

His True Colors Novel Chapter 2303 - 2306

Chapter 2303

Double fists, a pure power competition, a pure offensive match.

The tip of the needle is to the Maimang! !

“Bang!!” When the

two fists met, the shadow of the magic dragon flashed out of George’s back. He opened the mouth of the dragon with blood and roared domineeringly. The golden light appeared behind Lu Wushen, and a golden figure stood cross-legged, with golden light on his body.

Tightly, the shadow of the devil dragon turned into black energy and rushed straight away from George’s arm. The golden man also turned into golden light and struck through Lu Wushen’s arm.

When the two breaths met, as the roar sounded, air waves fell on the ground, the ground trembled, the mountains shook, and the vegetation fell. Above the sky, the color of the wind and clouds changed, and the clouds rolled!

Immediately afterwards, the aftermath of the explosion spread and dispersed.

boom! !

Even with the protection of the wall of energy, the Undisciplined Alliance was directly smashed by Yu Wei. Ten thousand people were directly overthrown by Yu Wei. The golden light barrier on the top of the Blue Mountain was almost torn apart in Yu Wei.

“

fcuk me!” “fcuk, what the hell.” On the

scattered people’s side, a large group of people struggled to get up from the ground, shouting in shock because of shock.

Ye Gucheng slightly blocked his forehead with his hand. When Yu Wei struck, although he knew that there was a golden energy shield to protect them, he still subconsciously covered his body with his hand.

Because he could feel the power of this explosion, he would have such an inadvertent action.

Looking at the center of the explosion coldly, Ye Gucheng's heart was extremely uncomfortable, because it was not someone else who produced such an aftermath, but it was George and Lu Wushen.

Whether he loses or wins, one thing he can't deny is that George has gone from being a waste slave to the Nothingness Sect, to today, he can fight with all his strength against the True God, and he, the self-esteem genius of the Nothingness Sect, can only be here. Looking eagerly, only he can taste the sorrow and sorrow of the taste.

Yu Wei dissipated, and the smoke at the core of the explosion slowly faded.

Lu Wushen stood in the air, holding his hands up, proudly in the wind, and the power of the true god was undoubtedly revealed.

On the opposite side, the black air began to fade away, and everyone opened their eyes wide and stared there nervously.

When a breeze came slowly, the black gas dissipated faster, but when the black gas dissipated, what was exposed was the blood-haired, white-skinned and black-skinned George standing there.

Standing proudly, blood-eyed, ruthless, cold-hearted.

"My God!" Someone pulled his hair frantically, unbelievable for the scene before him.

With True God directly let go of the defensive attack, George is still standing in the air, what does this mean? !

"That guy...that guy can actually confront the true god like this?"

"This is impossible, this is impossible."

"The true god is the strongest in the world, even if it is a scattered immortal in the world, standing on top of the man, it is also It is absolutely impossible to have the strength to fight so domineeringly and simply in front of the true god, right? This George..."

"Perverted, perverted, I have said long ago that George has created countless miracles, today, too It must be possible."

"No, it's not George, but the magic dragon trapped in Longshan. It's over, it's over, if the dragon swallows George and is still so strong after reincarnation, wouldn't this eight directions world welcome it in the future? A huge disaster has come." As

soon as these words came out, many people looked at each other, yes, such a strong monster, the world will be a waste of life in the future, and these people who have beaten the dragon will be even more vulnerable to the dragon. Fierce revenge.

“Support True God Lu and annihilate the Devil Dragon!” I don’t know who shouted, and then, many scattered people also shouted in response, and the crowd was passionate for a while.

“Elder Ao, I have already shouted over there.” Wang Suzhi was stunned by the shouting, pulling back to reality.

Saying that he cares about the common people in the world is not the same as worrying about each other’s safety, but just found a high-sounding excuse, in the name of righteousness.

Ao Shane’s eyebrows shrunk slightly, looking into the distance, but he was thinking about it.

He saw the fight between George and Lu Wushen, shocked in his heart. Unlike anyone else, Ao Shane does not see the excitement, but the doorway.

As a true god, he could clearly see every round of the fight between George and Lu Wushen.

But it was also because of seeing clearly that his heart was more shocked than others.

Everyone is supporting Lu Wushen to annihilate the dragon, but in the eyes of Ao Shane, can Lu Wushen do it? !

“Scream?” Ao Shane smiled softly, and said disdainfully: “So what? If you want to kill a person, do you just rely on these bluffs?”

