

His True Colors Novel Chapter 2151 - 2154

Chapter 2151

Ye Gucheng pointed to himself: "Are you talking to me?"

Ginseng Baby's white and tender face was full of firmness, and his eyes were full of anger.

"Damn, little thing, has the hair grown?" Ye Gucheng looked at the little thing with one arm missing, and smiled contemptuously.

After speaking, Ye Gucheng walked over and kicked the ginseng baby.

Ginseng Baby was immediately kicked to the ground, the gap between the two. In terms of size, there is a huge difference.

"Trash, go and play!" Ye Gucheng glanced disdainfully, and stepped directly over the ginseng baby. If it wasn't for Amelia Su to be important, he would have to torture such a gadget.

If you dare to make trouble with him, what is this not looking for death? !

"You stop for me!"

Suddenly, just as Ye Gucheng stepped over to chase Amelia Su, a violent shout came from behind him.

Ye Gucheng pulled out a joking smile from the corner of his mouth, and was about to answer, when all of a sudden he felt something strange behind him. A powerful breath suddenly emerged behind him, and the smile on Ye Gucheng's face solidified.

Turning back, Ye Gucheng's pupils dilated.

"I'll say it again and apologize to my wife." With

a loud shout, on the ground, the ginseng baby who was kicked down was in a blood-red flame, and the whole person seemed to be burning. A face that was originally cute and smooth. At this time, the fierce appearance was full, and his big eyes were burning with a raging fire, just like his body.

If it was a ginseng baby just now, then this guy is now a fire baby.

"This....." Ye Gucheng was taken aback for a moment.

Not only Ye Gucheng, but also Wu Yan, Qin Shuang and others in the distance were all stunned. Wu Yan and his group were more surprised. After all, they had never seen such a thing before, but Qin Shuang and others were surprised, because Ginseng Baby is always the cute little guy with a smelly mouth.

But at this time, the ginseng baby was full of murderous aura, and the most frightening thing was that there was a strong energy spreading out of him.

“Apologize!!!” With

a loud shout, the ginseng baby rushed directly to Ye Gucheng, the speed was staggering.

Ye Gucheng only felt a sudden heat wave. Hastily drew his sword to resist.

“Bang!” A

sword blocked, but Ye Gucheng was still forced to retreat for a few steps. The mouth of the tiger holding the sword was numb, the resisting sword was more curved, and there was still a piece of burnt black on the sword. trace.

“I want you to apologize.” As

soon as the voice fell, Ginseng Baby rushed up again.

At this time, George Han, who was facing Wang Wanzhi, flew a few steps with Wang Wanzhi's palm, and frowned while looking at the ginseng baby.

From the time of Shenzhong, George Han knew that this ginseng baby was not as simple as he imagined. At this time, he was even more sure of his inner guess.

With a light smile, George Han stared at Wang Wanzhi: “Now, I will accompany you to have fun.”

Amelia Su insisted on coming, and George Han had no choice but to make arrangements before the battle, but the problem was that the team was really there. Limited, the ones that can be used to protect Amelia Su are almost exhausted, so before leaving, he confessed to them to hide.

but. George Han was always worried about Amelia Su's safety, after all, on the way he rushed, he saw the group of thousands of troops ambushing Ye Gucheng on the main road.

George Han expected that Ye Gucheng would be distrusted by Wang Yan, and even used it idle. But what I didn't expect was that even if Ye Gucheng was used idle, Wang Shuzhi still gave him soldiers and horses, and there were still a lot of people.

So when rushing up. George Han deliberately thanked Ye Gucheng loudly. In addition to wanting to destroy the harmony of their Medicine God Pavilion, he also wanted to anger Ye Gucheng and let him transfer his anger to himself.

But unexpectedly, this despicable villain turned to find Amelia Su and others and attacked.

Fortunately, the mutation of the ginseng baby at this time made him feel at ease.

High mountains.

Seeing the red light spreading on the road, Chi Meng couldn't help but frown and said, "Miss, what is that?"

