

His True Colors Novel Chapter 2401 - 2403

Chapter 2401

Boom!

Following Ye Gucheng's bitter cry, with a bang, a strong black energy instantly rushed out from behind him.

Evil and fierce!

Ye Gucheng's entire figure was also twisted into a very strange posture because of the black energy rushing out.

And his red eyes suddenly glowed with blood at this time, and they looked extremely hideous.

"Ah!"

sound a little sigh, Ye Gucheng suddenly raised his head, looked the shadow: "What did you do to me?"

Hurry, Ye Gucheng looked at his hands, turned out to be gas surround the black magic Qi enters the body: "Devil...devil energy?"

As a person of the right way, with the devil energy present, Ye Gucheng couldn't help being stunned.

"From today, you Ye Gucheng is officially the apprentice of my evil lord. Haven't seen you as a teacher?"

"Evil lord?" Ye Gucheng frowned.

"All evil is used by the deity." As soon as the voice fell, a devilish energy was suddenly released from his body, transformed into a magic flood, and attacked Ye Gucheng with his mouth open.

Ye Gucheng took a step back subconsciously, and suddenly released energy to resist.

"Boom!" With

a muffled sound, the two demonic qis directly offset in midair.

"This..." Ye Gucheng looked at his palm incredulously.

The black-clothed man's attack was extremely fierce, but what Ye Gucheng didn't expect was that he could easily resolve it with his own strength.

"How, Ye Gucheng?" The man in black smiled lightly.

After Ye Gucheng was shocked, he immediately changed his joy, and then hurriedly knelt on the ground: "Disciple Ye Gucheng, pay homage to Master. From now on, Master Biwei will be able to see through the waters and fire, and will not hesitate.

"Very well, get up." As soon as the man in black lifted his hand, Ye Gucheng slowly stood without wind.

"From today, you are officially a member of my evil domain and also the chief disciple of my evil lord." As he spoke, the dark shadow slowly floated over, and as he approached Ye Gucheng, Ye Gucheng finally saw his appearance clearly.

"Yes!"

"Remember your heart, and always follow my god, otherwise, it will be devoured by the devil." With a light smile, the man in black put his hand on Ye Gucheng's shoulder and smiled: "Body, it's not bad."

"But if you want to become a big one, you need the help of others."

"Master, how can I help? Who can help?"

"Woman! All women in the world can help you!" The voice fell, black clothes There was a movement in the hands of the person, and a cloud of black air suddenly enveloped in the center of the room.

When the black air was gone, it turned out to be three women.

The faces of the three women were panicked, and they were still young. The three of them curled up and hugged each other and sat on the ground, apparently terrified to the extreme.

"Master, this is..." Ye Gucheng frowned, a little unclear.

"Under the sky, men dominate yang, which belongs to the yang qi of chaos, women dominate yin, and belong to the yin qi of the profound spirit. The so-called yin is the most pure. If you absorb the breath of these women, you can get the purest yin in the world. Angry." The man in black smiled slightly evilly.

"Go and enjoy." The man in black finished speaking, showing an extremely cold smile.

Ye Gucheng hesitated for a moment, gritted his teeth, and went straight to the three scared women who shook their heads desperately and backed away.

As soon as the black-clothed man moved his hands, an invisible black air enveloped the entire room, and the miserable cries of the three women were completely submerged in the black air, and they could no longer escape at all.

I don't know how long it took, Ye Gucheng left three women crying silently, and slowly stood up.

Those eyes that were originally arrogant were filled with mercilessness and coldness at this time.

"Try again." As

soon as the voice fell, the shadow suddenly stood opposite Ye Gucheng.

Ye Gucheng nodded, but hesitated again.

"What are you hesitating about? As a person of the Demon Race, there is only killing in his eyes, no feeling of mentoring and apprenticeship."

Pop!

An invisible slap instantly slapped Ye Gucheng's face.

