

I Am Loaded 521

Chapter 521: The Real and Fake Xu Xiaoshou

“Hey, don’t say that.”

“Then we won’t know each other anymore.”

Xu Xiaoshou waved his hands and changed the topic.

“That’s why there are so many treasures and anomalies in the White Cave.”

“Are you guys just going to sit here and roast meat and recuperate?”

“Wasting time like this?”

Rao Yinyin narrowed her eyes. “Xu Xiaoshou, what do you mean?”

“I feel that there’s something wrong with you,” Xu Xiaoshou said with a smile.

“What’s wrong?”

“There’s nothing wrong!”

Silence suddenly broke out.

Rao Yinyin fell silent for a moment.

The corners of Xu Xiaoshou’s lips curled up. He no longer tried to force her. Instead, he said, “So, according to what you said, you guys are only here to treat your injuries. There’s nothing else, right?”

“Yes.”

Rao Yinyin looked up. “What is it?”

“That’s great.”

Xu Xiaoshou clapped his hands in satisfaction. “You guys can rest. What I want is none of your business.”

“What you want...”

Rao Yinyin’s eyes narrowed. She finally could not hide it anymore. She asked, “What do you want?”

“That’s none of your business.”

Xu Xiaoshou lazily placed his hands on the back of his head. “Anyway, I don’t need your help. You guys can just leave after you rest. It’s fine as long as you don’t drag us down.”

“You!”

“Receiving angry looks, passive value, + 1.”

Rao Yinyin paused for a moment, but she still couldn’t help but make it clear. “Xu Xiaoshou, you also want the ‘Path Pattern Initial Stone’?”

“Hehe.”

“Also?”

“Don’t you all want to rest?” Xu Xiaoshou pointed at the others.

This time, the people in groups of three or five nearby were also attracted by the quarrel between the two of them.

Initially, they thought that it was just a private quarrel between the two of them, and no one wanted to pay too much attention to it.

But now..

The situation seemed to be different?

“Path Pattern Initial Stone, what is this thing?”

“I don’t know, I’ve never heard of it before. But looking at Senior Rao and Xu Xiaoshou’s expressions as if they were fighting over it, it might be a supreme treasure.”

“It’s not a possibility, it’s a certainty!”

“Path Pattern Initial Stone...”

Some people voiced out their doubts, while others began to mutter and ponder.

The people present were not ordinary people.

Those who could enter the Tiansang Spirit Palace and rank among the thirty-three people in the inner court all had some sort of background.

Therefore, after some thought, someone finally seemed to recall something.

“Isn’t the Path Pattern Initial Stone a treasure used for the realization of the Way of the Heavens at the level of a throne?”

“This thing is practically the best treasure used for the realization of the Way of the Heavens outside of the Bodhi ancient wood, one of the nine great divine trees.”

“I heard that if we can find the legendary Path Pattern Initial Stone, we can even directly rely on a stone to comprehend and become a Saint!”

“Hiss, so powerful?” Someone was shocked.

“That’s right!”

“However, how did Senior Rao and Xu Xiaoshou know that there was a ‘Path Pattern Initial Stone?’”

Everyone fell silent upon hearing that.

Their eyes were filled with confusion, and their intentions were unclear.

They were indeed on the same team.

And more than half of them came from the Tiansang Spirit Palace.

However, the inner court battles were like a small-scale spirit refinement world.

Moreover, the Tiansang Spirit Palace didn't stipulate that the treasures found by the White Cave had to be handed over.

Under such a prerequisite, although the team had also detailed the distribution of the treasures, in front of such a peerless treasure..

There was only one Path Pattern Initial Stone.

How was it distributed?

Sliced up?

What a joke!

Only by taking it into their own hands and giving the others some extra compensation would they be able to do the right thing.

"Senior Rao, is what Xu Xiaoshou said true?"

"Is there really a 'Path Pattern Initial Stone' here?"

Someone couldn't help but ask.

Rao Yinyin's eyes narrowed, but she didn't reply.

Xu Xiaoshou was amused by what he saw.

"Oh, so you didn't tell anyone else. Does that mean that this was your own idea?"

"Taking advantage of the fact that no one else was paying attention to it and waiting for the treasure to appear, we should first take it down, then explain ourselves, and then send others away at will?"

"Or perhaps..."

"Xu Xiaoshou!" Rao Yinyin suddenly shouted, "Don't go too far!"

"UH."

Looking at Rao Yinyin, who suddenly became serious and somewhat serious, Xu Xiaoshou was taken aback.

He lowered his eyes and fell into deep thought.

During this period of time, he had been facing supreme existences like Zhang Taiying, the grey mist figure, and the Night Guardians.

Fighting with these individuals.

The slightest carelessness would almost always result in death on the spot.

So much so that every time before he used a trick, he would habitually think in the worst direction.

As time passed.

This kind of speculation and thinking of evil nature did indeed affect his normal words and actions.

For example, right now.

Rao Yinyin was only a Tiansang Spirit Palace disciple.

What bad thoughts could she have?

At worst, she was just like him, wanting to take the 'Path Pattern Initial Stone'.

Not to mention how she got the news.

Even if her intentions were unclear, anyone would have feelings after being rooted in the Tiansang Spirit Palace for such a long time.

Xu Xiaoshou himself was the same.

And now, she was using the kind of destructive thoughts that only the grey mist figures would have to maliciously speculate about such a woman.

It had to be said that even Xu Xiaoshou herself felt that he had gone too far.

"I'm sorry."

He nodded solemnly, but his gaze also became serious. "But, I can't let the Path Pattern Initial Stone go."

The scene fell silent.

The atmosphere suddenly became a little somber.

Everyone quietly moved and stood together with their friends who were familiar with them.

Soon, the situation could be seen at a glance.

Although everyone had their own thoughts.

At the critical moment, the team from Tiansang Spirit Palace still stood together.

Behind Xu Xiaoshou, there were only two people, Mu Yu and Zhou Tianshen.

As for Su Qianqian..

Even though this little girl was already mature, she was still in a dilemma.

On one side was her Sister Rao.

On the other side was Brother Xiaoshou..

This...

Why did it suddenly seem like they were going to fight?

Su Qianqian pursed her lips and wanted to speak.

But when she saw the two of them looking at each other without saying a word, she didn't know what to say.

"Xu Xiaoshou."

Rao Yinyin retracted her gaze from the cowering Zhou Tianshen and said calmly, "If I remember correctly, the back mountain, the waterfall, and the Sovereign Pill."

"UH..."

Xu Xiaoshou's stoic face immediately relaxed, and his mouth that was ready to fire was momentarily silenced.

"Cough cough, yes, I, Xu Xiaoshou, am a man of my word. I still owe you a Sovereign Pill."

"Very good." Rao Yinyin's red lips curled up. "So?"

Xu Xiaoshou shook his head. "So it still won't do. The Sovereign Pill is the Sovereign Pill. When we get out of the White Cave, I can even buy it for you."

"But the 'Path Pattern Initial Stone' is different. This thing is very important to me. I have to get it."

"It's also very important to me." Rao Yinyin bit her lip. Her voice was equally determined.

"Since it's so important, let's use our own methods. After all, there are only the two of us here..."

As Xu Xiaoshou spoke, his voice suddenly stopped.

The two of them turned their heads at the same time.

"Boom!"

At the same time, the protective barrier around them exploded after a wave of light.

"Crack crack."

Rao Yinyin clenched her fists so tightly that they made cracking sounds. She gave Xu Xiaoshou a fierce look.

"Jinx!"

"This..."

Xu Xiaoshou did not expect that he could be so effective.

Did he open his mouth?

He had not even spoken when he was already here?

He looked over and saw that after breaking the formation, a huge number of black figures had arrived.

There were more than twenty of them.

In terms of numbers, they couldn't even compare to the people in the area.

Similarly, in terms of quality..

With a single glance, he could see that more than half of them were Grandmaster Realm experts.

There were elder and young people, both of them.

“What’s going on?”

“Where did this group of people come from?”

Xu Xiaoshou knew that even if there were illegal immigrants in the White Cave.

In name, it was also a training ground for the younger generation.

These guys weren’t young on average, and they didn’t look like the descendants of normal aristocratic families.

Instead, they looked more like..

A thought flashed through her mind.

Xu Xiaoshou recalled that there was indeed a special group of people in the White Cave.

However, shouldn’t these people who came to the White Cave as Spirit Array Caster be restrained by Red Robe and focused on cracking the so-called “Thirty-Six Heavens Sealed Array”?

“What happened to the Fourth Sword?”

Xu Xiaoshou immediately thought of many things.

Not many people could be remembered by “Perception”. After all, it was too complicated.

However, it was true that there were several faces inside. He had seen them at the big teleportation array in the eight palaces.

“Who are you?”

Fu Xing put out the bonfire and stood up.

He was the one who had set up this protective barrier. Now that it was broken, he was the first one who couldn’t get through.

“Who are you...”

The leader of the uninvited guests was a man wearing a black robe, a big hood, and a mask. His face couldn’t be seen clearly at all.

Judging from his voice, he seemed to be very young. At least, he wasn’t a middle-aged man.

“Hahaha!”

He glanced at the people inside the enchantment and suddenly burst into laughter.

The laughter was so abrupt.

However, when he laughed, the people behind him had to laugh as well.

Instantly, a series of casual and dry laughter rang out in the scene.

“What the hell...”

Xu Xiaoshou was embarrassed when he heard it.

If he had not been able to directly see the cultivation level of the opposite party, he would have thought that the “Saint Servant” had come just by looking at his attire.

But, Saint Servant?

This was at most a low-quality version!

And it was the lowest-quality version, without a doubt.

Rao Yinyin looked at each other, and both of them saw the strange look in each other’s eyes.

They did not say anything.

At the same time, everyone chose to continue watching.

“Who am I?”

After the black-robed boss finished laughing, he suddenly stopped. “Brothers, tell them who I am and what we are going to do!”

Under everyone’s gaze, the black-robed second brother walked out from the side of the black-robed boss.

“You coming into the White Cave, do the people in Tiansang Spirit Palace know?” He flung his sleeves and stood with his hands behind his back.

“Uh huh.”

Fu Xing nodded.

How could he not know about the county under his jurisdiction?

“Then, does the City Lord of Tiansang Spirit Palace know about it?”

“Uh Huh.”

Fu Xing and Fu Yinhong looked at each other before nodding.

My house, what’s wrong?

“Hahaha, if you all know each other, then it’s easy to handle!”

That person laughed out loud and continued to ask, “Since you’ve come to the White Cave, you shouldn’t have only stayed here before, right? Did you know about the birth of the famous Swordsman Flame Python?”

Xu Xiaoshou was suddenly startled.

He looked at the attire of the leading man beside the speaker, and suddenly, a strange feeling rose in his heart.

He opened his mouth.

He suddenly wanted to say something, but in the end, he chose to wait and see again.

