

His True Colors Novel Chapter 2428 - 2430

Chapter 2428

The ancestor of all spirits?

Hearing what George said, and seeing the confident smile on the corners of George's mouth, it didn't seem like he was joking at all, so that Zi Qing was embarrassed.

What is the ancestor of all spirits!

Unheard of, unseen!

Ziqing didn't even know what the concept was.

"That...what is that?"

"That's something that can fix him." George smiled lightly.

"Dmn, it's a mess, those two are still talking about it?"

"Yeah, the night demon has already started, don't they both have to deal with it?"

"The night demon is so perverted, they have to be careful. "

Everyone on the ground, seeing this situation, their hearts were mentioned in their throats, after all, the night demon's ability, everyone present has seen it with their own eyes.

"Although the three words of your George can reassure thousands of people, it's not that you haven't suffered a loss in the hands of the night demon, you have to be careful." A

group of people stamped their feet on the ground anxiously, anxious.

But the two people in mid-air seemed completely indifferent.

Zi Qing is still dumbfounded. Not only does she don't know what the ancestor of ten thousand spirits is, but more importantly, she is very nervous and excited now...

This is the first time she is so close to George, and the first time she has been with herself. Tossed and dreamed that the person in his dream was alone, and, to his death, he still smiled at himself.

This simply made Zi Qing's little heart confused and sentimental.

Even if he pretends to be calm, there is still a trace of blush on the good-looking face.

“How to fix it?” Zi Qing pursed her small mouth nervously, and said.

George smiled mysteriously.

At this time, the night demon had already killed George.

“Be careful!”

Zi Qing screamed when she saw this, and the whole person subconsciously wanted to rush to stand in front of George.

Even if this is a weak girl, but driven by the power of love, even in the face of death, she is not afraid, let alone Night Demon? !

But what she could never think of was that almost the moment she shouted, George suddenly accelerated in front of her, grabbing her arm with one hand.

She was very nervous at that moment. After all, this is a skin blind date, and she is her own male god, and more importantly, she has no clothes now...

But when she was excited and destined, her heart soon became cold...

because George grabbed her hand, not what he wanted to do, he didn't even take her to dodge the attack of the night demon, but...

but pushed her directly to the front, facing the attack of the night demon. And he, he hides directly behind him!

At that moment, Zi Qing was so disappointed that she was almost completely confused.

What is this?

Although she could sacrifice everything for George, including her own life!

However, she can sacrifice it doesn't mean that George can...

that's it.

She is a woman, how can she push a woman in front of her to die?

Is this still the invincible Demon God in his mind? Is it still the invincible George in his mind?

Isn't this a shame? !

Ziqing's heart is cold!

But regret it, too late.

Some love dreams may need reality to teach some lessons after all!

Slightly closed her eyes, Ziqing accepts all the last things, even if she buys the last order for her lover.

“What are you doing in a daze? Fight with him.” But just as Zi Qing closed her eyes, George’s urging voice came from behind her.

Ziqing is really about to collapse, listen to what this dmn man said?

Not only have to be a gunshot to him, but also squeeze the last bit of value out of oneself!

Despite despair and disappointment, who made him the first man he liked, and he liked it so much.

Gritting her teeth, Zi Qing still mobilized all the energy in her body, and directly pushed out with both hands to meet the rushing Night Demon.

Bai Mang vs. Hei Qi!

Fire from sky to ground!

boom!

The two energies met instantly, tight and exploded!

But with Ziqing’s ability, it was obviously too far to compare with Night Demon.

Only after a moment of contact, the black Qi instantly broke the white Qi in an overwhelming posture, and attacked like a ruin.

Can’t stand it!

Can’t stand it at all!

The strength gap between the two sides is too great.

Although Ziqing has the so-called holy immortal body, what can’t stand it is that the night demon is the absolute overlord in the field.

“Dog men and women, I want the man to be a slave to me, and the woman to sleep with me!” Seeing the attack succeeded, the night demon’s mouth showed a bloodthirsty smile.

It’s near, it’s near!

The nearest Ziqing to the Night Demon is no more than a few centimetres away!

broken!

Of course, at this moment, when a soft drink sounded, countless white qi suddenly radiated from Zi Qing's body!

boom!

The vain gas vented out like a flood without money.

The nearest night demon didn't even reflect what was going on, and because it was too close, there was no way to hide, and there was no way to hide, and was directly rushed by the vast white air!

Wow!

Like a huge wave without money, the night demon was directly overwhelmed by this white air for hundreds of meters, and fell straight to the ground.

boom! ! !

With a huge explosion, the night demon's body slammed on the ground fiercely.

The night demon suddenly filled with anger! !

But just struggling to get up, wanting revenge, the throat is sweet.

"Puff!" A

mouthful of blood spurted directly from his mouth.

"What?" The

Night Demon was shocked, staring at the blood on his body in disbelief.

How... how could this be?

This is impossible!

How can I get hurt? !

This is in his own field, and he is in charge. How could he be hurt by others?

He looked at Zi Qing's body!

