

His True Colors Novel Chapter 2764 - 2766

Chapter 2764

“You are young, but with a very heavy tone. How did your parents and master teach you?”

As the group of people entered the room, an elder suddenly shouted, the preaching Tone and domineering, putting oneself on top, and treating others as ants, making it unpleasant to hear it.

Some people, although their words are not very unpleasant, but their tone prevents the Buddha from reaching into your stomach and constantly digging it out, making you sick.

This is the case with the elder in front of him.

However, he didn't know he knew it, on the contrary, he was still a celestial spirit, and he was so polite.

“Do you know who he is? Do you dare to let him go? You are young and don't know how high the sky is, and you don't want to think about what you are? You are qualified to say this?” The elder finished speaking and squinted at Han softly. Three thousand, full of disdain!

“The so-called dragon crosses the sea to ask about the sea, and the snake needs to know the ground.” He said mockingly.

“Old kid, don't look like you know everything. Everyone can say it, but not everyone can do it, such as you.” The pangolin shot back.

“Little monster, what do you mean by this?” The elder shouted with sinister eyes.

“I mean, what are you? Have you asked who we are again?” The pangolin laughed coldly.

Hearing this, the elder suddenly became angry and wanted to do it.

Fortunately, at this time Liu Tao stood in front of the elder, his eyes narrowed slightly, and he said softly: “Hit the dog to see the owner.”

“Hmph, it's just relying on Miss Su Jia next to him, otherwise, I'm going to kill him now.” The elder said in disdain.

Liu Tao smiled softly, looked at Su Yan, and said softly: “Niece Su, it has been three years since the last banquet. Don't come here without any problems?”

“Uncle Liu is interested, Su Yan feels pretty good, but you are Uncle Liu...” Su Yan smiled politely.

“I also have different things, and you are still like Gu, niece Su, you also have a heart.” Liu Tao finished speaking, and said, “However, you care about it. Uncle is a little bit, but you have to be blunt.” “

“Uncle Liu but said it’s okay.” Su Yan said.

“As a daughter’s family, I am reserved and expensive, and I should be in a boudoir. But look at you now. Although this Juying Pavilion is not a place of flowers and willows, it is also a crowded place. Ms. Su’s family appeared in such a place, and she still stayed with two people who looked like dogs. The impact was extremely bad.” immediately drew a response from everyone behind him.

An elder nodded immediately and said: “That’s right, Miss Su Jia is well-known in the desert world, and no one will regard her as a fairy. In addition to her wonderful appearance, she also has her high above, ignorance of the fireworks and temperament of the world. gentle and elegant inherent, but now it seems, with a bunch of vulgar husband in downtown drinking, which if spread out, and you later in fairy image the hearts of everyone, I am afraid that this boom stepped on it. ” “

Women do not abide by the Women, Even if it’s a fairy, what is the difference from the woman above the brothel? The only difference is the ordinary and the top card.”

“The Su and Liu family have always had a good relationship, Miss Su, it is better to listen to your Uncle Liu’s words, and get back to you as soon as possible. Let’s go to the hospital to recuperate.” These

people stand on the commanding heights of morality and adopt clauses and clauses in line with their own interests to others.

Su Yan was not angry, and there was even no emotional fluctuations in speech. It is not to say that the mental quality is not strong. If it is placed on the pangolin, I am afraid that it will have to go violently on the spot. Uncle Liu is so exaggerated?”

“The young lady of our family you are talking about seems to be soaked in a pig cage if you want to continue eating.” Lu Zhu muttered dissatisfiedly.

“Presumptuous!” The elder scolded Lu Zhu immediately: “Do you have the qualifications to speak between the master and the servant?”

“You also know that it is the master talking, so what are you talking about?” Green Zhu shot back.

Although Lvzhu is a maid, she is not as gentle as Su Yan, this girl with sharp teeth and sharp mouth is very strange and strange, and she said a word, and she just made the elderly speechless.

“Friends?” Liu Tao suddenly sneered: “Niece Su, you mean that these two people are your friends?”

“Exactly!”

“No, no!” Liu Tao shook his head and smiled bitterly.

“What is Uncle Liu?” Su Yan was surprised, wondering what medicine Liu Tao sold in the gourd.

