## Chapter 1731

At this time, Sister Yang ran into the back room with a rolling scramble. Ruoyu frowned. Then, Yuzhi gently covered her nose and couldn't help but say: "Did you fall into the pit? smelly?"

When I saw Ruoyu. Sister Yang's crying pear flower brought rain, crying for her father and mother, while hammering the ground, she shouted out loudly: "Sister Ruoyu, you have to be the master for the servant girl, the servant girl is bitter, even bitter than the stinky bitter gourd in the vegetable garden. ."

Ruoyu glared at her impatiently: "Don't show this set in front of me, what is going on."

Sister Yang is very good at acting, as soon as I heard this. I stopped crying, and said with a straight face: "Sister Ruoyu, I was bullied. I'm making lunch for you. I just made it. I met George Han. Do you know that George Han belongs to Senior Sister Qin Shuang? That wild man...no, that slave."

"Then what?" Ruo Yu asked with condensed eyebrows.

Sister Yang was about to cry again, she burst into tears: "George Han relied on Senior Sister Qin Shuang to support him, and he insisted on grabbing the food prepared by the slave maidservant. The slave maid said this was for Senior Sister Ruoyu. You prepared it, but he didn't care about it. He just grabbed it. He also took a bucket of swill and asked the slave and maidservant to bring it to you. Of course, the slave and maidservant would not do it. Bullying the slave and maidservant is fine. Senior sister's head? So. The servant maid complained for you. He was aggrieved in a few words, and became angry, and beat the servant maid..."

After speaking, Sister Yang was crying again, and she was so sad that she listened to the scene of tears.

With this acting, she can cry a filial son in any village where the funeral is held.

Ruo Yu also had a headache caused by her, and her spirit was a little weak. Even Sister Yang couldn't bear her sloppy jungling skills.

"Okay, okay, don't cry, so. You are looking for me to give you justice, right?" Ruoyu asked with a frown.

Upon hearing this, Sister Yang stopped crying. The spirit came and said faithfully: "The servants are humble and light, and it doesn't matter whether they are fair or unfair. But what is really irritating is that Senior Sister George Han, Ruoyu, you are all right."

Ruo Yu stood up impatiently: "Okay, you don't want to act in front of me. Do I still don't understand you?" Ruo Yu naturally knows what she is like, and she is definitely not that. Kind of a fool, let others instigate, on the contrary, she is ice and snow smart. The management of Sifeng is even better.

Otherwise, she wouldn't let Lin Mengxi rest assured that Sifeng's big and small affairs would be handed over to her.

She could hear the true process of things from Sister Yang's words almost without thinking too much. Sister Yang must be arrogant and did too much, but she was not good at her skills and was taught a lesson. When she came back, she asked herself to make up right and wrong and wanted to speak out evil.

originally. If you are not good at learning and being cleaned up by others, there is nothing to say.

But the saying goes well. Fighting a dog depends on the owner. Even if Sister Yang is wrong, George Han, a little slave, is not qualified to take action to teach his own people.

Sister Yang was seen through by Ruo Yu, her head lowered and she dared not speak.

"Where is the other person?" Ruo Yu said coldly.

Sister Yang quickly raised her head: "It's over there in the kitchen."

Ruo Yu snorted coldly, and started walking towards the kitchen. Sister Yang was happy. Quickly got up, Pit Dian Pit Dian followed Ruo Yu, and rushed over.

George Han and Xiaotao just returned to the back room. At this time, Ruo Yu had brought several disciples and Sister Yang to the door aggressively.

Seeing George Han, even though Sister Yang was standing at the back, her face was still indescribably proud!

George Han smiled softly and soothed the pale peach next to him, got up, walked out the door, saluted, and respectfully said: "George Han has met Senior Sister Ruoyu."

Ruo Yu glanced at George Han coldly, and then said with a cold eye: "The polite remarks are forgiven, why should I come here. You should be clear in your heart?"

George Han smiled, nodded, just about to speak. At this moment, I suddenly felt an invisible force on my knees desperately squeezing myself, making myself kneel down.

George Han quickly gritted his teeth and raised his energy to resist. But the knee still couldn't help bend down.

Ruo Yu smiled coldly: "I can't tell, Qin Shuang taught you pretty well." After speaking, she suddenly increased her efforts.