Fu Xing frowned. He did not know what the opposite party was trying to say.

Famous Swordsman?

Was It related to this group of people coming over?

“I’ve heard of it.” He continued to nod.

“You’ve heard of it too? That’s even better!”

The black-robed man who spoke seemed to be even happier. He continued to cross his fingers. “Spirit Fusion Swamp, have you heard of it?”

This time, Xu Xiaoshou’s pupils constricted.

Why did this string of nouns seem to be related to him?

Fu Xing, on the other hand, was confused. “I’ve heard of it, but what does it have to do with you?”

“Heh.”

The black-robed man sneered disdainfully. “What does it have to do with me? That’s a big one.”

“This one!”

He pointed at the leading man and said in a respectful tone,

“He was the one who seized eighteen spots in the White Cave in the mansion of the City Lord of Tiansang Spirit Palace. He was the first to take down the famous swordsman Flame Python in the White Cave and then went to the Spirit Fusion Swamp to empty the treasures inside. He also blew up that place — Xu Xiaoshou!”

“Excuse me, do you know him?”

With a bang, Fu Xing staggered.

His face twitched as he looked at the leader of the so-called “Xu Xiaoshou” and was momentarily speechless.

Know him?

Not only know him?

I even sat with Xu Xiaoshou just now!

“This...”

Almost at the same time.

As the black-robed man finished speaking.

Fu Xing and the others, including everyone in the Tiansang Spirit Palace team, turned their heads at the same time and saw where Xu Xiaoshou was.

Surprise, strangeness, confusion..

All kinds of emotions were present.

“Xu Xiaoshou?”

“No way, he came to the White Cave and has already done so many things?”

“Famous swordsman?”

“I heard that when that wave of famous swords appeared, not only were there people from the legendary sword burial mound in the Middle East region, even Red Coat and Ghost Beasts appeared.”

“So, it was Xu Xiaoshou who took the famous swords?”

“That’s not important, alright? The Spirit Fusion Swamp is where the real ghost beasts appeared. I heard that it was even a sealed ghost beast.”

“But wasn’t it rumored that the battle between the Ghost Beasts and Red Coat led to the explosion of the entire Spirit Fusion Swamp?”

“Why? Is it related to Xu Xiaoshou again?”

“This fellow doesn’t change at all. He appears every time there’s an explosion?”

“...”

The discussion went wild.

Almost everyone subconsciously chose to ignore that “Xu Xiaoshou” opposite them. Instead, they looked at the real Xu Xiaoshou they knew and started discussing.

The situation was very obvious.

No matter how real the story was.

Li Gui met Li Kui.

It could only be said that the information was well done.

However, these people seemed to have never seen the real Xu Xiaoshou.

“It seems that you are the leader?”

“Xu Xiaoshou”, who was sitting across from him, looked at the group of people who turned around at the same time and shifted his gaze from Fu Xing to Xu Xiaoshou.

“Leader?”

Xu Xiaoshou immediately shook his head and denied, “No, I’m not.”

“You’re not?”

That person sneered, “If you’re not the leader, then why are they looking at you? They’re waiting for you to make a statement!”

“What stance do I want to express?” Xu Xiaoshou was startled.

“Hehe.”

“What stance? Isn’t it obvious?”

“We have more than twenty brothers and we’re tired of fighting everywhere. Now, we need to use this place to rest.”

“As for you guys...”

As he spoke, he looked around at everyone and swung the back of his hand, “Scram!”

“Hua!”

His indifferent tone immediately ignited the spirit palace team’s anger.

“Buzz off! We were the ones who came here first. The protective barrier has already been set up. You guys broke the spirit array without saying anything and even trespassed.”

“The ones who should scam are you guys!”

“That’s right. What Xu Xiaoshou... I think you’re tired of living.”

“Let me give you a piece of advice. Take advantage of the fact that a certain someone hasn’t lost his temper yet and quickly leave. Otherwise, when the time comes, you won’t even know how to cry.”

“Hahaha...”

“Get lost!”

“Get out of here!”

Chapter 522: The Famous Sword, Green Scale Ridge!

“Hehe.”

The black-robed Xu Xiaoshou looked at the group of people from the Spirit Palace who were laughing maniacally and were filled with anger. His eyes immediately turned cold.

“Looks like you guys really don’t know what’s good for you.”

He raised his hand and the ground suddenly began to tremble.

The sand and stones bounced and then cracked, turning into white sword qi.

“Pa Pa...”

In an instant, the sword intent that filled the sky pressed down on the ground.

This time, all the unnecessary words stopped abruptly.

“Innate Sword Intent?”

Su Qianqian’s eyes flashed with surprise.

This scene was extremely interesting to her.

It was one thing to pretend to be Brother Xiaoshou, but this person actually had Innate Sword Intent?

However, to be able to do this...

Why didn’t he recognize Brother Xiaoshou himself?

Everyone once again looked at Xu Xiaoshou in unison.

Even Rao Yinyin had taken a back seat at this moment, focusing all the flashlights on the young man in front of her.

“Heh, you still say that you’re not the leader?”

The black-robed Xu Xiaoshou snorted coldly and pointed with his finger. Sword of the Void intent swept in all directions. “I’ll give you another chance. Scram, or die?”

“Threatened. Passive value, + 1.”

“Yoo-hoo.”

Xu Xiaoshou was so angry that he was amused.

It was fine to pretend to be me, which meant that I was very popular.

But I, Xu Xiaoshou, don’t seem to have ever been so arrogant before!

You’re ruining my reputation like this. If word of this gets out, how am I going to live my life?

Isn’t this making enemies for no reason?

“Xu Xiaoshou, right?” He asked.

“That’s right!” The other person raised his chin.

“If you’re Xu Xiaoshou, do you know who I am?”

“You?”

The black-robed Xu Xiaoshou was stunned. “You’re just an ant. I, Xu Xiaoshou, have no interest in knowing your name.”

“What about her?”

Xu Xiaoshou pointed and said in a soft voice, then looked around. “What about them? You’re not interested in knowing?”

“Shut up!”

The black-robed Xu Xiaoshou roared furiously, and the air suddenly trembled. "You don't want to leave without seeing the famous sword, right?"

"So powerful. How did you do it?"

Xu Xiaoshou asked curiously.

When he saw that this fellow wasn't angry or worried, he immediately thought of 'Swallow the Mountains and Rivers'.

But the key point was that the opponent was a fake!

It was impossible for him to have 'Swallow the Mountains and Rivers'.

So, this was also a fake spiritual technique?

But it seemed like this was the first time that his "Swallow the Mountains and Rivers" had appeared against Tan Ji!

What was going on..

"So much nonsense. If you want to die, just say it. Why do you have to circle around?"

Black-robed Xu Xiaoshou waved his hand. "Go!"

The people behind him were not afraid at all. They directly exploded the spiritual mist and pounced forward.

This group of people who looked like little lambs had already encountered them many times in the White Cave.

Disciples of the Tiansang Spirit Palace?

Heh, their appearance was indeed very bright!

However, a fledgling was still a fledgling. No matter how gorgeous their appearance was or how weak they were, they still could not escape the ferocious jaws of the wolf pack.

"Kill!"

The black shadows in the storefront instantly rushed over, and the Tiansang Spirit Palace team looked as if they were facing a great enemy.

"Hold on."

Xu Xiaoshou suddenly raised his hand and shouted.

This shout caused not only the hearts of the black-robed people on the opposite side to suddenly thump.

Even the Tiansang Spirit Palace team and the people on their side felt their hearts skip a beat.

The rising sky's killing intent froze, and everyone stopped in their tracks.

"Eh?"

Xu Xiaoshou was pleasantly surprised.

The one-time mood change of “Swallow the Mountains and Rivers” actually had such a magical effect?

If this was to suddenly explode in the middle of a battle, wouldn't it be able to directly cause one to die on the spot?

“Interrupting divine skill, this is...”

As he thought about it, he suddenly forgot to continue speaking.

“What are you trying to... be noisy about again?”

The black-robed Xu Xiaoshou was also extremely uncomfortable from this shout.

However, the youth opposite him did not seem to be simple. He waved his hand and dismissed his own people.

“It's nothing. I'm just returning the favor.” Xu Xiaoshou came back to his senses.

“You've introduced yourself. Logically speaking, I should also introduce myself. This is a polite greeting from both sides.”

“But I'm really not the leader.”

Xu Xiaoshou nodded sincerely. He pointed at Rao Yinyin and said, “She is.”

Rao Yinyin: ? ? ?

“Suspected. Passive value, + 1.”

“Do you know who she is?”

Xu Xiaoshou didn't wait for the others to speak and continued, “This is the handsome and charming senior sister from the Tiansang Spirit Palace, Rao Yinyin.”

“This is!”

He pointed at Su Qianqian and said, “She is the beautiful and talented junior from the outer court, Su Qianqian.”

“And this one!”

He pointed at Mu Zixi again and opened his mouth.

“Xu Xiaoshou, do you have any sense of shame?” Mu Zixi's face was as black as charcoal.

“Ahem.”

Xu Xiaoshou coughed twice and ignored him. He continued, “This one has the surname Mu and is called Charcoal.”

Mu Zixi: ? ? ?

“Cursed, passive value, + 1, + 1, + 1, + 1...”

Everyone laughed when they heard this.

Even the people from the Tiansang Spirit Palace who were originally not on good terms with each other became interested under the influence of external forces.

This real and fake Xu Xiaoshou..

Interesting!

Really Interesting!

“Xu Xiaoshou?”

Although Mu Zixi’s voice was low, the black-robed Xu Xiaoshou also heard it.

“Boss, this...”

The black-robed second brother who had just introduced the black-robed Xu Xiaoshou suddenly became anxious. He turned his body to the side and wanted to communicate with him.

“Hahahaha!”

Suddenly, the black-robed boss threw his head back and laughed loudly. It was as if he was about to burst into tears.

“?” The black-robed second brother.

Even an intimate person like him did not understand the meaning of this action.

“Xu Xiaoshou?”

“What a good Xu Xiaoshou!”

The black-robed boss said angrily, “In front of me, Xu Xiaoshou, you are the twenty-seventh person who dares to pretend to be Xu Xiaoshou!”

“As for your tacit cooperation...”

He glanced at people like Mu Zixi and nodded.

“I admit that you are very strong!”

“At least, among these twenty-seven people, you are the one who pretended to be the best.”

“But...”

“Wait!”

Before the black-robed boss finished speaking, Xu Xiaoshou skillfully interrupted him.

“Are you mistaken? I’m not pretending to be Xu Xiaoshou, okay? I also feel that I’m not worthy of Xu Xiaoshou’s outstanding and heroic image.”

“Don’t talk nonsense. I’m not pretending. Xu Xiaoshou is too great. I’m not worthy.”

Black Robe: "..."

He reached out his hand and his lips trembled a few times. Suddenly, he did not know what to say.

