

His True Colors Novel Chapter 2545 - 2547

Chapter 2545

As George Han moved, the Skyfire Moon Wheel and Jade Sword instantly turned back and flew back to George Han's hands obediently.

"Your people, dead to death, running away, you are left alone." Turning his head slightly, George Han looked at Ye Gucheng coldly.

Like a bereaved dog!

"Very unwilling and very puzzled? Why did you lose again?" George Han smiled softly.

Although the two people ran away, to George Han, that was not important.

Anyway, if Ye Gucheng left a dog's life, that was enough.

"Yes, I'm not convinced, I don't understand, why is it so unfair that God gave you this bitch's unknown shit luck, what kind of evil did you have to cultivate and show off in front of me?" Having said that, Ye Gucheng's heart is extremely angry and wronged.

He should be the chosen son of heaven, not the worthless dead waste in front of him.

"If you hadn't had that bit of shit luck, you could only be trampled on the ground by me forever with your rubbish George Han, do you understand?" Ye Gucheng roared hoarsely.

"Only incompetent people will always blame God for all their failures." George Han shook his head helplessly. By now, Ye Gucheng still looks stubborn.

The so-called genius is not limited to a genius in one aspect. Judging from the special physical conditions, he is indeed better than George Han.

But mental qualities, IQ, emotions, etc., are actually a kind of talent. In this aspect, not to mention that Ye Gucheng can't compare with George Han. Compared with most ordinary people, it is too narrow and full. defect.

genius?

In the eyes of George Han, this kind of person is not even qualified to join the Mysterious People Alliance, so what genius is talking about?

"Don't talk nonsense to me, George Han, you are just a small slave of the Void Sect. What qualifications do you have to preach in front of me?"

“I am the main disciple of the Void Sect and a candidate for the future head. How can I not be more proficient in secret magic and immortality than you?” Ye Gucheng angrily scolded George Han’s words.

“I never intended to preach to you.” George Han smiled disdainfully: “Do you want to know why you can’t beat me?”

Ye Gucheng didn’t speak, but those dog-like eyes stared at George Han.

Of course he wanted to know, and even what he wanted to know was going crazy.

“The devil is one foot high, and the natural way is one foot high. Remember, your father will always be your father, and it will never be your father because you gave birth to a son.” George Han smiled indifferently.

Hearing this, Ye Gucheng, who was originally extremely serious, was taken aback for a moment, and then he was furious. he wanted to hear clearly the reason why George Han is still getting stronger, so as to blame the reason for his failure, but after waiting for a long time, he waited for this sentence, which was naturally angry for a while. soaring.

“Fuck, you humiliate me!?” Ye Gucheng said angrily.

But at this moment, the green-clothed woman next to her couldn’t help but chuckle.

In such a tense atmosphere, she shouldn’t be so, but she couldn’t help it.

She was the same as Ye Gucheng. She was jealous and seriously wanted to hear the reason, but after listening for a long time, she heard George Han’s serious nonsense, taking advantage of others by the way.

Seeing that woman smile, the fire of jealousy in Ye Gucheng’s heart made the anger burn even more crazy!

“Humiliating you? You can recognize me as a father. That’s your blessing. I don’t even bother to have a choppy son like you.” George Han smiled coldly, and the next second he rushed directly to Ye Gucheng.

Ye Gucheng was already angry and difficult, and his devilish energy was directly condensed, but...

“Bang!”

His body slammed directly on the stone mountain behind him, the huge impact even made the whole mountain tremble slightly, and a large number of rocks fell. From top to bottom, they smashed Ye Gucheng’s body and George Han who stuck his neck with one hand.

Based on their cultivation bases, the natural rockfall can cause no harm to their bodies, and the two of them have not changed their eyes at each other because of this.

One is full of anger and unwillingness, while the other is full of indifferent contempt!

Ye Gucheng struggled, but did not break free, and simply chose to give up.

“For the sake of the same door, I have given you countless opportunities, but Ye Gucheng, you don’t know what treasure is.” He shook his head gently, and in the next second, George Han’s eyes suddenly erupted. gas.

“Now, use your dog’s life to redeem those sins that you can’t redeem at all.” With a cold voice, his hands suddenly pressed hard!

“Kacha!”

Ye Gucheng’s mouth suddenly spurted blood, but Ye Gucheng suddenly laughed: “Haha, hahaha, George Han, do you want to kill me? It’s you? Hahaha, hahaha!”

George Han dealt with him lazily, biting his teeth slightly, a deadlock in his hand, giving Ye Gucheng the final fatal!

But something that puzzled George Han happened. Suddenly, his hand seemed to be pinched in the air, and Ye Gucheng in front of him also turned into a cloud of black air, floating in the air...

Chapter 2546

George Han’s brows flashed with surprise!

phantom? !

Only the Phantom would choose to be wiped out at such a time.

George Han couldn’t help being a little surprised. If it were a Phantom, Ye Gucheng could actually be so fake in front of him, without even noticing it. Now this guy’s cultivation level has obviously reached an unprecedented level status.

“Devil!”

George Han whispered softly, that guy who had become a demon and learned a certain secret technique, he could transform into an avatar almost like a real body.

And something like an avatar, phantom, can fight with himself for such a long time, what exactly has Ye Gucheng experienced now?

And almost at the same time that Ye Gucheng turned into a black shadow, thousands of miles away, in a cave not far from the top of Qishan, in a blood pool exuding foul smells, a figure suddenly moved fiercely.

“Puff!” A

mouthful of black blood spurted out of his mouth!

“Fuck.” Then, he violently drew his hand from the blood pool and slammed his fist against the edge of the blood pool!

