

His True Colors Novel Chapter 2095 - 2098

Chapter 2095

Above the main hall, Sanyongzheng led the elders of the Ersansifeng to be polite. Seeing millions of soldiers flying towards Ersansifeng suddenly, his heart tightened and his eyebrows widened wrinkle.

When he was about to rush back, Ye Gucheng had already led a group of people slowly flying over.

“The commander is here, you are not welcome, where are you going?” Ye Gucheng smiled coldly and slowly landed in front of Sanyong.

“Since you have joined the Medicine God Pavilion, you must act according to the rules of the Medicine God Pavilion. Haven’t you seen Ye Da Commander Kneeling Li?” Wu Yan said coldly.

Hearing this, the four of Sanyong looked at each other, and Lin Mengxi gritted her teeth coldly: “In terms of generation, we are all his masters, uncles, uncles and heads, and want us to kneel for him? Can he bear it? “

Let the older generation kneel to the younger generation, what kind of etiquette is this, it is clearly an insult to the four.

“Hey!” Sanyong hurriedly stopped Lin Mengxi, bending over to kneel down.

“Brother head, no, how can there be elders kneeling to the younger generation? If this spreads, what is your face?” Lin Mengxi said coldly.

“Yes, Brother Sect, this is absolutely impossible.” The second and third elders also hurriedly said.

A vicious look flashed in Ye Gucheng’s eyes, and he looked at the old man on the side: “It seems that you need to talk to them about science, how important it is to respect your superiors in the Medicine God Pavilion.” As

soon as the voice fell, the old man turned into a figure. , In the next second, several disciples standing beside the hall suddenly changed their heads.

“For the sake of whether you are my elders, first kill some chickens to show you monkeys, but if you still don’t understand, I can’t help.” Ye Gucheng laughed coldly.

Seeing the headless corpses of several disciples lying down, San Yong and four were shocked and angry.

Lin Mengxi gritted her teeth and said angrily: “Ye Gucheng, you also know that we are your elders. If you want us to kneel to you, aren’t you afraid of thunder and lightning?”

“Pop!”

Ye Gucheng suddenly slapped Lin Mengxi’s face with a heavy slap, and said grimly: “Lin Mengxi, who do you really think you are? I used to respect you, because I think you are my future mother-in-law. Now? You? Do you think I care? Twelve poisonous elders!”

“Yes!”

“Catch Qin Shuang over for me. Today, I will break Qin Shuang in front of the ancestors of the void.” Ye yelled angrily. Gucheng smiled and looked at Lin Mengxi: “Smelly 38, it will be cheaper for you today, let you take a good look at how your daughter straddled me painfully and happy.”

“Yes!” Twelve Poisons said coldly. With a smile, he turned around and left.

Lin Mengxi stared at Ye Gucheng angrily. If her eyes could eat people, she could even swallow Ye Gucheng immediately.

“Kneel on your knees!” Sanyong hurriedly said at this time, while kneeling down, he greeted the three junior brothers and sisters to kneel down together, and then smiled awkwardly: “Old man Sanyong, I have seen the leader of Ye Da.” The

second and third elders each other After a glance, he sighed, how could they think that Ye Gucheng would treat them like this!

Reluctantly shook her head, pulling the extremely reluctant Lin Mengxi, slowly kneeling down!

“Haha, hahahaha, Sanyong? The head of the Void School? Hahahahaha.” Ye Gucheng laughed coldly, stepped arrogantly to the seat of the main hall, patted the seat with satisfaction, and was vain for a while The heart was greatly satisfied.

Wu Yan and others couldn’t help but grin and sneer. The opponents who used to oppose him are so insulted now, it is naturally very happy.

“Get up.” Ye Gucheng snorted disdainfully.

San Yong and others just stood up.

“By the way, the leader of Ye Da, I took the liberty to ask, just now I saw a lot of soldiers flying in the direction of the Ersansifeng, I don’t know...If it is to rest, there are many vacant houses behind the main hall.” Mitsunaga stood up and carefully asked what they were worried about.