This guy, why didn't he act according to common sense?

He kept praising and did not repeat himself.

How did you come up with so many words to describe Xu Xiaoshou?

If he had not seen Xu Xiaoshou's portrait, Black Robe would have almost been fooled by the fake Xu Xiaoshou No. 2.

This guy did not mention "I am Xu Xiaoshou" at all.

But his words and actions.

Resembled!

Really resembled!

Strong.

Really strong!

"Little brat, don't think that you can escape this disaster just because you flatter me."

Black-robed Xu Xiaoshou was uncertain and suddenly did not want to say anything more. "Go, destroy them!"

Even though the other party was pretending as well.

But since she knew that it wasn't the case, then that was right.

And as long as it wasn't Xu Xiaoshou, how could those small fries who didn't even have a Grandmaster cultivation block the firepower that she had specially gathered?

"Charge!"

Under the command, everyone charged forward once again.

"Stop!"

Xu Xiaoshou immediately shouted again.

At this moment, everyone's hearts jumped again.

The first time could be an illusion.

However, if the second time was the same, then it wouldn't make sense.

"Boss?"

"This guy doesn't seem right. How about..."

The black-robed second in command reminded his boss. He looked at the only young man who couldn't see through his cultivation and panicked.

It's also Xu Xiaoshou?

God damn it, this can't be real!

"What spiritual technique?"

The bad feeling in the black-robed Xu Xiaoshou's heart grew even stronger.

He looked at his subordinates who had stopped halfway and were hesitating.

He knew that they would not give up until they produced something.

The other party probably would not give up.

"Very good."

"Xu Xiaoshou? Very good!"

"It seems that you are determined to keep the famous sword if you don't see it."

Then.

The black-robed Xu Xiaoshou flipped his hand and a long box appeared in his palm.

"Pa da."

After a sound, the long box was flipped over.

In an instant, sword intent soared into the sky.

"Weng Weng Weng —"

As if they had met the master of ten thousand swords along the way, the swords in the hands of the many sword cultivators present instantly shook uneasily.

"This is?"

Xu Xiaoshou's pupils constricted.

He had originally thought that this was a naive fake.

However, in the long wooden box that that fellow had taken out, there was a sword lying quietly. It seemed to be a famous sword?

A long sword!

"Crap, is a famous sword so common?!"

"How can such a person possess it?"

He was stunned for a moment.

"A famous sword?"

Su Qianqian also exclaimed in surprise. She had only felt the once familiar fluctuations of the famous sword in the air before she blurted out, "Green Scale Ridge!"

"Huh?"

Xu Xiaoshou looked at the lady.

Su Qianqian explained, "Green Scale Ridge is made from the bones of a dragon. It is ranked 15th on the famous sword list and is titled Dragon Sword."

"Hiss."

What a good fellow.

This was a qualified sword wielder!

Xu Xiaoshou sighed in admiration. Only then did he confirm that his feeling was not wrong.

However, how could a famous sword appear in the hands of such a person.

Wasn't this sword wielder a little too weak?

"Where did you get your sword from?" Xu Xiaoshou was questioned.

"Why do you care where I came from? Also, what 'Green Scale Ridge'? This is 'Flame Python'!"

The black-robed Xu Xiaoshou felt that there was a small chance that he might have met an expert.

With such a convincing appearance, even the ranking of the famous sword was revealed. He almost believed it.

"Kid, this thing in your hand might kill you. Do you understand?"

Xu Xiaoshou was not in the mood to joke anymore. He took a step forward and covered the sky with his imposing manner. He asked, "Where did the Green Scale Ridge come from?"

Boom.

The ground slightly collapsed.

Everyone seemed to be in a gravitational space, and their movements were very obscure for a moment.

"It's this move again?"

Rao Yinyin frowned.

This was the second time she had seen this strange spiritual technique, but she still couldn't figure out what it was.

It was obvious that he didn't even release his spiritual essence.

How did Xu Xiaoshou manage to materialize his aura?

"What Green Scale Ridge!"

The black-robed Xu Xiaoshou seemed to be in a mess.

With his Master Stage Spiritual cultivation, he was actually suppressed by that young man with just a single step.

How could this be justified?

“Die!”

With a hiss, he grabbed the ‘Green Scale Ridge’ from the long wooden box and swung it fiercely.

This time, the Innate Sword intent followed.

The long sword swept across the sky.

A magnificent green sword ray tore towards the people from the Tiansang Spirit Palace.

Everyone panicked.

The Innate Sword intent itself wasn’t an ordinary existence.

With the support of the famous sword.

Just this casual slash of the sword ray could probably surpass most of the spiritual techniques of grandmasters!

“Whoosh!”

Xu Xiaoshou wanted to move, but she saw Su Qianqian shoot out.

“Ya –”

She pulled out a huge white sword from her ring and slashed at the green sword ray that was sweeping through the air.

“Boom!”

The huge sword slashed down, and the void seemed to be split apart.

The sky was filled with green light spots that shattered.

The heavy sword had no edge, and even the sword radiance did not appear.

However, the wooden box in the hands of the distant black-robed Xu Xiaoshou exploded with this explosion.

“Chi Chi Chi!”

Following closely behind.

The clothes on her body shattered, and the mask on her face cracked. It completely fell off, revealing a panicked face.

It was a man with a silly face.

He had a square face, and his sideburns were full of stubble.

He was holding a famous sword, so he naturally looked down on everyone.

But looking at the little girl in white, his whole face turned green.

“Grandmaster-level Sword intent?”

The black-robed Xu Xiaoshou felt that his mind was blank.

This damn Xu Xiaoshou hadn't come out yet, and a random little girl jumped out, and it was Grandmaster-level Sword intent?

“What kind of joke is this!”

He refused to believe it and once again held the 'Green Scale Ridge' in his hand and slashed it down.

“Weng!”

At the same time, a stream of sword aura shot out from the black-robed boss' body.

Xu Xiaoshou made his move.

The man was the sword, and he stopped that guy.

He drew his hand again, and the white sword aura filled the entire 'Green Scale Ridge'. Under the intense resistance of the famous sword, it was pulled back into his hand.

“Does the famous sword have an owner?”

Seeing such intense resistance, Xu Xiaoshou turned his head and asked Su Qianqian.

“Yes.”

Su Qianqian nodded. There was a little hesitation on her face.

“But, this guy is so weak and Green Scale Ridge is so arrogant. How could he listen to him?”

“He...”

“He's not the sword wielder!” Xu Xiaoshou stared at the famous sword and suddenly said.

“Huh?”

Everyone looked at him in surprise. Even the black-robed Xu Xiaoshou's entire face was filled with fear.

These two guys..

Were real.

They were the real ones!

“Respected, passive value, + 1.”

“Feared, passive value, + 1.”

“Buzz!”

“Buzz!”

Xu Xiaoshou held the famous sword and looked at it carefully.

This “Green Scale Ridge” was very slender.

The body of the sword was green and there were dragon scale patterns on it. It was simply extraordinary.

The handle was very narrow, but it was very thick. It looked like the body of a dragon was curled up.

In the middle was a golden reverse scale. It was blooming under the Crimson Sky.

And the handle of the sword was where the dragon’s head was.

Xu Xiaoshou held it and directly held half of the dragon’s head.

“Good sword!”

A strong spirituality came from the sword. Xu Xiaoshou couldn’t help but exclaim in surprise.

Every time he saw a famous sword, he would unconsciously sigh at nature’s craftsmanship.

The heavens and earth could actually produce such a spiritual sword.

It was simply unbelievable!

“Weng –”

The sound of vibration came one after another.

The resistance of this “Green Scale Ridge” was too strong.

Even though Xu Xiaoshou was a Grandmaster level, he couldn’t help but feel his palm split open from the tremors.

“I seem to have seen this sword before?”

There was a bit of doubt on his face. Xu Xiaoshou felt that this long sword seemed familiar.

He tilted his head and pondered for a moment before coming to a realization.

That’s right!

He had indeed seen this long sword before, but he had never crossed swords with it before.

At that time, when the ‘Flame Python’ was born, three sword cultivators that he had paid attention to had come.

Two of them were Gu Qinger and Gu Qingsan.

The remaining one was a young man who was wrapped in a mask and was heavily armed. However, he seemed to be trying to hide something.

This sword was a glimpse from his back.

“Red Robe?”

He still remembered that when the ‘Flame Python’ ended, the night watchman had called out to the young man. However, the young man did not listen and ran away.

So now, it was him who came over?

Xu Xiaoshou did not speak.

“Perception” swept through all the black-robed men present.

As expected, not far behind the black-robed boss, among the few black-robed men who were still protecting him, he saw a youth who was very thin and small in comparison. His entire body was wrapped up tightly.

“Ha!”

“Still pretending?”

Xu Xiaoshou grabbed the famous sword ‘Green Scale Ridge’ and sneered, “It’s already so late, why aren’t you showing yourself?”

Chapter 523: Rules

Shua.

Following Xu Xiaoshou’s words, all the black-robed men turned to look at the short youth behind them.

This time, even a fool could tell who was the mastermind.

“You’re very sharp.” The black-robed youth hesitated for a moment before taking a step forward.

“Let’s not talk about whether you’re sharp or not. Kid, aren’t you a Red Coat? Have you forgotten the rules of the Red Coat? Do you think it’s appropriate to pretend to be someone else and ruin someone’s reputation here?”

Xu Xiaoshou grabbed the famed sword, Green Scaled Ridge, and swept a cold glance over.

After these words were said, all the black-robed people panicked.

“Red Coat?”

“This doesn’t seem right!”

“Boss, is this really a Red Coat? If this fellow is a Red Coat, why would he ignore our actions?”

The black-robed second brother was shocked.

He was completely unaware of this point and he was even more confused.

If this youth was a Red Coat, how could he do the opposite and urge them to do such a thing?

The black-robed youth looked around and clearly saw the panic in the eyes of his companions.

"I'm not a Red Coat. You're mistaken," he said in a low voice.

"Deceived, Passive Points, +1."

Xu Xiaoshou sneered.

"Why are you still pretending?"

"Little Red Coat, do you really think I don't know anything?"

"If I remember correctly..."

Xu Xiaoshou thought of the Night Guardian's words at the end of the Flame Python incident and said, "Lu Ke?"

"Uh."

The black-robed youth was obviously startled.

"What? I've called your name and you can't keep up with the pretense?"

Xu Xiaoshou chuckled. "Little brat, the Night Guardian is looking for you. He told me that if you don't return to the team, he'll beat your ass to a pulp."

"You!"

"Glared At, Passive Points, +1."

The young man in the black robe, Lu Ke, was obviously shocked by Xu Xiaoshou's tone, but he did not respond. Instead, he said, "Xu Xiaoshou, don't forget that you're now ranked first on the Red Coat's blacklist of the White Cave."

"Even though I am not in the team at the moment, I still received the notice from the Night Guardian."

