

# His True Colors Novel Chapter 2279 - 2282

## Chapter 2279

Although the people of Fu Ye Family were confused, they didn't ask too much, because now they enjoy the same courtesy as George in the big family, which has made them feel a bite in their hearts. Bad luck.

You, George, have the ability to get a high-level encounter on the top of the Blue Mountain, so what? My two families were eaten by the true gods of the immortal sea. Compared with the two, they are even better.

After all, although the overall strength of the Blue Mountain is the strongest, it is no longer in the past. There is an ally of the Medicine God Pavilion in the Immortal Sea, and the balance is naturally tilted here. To some extent, the Immortal Sea is comparable to blue The top of the mountain is much stronger.

In other words, he helped Ye and his family to be better than George.

At this point, the Fu Ye family was already complacent, and as for what Aoshi said, he didn't particularly care about it.

Entering the tent, there are indeed several seats lined up, and the delicacies on the table are gorgeous and eye-catching.

Futian was invited into the seat by Ao Shane, and his position was opposite to that of Wang. The Ao family brothers were second to the table.

"Come and come, help the patriarch to come to my Ao family account today, it really makes my Ao family Pengxun shine, you all, with me, toast to welcome the distinguished guests of my Ao family." As soon as the voice fell, Ao Shane raised up The wine glasses, the immortal sea area and the Medicine God Pavilion, how dare everyone to neglect, they raised the wine glasses one after another.

Futian also took the Fuye executives to raise their wine glasses: "Lao Ao, you are so polite. It is the real blessing of my Fuye family to be your guest." After that, Futian and others respected. , Raised his head and drank.

Ao Shane smiled softly, after taking a sip of wine, put down the cup, and laughed softly: "Want to be my honorable guest in the waters of immortality. For Patriarch Fu, this is just a trivial matter. Even Patriarch Fu wants to live forever with me. The sea area became a family, and it was nothing more than a nod to the head of the

Fu family ." Hearing this, the Fu family and the Ye family were both surprised and delighted.

It is natural that happiness falls from the sky. What is surprising is that this was actually said by Ao Shane.

However, unlike Fu Jia and Ye Jia's reaction, Yaoshen Pavilion and the group of people in Yongsheng Sea are all emotionally excited. Obviously, they are quite puzzled by Aoshi's move.

"Grandpa, the immortal seas can have today, it was my disciples in the immortal seas exchanged with blood, how can he help his family, how can he be like this with me in the eternal seas?" Ao Yi suddenly dissatisfied.

"That's right, what is the identity of my immortal sea area, and what is his identity for helping the family and Ye family?" Ao Jin also shouted coldly.

Wang Shuzhi also got up slightly at this time and bowed his waist to persuade: "Old Ao, the VIPs and family members of the Immortal Sea have a strict review system. This is a rule set by the ancestors of the Ao family very early."

"Laughter! "Ao Shane suddenly slapped the table on the table, and shouted angrily: "When I speak, when will it be your turn to interrupt, and you, Wang Shuzhi, don't think that with the help of my Ao family, you are really a god." "

I've made up my mind on this matter. Anyone can

stop talking ." Ao Shane was furious, and the pressure immediately released the audience. The shocked people in the audience were cold and cold, each of them lowered their heads and did not dare to say a word. hair.

Seeing that no one dared to speak, Ao Shane turned his eyes to Futian and said softly, "Patriarch Fu, these juniors don't know the heights of the sky and earth. You still don't have to be familiar with them. Although I am old, I am the lord of the immortal sea. I've done it."

Forcing the excitement in his heart, Futian smiled softly: "Where is Mr. Ao, how can Fumou dare to do this."

"That's the best." Ao Shane smiled lightly, and then said: " In fact, the only girl in my Ao family who has many children is also married to Ye Gucheng. However, she is also considered to have many children. If you are willing to help your family, you can choose a woman at any time. Our two families will become relatives. A family enjoys the blessings and the difficulties." As

soon as these words came out, let alone the executives of the Fujia and Yejia collectively stunned, even Futian was stunned in the same place, holding the wine glass in the sky. Forgot to stop.

The Ao family and the people in Yongsheng Sea also looked at each other, surprised.