George Han suddenly felt that his knees were completely out of control, and his whole body leaned forward. He hurriedly used his strength to resist, while following the posture of leaning on his body, simply leaning more, letting his body hang directly to the ground. Then support the ground with your hands in a push-up shape.

“A bit spine.” Ruoyu smiled coldly: “I want to see how long you can last.”

George Han’s forehead was sweating coldly, and the guarding Buddha on his knees was pressed by the mountain, and the supporting hand began to tremble slightly at this time. George Han knew that he was almost unable to hold it.

Suddenly, at this moment, Ruo Yu, who was quite proud, suddenly felt that her knees were also hit by gravity, and the whole person was about to fall forward and kneel. Although she supported her with energy in time, her whole person was unavoidable. Surprised, looking at George Han in disbelief!

## Chapter 1732

This is how the same thing?

This guy actually fought back! Moreover, the method used is almost the same as myself!

And the most important thing is that George Han’s counterattack actually almost made himself kneel down.

Although Ruo Yu only intends to punish George Han, the knee-pressing technique she used is her own unique experience. There is no other in the whole Four Peaks. How can George Han do this trick by herself? !

Unless it was much higher than his own cultivation base, even Qin Shuang of the same generation would definitely not be able to copy his moves.

Even though Ruo Yu was shocked and confused, she would not be able to subdue a slave even with a dignified and formal disciple. This would be a laugh.

He violently stepped up his enthusiasm against George Han, and George Han suddenly felt that several mountains were on his body. Not to mention insisting on resisting his whole body, even if he wanted to breathe normally, it became extremely difficult.

George Han gritted her teeth tightly and tried her best to support with her hands. At the same time, a faint golden light floated on her body, and Ruoyu suddenly bent her knees, even though she had already transported energy to resist, and I was preparing, but I didn’t expect that the force on my knee would suddenly increase suddenly.

Ruo Yu bends half of his knees and slams back, but after all he staggers a few times, and George Han can’t match the tremendous pressure on his body. With a bang, although the whole person seems to be only 20 or 30 centimeters above the ground, But it was like falling from a height of 10,000 meters, and it shook the ground.

Ruo Yu was horrified, and a little slave almost knelt down on him when she asked her to deal with the situation with all her strength. This is unbelievable. Fortunately, she still let George Han lie on her own. In front of him, although the only fly in the ointment was that he did not kneel in front of him as he expected.

But at this time, if Yu can subdue George Han, she no longer wants to have other changes.

Sister Yang naturally didn't know how strong the invisibly fighting between the two was just now. In her eyes, as soon as Senior Sister Ruoyu took the shot, George Han immediately convinced her. At this time, she looked at the man lying on the ground with a smug look. George Han, as if it was her who defeated George Han just now.

Seeing George Han doing this, Xiaotao hurriedly knelt down and pleaded with Ruoyu: "Sister Ruoyu, please let Young Master Han go. Today's matter is not his business at all, but..."

Sister Yang naturally panicked when she heard Xiao Tao want to speak, she absolutely couldn't let Xiao Tao tell the truth about the matter.

"Xiaotao, you shut up, there is no place for you to speak here, you figure out what status you are." Sister Yang said coldly.

Xiaotao glanced at Sister Yang in fear. She knew that if she told the truth, Sister Yang would definitely not let herself feel better tonight. She would beat herself all over her body, but she still gritted her teeth. She was punished by Senior Sister Ruoyu for helping her, and she couldn't do it if she ignored her own selfish desires.

"Sister Ruoyu, although Xiao Tao is humble, but what she said is true..."

"Okay, you don't need to say it." Ruoyu snorted arrogantly, and at the same time glanced at George Han on the ground, and hummed, "I am not interested in knowing what happened between your slaves, but George Han Thousand, it depends on the master to beat the dog. Qin Yang is my slave. You can beat my slave without even asking. This time, this is a lesson for you."

"have you understood?"

Seeing George Han not speaking, Ruoyu said coldly.

George Han cracked his lips and didn't answer at all.

"George Han, let me ask you something." Ruo Yu said unhappy.

George Han still didn't answer. Xiao Tao was anxious. She knelt and crawled in front of George Han, gently tugging his arm, and said anxiously: "Young Master Han, you should answer."

