Chapter 3052

Xia Ran knelt slightly on one knee, with a humble and respectful attitude: "Xia Ran has seen the grandmother of the ancestor." The

light faded, and a human face appeared in the central light spot, even though it was only light and shadow. , But the facial features are exquisite and beautiful: "Get up, Ran'er, you have worked hard."

"It's all Ran'er should do. By the way, Grandmother George Han has officially left with Wei Er."

"You did a very good job."

"Making the first-line hexagrams with the word "Tian" in the so-called Phoenix hexagrams and using the hexagrams to deceive him is nothing but the tactics of the grandmother of the ancestor. Xia Ran just did what he was told, so why dare to take credit." Xia Ran said softly.

"No matter how good the plan, you also need perfect acting skills. This son of George Han is not only firm-willed, but also extremely smart. If you can lie to him, it is already the best performance."

Xia Ran sighed. "Speaking of his firm will, this is indeed unexpected."

"I knew he had arrived near Taoshan, so I deliberately sent Xia Wei to Taoyuan for reasons, and deliberately created danger for Xia Wei to let him The opportunity for the two to get to know each other made Xia Wei feel good about him."

"After that, I deliberately let Black and White Shuangsha unintentionally reveal Xia Wei's identity, and injured Xia Wei's back. I wanted to give them a chance to be close to each other. , but I did not realize that even Needing three thousand Han also could we resist, really sorry. " "

a total fail, then children are also well prepared, Pro out in front of the Phoenix woman deliberately emphasize chastity, once the first is thinking about One plan failed, and Xia Wei was forced to take it. Based on Xia Wei's emphasis on Phoenix chastity, and in addition, she should have been kind to George Han before. Of course, she would use impermanence to urge each other. Changing positions of impermanence and the Wuhuan of the Phoenix clan in George Han's body is the second step of the plan, allowing him to enter the source of peach."

"Using the various treasures of the source of Peach, and even taking advantage of the various benefits of the Phoenix Daughter, including the temptation to unlock the seals of

other places, and even in the name of trial, it really makes him appreciate the power of the phoenix and attract more. But I didn't expect it, and it still didn't work."

Guangzhongzhi's face smiled slightly: "If you don't have this kind of concentration, how can you be a master?"

"George Han can reject Xia Wei in this way, for my Phoenix clan. It is a loss, but it is also a benefit." "The Phoenix family, from the beginning of the Phoenix burning self, is for the birth of Xia Wei, and Xia Wei was born to wait for the appearance of this man. Everything is destiny, destiny, sacrifice I don't know how many years, it's worth it to change back to such a man at the moment."

"During the trial, he can see that this child has an amazing talent. He can also know a little about Jinfeng's heart, and he can also be of high quality in character, which is indeed the best." Xia Ran nodded: "Fortunately, the grandmother of the ancestor had already decided that Xia Ran had this plan, otherwise, I really don't know what to do with him."

"This plan will work." She smiled slightly. .

Xia Ran frowned slightly, and asked carefully: "Is it Amelia Su?"

"Exactly." She smiled again: "This is George Han's throat, like the wings of a phoenix and the scales of a dragon. Maybe, just as they said. This is also Amelia Su's fate and responsibility to Han

George Han ." "The things under the world, all kinds of people, exist with meaning, like you, like me, like Amelia Su, like Xia Wei, like him and George Han."

"Our existence is for the end. It's just that some people are the protagonists, some are supporting actors, some are safflowers, and some are green leaves."

Xia Ran nodded and said respectfully: "Xia Ran understands."

"Okay, since they are. Having gone out of the source of the peach, we have also handed Xia Wei into the hands of George Han, and we have completed all of the fate and reincarnation for thousands of years."

"In the future, you pay more attention, although Xia Wei has fate, But after all, it's your sister. Take care of you."

"Xia Ran understands."

She nodded, and the next second, the light faded, Taozhiyuan began to restore its original color, and everything went back to the time when George Han and the others left. status.

Xia Ran got up slightly, shook his head, said something in his mouth, and turned and entered the ancestral hall.

But after a while, she suddenly walked out and looked at Taolin in the distance: "That's it!" When the words fell, she hurried to Taolin.

At this time, the three people of George Han jumped into the water and felt the water swirling around them.