“I... Did I hear you wrong just now? Old Mr. Ao was saying...Yes, I want to marry our Fujia?”

“Am I dreaming ? It’s just... incredible, right?”

“God. Ah, is the future of my Fujia really coming?” The

executives of Fujia are dreamlike and unbelievable. This anti-Buddha is a big pie falling from the sky. Once there is this with the immortal sea The level of intimacy, as far as Fujia is concerned, is the strongest thigh, and from then on, it has risen to the sky!

Even recover and help the family and rebuild the glory!

“Ao...Mr. Ao, you...but what you said is true?” Futian’s body trembled slightly, excited.

“Ao someone never breaks his words when he speaks.” Ao Shane laughed.

As soon as these words came out, the members of the Fu Ye family were very excited, but only Fu Mei, but at this time they were furious and sour. Marrying earlier thought it was a blessing, but now it seems to be a curse.

“However, I have a condition.” Ao Shane smiled lightly.

“What conditions?” Futian suddenly stunned.

## Chapter 2280

“Hehe, my condition is not actually a condition. For you, it is just to support your family and add honor.” Ao Shane laughed.

“Lao Ao, what do you mean specifically...”

“I want to ask you for someone.” Ao Shane smiled and said, “Naturally, as far as Chief Yu Fu is concerned, it’s just a trivial matter, but I can promise. As long as the patriarch is willing, my eternal sea will never treat you badly to support the family. In the future, the world will be seized by my eternal sea. In this world, there are three parts of the world. There is a medicine god pavilion, and there must be a share of you to support the family. How?”

Hearing this, the Fujia executives were about to jump up with excitement.

Returning to the top, this is the dream of all family members.

“I don’t know who the old Mr. Ao wants? I will not be stingy in helping the family.” Futian couldn’t hide his excitement, and said with a smile.

“George!” Ao Shane laughed.

boom!!!

Futian only felt his brain explode, and then the whole figure became unstable, and he staggered down from the chair.

Fu Mei's hand holding the wine was depressed because of the incident, and her whole body was clever, and the glass of wine fell to the ground, very surprised.

The other people in the Fu family and Ye family were not much better, and all of their smiles were frozen on their faces.

At the same time, Wang Suzhi and other people in the Medicine God Pavilion and some people in the Immortal Sea were shocked. Ao Shane was a gift, wine and delicacy, and he personally greeted him. After a long time, he didn't mean to be a drunkard. Liquor, but one George?!

This George didn't come, and Ao Shane was already like that. If he did, would it be okay?

Thinking of this, this group of people are itching. How can he George He De, can he be treated like this?!

Fujia and Ye's family were even more embarrassed. After tossing for a long time, they thought that a big pie fell from the sky, or that their arrogance was favored by Ao Shane, so they were complacent and emotional, but the result was so terrible. Is it George?!

Futian Zi's treatment is more awesome than George, but now it looks like a joke, and he is the clown starring in the joke.

It was George for the immortal sea area, so who was him?

Ao Shane looked at Futian eagerly, and couldn't help asking: "What's wrong? Is there any problem with the patriarch Fu? Or is he not willing to own his treasure? I know that although George is from the blue planet, but, But it's your son-in-law who helped the family."

Ao Shane did so many actions, naturally and Lu Wushen's mind is similar. Although George is a hidden danger, if he can use it for himself, he will deal with the top of the blue mountain. No worries. Ten thousand steps back, even if you don't use it, you can't let the Blue Mountain Peak use it, otherwise, you will face another big enemy to the immortal sea.

"This..." Futian didn't know how to answer for a while.

It is not blunt, but not blunt, it seems inappropriate.

At the moment of embarrassment, Fu Mei opened her mouth and smiled: “Old Ao, in fact, there are so many talents from my two families. How can a mere George be qualified to be appreciated by you? If you want, you can do whatever you want. Pick other people.”

“Yeah, yeah, Mr. Ao, in the case of our family supporter, these young and promising disciples are not a few, and there are a few talented teenagers among them.”

“We also have many in the Ye family . , Ha ha, we Fu Ye are all a family, as long as Mr. Ao is eye-catching, you can take it away at any time.” The senior executives from the Ye family also hurriedly spoke out, seeking opportunities for their family members.