“Old Ao, what do you mean...” Wang Changzhi was puzzled. .

Although George did shock Lu Wushen’s attack, but what? Lu Wushen was already injured when he saved people, so his strength was naturally compromised, but even so, he did not lose the wind at all. This shows that the power of the true god is very powerful, and cheering is naturally not as simple as bluffing.

Everyone looked at Ao Shane very puzzled, it was really hard to understand why he said such words.

Chapter 2304

Ye Gucheng stepped forward, rather dissatisfied: “Seriously ill, he can still take over George’s offense, and he has an obvious advantage. Even if George is defeated by the dragon Possession, it’s nothing more than that, grandpa, I’m afraid you are worrying too much.”

Ao Shane suddenly looked cold, bowed his head and drank: “Idiot!”

“Relax, mobilize the troops and help the Blue Mountain to support the defensive barrier, all of you People, you can’t come out without my order, understand?” Ao Shane ordered.

Wang Suzhi was puzzled, but he hesitated for a moment and nodded: “Yes.”

Ao Shane was silent and sighed. At this time, a few steps came to Lu Yongsheng and his party who had just rescued Lu Ruoxin.

“I have seen Mr. Ao.”

“Grandpa Ao.”

Several people saw Ao Shane coming over and saluting respectfully. They were all embarrassed and confused.

“Xin’er, is George really utterly irrational?”

Lu Ruoxin was silent for a moment, hesitated for a moment, and nodded: “Yes.”

“Um!”

Ao Shane frowned slightly, and looked up at the other end: “I see. .You can go to the rear to rest.”

“Grandpa Ao, why are you asking?” Lu Ruoxin just took a step, and couldn’t help but wonder inwardly.

“It’s okay, don’t worry, since you are a monster, I will naturally not let him be presumptuous.”

“No need, my grandpa will take care of it.” Lu Ruoxin dropped a word and turned away.

Facing Lu Ruoxin’s so cold and arrogant words, Ye Gucheng, Wang Wanzhi and others couldn’t help but look at each other. However, although they were a little unhappy about Lu Ruoxin’s disrespect to Ao Shane, they agreed with Lu Ruoxin’s words in their hearts.

I don’t know what Ao Shane’s brows were when she ran in front of this girl.

Ao Shane just smiled, standing with his hands behind his back, calmly.

In contrast, Lu Wushen is not as leisurely as he is. Although he is also holding the sun on his back and looking calm, his heart is like the sea at the time of a tsunami. Not only is it as simple as the stormy waves, but even...

even the wind is strong. , Surprised!

Hidden behind his right fist, mottled blood dripped slightly from the palm of his hand, and the sharp pain from his right arm went deep into the bone marrow.

Even if he was ill, the deadly camel was bigger than a horse. He was a true god, and he would suffer a huge loss under the confrontation with George.

While being extremely angry, he also felt a little lingering fear for the completely enchanted George in front of him.

But the majesty of the true god cannot be violated, and the face of the Lu Family does not allow anyone to defile him. He will definitely insist on not retreating.

“Hold me, die!” With a

cold voice, George gritted his teeth and roared, speeding up, and then rushed towards Lu Wushen.

“Come on!”

shouted, facing George’s re-attack, Lu Wushen no longer dared to choose to be hard-headed. He could really move his hand, and a divine light immediately appeared in the air, following Lu Wushen’s hand, Shenguang expanded like the sun, replacing Lu Wushen’s body, directly blocking George.

George immediately got into the divine light.

“God of sleepy curse!”

“Ding!” With

a soft drink, a golden light flashed in Lu Wushen’s hand, and a streamer shot directly from his hand, pointed directly at the circle of divine light, and suddenly the golden mang flourished, and George got into it. Qian not only couldn’t see a trace, but also motionless inside the golden aperture.

“Okay!”

“What a beautiful job, let me just say it. The true god is the true god, which can be coveted by others. That magic dragon or George is really stupid. If it were me, I would definitely slip away at this time. Ah, why bother to touch this brow?”

Seeing that Jin Guang trapped George to death, a group of people immediately burst into joy. Even if some of them supported George, they couldn’t help but turn to Lu Wushen and slapped him.

Only a few people who have always been loyal admirers of George, now all helplessly lower their heads, feeling sad.

“Old Ao, it seems that you are worrying too much.” Wang Shuzhi couldn’t help but let out a sigh at this time, and said with a smile.