Ye Gucheng smiled playfully: “What? Do you need to explain to you Sanyong as the commander of this university does things?”

“However, the Void School is my jurisdiction after all...” Sanyong said in a difficult way.

“Oh, yes. Well, from today, Uncle Wu Yan will officially take over your class and be the head of the Void Sect. When you are old, you should retire.” Ye Gucheng said calmly.

“This...” San Yong was taken aback.

“Ye Gucheng, don’t go too far. We knelt and kneel, you still have to put your nose on your face?”

“The position of the head of the Void Sect has always been determined by the head. When will it be your turn to be the master?”

Lin Meng Elder Xi and Ersanfeng suddenly yelled angrily.

“Bang!”

Ye Gucheng suddenly slapped an angry palm on the chair of the head, gritted his teeth and said coldly: “A mere ruined position of the head of the void, what do I want to do!? Okay, since You said that the position of the head must be decided by the head, Sanyong, I ask you, I asked you to eat shit, do you dare not go?” The

voice just fell, bang!

With a few more noises, above the hall, a few trembling disciples of the Void Sect were suddenly killed by Wu Yan.

Lin Mengxi was so angry that she was about to do it, but when she heard that Wu Yan smiled coldly: “Try it?”

Sanyong hurriedly grabbed Lin Mengxi, and shook her head hard at her. At this time, she and Ye Gucheng and others When there is a conflict, they obviously don’t have any good fruits to eat, which will only make the nihilism go to destruction and make countless disciples lose their lives.

Persuading Lin Mengxi to stay, Sanyong said, “Leader Ye Da told

me , the old man naturally dare not listen.” “Okay, it’s better to do it, you don’t have to do it, just eat this.” After speaking, Ye Gucheng One leg lifted, revealing his soles.

Chapter 2096

Seeing Ye Gucheng’s actions, not to mention Lin Mengxi, even the elders of Ersanfeng can’t bear it at this time.

“Ye Gucheng, we kindly joined you. That’s how you treated us?”

“Yeah, don’t overdo it, it’s a big deal.”

At this time, the second and third elders were red and angry, and they couldn’t help but start waiting for themselves. People’s decision is quite regrettable.

“Shut up all to me!” Sanyong drank coldly, gritted his teeth, and looked at Ye Gucheng: “I lick!”

After speaking, Sanyong walked towards Ye Gucheng a few steps.

“Who made you come here? What status are you? You are also qualified to stand in front of me?” Ye Gucheng suddenly shouted coldly.

Sanyong gritted his teeth, knelt down fiercely, and then slowly crawled towards Ye Gucheng.

When they climbed to the foot of Ye Gucheng, the second and third elders and Lin Mengxi turned their heads aside uncomfortably. Sanyong was their brother and a symbol of the nihilism. How could they not feel hurt when they were so humiliated What? !

Mitsunaga also showed embarrassment at this time, so shameful and shameful that he had lived for hundreds of years and had never encountered it.

But, does he have a choice?

For all the lives of the upper and lower disciples of the Wuzong, Sanyong felt that it was worth it to endure the humiliation.

After closing his eyes, Sanyong’s mouth moved up!

“No!” Lin Mengxi couldn’t hide her sorrow, with tears in her eyes, she roared.

Elder Ersanfeng also lowered his head, uncomfortable.

“Hahahaha, hahahaha!” Ye Gucheng laughed proudly.

In the surrounding area, the elders of the first peak and the fourth and fifth peaks couldn’t help but laugh. In their eyes, the feelings of the brothers were as light as tea, or a little bit, but who made the bastard San Yong refused to listen to them?

If he had been partial to them early, why would Sanyong be ashamed of it, so Sanyong asked for everything.