How could Ye Gucheng be a lover? However, he was afraid that he would hit his master and make him unhappy. Seeing this, he gritted his teeth on the spot and directed all his strength at the man in black before blasting over.

"Boom!" With a

punch away, the man in black also raised his hand to correspond, and the two energies disappeared instantly, but the energy impact caused by the collision still made the entire study tremble!

"This..." Ye Gucheng looked at his fist incredulously.

This power is simply ridiculous!

It was much stronger than his original strength.

This makes him hardly dare to think about it!

"As long as you are sincere to my god in the future, your strength will always be there. In addition, find more women to practice well." As soon as the voice fell, the man in black disappeared, but there was an extra copy on Ye Gucheng's table An unusually old book.

This scroll is very evil, and the old and even yellow scroll exudes bursts of black air.

When the scroll was unfolded, Ye Gucheng's face showed a confident and hideous sneer.

"Hahaha, hahahahaha!"

At this time, when George and his group evacuated from outside the city, it was about half an hour or so.

An old monk hurriedly arrived with a Dharma jelly in his hand and led nearly a hundred people wearing hats.

Although the old monk's face was very kind and looked like my Buddha's compassion, there was a long black line from his palm to his arm.

And inside this black line, if you look carefully, you can see that the black qi is constantly moving in the meridians.

But in the eyes of the nine rings on the top of the old monk's head, there is a strange mark that is extremely difficult to see.

As soon as the old monk arrived, Wei Wei stood up, and the disciples behind him quickly dispersed and quickly searched and inspected the surrounding area.

After a while, several Dou Li disciples ran back quickly and knelt in front of the old monk: "Father, we are late."

"Bang" The

old monk stomped the ground fiercely, and said coldly, "Trash." Where is Ruchen?"

"With all the disciples, it turned into blood!"

"If it weren't for a strong enemy, Brother Ruchen and others would never have chosen to blow themselves up, could it be that the lord really said it, George was not dead?" The old monk Beside him, a disciple with a hat said softly.

"Amitabha Buddha, kindness is kindness!" The old monk slightly lifted one hand, warmed his body and said silently, and then said: "Even if it is George, according to the plan, Ruchen should at least hold George, after all, his cultivation is still insufficient. It's shameful. It's idiotic."

"The disciple is here." The

old monk glanced at the remote border town and muttered: "You said, did they enter the city, or did we flee the snake? They have already escaped? "

With George's personality, the disciple thought he was still in the city." The

old monk nodded, and deeply agreed with the disciple's opinion: "Are you all ready?"

"Master, rest assured, the disciples and others are already prepared. Okay."

"That's the time." The old monk showed a grinning grin.

Chapter 2402

the

city, George brought back to the restaurant with Jianghu Bai Xiaosheng and others, cheers and laughter continued.

However, Jianghu Baixiaosheng and the others did not have the leisure time and their sins of drinking, and the continuous hiding and hiding has made their group very embarrassed and exhausted. At this time, they have a rare opportunity to supplement their recuperation and naturally seize the opportunity.

Although the Jianghu Baixiaosheng and others were recovered, George's big worry was overcome, but George's brows never let go.

Instead, he was worried.

Ruchen's group of monks really makes people feel suspicious.

At this time, Dabingtian quickly walked back from outside the restaurant, and then came to George's side a few steps.

"Any discovery?" George frowned and asked softly.

Pie attached next day three thousand Korean ear, whispered: "As you might expect, there are really outside the transaction."

Sure enough!

The group of people was obviously not a temporary intention, but an elaborate ambush.

"Got it." George nodded.

"Then what shall we do now, should we brothers go to the city wall to do some ambush first, if there is an emergency, you will withdraw first, and our brothers will be the queen?" Dabingtian said worriedly.

"No, drink." George smiled slightly at this time.

This made Dabingtian very confused. It was him who told him to patrol outside the city, but after discovering the enemy, it was him who was calm.

However, George had already spoken, and it was a rare opportunity to have a drink with George, and Dabingtian was not nonsense. He picked up the glass and drank directly.

