

# His True Colors Novel Chapter 1715 - 1718

## Chapter 1715

“Yeah, Senior Brother Ye Gucheng, you can eat rice indiscriminately, but you can’t talk nonsense. Everyone knows that Senior Sister Qin Shuang is cold and frosty. Don’t talk to outsiders to strike up close conversations. Just want to say hello from a distance.”

Many disciples were skeptical for the first time, and there were different opinions.

The corner of Ye Gucheng’s mouth smiled disdainfully: “It’s a pity that some people pretend to be tall and lofty, but behind them are slutty women. Today, when I went to the Forest of Hundred Beasts, all the disciples present saw Qin Shuang being a slave. Coming down on the body, if it weren’t for us to arrive, I’m afraid they would have to commit suicide.”

“Just ask. Is such a person qualified to take my emptiness’s ten thousand years of snow-solidified grass?”

As soon as he drank this, a group of disciples looked at each other, and couldn’t believe that their goddess would do such a stubborn thing, and they were still caught by a slave.

Ye Gucheng sneered inwardly. Qin Shuang, this is the price for your disobedience to me.

At the same time, Ye Gucheng didn’t allow anyone outside of him to obtain such a precious thing as Wannian Xuening Grass. If someone wanted it, he would inevitably destroy that person, even the Qin Shuang he liked.

He is selfish, otherwise, he would not betray Qin Qingfeng. In his eyes, only things that are in line with his own interests. That is the right thing.

“Ye Gucheng, you are less bloody, if you want to talk nonsense here, don’t blame me for being ruthless under the sword.” Lin Mengxi who had not spoken at this time shouted angrily.

“Yes, how is Qin Shuang, everyone in the Void Sect knows well, Ye Gucheng, you should find a suitable excuse for slandering people.” Elder Erfeng said with disdain.

Elder Sanfeng also agreed: “It seems that some people are dissatisfied with Qin Shuang’s acquisition of Ten Thousand Years Ningxue Grass, and worry that Qin Shuang’s cultivation base will be thrown far away, so they are biting people here.”

Ye Gucheng smiled slightly: “The two uncles, Gucheng never wronged anyone. The scandal at that time and the disciples who have been to the Forest of Beasts today are all witnesses, including the brother-in-law.”

As soon as the voice fell, a small part of the disciples suddenly bowed their heads helplessly. Obviously it was tacitly accepted.

Even when the boss looked at Wu Yan, he nodded gently.

“Hmph, sometimes seeing is not necessarily true. Everyone knows that Qin Shuang broke the forbidden area of the Necromancer, and was severely injured by the Beast King. In that case, a slave saw his eyes open and bullied Qin Shuang for a while. It’s normal.” The second elder said coldly.

“Yes, Senior Sister Qin Shuang is beautiful, she is a man who covets her beauty. It’s normal for someone to fall into trouble when she is in danger.”

“Senior Sister Qin Shuang is just a victim. We should pull the slave out and get cramps and skin. Nothing less!”

The disciples said passionately.

Ye Gucheng smiled disdainfully: “At first we thought this way, and even what I did was the same as you guys. I promised not to stop killing the damn slave, but the problem is that when I started, Qin Shuang said Fighting for life, to protect her little white face, and in front of everyone. Saying that she is voluntary. Sister Qin Shuang shouldn’t deny this, right?”

With Ye Gucheng’s question. Everyone turned their gazes on Qin Shuang’s body, and to their shock, Qin Shuang nodded firmly: “Yes!”

“Well, Junior Sister Qin Shuang really dares to be someone who dares to be, so let’s just ask, such a gangster with slaves. Who insults my reputation for the Nothingness School, what is the qualification for my Nothingness School’s reward? She, shouldn’t she? Are you punished?”

Ye Gucheng’s words were like a bolt from the blue. Shocking the hearts of everyone present, Lin Mengxi’s face was gray and staring at Qin Shuang with a pale face. Elders Erfeng and Sanfeng also looked at her coldly and disappointedly.

They really couldn’t understand why Qin Shuang would do this?

She is the future of nothingness, how can she hook up with a slave indiscriminately? !

“I didn’t expect Senior Sister Qin Shuang to be such a person. It’s really shameless. It’s really dejected to be with a slave.”

“Hehe, I usually pretend to be upright in front of us, but I didn’t expect to be a bitch in private, even a slave.”