"Now that you have encountered a Red Coat, don't you think it's very interesting to show off here instead of giving up?"

He snorted coldly, and a trace of coldness appeared in his eyes.

However, after these words, Xu Xiaoshou did not have much of a reaction.

On the other hand, the group of black-robed people who were originally gathered around him was like frightened birds, feeling uneasy.

"It's really a Red Coat?"

"Damn it, how could such a young Red Coat man appear? Boss, why didn't you say anything?"

"Do you know something?"

"If this fellow is a Red Coat, then if we run away from the Thirty-Six Heavens Sealed Array, wouldn't that be..."

"Shut up!"

The black-robed boss couldn't help but shout because he was also kept in the dark.

But it did not matter if the youth in front of him was a Red Coat or not.

When that fellow attacked and took him down, the ability that he revealed was not something that an ordinary spiritual cultivator could resist.

What could he do?

Other than obeying and acting according to the youth's orders, what else could he do?

"Run!"

Seeing the black-robed boss's iron-faced silence, the crowd finally could not hold on any longer.

They were originally a team formed at the last minute.

At this moment, even the boss's will was shaken. How could this team be maintained?

After a shout burst out, and the crowd dispersed like birds and beasts.

"Who dares to leave?"

Seeing that the person in front of them was about to leave, the young Lu Ke gave a clear shout and the sword intent that filled the sky directly locked down the entire scene.

This time, the people surrounding the Spirit Palace were all shocked.

They saw that the people around them who had raised their legs preparing to run, their bodies exploded with white sword aura. Not only did it lock down their bodies, but they were also battered.

"Master Sword Intent?"

Su Qianqian was shocked.

Looking at the level of this young man's sword intent, although they were both at the Master Stage, he was many times more powerful than her, who had just entered the sect.

Just by looking at the usage of this, All Things are Swords skill, it was completely not at the level of someone who had just become a master swordsman.

At the very least, in terms of the swordsmen present that could contend against that young man...

Su Qianqian could not help but look back at Big Brother Shou.

Xu Xiaoshou also had a surprised look on his face.

He could also use the "I Am the Sword" skill.

However, if he wanted to be like this young man, not only did he have to control people, he could also hurt people.

Not only could he injure others, but he could also injure them to the point of perfection. According to each person's constitution, the corresponding amount of sword intent would be distributed differently.

It would completely cause the accused to be unable to resist, but he would have to continuously endure the pain...

Xu Xiaoshou indicated that he could not do it.

It was too exquisite!

Moreover, after this move, this youth was still so relaxed.

It could be seen that this burst of sword intent was based on his wishes, and he could do it with ease.

“I want to make a deal with you.”

Seeing that everyone was controlled and could no longer interfere with his actions, the youth, Lu Ke, said.

“A deal?”

Xu Xiaoshou raised his eyebrows and looked at the famed sword in his hand.

“Not this one.”

The corner of Lu Ke’s eyes twitched, and he pulled it with his hand.

“Buzz!”

The Green Scale Ridge on Xu Xiaoshou’s hand suddenly buzzed and shook until his palm was numb.

“Go in.”

He casually threw this thing into his Yuan Mansion. Xu Xiaoshou smiled and said, “What deal?”

“Where did you lock my sword?” Lu Ke was shocked.

He actually couldn’t sense any aura of the Green Scale Ridge after Xu Xiaoshou’s action.

This meant that the place where Xu Xiaoshou closed the Green Scale Ridge was definitely not the spatial ring.

After all, if it was that kind of space, with a casual summon of his hand, the Green Scale Ridge would definitely return.

“You don’t need to know...”

Xu Xiaoshou said with a smile.

But halfway through his words, he saw the young Lu Ke form a seal in his hand, and a loud and clear dragon’s roar suddenly came from his Yuan Mansion.

“Ang —”

After the roar, the sword intent soared into the sky.

A green light shot out from his Yuan Mansion and flipped in the air twice before landing directly in Lu Ke’s hand.

“Green Scale Ridge?”

After seeing that it was the famed sword that he had locked up, it was Xu Xiaoshou’s turn to be surprised.

He could summon the famed sword even if it was in his Yuan Mansion?

“It’s useless.”

Su Qianqian laughed lightly and explained, “Big Brother Shou, if he is the real famed sword sword-bearer, then no matter where the famed sword is, it will be able to return in time when its owner calls for it.”

“This is the famed sword!”

“That’s right.”

Lu Ke snorted and continued, “Xu Xiaoshou, I just wanted to make a deal with you, but I didn’t expect you to...”

“Who doesn’t love a famed sword?” Xu Xiaoshou interrupted him indifferently.

Although he didn’t expect such an existence like the famed sword to be able to break through the Yuan Mansion.

But if he couldn’t keep it, then he couldn’t keep it. It wasn’t a big deal.

No wonder this young man didn’t seem to panic at all when his own sword was taken away by someone else.

It turned out that the famed sword had recognized him as its master and was actually so powerful.

“Yuan Mansion...”

He murmured and Xu Xiaoshou asked, “What deal?”

“The Flame Python!”

Lu Ke went straight to the point and said, “I want your Flame Python.”

“Oh?”

“You’re also thinking about my sword?”

Xu Xiaoshou was amused. “Isn’t that strange? I’m thinking about your sword, and you’re also thinking about mine. Why don’t we exchange?”

As he said that, he took out the Flame Python from his ring.

Everyone’s eyes fixed on it. Even Rao Yinyin was stunned.

“Is it really a famed sword?”

No one could tell that it was a Flame Python.

However, the dark red sword in Xu Xiaoshou's hand gave off an aura that was on the same level as the one in Lu Ke's hand...

Was it on the same level?

"Big Brother Shou..."

Su Qianqian was stunned.

When she saw Xu Xiaoshou take out the famed sword, she was not surprised or happy at first.

On the contrary, a deep-rooted phantom that looked like a nightmare appeared in her mind.

It was the Masked Man!

"If it's really the famed sword, Big Brother Shou, will you be targeted by that guy too?"

"Received Concern, Passive Points, +1."

"Sure enough, it can only be in your hands."

Lu Ke exclaimed and his eyes became fiery. "Xu Xiaoshou, give me the famed sword. I can guarantee that I won't reveal your whereabouts. The Red Coat men will also not get the information of your location."

"That's it?"

Xu Xiaoshou was stunned.

"Isn't that enough?"

Lu Ke was also stunned. "Do you know that the first target on the Red Coat's blacklist is no longer the ghost beast, but you!"

"Do you know the dangers of your current circumstances?"

"I know." Xu Xiaoshou spread out his hands. "But, so what?"

Lu Ke was speechless and he was suddenly choked by these crazy words.

"Xu Xiaoshou... chi."

He couldn't help but laugh. Lu Ke's eyes were full of sarcasm. "You are too naive. There is an inescapable net outside the White Cave. You can't escape, do you know that?"

"I see..."

Xu Xiaoshou's eyes finally calmed down.

But he thought about his Vanishing Technique.

"Little fellow, you do not need to be worried about my safety."

"If this is all you have to offer, then you should take advantage of my good mood and leave quickly!"

“Otherwise, I don’t need you to save my life. As long as no one here has the opportunity to leak the news, then naturally, no one will leak my whereabouts.”

After saying this, everyone felt a chill in their hearts.

Seeing Xu Xiaoshou’s smiling face, they suddenly felt an inexplicable pressure.

Even the people from the Spirit Palace were silent for a moment.

“Hahaha, you want to kill me?”

Lu Ke laughed, “It’s a good idea, but you don’t have the strength at the moment!”

“Maybe.” Xu Xiaoshou frowned.

To be honest, he couldn’t see the young man’s strength clearly.

Not just anyone could be the owner of a famed sword.

People like Su Qianqian wouldn’t be able to pass if they didn’t have a strong background.

They wouldn’t be able to protect the famed sword at all.

The words were a little harsh but it was true.

Lu Ke not only had the identity of the sword-bearer but he also belonged to the Red Coat.

“He has a powerful background.”

Xu Xiaoshou waved his hand.

“You should leave. If you want to reveal my whereabouts, go ahead. Since I dare to come here, I won’t be afraid of this.”

At the moment, the Path Pattern Initial Stone was more important.

Once he got the treasure, he would immediately escape. No one would be able to retain him.

When Lu Ke heard this, he was a little surprised and uncertain.

There was still someone in the White Cave who was not afraid of the Red Coat?

And it was a young man?

“You...”

After hesitating for a moment, Lu Ke said again, “Give me the famed sword, and I’ll give you the Path Pattern Initial Stone!”

“Oh?”

Xu Xiaoshou’s eyes immediately lit up. “You have the Path Pattern Initial Stone?”

“I don’t.”

Lu Ke shook his head and pointed at the ground. “But there’s one here.”

“Pfft!”

Xu Xiaoshou immediately laughed out loud. “You brat, you’re really funny. I’m here. Do you think that I don’t know that there’s one here?”

Lu Ke said, “I know that you know, but... I’m also here!”

The people from the Spirit Palace were originally happy.

However, their laughter suddenly stopped.

Mu Zixi was stunned for a moment before she slowly said, “Xu Xiaoshou, I’ve finally met someone who’s even more arrogant than you.”

“Crushed, Passive Points, +1.”

Xu Xiaoshou looked at the random information column and gritted his teeth as if he was having a toothache. He was just about to say something.

“Draw!”

Lu Ke placed his long sword behind his back and formed a hand seal with both of his hands before he suddenly struck the ground.

“Dong Dong.”

A muffled sound, like the beating of a heart, shook the ground twice.

The ground suddenly shook.

In the next moment, it shook violently.

“Ka Ka!”

Along with the sound of cracking, a beam of light shot out from under Xu Xiaoshou’s feet.

Xu Xiaoshou hurriedly dodged it.

“The Heaven and Earth phenomenon?”

He looked at everything in front of him in surprise.

Lu Ke could stir up Heaven and Earth phenomenon?

“All the treasures in White Cave have been sealed by a Red Coat.”

“They don’t take them just because they don’t need them.”

“Even though it’s called a training ground, to put it bluntly, these treasures are used to reward those who dare to enter the White Cave and have the ability to take them.”

Lu Ke explained, and suddenly there was a hint of a smile on his voice.

“However, if it is really necessary, it only needs a seal. Even if it is a treasure that has yet to be unearthed and urgently needs to be nurtured, the Red Coat can take it back too!”

He removed the seal and looked up at the sky.

The light beam produced by the Heaven and Earth phenomenon of the Path Pattern Initial Stone was no less than the one produced by the famed sword Flame Python when it was unearthed.

Not only that, as the Heaven and Earth's Power of Punishment gradually decreased, the dense path mechanism also spread out in an instant.

"Buzz!"

Rings of path mechanism ripples spread out from the center of the light beam.

In just an instant, they enveloped everyone present and continuously spread out.

"This is..."

Everyone was shocked.