Obviously, if the rain should stop at the end, as long as George Han is softened at this time, this matter should be over.

In Ruo Yu's heart, that was indeed what she thought. A small punishment to George Han was considered to have saved her face, and she didn't want to cause trouble.

But George Han didn't let it go, which made Xiao Tao anxiously at a loss, Ruo Yu's whole body became more and more unable to get off the stage.

"George Han, are you dead?" Ruo Yu shouted coldly.

At this time, Sister Yang hurriedly stepped forward: "Senior Sister Ruoyu, he is not convinced at all. I think he still hasn't been beaten enough!"

"Is there you talking here? What are you?" Ruo Yu was anxious by George Han. She is now doing this by George Han, and she is a bit unable to get off the stage. The same is true for sister Yang, the culprit who made false claims. No good tone.

Sister Yang shrank her neck and dared not speak.

"George Han, you speak to me." Ruo Yu yelled coldly, and at the same time increased his strength, directly lifted George Han a few meters away.

After rolling several times, George Han lay on his back on the ground. The injury that had not been healed inside was aggravated by Ruoyu. A faint trace of blood flowed out from the corner of his mouth, but George Han still just closed his mouth. His eyes were full of disdain.

"you!"

If Yu is so anxious that he doesn't know what to say, this damn George Han, what does this mean?

Xiaotao ran over and squatted George Han wanting to help, but was afraid of hurting George Han. She was so anxious that her tears were rolling: "Han Gongzi, just talk, talk, OK, just be it. Little Tao, please."

With that, Xiao Tao knocked George Han's head directly, George Han smiled helplessly, and gently stopped Xiao Tao: "It's okay, don't worry."

"But..." Hearing George Han's words, Xiao Tao's heart was finally relieved, but what George Han said was rejecting herself, making her eyes full of worries.

Hearing George Han speaking, Ruoyu snorted coldly, turned his head, and waited for George Han to come over and apologize.

George Han stood up with Xiaotao's support and walked all the way, but what Ruoyu could not expect was that George Han walked towards Xiaotao's house after getting up, and had no intention of asking her to apologize and admit his mistake.

If the rain is raging, and he is ignored by him like this, is she shameless? !

"George Han, stop for me, don't you think I don't exist? Don't forget, you are a little slave, if I want you to live, I will live, if I want you to die, I will die!" Ruoyu said , The right hand suddenly transported energy.

Sister Yang was so excited that she almost clapped her hands and let Ruo Yu beat George Han to death.

Facing Ruo Yu Yun's right hand with energy, Xiao Tao grabbed George Han in a panic. She knew that if George Han didn't stand still, the attack from Senior Sister Ruoyu would definitely launch it. Then George Han It's dead.

George Han stood slightly, glanced at Ruoyu, stopped, then glanced at her right hand again, smiled lightly, and turned and walked towards the back room.

## Chapter 1733

If Yu originally thought that George Han was about to stop, and just smiled smugly on his face, she would never forget that he just glanced at him and then turned to leave. When George Han looked back just now, his eyes were full of Disdainful smile!

Ruo Yu has never seen anyone dare to look at herself with such contempt in her entire life, yes, no matter who it is!

She has been smart and talented since she was a child. She is the only darling in the family. After worshipping the Void Sect, she is also one of the most proud disciples of the Four Peaks. If she hadn't killed Qin Shuang halfway, she would even be one of them. I'm afraid it has to be cancelled.

But even if there is Qin Shuang, her cultivation base is second only to Qin Shuang's existence, and with the respect of her master, Sifeng's affairs are managed by her.

In many cases, she is below the Four Peaks and above the 10,000 people. Everywhere she has gone, she has bowed to her, no matter whether she is a disciple or a slave, no one will not give in.

But today, George Han not only did not succumb to her, but instead glanced at her with a very contemptuous and disdainful look.

Ruoyu's strong self-esteem, under that look, was almost torn apart.

He seemed to watch... as if he was a monkey jumping up and down.

If Yu was completely angry, he raised his right hand and immediately attacked George against Han.