“I really don’t know the face of people. Since even the slaves look at it, I don’t know how many other men have been drained privately. According to my estimation, it is estimated that all the male disciples of Sifeng have a leg with her.”

“It’s a good thing for people. If you have any qualifications to be admitted into the palace disciples, you still have to spend Wannian Xue Ningcao, I bah. This kind of person should be expelled from Nothingness School.”

“Yes, expel the nihilism!”

I don’t know who yelled, more and more disciples shouted in unison to expel Qin Shuang from Wu Wuzong. Seeing that his goddess was such a person in the end, countless people suddenly turned to hatred because of love.

Qin Shuang is their dream lover. They can’t tolerate Qin Shuang’s impureness at all. Even if they can’t get it, they shouldn’t be a slave to get involved.

Suddenly, the entire hall was verbally criticizing Qin Shuang, and the sentiment was so angry that the scene fell into chaos for a while.

Ye Gucheng, Elder Shoufeng and others sneered. At this moment, behind the crowd, a figure suddenly stepped forward.

## Chapter 1716

“As I said before, seeing may not be true, but hearing may not be true.”

A good-sounding male voice that is full of air was heard appropriately at this time, and everyone looked back. The time is quiet collectively, not because of how noble this person’s identity is, but because this person’s identity is really low!

Ye Gucheng’s expression turned cold: “This is the slave, Qin Shuang’s adulterer.”

As soon as this was said, the impulsive disciple would rush to beat George Han directly. If it weren’t for other disciples around him, the scene would suddenly become chaotic.

“Kill this bitch!”

“kill him!”

Even if someone stopped, there was no shortage of shouts and killings from the disciples.

Qin Shuang looked at George Han in surprise. What is he doing now? Facing the allegations of thousands of people, Qin Shuang never regrets what she has done. Of course, she can deny everything Ye Gucheng said for the benefit of the present. No one can do anything about her, let alone affect her next step to the sky. .

But she understands. She can't do that.

One is that George Han will be in danger because of this, and the other is that her conscience will hurt.

In order to save himself, George Han didn't want his life, but he wanted to abandon him, or even lead him to injustice, Qin Shuang was unwilling to agree even if he died.

Therefore, even if ridiculed by thousands of sl\*t, she will not regret it.

But at this time, George Han appeared, making her feel a little uneasy!

The boss raised his hand and looked at George Han: "Do you have anything to say?"

The leader is also very embarrassed now, Qin Shuang's performance makes him really happy, but Ye Gucheng's words are no different from giving him a head start. He also hoped that the appearance of George Han could improve the situation, so he stabilized the scene and gave George Han a chance.

"Reported to the head, in fact, that day, Senior Sister Qin Shuang was seriously injured after breaking the ban. As a slave, I wanted to take care of my master, but to be honest, Senior Sister Qin Shuang is too beautiful. Three thousand. He is a young man with a strong blood and a slave, and his character has no concentration at all, so... I suddenly became sensible, so..."

Upon hearing this, Qin Shuang looked at George Han anxiously. How can he say that? Does he know what tragic consequences he will bring to him when he says this?

That is not simply expelled from the teacher's door, but will be killed!

"Don't listen to his nonsense..." Qin Shuang hurriedly distinguished.

But it was interrupted by George Han. He smiled slightly: "I'm not talking nonsense. With Qin Shuang's appearance, if everyone present is allowed to live with her alone. I believe that there are not many people present who can control it? I am a man. Slave, but I am also a normal man, should you understand?"

As soon as this statement came out, although no one of the disciples admitted it, no one refuted it. In theory, if it were any of them, they might not be able to control themselves. After all, Qin Shuang is too beautiful.

Seeing the reactions of everyone present, Qin Shuang became even more panicked, she looked at George Han incredulously. Crazy questioning what he was doing with his eyes!

Ye Gucheng was also a little flustered when he saw this, and forced a smile: "George Han, you dare to talk nonsense in front of the head, you are so bold. I ask you, if things

are what you said, why Qin Shuang? Want to admit that she volunteered to do the same thing with you?”

“Senior Sister Qin Shuang is kind-hearted. There is one thing that Senior Brother Ye should not forget. After all, when I met Da Pegasus, I was also good at protecting the Lord. So she was soft-hearted for a while. Senior Brother Ye wouldn’t deny this matter?” Han Three thousand laughed softly.