This was because everyone could sense that along with the fluctuations of this path mechanism, their cultivation base seemed to be starting to loosen.

The bottleneck that was normally difficult to comprehend and break was faintly showing signs of being broken.

And those spiritual techniques that had yet to be mastered were also enlightened by the ripples of this streak of opportunity.

The ones with the most intense reactions were the spiritual cultivators who were already at the peak of the Upper Spiritual Level.

Tan Ji was originally lying on the ground, but suddenly, like a dead fish that had been hit by a knife, he bounced up from the ground and sat up straight.

"This!"

He had woken up a long time ago.

He didn't want to talk, because he couldn't face Xu Xiaoshou and the people of the Spirit Palace.

However, with the appearance of the Path Pattern Initial Stone, he couldn't pretend anymore.

The cultivation level that he was desperately suppressing was like a rocket that was ignited at this moment, and he couldn't help but jump up.

"Suppress it!"

Tan Ji roared furiously in his heart and his expression turned savage.

He mobilized all the strength in his body to suppress the turbulent energy reserve.

Master Stage?

If this thing wanted to break through, Tan Ji would have been able to do so long ago.

However, wasn't the reason he had been maintaining his cultivation level was for the sake of Dongtianwang City?

If his cultivation level was really broken through for no reason at this moment, then wouldn't all his previous efforts go down the drain?

It wasn't just him.

At the moment of the excavation, more than ten people present almost couldn't suppress their cultivation and wanted to complete the breakthrough.

And those who couldn't be suppressed... were also present!

"Buzz."

Mu Zixi raised her twin ponytails and wilted again.

Inexplicably, her cultivation level had broken through to the Upper Spiritual Level.

It was as if someone had hit her head with a stick, and it took her quite a while to regain her senses.

"This..."

Xu Xiaoshou's face was also filled with disbelief.

With just this one wave of path mechanism, he began to feel that the door to the Upper Spiritual Level was opening for him.

However, it was different from the others.

His door to the Upper Spiritual Level seemed to be much more solid.

Even if he had the tendency to push it open, if he didn't give it a big push, with just this small wave of energy...

Could only affect it, not push it away!

"But this, isn't it too strong?"

Xu Xiaoshou was still very surprised.

This was just a fluctuation when it was just unearthed, yet it had such an influence.

If it was to be used for cultivation... it would be amazing!

Xu Xiaoshou was excited.

As expected, this Path Pattern Initial Stone was indeed worthy of being called a supreme treasure that could be used by Sovereign powerhouses to comprehend the Way of the Heavens.

It had just been unearthed and was already so useful.

If it was embedded in the Yuan Mansion, not only would the space of the Yuan Mansion be greatly expanded, but in the future, cultivating in it would be even faster!

“How about it? Think about it?”

“You should know that as the ripples of the Path Pattern Initial Stone spread, it will soon attract more people here. When that time comes...”

Lu Ke’s eyes were full of smiles and he did not say anything more.

He naturally knew how powerful the Path Pattern Initial Stone was.

He had brought many black-robed men here intending to take out this item for his own cultivation.

He had also used the name of Xu Xiaoshou to lure that fellow out.

However, he did not expect that he would not be able to find it even after he had worn out his iron shoes.

Xu Xiaoshou was actually here!

Then, compared to the Path Pattern Initial Stone, the famed sword was clearly more attractive.

The transaction would naturally take place.

“Nothing much.”

Before Xu Xiaoshou could say anything, Yu Zhiwen, who was by his side, spoke indifferently.

“Red Coat is in charge of exploring the extradimensional space. At the same time, they are also in charge of sealing unstable and incomplete treasures. This is their duty.”

“But there is no rule that says that you can break the seal at any time as long as you want it.”

“It is still a supreme treasure that did not come into being on its own!”

She pointed at the Path Pattern Initial Stone in the void and said coldly, “On this point, you have seriously violated the rules. Do you know your crime?”

“Who are you?” Lu Ke’s pupils constricted.

“It doesn’t matter who I am. What is important is that you should not use the treasures here to trade.” There was anger in Yu Zhiwen’s tone.

How important was the Path Pattern Initial Stone?

After she came here, she could already feel that this thing was less than half a day away from being nurtured to the peak and being unearthed on its own.

This should be the reason why Rao Yinyin was waiting here.

However, Lu Ke actually broke the seal for his own benefit.

If it was something else, Yu Zhiwen might not be so angry.

However, she could not stand seeing such a supreme treasure that could be used to assist the Divine Secret being destroyed like this.

“Seal!”

With a wave of her hands, a light screen of the Divine Secret directly wrapped around the Path Pattern Initial Stone in the void.

Before the Power of Heaven’s Punishment had completely fallen, she had gathered the Heaven and Earth Path Energy and directly pressed it into the Path Pattern Initial Stone, wanting to help it grow to the peak.

The treasure had already been unearthed.

Sealing it back was also possible, but it was not something that Yu Zhiwen’s current cultivation level could do.

The only thing she could do was to take advantage of the short time when the Path Pattern Initial Stone was born to speed up the process of nurturing the Way of the Heavens’ energy movement.

Otherwise, although this Path Pattern Initial Stone could be born, it would definitely leave behind irreparable flaws.

“Divine Secret?”

Lu Ke looked at all of this with disbelief in his eyes.

“You, you’re from the Path Division?”

Yu Zhiwen glared at him hatefully.

This fellow might not even know how much of an impact this half a day had had on the real Path Pattern Initial Stone.

But at this moment, she did not have the spare energy to explain.

“How did the people from the Path Division... The headquarters of the Holy Divine Palace come here?”

Lu Ke saw that Yu Zhiwen was silent, and his heart was slightly flustered.

He suddenly thought of the Red Coat’s previous message.

Could it be that his master had already arrived?

His heart was suddenly shocked. At this moment, Lu Ke even had the thought of turning around to leave.

But on second thought, even if his master had arrived, the only thing he should be concerned about was the fight between the upper echelons of the White Cave.

How could such a small fight be noticed?

“Steady, steady.”

Forcefully suppressing his impulse, Lu Ke raised his head and asked Xu Xiaoshou again, “What do you think? Handover the famed sword and the Path Pattern Initial Stone will be yours?”

Xu Xiaoshou saw that Yu Zhiwen was trying her best. He narrowed his eyes slightly and said, "Nothing much!"

"So what if you've broken the seal?"

"Putting aside the fact that this thing doesn't belong to you in the first place, just the fact that my friend has put in so much effort for it, this Path Pattern Initial Stone is no longer a treasure that you can use to trade."

"Needless to say, the famed sword, the Path Pattern Initial Stone is also not something that you can get your hands on!"

Lu Ke frowned.

Why was Xu Xiaoshou so stubborn?

"Handover the famed sword. Not only will I give you the Path Pattern Initial Stone, but I will also guarantee that you will escape from the White Cave and not be caught by the Red Coat people!" He took another step back.

"Oh?"

Xu Xiaoshou could not help but look sideways. "Are you sure?"

"That's because..."

Before Lu Ke could finish, Yu Zhiwen looked at him coldly again. "Lu Ke... is it? Don't forget that you are a Red Coat as well!"

Although she was on Xu Xiaoshou's side at the moment.

However, when she saw that such a rascal disregarded the rules in her organization, she naturally could not hold back.

"Even though I am a Red Coat, but I am only an intern."

Lu Ke shook his head. "My true ambition is not with the Red Coat, so you don't have to use the rules of those Red Coats to suppress me. Compared to the rules, the famed sword is more suitable for me."

"But you are still a Red Coat!"

Yu Zhiwen said angrily, "At least, you are still wearing the Red Coat."

"Ha."

Lu Ke pointed at the black robe and said, "How do you know that I am wearing..."

However, he was not finished.

In the Void, the power of Divine Secrets twisted and crushed the black robe inch by inch.

The wind blew, and the Red Coat, which had been curled up a little, opened up with a rustling sound.

Everyone was stunned.

He was indeed a Red Coat!

Even though he was so young, it was undeniable that this young man was wearing the Red Coat, which symbolized one of the two most transcendent special organizations in the continent!

“Lu Ke.”

Yu Zhiwen took a deep breath and said, “Before you take off this Red Coat, even if it hasn’t become official, you are still a Red Coat.”

“And Red Coats have to follow the rules.”

“Rules are rules. No one can break them.”

“This is not only the rule of the Red Coats but also the... rule of the Holy Divine Palace!”

Chapter 524: Suppressing the Entire Scene!

Xu Xiaoshou raised his eyebrows in surprise.

It seemed that this was the first time that he had seen Yu Zhiwen get angry.

This girl seemed to be calm in the face of big things, but the rules of the Holy Divine Palace were so serious.

Was this her bottom line?

“Rules?”

Lu Ke was not scared by Yu Zhiwen’s tone. He asked, “Since you could construct the Divine Secret means that you are from the Path Division.”

“So, you are from the headquarters?”

“Since you are from the headquarters of the Holy Divine Palace, don’t you know that you have also broken the rules?”

He pointed at Xu Xiaoshou and said, “This guy is on the Red Coat’s blacklist. As a member of the Holy Divine Palace, aren’t you breaking the rules by siding with him?”

“I have my considerations. You don’t have to worry about it!” Yu Zhiwen was not afraid at all.

“Considerations?”

Lu Ke sneered. “If you can put it that way, I have my considerations too. What do you think?”

“Lu Ke!”

Yu Zhiwen was angered.

Her hands that were maintaining the Divine Array were a little unsteady.

“You are pursuing your interests. Do you think I can’t tell?” She said angrily.

“Aren’t you the same?” Lu Ke laughed.

“Very good.” Yu Zhiwen’s voice was completely cold. “Elder Wuyue has taught you so much. Is this how you are going to ruin his reputation?”

“You...”

Lu Ke’s face suddenly froze. He cried out, “You know my master?”

Master?

While everyone was still confused, Xu Xiaoshou’s heart was in turmoil.

Elder Wuyue...

Wasn’t it Gou Wuyue?

Wasn’t it one of the Seven Sword Deities?

Wasn’t it one of the Ten High Nobles?

This young man, Lu Ke, was his disciple?

Looking at the Green Scale Ridge on the back of the fellow not far away, Xu Xiaoshou suddenly understood something.

As expected, no one who could carry a famed sword on their back was a simple person.

“Who exactly are you?” Lu Ke couldn’t help but take a step back and asked Yu Zhiwen.

This time, he truly panicked.

“It doesn’t matter who I am.”

Yu Zhiwen repeated, “What’s important is that even if you retreat now, your actions, including what you said and what you did, will fall into Elder Wuyue’s mouth.”

“It’s up to you!”

“I...” Lu Ke stepped back and said in disbelief, “You’re framing me! You can’t know my master!”

“Whoosh!”

A command token streaked across the void and was nailed in front of the young man.

Lu Ke hurriedly picked it up.

The moment he saw it, the panic in his heart grew.