With the blood rippling in the blood pool, reflecting the faint light coming in from outside the cave, his handsome and gloomy face was looming.

At this time, he clenched his teeth, and he was angry.

Hearing the movement inside, a man hurried in outside the entrance of the cave.

If there are people from the Void Sect at this time, it must be seen that the inhumane fellow in the blood pool is Ye Gucheng, and the man who comes in is Wu Yan.

“Gucheng, what’s the matter?” Wu Yan said hurriedly, his eyes locked in the corner of the cave, a shivering old man.

“It’s none of his business, it’s almost, it’s almost.” Ye Gucheng gritted his teeth and said angrily. “I didn’t get the things, and I didn’t taste the woman. That damn George Han not only stopped me, but also broke my clone.” Thinking of this, Ye Gucheng took another bite. The blood spurted out, I don’t know if he was seriously injured or was so angry.

“Ah? George Han?” Wu Yan was stunned: “That kid is not dead yet?”

“I failed to come to that group of bald donkeys. I told him a long time ago that the group of monks can’t be trusted at all!” Ye Gucheng bites. He gritted his teeth and said angrily.

Suddenly, when his voice fell, he frowned fiercely. For a while, he felt a murderous cold wind hit. The next second, he directly pushed Wu Yan away from him, and then his body suddenly emerged from the blood pool. Flying among them.

And almost as soon as he flew up, there was a sudden explosion from where he was originally!

Suddenly, the water in the blood pool filled the entire cave.

“Miss Lu Family really has a unique talent, and her cultivation level is incredible.” Ye Gucheng looked slightly towards the entrance of the cave.

A faint scent came in from the outside of the cave, even in such a smelly blood pool cave.

“I thought it was someone who gave birth to a dog who dared to rush here. It turned out to be the new uncle of the Immortal Sea.” Lu Ruoxin, dressed in white and like a fairy, walked in slowly as soon as the voice fell.

“I didn’t expect Ye Mou to be able to remember Miss Lu.”

“Hehe, how could I not remember when Ku Longshan was put on a green hat in public? If you don’t have enough reason to find this lady, you may not be able to get out here. , Now, you can talk!” Lu Ruoxin snorted coldly.

Chapter 2547

Being able to marry the eldest lady in the immortal sea area was originally the glamorous moment in his life that Ye Gucheng admitted to himself, and he thought he would be in the limelight. But what he would never think of was the eternal sneer in exchange.

Gu You was on the Dragon Mountain, almost shamelessly promoting herself in front of George Han, which not only made her publicly embarrassed later but also made it difficult for Ye Gucheng, her man, to look up.

The green cap is already the inverse scale of any man, but Ye Gucheng’s green cap is still worn in front of so many people. Not to mention a man with strong self-esteem like him, it would be unbearable to be an ordinary man.

“Green hat, just rely on her to care about you? Is she worthy of me, Ye Gucheng?” Ye Gucheng said coldly and disdainfully.

“Gu You looks good, and she is also the daughter of the Immortal Sea, not worthy of you? Ye Gucheng, who do you think is worthy of you?” Lu Ruoxin said softly.

“I can match Ye Gucheng. Except for your Miss Lu Family, everything else in this world is nothing more than the past.” Ye Gucheng said indifferently.

Hearing this, even Lu Ruoxin, who has always been an excellent manager, couldn’t help but smile: “Then I have to thank Mr. Ye for showing her love?”

“What? Miss Lu looked down on me, Ye Gucheng?” Ye Gucheng laughed softly.

“Ming people don’t speak secret words, that’s right.” Lu Ruoxin is honest and direct: “People are aware of themselves, Mr. Ye, unfortunately, you don’t.”

“I didn’t know myself?” Ye Gucheng was immediately upset, and shot back in a cold voice. “Miss Lu, I’m afraid you only see George Han in your eyes? You naturally can’t see other people’s abilities, just like me standing in front of you!”

“You?”

“Ye Gucheng today is no longer Ye Gucheng yesterday. “Ye Gucheng smiled confidently. “Really?” Lu Ruoxin smiled faintly, but his eyes were full of disdain.

“Naturally.” Ye Gucheng categorically finished speaking and glanced at his surroundings: “I rushed into Miss Lu’s territory today to prove this fact.”

“However, you don’t have to be angry, Miss Lu, this is just someone from Ye. It’s just a vote of the name.”

Lu Ruoxin did not speak, but his expression was willing to hear the details.

After all, the guards of the blood pool are not too strict, but the one who can defeat the ghost is obviously already very human.

“Ms. Lu likes it, but it is George Han’s strong ability. Unfortunately, Miss Lu doesn’t know that George Han is just a vulgar waste. People, temporary shit luck will always be used up, only real skills To persevere, George Han is the former, and Ye Gucheng is the latter.”

“Miss Lu, what do you think about making a deal?” Ye Gucheng finished speaking, looking at Lu Ruoxin very confidently.

Lu Ruoxin smiled faintly, but his eyes were full of disdain, and said, “What qualification do you have to make a deal with me?”

“Qualification?” Ye Gucheng chuckled, then walked a few steps to Lu Ruoxin’s face and whispered softly.

Hearing what he said, Lu Ruoxin’s original expression was very disdainful, but she began to become more serious. After that, everyone in her was slightly shocked.

Seeing Lu Ruoxin’s expression, Ye Gucheng smiled coldly, appearing extremely confident: “What, Miss Lu?”

Next to him, Wu Yan also laughed coldly.

Lu Ruoxin did not speak, and Liu eyebrows wrinkled tightly together. Obviously, she was thinking about whether Ye Gucheng’s words were true or false. She looked at him and said, “George Han’s head?”
