

# His True Colors Novel Chapter 2339 - 2342

## Chapter 2339

The kind of smile, the smile was disdainful, and the smile was very mocking, even though he had never said anything.

Seeing George's smile, Lu Ruoxin was angry and anxious. It was obvious that she already knew George's intentions.

She didn't understand why she was all over the country, but this damn George was not moved at all.

"What are you laughing at?" Lu Wushen saw George doing this, and he was a little angry. He had already said softly, but George was still like this. If this were changed to an ordinary person, he would have slapped him in the face. he.

"Ruoxin is one of my most beloved descendants of Lu Wushen. She has a superb status in the family. She has been smart since she was a child, meticulous in her mind, and she has grown up to be a country and city. In this world, no one knows, no one knows. If you want you to be married, what's wrong?" Lu Wushen asked.

"No? Lu Wushen, are you embarrassed to ask me what's wrong?" George sneered disdainfully: "When did I say I would marry Lu Ruoxin?" When

George said this, everyone was taken aback.

"As for what I am laughing at, of course I am laughing at you being passionate, laughing at you shamelessly!" George's words are sonorous and powerful, and he hammers Lu Wushen's heart heavily.

A bunch of people opened their mouths in shock!

"What do you mean? George didn't want to marry Lu Ruoxin?"

"Impossible, Lu Ruoxin's shocking world, as long as it is a man, who would be unwilling? Is George stupid?"

"Not only refused, but... ..And also said such humiliation, this George... is absolutely absolutely!" After the

surprise, a group of people said strangely.

Hearing these remarks, Lu Wushen's face was green with anger. In the presence of so many people, the Blue Mountain top didn't even have his face, and said such

low-pitched hard words and soft words, but in the end he was caught by Han. Three thousand refused so mercilessly in front of so many people.

A family's sorrow must be a family's joy. The top of the Blue Mountain was rejected by the public and naturally looked ugly, but the group of immortal seas and Yaoshen Pavilion headed by Ao Shane pretended to be shocked on the surface, secretly rejoicing, and just missed singing and dancing.

If George were not used by the Blue Mountain Peak, there would only be benefits for the immortal sea, but no harm.

At least, don't worry about them joining forces.

"You stinky boy, what are you talking about?!" Lu Wushen felt that his face was dull, couldn't help glaring at each other, and shouted coldly.

George's face was cold, and he said disdainfully: "Do you still need me to say it again?"

"You arrogant child, the old man saves you first, and I am the daughter of the Lu family, you don't know what is good or bad, the generals of the Lu family.

Where is it!" "Yes!"

Even if I was afraid of George, but with Lu Wushen in front, the disciples at the top of the Blue Mountain could still restore their confidence. They shouted in unison and collectively took a step forward.

George clenched the Pangu axe in his hand, and Lu Wushen was very capable of that.

At this moment, Ao Shane had an idea and stood in the middle of the two.

"You two, why bother to get angry?" After speaking, Ao Shane smiled lightly, looked at Lu Wushen, and said, "Brother Lu, although you and I have been friends for many years, there is one thing I still have to say. "

Although George is a human being on the earth, he just fought against each other. Although you and I did not try your best, you must also admit that George can break my two tricks, which is really terrifying. Such an excellent talent, It's natural to want to gather together." In a word, while Ao Shane praised George, he also found a perfect excuse for the defeat of the two talents.

Then, he smiled and said: "But to close, it depends on whether the hearts of the people return. George's heart is not your granddaughter. You don't have to go to war and turn your face ruthless?" It

seemed to persuade him , but Ao Shane's. The tone was obviously full of ridicule.

They mocked the Lu family for shame, and sent people away with their faces close to their faces, only to be humiliated by themselves.

But Lu Wushen really had no way to refute Aoshi's words.

Having said this, Ao Shane looked at George again. He put his hope on Amelia. At this point, at least he seemed to be betting right now, at least George rejected Lu Ruoxin.

However, people are greedy. After winning, they naturally want to demand victory even more.

Amelia is a supporter of the family, and he and the Ao family have been combed a little bit. If it can be the Ao family, it would be better.