This sentence instantly blocked Ye Gucheng’s mouth. He didn’t want to entangle too much with the Da Pegasus. After all, he couldn’t explain it.

Once he admitted that he was there. Then he left quietly in the middle of the night, it would be difficult to justify himself, and it might affect his reputation.

Seeing Ye Gucheng had nothing to say. George Han smiled: “So, the truth of the matter is that I became agitated for a while and made a big mistake. Senior Sister Qin Shuang said that I had helped her before, so she was kind and didn’t hesitate to use her reputation to block me. The knife, but I didn’t expect to cause such a big movement.”

After listening to George Han’s words, the disciples suddenly realized that the truth of the matter was like this.

“It seems that Senior Sister Qin Shuang is not only the kind of sl\*t we say, on the contrary, she is a good person with a cold face. Senior Sister Qin Shuang, I’m sorry, we misunderstood you.”

“Yes. Senior Sister Qin Shuang, for being a slave, can also be so open-minded, she is a model of my generation.”

Seeing Qin Shuang’s wind direction reversed rapidly. Ye Gucheng was so angry that he was almost suffocated. It was like that in the Forest of Hundred Beasts, but now it’s like that when returning to the hall. The key is that George Han’s words are justified and well-founded. He is really the god, and the ghost. It is him, everything depends on that mouth.

However, how could Ye Gucheng admit defeat easily? He smiled coldly: “Okay, George Han, since you confess your guilt in public, then according to my nihilistic rules, you, as a slave, dare to commit the following crimes, openly belittle formal disciples, It should be cramped and peeled, refining the soul, and never going beyond the body!”

## Chapter 1717

Hearing this, Qin Shuang’s heart was cut suddenly, and the expressions in George Han’s eyes were full of tension.

The crime committed by slaves is already a very serious crime. If there is any frivolity, it is simply the top priority.

Qin Shuang was about to explain, but George Han just smiled at this moment, and forcibly interrupted: "Yes. As the saying goes, you die under a peony flower, and you are a ghost, and I can do it naturally."

Ye Gucheng wanted to use severe punishment to force Qin Shuang to retort, but he didn't expect that George Han would not give Qin Shuang any chance to retort.

Qin Shuang looked at George Han angrily. Although he was angry, he looked at George Han's eyes, but he was full of distress. Why should this fool be in front of so many people and blame him for all his crimes? Take it to your head?

In the forest of beasts. He has desperately tried to save himself, and finally got his life back, but he wants to give it away like this?

His own reputation is important, but can it survive his own life? !

Qin Shuang wanted to rush out to explain the truth, but George Han kept looking at himself quietly, conveying his meaning with his eyes.

"When your death is approaching, you are still not embarrassed. Come, catch him for me and execute him on the Xietai Platform." Ye Gucheng shouted violently.

As soon as a few disciples stepped forward, George Han said, "Wait!"

"Why? Afraid? If you are afraid, tell the truth quickly." Ye Gucheng shouted.

George Han frowned slightly: "Sorry, there is no word for fear in my dictionary. The reason why I am called wait is to ask, what qualifications do you have to punish me?"

"There are leaders at the top and elders at the bottom. Why is it not your turn, Ye Gucheng? Or, in the eyes of you Ye Gucheng? There are no them at all? I am the following, but you just did it. Isn't it?"

George Han's question caused several disciples who stepped forward to immediately retreat in shock, and Ye Gucheng was also stunned. With mixed flavors on his face, Ye Gucheng's mentality was about to explode when he was still being turned against the general by this dead slave.

"Isn't it because you, a rebellious slave, forgot the rules?" Elder Shoufeng quickly stood up at this time, and then saluted the head: "The head, the city is also in a state of urgency, absolutely nothing Please forgive me for the offense."

Wu Yan also hurriedly said at this time: "Yes, brother-in-chief, Gucheng has always been well-behaved. It seems that the slave George Han has done too much, so he was dazzled by anger."

A smile flashed in the head of the head that no one noticed, and then waved his hand: "The two juniors don't want to panic. I know how Ye Gucheng behaves under my sect, and I will not blame him. George Han..."

"Head, Han three thousand or less committed the crime, the crime is very heinous. It should be forbidden to peel and refine the soul." Ye Gucheng said.

George Han smiled disdainfully: "Look, it's here again, the leader hasn't finished speaking yet. Do you know how to respect the teacher?"