Lu Ruoxin frowned and his face was full of seriousness. She didn't know what it was, it was just. Its aura is so strong that even Lu Ruoxin, who is so far away from it, can faintly feel it.

"Apologize!"

"Apologize!"

"You don't apologize!!!" In the

battlefield, every time Ginseng Baby shouted, she would smash Ye Gucheng heavily with her body. But Ye Gucheng could only resist with all his strength.

Every time he hits, Ye Gucheng will inevitably take a big step back. After three consecutive bumps, Ye Gucheng feels that his hands are already numb.

The sword in his hand is directly bent into a bow!

"You do not apologize!!!"

With another angry shout, the ginseng baby suddenly jumped into the air, his right hand was full, and he smashed it with a punch! !

boom! !

There was a clash of swords. Then, a fierce flame came directly from the body of the ginseng baby, and flew directly to Ye Gucheng with that punch.

boom! !

A flame swept past Ye Gucheng! !

puff!

Ye Gucheng's eyes widened. Immediately afterwards, the blood spurted wildly!

The sword that had been bent enough was completely distorted at this time, and the most bent part was tightly attached to his chest.

He felt his internal organs tumbling wildly inside his body, and a severe pain even made him unable to breathe for a while.

boom!

Ye Gucheng's feeble feet softened and knelt directly on the ground.

"I want you to apologize!"

The ginseng baby was so angry that he raised a fist and hit it directly!

This punch is still very strong, just. When he first arrived in front of Ye Gucheng with only a few cents, Ye Gucheng didn't dodge, instead he fell to the ground feebly and didn't move.

"This..."

"This..."

Wu Yan and others looked at each other. Looking at this scene unbelievably.

Ye Gucheng, unexpectedly... was beaten to death by that little bit, punch after punch!

Qin Shuang and the others were also shocked and unable to return to their senses. The little cutie who usually nags the dead is so fierce now. You know, that's Ye Gucheng.

The leader of the younger generation!

But such a person, in front of the ginseng baby, can't even fight a few face-to-face!

They are very hard to believe, even though the facts are in sight.

The three thousand disciples who had been besieged were now shocked and couldn't help stopping their movements. They were full of horror. What's more, they threw the weapons and flags in their hands directly, and couldn't help but want to run back.

The coach is dead, and a bunch of younger brothers naturally fell away.

Ye Gucheng fell to the ground. Leaning on the ground with his eyes wide open, keeping his unwillingness and ignorance before death, if someone peered into his body at this time. Surely you will find that almost all of his Yuan Ying has been broken. I'm afraid he would never have imagined that he would die in front of an inconspicuous little guy.

“Do you think you can not apologize if you die? I said. I want you to apologize to my wife.” The anger on Ginsengwa’s face remained undiminished, and she snorted.

At this time, a strange scene happened.

Chapter 2152

As the flame of the previous blow hit with the fist, the ginseng baby, who had tended to the original appearance, suddenly bursts of green light in his body.

The little guy was also white and tender under the green light. The ginseng baby raised his left hand slightly. A green light wrapped around Ye Gucheng.

Ye Gucheng, who had fallen in front of him, suddenly flew slowly, and finally stopped in the air.

Ginseng Baby’s body was full of green light, and countless green energy followed his left hand and left hand and sent out the green light that entangled Ye Gucheng and slowly poured into Ye Gucheng’s body.

Soon, Ye Gucheng’s body was entangled with green energy, like a cocoon.

“Miss. What is this for?”

Chi Meng couldn’t help but wonder at a certain height.

Lu Ruoxin didn’t speak, and he stared at the scene far away without blinking.

“Puff!”

Suddenly. Ye Gucheng, who hadn’t been moving, coughed fiercely, and vomited black blood along his mouth. What was even more strange was that Ye Gucheng suddenly breathed, and his limbs began to move slightly.

Dead and resurrected!

“This...what the hell is going on?”

“That guy killed Gucheng and rescued him again?”