The disciple next to Ruo Yu hurriedly grabbed her hand and said embarrassedly: “Senior Sister, no, George Han is Senior Sister Qin Shuang after all. If he has any shortcomings, Senior Sister Qin Shuang can’t explain it.”

“Yes, Senior Sister, Senior Sister Qin Shuang is the daughter of Master, and also a disciple of the Temple of Nothingness. If she is to be investigated by that time, we will be in trouble.”

“For the sake of Qin Yang as a slave, we don’t need to go into such a big fight, and hurt our peace with Senior Sister Qin Shuang.”

Seeing a group of disciples’ dissuasion, Ruo Yu hesitated. Although the front was important, their words did make sense. She didn’t need to be a slave to influence her and Qin Shuang’s relationship.

She didn’t care how Qin Shuang was. The problem was that Qin Shuang was Master’s daughter. Once she let her know, this would affect her future.

But thinking of George Han’s disdainful eyes, Ruo Yu really couldn’t swallow this breath!

“Okay, George Han, don’t say that this senior sister doesn’t give you a chance. Since you have never admitted your mistakes, I believe you must have other secrets. You might as well speak out and let me be fair. I will preside over the affairs of Sifeng. There is grievance, even if it is my person, I will definitely not tolerate it!”

If Yu thinks about it, this is the best way to save his face, and at the same time, he becomes a good person.

As expected, George Han stopped. Just when Ruo Yu was ready to wait for him to speak, George Han groaned in disdain and turned and went straight into the back room.

Then, there is only a cold door for Ruoyu!

If Yu had 10,000 grass-mud horses running past, he really didn’t give face or even the slightest amount of face. He had already stepped back and didn’t plan to pursue this matter anymore, but George Han was still unwilling to climb down the ladder. , This is a real life to want to die in the same place, unable to move!

If the rain makes your eyes a little wider than usual, the breath between your nose is even more audible. She really wanted to rush over now, and then burned the broken house!

A group of disciples didn’t even expect that George Han would do this!

Just put Ruoyu directly in place, let alone a slave, even their real beginner disciples wouldn't dare.

The atmosphere was extremely embarrassing, and even the air defense against Buddha became embarrassed. After a long time, someone said weakly: "Sister..."

Ruoyu's fist has been clenched tightly, looking at the opposite house, gritted his teeth, and came to vent his anger, and turned out to be humiliated at the door, but what if he couldn't take that kid!

Are you angry? !

"Go back... go back." Ruoyu closed her eyes and whispered with great difficulty.

A group of disciples nodded, as long as Yu Yu didn't show up, they were really worried that things would get worse and could not end at that time.

Back in the hall, Ruoyu sat on the bench, panting.

Sister Yang hurriedly poured a cup of tea, brought it to Ruo Yu, pondered for a moment, and said cautiously: "Senior Sister, take a sip of tea and calm down. I have already said that the bitch George Han is relying on it. Senior Sister Qin Shuang doesn't put anyone in his eyes at all."

Obviously, Sister Yang is still adding more fuel.

As soon as the voice fell, Ruo Yu looked at her with a cold face. Before she could reflect, there was a loud bang on her face, and she turned over several meters with tea, and she fell horribly.

"You bitch, are you embarrassed to say? If it wasn't for you, could I be so suffocated?" Ruoyu shouted angrily.

Sister Yang quickly got up from the ground and touched her red and completely swollen left cheek. She was a little confused for a while. After a while, she woke up and crawled to Ruoyu's face again. It is wronged, but also afraid.

## **Chapter 1734**

She didn't expect that things would develop like this.

In the past, Senior Sister Ruoyu had been out on behalf of other disciples. Although she has a short temper, she often protects her shortcomings. So Sister Yang naturally thinks that she can be like others. If Yu helps her out, then this matter That's it.

Who knew that George Han's operation was as fierce as a tiger, and Ruoyu couldn't get off the stage forcibly, and Ruoyu's heart was vented on his body.

Knowing this, she wouldn't bother with that ghost George Han.

However, it's useless to regret it, my god!

The only thing she can do is to beg for mercy in front of Ruoyu!

"Look at your shameless look, like a dog!" Ruo Yu cursed uncontrollably.

Sister Yang nodded desperately: "Yes, Sister, I am a dog, I am your dog, Wang Wang..."