Ao Shane frowned and smiled coldly: “It seems that I don’t have enough chips, and you are not satisfied with Patriarch Fu?”

“What can you say to Elder Ao, you can make friends with the immortal sea, that’s my family supporter? Fu, how dare I be dissatisfied at all, I can’t ask for it!” Futian hurriedly laughed.

“Since it’s not dissatisfied, why hide George and don’t want to let it go?” Ao Shane looked at Futian with anger in his eyes.

“This...”

“If you don’t want to, just say it.” After finishing speaking, Ao Shane drank dissatisfiedly: “I want to make up for some rotten fish and shrimps. Are you confused when I am Ao?”

“Elder Ao, we have absolutely no intention of this. It’s just that Fu Jia and Ye Jiashang have all kinds of talents, I think...” Futian was sweating profusely, and he hurriedly stood up and apologized.

It’s not that he doesn’t want to pay George, but...but Fujia doesn’t have George at all.

Speaking of this, Futian also has a hard time saying, George, George, George is the one who is special, but he doesn’t have George, this is really holding the old cow and giving birth.

If I had known today, he would...

his mother , he was back home, and what was depressed was that he couldn’t even cry tears!

Hey...

“Enough!” Suddenly, Ao Shane slapped the table fiercely, and his whole body rose up in anger, pointing at Futian and cursing: “Are you treating me as my eternal life sea area and Yaoshen Pavilion? Some of them are talents, which can be compared with the wastes of your Fuye family? What I need is the dragon and the phoenix, not your stinky crabs, Futian, I want George, do you not pay?!”

## Chapter 2281

soon as the words came out, the atmosphere in the entire tent suddenly dropped to a minimum, and even many people could feel a coldness and windlessness, and the frozen people on the scene could not help but halt. shake.

The Fu family and Ye family opened their mouths pale, obviously scared.

Under the coercion of the true god, who would dare to have the slightest presumptuous?

Futian was completely stunned in place, and he was panicked again, his mouth opened, but there was no sound, but the trembling under his feet showed how scared and horrified he was at this time.

Hand in or not.

It is not so much that Ao Shane is questioning Futian, but he is directly threatening Futian.

If they do not, with Aoshi's current attitude, the inevitable consequences are unbelievable.

It's just that Ao Shane has been a true god for too long and doesn't ask about world affairs at all. It's true that George is the son-in-law of the helper family, but the problem is... the helper never regards George as a son-in-law, and has always regarded it as a rubbish. No rush, endless rush.

Maybe, everyone else could hand over George, but he was the only one who could not hand over the two families. They and George only have a grudge, how can there be any love?

"Old Ao, it's not that Fu-Mou is unwilling to hand it in, but..." Futian was really hard to speak. Right now the interests were so reluctant to give up, but George couldn't give it up.

Although, the former George was really theirs, and even if he was not prejudiced against George, then now he needs to make someone, but it's just a sentence.

When is George not responsive to Amelia's family? !

"What my grandfather asked is, whether you are dating or not, Futian, don't talk to me." Seeing this, Ao Jin naturally wouldn't let go of the opportunity, and rose in anger.

"Stop talking nonsense, answer my grandpa." Ao Yi followed.

"Hey, let's not hide from Elder Ao, although George does have some talents, he is always an earthling and difficult to be a climate, so we helped the family to drive him out

a long time ago. Elder Ao, you are a true god, you may not I don't know what George's temperament is. He looks good, but in fact he is a person who doesn't recognize his six relatives and is unjust. If you deal with such a person, you will be the one who will lose." A senior executive from Fujia said. When speaking out loud.

"Yes, Mr. Ao, just watch if you don't believe me. Although the Blue Mountain Summit welcomes George back, it won't be long before the Blue Mountain Summit will be upset because of George." Ye family executives Also echoed the road.

"If Elder Ao doesn't dislike it, Fu Jia can always be loyal to the immortal waters. Although our people are not as large as the immortal waters and Yaoshen Pavilion, we have a lot of talented soldiers, and we can also become the left and right arms of the immortal waters." Fu Mei Nature I don't want to miss such a good opportunity and hurry to express my loyalty.