"You!!" Ye Gucheng was angry.

"The head, in fact, this time the forbidden area for the dead is also thanks to George Han's help, otherwise. It is impossible to retreat from the Beast King and break the forbidden area with Shuang'er alone. Although George Han has had it, he has Great merit, please also ask the head to reduce the penalty of George Han, and offset the merits and demerits." Qin Shuang couldn't help but knelt down and pleaded.

Although George Han kept telling himself with his eyes that it was enough to be an outsider, she couldn't do it if Qin Shuang was completely desperate.

Ye Gucheng said sourly at this time: "Hehe, some people still say that there is no adultery, this one can't be slapped. Senior Sister Qin Shuang protects George Han everywhere, it seems that there is no silver three hundred taels here. Meaning."

When these words came out, a disciple immediately followed Ye Gucheng with a sneer.

Qin Shuang turned around slightly and looked at Ye Gucheng: "Put away your evil thoughts. Not everyone is as filthy as you are. What I just said is just the truth."

"Joke, Qin Shuang, do you really think of us as three-year-olds? A slave in George Han district, who also helped you break the forbidden area of the dead? I want to ask you, how can he help you as a slave? Did you serve tea? Or did you pour water?"

Heard this. The disciples suddenly laughed like a thunderous ridicule. Slaves are the lowest class. Even if someone is willing to teach them spells, they are often unable to cultivate at all because of their extremely poor talents. and so. Slaves are often incompetent, at least in their eyes.

Therefore, when Qin Shuang said that George Han had also helped, all the disciples naturally sneered and laughed at them, not taking it seriously.

"So, it's not the truth at all, it's just that Qin Shuang deliberately made up some excuses to help this slave." Ye Gucheng disdainfully said.

Qin Shuang suppressed the anger in his heart, looked at the head, and explained: "The head, George Han is indeed only a slave. But I have already taught him the introductory

techniques of the Void Sect. He is very talented and learns quickly, so he is dying. The land of the spirit has made great contributions, and the disciples will never lie here.”

George Han broke the forbidden land for the undead, and naturally he contributed a lot. On this point, Qin Shuang did not lie, which is where her confidence lies.

Ye Gucheng sneered: “Senior Sister Qin Shuang praised George Han for being so capable. Okay, if George Han is really capable, then take me three moves. If he can take it, you, sister Qin Shuang If you can’t answer it, you’ll be defeated by your so-called meritorious service, Junior Sister Qin Shuang.”

“You!!” Qin Shuang was angry, Ye Gucheng’s cultivation base. Don’t talk about George Han, even if it is a beginner disciple of the entire Void Sect, it is a crushing level existence. Isn’t this showing that it is bullying?

“Head. I think this is feasible. If he can take the three tricks of Xiaye Gucheng, it proves that Qin Shuang’s words are true, and the merits and demerits are equal. I can spare his life, if he can’t take the three tricks, he will be killed. That’s what it deserves, and it’s considered an atonement.” Elder Shoufeng said to help the apprentice at this time.

The glory of the Four Peaks, he naturally did not want to be so in vain.

The head nodded and smiled slightly: “Then George Han, are you willing?”

George Han smiled softly and shook his head: “I don’t want to!”

George Han’s words immediately caused a roar of laughter, and Ye Gucheng raised his head triumphantly, condescending and full of disdain. For a while, George Han leaked stuffing, Qin Shuang deliberately shielded him, and his shameless voice screamed.

At this moment, George Han spoke again: “The reason why I was reluctant was mainly because I was afraid that after taking Brother Ye’s three tricks, Brother Ye’s old face, there is no place to put it. Wouldn’t it be a loss of Brother Ye’s face? .”

## Chapter 1718

boom! !

George Han’s words were like a thunder on the ground, shocking everyone present with their mouths open!

Arrogant!

It’s so arrogant that it’s ridiculous!

A little slave dared to be so presumptuous, and did not put Ye Gucheng, one of the three genius disciples of the Void Sect, in his eyes at all!

The reason for his unwillingness is that Ye Gucheng is ashamed!

“Boy. Are you too f\*cking capable of blowing? Are you afraid that Brother Ye will be ashamed? Damn, I think you are still worried about losing your life.”

“Yeah, it’s really arrogant. Next three moves? I don’t think you can take even one move!”