Wu Yan and the elders were unbelievable as if they had seen a ghost.

Not to mention them, even Qin Shuang and others were surprised at how Ginseng Baby was able to save Ye Gucheng at the same time. I wondered what he was doing!

“Are you awake? Apologize to my wife! I said, I want you to apologize!” Ginseng Baby glared and shouted coldly.

Ye Gucheng felt a warm current flooding his body. Although the whole person was extremely weak, at least he slowly recovered. After moving his aching body a little, Ye Gucheng opened up with difficulty: "Who is your wife?"

"Qin Shuang!" Ginseng Baby shouted coldly.

Last time, Ye Gucheng bullied Qin Shuang, but the ginseng baby was arranged by Qin Shuang to stay in the Four Peaks room and was not allowed to go out. No one listened to Qin Shuang but the only promised ginseng baby really didn't go out, so he didn't know these things until after the fact. I was very angry at Ye Gucheng in my heart.

Now, Ye Gucheng wounded Qin Shuang in front of the ginseng baby. Suddenly let the baby go straight away.

"Qin Shuang!?" Ye Gucheng was taken aback.

I never dreamed that the wife of the ginseng baby would be Qin Shuang!

Doesn't Qin Shuang like George Han?

But soon, Ye Gucheng he wanted to understand, mouth inadvertently flashed a hint of sneer: "You want me to apologize to Qinshuang is it possible, but I am now very weak and do not cry out, keep it down all right??"

Although The guy in front of him is fierce. I just interrupted myself, but now I don't know how to cure myself.

But the purpose of curing himself was to make himself apologize to Qin Shuang. Ye Gucheng had a plan, since this kid called Qin Shuang his wife one by one. It shows that his IQ is not high at least, and he has tossed so much. For an apology, you can use him to heal yourself.

"No!" As soon as the ginseng baby's voice fell, the green energy in his hand increased.

Ye Gucheng suddenly felt much better in his body and much better in spirit.

Only a few minutes. Ye Gucheng felt that he had recovered 80 to 90%.

Amazing, really amazing.

"Now. Apologies." Ginseng Baby shouted coldly.

Ye Gucheng sneered in his heart, this little thing is really a stupid comparison, but it does have some ability, and it can actually restore himself to be like this in such a short period of time.

No wonder the kid George Han was injured so badly, but he suddenly came back within a few minutes.

Just when Ye Gucheng was about to open his mouth, suddenly his eyes narrowed.

Because he found out. The source of all these green energy sources is from the left foot of the ginseng baby. At this time, almost half of the left foot of the ginseng baby was also missing. and. As the green energy continued to emerge on his side, his little left leg was quickly and slowly diluted.

This means that the green energy comes from this guy's body.

Although he recovered 70% to 80%, Ye Gucheng made up his mind after thinking about the ferocity of this guy just now.

Such things are a threat to stay with George Han, but if they stay with him, they are treasures! If he had such a thing himself, how much would his overall combat effectiveness increase?

Even if you swallow this thing directly, it can bring unexpected effects.

Thinking of this, Ye Gucheng let out a gloomy sneer in his heart, and a plan was formed in his mind instantly.

In the next second, Ye Gucheng pretended to try to shout, but instantly covered his chest and coughed desperately.

The cough is the kind of dark sky, dark sun and moon, and the anti-Buddha may die at any time if he can't get up at any time. After a while, he curled up and said: "Little ancestor, I was wrong. I was wrong. I want to apologize, but...but...but I was hurt too badly, I really can't scream out. Or, I'll apologize first? Or, are you trying?" A

flash of ginseng baby's eyes flashed Doubts, is it possible, what went wrong? ZhiGeorge Han lost an arm and affected his entire self? !

Thinking of this, the ginseng baby suddenly increased its green energy!

But Ye Gucheng had a glimmer of cold light in his eyes!

Chapter 2153

The more you treat, the more disabled you will be, and I will see how I clean up you!

Ye Gucheng sneered in his heart.