After all, you can get Ao Shane to nod and join the immortal sea, which is completely different from the previous meaning.

"What do you mean, you have nothing to do with George?" Ao Shane's face was cold, and he glanced coldly at the Fu family and the Ye family.

Futian swallowed his saliva, hesitated for a moment, and said in shock, "Yes..."

Boom!

A slap in the face directly sounded, and Ao Shane's backhand slapped, Fan Futian was dizzy, vomiting blood, and his whole body fell to the ground in embarrassment.

Ao Shane's eyes were cold: "You rubbish are also worthy of my immortal sea? If it weren't because of George, would you think this deity would entertain you? As a result, your rubbish group could not hold even one George. , Come."

"Yes!"

"Drag me all out and beat me to death with a stick!" Ao Shane yelled and was so angry that time was wasted by this bunch of bugs, which is really hateful.

"Yes!" As

soon as the voice fell, Wang Chuanzhi and others stood up personally.

Seeing this posture, the executives of the Fu Ye family had their legs weakened, and they thumped and knelt on the ground one by one, wailing again and again.

"No, Elder Ao, don't kill us, we..."

"Just remember that the ancestors were the same true gods as you, let us go."

“Yes, you can do anything you want us. A

group of people begged each other bitterly, some even cried bitterly, and some even shivered with fright, peeing.

“What are you doing all in a daze? A bunch of flies are here, don’t you think it is noisy?” Ao Shane said angrily.

Being a true god, but being rejected, this in itself made him extremely angry, and what was even more annoying was that the loss of George made him very angry, and things were heading for the worst.

“Wait a minute!” Futian broke free from the people and came to Ao Shane’s side: “Don’t kill us, do you want George?”

“Yes!” Ao Shane said coldly.

“I promise you.” Futian replied boldly.

“Didn’t you say that you have severed relations with George?” Ao Shane said coldly.

“Yes, but...”

“Old Ao, don’t believe him. Fujia has sneaked into George with us, and also massacred many of George’s men. What can he do?” Wang Suzhi said coldly.

“Yes, but what about that?” Futian broke the jar, and returned with a cold voice, then turned to Ao Shane and said, “But, George’s wife, Amelia, is Fuyao. After all, her surname is Fu. It was the blood of my helping the family that she shed. Even if she never fails, she will never watch us help the family die.”

At this time, Futian was still playing Amelia’s idea, which was not shameless.

Ao Shane frowned, hesitated for a moment, and felt that Futian’s words had some truth.

“However, before that, someone needs to help.” After speaking, Futian fixed his gaze on Wang Shuzhi.

Ao Shane’s gaze suddenly swept towards Wang Wenzhi, who was taken aback for a moment, a little puzzled.

“I want to see Amelia.” Futian said.

Wang Slowzhi raised his head to look at Ao Shane, and his heart tightened suddenly, and he replied, “Why are you looking for Amelia and ask me?”

“Isn’t it Amelia who you ordered Zhu’s family to catch at Flintstone City that day?” Futian questioned. , Facing Ao Shane, respectfully said: “Amelia is very important to George.

As long as you find Amelia, no matter whether it is soft or hard, I can guarantee George obediently obey you.”

“Yes, Old Ao, George is ruthless, but he regards Amelia more than life.” Fu Mei said.

Old Ao nodded and looked at Wang Wanzhi, the meaning was obvious.

“We told Elder Ao that it was indeed Amelia who we asked the Zhu family to arrest. However, we don’t know exactly where Amelia went. After the Zhu family caught Amelia on the way, they were intercepted by others and Amelia was taken away. Wang Suzhi replied respectfully.

“Seriously, we have been tracking Amelia’s whereabouts.” Ye Gucheng echoed.

“Then have you found anything?”

“Yes!”

## Chapter 2282

“Speak.”

“Yes.” Ye Gucheng raised his head, glanced at the people and said: “After the incident, we searched all the thousands of miles around in a carpet style. It’s a pity. Yes, Amelia is like a stone sinking into the sea, and there is no news from now on.”