“Is, is it really my master’s command token?”

He looked at the girl in the void in horror and then looked back at the command token. For a moment, he could not say a word.

“What is that?”

Xu Xiaoshou used Perception and saw the thing in Lu Ke’s hand.

It was a black command token with a white frame. One side was engraved with the word "Gou" while the other side was completely black. There was a silver half-moon on top of it.

"The command token of the Moonless Sword Deity?"

Xu Xiaoshou was shocked.

He turned to look at Yu Zhiwen. Once again, he was shocked by the girl's background.

What kind of person could get Gou Wuyue's command token?

Not all the members of the headquarters of the Holy Divine Palace would have one, right?

Yu Zhiwen wasn't simple either!

He couldn't help but take a few steps forward. Xu Xiaoshou lowered his voice and asked, "Little Yu, do you still have this thing? Give me a few to play with?"

She turned her head and rolled her eyes at Xu Xiaoshou, ignoring him.

"Belittled, Passive Points, +1."

"Humph, if you don't give it, then don't give it. What's the point of being arrogant?" Xu Xiaoshou left sullenly.

The scene fell silent for a moment.

Lu Ke didn't dare to say anything more.

Obviously, the appearance of Gou Wuyue's command token had messed up all his plans.

But he racked his brain, but he still couldn't figure out who this woman in front of him was.

How on earth did she get the command token from his master that he had never gotten before?

This... it couldn't just be the Path Division.

Could she be the daughter and disciple of the Hallmaster Dao?

No way!

Lu Ke began to panic.

He had never heard that Hallmaster Dao had a daughter or disciple!

After Lu Ke fell silent, everyone present fell silent.

Apart from the black-robed people who were still frozen in place by the sword energy and could only wail bitterly, none of them could make a sound.

Everyone looked at the Path Pattern Initial Stone above them.

After the rays of light converged, the supreme treasure finally revealed its true appearance.

It was a milky-white statue in the shape of a skeleton.

It was very small.

It was estimated to be only the size of a palm.

However, the fine patterns on it were clearly outlined.

Xu Xiaoshou opened his Perception wide and focused his attention on it.

It was a small statue that looked like a white skeleton. Although it was milky-white in color, there were all kinds of messy and colorful small lines on its body that were very fine.

The most obvious ones were the black patterns on its head that looked like devil veins.

It was filled with a murderous aura!

When he looked down, it was easy to see the hidden patterns on the chest of the little skeleton that was milky white and slightly silvery white.

Xu Xiaoshou felt the familiar infernal power.

He pondered and continued to look down.

Around the lower abdomen, the color of the patterns changed again.

And within it, the faint frozen power was also very obvious.

This wasn't difficult to guess... Xu Xiaoshou suddenly understood.

"The Path Pattern Initial Stone was born in the White Cave and was sculpted by the power of the Way of the Heavens, so its appearance took on the form of a white skeleton."

"And from the looks of it, these patterns should be the manifestation of the power of the various treasures in the White Cave."

"The infernal power, the frozen power, then..."

Xu Xiaoshou's gaze returned to the devil veins on the little white skull.

There were so many black patterns, and they also contained such a full and ferocious power.

If nothing went wrong, this should be the White Cave's supreme treasure — the manifestation of the power of the Fourth Sword.

"Interesting!" Xu Xiaoshou exclaimed in surprise.

A leopard can be seen through a tube.

Just by looking at the patterns on this Path Pattern Initial Stone, one could already see the existence of the Fourth Sword. It was definitely not something that other treasures could compare to.

Looking at this statue whose entire head was almost tattooed black, one could imagine how terrifying the true power of the Fourth Sword was.

"Is it still not done?"

Xu Xiaoshou ended his observation and approached Yu Zhiwen, asking in a low voice.

“Almost.”

Yu Zhiwen’s voice was a little hoarse.

Combining the power of heaven and earth into the Path Pattern Initial Stone to help it reach perfection was really not something that she could do at her current level.

If she really wanted to complete it, she could do it.

But at that time, she would probably lose all her combat ability and lose the qualification to participate in the competition for the perfect Path Pattern Initial Stone.

In Xu Xiaoshou’s words, it was “hard work and no gain”!

However, this girl was also very stubborn.

With her intelligence, it was not difficult for her to see through this.

Therefore, there was still such a move...

Xu Xiaoshou was very touched.

“Such a good person!”

“We only met by chance. Just to be teammates in name, she was able to help to this extent. Little Yu is really too gentle, too good!”

Xu Xiaoshou secretly clenched his fists.

No matter what the situation was today, he would never let anyone else get the Path Pattern Initial Stone.

Time passed slowly.

Everyone present had their own ideas.

Some had seen Xu Xiaoshou and Lu Ke’s strength and decided to give up struggling.

Some had hidden secrets and were waiting for an opportunity to plot something.

Some stood idly by and waited for the final opportunity to take down the treasure in one fell swoop...

But no matter what, at this time, no one dared to disturb Yu Zhiwen.

Everyone understood that once the Divine Secret in the girl’s hands was completely lowered, it was the beginning of chaos.

“Chi Chi!”

The Path Pattern Initial Stone continued to compress and expand in the void, like a slow-beating heart. Step by step, it breathed in and out the path mechanisms in the world to repair itself.

And with each beat, a path energy ripple that was closer to perfection spread out.

It took less than fifteen minutes.

The breakthrough that should have been made in the field.

Those who did not want to make a breakthrough had already retreated far away to the outer circle.

“Someone is coming!”

Suddenly, everyone’s expressions tensed up. They turned their heads to look behind them.

The most worrisome situation had finally appeared.

The restoration of the Path Pattern Initial Stone was too time-consuming.

During this time, which was as long as a year, it was enough for those who were not here but could sense the fluctuations of the path mechanisms in the world to gather here.

“Swoosh swoosh swoosh.”

One after another, figures appeared from the horizon and floated down in the blink of an eye.

“What’s the situation?”

Those who came later were all frightened by the strange atmosphere in front of them.

Without a doubt, the treasure that attracted them and could help them comprehend the Way of the Heavens was floating in the air.

However, these fellows who arrived first were all standing in place. What was going on?

“One, two, three, wooden figures?”

“Or is there a special situation where they can’t move?”

“That’s not right. When did such a harmonious scene appear in the White Cave? Why didn’t they fight for it?”

“Am I dreaming? Can someone come out and explain it to me?”

Someone lowered his voice and asked around, afraid that if he spoke too loudly, he would break the inexplicable silence and he would become the center of attention and be killed.

“If I’m not mistaken, this thing should be a Path Pattern Initial Stone?”

“But if it really is a Path Pattern Initial Stone, then what are these people... waiting for?”

The person who spoke was a little fearful.

Compared to the usual scene of all parties fighting for the treasure the moment it was born, this scene was much more terrifying.

The deathly silence before their eyes was so silent that it practically seeped into people’s souls and made them panic.

“Is she collecting the treasure?”

Someone pointed at Yu Zhiwen.

The only person who was still moving was this girl.

“No.”

“It doesn’t seem like it.”

“From her movements, it seems like... she’s repairing it?”

“Is she a Spirit Array Caster? Repairing the Path Pattern Initial Stone? What a joke!”

“Darn it, why is everyone so harmonious? I’m not used to it. Shouldn’t we pull out our swords and fight each other at this time? Why is this place so unique?”

The newcomers were stunned.

Even if the enemy didn’t move, they wouldn’t dare to do so...

Xu Xiaoshou watched as more and more people fell, and his brows couldn’t help but furrow.

So many people at the Master Stage!

With just a glance, out of the ten newcomers, four or five were at the Master Stage.

It seemed that during this time, there were already some Upper Spiritual Level youths who had obtained benefits in the White Cave and successfully broke through to the Master Stage.

And if one were to include those Innate fellows...

The number of newcomers here was already about to break through sixty to seventy.

“There’s a bit of pressure...”

Under such circumstances, no matter how strong Xu Xiaoshou was, it was possible to be tricked.

Masters weren’t Acquired or Innate stages.

For these people to be able to live until now, almost all of them had hidden cards.

When the Path Pattern Initial Stone was formed, if it were to explode at the same time, even the Sovereign would find it hard to get a good result under such a situation.

Not to mention, who knew how many experts were hidden among these fellows who could challenge those of a higher state!

“Threatened, Passive Points, +1.”

Xu Xiaoshou’s expression turned grave.

He didn’t even notice it.

Along with his heavy mood, the oppressive feeling in the air also gradually increased, to the point that it was enough to make people’s faces freeze.

“Something’s wrong...”

The first ones to notice that something was wrong were the weaker ones.

An Innate expert was standing and chatting with his companion. Suddenly, he covered his chest and said, “Why do I feel that the atmosphere here is a little oppressive?”

“Is that your imagination?”

His companion was a Master Stage expert, so he didn’t realize that something was amiss. However, upon hearing those words, he swept his gaze across the solemn faces of the crowd and became suspicious.

“However, when you put it this way, there does seem to be something amiss.”

“No matter how oppressive it is, shouldn’t there be someone who would step forward and make the first move?”

“All of them are standing still. They seem to be waiting, but why do I feel like they are being suppressed and don’t dare to come out?”

“... suppressed?”

The others were shocked.

It would be better if they didn’t say it out loud.

As soon as they talked about it, everyone felt that something was wrong.

Indeed, the atmosphere in this place was a little too strange compared to the other places.

Unknowingly, that inexplicable aura that came out of nowhere had completely condensed into form. It was like an invisible demon suppression tower, suppressing everything in the sky.

No one dared to move. Perhaps, in the beginning, it was only because they wanted to figure out some tricks before making a move.

But if a person could wait for so long and everyone was the same, then something was very wrong!

It was as if a terrifying demon was beginning to climb out of their hearts.

It was telling everyone’s subconscious that they couldn’t go out.

If they went out now, they might die.

“Who’s playing tricks!”

Finally, someone could not help but shout out in shock.

This kind of subconscious panic that was spread unconsciously could not have come from something as pure and righteous as the Path Pattern Initial Stone.

It could only be that the evil and unorthodox were secretly attacking and secretly influencing everyone.

“Shoo!”

The sound of wind could be heard.

The person who shouted could not help but bend his knees and jump up. He broke through the invisible aura in the air and rushed towards the Path Pattern Initial Stone.

Yu Zhiwen did not even bat an eye and called out in a low voice, "Xu Xiaoshou."

Before she could say anything, Xu Xiaoshou had already been attracted by this person's movements.

He glanced back.

"Bang!"

That guy, who had been going straight up at the beginning, seemed to have hit an invisible barrier in mid-air and was directly blasted back into the ground and even created a large crater.

"Huh?"

This time, everyone was shocked.

"What's the situation?"

"What, what happened here?"

"How did Qiao Yu fall? Is there a Heaven and Earth spiritual array here? But why can't I feel any spiritual source fluctuation?"

"Who's controlling it!"

Everyone panicked.