The loss of the Ginseng Baby's right arm, he also began to understand that it was likely to be related to the sudden return of George Han from the serious injury.

With more and more green energy, Ye Gucheng only felt that his body was getting lighter and lighter, and his spirit was getting more and more vigorous. On the other hand,

the ginseng baby on the opposite side has almost lost half of his left thigh, and is almost paraplegic at a high position.

“Now, can you say it?” Ginseng Baby snorted coldly. Seeing Ye Gucheng’s face in the green energy package was already red, he was basically convinced that Ye Gucheng was fine.

After all, although George Han did not die at the beginning, the problem was that his injuries were numerous and severe. In addition, George Han had a special body, so it took the ginseng baby to have a whole arm.

But Ye Gucheng doesn’t have to. Even though he was almost dead just now, he had a breath, and although the injuries were fatal, there were not many fatal injuries, and he did not have the special physique of George Han.

Almost half of the leg can keep him safe, not to mention that it is far more than half of the leg now.

“Almost. Almost, you try again.” Ye Gucheng still pretended to look like I was uncomfortable. His acting skills and despicableness reached the pinnacle of life, but he was so happy in his heart.

A cold light flashed in the eyes of Ginseng Baby, and he knew that he had been tricked.

He is a person who can talk back to George Han, and even a person who can call George Han a fool, how could he be as foolish as Ye Gucheng imagined? !

It’s just that the little guy sometimes cares too much about Qin Shuang, and too wants to help Qin Shuang vent his anger.

“Do you want to try?” Ginseng Baby shouted coldly when she realized that she was being tricked.

“Try, of course I have to try. My chest hurts, alas, my throat is also a bit painful, oh hey, my lungs are also a bit painful, little ancestor, you tried too hard just now, oh, I hurt everywhere.” Ye Gucheng , Still the shameless appearance, desperately acting in front of the ginseng baby.

The ginseng baby smiled coldly: “Okay, then I’ll try again.” As

soon as the voice fell, the green in the hand of the ginseng baby suddenly increased, faster and more ferocious than the previous ones. Ye Gucheng in the green energy suddenly felt a warmer liquid flowing through his body.

That kind of comfort, that kind of warmth, even made him feel like he was about to float.

This may be the so-called disease-free and light-hearted.

Ye Gucheng suddenly couldn't help showing a comfortable smile on his face. Go on, little trash, I'm refreshing here. You are spending this there.

"What is this? Is the ginseng baby playing Ye Gucheng or helping Ye Gucheng?" Fuli took the sword and walked to Qin Shuang's side at this time.

Qin Shuang shook her head, she didn't know what the ginseng baby was doing!

Although the ginseng baby is not forgiving, but after getting along for a long time, Qin Shuang also knows that this little guy is actually good to people, and that he is also very smart, but why can't I tell the enemy and us now? !

Ye Gucheng kind of bitch, everyone gets punishable. Since being beaten to death, isn't that a good thing for everyone, why not! ! !

The most important thing is that you can also understand that the ginseng baby is hard-hearted and soft-hearted. Unwilling to kill people, this is in line with the nature of this guy. But the question is, Ye Gucheng, who can't be cured, is so happy, right? !

On the mountain in the distance, Chi Meng just wanted to speak, but Lu Ruoxin directly reached out to stop her, she was watching the situation on the court attentively. I don't want to be disrupted by anyone at all.

She had never seen this gadget, and never knew that this gadget can be so fierce at the same time. It can also treat people so magically.

And in the field at this time, the green energy has already urged to the maximum.

Numerous green energy body awards surrounded Ye Gucheng and turned into a huge green cocoon, and Ye Gucheng in the green light suddenly frowned when he was ecstatic.

He began to feel that his body seemed a little uncomfortable, and his breathing rate began to increase. My mind also started to be in a trance.

"What's the matter?" Ye Gucheng grabbed his head hesitantly, not knowing why.

"I forgot to tell you a truth, things must be reversed. It's like you should take medicine when you are sick, but the medicine is not more for the better. Be careful to save your things and eat back." The ginseng baby smiled coldly, but the green energy in his hand did not stop at all. Even the remaining half of the leg has disappeared.

