her life, she would save Qin Shuang back.

“Don’t be stubborn. Gucheng is our genius disciple of the Void Sect. You should believe that with his ability, if you can save, he will definitely help, but if he can’t save it, we will rush over. Significance How old is it?” Wu Yan hurriedly persuaded.

Ye Gucheng also nodded sadly at this time: “Yes, Four Masters, I...I really tried my best. There are at least a thousand strange beasts in the Beastmaster Center at this time. I have searched around and never found it. The corpse of Junior Sister Qin Shuang, I...I think, it should have been eaten by those strange beasts with great beasts.”

Ye Gucheng has never been to the real Beastmaster Center. He just lapped around and returned, but his expression now seems to have been there, and he regrets not saving Qin Shuang. .

“Gucheng, you have worked hard.” Wu Yan nodded, and then shouted to all the disciples: “All disciples follow the order. Release all flying swords, and then follow me out of the Forest of Beasts.”

All the disciples drank in unison, and then followed. Under Wu Yan’s leadership, the Seven-Star Sword Formation suddenly shed a lot of light, after sending a final blow to all the trapped strange beasts. A group of disciples quickly retreated under the leadership of Wu Yan.

After leaving the Forest of Hundred Beasts, Wu Yan counted the number of people: “Have everyone come out?”

Ye Gucheng hurriedly said, “Master of the Academy, quickly seal the forest.”

Wu Yan nodded, took out a handful of scrolls, and threw them in the air. The scrolls disappeared out of thin air, and the forest of beasts was instantly covered with a white energy cover.

This is the banned book of the Wuzong, with ancient formations engraved on it. It was left by the ancestors of the Wuzong long ago. The purpose is to worry about the future of the Hundred Beast Forest.

Once the ban is released, the Forest of Beasts will never be able to enter or leave.

Seeing that the ban took effect, Lin Mengxi, who was crying but strong and silent along the way, finally couldn’t help but burst into tears.

Because she knew that the ban would completely seal her last hope for Qin Shuang.

Chapter 1692

“Uncle Fourth Master, don’t be sad, Qin Shuang... she already... Ye Gucheng sighed helplessly.

“This...this is all to blame on that George Han. Qin Shuang wouldn’t go deep into the forest of beasts if it weren’t for helping him catch some spiritual pet.” Ye Gucheng pretended to blame himself at this time.

Hearing these words, Lin Mengxi suddenly looked up. The eyes full of tears were full of anger.

George Han, George Han, how could Qin Shuang enter the Forest of Hundred Beasts if it weren’t for this damn slave? And... how could it be possible to die inside!

But after thinking about it, Lin Mengxi shook her head: “No wonder others, this is all fate, it is Qin Shuang’s fate!”

“Master Si, don’t worry. Although George Han is dead, in the final analysis, it is Qin Qingfeng who led the wolf into the house. I will definitely find him to seek justice for Junior Sister Qin Shuang.” Ye Gucheng said coldly.

“Yes, the slave George Han made a mistake, and Qin Qingfeng, who had taken him as a disciple, couldn’t get rid of it. Let’s go, let’s find Qin Qingfeng to settle the account.”

Under the rhythm of Ye Gucheng, all the disciples immediately attributed Qin Shuang’s death to George Han and vented to Qin Qingfeng.

Ye Gucheng knew that Qin Shuang was after all the three genius disciples of the Void Sect. Her death was bound to cause a big wave in the clan. He would properly divert his attention to cover up what he had done cleanly. At the same time, you can use Qin Shuang’s death to create a wave of attention for yourself, which is simply killing two birds with one stone.

Inside the cave.

Beasts have already rushed out of the restriction. They were all surrounded by the cave, and looked at the cave with a very nervous mood.

They were very happy that the Beastmaster was born, but the huge explosion in the cave before made them extremely worried.

However, their worries are not too much. After all, there are four guards in the cave, and there is also a Beast King whose camel is bigger than a horse even though it is a reincarnation. Only two stone monkeys can easily clean up. Human beings are not a concern.

At this time, there were slow footsteps in the cave, and Silong quickly walked out of the cave.

See the four dragons. The beasts cheered, and the worry in their hearts disappeared, since they are all safe. I believe that the Beastmaster should also be safe.

“Respectfully invite the Beastmaster!”

The four dragons called out in unison, and the beasts suddenly knelt down, extremely pious.

Footsteps sounded again in the cave. The stone monkey was more mindful and glanced quietly. It didn’t matter if he didn’t look at it, he was startled.

At this moment, George Han walked out slowly holding Qin Shuang!

“It’s you!” The Stone Monkey roared, and at the same time, his roar also roused all the beasts, one by one suddenly got up from the ground, making an attack. Aimed at George Han!