Although it would offend Ao Shane to say this, Wang Chuanzhi did come up with a gloomy breath in his heart. Since Ao Shane came, he has the final say. Although it should be the case, after all, Wang Chuanzhi has With so many of his subordinates, he needs his prestige.

“Yes, Elder Ao, you don’t check the world, so you may not have a thorough understanding of some people and things. This George is not as powerful as you think. In the final analysis, he is just a waste of my Nothingness Sect. It’s just this. He was quite lucky, and there were always good opportunities and sh!t luck, which made him many times out of danger, but he really encountered a test, he can only show his true shape.” Ye Gucheng seized the opportunity and said aloud. Tao.

Naturally, he didn’t support Wang Yanzhi, but just wanted to suppress George.

“Really?” Ao Shane didn’t let go of any vigilance at all, staring at the divine light in mid-air.

However, almost at this time, in the divine light that had been quiet, suddenly it became quieter. If it weren’t for the energy of Lu Wushen who had been using the light to maintain the divine light, then it could be described as still as stagnant water now!

But in the next second, the divine light suddenly exploded, and a black shadow suddenly appeared...

Chapter 2305

“Swipe!” The

black shadow broke the light and jumped out directly, and the circle of divine light behind him volleyed in the air. It was almost the same as everyone on the scene, and it seemed that it had not been reflected!

The black shadow stood still, holding the giant axe in his hand, the energy between the axe moved slightly, and the black air was filled. George was already looking cold and broke out.

“Bang!”

Almost at the same time, Lu Wushen, who controlled the streamer, exploded with the divine light, and the connected streamer bounced immediately. Lu Wushen felt a strange force coming, and then he flew for several meters, snorted, and took a mouthful. The blood gushes out directly.

“What!”

Seeing such a scene on the ground, everyone could not help but shout in shock.

“How is this possible! That guy broke the confinement of True God Lu directly?”

“Even... he could even wound True God Lu.”

“What kind of pervert is this George.”

“fcuk, not Han. Three thousand talents, but that magic dragon was too fierce. It took advantage of the time when True God Lu was injured...If True God is not injured, then it will not be like this. “

Many people were suddenly dissatisfied and angered at George. Scolded.

Obviously, challenging the authority in the eyes of most people is difficult or unacceptable in the eyes of most people.

Challenging public knowledge will definitely lead to a lot of condemnation and dissatisfaction out of jealousy.

“It’s impossible.”

The top of the Blue Mountains. Wang Suzhi’s smile solidified on his face, how proud he was just now, how embarrassed and shocked he is now.

Ye Gucheng’s teeth creaked even more, and the anti-Buddha could be broken at any time, dissatisfaction and unwillingness in his eyes turned into countless anger.

Lu Ruoxuan Lu Ruoxin’s two Lu family children saw that Lu Wushen was injured, and they directly touched their throats.

“Kill!”

George roared, and the black figure suddenly turned back, charging directly towards Lu Wushen like a bolt of lightning.

Lu Wushen was shot and flew, his figure was not stable, facing George’s fierce attack, he was in a frenzy and exhausted for a while.

One is like a tiger coming out of the cage, fierce and fierce, bloodthirsty and warlike, the other is like a lion in his twilight years, although he has countless skills. Wang Wei is still there, but his old age and injuries are restricting his actions, and he is a little tired of coping.

“Devil dragon kills!”

“Roar!”

George suddenly bounced up between hundreds of punches, shaking hands with one punch, and dashing down!

boom!

With one punch, it is like entraining the energy that destroys the world, and the shadow of the magic dragon behind him opens up, like one person, one dragon and two punches!

Lu Wushen hurriedly put his hands together, and his right hand held a fist with his palm!

boom!

Behind him, Yu Wei exploded to Baili again!

“Demon Dragon, presumptuous!” Lu Wushen roared, and then flipped his left palm under Kong, and a golden rune was instantly stored in his palm, and suddenly pushed out.

“The palm of the gods!”

“Roar!”

George’s left hand synchronized into a fist and swung away.

boom!

There was another huge explosion!

But just after the explosion, the two still crossed their fists, not giving way to each other, one gold and one black. Standoff in the air.

Everyone held their breath completely and did not dare to take a breath, thus affecting the situation of the two of them.

Ao Shane’s eyes were piercing, and he stared at the two with indescribable complex emotions.

The true god to the devil!

Heaven to earth. Sun to moon, righteous way to demons! !