The top of the Blue Mountain... is

still in that ethereal palace.

Lu Ruoxin was in a secret room, sitting on an ice bed gently with her slender legs.

Behind him, the chains of the gods slowly unfolded like a pair of wings, and a ray of blue energy slowly supported it.

After returning from the land of the trapped dragon, Lu Ruoxin entered an emergency retreat.

With her talent, although the time of retreat was not long, the devilish energy in the chains of the gods had been refined by her a lot.

However, at this moment, the door of the secret room was slightly clicked.

“Come in.” Lu Ruoxin opened his eyes slightly and said softly.

As soon as the voice fell, the door opened.

Chi Meng first walked in, behind her, the chain rang.

As the chain rang, a woman walked in slowly.

The huge iron chain was tightly locked on her feet, making her white as jade feet naked and blood-red, her clothes were a bit messy, her hair was very unkempt, and her beautiful face looked extremely tired.

“Amelia, hello.” Lu Ruoxin calmed his breath slightly, looked at the incoming person, and said softly.

Amelia!

The rather miserable woman in front of her turned out to be Amelia.

“Han Nian!” Amelia said coldly, without the slightest fear in her eyes.

“Or, should I tell you Fu Yao?” Lu Ruoxin laughed softly.

“I ask you Han Nian?” Even though she was wearing an iron chain, Amelia was still tough. Facing Lu Ruoxin’s unanswered question, she shouted coldly.

“Pop!”

Almost at the same time, Amelia's face suddenly rang, and a slap in the face was slapped heavily.

"In front of my Lu Ruoxin, when will it be your turn to speak, Amelia, I will tell you, you are in front of me, I am big, you are young, I speak, you can only listen, I want to stand, you absolutely can't sit." After speaking, Lu Ruoxin looked at Amelia coldly: "Remember?"

Suddenly, Lu Ruoxin smiled coldly: "You don't look in the mirror. What qualifications do you have to compare with me? In terms of beauty, body shape, family history, and talent, which one is better than me? I am the pride of heaven. Girl, and you are nothing more than a desperate abandoned girl. The only thing you can compare to me is to know George earlier."

Then, when Lu Ruoxin's hand moved, a ray of light spread directly in the middle of the secret room. .

Between the rays of light, there is a picture. In the picture, you can clearly see an extremely luxurious room. Several maids are gently arranged on both sides. A maid is coaxing Han Nian on the bed with a toy.

Although Han Nian looked unwilling at this time and her eyes were full of grievances, the things she wore could be described as extremely glorious, just like a beautiful little princess.

"Nian'er!" Seeing Han Nian, Amelia's face was no longer cold, only full of longing and mother's tenderness. The whole person was even more excited to rush to the light, but the chains on his feet were too heavy. , A staggered and fell to the ground.

But even so, Amelia still held her head firmly, looking at Han Nian in the picture, tears in her eyes fell unconsciously.

"Have you seen? Only I can give Han Nian a comfortable and luxurious life, and you can only let her suffer in Fujia, Amelia, are you worthy of being a mother? Are you worthy of being a wife?" Lu Ruoxin sneered coldly.

"The surname is Lu, what do you want?" Amelia said coldly, glancing back.

Lu Ruoxin smiled slightly, extremely satisfied with Amelia's reaction, and said coldly: "..."

Chapter 2403

"It just allows you to recognize the reality. For George, your talents and appearance are all lost to me. For Han Nian, I can give you warmth and future better than you. Better."

“If I were you, as long as I was a little bit sensible and some conscience, I would not turn a blind eye to this, I would quit obediently.” Lu Ruoxin said calmly.

“However, the Lu family and the Fu family used to be friends. You and I played together when I was young. I will treat you as a sister. So, I want George Ming to marry me. I will be bigger and you will be young. What do you think? “

You shouldn't ask me about this, but three thousand?” Amelia understood what Lu Ruoxin meant. If Han Nian hadn't been in her hands, she really wanted to curse Lu Ruoxin as a bitch. But there is the disgusting thing of the archway.