When I opened my eyes again, I saw the previous barren mountain before my eyes. The three of them had just been unsteady. At this time, the three of them were collectively dumbfounded...

Chapter 3053

about a few meters in front of them, stood a few rough-looking, tall and mammoth people in black. Looking back at them at this time, they couldn't help but feel silly.

George Han and the others were naturally surprised when they came out, they suddenly saw people, and the big guys obviously didn't expect three people to suddenly appear behind them.

After both sides of the respective dumbfounded for a few seconds, the leader of the group of brawny suddenly frowned: "Terran?."

Next, a younger brother Fuer whispered: "Brother, chances are that they are."

Brawny nodded his head: "I would rather kill the wrong, not Let it go, take it for me."
When the

words fell, several big guys attacked on the spot.

"I'm against your sister." The pangolin roared, and as soon as it came out, it encountered such a situation and hurried forward.

"Pangolin, the person who came is not good, be careful." George Han frowned, gently pulled Xia Wei and hurried back.

The two sides clashed immediately.

The strong man is extremely powerful, and the attack is even more vicious and vicious, almost deadly. Although the pangolin does have some skills, it can rely on the hard armor on the back to make a few moves, but it can't stand the opponents. It only takes a moment. It's already exhausted.

"I'm going to help." Xia Wei said softly before rushing forward.

George Han hurriedly grabbed her: “These people have extraordinary cultivation skills, and they are extremely ruthless. They are definitely not as merciful as the black and white Shuangsha before. There is no benefit to you rashly attacking.”

“But the pangolin he simply... ..” Xia Wei looked at the pangolin worriedly.

Pangolins never disappoint. Sure enough, Xia Wei’s voice just fell. With an ouch, the leader suddenly shot out from the crowd, and slapped the pangolin’s chest with a palm.

The pangolin was knocked to the ground on the spot, flew heavily and hit George Han’s feet, grinning in pain.

Seeing this situation, George Han had no choice but to score full marks at the same time. He wanted to summon the evil unicorn when he moved his hands on the spot, but as soon as he looked up, he suddenly remembered something: “Damn, the evil unicorn didn’t come out with him. “

This product was not seen in Taoyuan from the very beginning. After the addition, a series of incidents happened. George Han himself was very burnt. In the end, he just left without having time to bring out the evil gluttony. Damn, I need to use it now, that’s why I think of its criticality.

The pangolin also closed his eyes, turned his face away, and couldn’t bear to look straight.

But almost at this time, the gang of brawny men didn’t care about these things. After repelling the pangolins, they rushed over with a powerful sword.

Xia Wei wanted to rush, but George Han was directly pulled behind her. When it reflected, George Han had already pulled out the jade sword and greeted him directly.

“He has no luck at all. Isn’t this looking for death?” Xia Wei was anxious, looking at the pangolin and hurriedly said.

The pangolin grinned and got up helplessly from the ground: “You don’t know him yet. Don’t say anything about luck with this guy. Even if there is only one breath left, he will definitely protect the people around him without turning back.

” But...” Xia Wei naturally felt warm in her heart when she heard these words, but that didn’t mean that her anxiety would be reduced by half. After looking back, her heart directly touched her throat.

Because at this time, following the big man’s anger, he smashed George Han with a big knife.

George Han raised his sword to block.

“Bang!” With

a loud bang, huge power suddenly pressed from above, George Han heard a sudden muffled noise between his knees, and the next second his knees bend directly and subconsciously, George Han immediately knelt on the ground.

I wanted to lift up hard to avoid kneeling, but as soon as Fang tried hard, a puff of blood from his throat spurted out.

“Ah, Brother Three Thousand!” Xia Wei shouted anxiously when she saw the blood splashing.

“Damn, I just found out now, why is there such a beautiful chick?! Get out of here.” The leader roared and kicked George Han several meters away, and then smiled to Xia Wei. Go.

George Han felt as if his ribs had been kicked off. He raised his eyes and saw the leader walking towards Xia Wei. His eyes suddenly became anxious, and he tried to rush over when he resisted the severe pain in his body.

But as soon as Fang raised his leg, George Han suddenly remembered something, and then burst into laughter.

The leader was silly when he heard the sound, stopped and looked at George Han who was laughing, like a fool...