The power of the two is incomparable to each other!

“Drink!”

“Roar!”

At the same time, the two of them each gave a low growl. Push each energy to the maximum.

Then it was deadlocked again.

One second...

two seconds...

three seconds!

Ten seconds...

Suddenly, at this moment, George's black energy suddenly flashed, and the golden light of Lu Wushen on the other side disappeared, and something astonishing happened.

Seeing both sides in the duel, George slowly stepped forward, while Lu Wushen slowly stepped back.

Although the distance between these places is almost invisible to the naked eye, don't forget that there is one person present who can catch it.

"Hold on, True God Lu."

"How can God be hurt by the devil, judge him. True God Lu."

"Grandpa, come on."

Hearing the nervous cheering from everyone, Ao Shane's eyes flashed coldly and he couldn't do this anymore. Go down.

Although he hoped that Lu Wushen would die sooner. But it is definitely not now.

The defeat of Lu Wushen is equivalent to the defeat of the true god. He who is the same true god has the same name and reputation as Lu Wushen to some extent. Isn't the defeat of one true god the same as the defeat of the other true god? !

Besides, if George had the ability to kill Lu Wushen, would it be possible that he would kill himself one day in the future? !

Although all threats, but obviously this choice is not difficult to make.

Besides. Killing demons is also helpful to his reputation.

Thinking of this, Ao Shane turned into a red golden light, shooting straight into the battlefield like a meteor.

"Damn it. Ao Zhenshen has also taken action."

"What's the situation? How could even Ao Zhenshen join in, is it that Lu Zhenshen can't do it? "

"Probably not, isn't True God Lu equal to that of the Devil Dragon Fight?"

“Hehe, True God Lu is injured after all. He wants to come to Ao Zhen Shen and doesn’t want his old friend to be injured and he has to deal with the Devil Dragon with all his strength. “

“That’s the same, besides, it is the duty of the true god

to eliminate demons and guard the way.” As soon as the voice fell, the golden red streamer Ao Shane had already attacked George.

boom!

George, who had just had a slight advantage, was directly hit by a streamer. When he closed his hands hurriedly, he closed the place where he was hit by the streamer, and there was still a burning fire.

Blood-red eyes suddenly wrinkled, and George seemed extremely impatient.

“Brother Ao?” Lu Wushen let out a sigh of relief. Seeing the people coming, I couldn’t help but feel complicated.

“Brother Lu, are you okay?” Ao Shane laughed softly.

Lu Wushen immediately supported him and said, “Will I be okay? I just thought that George was a talent, so he was so depraved, and it was a pity that he was swallowed by the dragon. I couldn’t help but hurt him for a while.”

Aoshi laughed: “I know what Lu brother is capable of, so I don’t need to explain it. However, as you said, this son has entered the demon way. Since the two of me are the gods of the righteous way in the world, then we will be the common people of the world, remove this servant.

Okay , let’s see what?” “Walking for the sky, is it possible, can I refuse?” Lu Wushen smiled bitterly.

“How many years you and I have been fighting is unclear, today. You can still hold on to your old bones? Or is it still the old rules? Whoever hurts him the most, who wins?”

“No problem.” The

two said Stop, turn into two streamers, and attack George directly.

period. There is prestige: “Slay demons and slay demons, walk the way for the sky!”

The old man sweeping the floor gently stroked his beard. Yan Jing said, “Aren’t they the best touchstones? Iron will eventually be tempered, and jade will eventually be beaten to demons. George is jade or iron. Today is the best time to spy. “

Chapter 2306

“But three thousand people have lost their minds, I’m afraid...”

“What is a demon? How can you think of Tao, as long as you have good thoughts, even a demon is a Tao, and Ruoxin Keep evil thoughts. God is the devil, the way is the devil, the devil is the way, and the way is the devil, but it depends on people’s thoughts.” The sweeping old man chuckles.

“One thought of heaven? One thought of hell?” Bahuang Tianshu returned with a smile.

“Three thousand people have affection in their hearts, so for gods, he has everything to do, but for demons, it is the only pillar to stabilize the mind. Everything in the world has two sides, and you have to look at it with your heart.” The old sweeping smiled laugh.

“If you want to protect yourself from the two true gods, Amelia is the best choice to support George.” Bahuang Tianshu said.

The sweeping old man nodded: “Yes, love will trap him, but it will also help him. You need to know that in the realm of heaven, love is not necessarily a burden, but many people understand the mistake.”