Seeing that Sister Yang was so humble and humble in front of her, Ruo Yu took a long breath and said coldly, "What are you still doing in a daze? Why not pour tea?"

Sister Yang quickly got up from the ground, and then ran to re-pour the tea.

With the entrance of tea, Ruoyu's anger in her heart has calmed down a bit, but thinking of George Han, she still feels bad.

"Senior Sister, this George Han is really hateful. This is just to kill me. I also want to say, this George Han didn't put you in your eyes at all. He is really crazy and must be cleaned up. Him." Sister Yang tentatively said at this time.

Ruoyu squinted at her: "What do you mean by this? If you have a fart, let it go."

"Yes!" Sister Yang nodded: "Senior Sister, this George Han relied on Senior Sister Qin Shuang to support him, so this is so arrogant, then let's get rid of this backer for him."

Ruo Yu frowned: "You won't be so bold that even Qin Shuang dare to move, right?"

Sister Yang smiled and filled the tea with great diligence, saying: "Senior Sister, the servant girl dare not, but the servant girl has a plan. It can help Senior Sister out of George Han, not only can it get George Han out of nothingness. It can even cause him to be severely beaten, or even beheaded. At the same time, it can also kill Qin Shuang's prestige."

Sister Yang naturally, although Ruo Yu and Qin Shuang are sisters and their relationship is decent on the surface, Ruo Yu has always disliked Qin Shuang. To do what she likes is the highest consciousness of being a dog. Therefore, she actively mentioned Qin Shuang. Frost.

Hearing this, Ruoyu really became interested. Although she pretended to be indifferent, the excitement she couldn't hide in her eyes had betrayed her superficial acting skills.

Sister Yang smiled: "Someone will take the medicine tonight and stun Xiaotao, and then throw them on George Han's bed. When they wake up, Sister, please come and catch the rape in bed..."

Ruoyu frowned: "Who asked you to do this?"

Sister Yang Yinyin smiled: "Senior Sister, I can't say that, and I don't know who it is, but the other party has gathered flowers and scattered, and you think about it, who has had an enemy with George Han recently!"

"Juhua San?" Ruoyu frowned, this thing, but one of the strange poisons, is not common, and it is impossible for ordinary people to get it.

Those who can have this should not have a low status in the Void Sect.

Contact Qin Yang's last sentence, who has an hatred with George Han? If Yu knows, he has guessed that he is not far from ten.

Ruo Yu slammed directly on the table with a bang, glaring at Qin Yang, and said coldly: "Qin Yang, you are such a big courage, you dare to carry me in Sifeng and some undead people. Do these sneaky things? Are you trying to die? Right?"

Sister Yang's face was pale, she knelt down subconsciously, and kowtow desperately to beg for mercy. In fact, Xiao Heizi discussed this plan with her, but originally, she only promised to open one eye and close one eye when the time comes, and behave at night. He didn't see anything, Xiao Heizi would do the rest by himself.

It's also because Sister Yang knew that someone was going to suffer George Han tonight, so Qin Yang didn't pay much attention to George Han, and didn't pay much attention to Qin Shuang when he was in the kitchen. .

I don't know if this matter goes on, George Han will kill her like this in the end!

Therefore, Qin Yang pondered for a long time and decided to speak out the plan boldly. She is willing to take the risk because if Sister Yu agrees to the plan, they will implement this plan tonight and they will be foolproof and more important. The thing is, this can vent her anger for Ruoyu, maybe she will have a good life in the future when she is happy.

But unexpectedly, she lost the bet, and Ruo Yu seemed very angry.

"Sister, I'm sorry, the slave and maidservant deserves a million to die, but the slave and maid just want to help you out, senior sister." Sister Yang begged.

If Yu did not speak, she glared at Qin Yang fiercely. After a while, she took a sip of tea and got up and walked outside the house. At the same time, she left a sentence: "I do things, I never sneer, if I let me If you find it, I can't spare you. Tonight, I will patrol the western warehouse."

Qin Yang thought he was dead, he was stunned for a moment when he heard this, and then his brows were overjoyed.

Although Senior Sister Ruoyu did not agree to herself, it was obvious that she chose to open her eyes and close her eyes, and gave herself time to patrol empty and convenient.

“George Han, I see how you died this time.”