After Ye Gucheng laughed, he kicked Sanyong on the chest and kicked Sanyong directly to the ground: “Old thing, now you know that Laozi’s soles are much stronger

than those of Qin Shuang, right? You damned bastard. Egg, I always have a good preference for Qin Shuang, and Lao Tzu is the savior of your Nothingness School, but what about you? Have been neglecting me, been neglecting me, if I have the ability, I don't know that you are a damn old thing How miserable it is." In

Ye Gucheng's eyes, Sanyong should fully support him, not Qin Shuang as the mainstay, with him as a supplement, because Ye Gucheng is a very self-centered person. Even if you treat him well, he thinks it should be, but if you treat him a little bit badly, he will hate him forever.

"Before, Sanyong was ignorant, please forgive me." Sanyong clutched his chest, slowly stood up from the ground, and apologized to Ye Gucheng.

"Very well, you can make corrections if you know your mistakes, it's great, old things, hand over the commander of Nothingness School." Ye Gucheng said coldly.

Sanyong nodded, and Lin Mengxi hurriedly said: "Brother Sect Master, Sect Commander is the key to control the forbidden spells of the Void Sect, no."

"Yes, if the Sect Commander is handed over, we..."

This may be their last bargaining chip. If the Void Sect prohibition is taken away, then Void Sect will be completely undefended, and Ye Gucheng will be even more unscrupulous.

"Damn, I'm talking, what are you talking about? It's not big or small." Ye Gucheng snorted coldly, and Wu Yan immediately took the elders of the first peak and the fifth and sixth peaks to Lin Mengxi and others.

"Stop!" At the critical moment, Sanyong yelled again, and immediately after moving his hand, a cyan sign appeared in his hand. This was the command of Xu Wuzong!

Ye Gucheng smiled satisfied and was about to take over.

At this moment, a woman covered with blood suddenly broke into the main hall, holding a long sword in great embarrassment. After entering the hall, she lost strength and fell directly to the ground.

"Ruoyu?" Lin Mengxi rushed up anxiously when he saw the woman.

"Master, many... many people in medicine suits rushed into the Four Peaks, killing men when they saw them, and humiliating women when they saw them... Four Peaks... Four Peaks became a purgatory on earth, many juniors have been killed, many juniors Also being..." Ruo Yu said with great difficulty vomiting blood.

Hearing this, Lin Mengxi's whole body was trembling, her teeth were gritted, her whole body was extremely hideous.

She finally understood what the disciples of Yaoshen Pavilion were doing to fly to Ersansifeng!

“Qin...Qin Shuang was also... also chased by twelve masters, Master, go and save her.” Ruo Yu finished speaking, another blood spurted out.

As a master with few Four Peaks, she also tried her best to barely break out of the siege. Qin Shuang also broke through, but was besieged by twelve masters who came suddenly and had no choice but to run away.

Lin Mengxi bit her teeth tightly, and hatred shot in her eyes.

“You! You are inferior to beasts!” After listening to this, the elders of Erfeng clearly understood what he had encountered in the peak, staring at Ye Gucheng glaringly.

The third elders were equally ashamed and looked at Ye Gucheng angrily.

Sanyong looked pale and muttered.

Ye Gucheng smiled coldly, and said indifferently: “The war is about to come, my brothers are going to fight in blood, you, as our Medicine God Pavilion, why don’t you replenish it in the rear?”

After speaking, several people looked at each other. , Yangtian laughed wildly.

Just now.

Chapter 2097

At this moment, at the entrance of the main hall, the twelve poisonous old man walked in slowly under Qin Shuang.

Although Qin Shuang fought hard, he obviously would not be the opponent of the twelve poisonous old man. After successive attacks, the whole person was poisoned by the twelve poisonous old man. Although he was still awake, his meridians were blocked, just like an ordinary person. Generally, they were taken by the twelve poisonous elders and taken back to the main hall.

“Shuang’er!” Lin Mengxi was very nervous when she saw Qin Shuang. Qin Shuang is not only her lover, but also her biological daughter. In the world, is there any mother who doesn’t love her daughter?