Lu Ruoxin's face suddenly became cold. If George was willing, why should she be here?

In order to get George, from the first night I gave him a gift to him, to the present day, he is very willing to marry him. On the one hand, Lu Ruoxin was constantly impressed by George's strength and became more concerned about this man. After being rejected several times, he kept lowering his figure and begging for compromise.

“Ask George?” Lu Ruoxin smiled coldly, and with a move in his hand, the picture in the light also changed suddenly, and what appeared was the picture of George facing gluttonous food.

As the evil glutton swallowed George into his stomach, Lu Ruoxin glanced at Amelia, and saw that worry and panic flashed in his eyes as expected, and suddenly smiled: “I want to ask too, but the question is...”

“George I have been swallowed by the gluttonous gluttons of evil, and I am in danger, how can I have the time to answer my question?” After speaking, Lu Ruoxin looked at Amelia with a faint smile.

Seeing George in such a plight, Amelia was naturally very anxious.

That is the only love in her heart!

“Although the evil gluttony is powerful, but I have a way to deal with it on the top of the blue mountain, but why should I help someone who has nothing to do with me? Even if I am willing, I am afraid that the Lu family will not.” Lu Ruoxin continued to laugh.

“What do you want?” How smart is Amelia, and how can he not know the deep meaning of Lu Ruoxin? !

“As long as you persuade George to marry me, I will have a way to persuade everyone on the top of the Blue Mountains to save George. You think about it. But don't blame me for not reminding you that George has been swallowed by this gluttonous stomach. It's been a few days, I'm afraid it's dying by this time, if it's late...” Lu Ruoxin smiled coldly.

“If it is late, I am afraid that even the bones will be digested by the evil glutton,” Chi Meng said coldly.

Amelia clenched her teeth. Although she was very worried about George's current situation, she couldn't do it to push George into the arms of other women by herself.

She was also unwilling to betray George in this way.

However, in the picture, Amelia is also truly aware of the ferocity of the evil gluttony. If it is not saved, George may really disappear.

Amelia is not afraid to use her own death to defend her loyalty and love to George, but to use George's death to defend the true strength of this relationship, how can Amelia not hesitate.

She loves George, so how can she let George die?

But at this moment, someone walked quickly to the door of the secret room. After obtaining Lu Ruoxin's consent, she walked quickly to the side of Lu Ruoxin, then whispered to her ear and said a few words.

After hearing this, Lu Ruoxin frowned, and after beckoning her to leave, she slowly got up and looked at Amelia: "You have three hours to consider. You'd better consider it carefully. Chi Meng, escort her back to the dungeon. In addition, Have I arranged the things you arranged?"

"Miss Qixin, I have already selected a few of the lowest ranks on the top of the Blue Mountain." Chi Meng smiled sullenly.

"After three hours, if there is no satisfactory answer, please arrange for these servants to enter her cell. I would like to see how George got a green cap on Huangquan Road, and I want to see, you Amelia This dirty woman will have any face to face George then."

After speaking, Lu Ruoxin got up and walked towards the secret room. When she came to the door, Lu Ruoxin stood up suddenly, without turning her head, and smiled slightly: "By the way, remember to save the picture just now. Three hours later, when someone entered Amelia's cell The picture should also be preserved. After all, Han Nian is their daughter. As their daughter, he should have the right to know what happened to his parents."

After that, Lu Ruoxin turned and left, Chi Meng's face hanging With a cold smile, he nodded: "Yes!"

Compared to Futian, Lu Ruoxin's methods are not mean or vicious, and to a certain extent, they kill people without seeing blood, and hit people's hearts directly.

Amelia clenched her teeth, how could she not know Lu Ruoxin's despicableness?

However, it was this kind of conspiracy that caused her firm heart to make waves for the first time.

Does she persist as she did in Fujia, or is she under such a heavy pressure to choose another path?