That's right, that girl. She was the same just now, hurting himself, but to him, the injury was nothing at all! But now...

heavily injured!

Is this wrong? !

Where is she so powerful?

But Zi Qing couldn't give her this question, because as the client, she was also completely confused at this time, looking at her hands unbelievably.

Just now, what happened? !

Where can a strange energy come out suddenly?

"How is it? Are you comfortable?"

At this moment, George slightly retracted a hand on Zi Qing's back and looked at the Night Demon amusedly.

"It's you!?" The Night Demon panicked.

He just said, after playing with Zi Qing for so long, she didn't have that terrifying huge energy, why did she suddenly have it now.

It turned out that this guy was making a ghost!

As George closed her hand, Zi Qing finally felt the temperature change on her back. Only then did she know that George had always put her hand on her shoulder. At this time, she looked at Han in surprise. Three thousand.

Chapter 2429

She didn't understand, what happened just now.

Why would I suddenly have a lot of energy? Why would the Night Demon be beaten like this.

She was puzzled, because she obviously didn't do anything.

George smiled slightly, did not answer, just looked at the Night Demon disdainfully, his whole body was full of ridicule and sarcasm.

"You ba5tard, what kind of demon technique did you use?" Ye Mo was puzzled, how could it be like this here? !

“I see, it’s luck. It must be your dog’s luck. But, can you get lucky once, but can you get it again?”

Faced with George’s provocation, the Ye Mo was furious, and the whole person was madly released. , There is a feeling of near loss of reason in his eyes.

“Come on!”

Black energy swallowed the sky suddenly, and with a roar, the night demon rushed up directly.

“Ants!” George smiled coldly, then looked at Zi Qing fiercely: “Zi Qing!”

Zi Qing was dumbfounded, and the whole person was completely attracted by George’s domineering and handsome appearance, and muttered. Mumbling took a long time to reflect, and worried that he didn’t reply in time, and said anxiously: “Ah, my husband...no, Brother George, here...here!”

After speaking, Zi Qing’s face flushed, and the whole person couldn’t wait. Find a seam to drill in.

What am I doing!

Shame to death!

I just met someone just now, even... not even friends, but I just called out my husband! !

It’s dying!

Although this has always been her girl’s dream, the girl’s dream is a girl’s dream, and her heart is her heart. How can I give it when I get excited...

However, with a quiet glance, George didn’t seem to hear what he was right in front of him. He just gently pulled his arm in front of him in a serious and serious manner, and then placed another palm gently on himself. On the back.

so hot!

His serious appearance is really handsome, no wonder people say that men are the most handsome when they are serious!

“What are you in a daze? Look at the direction of the night demon.”

At this moment, George’s pleasant voice suddenly floated into Zi Qing’s ears.

“Ah? Yes!” Zi Qing was awakened, and then she put away her nymphomaniac appearance, her eyes condensed, staring at the night demon who rushed up.

This guy is extremely powerful, and there are even countless black auras left wherever he goes.

“Don’t worry.”

Just when Zi Qing wanted to do something nervously, George stopped her in time.

“Wait for him to get closer!”

“Oh, good!” Nodding vigorously, Zi Qing forced her rapid breathing, her eyes fixed on the night demon who charged up.

is the male god in the body again, and now the enemy, the weak Ziqing is afraid that she will never think of it for a lifetime, and one day she will encounter such an extremely exciting scene!

“Come!”

Suddenly, George yelled suddenly, and then, Zi Qing suddenly felt a strong energy fill her whole body instantly!

“Broken!”

As George shouted angrily, Zi Qing also aimed at the Night Demon, suddenly letting out her breath!

boom!

An extremely majestic phoenix carrying a pale air, strikes out!

boom!

The Night Demon dodged, and for a while, the phoenix rushed directly to the ground. With a loud noise, the ground was instantly blasted out of a big pit.

“Come again!”

Boom!

Another phoenix flew out!

boom!

Even if it fell into the water, it set off huge waves.

The power of the phoenix is by no means ordinary!

“Fck you!” Gritting his teeth, the night demon speeded up, shivering with anger.

boom!

But another phoenix flew! !

So, everyone was stunned!

I saw George and Ziqing in the sky, just like holding sniper rifles, one shot after another, they kept hitting the Daredevil who rushed up. But the Daredevil’s fierce attack, I don’t know when it started. Become an embarrassing defense.

Relying on the flashing in the air, he avoided the attacks of the two people in the sky again and again.

“You bltches, I will kill you!” Ye Mo couldn’t bear it!

The overlord of the dignified realm is embarrassed by others in his own realm. This can be tolerated in my heart, but the dignity cannot stand!

“Give him a gap and let him come!”

Just when Zi Qing was about to release the Phoenix spell again, George shook his head tremblingly.

“Oh” Zi Qing nodded obediently, her face flushed again.

No way, George is behind, too close to her, how can she not be nervous? !

And at the moment Zi Qing took the hand, the night demon really found this emptiness. With full of anger, the night demon swore that he would find it all from this blow.