Because of the injury, Qin Shuang’s mouth was filled with blood and his face was haggard. Even though the meridians were sealed, the eyes of Ye Gucheng above the main hall were still full of coldness and hatred.

“Oh, the big beauty is here?” Ye Gucheng let out a chuckle, kicked Master Sanyong in front of him and walked slowly towards Qin Shuang.

“You beast!” Qin Shuang gritted his teeth and shouted angrily.

Above the Four Peaks, men killing women humiliating, images of human tragedies still flashed in Qin Shuang’s mind. It shouldn’t be something that people can do, but a demon, a demon from hell.

“Animal? Are you talking about me?” Ye Gucheng chuckled softly: “When I play with you later, you will know that I am even more animal.”

“Bah!” Qin Shuang spurned angrily at him, and the whole person was righteous. Hard to eliminate.

Qin Shuang knew that Ye Gucheng was not a good person, but he could never imagine that he could be so bad that he could be blamed, and he actually indulged outsiders to do those terrible things to the disciples of Wuzong, like cattle.

At least, those are his younger brothers, younger sisters.

After wiping the saliva on his face, Ye Gucheng didn’t have the slightest anger, but wiped his face with his hand, and then greedily smelled his hand: “Fragrant, it’s really fragrant.” He

smiled indifferently. Ye Gucheng looked at Qin Shuang lightly: “Sister Qin Shuang, don’t you know that the way you are angry is also very charming?”

“However, don’t worry, I said, Ye Gucheng, when I enter the Void Sect, I will break you in the presence of my ancestors. I can do that.”

“The No. 1 Beauty of Void Sect? Isn’t it what Ye Gucheng crossed?” Ye Gucheng grinned gloomily.

Qin Shuang’s beautiful appearance has kept countless men dreaming, including Ye Gucheng of course. At the same time, for him, being able to possess this kind of beauty in the world is also a thing worth showing off.

“Ye Gucheng, if you dare to touch Qin Shuang, I will fight you desperately.” Lin Mengxi shouted angrily when he saw Qin Shuang being bullied.

“It’s up to you?” Ye Gucheng smiled coldly: “Desperate? It’s just a stinky three-eight. What can you do with me? What qualifications do you have to fight with me? I tell you, you dare to move, I want you to The humiliated female disciples were not only humiliated, but they were also killed one by one!”

“You!” Lin Mengxi was angry.

“Ye Gucheng, don’t go too far.” Elder Ersanfeng sipped.

“Yes, Qin Shuang is my daughter, don’t force me.” Lin Mengxi gritted her teeth and said. If Ye Gucheng intends to threaten those female disciples, Lin Mengxi has decided that she can even leave them alone. .

Sometimes maternal love is great, but it is also selfish.

“Excessive? Is there?” Ye Gucheng looked at his group of people, suddenly couldn’t help but sneered, and then sneered and shouted: “Yes, I am too much, but what can you do? Without the protection of the prohibition, you gang Rubbish, it’s just pigs and sheep that have been slaughtered.” As

soon as the voice fell, Lin Mengxi’s hand moved, a sword that really turned into a sword, and his face was full of murder.

When she moved, the Twelve Poison Elder also stood directly in front of Ye Gucheng.

Elder Ersanfeng also moved slightly at this time, ready to attack at any time.

Ye Gucheng sneered disdainfully, these elders were indeed powerful in the Void Sect, but against him, the elders behind him and the twelve poisonous elders, killing them was as easy as killing ants.

Sanyong frowned at this time, his eyes were complicated, and he didn’t know what to do.

I want to join, but I’m afraid that they won’t be able to beat them. All the achievements they have conceded will be ruined. But if you don’t join, where is the dignity and responsibility of the leader? !

“Enough!”

Suddenly, at this moment of tension, Qin Shuang suddenly said.

