

His True Colors Novel Chapter 1911 - 1914

Chapter 1911

“Yes, Xiongtai, in the end, if we also invite you to dinner and drink, you don’t need to be grateful, and you have to take away the quack and lake Baixiaosheng that we have worked so hard to find, isn’t it too much?” Lu Yunfeng said coldly. And Tao.

“Eat your food? Then give you money.” George smiled, then threw an amethyst on the table, and looked at Bai Xiaosheng: “As for him, he is yours. He’s tied up, he wants to go, I’ll save it, there is nothing wrong with it?”

“You!!” Lu Yunfeng was suddenly speechless.

“Although you are young and frivolous, but young man, you are so presumptuous in front of us, too crazy, right?” The spiritual master, who had not made a sound, slammed the table at this time, and rose up in anger.

George smiled disdainfully: “Then what do you want?”

If the previous George was worried about people like Xianlingshitai, now, George is eager to try. He really wants to try his current cultivation level and what he can achieve. Level, and Master Xianlingtai, is undoubtedly a good touchstone.

The spiritual master is too short of breath, and her chest rises greatly. As a master like her, she has always received all kinds of courtesy. Even the flattery of younger generations like Ye Gucheng, has never dared to be so presumptuous in front of her.

Therefore, she wanted to kill the chicken and show it to the monkey to justify her reputation.

But she was very frustrated in her heart. The images of George defeating the old man of the Sky Turtle continued to appear in her mind. She was not sure that she could beat George.

“Master, tomorrow’s martial arts competition is important. I think it is better to do more than to do less.” Qin Shuang suddenly said when he was embarrassed.

Although Qin Shuang said to Master Xianling Tai, his eyes were always on George. The more she listened, the more she felt that the voice resembled the person in her heart.

But, if it is him, who is the woman next to him? ! Is it Xiao Tao? If so, who is the kid he has been carrying?

Therefore, he cannot be the one in his heart.

But their voices are surprisingly similar.

In the final entanglement, Qin Shuang stood up, and she helped him not only because the voice was similar to him, but also because Qin Shuang had justice in his heart.

When the spiritual master heard this, the big stone in her heart fell instantly, and finally someone found a step, so she naturally wished to hurry down.

Thinking of this, the spiritual master nodded too much, but his face was extremely cold.

George was a little disappointed in his heart, shook his head, and was about to take Amelia and leave with Jianghu Baixiaosheng.

At this time, a voice entered the account: "Who made our spiritualist so angry?"

As soon as the voice fell, a man in luxurious clothes walked in, with a few small attendants behind him.

George couldn't help but look at it twice, because the person here is different from ordinary people, and there is a small hole under his ear, similar to something like fish gills.

The other party also looked at George, wearing a weird mask, but soon he was full of disdain.

"People from the Immortal Sea." Amelia whispered in George's ear.

People in the immortal sea? What are they doing here? !

"It turned out to be Captain Ao Junao. There were misses to welcome and some misses to welcome." Seeing the incoming person, the first spiritualist who was still cold before, suddenly melted like a snow mountain meeting the sun, and the whole person was smiling.

"Master Xianling, I heard your anger just now outside the account, why? Is there any rubbish here to cause trouble?" After speaking, Ao Jun glanced at George coldly.

As the captain of the garrison in the immortal sea area and the capable general in charge of Ao Yong, Ao Jun naturally has capital and pride and does not put anyone in his eyes.

"Haha, Captain Ao, you know it's rubbish, so why bother with it?" Xian Lingshi laughed too much.

"If that's the case, don't you get out of rubbish?" Hearing this, Ao Jun nodded. Since it is ordinary rubbish, he was lazy to do it, and looked at George coldly: "Today, even You are lucky, we have big business to discuss, otherwise, we will take your dog's life and get out!"

George was about to talk, but was pulled by Amelia and quickly walked out of the tent.

After getting out of the tent, Amelia pushed George to the front in a few steps. After seeing a certain distance from Bai Xiaosheng in the rivers and lakes, she let out a sigh of relief and said, "Three thousand, are you crazy? You want to do it?"