Chapter 2765

“You are also the daughter of the Su family anyway, and these two people are just a monster and a reckless young man. Watching the two of them dress up, they are even worse. Dogs in dogs, Su Yan, you are simply confused Ah.”

“How can this swan make friends with toads?” As

soon as the voice fell, Liu Tao’s eyes became a bit fierce. He looked at Han Sanqian and said coldly: “You hurt my son?”

” Exactly.” Han Sanqian returned his eyes, unwavering.

. “Uppity” Tao finished, look Su Yan, laughed softly: “Su niece, you heard it.”

“I only hurt both children of the family Lu, Liu will be my enemy, so people, and how can Your Miss Su family becomes a friend? Yan’er, don’t be confused.”

“Miss Su family, you better step aside, lest you will be ruthless with the sword, hurt you, and hurt the harmony of the Liu Su family even more.”

Listen At this point, Lu Zhu suddenly made a fierce pair of eyes with the waitresses. In the next second, only a few rattles were heard, and the clothes on the waitresses were shaken by their vigor. Then, Yushou With a backhand claw on his back, for a moment, the soft sword in each hand is silvery, and the air-conditioning is pressing.

“Is the Liu family threatening our Su family?” Lu Zhu cried coldly.

Han three thousand direct and pangolin collapse, officials of surprised, in fact, maybe the goods are not aware of until now, the original Su Yan around these seemingly frail man, waitress, actually

actually his mother each so vital, even There is also a soft sword hidden in the body.

This is beyond their expectation.

However, after thinking about it carefully, it seems reasonable that such a peerless beauty, who is also the daughter of the Su family, does not have a few expert protection when going out, how can it work?

“Threatening is not enough, but if Miss Su persists, as an elder, the old man doesn’t mind teaching his daughter for Lao Su.” Liu Tao laughed softly.

“Then just let the horse come here.” Lu Zhu snorted coldly, swinging his right hand slightly, and suddenly a long sword was drawn directly from his sleeve and fell into his hand.

“Oh, this chick is quite spicy.” Seeing this, the pangolin couldn’t help but whisper.

The elders looked at each other and wanted to do something, but at this moment, Han Sanqian suddenly stood in front of Su Yan and the others. is only one stop, it is clear and clear, but it is also impressive.

“But it’s all about the Liu family and I, and it’s not about the Su family. It’s fine if anything comes at me.” Han Sanqian said softly.

Hearing Han Sanqian’s words, the Liu family was stunned, but they seemed to be able to understand.

After all, although this guy is Su Yan’s friend, he can’t bear the charge if he provoked the contradiction between the two big families of Liu and Su.

Secondly, as a man, how can you not behave like a man should be at this time? Otherwise, they will only be looked down upon by Su Yan.

At that time, it was not beautiful.

This was also something Liu Tao had repeated before he came. His move can force Han Sanqian to the center, and he is not a human being inside and out.

Unless, he can stand up on his own, but the problem is that once this guy stands up, there will be no worries for the Liu family. Isn’t it easier to squeeze him to death than to squeeze an ant? !

Seeing that Han Sanqian had already fallen into his arms, Liu Tao couldn’t help but feel the joy in his heart. He smiled and said, “I’m still a man. Dare to hide behind the woman.”

The elder beside him was also arrogant and sarcastically said: “Death vertically is better than dying horizontally. Just take this attitude toward you. If you kneel down and confess your mistakes to my young master, , And then abolish the meridians for the sake of Miss Su’s face and spare you a dog’s life.”

“Of course, you can also die sideways, and we will make you unable to survive or die.”
The

voice fell off, a group of gangs. The elder and Liu Tao looked at each other and smiled, full of playfulness.

Han Sanqian couldn't help but shook his head with a wry smile: "I haven't beaten him. Who can't survive, and it's still unknown whether he can't ask for death. Speaking so early, aren't you afraid of smashing your tongue?"

"What the fuck are you talking about?" Hearing Han Sanqian's words, the elder frowned in dissatisfaction!

At this moment...

Chapter 2766

Pangolin took out his ears disdainfully: "Old guy, how old are your ears? Do you want me to repeat it for him? I'm not good, but I care about old age. As far as people are concerned, I've done quite well."

