

His True Colors Novel Chapter 2533 - 2535

Chapter 2533

Qin Shuang!

It turned out to be Qin Shuang!

In George Han's eyes, he was shocked and delighted for a while.

Dressed in Qing clothes, she turned around gracefully, like a cold and arrogant fairy descending to the earth, the perfect face that was almost stunning and suffocating, which made people amazing and at the same time feeling extremely familiar.

Her appearance not only surprised George Han standing on the spot, but also stunned everyone present.

If Lu Ruoxin's beauty is beautiful, even untouchable, then Qin Shuang's beauty is one of the best, but his temperament is even more arrogant. It's a kind of cold as an iceberg almost without being cold. Unique temperament, but at the same time, she is a touchable person.

In other words, Lu Ruoxin is more like a person in a mirage, far away, while Qin Shuang is the coveted goddess who met in the vast sea of people.

She is satisfied with all your fantasies while defending against Buddha, but she is truly by your side.

The wine glass in Fang Kun's hand kept spilling out because of its tilt, and he didn't notice it. A pair of eyes stared at Qin Shuang stubbornly, and the blood in his body was even agitated because of this.

Fang Kun is like this, not to mention several of his cronies. The thousand-year-old dog who defended against Buddha suddenly met the most delicious bone in the world, and his saliva was flowing unconsciously, and his eyes were full of desire.

And even the disciples at the top of the Blue Mountain with good quality, although they have always been affected by the beauty of their own young ladies, they couldn't help being shocked when they saw Qin Shuang.

There are people in the world who are not inferior to my own lady!

However, even though all of them were eager to see through, Qin Shuang's eyes had entered from the beginning to the present, staring at George Han closely all the time.

Those eye-catching eyes were full of excitement, excitement, sadness, and crystal tears.

Even Qin Shuang had already thought about how many days, sun, moon and moon he had been dreaming about, it was impossible to see George Han in this life.

She knew that if she didn't do her own way, she wouldn't be like this, nor would Su Amelia Su.

It was all she made and suffered, so she believed and accepted the punishment of these fate with confidence.

She just buried the love for George Han, the guilt for George Han, and the guilt for Su Amelia Su deeply in her heart.

She waited to taste it back, maybe it's impossible in this life, but she can in the next life, the next life.

However, what she would never think of was that she saw George Han at this moment.

In an instant, the backlog of emotions in her heart all exploded, and she couldn't

care about anything else, sobbing and shouting: "Three thousand." Then, she desperately rushed into George Han's arms.

"I thought I would never see you in this life."

"San Qian, I'm sorry, I'm sorry, I lost Amelia Su."

"San Qian, I'm sorry, I'm sorry, woo..."

George Han Qianshou Volley was holding it behind her, listening to her heartbroken crying, George Han was also a little at a loss for a while.

This is the saddest time since George Han got to know her, she might have cried.

After thinking about it, George Han's hands still didn't choose to hug her, but lightly patted her back to comfort her.

She is not a lover, so George Han cannot give her a hug, but she is not an outsider either. She is a senior who almost took her life to protect herself. To some extent, she is George Han's relatives in the Bafang world. .at least, in George Han's mind, this is how he thinks.

Without her, George Han at that time might have been killed by people and eaten by beasts in Bafang World.

"It's okay, you are not to blame." George Han patted her on the back, comforting softly.

To some extent, the loss of Su Amelia Su, Han Nian and others was due to Qin Shuang, but George Han believed that it was not the main reason.

Since Lu Ruoxin had this intention, there was no Qin Shuang to return that day, and he would have the next opportunity.

Moreover, the road map was designed by George Han himself. If he is really to blame, he can only blame the route he designed.

Or in other words, it was his own carelessness that allowed the team to get involved in the insider, and this is the core and the most deadly place.

“You scold me, even... even hit me, I didn’t mean it, I wanted to do my best when the incident happened, but...” Qin Shuang lifted his head slightly from George Han’s arms, his eyes full of With tears.

George Han looked at her crying pear with rain, and couldn’t help feeling bitter.