George smiled helplessly: "You don't believe me that much? I just want to practice my hands."

"Then you have to separate people, that is Ao Jun, this person has a very high cultivation base, and is the middle-level management of the Immortal Sea, they are so many and powerful..."

George was about to talk. Suddenly, Bai Xiaosheng, who was behind him, ran over quickly, frowned, and looked at Amelia: "Wait a minute, what did you call him just now? George? Could you be..."

George and Amelia were taken aback, looking strangely at Bai Xiaosheng in front of the rivers and lakes. They need to know that there was a gap of ten meters between them, and Amelia said very quietly, but he also heard them: "No Wrong, I am George!"

Chapter 1912

Hearing George's admission, Jianghu Baixiaosheng's face changed drastically, and he looked at George in shock.

Although he asked in this way, he did not return any hope for the answer, because one is that George has been in the limelight recently, and the other is that George has fallen into the endless abyss, which also means that there is no Han in this world. Three thousand exist.

But where I thought, the person in front of me turned out to be the impossible person.

"Are you really... him?" Bai Xiaosheng said in disbelief.

George smiled and did not speak.

"But, didn't you fall into the endless abyss? How could it be... how could it be still here? Could it be that it was a rumor?" Jianghu Bai Xiaosheng never denies the various information he has harvested, and has not even appeared in his life. However, it was the first time that he doubted the news he had received.

That was the news that George had fallen into the endless abyss, it was simply false.

Because no one in this world can live out of the endless abyss, this is the consensus of all people in the Bafang world, and even basic knowledge. For so many years, the Bafang world has been rumored that true gods have fallen into it, but even they ended up completely. Disappeared, never appeared again.

Therefore, the endless abyss is equivalent to death for everyone in the Octagonal world.

Seeing George standing in front of him now, Bai Xiaosheng's first reaction was that the rumors went wrong.

"If you fall in, can you not climb out?" George said in a breeze, but to Jianghu Baixiaosheng, it was like a bolt from the blue.

Fall in? climb out?

It's an endless abyss, and it's not a pit or hole, how can you climb out? !

If it were that simple to climb out, it would not be called the endless abyss, and it would not mean death.

Looking at Bai Xiaosheng who was extremely shocked and completely unable to figure it out, George smiled helplessly: "As Bai Xiaosheng in Jianghu, you should trust your own intelligence, not doubt it."

After speaking, George smiled softly and walked forward. Bai Xiaosheng was about to move forward. At this moment, there was a nice voice behind him.

"Please stay!"

Looking back, Qin Shuang suddenly walked over from a distance at this time, with an elegant posture, like a fairy.

"Something?" George asked slightly in a daze.

"Excuse me, are you George?" Although Qin Shuang asked politely, his eyes kept staring at the eyes under George's mask. It seemed that he wanted to find a trace in George's eyes. answer.

Before George could answer, she suddenly smiled apologetically: "I'm sorry, I drank too much, but I think you and a friend of mine have similar voices and similar eyes, so..." After finishing, she Wei Wei leaned to apologize and turned back.

For Qin Shuang, she really suspected that it was George, but the people around him, and the scene of George jumping into the endless abyss, repeatedly told her from a rational point of view that it could not be George.

But even so, Qin Shuang missed George too much, and she always had illusions about people like him, although she knew that these illusions would only bring more endless sadness and disappointment to her, and make her heart It hurts more, but she is willing to do the same.

Because this is the only possibility that George is alive!

"Wait a minute." George stopped Qin Shuang suddenly, and when she turned her head, George looked at her sincerely: "I'm not George, he is dead."

Hearing this, Qin Shuang gave a slight sign, turned his head, resisted his tears so that no one could see it, and left quickly.

She knew this was a fact, and she didn't blame anyone for mentioning it in front of her, but she couldn't hold back the sadness in her heart when she heard these words.

Looking at Qin Shuang's leaving back, George shook his head helplessly and sighed.

George will always remember the kindness to Qin Shuang, but George has no blessings to accept his feelings for Qin Shuang.

"It's pretty." Amelia looked at Qin Shuang's back at this time, and joked with George.