“Kneel all to me, in front of the Beastmaster, who dares to be presumptuous!” The four dragons angered in unison. Immediately after this, he was directly in front of George Han, who would dare to step forward and kill without mercy!

“Four guards, what do you mean?” Stone Monkey roared angrily.

“It doesn’t mean to protect the Beastmaster, Stone Monkey. What do you mean? Don’t kneel before the Beastmaster, do you want to rebel?” The head of the four dragons shouted angrily at this time.

In front of George Han, Linlong, and the Beast King, he did not dare to be presumptuous. But in front of these beasts, that is not enough to be prestigious!

“You call this human being the Beast King?” Stone Monkey said angrily.

“Nonsense, he is not the Beastmaster, is it possible that you are?” the head of the four dragons said with disdain.

“You traitor, I will kill you.” Stone Monkey was angry and rushed directly towards Silong. Seeing that the stone monkey had moved, the beasts rushed over with killing intent one by one.

“Enough!” George Han roared angrily.

This roar was majestic. With an overbearing imposing manner, the beasts suddenly stunned and stopped attacking.

“Don’t worry about him, give me a ride.” Stone Monkey roared, glanced back at the beasts, and turned to attack.

But suddenly, he suddenly saw all the beasts not only did not yell with him, but suddenly lost their murderous aura, and then obediently knelt down on the ground, knelt down and kowtow incomparably pious.

“Long live the Beastmaster!”

As the beasts yelled in unison, Shihou turned his head fiercely, his pupils dilated continuously. Until the limit!

George Han held it lightly with one hand at this time, and on the palm of his right hand, there was something white like a rabbit. Standing in the palm of his hand, obediently bowed his head at George Han, acting like a courtier!

The whole body of the stone monkey was shocked. If he hadn’t seen it with his own eyes, he would never believe it was true.

“Four guards, you guys!!!” Shihouqi’s whole person’s throat was sweet, and a blood almost sprayed out. The orcs of the Forest of Beasts have prepared for thousands of

years, waiting for the reincarnation of the Beast King. What has never been calculated is that the current Beastmaster will be held hostage by a human.

Yes, Stone Monkey believes he has been held hostage!

“You traitors, eat inside and out, I’m going to kill you.” The stone monkey roared angrily and rushed to kill Silong.

“Stone Monkey, step back.” Xiaobai snorted coldly at this time: “This matter has nothing to do with Silong. I have already recognized the Lord George Han as the master. Naturally, the new Beast King is George Han. You, kneel down. .”

Chapter 1693

“Beastmaster! But...” the stone monkey said unwillingly.

“Even if the four dragons betrayed, do you think that with the four of them, I can break my absolute domain?” Xiaobai said coldly.

Hearing this, the stone monkey paled suddenly: “Beastmaster, the explosion just now...”

The explosion in the hole just now turned out to be an explosion caused by breaking the absolute domain! No wonder, all the beasts suddenly felt a panic in their hearts. Just now they thought their worries were unnecessary, but now it seems that this is really a kind of telepathy!

The absolute domain is broken, which also means that the strongest blow of the Beastmaster has lost its effect.

The stone monkey shook his body, even if this was true, he couldn’t accept it for a while.

Because this human being doesn’t make a single blow in front of him, how can the four guards and the Beastmaster be convinced? Stone Monkey didn’t understand, how would he know that things in the world are sometimes so coincidental, he has to fight hard, and George Han is not an opponent at all. But Silong happened to be suppressed by Linlong, and the spirit attack of the Beastmaster had no effect on George Han!

Even if the stone monkey is puzzled and unwilling, how can he face the orders of the Beastmaster?

Kneeling slowly, the stone monkey was still unable to defy the orders of the Beastmaster after all, but his eyes were full of dissatisfaction: “See the new Beastmaster.”

For the reincarnation of the new beast king, the stone monkey strategizes in the forest of beasts. After working hard for thousands of years, he didn’t expect that he would end up with a human bug that he had always looked down on.

This is like moving bricks for 10,000 years, only to find that I am building houses for others.

Seeing the beasts kneeling together, George Han was a little excited in his heart. This scene was so exciting and extremely excited.

“Get up all.” George Han took a deep breath and tried to restrain his emotions.

The beasts just got up, only to find that the stone monkey was still kneeling on the ground at this time, and the beasts immediately knelt down.

“Thousands of beasts listen to orders. From today onwards, the new Beast King of Hundred Beasts Forest is my master, George Han. If anyone does not follow George Han, he will violate my Hundred Beasts Forest Beast King’s order. !” Xiaobai also saw that the situation was wrong, and hurriedly shouted coldly at this time.

at this time. In front of all the beasts, its true beast power strays and reigns over the world.