Ye Gucheng was taken aback for a moment, and in the next second, he hurriedly said: "I'm fine, I'm fine, you can undo it, I'm fine, I..."

"Do you think you are fine ?"

"Yes, yes." Ye Gucheng nodded quickly.

Ginseng baby smiled coldly: "That's what you think. I don't want you to think. I want me to think. You are still very seriously injured, continue." As

soon as the voice fell, the ginseng baby suddenly increased his green energy.

boom! ! !

Ye Gucheng was suddenly flooded with a huge green energy. The whole person suddenly felt like being poured into the body by a huge stream of water. In an instant, Ye Gucheng felt his body suddenly swelled up.

Between the lower eyes, his hands were swollen. The feet are swollen and the face is swollen.

"Enough, enough, I have enough."

"Enough? I said, it's too early, come, continue." Ginseng baby suddenly smiled.

Chapter 2154

As soon as the voice fell off, the ginseng baby suddenly continued.

Green energy increases.

Ye Gucheng suddenly shook his whole body, his eyes widened, and the blood all over his body was like boiled water, not only scorching hot, but also desperately rushing to his brain.

And Ye Gucheng's body, more like being beaten up, swelled continuously. expansion.

From a handsome and ordinary young man, he instantly turned into a huge fat man who seemed to weigh hundreds of kilograms. In George Han's words, it's like fermented soaked noodles.

"Aren't you very cool? Come, I'll make you cool!"

Ginseng Baby yelled coldly and continued with her hands.

"I...I was wrong...I..." Ye Gucheng felt unusually difficult to breathe, struggling desperately in the air, his fat hands tried to touch his throat, but found that because his body was too swollen, his hands were touching at all. Not anymore.

In the end, under the continuous surrounding of green energy, Ye Gucheng widened his eyes and twitched a few times. Fainted.

"Do you think this is all right?" The ginseng baby smiled grimly, but the little one smiled as evil as a ghost.

With the green energy in his hand, he put Ye Gucheng directly on the ground, and at the same time the red light in his body appeared! !

Prosperous jumping!

“Get up, get up!”

Ginseng baby Lihuo brought a fist and smashed at Ye Gucheng.

Punch!

Two punches!

...The

whole road is filled with the muffled sound of fists hitting the body, one after another. Resounded for several miles.

Everyone stared blankly, no one dared to speak, and no one dared to help.

After the ginseng baby hit a dozen punches, Ye Gucheng's extremely swollen head was already full of blood, and his face was even more horrible.

The elders Wu Yan turned their heads to one side and couldn't bear to look at them.

The ginseng baby is so fierce that even Ye Gucheng can't make a few face-to-face encounters, so what can they do?

At this moment, the ginseng baby blasted out his last punch, just like the last time, the fire light swept across Ye Gucheng's body with his fist.

And Ye Gucheng was completely silent.

“Get up!”

With the cold drink of the ginseng baby, the body of the ginseng baby turned green again, and the green energy also slowly dragged Ye Gucheng into the air at the same time, and at the same time slowly wrapped him.

Not long after, Ye Gucheng coughed softly, then slowly opened his eyes.

Immediately. The body was repaired, then healed, and then swelled uncomfortably...

Then, he was knocked down by the ginseng baby.

Wu Yan held his forehead with his hand and bowed his head speechlessly. Elder Wuliufeng did the same, it was impossible to see it.

Killed, rescued, rescued and beaten to death.

“This George Han is a pervert, even his subordinates are so perverted. Damn.” Wu Yan was extremely depressed, and at the same time secretly rejoicing, fortunately, Ye Gucheng rushed forward, if he was tortured so much, think about it. The back is cold.

The fifth elder leaned on his forehead and didn't even dare to raise his head, for fear that others would see him talking: “Yeah, yeah, damn, even such a small thing is perverted like this, it's fucking into a perverted den. Now.”