"As for you, George, the hero was born in a young age. This majesty impressed the old man. The old man also tells the truth. The old man admires you quite a bit. If you are willing to say three thousand, the daughter of my Ao family will let you choose. It saves someone who can't give off their daughters and turns into anger, relying on a large number of people to bully you, right?" Ao Shane said with a chuckle.

As soon as he said this, Lu Wu almost spewed out a mouthful of old blood. Ao Shane, the old thief, was indeed a treacherous and cunning man. He actually used the same tricks as himself to win over George. Although the daughter of the Ao family does not have the power of Lu Ruoxin, , Unparalleled in the world, but this old thing is very good at finding an advantage.

That is asylum!

Clearly tell George to choose the Ao family, and the Ao family is his backer.

"Three thousand, what do you think?"

## Chapter 2340

"Huh, Ao Shane, my daughter from the Lu family doesn't like George, so why would you like your Ao family?"

"Lu Ruoxin is indeed beautiful, and this old man does not deny that. But as the saying goes, these carrots and vegetables have their own loves. Who can say that? Besides, if you have a female Lu Ruoxin in the Lu family, it does not mean that I have no peaches in my family. Early growth." Ao Shane shot back.

"Joke, what kind of beauty can your Ao family have?" Lu Ruoxuan couldn't help but snorted coldly.

As soon as he said this, Ao Shane looked slightly unhappy, and everyone looked at the immortal sea and tried to find it.

“What about me!?”

Just when everyone followed Ao Shane’s gaze, looking for young beauties in the immortal sea, one stood up.

The skin is like white snow, and the appearance is like a fairy.

“Gu You?” Xian Lingshi was too close, and when he looked back at the speaker, he couldn’t help being shocked.

As the righteous daughter of the Ao family, although Gu You cannot be compared with a BUG-level beauty like Lu Ruoxin, if she is placed among ordinary people, she can be considered the top of the top. In addition to her outstanding temperament, she is also in the dreams of many men in the Octagon world. lover.

If one day there is a list of beautiful women in the Octagon World, Lu Ruoxin will be the first, Qin Shuang will be the second, and Gu You will most likely be the third.

But her identity...

the people in the Medicine God Pavilion know it, and the people in the Ao family know it even better, even at the top of the Blue Mountain and the scattered people.

She is Ye Gucheng’s newly married wife!

“Madam, you...” Ye Gucheng only felt embarrassed to the point where his mouth was noisy. At this time, under this situation, his wife...

But, he raised his hand and tried to pull Gu You, but Gu You completely ignored him. He went straight out.

Seeing that it was Gu You, Lu Ruoxuan was stunned for a moment. In fact, he had always thought about this Gu You, but the dispute between the two families was surging, and there was no chance.

He once thought that one day he would lead the Blue Mountain to slaughter the immortal sea and tie Gu You back to the Blue Mountain to become a concubine. It’s just that I never thought that the current situation changed suddenly, and then Gu You suddenly married some bullsh!t Ye Gucheng.

But after he froze, Lu Ruoxuan suddenly laughed: “Hahahaha, Grandpa Ao, it’s not my grandpa who said you, but the truth. It seems that your Ao family really doesn’t have any beautiful women. Take a married woman out, you Is it insulting Han

George for wearing torn shoes, or sarcastic that George is hungry and not choosing food ?” Lu Ruoxuan’s words immediately caused Lu Wushen and a group of disciples to ridicule, and many scattered people also felt that the Ao family was extremely shameless.

Ao Shane's face was cold, and Lu Ruoxuan's words really hit his heart, not only making his face dull, but the next two sentences directly blocked George's back path.

If George wanted to, wouldn't it make the world laugh with Gu You?

"Gu You, what are you running out for?" Ao Shane said softly in a cold voice of dissatisfaction.

Gu You's beautiful face was breezy, and there was no mood swing. She gave a gift to Ao Shane, and leaned slightly to Lu Wushen. Then, she raised her head to look at George, and she did not hesitate to show her stunning beauty. Let George have a panoramic view.

"Even though Gu You is married as a wife, this is a fact. Gu You does not deny it. However, since Gu Youzi married Ye Gucheng, he has always guarded himself like a jade. If Master Han doesn't dislike him, Gu You can break the marriage contract and stay with George for life from now on, and the sun and the moon can be learned." After speaking, Gu You gently raised his right hand and raised five green fingers.