But at this time, George Han suddenly reached out and grabbed her hand holding George Han’s chest.

A jade hand like white jade has a shocking wound on the wrist.

Although the wound was not big and it was scarred, George Han discovered the wound like he had cut his wrist.

Seeing George Han grabbing his hand and seeing his wound, Qin Shuang quickly pulled his hand back from George Han’s hand in a panic, and then hid it behind his back: “No... Nothing!”

George Han looked at her quietly, he knew that something must have happened.

Thinking of this, he suddenly remembered Su Amelia Su, who was also captured by Lu Ruoxin, and looked back at Lu Ruoxin with his eyes full of anger.

Lu Ruoxin’s face was also cold at this time. He was so good to Su Amelia Su and he could bear it, but he was better to Qin Shuang than himself. Why? !

Is Lu Ruoxin better than these two women?

But this damn George Han!

Not only was it bad for me, I even looked at me with this look even now.

why? why? !

How did she know how much these two women paid for George Han?

In Lu Ruoxin's mind, there is only should. Without these, she also shot back at George Han with cold and angry eyes, but after a while, she again chose to admit defeat and took a deep breath: "Don't worry, Su Amelia Su's treatment is naturally not this. A woman can be compared."

"She was doing well and was unharmed. But, you know." At this, Lu Ruoxin's voice became extremely cold, and a sneer flashed in his heart.

Of course she had a good life, and it was incredible!

George Han gritted his teeth, he knew that Lu Ruoxin's so-called you understand, is to obediently, otherwise...

he thought of this, he stopped talking.

"Sit down and eat." Lu Ruoxin said softly.

George Han didn't say more, pulling Qi Nian'er and taking Qin Shuang directly to sit next to Dabingtian.

This made Lu Ruoxin, who was obviously in a vacant position on the left and right, seemed to be isolated for a while, and Lu Ruoxin was so angry that Lu Ruoxin was about to roll his eyes on the spot.

But what made Lu Ruoxin even crazier was obviously still to come, when George Han took his daughter and Qin Shuang to sit down.

A scene that made him almost suffocating appeared...

Chapter 2534

George Han moved his chopsticks, but one piece was clipped to Han Nian. This is understandable, after all, father and daughter.

One-piece was given to the two brothers of Dabingtian, which can also be said in the past.

However, his last piece was given to Qin Shuang, and that damn Qin Shuang really ate it very well.

This scene, so harmonious, harmonious like a family.

The chopsticks in Lu Ruoxin's hand couldn't help gripping tighter.

"Pop!" With

a crisp sound, the chopsticks in Lu Ruoxin's hand snapped off, and the eyes of George Han and others were almost full of anger.

Everyone could not help hearing this sound and raised their heads in surprise, but only George Han still silently sandwiched vegetables for Han Nian, food for Dabingtian, and gave Qin Shuang...

“Bang!”

Lu Ruoxin finally I couldn't stand it anymore, a palm suddenly slapped on the table, and all the dishes and bowls on the table were lifted slightly before they fell on the table.

Everyone was shocked, and George Han at this time also frowned slightly and raised his head.

Crazy woman!

Taking care of your own daughters, brothers, and elder sisters with emotion and reason, it seems normal.

My own daughter is naturally the first. Needless to say, what have they done for themselves in Dabingtian? What is a dish? Qin Shuang is a senior sister and a relative. She hasn't seen each other again for a long time now, and her body looks a little weak, so what happened to her?

Seeing such a situation, the Seventh Elder hurriedly stood up to make a round of the field, and smiled and said to Lu Ruoxin: “Princess, don't be restless, if the dishes are not satisfied, I will let someone change it immediately.”

Hearing the round of the seventh elder, Lu Ruoxin Only then did the anger disappear a little.

“Haha, it's interesting.” But at this time, Fang Kun slowly laughed, shook his head, picked up the wine glass on the table and played with it in his hand, saying: “I don't know if the food is good, I don't know how I have eaten all the dishes, but how are people? So many eyes are watching.”