“I hope Amelia can make him sober. , It’s not in vain that you toss so much for him. Once Three Thousand learns to be incarnate outside of the body, and have a demon blood protection, he will have the foundation of one-to-two.”

“I also look forward to it. What is the extreme of that guy’s thoughts. In theory, during the Mahayana period, let alone Lu Ao, even if you add us. With four fights and one, he is not afraid at all.” Said expectantly.

The Eight Desolation Book of Heaven laughed, although there was no words, but in those eyes, what was the difference between the old man and the sweeping old man!

After a while, he suddenly smiled and said: “Actually, I am looking forward to it more than you. After all, I sacrificed myself to be a slave to him. If he has no abilities, then can’t tell me that I am not ashamed?”

And outside the court at this time.

Two gods and one magic fighting method, the battlefield can be said to be dazzling, the explosion of the aftermath and the need for money are crazy and chaotic. Although the Loose Alliance has re-built the barrier twice, how can it withstand such high-level and frequent bombing? . Only for a short time, the Sanren League was devastated and there was little black smoke. A lot of death.

However, even so, none of the scattered people evacuated. One after another cats, still watching the battle between the two sides with relish.

For them, they would rather die than miss such a shocking battle.

One true god's action is already a wonder of the world, and two true gods' action is even more unseen for thousands of years. If you add a demon, it will be unheard of and unseen.

Ao Shane's stream of light is everywhere, and the surrounding divine energy has turned into a black and red star sea. Lu Wushen was also full of golden light, with a sea of golden stars behind him.

On the other hand, George's evil spirit was violently exposed, and black silver clouds were densely covered behind him. Looking at the three, the anti-Buddha is like three galaxies in the sky.

As the three seas of stars continue to interweave and evacuate, explosions and roars continue to linger, and the cloud-top defense Buddha in the sky is half trampled.

"Ten thousand swords return to the sect!"

followed Lu Wushen's roar. Behind him, the golden star sea Dou Zhuan Xingyi gave birth to countless sword qi, and went straight to George. Every sword qi has golden energy to cover the body, as if being trained by immortal fire. Every road has the potential to destroy the dryness and decay.

"The gluttonous sea of fury!"

Ao Shane's Xinghai also changed, the Xinghai turned into thousands of water droplets, each drop of water with blue mysterious fire, and mysterious ice outside it, turned into a rain of arrows and attacked George.

"Wrath of the Dragon!"

Roar!

Behind George, the evil spirit black gas turned into several giant dragons. Hovering and standing, raised his head and opened the mouth of the blood basin and rushed towards him.

Boom boom boom!

When the three met, suddenly exploded. Ten thousand swords cut the dragon, the dragon blocked the ten thousand swords, and the Wan Bing Xuanhuo attacked the dragon, and the dragon's tail swept across the thousands of troops. The picture was tense for a time, and it was so exciting that it was suffocating.

However, the dragon body was still unable to fully defend against the attacks of the two true gods, and several golden swords and Xuan Bing Xuan Huo rushed towards George.

“Swipe!”

Georges's beast body guards, the black and purple light of the immortal mysterious armor is flourishing, and the golden sword and the mysterious fire of the mysterious ice only leave black smoke and black gas on his body and then fall down.

“Eight dragons!”

“Destroy me!”

George's red eyes suddenly flashed with blood, and then, above the air, black clouds protruded. A blood-red vortex appeared in it, and an extremely strong blood-colored beam of light burst out of the vortex and hit George directly. The black magic patterns and runes on the blood-colored light beam surrounded the pillar.

With the blessing of this pillar of blood, George's body wrapped in black energy suddenly burst into red light.

“Roar!”

followed. George suddenly turned into black qi, and black qi drove the entire sea of black qi behind him, suddenly jumped out, and rushed straight to Lu Wushen. Just as the black qi passed in mid-air, a black-red dragon suddenly opened its blood basin and dragon's mouth, and attacked suddenly. Come.

“Your mother criticizes me, you're always catching me to dry my hair.” Lu Wushen scolded inwardly, and he was extremely depressed.

He and Ao Shane were both at the same time, but from the beginning to the end, George basically stared at himself and fought hard, but turned a blind eye to the prosperous Ao Shane, only defensive.

However, depressed and depressed, Lu Wushen did not dare to neglect at all, because the red and black dragon in front of him, only a few hundred meters away from him, was already very angry...