As soon as this remark came out, everyone was in an uproar.

"Damn it, after a long time, Ye Gucheng and Gu You got married, but nothing was done."

"Haha, Ye Gucheng, you can't usually pull it, but now the newly married wife hasn't met him. He also put on a green hat directly."

Listening to the ridicule outside, Ye Gucheng lowered his head, his face almost buried on the ground, to him, who is proud and extremely vain, his dignity is as if he was kicked. Trampled on the ground, and the trampled foot was still stained with feces.

When George heard this, he couldn't help but smile.

Seeing that the situation is not good, Lu Ruoxuan's group hurriedly said, "Joke, even if Gu You didn't act as a husband and wife, what about it? With your beauty and comparison with my Lu family's daughter, what counts? Dare to be embarrassed here?"

Gu You took a quick glance at Lu Ruoxin, then looked at George again, and said, "Although Gu You does not look as good as Miss Lu, but Gu You is There is something better than Miss Lu that captures the heart of

Young Master Han, right, Young Master Han?" "Bah!" Lu Ruoxuan suddenly scorned, and shouted coldly, "Are you not thinking about talking? I admit that people from the Lu family are not as beautiful as mine. , And said that you can hold George's heart better than the people of my Lu family? Are you contradictory?" In the

face of this, Gu You was still very indifferent, just smiled lightly, and said: "This is not a contradiction. Mr. Lu, you don't have to be so nervous, you just need to sink your heart to understand. Of course, it's okay for Gu You to tell you."

"Because Gu You is Ye Gucheng's wife! Isn't it more fun to play with the enemy's wife? ?"

## Chapter 2341

After finishing speaking, Gu You looked at George lightly and calmly, not irritable, not humble, not humble, staring with his eyes, even with a trace of complacency in his determined attitude.

Lu Ruoxuan was immediately stunned. He really didn't know where Gu You was confident before, but after hearing this, he suddenly frowned.

"What do you mean by this?" Lu Ruoxuan is not the kind of brainless person. After hearing Gu You's words, he noticed something was wrong, and asked aloud at this time.

"Although Master Han and Ye Gucheng are in the same school, there is no friendship between the two, only deep hatred. Ye Gucheng regards Master Han as a thorn in his eyes, and Master Han is obviously also very tired of what Ye Gucheng does. For despicable things, the feud between the two sides naturally grew deeper and deeper. When the Void Sect fought, the old hatred did not go away, and the new hatred came again. Ye Gucheng attacked the rear and caused the death of Young Master Han's friend." Gu You laughed softly.

"Between the two, there is only enmity, no feelings at all. As Ye Gucheng's wife, what does it mean to play with Gu You, Lu Master, I don't think I need to say more?" Gu You laughed softly.

The audience was shocked when he said this!

A group of scattered people and people on the top of the Blue Mountain stared slightly in surprise, Gu You's words were astonishing, and it really made his jaw drop.

Lu Ruoxuan was also angry with Qiqiao, this Gu You was able to say such things shamelessly and do such things in front of so many people.

This openly put a thick green hat on Ye Gucheng, and even made Ye Gucheng never look up.

This woman, after all, is the righteous daughter of the Immortal Sea, she not only doesn't even want her face, but... even openly not even the face of the Immortal Sea.

However, from another perspective, her words were put to death and survived.

In a word, it directly evoked George's infinite desire, and even in front of so many people, it stimulated this desire infinitely.

After all, under the sun, you can easily kill and condemn your enemies. Who wouldn't feel feasting?

This kind of refreshing feeling of revenge may be placed on Lu Ruoxuan himself, but it is really difficult to refuse.

Gu You's move did harm 800 to himself, but it wounded tens of thousands of enemies, which was not cruel.

When the sentiment was in an uproar, Ao Shane naturally reflected it in a moment, and for Gu You's move, he changed from the original anger to the current smile.

As Lu Ruoxuan thought, Ao Shane was very angry when he heard Gu You's words at first. As the daughter of the Ao family, she said these words shamelessly, trampling the reputation of the immortal sea completely under her feet, which is really hateful. However, his later story is really gratifying.