“The future son-in-law of the Lu family, as the face of Miss Lu's family, hugs and picks vegetables with other women. It's interesting and true. Interesting.”

“This hasn't happened yet, so it's so arrogant. If this happens in the future, then it's OK.”

“It's not it, and so many of us are still there. This is simply not for Miss Lu and Lu. Family face.”

“If this spreads out, everyone in the world will have to laugh to death.”

“Hey, it’s a pity that Miss Lu Jia has a beautiful country, but she has to be treated like this. It’s just like the world is going down.”

With With Fang Kun’s words fanning the flames, his confidants immediately began to add firewood. Lu Ruoxin, who had been somewhat calmed in anger, was obviously struck by them in the deepest scar in his heart, and his anger suddenly rekindled. Lu Ruoxin stared at George Han, but Fang Kun and others were extremely happy. They usually couldn’t find a chance to toss George Han, but now they are caught.

The seventh elder could also clearly see the intentions of Fang Kun and others, and his eyes widened: “Master Fang, are you afraid that you are drinking too much?”

“You bitch.” As soon as the voice fell, Lu Ruoxin’s eyes suddenly fell in love. cold.

“Ah!” In the next second, Qin Shuang’s whole body suddenly yelled in pain, and her delicate body suddenly fell to the ground. She propped up her arms in pain and looked at the scars on her two wrists with difficulty.

George Han immediately understood that Qin Shuang’s wrist injury was extraordinary, and he squatted down and came to her side, but it happened so suddenly that he didn’t know the specific situation of Qin Shuang, so he could only take a picture of her. Shoulders.

But when George Han could really hit her shoulders, a strong backlash immediately shook George Han away.

“Puff!”

Qin Shuang also spouted a mouthful of blood.

“What the hell did you do to her?” Seeing this, George Han stood up in a cold voice and looked at Lu Ruoxin angrily.

“Why, do you feel distressed?” Lu Ruoxin asked in a cold voice.

Fang Kun and the others sneered, and stopped talking at this time, choosing to watch a good show.

“I am distressed or not, what is it to you? Do I need to answer you?” George Han replied in a cold voice.

He really thinks this woman is funny. She likes a person. Whether the other person likes her or not, she will make any decision for others.

Such a woman, still the world’s men are eager to follow?

If this is the case, George Han would rather not be a man all his life!

“Isn’t it necessary?” Lu Ruoxin smiled coldly.

In the next second, Qin Shuang behind her felt even more painful. Even if she tried to endure any worries about George Han, the huge pain still made her roll over on the ground.

George Han gritted his teeth, his whole body was furious, it was too much, it was too much.

“Swiss!”

Suddenly, the sky fire moon wheel appeared, and George Han’s jade sword was also suddenly held horizontally.

“Why? Want to kill again?” In the face of this, Lu Ruoxin was very disdainful: “Do it.”

“However, I’m afraid you are not angry enough. Today is her Qin Shuang’s turn. After you do it, It’s another woman.”

George Han knew that she was talking about Su Amelia Su. At this time, a sneer evoked at the corner of his mouth. The next second, he made a jaw-dropping move for everyone.

Chapter 2535

sword was inserted directly into his leg. Even though the blood ran out instantly, George Han didn’t have the slightest pain on his face, but looked at Lu Ruoxin very calmly. .

Raising his hand, the sky fire moon wheel mixed into a blue and red ball, aimed at his chest.

Lu Ruoxin’s anger and disdain all turned into surprise at this moment, and there was also a hint of worry in her heart for no apparent reason.

The Seventh Elder hurriedly stopped: “No.”

Fang Kun and others obviously didn’t expect George Han to be so self-harming suddenly, and everyone was shocked not knowing what to do, let alone what to say.

Dabingtian and the Three Monsters wanted to stop, but George Han reached out with another hand to signal not to come.

In desperation, he could only hold Han Nian, who was panicking and crying.

George Han smiled coldly, suddenly moved his hand and took a photo directly.