“You are full of nonsense, Amelia’s whereabouts are extremely hidden, and outsiders don’t know the specific route. Even if we are, we don’t even know that Amelia was out of the city. It is you who know their whereabouts, halfway. You can only cut Zhu’s family.” Futian interrupted emotionally.

“Lao Ao, a mysterious person told us about Amelia’s whereabouts. In fact, after we couldn’t track it down, I suspected that he might have intercepted the person.” Ye Gucheng asked calmly, ignoring Futian.

“Mysterious man?” Ao Shidao.

“Yes, it’s a pity, I don’t know who he is. At first we thought it was George who had committed the rape, but after finishing the letter, he also disappeared. So what I mean is, not for fame or profit. , But who would be the person who wants to play such a hand? Maybe, if we find this person, we can find Amelia.” Ye Gucheng said.

“Old Ao, if you want to subdue George, Amelia is the top priority, otherwise, no one can control him.” Futian said.

“Have you found out who this person might be?” Ao Shane asked.

“Maybe it’s George’s enemy, otherwise, how could you do such a detrimental thing to yourself?” Wang Shuzhi frowned.

“However, George has very strong enemies. Although there are many, they are mainly ours.” Ye Gucheng was also very confused.

“Old Ao, check, you must check.” Futian hurriedly said.

“But Lu Ruoxin at the top of the Blue Mountain and George...” Ao Shane hesitated slightly.

“George is the one who helped the family. We know him well. He must be Amelia!”

Ao Shane nodded, and finally bit his teeth and took a picture: “Okay, Futian, I believe you once, you will help us do things first, find Amelia, and bring George back to me.”

“Ao Don’t worry, Fu’s family and Ye’s family will do their best.” Futian finally said with joy, “However, if we find Amelia’s whereabouts, and that mysterious person is very powerful, what should we do?”

“Yes, Ao Lao, The person who can snatch Amelia from the Zhu family and disappear quickly without a trace must be extremely capable. It’s not that our Fujia and Yejia can’t do it, but...”

How can Fumei not know Futian? On the surface, she said she was afraid of not being able to beat the mysterious man, but the actual mountain was just trying to get some bargaining chips and power in the immortal sea, so Futian said that she immediately followed up.

Ao Shane took a deep breath, apparently weighing this matter. After a while, he nodded: “Okay, Futian, you will temporarily serve as the commander of the immortal sea area appointed by me. I will give you 10,000 horses and some masters. If necessary, you can ask Wang Yanzhi to cooperate with you.”

Hearing this, Futian, Fumei, and the executives of the Fujia Yejia group suddenly glared in their eyes. For them, this is what they dream of. Something.

Senior officials, important positions!

Moreover, with Ao Shane, the true god, the meaning and reputation of helping the family will be different. At that time, relying on the big tree and then developing oneself secretly, helping the family return to the top is not a dream at all.

“Don’t be happy too early, I’ll tell you the ugly thing ahead. You have three months. If it’s done, everyone will be happy. You can help the family, but if you can’t do it, I want you to help the Ye family. The blood of the family will fill the time you wasted!” Ao Shane said coldly.

“Yes.” Futian was startled, and after joy he turned his surprise.

Although three months is short, it is not impossible. Besides, are there other options at the moment? !

Wang Changzhi walked a few steps to Ao Shane’s side and whispered: “Old Ao, is it worth it to pay for a George? Secondly, the mob of Futian is not worthy of trust. Back then, with George After the alliance, I quickly turned my face, I’m afraid...”

“What are they? Do you think I will put it in my eyes?” Ao Shane said coldly, “I worry... George and... the two masters behind him.”

If they are together Joining the top of the Blue Mountain, the blow to the immortal sea area is extremely huge.

“Slowly understand.” Wang Shuzhi nodded quickly.

“Looking for Amelia, you have to pay attention to it. On the top of the Blue Mountains, bet on Lu Ruoxin, and I will bet on Amelia in the eternal sea.” Drink, I wish you every success.”

However, just as everyone was toasting, the ground suddenly rumbling.

In the next second, a strong breath spread directly from the ground, and the tables and chairs in the entire tent fell down. Many people turned their backs on their backs.

At this time, at the top of the Blue Mountain, in the tent where George lived!

It is called a wonder.