"That's the elder sister I just came here, who treated me very well, and if it weren't for her, I might not have survived now." George explained with a wry smile.

When Amelia heard this, she immediately put away her joke, and looked at George reproachfully: "Then what did you just now..."

"Hey!" George shook his head and pulled Amelia's hand. Amelia Bingxue was smart. Although George didn't say anything, she had already roughly guessed what was going on.

In addition to feeling a little sorry for the woman just now, it is more deeply moved by George's actions.

However, Bai Xiaosheng on the sidelines was a little confused: "I said, are you George? You will say yes for a while and no for a while?"

When George and Amelia heard this, they couldn't help laughing.

In the tent at this time, after Qin Shuang went back, there was already a lot of laughter, and Qin Shuang, who was sad in his heart, seemed a little out of place with them.

"Shuang'er, happy event, big happy event, do you know? Immortal Seas has officially accepted us as their forces in the Immortal Seas." Seeing Qin Shuang's return, Wu Yan from the ordination courtyard excitedly reported the happy news. .

For their group of people, it is too difficult to survive the survival match alone in the tournament. Failure to survive the survival match means that they cannot participate in the finals. Therefore, it is the best way to keep warm.

But I don't know that they have embraced it to develop and expand step by step, first becoming one of the big alliances of this outer temple, and now they are favored and supported by the big family, it is like the world has fallen into a big pie, how Isn't it exciting? !

With the support of the Immortal Sea, they can almost see the bright future beckoning to them.

Qin Shuang just nodded indifferently, and once again heard George's death, her mood was very depressed, and there was no possibility of being happy at all.

Ao Jun couldn't help but look at Qin Shuang a few more times. After entering, Ao Jun's eyes never looked away from Qin Shuang. He was so beautiful that he was shocked by her beauty. He was also considered a nobleman. High-ranking cadres with a lot of knowledge, but I have never seen such a beautiful woman before, and I can't help being very moved.

Master Xian Ling obviously also saw Ao Jun's thoughts, smiled lightly, and said: "Captain Ao, this is one of the three most outstanding disciples of the Void Sect, Qin Shuang, whose cultivation has reached the elementary level of the ethereal realm. This time, it is also one of the main forces of our alliance."

I have to say that Qin Shuang is really talented. When she was in the meeting with George, she was barely about to reach the Holy Realm. After entering the temple, it was only a few months before she broke through the ethereal realm, and she was truly astonished.

Ao Jun patted his thigh at this time, his eyes filled with desire and love.

Chapter 1913

Human beauty has a good talent, which makes Ao Jun very happy: "Okay, okay, you have such young talents, which really makes my Ao family more at ease. Let's do this, I have a ten-thousand-year real spirit pill here, it's me Ao's family does not pass on the pill. Just by eating one, the girl can go from the ethereal elementary level to the upper level. It is even possible to faintly reach the Kongtong realm. The battle is just around the corner. I don't want this girl to be injured."

After speaking, Ao Jun took out a white jade-colored ball from his arms. From the outside, he could see the flow of the pill's spiritual energy. It was really a good product.

A group of people suddenly looked very greedy.

After all, a pill can go from the elementary stage of the ethereal realm directly to the upper stage, and even break through the ethereal realm to the Kongtong realm, saving ordinary people years or even decades of time. This kind of thing is nothing to anyone. It's baby.

Ye Gucheng could not help swallowing saliva in his eyes. He has barely reached the Kongtong realm now, and is the disciple of the highest realm of the Void Sect. If he can have such a pill, maybe he can. A higher cultivation base, however, was obtained by Qin Shuang. In this way, Qin Shuang's cultivation base is likely to be as high as his own.

For Ye Gucheng, who is greedy for vanity, this is really unacceptable, but in front of the immortal sea, he dare not make a mistake.

“No need, thank you.” After saying that, Qin Shuang glanced at Master Sanyong next to him: “Master, I’m tired, let’s go and rest first.”

Sanyong was taken aback for a moment, and felt a little regretful for Qin Shuang’s actions. After all, she could be favored by people of Ao Jun’s level, which was really a blessing for her to cultivate.