“Ye Gucheng, don’t you just want to insult me? Come on.” After Qin Shuang finished speaking, he gently unbuttoned the first button of his long skirt.

“Shuang’er, don’t!” Lin Mengxi shouted in a hurry.

“What’s not to do?” Qin Shuang smiled bitterly, with no expression in his eyes. If there is, I am afraid there is only despair: “Is it possible that you should fight them?”

“Have you ever beaten them? Or maybe , Hit it, isn’t it a slap in the face of your previously agreed decision to join the Medicine God Pavilion? Did it go against your wish? What you want is just the self-safety that you seek under Ye Gucheng’s prostitution. If you use a knife, this Isn’t it ironic?” In a

word, Lin Mengxi and the second and third elders, including the third elder, lowered their heads involuntarily.

Yes, if they start fighting, then what is the point of what they did before? !

“Sacrifice me and perfect you. It’s like you sacrificed all your disciples to protect your safety.” Qin Shuang sneered.

“I just hope you will live happily in the future.” After speaking, Qin Shuang unbuttoned the second button, and his white skin was faintly visible.

“We...we...” Lin Mengxi lowered her head, not daring to look at her daughter at all.

Yeah, she was right!

The second and third elders were also silent, and they asked themselves inwardly whether the decision they insisted on was now correct.

“Hey!” San Yong sighed.

Although it keeps saying that all choices are for the benefit of the disciples of the nihilism, but ask yourself, is it really good for them? I am afraid it is just a group of people who are afraid of choosing George Han, and he will take revenge on him! How much does it have to do with those poor disciples? !

But is regret still useful? !

“Come on, Ye Gucheng.” Qin Shuang smiled miserably and took the third hole, his face extremely bitter.

Lin Mengxi raised her head fiercely, bit her lip, and then filled her body with spiritual energy, and rushed directly to the twelve poisonous old man.

However, with her cultivation base, heading against the twelve poisonous old men is tantamount to hitting the stone with a pebble. In just one round, the whole person was directly beaten into the air by the twelve poisonous elders, and directly fell heavily to the ground, a mouthful of blood spurted from his mouth.

Seeing this, the second and third elders wanted to rush over to help and slightly raised their legs, and could not help but step back silently in fear.

The twelve poisonous elders were about to kill Lin Mengxi, but Ye Gucheng smiled coldly: “Let her live. Isn’t she proud of Qin Shuang? I just let her watch, she is proud Daughter, how miserable you will cry in front of me for a while!” With a

wicked smile, Ye Gucheng walked to Qin Shuang’s face: “If you want her to live, do you want me to take it off for you? Or do you continue?”

Qin Shuang bit his teeth slightly, and slowly stretched his hand to the fourth button.

Chapter 2098

“No!!!” Lin Mengxi roared hard, tears couldn’t help but shed.

Elder Ersanfeng and Sanyong simply turned their heads aside.

Such an insult to Qin Shuang is not only an insult to her, but also an insult to Lin Mengxi and others. But now, besides closing their eyes, do they have any choice?

All the results were chosen by them. They can’t blame others, they can only blame themselves, not to mention anything that can save the current situation.

What happened to Qin Shuang today was their victims.

boom! ! ! !

Suddenly, at this moment, the entire Void Sect shook violently.

Everyone above the hall staggered involuntarily.

Ye Gucheng and the others frowned suddenly and couldn’t help looking out of the hall.

“What’s the matter?” Ye Gucheng said coldly.

“I don’t know, it looks like an earthquake?” First Du Lao shouted softly at this time.

“No!” Wu Yan shook his head coldly. For a moment, he suddenly frowned and said anxiously: “Someone is attacking the enchantment!”

After speaking, Wu Yan walked out quickly, and then, his hand moved. When the spell was read, the enchantment above the void suddenly became transparent, and the outside could be seen directly from the inside.

And above the outer circle at this time, a figure was hanging there!

Like a god of war!