“Bang!” A

cold light flew out of Lu Ruoxin's hands, directly hitting the blue-red ball formed by the sky-fire moon wheel, and flew out.

A smirk suddenly appeared on George Han's face. Obviously, this was in his expectation.

Lu Ruoxin's face was slightly embarrassed, and his aura was significantly reduced.

Obviously, in this contest, she has already lost.

She can use all means to torture or destroy George Han's heart and self-esteem, or use various methods to control and threaten George Han, but the final goal is to make George Han obediently obey him.

But if George Han is gone, all of this will naturally become meaningless.

And George Han's suicidal behavior, but it happened to seize this fate.

If conditions permit, she has to make compromises and concessions.

She needs George Han's combat power, and injury or death will greatly reduce his usefulness.

With a cold snort, Lu Ruoxin sat back on the table, and Qin Shuang's pain behind George Han stopped abruptly. Although she was sweating all over her head, at least she was able to relieve her pain.

George Han helped her up, and then sat back in the seat.

Fang Kun was naturally unwilling to let this matter go, but when he was about to say something, he was forcibly glared back by Lu Ruoxin's eyes.

"Sanqian, are you okay." Even though George Han was supporting him, Qin Shuang didn't forget to look at the wound on George Han's leg with distress, and asked with concern.

George Han smiled and shook his head, but his eyes were always staring at the wound on Qin Shuang's wrist.

He was wondering what this wound was all about. It was just two small wounds, but it would cause such a huge damage to Qin Shuang, who had a fairly good cultivation level. And from beginning to end, Lu Ruoxin didn't even make a move.

Seeing George Han kept looking at his hand, Qin Shuang quickly put his hand behind his back again.

For the person she likes, she doesn't want him to see her unbeautiful place.

George Han retracted his gaze, raised his eyes to Lu Ruoxin, and said coldly, "I'm done with the meal, should I have some cakes too?"

Lu Ruoxin hadn't spoken yet, but Fang Kun interrupted: "What's the matter? I want to eat quickly, and then go back and feel sorry for the little beauty next to you, right?"

Lu Ruoxin glared back, but now, George Han's words made Fang Kun no longer hold it.

Because for him, George Han's words clearly allowed him to regain his grip and attack Lu Ruoxin's heart. Lu Ruoxin caught fire, and George Han naturally didn't have any good fruit.

Sure enough, when Lu Ruoxin heard this, his face was obviously unhappy, and he glanced at Fang Kun coldly, and said, "Although I have almost eaten today, I am very not full. I am waiting for your wedding drink."

Fang Kun He suddenly smiled: "It was to be held in two months. Since Miss Lu wants to drink in advance, I will prepare immediately when I go home."

"This meal is your farewell meal." Lu Ruoxin returned his gaze and looked at George Han.

"I want you to go to a place."

"Sanqian don't promise her." Qin Shuang hurriedly rushed to George Han when he heard Lu Ruoxin's words.

She knew exactly how vicious this woman Lu Ruoxin was, just as she was beautiful, how charming and vicious it was.

"It's really the intention of a concubine, and it makes people envious." Just when Lu Ruoxin wanted to speak, Fang Kun, who had tasted the sweetness of the provocative irony, couldn't help but laugh again at this time.

But this time...

"Plap!"

A clear slap in the face was accompanied by the ping-pong sound of the bowls and dishes falling down around him, and the creaking of his chair moving.

Fang Kun was slapped to the ground, feeling dizzy for a while!

"It's endless, isn't it?" Touching his aching face, Fang Kun looked up and saw Lu Ruoxin staring at herself furiously.

At that moment, Fang Kun was extremely depressed.

But how dare he face Lu Ruoxin? ! He can only admit that he is unlucky, and he meets a ghost after walking too much at night!

“I want you to go to the city of burning bones.” Lu Ruoxin ignored him lazily, looked back at George Han, and said righteously.

“The City of Burning Bone?”

George Han frowned when he heard this, and it was the City of Burning Bone!

Why does everyone let themselves go to the city of burning bones?