With the support of Ao Jun, Qin Shuang’s resources will be infinite. Even, she can rely on marrying Ao Jun and enter the immortal sea in the future. This is what many girls dream of, but she refused.

Sanyong nodded, and glanced at Qin Shuang embarrassedly: “Why do you have a broken heart for someone who is already dead? People, you have to look ahead.”

“Yes, Shuang’er, a scum of the demons, trash, and the captain of the Ao family’s garrison. This is not comparable at all. Why are you so stupid?” At this time, Wu Yan was also anxious to persuade him. Tao.

“He is not a waste.” After leaving a word, Qin Shuang got up angrily and rushed out.

She didn’t allow anyone to speak ill of George.

Seeing Qin Shuang leave, Sanyong shook his head helplessly. Qin Shuang was supposed to be the best disciple of the Void Sect, but now he might lose everything because of that guy, which is simply not worth it.

However, San Yong couldn’t even dream of it. If it weren’t for Qin Shuang’s persistence and kindness to him, Wu Wuzong would probably be dying in the near future.

After Qin Shuang left, Ao Jun’s face was not only puzzled, but also full of dissatisfaction. He is the captain of the garrison in the Immortal Sea. No woman has ever dared to reject herself so grandly, especially in front of so many people.

Ye Gucheng’s mouth suddenly twitched at this time, Qin Shuang refused. This was exactly what he wanted, but he was greedy and didn’t intend to stop there. He smiled slightly, sat down, and gently accepted Ao Jun’s pill. , Said: “Captain Ao, don’t worry, some women, if you don’t get the bed, you won’t be obedient.”

“By the way, under self-introduction, Ye Gucheng, one of the three masters of the Xia Wuzong, is also the deputy leader of this alliance. Most importantly, I am Qin Shuang’s senior!”

Hearing this, he glanced at the evil smile on Ye Gucheng’s face, Ao Jun suddenly smiled coldly, raised his glass and took a sip: “That said, for Ao, the harder it is to get a woman. , She is more fun.”

Ye Gucheng smiled: "Then I first offer Captain Ao a drink?"

Ao Jun smiled softly. Although Ye Gucheng didn't say much, he was the same man, and his eyes hinted that Ao Jun already understood that Ye Gucheng would help with Qin Shuang's problem.

Ao Jun drank the glass of wine with a proud bang, and Ye Gucheng also showed a satisfied smile at this time.

"Okay, I have said what should be said, and I should go back." Ao Jun put down the wine glass, took the servants, and walked away under the tribute of a group of people.

Seeing that Ao Jun was gone, Elder Sanyong quietly glanced at the proud Ye Gucheng dissatisfied, and said something in front of him, even more unfavorable to his apprentice. Obviously, Ye Gucheng is no longer able to put it in my eyes.

However, Sanyong now dares to be angry and dare not say anything. Although Ye Gucheng's wolf ambition has become more and more exposed, his behavior is getting more and more disgusting, and he almost runs when he has stronger legs. Qin Qingfeng was an example at the beginning. It seems that Void Sect could become an example soon. Even Xian Ling Master Tai is very likely to become an example again, but besides connivance, what can he do? !

Among the three sons of the Void Sect, Shu Qin Shuang had the highest talent and the highest limit. Unfortunately, she was sinking for a waste, and Lu Yunfeng had relatively poor qualifications. The only hope was Ye Gucheng.

Sanyong can only pray, he should not go too far.

And where George...

Chapter 1914

George took Amelia to find a place to rest under the big tree far away from the crowd. Since Wang Chuzhi was not outside the hall, there was no time to look for it.

Jianghu Baixiaosheng handed a scroll to George. As soon as George opened it and frowned, Jianghu Baixiaosheng spoke.

"Brother, this is the portrait of the medical saint Wang Yanzhi."

George was a little funny: "Do you even have this stuff?"

"Hehe, Bafang rivers and lakes, no one knows everything down there, knows everything."

George nodded, noted the appearance of the characters in the painting, and closed the scroll: "Okay, thank you then."

"Hey, it's an honor to serve George, besides, you are kind to me, and it is even more important to help you." Jianghu Baixiaosheng smiled.