Qin Shuang looked back, and suddenly there was vitality and touch in his beautiful stubborn eyes, and even tears burst into tears.

It’s three thousand!

It’s him!

He really came.

This shows that he always has weight in his heart. Although the lover is dissatisfied, she will never be as good as Amelia Su, but she has no regrets in her life to get his help at this critical moment.

“Are you here to save me?” Looking at George Han’s figure, Qin Shuang murmured, resisting tears.

“Fuck, who is that?” Ye Gucheng suddenly roared angrily.

Knowing that he is in the Void Sect, there are still people who have the courage to attack the Void Sect. Does this put him in the eyes? !

The second and third elders, Lin Mengxi and Sanyong couldn’t help but look out of the barrier at this time. At this time, their faces were suspicious.

“Wearing a mask...Could it be that he is the masked person in Shuang’er’s mouth?” Lin Mengxi frowned slowly.

“Mask man?” Ye Gucheng’s eyebrows suddenly frowned, and his heart was tight and angry: “Who is the mask man?”

“Speak out and scare you to death.” Qin Shuang smiled coldly.

“Scare me to death?” Ye Gucheng sneered: “Is he worthy too? I’m afraid he will be scared to pee when he hears my name.”

“Really? Then I tell you, listen carefully, the masked person is Mysterious man!”

Hearing this, Ye Gucheng was obviously taken aback. On the top of Qishan, he was often robbed of the limelight by the mysterious man, slapped in the face, and even hated because of jealousy. He obeyed Wang Shuzhi’s orders and tried Kill the bitch who robbed himself of the limelight.

But isn’t he dead?

Thinking of this, Ye Gucheng snorted coldly: “Smelly bitch, are you scaring me?”

Qin Shuang smiled: “What? Are you afraid?”

“Fear? I’m afraid of Ye Gucheng? Don’t say he can’t be a mysterious person, even if he Yes, so what? When Wang Yanzhi and I were able to kill him once, we can kill him a second time today.” Ye Gucheng shouted angrily, and then focused on Sanyong’s body: “Hand over the commander order !”

Sanyong subconsciously put the leader Ling in his arms, not willing to hand it over.

“Are you forcing me?” Ye Gucheng’s pupils shrank, and the elder of Shoufeng made a look, and the elder of Shoufeng suddenly thought of the technique, and a circle of light appeared on the main hall.

And in the aperture, the scene of the extinction of humanity at the Ersansifeng is now playing.

In the three peak veins, the corpses were all over the field at this time, blood was flowing into the river, countless male disciples fell in a pool of blood, many even opened their eyes before death, full of unwillingness. And those female disciples were being insulted by Yaoshenge disciples with evil smiles one after another, screaming endlessly.

Ye Gucheng just nodded, and the elder Shoufeng yelled at the aperture: “Kill!” In the screen, countless female disciples were crying before they realized that they had been suddenly picked up by those Yaoshen Pavilion disciples. Fate.

“Kill until you hand it over.” Ye Gucheng shouted with disdain.

Mitsunaga looked cold, looking at the scene in the aperture, and couldn’t help crying for a while.

What kind of evil is he doing?

“Pop!” With

a crisp sound, the head in his hand fell helplessly to the ground.

How face is he, go see his ancestors again!

After sucking the token with a palm, Ye Gucheng threw it directly to Wu Yan. Then, he glanced at George Han outside the barrier, and smiled coldly: “Have fun with that guy.”

Wu Yan smiled softly. After receiving the token, the whole person suddenly showed a wicked smile. “Okay!” As

soon as the voice fell, Wu Yan moved his hand, and muttered a few spells to the token. Suddenly, the transparent and slightly white energy cover suddenly shook with golden light.

At this time, George Han in the periphery was also suddenly bounced away several meters because of the sudden golden light of the energy shield.

“Joke, do you really think your savior is here?” Ye Gucheng smiled coldly and looked at Wu Yan: “Play him to death.”

“Yes!”