“Yes.” Wan Beast shouted together, but to George Han and others was shocked, Wan Beast still didn’t get up!

“Stone Monkey, come here.” George Han said at this time.

The stone monkey was very satisfied with the current scene, and said with disdain, he raised himself: “What? Is the new Beastmaster going to kill me?”

Stone Monkey knew that it had injured George Han just now, and it had even murdered the woman of his same s*x. Now George Han has suddenly changed and become the king of beasts. It is normal to find him after the autumn.

“What? Do you think I dare not?” George Han said coldly.

“Can you kill me?” Stone Monkey said with disdain.

A coldness flashed in George Han’s eyes, and an ice sword was directly turned into his hand and placed on the stone monkey’s neck.

The stone monkey laughed, the Beastmaster was not there, he was in charge of the beasts, he relied on the master of merit, and it was not easy to kill him.

“The beast king calms down his anger, although Elder Shane is at fault. But in the Forest of Beasts, he has always broken his heart for the beasts. There is no credit and hard work.”

“That’s right, the Beastmaster just came on stage, it should be a happy event. Is this going to be a big killing?”

“Hehe, we said long ago that humans and beasts are never the same kind, and their hearts are bound to be different.”

Offstage. All the beasts immediately became angry, begging for mercy, and the verbal abuse sounded endlessly. At this time, the stone monkey looked at George Han proudly, his eyes full of provocation.

George Han’s face was cold.

“Master, the stone monkey is the elder of the Hundred Beast Forest. If you kill him, if you kill him, it will cause unnecessary panic.” Xiaobai also advised at this time.

“Really?” George Han snorted coldly.

Pause time. The stone monkey was clutching his neck, blood was spraying continuously from the wound on his neck, he looked at George Han with an incredible face.

“You...you!!” Stone Monkey was shocked, he never expected. George Han dared to really do it to himself!

Doesn’t he know the consequences of killing himself? !

“Who dares to move?” After George Han finished cutting, he immediately shouted angrily at the beasts about to riot.

He was holding a long sword with a frosty face and murderous eyes. For a while, he was very domineering and shocked the beasts.

“Roar!”

At this time, Linlong quickly stood beside George Han. With a roar, the dragon screams for nine days, and the sky is uttered!

Silong also flew into the air, above George Han’s head. Zhang claws dance teeth.

For sometime time, George’s dragon guarded his body, murderous!

“Stone Monkey relies on his high position and is extremely disrespectful to this king. Will anyone of you rebel with him?” George Han shouted coldly.

Wan Beast looked at each other for a while, whispering, and didn’t dare to step forward for a while.

Stone Monkey was unwilling to be shocked, and looked at the beasts under the stage incredible.

Just when he was about to speak. George Han laughed coldly at this time: “Since there is no one who wants to rebel, that’s good. This time, everyone is good at protecting the

Lord, so. I will reward everyone later. In addition, I will also be the elder of Stone Monkey. Reselect among you.”

As soon as the words came out, the group of beasts knelt down in unison and shouted long live the king of beasts. Stone Monkey looked at the group of beasts in a panic, his entire face was like ashes. He knew that the situation was gone.

George Han first killed the stone monkey to stand up, and then used the position and reward of the elder to slap a candy in time, completely letting the herd surrender.

Stone Monkey regretted it, and murmured back weakly. He knew that he had failed.

He shouldn't challenge George Han's authority, let alone look down on a small human being, otherwise. Not only will he not lose his position as an elder, but even his own life can be saved!

It's ridiculous to think about it, even the Beastmaster obediently surrendered. He is an elder, so what can he do?

But in this world, can there be any regrets selling medicine?

“boom!”

The stone monkey's huge body suddenly fell, and the blood stained the grass under his feet. With unwillingness and regret, he fell in front of George Han.

George Han shook his head helplessly. He was looking for Stone Monkey just to treat Qin Shuang. After all, he wounded him, but he didn't expect this guy to have to die. If he didn't kill him, George Han Not to mention wanting to rule the herd, it is almost impossible to leave here.

But what should Qin Shuang do after killing it?

“Three thousand, Qin Shuangdu has attacked his heart, and Stone Monkey is dead now, I think we should go out and find someone from the Void Sect to save her, otherwise...”

“Okay.” George Han nodded and glanced at Qin Shuang, who was already purplish. He immediately put Qin Shuang on his back and hurried out of the Forest of Beasts.

The bumps along the way, coupled with George Han's rush, caused the sunlight in the cracks of the leaves above his head to fall and disappear from time to time. Qin Shuang opened his eyes slightly and looked at George Han's determined and handsome face in a daze, sweating like rain. But he still desperately ran out of the forest behind his back.