"What? Now believe that I am George!?" George smiled.

Jianghu Baixiaosheng nodded, gave a wry smile, and pointed to the distant forest: "There are four dragons in there!"

"Oh?"

"It is said that George is accompanied by five dragons, one dragon is with him, and four dragons are with him." Bai Xiaosheng smiled.

"Silong may also guard other people, not necessarily me."

"Yes, it is indeed possible. But how do you explain the unique scar on your right hand? Obviously, what else can cause such a wound other than a giant axe? In the end, it is the beauty beside you." A hundred Xiaosheng said.

George suddenly looked at Amelia on the side strangely, and Amelia was also very curious.

"It is said that the saint of Fu Jia Fuyao is like a fairy, even after giving birth to a child, she still has a girl-like figure, and most importantly, her temperament." Jianghu Bai Xiaosheng smiled confidently.

"Temperament?" George smiled.

"At the time of the Fu's wedding, I, as a quagmire in the world, naturally couldn't miss such a grand event. There, I met Fuyao, and was deeply attracted by her beauty and temperament. Okay, the most important thing is to remember people. Why can't I remember such a big beauty?" Bai Xiaosheng laughed.

"And you need to look for the King of Medical Sage to ease. As far as I know, George has a daughter who was killed by the broken bones and chasing the soul, and the Sage of Medical Treatment is the person most likely to be able to cure this poison, so Based on the above, you should be George."

George laughed and said, "It's worthy of being a world of wisdom. Whether watching people or remembering things, they are indeed better than ordinary people."

Jianghu Baixiaosheng smiled and nodded: "I've talked about it, but it's just a little trick to make a living. It's you, knowing that there are tigers in the mountains, and you prefer to go to the mountains, you know, I now shout that you are George If you do, what will you end up doing?"

“As you said, if the sheep enter the tiger’s mouth, don’t you just have a bunch of tigers to grab the food? However, who is the sheep and who is the tiger, until the end, who can tell?” George smiled. .

“It is said that George is a low-level person on the blue planet, but he is very proud of his body. When I saw it today, he really deserved his reputation. Don’t worry, I have a lot of life, although I know everything, but I do. The principle is that people who eat with their mouths naturally become mouths and lose mouths, knowing what to say and what not to say.” Jianghu Baixiaosheng smiled.

“If you don’t believe you, I won’t tell you my real name.” George smiled.

“Since you are willing to treat each other frankly, then I have something to say directly. In fact, it is not difficult for you to find the Sage Doctor to ease it, but it is even more difficult for him to help you.”

“The King of Medicine has a perverse, violent, moody personality, and it is difficult for ordinary people to come into contact with him. In addition, although he claims to be indifferent to fame and fortune, he is actually a rock climbing party. Ask him for help, unless it’s beneficial to him, so you have to be the number one person, he can draw a name. And you...”

There is no need to talk about Bai Xiaosheng. George also understands that it is almost impossible for him to find such a person for help.

Although George is a celebrity from a certain point of view, such a celebrity has negative points.

Whoever has a relationship with himself at this time, I am afraid that there will be no end, and people like Wang Changzhi will only stay away.

“Unless...” Bai Xiaosheng suddenly stopped talking.

“Unless what?”

“Unless you can become famous in the first battle this time, and it has nothing to do with the name of George, in this way, Wang Yanzhi may help you. However, this competition, although it is lacking because of your golden cicada’s escape It’s a contend for, but the chain reflects that Fujia also fell because of this, so this will involve the formation of a third big family, and the battle will be extremely complicated at that time. It is too difficult for you to become famous.” Jianghu Bai Xiaosheng shook his head.

Hearing this, Amelia was immediately lost. The competition in the Octagonal World is already very difficult. If it concerns the generation of the third largest family, it is even more intense than imagined.

After all, this is related to the interests of many people. It can even be said that this is an opportunity that many people have been waiting for. Naturally, in the face of opportunity, no one wants to let it go.

“It’s the dragon ascending to heaven, George, do you want to ascend or submerge?”
Jianghu Bai Xiaosheng looked at George who was smiling at this time, and laughed softly.