“Senior Brother Wu Yan is doing it now?” Six elders have the same posture. Scared to laugh or cry.

Wu Yan didn't know that the abnormal gadget was there, and they didn't dare to help, but as a close friend of Ye Gucheng's side. Before Ye Gucheng was at least completely dead, he couldn't withdraw casually.

After all, Ye Gucheng is the backbone of their group, and even the future.

“Miscellaneous? What can I do, pretending to be a headache.” Wu Yan said depressedly. He lowered his head and continued to cover his forehead with his hands.

Qin Shuang stared at the ginseng baby blankly, but he couldn't laugh or cry. The laugh was because although its methods were too cruel, he played Ye Gucheng like a fool, and cried because Qin Shuang's heart was full of touch. Because Ginseng Baby uses her body to vent her breath.

Although the ginseng baby has a wife, she never takes it seriously, and even only regards the ginseng baby as a cute child, but the ginseng baby's behavior is still extremely moved.

Fuli and the others were also shocked, after all, the image of Ginseng Baby in their eyes was similar to Qin Shuang's thoughts. Where can I think of it? This kid is so tyrannical, and the methods are so perverted.

“Brother, I was wrong, I was wrong. I apologize, can I apologize?”

Ye Gucheng, who woke up again, although he was still very weak as soon as he opened his eyes, he exhausted his entire body in a hurry. He knelt down directly.

If this continues, he will really have a nervous breakdown.

Dead and alive, alive and dead, who can stand it.

and. This process is extremely difficult, either painful to death, or refreshing to collapse, swelling and death.

The face of the ginseng baby was cold. The left leg was gone for a long time, and the remaining right leg was almost gone.

As soon as the green energy withdrew, Ye Gucheng fell heavily on the ground, his head dizzy. Struggling to get up from the ground, Ye Gucheng's eyes were full of hatred.

Why? Why? He Ye Gucheng, a generation of young leaders, can capsize in the Void Sect one after another, and. Both times were lost to the "man" beside Qin Shuang. Shouldn't he be the best match for Qin Shuang in this world?

He was unwilling to be swollen after being beaten twice like this.

However, this is the situation. Ye Gucheng could only gritted his teeth, looked at Qin Shuang in the distance, raised his anger, and said loudly: "Qin Shuang, I'm sorry."

"Kneel down!"

Ye Gucheng frowned: "Don't go too far." In

front of his gang and Wu Yan and others, do you want to kneel yourself? Where else will Ye Gucheng's face be put on in the future? How can one's own majesty survive?

Seeing the green energy in the hands of the ginseng baby, Ye Gucheng immediately softened his knees and knelt on the ground.

"Qin Shuang, I'm sorry." Ye Gucheng lowered his head and shouted.

The disciples of Yaoshen Pavilion who had not escaped suddenly lost their morale. Some even threw their weapons away. The leader had already knelt down and apologized. What are they struggling with?

The ginseng baby turned his head and looked at Qin Shuang: "Wife, are you still satisfied?"

Looking at the ginseng baby, who has only a half of his two legs, there is still an arm missing from the upper body. At this moment, at the ginseng baby who was smiling brightly at him, Qin Shuang's tears rolled in his eyes and nodded: "I am satisfied."

Of course, she did not forgive Ye Gucheng, but could not bear the ginseng baby to hurt herself in this way.

Above the heights. Lu Ruoxin's face was shocked, and his pupils shrank slightly.

She was not moved, nor did she find anything ridiculous.

Only full of shock.

She had a panoramic view of the ginseng baby's abuse of Ye Gucheng, although she looked down on Ye Gucheng, a so-called young leader. But it does not deny that Ye Gucheng is completely incompetent. But the ginseng baby was able to toss Ye Gucheng in such a way, and Ye Gucheng hadn't had the strength to fight back.

"I wanted to see a good show, but I didn't expect that there would be a more exciting scene in the show, this gadget..." Lu Ruoxin smiled faintly.

However, at this moment, suddenly...