“This slave really doesn’t know how high the sky is, and this tone is bigger than my athlete’s foot!”

All the disciples scolded, and the crusade broke out. Lin Mengxi looked at George Han with some worry and disappointment, although she instructed Qin Shuang to teach George Han the basic introductory techniques. But that was just an introduction, and compared with a formal disciple like Ye Gucheng, it was not a little bit worse.

It’s already pretty good to be able to take one move, and even dare to vainly say to take the next three moves, it’s a bit of an ignorance!

“George Han. Don’t you be afraid of flashing your tongue when you speak? Afraid that Ye Mou will lose face?” Ye Gucheng scratched his ears with disdain, just like watching an ant, looking at George Han with disdain.

George Han just smiled and nodded: “Although my practice is really not very good, it is no better than Senior Sister Qin Shuang’s genius, but I think it’s enough to deal with some rubbish. Besides, I haven’t played yet. After all, in the end, who brags is still uncertain.”

Hearing this, Ye Gucheng suddenly gritted his teeth: “Smelly boy, you are too crazy, I, Ye, can’t defeat you within three moves today. I don’t believe in Ye!”

“Then you can follow my last name, Han Gucheng, it sounds nice.” George Han smiled disdainfully.

Ye Gucheng stopped talking nonsense, suddenly lifted up the energy in his body, and squeezed his entire body.

“The sky is broken!”

Ye Gucheng’s first attack was almost merciless, and he directly sacrificed Wuzong’s mid-level offensive spell, which was about to strike Kuan George with one blow, without giving him any chance to stand up.

To blame it is George Han’s own bad mouth, so fast for finding death!

Suddenly, the cold light in the main hall protruded, the temperature dropped sharply, and a silver light burst directly from the finger, blasting at George Han.

At this time, George Han also forcibly used all the energy in his body, aimed at the silver light, and used the primary offensive technique he had learned. It was right up abruptly!

The silver light collided with the ice sword instantaneously, but in an instant, the silver light directly pierced the ice sword. He hit George Han hard.

George Han flew upside down for several meters, slamming heavily on the ground, motionless!

“Senior Brother Ye Gucheng is great. As expected, he is the genius of my Nothing Sect. This sky is broken, it is so powerful!”

“Haha, just now the scumbag claimed to have three moves, but he was beaten to the ground with one move.”

Seeing that George Han was knocked to the ground, all the disciples suddenly cheered for Ye Gucheng. Ye Gucheng smiled proudly. Several elders headed by Shoufeng also smiled, Ye Gucheng’s performance. They are very satisfied, the skylight is skillfully used, and the power is really amazing. He practices very well!

Qin Shuang looked at George Han nervously, feeling very sad for a while.

At this moment, George Han let out a sudden ah, and then slowly sat up from the ground and shook his head: “Brother, have you not eaten? Just this little strength?”

With George Han stood up. Qin Shuang’s whole person turned from sorrow to joy, and a group of disciples were even more stunned!

How is this possible!

Facing such an astonishing attack from Tianguangpo, George Han was a slave. He could stand up again after being knocked down!

Many disciples present did not dare to think that they could stand up under that attack!

But George Han stood up, and was still mocking Ye Gucheng desperately.

After Ye Gucheng was slightly startled, he smiled coldly: “Smelly boy. Your life is so cheap. Just now it was just a small test. After all, a trick to kill you in a second is too cheap for you. Now, you will never again. I have the strength to get up, I promise Ye Gucheng!”

After speaking, Ye Gucheng’s face was solemn, and his body rose in the air. George Han noticed that there was a blue halo rising under Ye Gucheng’s feet.

“Earth destroyed!”

With Ye Gucheng's soft drink, the blue halo suddenly shone brightly, and slowly surrounded Ye Gucheng's whole person, George Han at this time. He clenched his teeth and stared at the front.

In fact, George Han had already suffered a great deal from the blow just now. He stood up for Qin Shuang's back because he owed her, George Han. He has never liked owing other people's love, but he wants to take Ye Gucheng's three tricks to save his life.

Therefore, he had taken the first blow very seriously, but he did not expect that the energy gap in the Bafang World was much larger than that in the Xuanyuan World. Had it not been for the Golden God Protector, George Han would really have been This guy bid farewell to the world in one blow.

So now, George Han knew that he wouldn't have any extra energy left, and he also needed to take this trick all over his body.