Hearing this, the elder couldn't hold his face anymore, panting like an ox, wishing to peel off the pangolin with his eyes.

As long as Liu Tao gave an order, he would be the first to end this nasty monster.

The pangolin smiled coldly: "Hey, a bunch of bitches, just look for something if you want to do something. They blow themselves up as if they are slamming this and that."

After speaking, the pangolin was attached to Han Sanqian's ear. , Said: "If you want to fight, you can't let them take advantage of them. They still set up an archway when they become a bitch."

Hearing this, Han Sanqian smiled helplessly and shook his head.

"You bastard, hitting my son, you are still rude now, I want you to die." The elder cursed.

"Look, anything messed up in your mouth." The pangolin smiled disdainfully: "If there is any black-and-white conference, your Liu family will definitely get the first place inverted black and white."

"Obviously you bully us ." In the beginning, we endured it. Even if we couldn't bear to fight with you, we quickly closed our hands, but you, the old and yin-forced young master, took advantage of us to let you go, but secretly took advantage of you and was beaten. Light."

"What did you say?" Liu Tao glanced at Liu Lu coldly, Liu Lu was guilty, but still shook his head desperately.

"Are you deaf too?" The pangolin laughed coldly.

“Father,

I’m going to listen to him talking nonsense.” “I’m talking nonsense? Anyone present can prove it.” The pangolin laughed.

“Really?” Liu Tao finished speaking, his eyes swept over everyone present, and the group of people suddenly lowered their heads, and none of them dared to smash.

How can the power of the Liu family and the Fang family be provoked by others?

Liu Tao smiled coldly, very presumptuous: “Little monster, what else can you say?” As

soon as the voice fell, the elders beside Liu Tao also sneered.

Seeing this, the pangolin’s smile instantly solidified. Obviously, this guy is not deep enough in the world, so he knows the world is sinister and his heart is not old.

Nima, can you still play like this? ! But at this moment, the crowd suddenly shouted: “I can!”

Looking at the voice , a person slowly stood up in the crowd.

When everyone looked at that person, they couldn’t help being very surprised, because that person turned out to be the Dian Xiaoer who had just been bullied by Liu Lu.

At this time, Xiao Er of the shop gritted his teeth, obviously mustered his courage, and walked out with a firm look in the eyes of everyone.

“I can prove that it was Mr. Liu who was always aggressive. Not only did he deliberately make it difficult on the stairs to force Miss Su’s friend to live in the wood house, but also asked me to bring them some food that was sprayed by their saliva. I bought pigs and dogs, and deliberately put them in the wood house. Even if the two sides started fighting, Miss Su’s friends also intentionally stopped, but it is a pity that Young Master Liu played with the yin behind his back and attacked others.”

As the shop’s second voice fell, Everyone in the Liu family was angry, but the shopkeeper who was stepped on the ground shook his head and sighed bitterly: “You stupid donkey.”

This kind-hearted shopkeeper obviously sent himself to the fire pit.

Liu Tao was almost blowing his beard and staring with anger. He looked at each other with the elders. After a while, they seemed to have reached a certain consensus. The next second, he suddenly looked at Xiao Er, “Who are you?”

“I am Juying .” The second child of the pavilion, when the incident happened, I was involved in the whole process.” Xiaoer of the shop was a little numb when Liu Tao watched him, but he still gritted his teeth and said courageously.

As soon as the voice fell, an elder walked out slowly, and said with a cold smile: "A shopkeeper in a small area, but an inferior beast. What credibility does what he said?"

"Although I am quiet, but the sentence... "

Kacha!"

Suddenly, when Xiao Er was speaking in general, the elder's hand had suddenly been placed on his neck. With a crisp sound, Xiao Er's neck was broken by him on the spot, with unwillingly widened pupils. Suddenly fell to the ground.

"Now, is there any evidence?" The elder chuckled softly.

Han Sanqian wanted to rescue him, but he obviously didn't expect that they would kill people directly in full view. It was obviously too late at this time.

Looking at the shop Xiaoer who fell on the ground, Han Sanqian's eyes were angry!