They looked at the young man who was trapped in the pit, trying to stand up, but couldn't even move his fingers. Their expressions changed.

"Gravity?"

"Or the bounded domain of a Sovereign?"

"No, that's impossible. Even if it's a bounded domain, there must be a range and a limit, right? This guy..."

"Could it be that there's an invisible magnetic field in this place, and we fell into it the moment we entered?"

Hearing this, everyone became even more confused.

Xu Xiaoshou looked at the person in the pit in astonishment.

This young man called Qiao Yu couldn't get up. Could it be because...

I'm looking at him?

He suddenly thought of something.

"Swallow the Mountains and Rivers?"

Xu Xiaoshou looked away in disbelief and tried again.

As expected, as soon as he looked away, Qiao Yu shot up into the sky again.

“Who is it!”

“Who is playing tricks? Come out now!”

Xu Xiaoshou glanced over.

“Boom!”

This time, an even deeper hole was created.

Qiao Yu even felt that his butt was about to burst open.

With great difficulty, he mobilized the obscure and profound spiritual source in his body. He barely moved his hand and touched his butt.

It was full of blood!

“Darn, it wasn’t just a feeling? Did it really burst open?”

“Who is it?”

“Feared, Passive Points, +1.”

“Surprised, Passive Points, +122.”

Xu Xiaoshou was amused.

“It’s really me?”

He had never expected that all of this was his masterpiece.

“Swallow the Mountains and Rivers?”

He didn’t know when this aura had been condensed, but it had actually accumulated to this extent?

Even an expert in the Upper Spiritual Level could suppress it with a single glance?

This was too unsolvable!

“Mood change...”

Xu Xiaoshou’s thoughts focused as if only now did he completely understand the true usage of Swallow the Mountains and Rivers.

The existence of this passive skill in this state might not be like what he had imagined, where one could only rely on anger and killing intent to condense their aura.

On the contrary, in the current situation.

As his mood gradually became heavier, the aura that was constantly accumulating seemed to be the true use of Swallow the Mountains and Rivers.

The aura that was condensed for more than a quarter of an hour...

If this was in a battle, who would give so much time?

And if it wasn't in a battle, as long as the aura was condensed, who would be able to break it?

But, Xu Xiaoshou was confused again.

After understanding this point, his mood was clearly no longer heavy.

But why did he feel that the heavy feeling in the atmosphere didn't weaken at all? Instead, it seemed to be rising again?

"That's right!"

He suddenly clenched his fist and came to a realization.

"The change in mood can indeed trigger the activation of the passive skill Swallow the Mountains and Rivers, but it didn't state that I can only have one mood at a time!"

Depression, heaviness, worry...

There was no saying that a person could only have one emotion at a time.

On the contrary, the progression of all kinds of emotions was based on the perception of the body, and it was constantly changing.

In other words, as long as he came into contact with a person, he would be able to change his emotions as he communicated and moved.

And as long as his emotions continued to fall, the momentum accumulated by Swallow the Mountains and Rivers would not dissipate!

He looked at the chaotic situation in front of him.

Xu Xiaoshou completely realized that these small fries had fallen into the huge magnetic field that he had inadvertently set up.

If he did not reap the harvest now, when would he do it?

"Silence!"

Xu Xiaoshou did not think about it and directly flew into the sky, instantly attracting everyone's attention.

"Darn, how did this fellow get up there?"

"I tried it just now, and it seemed like it was fine before. But now, that invisible aura is so strong that I can't even breathe. I can't even jump."

"Me too, me too. I'm a Master Stage Threshold expert, and I can't even jump. Is there really a Sovereign here?"

"Or is that guy the Sovereign?"

The scene exploded.

However, before the steam in the pot could rise, it was suppressed by the heavy aura and fell to the ground.

Immediately, the crowd was filled with panic.

“Surprised, Passive Points, +130.”

“Speculation, Passive Points, +59.”

“Watched, Passive Points, +134.”

The information bar kept jumping, and Xu Xiaoshou’s smile was about to bloom.

Was this the Swallow the Mountains and Rivers skill?

As expected, it was the same as what he had imagined!

The only difference was that there were fewer people here.

If there were thousands of people, he could secretly accumulate some momentum. If he jumped out now, wouldn’t it be the harvest of tens of thousands of passive points?

He forcefully suppressed the happiness in his heart, and his will completely turned into a disregard for everyone present.

Even if he didn’t know what kind of emotions could maintain the momentum accumulated by Swallow the Mountains and Rivers.

However, Xu Xiaoshou was aware that choosing to directly confront them was the best way to never stop his emotions.

“Silence!”

An even more high-profile order was pressed down.

This time, everyone suddenly felt as if their hearts had skipped a beat.

For a moment, even the person who was speaking had his voice cut off, completely interrupted by Xu Xiaoshou’s imposing manner.

“Surprised, Passive Points, +129.”

One after another, people continued to rush over from other places.

At this time, Xu Xiaoshou was no longer in a hurry to use the Path Pattern Initial Stone.

He looked at the young people who were like moths attracted to a flame, unable to move as if they had fallen into a swamp. He placed his hands behind his back.

“Very good.”

“Unexpectedly, all of you are very obedient.”

“Since that’s the case, I still have a few words to say. All of you should be patient and continue to listen!”

“Darn it!” Someone in the crowd immediately cursed.

Only a ghost would want to listen to you!

If it wasn’t for the fact that he seemed to have been possessed and couldn’t move at all, he would have immediately pulled out his sword and cleaved that pretentious fellow who was standing on top of his head into two halves!

“What did you say?”

Xu Xiaoshou slowly turned his gaze to the side. His gaze focused and his voice sank. “Say that again?”

“Bang!”

The moment he finished speaking, that fellow who was about to speak bent his knees and his entire body smashed into the ground, causing blood to spurt out.

“Darn!”

This time, those who were still in a state of doubt in the crowd were certain.

“It’s him, it’s him!”

“That inexplicable pressure came from this fellow. There’s no mistaking it!”

“That’s right. That’s what happened to Qiao Yu just now. He must have done something in the dark.”

“But what kind of spiritual technique is this? I can’t feel the slightest fluctuation of a spiritual source at all...”

“Don’t look into his eyes. Don’t look into his eyes, it will...”

“Bang!”

Xu Xiaoshou was attracted by the last person. He turned his gaze to the side and that person knelt on the spot, creating a deep pit on the ground.

“Uh...”

This time, Xu Xiaoshou was also stunned. “Sorry, I didn’t do it on purpose this time.”

The entire scene was dead silent!

“Feared, Passive Points, +147.”

Chapter 525: You Know Nothing About Power!

“What kind of spiritual technique is this?”

Lu Ke, who was carrying a long sword, was also confused.

Xu Xiaoshou was holding a famed sword the Flame Python, which meant that this guy was an outstanding swordsman, which was why he was recognized by the famed sword.

But now, besides the Way of the Sword, the ability that Xu Xiaoshou showed was much more than what Lu Ke knew about him.

“This pressure...”

Lu Ke couldn't believe it. This kind of pressure that could only be felt by a senior at the Sovereign Stage was created by Xu Xiaoshou.

Not to mention that this aura was still rising with time, just the fact that Xu Xiaoshou could use this aura to cause real damage was already sensational.

“I have to break it first!”

Lu Ke's expression became serious.

Although Xu Xiaoshou's aura was strong now, it was not formed yet. It could only imprison many Innate Stage experts that were present.

A spiritual cultivator at the Master Stage would have some influence, but it was definitely not as serious as the Innates.

If he wanted to take action, his movements might be a little sluggish.

But with the famed sword in his hand, if he wanted to break this aura, it was not impossible.

However... he glanced in Yu Zhiwen's direction hesitantly.

Lu Ke hesitated.

He had indeed never seen this woman in the headquarters of the Holy Divine Palace.

However, on this continent, Hallmaster Dao was not the only one who could master such a Divine Secret at such a young age.

“Did she come out of the Holy Emperor's secret realm?”

This thought only lingered in Lu Ke's mind for less than a second before it was instantly denied.

How could those people who were above the secular world fall into such a small mortal world as the White Cave?

It was ridiculous!

“Clang—”

A sword chime broke through the clouds.

A loud dragon's roar followed closely behind. Lu Ke unsheathed his long sword and pointed it at the sky.

“Boom!”

The void suddenly shook.

At this moment, everyone immediately felt that the pressure that was restraining them had disappeared in an instant.

“It’s done!”

Almost at the same time, Yu Zhiwen’s face revealed a look of joy.

As her hands danced in the air, the Path Pattern Initial Stone shone in the air and the opportunity of Great Path was withdrawn.

In the next second, the path mechanism returned and covered a radius of dozens of miles.

“Buzz!”

“Buzz!”

This time, clearly many people wanted to soar into the clouds.

However, the spiritual source in the energy reserve exploded and killed most people’s thoughts.

Close to dozens of people broke through at the same time.

The Heaven and Earth spiritual energy gathered crazily, making a rustling sound, and directly turned into mist in mid-air.

“What a guy!”

Xu Xiaoshou sighed secretly.

This scene was too spectacular.

He thought that he could rely on the Swallow the Mountains and Rivers skill to suppress the entire scene, but Lu Ke’s sword had obviously broken his plan completely.

“Charge!”

“The Path Pattern Initial Stone is just above, what’s the point of breaking through? If I get my hands on this thing, wouldn’t I have a chance to breakthrough in the future?”

“Hurry up and attack!”

Someone took advantage of the chaos and shouted.

Immediately, most of the people were jolted awake. They hurriedly suppressed the situation where they were about to break through and chose to pull out their swords and fly into the sky.

“Whoosh! Whoosh! Whoosh!”

Yu Zhiwen was exhausted. The moment she let go and landed on the ground, dozens of light shadows pounced on her.

Xu Xiaoshou wanted to make a move, but a weak voice sounded beside his ears.

“Wait!”

Huh?

Xu Xiaoshou turned to look at Yu Zhiwen.

Yu Zhiwen landed beside him and explained, "It's not that simple. If it was that easy to get the Path Pattern Initial Stone, I would have just taken it. Why bother?"

"That's true."

Xu Xiaoshou immediately understood and asked, "But what do you mean by 'not simple'?"

Yu Zhiwen heaved a sigh of relief.

"Divine Array!"

"Oh?"

Only then did Xu Xiaoshou place his Perception completely on the Path Pattern Initial Stone.

As expected, he saw the familiar, obscure and difficult pattern of the Divine Array's pattern on it.

The white skeleton sculpture was very small.

However, the Divine Array that was nested layer by layer outside was like an ancient tower that was as tall as a person, firmly holding it in place.

"Snatch!"

The crowd rushed to the side of the Path Pattern Initial Stone in a flash.

This time, even if there were people who were similarly puzzled as to why Yu Zhiwen did not take the Path Pattern Initial Stone along with her, however, under such circumstances, they were unable to think too much.