Chapter 1694

Qin Shuang smiled slightly, her beautiful lips were pale and dry, she knew that her life was about to come to an end.

George Han stopped. In front of him, there was a translucent wall at this moment.

George Han put Qin Shuang down gently, and then rushed over to try it. As soon as he touched it, he was directly bounced off by a huge strange force, and then hit the ground heavily.

Get up from the ground hurriedly. George Han couldn't care about his pain at all, and once again chose to rush towards the barrier.

“boom!”

With another sound, George Han was directly bounced further this time, and his body directly broke a large tree before he stopped. A mouthful of blood also gushed directly from his throat, and he spouted it all over the ground.

“Three thousand, you... are you okay.” Seeing George Han doing this, Qin Shuang yelled to him with difficulty. Because she spoke a little louder, she felt a sharp pain in her body, and the blood was also black. Flow out slowly along the corners of the mouth.

“Senior Sister.” George Han ran over quickly: “Senior Sister. Are you okay?”

Qin Shuang shook his head bitterly, and barely squeezed out a smile: “That is the seal of Nothingness School, we can't get out.”

“If you can't get out, I have to find someone to rescue you.” George Han shook his head resolutely.

“The seal of Void Sect, unless the seven elders work together, no one can unlock it, do you have the strength of the seven elders?” Qin Shuang smiled slightly.

George Han knew that he did not, and said guiltily: “Even if I didn't, I would take you out if I tried my best, if it wasn't for me. You would not come to the Forest of Hundred Beasts, let alone be in danger. ...The stone monkey just now had a chance to save you. But I...but I killed him.”

“Three thousand, if you don't kill stone monkeys. Do you think we can still walk here alive?” Qin Shuang said.

George Han nodded.

“That's right.” Qin Shuang smiled slightly, and the uncomfortableness in her body made her face paler at this time: “Also, you don't have to blame yourself. I also have my selfish intentions for bringing you to the Forest of Beasts. It's about to start. I also want to come to the Forest of Beasts to catch a yellow-level spirit pet. I like the Hundred Firebirds.

They are full of flames and have very bright feathers. They are beautiful. They are also very powerful, but unfortunately... It's a pity I can't see it anymore."

"Three thousand. Promise me, if you want to live well, this sword will be given to you as a souvenir." Qin Shuang finished. With the last divine consciousness, the ice sword that turned into nothingness showed its original shape.

The sword body is crystal clear. There is only a nice frost on the hilt.

"I don't want it." George Han shook his head resolutely: "You won't die, as long as I live, I won't let you die."

This is not love, but guilt. George Han knew in his heart that if Qin Shuang ignored her, with her ability, she could choose to abandon herself when she met Da Feima. Flee by yourself.

But she didn't!

George Han knew better, this time of adversity made him understand. Qin Shuang sometimes seemed unkind to Frost, but it was precisely George Han who came to Bafang World. The first truly human person I met.

How could he watch Qin Shuang die in front of him!

Thinking of this, George Han stood up abruptly and slammed into the barrier.

once!

twice!

three times!

He hadn't even counted how many times, George Han hit his head and broke his blood, even standing up was already a problem, but he still tremblingly supported, and hit the barrier again and again.

Seeing George Han like this, Qin Shuang's eyes were full of touch. She didn't expect George Han to hit the barrier again and again desperately for her. Although he was just a slave, he grew up. But he was the first man to stand up for himself.

Although her heart had been attacked by poison, it was full of the warmth that George Han gave her.

With Qin Shuang's beautiful right eye, a tear was gently drawn across his cheek and dripped down.

"enough."

Just when George Han was already covered with blood, and he vomited madly in his mouth, but still crawling towards the barrier, Xiao Bai finally couldn't stand it.

"Don't you just want to save her? I have a way." Xiaobai muttered.

Only this sentence made George Han stop slightly and looked at him hopefully.

"First of all, this Beastmaster is not softhearted, I...I just don't want to recognize a master, and then my master died." Xiaobai muttered: "Although the stone monkey's poison can't be solved, sometimes it doesn't. Need solutions."

"What do you mean by this?" George Han asked in confusion.

Xiao Bai turned his head to one side unwillingly, and George Han didn't bother to question him, and went straight to the barrier.

"Okay, I'm afraid of you." Xiaobai was speechless. Seeing George Han stopped again, he said, "Help him reborn."

George Han grinned uncomfortably at once: "If you plan to keep talking like this, then I'd better die."

"You..." Xiaobai has 10,000 grassy horses in his heart. Are human beings so brazen?