It is difficult for anyone to refuse such a temptation.

George, who was above the air, was indeed very excited at this time.

Ye Gucheng's revenge against the ginseng baby, George will avenge it.

Gu You, this woman, is indeed extremely meticulous, and she is still good at grabbing people's hearts. Although her words are indeed amazing, but the conditions are really hard to refuse.

Even if George only has Amelia in his heart, it is impossible to accept Gu You, but from the perspective of revenge, he really wants to agree to her request.

Because George can leave her alone, but at least before that, to reach her is equivalent to slapping Ye Gucheng severely in front of everyone, and slap his heart. Don't be too cool.

But George also understood that Gu You's abacus was too sophisticated.

If George really wanted her to be a concubine, of course she would not refuse. What if there is such a husband, even if it is only a concubine? In the world of all directions, who dares to move her?

If George joins the immortal sea, what kind of combat power will it be?

Looking around the world, but just around the corner.

But if Gu You simply thinks this way, then she is indeed too stupid.

And obviously, how can someone who can do such a thing be stupid? She never even thought of being able to be with George. She prepared for the worst. George asked her before and immediately abandoned her as a tool after revenge. This, George. Already understood all this from the look in her eyes.

But so what? Even so, in front of so many people, George had openly admitted that he had wanted her. With this status, Gu You's worth would only grow and not fall.

Even if they were abandoned, they would still be George's former concubine.

Because Gu You did such a thing, Immortal Seas would lose some reputation on the surface, but in fact, these lost reputations were quickly recovered.

Under the name of ex-concubine, what kind of existence would the immortal sea area look like in the eyes of the world?

It was originally the big family of Hezong Medicine God Pavilion, and now it is somewhat related to George. Those lost reputations will soon be recovered, and even multiplied.

Gu You's thoughts were not as sharp as Lu Ruoxin's, but he was tactfully flowed, but in the end, like Lu Ruoxin, he could always complete what he thought perfectly.

At this time, Ye Gucheng couldn't help trembling crazily.

The anger burned infinitely in the heart, and the clenched teeth made a creaking sound. To him, today is simply a shame.

But now, it is obvious that no one dare to say even a word for him. Before, how beautiful it was to marry Gu You, how embarrassed it is now.

Moreover, Ye Gucheng was destined to have no true friends, and he was just a generation of people who tended to follow the trend. Now, when there are stronger people like Ao Shane, who will offend Ao Shane for him? !

"Interesting!" George smirked from the anger that was just now.

"The daughter of the Immortal Sea is indeed full of wisdom and thoughtfulness." George finally opened his mouth slightly at this time.

Han heard three thousand words, Gu leisurely heart of a hi, smile, polite euphemism for a ceremony: "care for the worship service is leisurely but Master Han talent, heart payed nothing, so how can Master Han praise."

Ao The world is even more happy from the heart. From the attitude of George's release, this is a play.

The top of the Blue Mountain was a bit sad, after all, it was of no benefit to them.

“You know a lot about me.” George continued.

“Gu You said that Gu You has a secret heart for Master Han, so naturally he wants to know more about Master Han’s situation.” Gu You laughed softly.

George nodded, but at this moment, his brows suddenly frowned: “Then you should know that I can’t tolerate any woman in my heart.”

“Young Master Han has never changed his heart to Fu Jia Fuyao. Gu You knows that. So Gu You never thought of competing with Fuyao for Young Master Han, but just wanted to serve as a slave and take care of Young Master Han and Sister Fuyao.”

George raised his hand slightly at this time.

## Chapter 2342

“Papa!”

George clapped involuntarily.

“Miss Gu, you put your posture very low, you know me quite well, everything is calculated clearly, but you have overlooked a little.” George mocked.

Gu You smiled: “Gu You doesn’t quite understand what Master Han meant.”

George dismissed , and smiled softly: “Then let me tell you, I don’t like being threatened and used by others!” At that time, George stared at Gu You with a torch.

Gu Youdun was shocked. Although her posture was extremely low, she obviously had the taste of soft coercion and use.