“Dead!”

“It’s now, close your eyes and open the valve!”

At the same time, George suddenly shouted from behind, and then patted Zi Qing’s back with his hands!

Zi Qing nodded fiercely, closed her eyes and opened her valve!

boom! ! !

Suddenly, an extremely huge phoenix suddenly jumped out of Ziqing’s body. The huge body even made George and Ziqing in front of it, like ants.

“Oh!”

A long cry, breaking the void!

“What is that?!”

“My heaven! What a big phoenix!”

Chapter 2430

This everyone was dumbfounded.

The phoenix stood in the air, even like a huge mountain.

“Boom!”

Suddenly, Bai Feng spread his wings and swooped down at the Night Demon!

At the end of the Night Demon, the originally angry grin turned into shock at this time.

Finally dodges the layers of attack, thinking that it can be fatal, who the Fcuk knows! !
She is here again! !

Moreover, this time the phoenix is so Fcuking ridiculous! !

“Grass!” shouted angrily, and the night demon gathered all the strength in his body.

Either you die, or I die!

“Roar!”

At the same time, a huge black dragon was instantly rushed behind the night demon.

The roar of the dragon, the unruly phoenix, the two collided!

“Bang!”

With a huge explosion, the whole world was shaken, and the sea water even stopped flowing in a moment!

Half of the void was torn apart, and the bright light of the explosion ignited the entire world.

Even George had to protect Zi Qing with one hand in front of him, resisting it with his back, and his eyes closed tightly.

On the back, the explosive wind blows wildly! !

“Bang!” There

was another huge muffled sound.

When the smoke cleared, when the aftermath of the explosion passed, and when everyone reopened their eyes from the explosion, everyone discovered an amazing fact.

In midair, George and Zi Qing were still there, but the Night Demon was not.

Looking back at each other, there was a deep huge pit on the ground in the distance, and black air was scattered around.

“Ah...oh!”

Inside the giant pit, the night demon shook his whole body gently, opened his mouth and let out a very faint painful sound. It was very short-lived, and was sometimes submerged by the blood in his throat, almost inaudible.

At the corner of the mouth, black blood kept flowing out of the mouth.

He wanted to struggle to get up, but it was obvious that his body was completely disobedient, just shaking slightly uncontrollably.

Are you going to die?

He thought scared, his eyes also looked at George above the sky in an unbelievable way.

why? !

Why is this happening? !

At this time, George also straightened his body slightly, released Zi Qing who was protecting him, and said, “Are you okay?”

So gentle and warm, Zi Qing thought about it, but was excited. Can't speak at all, can only nod desperately.

But in the next second, George just turned around and flew away.

“Hey!” Zi Qing was very depressed, looking at George's back, leaving her behind and leaving directly, muttering angrily.

I don't know how to pity and cherish jade at all.

With a grunt, Zi Qing tried to descend carefully.

Previously, the situation was critical and she couldn't care about so much. Now the Night Demon has been defeated, and without that determination, it is the first time to fly from such a high place.

But just as soon as she moved, all of a sudden, Zi Qing closed her eyes and fell straight down.

As far as Yu Ziqing is concerned, George is a male god, so she pays special attention to every move, but to George, she is just one of the seven monsters in the north of Jiangbei. It is not a friendship, let alone any other thoughts. , At most as a friend who has helped yourself.

Naturally, George would not have any extra behavior.

From the appearance of this girl and the mistakes made earlier, George naturally knew what she thought of herself, but the more so, the more distance George had to keep.

However, as soon as she flew away, she fainted and fell into the air.

He sighed helplessly and moved his hand. The whole person wrapped her body with a burst of energy, and then flew across, and then hugged her.

As soon as they fell to the ground, the three monsters rushed up and hurriedly checked the situation of their seventh sister.

"It's nothing, it should be wasted too much!" George said indifferently while handing Zi Qing into Liu Sha's hands.

Liu Sha glanced at George, but could not see any mood swings on George's face. Obviously, as a person who came by, she knew what George's attitude was towards her sister.

"Three thousand, are you okay?"

Dao Twelve and Jianghu Bai Xiaosheng and others also rushed over in a hurry, asking with joy and concern on their faces.

George looked at them, smiled happily, and said, "I must be fine, but there is one person who is afraid that something will happen."

After speaking, George looked into the huge pit in the distance.

Everyone was overjoyed.

"Fucking, this night demon, I didn't bother us a while ago, let's take a look at that dog's day!" Dao Twelve thought of this, and gritted his teeth for a while.

As soon as this guy left, the others followed along and killed them.

George smiled helplessly, watched a large group of people rush over, gave a helpless smile, and followed them with them.

However, after walking a few steps, George frowned suddenly, then turned his head slightly, and cast a glance at the four monsters left behind, especially Ziqing, who was unconscious in Liu Sha's arms. .

The white air on this girl is very strange and interesting!

In the next second, George turned his head, slowly raised his feet, followed the large group of people, and walked towards the Night Demon on the other side of the pit!