“You on condition makes it difficult to refuse, Ye Gucheng my enemy is not false, but hatred, I have three thousand Han said, will personally took away his head, has been offering my friend passed away.”

Remark As soon as it came out, countless people took a breath, and they really couldn’t mess with this guy. To mess with him would be dead.

The people in the Immortal Sea and the Medicine God Pavilion were secretly delighted. After all, losing a Ye Gucheng and welcoming a George was a good deal.

But when they were happy, George suddenly smiled scornfully at this moment. The next second, he drank coldly: “But, what is he?”

What is he?

Arrogant and disdainful tone, but full of contempt.

Perhaps, saying this in the mouth of others, it is simply laughable and generous, after all, Ye Gucheng is an executive of Yaoshen Pavilion and the son of Immortal Sea. But when George said it in his mouth, there was nothing else except the domineering side, which made people fearful.

Ye Gucheng raised his eyes fiercely, and the anger in his eyes already wanted to swallow George.

“An ant, a piece of rubbish, why is it difficult for me to kill him?” George smiled dismissively, “Is it necessary for you to take care of it?”

Hearing George’s words, Gu You’s face suddenly became cold. She thought this plan was perfect, but she never thought that George would make such a choice.

“Puff!” Lu Ruoxuan couldn’t help laughing at this moment. At the same time, he looked at Gu You innocently, and apologized: “I’m sorry, hahahaha, I usually don’t laugh unless I can’t help it.”

Lu Yongsheng Knowing what the master meant, he couldn’t help but ridicule: “Someone broke the jar and lost his face to post to others. As a result, others didn’t buy it, hahahaha.” The disciples at the top of the blue mountain immediately broke out in great cooperation. laugh.

Gu You’s face flushed, even if he was calm, he couldn’t stand such insults.

To put it bluntly, her strategy wasn’t good enough for this matter, but Ye Gucheng was not enough to blame.

Damn trash, even being an enemy of others is the kind of enemy who knead at will, it has no meaning at all.

If... If Ye Gucheng is a little capable, then George would have to jump in.

Thinking of this, Gu You suddenly swept angrily towards Ye Gucheng in the distance.

“George!” Ao Shane suddenly snorted: “You are too arrogant. My immortal seas kindly arranges a partner for you, but you bite Lu Dongbin and don’t know what is good or bad.”

“Partner? Do I need it?” George said coldly.

“If you don’t need it, what are you and Lu Ruoxin doing endlessly asking?”

“Do I need to explain to you? What kind of dog do you count?” George said as soon as he finished speaking, he hacked away with an axe in his hand.

boom!

As soon as Ao Shane hid, an axe light blew in front of his feet.

“Silly!” George glanced at Ao Shane with disdain, cursing.

When Ao Shane heard this curse, he was so angry that he was so angry that he had lived such a long time. When was he scolded like this?

The people around him were also very surprised. After all, George was not playing vain, he cursed and beat the true god.

Lu Wushen couldn't help but snickered, Ao Shane wanted to put this thing on himself, but he was suffocated.

“You two things, don't fcuking waste my time here, Lu Ruoxin, I have limited patience, this is the last time!” George looked back at Lu Ruoxin and said in a cold voice.

“Xin'er, what exactly is he asking?” Lu Wushen turned his head back and asked slightly.

“Grandpa, I took his important things, which are very important to our Lu family. Can you protect me?”

“No matter what you take from him, when will the Lu family's children's turn get someone stepped on their feet? ?” Lu Wushen said coldly.

Even though he had suffered just now, it didn't mean that Lu Wushen was afraid, and the true god's ability and majesty did not allow him to be afraid.

Lu Ruoxin nodded, and moved backwards, and the Lu family's children also stepped forward collectively, majestic and extraordinary.

“Okay!” George smiled coldly. Since he refuses to be handed in, he will kill until you are willing.

As soon as his figure changed, George came out of the cage like a tiger, rushing directly to the top of the Blue Mountain headed by Lu Wushen.

Lu Wushen dodged slightly sideways, but the 10,000 people behind him exploded directly. George was like a fire dragon entering the cotton. No one survived wherever he passed, leaving only the scorched earth passing through.

George's eyes were blood red, and his eyes were full of desire to kill!