"Bang!"

The first to strike seemed like he was about to touch the true body of the Path Pattern Initial Stone.

However, the invisible multi-nested Divine Array suddenly flashed, and with a boom, it directly blew this guy hundreds of feet away.

Blood sprayed onto the faces of the people at the side.

Those who were still behind were all stunned.

However, the momentum of the first person's attack was like an arrow leaving the bow, and it was difficult to retract it.

Originally, everyone wasn't too far away, and it could even be said that they were very close.

With just a hair's breadth of the distance between them, even if they saw someone being sent flying at the first instance, it would be difficult for them to stop.

This time around, the scene was a little spectacular.

“Boom Boom Boom...”

More than ten continuous explosions sounded.

Those fellows who wanted to strike first were directly blasted unconscious by the multi-layered Divine Array.

“Oh my God, is it that scary?”

The blood splattering in the sky finally calmed the people behind them down.

Everyone stopped in mid-air and didn't dare to move.

“Is this the Divine Array?”

“That's not right. Didn't the lady just undo the Divine Array and complete the repair action?”

“Why is there such a thing now?”

“Could it be... she set it up when she withdrew her hand?”

The discussion was in full swing.

After a short while, everyone's eyes were fixed on Yu Zhiwen.

“This lady...”

Before she could finish her sentence, Xu Xiaoshou, who was standing beside Yu Zhiwen, could no longer listen to the discussions.

These people who were blinded by benefits could really think of anything!

From the looks of it, they were planning to ask Yu Zhiwen to help them solve the array after she fixed the problem of the early birth of the Path Pattern Initial Stone?

Could she solve it?

Xu Xiaoshou glanced at Yu Zhiwen's pale face and couldn't hold it in any longer.

He took a step forward and tilted the famed sword in his hand.

“Scram!”

His voice was like thunder.

As his shout fell, the air currents in the air swirled, as if a cannonball had been thrown into the crowd.

“Bang!”

Those guys who had turned their heads in unison were directly shaken to the ground.

The terrifying pressure once again covered the entire area.

Xu Xiaoshou was shocked as well.

However, he quickly came to a realization.

It turned out that the aura accumulated by the Swallow the Mountains and Rivers could indeed be broken.

However, being broken did not mean that the aura accumulated previously would completely dissipate.

On the contrary, along with Xu Xiaoshou standing idly by the side for a short time, all of this aura was once again hidden.

At this moment, the anger in his heart surged, and he was able to suppress it once more!

“Darn it, what the hell is this thing?”

“Why does it feel even more terrifying than before...”

After Xu Xiaoshou had taken a glance at them, all of the people in the air were obediently pushed back to the ground.

At this moment, even Master Stage experts felt extremely restricted.

Not to mention those Innates...

These people only bent their bodies, but they already felt that they had used up all their strength.

And when they wanted to move their spiritual source, their energy reserve also felt as if it was under the weight of Mount Tai, obscure and difficult to move.

“Wu!”

Every one of them struggled with all their might like they were constipated. Even their veins popped out, but they couldn't say a word.

The scene once again fell into a strange deathly silence.

Rao Yinyin was behind Xu Xiaoshou, and she didn't know how many times she had been shocked.

Xu Xiaoshou's aura attack was truly too powerful.

If he also applied the pressure on the people of the Spirit Palace...

Their team would probably be able to stand up straight...

No!

There really weren't many who could stand up straight.

“Xu Xiaoshou... how did he advance so quickly?” Rao Yinyin was silent.

From the corner of her eyes, she caught a glimpse of the Path Pattern Initial Stone in the air. She silently took a step back and hid her fingers in her sleeves, as if she was going to withdraw from the fight.

“It's this pressure again...”

Lu Ke felt the heavy pressure on his shoulders, and his back couldn't help but bend.

He drew his sword again without any explanation and was about to slash upwards.

“You, stop it!”

How could Xu Xiaoshou let him get what he wanted?

He immediately swept his gaze over, and when his gaze focused, the overwhelming pressure gathered on Lu Ke alone.

“Boom!”

It was only now that Lu Ke finally felt why those guys from before were so unbearable.

He only had time to place the Green Scale Ridge in front of his chest.

The invisible pressure was like a grenade being fired, sending him flying backward.

“Darn...”

Everyone was shocked.

The young man with the famed sword was also forced to retreat?

“What is this spiritual technique?”

“Who is this person!”

Everyone turned around, and their eyes finally focused on the only young man who could still fly in the air.

Without a doubt, this was the great demon king of this place!

“Perhaps all of you didn’t hear clearly earlier, but it doesn’t matter. I can say it again...”

Xu Xiaoshou slowly sheathed his sword indifferently. He raised his chin and his eyes were filled with arrogance. “I, Tan Ji, have taken a fancy to this Path Pattern Initial Stone! If there is anything that you are unhappy with, just take it lying down!”

Tan Ji who had been sitting cross-legged on the spot to recuperate, suddenly trembled. The instant his energy reserve was in chaos, he spat out a mouthful of blood.

“Pu!”

“Xu Xiao...”

“Shut up!”

Xu Xiaoshou glanced back and swept a cold glance over.

Tan Ji’s mind buzzed, and his mind went blank.

He seemed to have seen a giant from ancient times stomp down on him, and his soul was almost smashed into pieces.

This time, even though Xu Xiaoshou had withdrawn his strength, Tan Ji was still sent flying with a glance.

With a bang, his body fell to the ground.

Tan Ji was stunned.

He turned around and looked up again, but Xu Xiaoshou had already turned his head.

However, that slightly skinny figure was deeply imprinted in his mind under the Crimson Moonlight.

Tan Ji guessed that the nightmare in the future would be related to this figure.

“So, this is the real gap between us...”

“In Awe, Passive Points, +1.”

“Too strong!”

“Where did this Tan Ji come from? How come I’ve never heard of such a person before?”

“Oh my God, this pressure, is this the Sovereign I’m facing?”

“Could this be a stowaway? Otherwise, how could he suppress us like this with just his aura?”

Everyone whispered to each other.

They either transmitted their voices or looked at each other.

However, without exception, they faced Xu Xiaoshou’s powerful suppression.

Almost no one present could resist.

“Suspected, Passive Points, +121.”

“In Awe, Passive Points, +135.”

“Glared At, Passive Points, +36.”

“So weak.”

Xu Xiaoshou looked at the message box and could not help but sigh.

He did not know when it started, but his opponents were no longer his peers.

Perhaps the ones gathered in the White Cave were from those few counties, and there were not many true geniuses.

So when Xu Xiaoshou faced these people, he did not even use one-tenth of his strength.

Everyone was helpless.

“No.”

“It’s not that they’re too weak.”

Xu Xiaoshou suddenly came to a realization. He flicked his sleeves and looked up at the sky. “I’m the one that’s too strong...”

“Xu Xiaoshou, I need to rest for a while before I have the strength to undo the Divine Array. However, there are many layers of the Divine Array. It’ll probably take a lot of time and effort,” Yu Zhiwen said.

“There’s no need to go through so much trouble.”

Xu Xiaoshou looked at the sky while he was at it.

At this time, more and more people were attracted to this place.

However, surprisingly, none of the people who came this time were big shots like the powerhouses above the Sovereign Stage.

However, that was also true.

In the White Cave, how could every time a treasure appeared, it would attract stowaways at the Sovereign Stage.

Perhaps this kind of pure young generation fight was the norm?

But to Xu Xiaoshou, as long as a Sovereign wasn’t there, no matter how many of these small fries came, what would they do?

“Do you have a way to cut open the space where the Path Pattern Initial Stone is located? As long as the Divine Array can not affect the surrounding space, it can be transferred,” Xu Xiaoshou said.

Yu Zhiwen’s eyes lit up. “You mean...”

“Yes.”

Xu Xiaoshou nodded.

Indeed, he did not need to directly crack the Divine Array.

Such a small area of shackles was not a great array similar to the icy realm.

With the Yuan Mansion around, he could directly transfer this thing into the array.

However, he had tried it just now.

Due to the isolation of the Divine Array, or perhaps due to the attraction of the Way of the Heavens power, as well as the rejection of external forces.

As soon as he placed his spiritual senses onto the Path Pattern Initial Stone, it was instantly dissolved.

Even if he wanted something, he wouldn’t be able to put it into his Yuan Mansion.

However, this wasn’t a problem.

As long as he could cut off the connection between the Path Pattern Initial Stone and the Divine Array and the surrounding space, he believed that in that instant, the connection between the White Cave Small World and the Path Pattern Initial Stone would dissipate for a short time.

He could definitely take this opportunity to keep it in his Yuan Mansion.

After all, Yuan Mansion itself was formed by the fall of a complete extradimensional space.

It was true that its rules were severely lacking.

However, in terms of the level of the Small World, it was on the same level as White Cave.

“I understand.”

Yu Zhiwen took a deep breath and swallowed a pill. Her hand movements began to change.

“They’re going to break the Divine Array!”

The crowd below immediately cried out in alarm.

It was very obvious that these fellows who couldn’t move, no matter how aggrieved they were, could clearly see through Xu Xiaoshou’s attention.

“But...”

“What can we do?”

“Isn’t this fellow a little too unsolvable? Just this spiritual technique alone isn’t enough to break it.”

“Even if he wants to resist, who else can do so?”

This question left everyone speechless.

It was obvious that it was unsolvable!

“Also, that famed sword in his hand...”

“That fellow should be a swordsman. If I’m not wrong, this spiritual technique might be just a small move from the other party.”

“If it’s really broken, how are you going to fight against the famed sword in his hand?”

The crowd fell silent once more.

Xu Xiaoshou looked at the screen that kept jumping, and he felt a little powerless.

I’m too strong. How can the enemy fight against me?

If the situation develops according to this current situation every time I were to collect a treasure, then I would be simply obtaining something without working hard, alright?

Look at this, just by standing there, I am already invincible. This...

What was the meaning of this?

“Xu Xiaoshou!”

Yu Zhiwen suddenly called out.

She clapped her hands together, and the space where the Path Pattern Initial Stone and the Divine Array were located suddenly cracked.

The next second, a familiar Sky Screen flashed past, directly blocking the Way of the Heavens’ energy movement of the Path Pattern Initial Stone and erasing it from the sensing of the Small World in White Cave.

“Ang –”

But right at this moment, just as Xu Xiaoshou was about to make a move, a loud and clear dragon’s roar resounded from afar.

In the blink of an eye, a green sword ray arrived.

“It’s you again, kid!”

Xu Xiaoshou was annoyed by Lu Ke, so he turned around and slashed out with his sword.

“Fleeting White Clouds!”

Shua Shua Shua!

In an instant, countless dark red scorching sword rays flew past.

Not only did they break the green sword lights, but they also seemed to have eyes. They directly rushed towards the direction where the green sword lights were whistling towards.

“Boom! Boom! Boom!”

The smoke and dust exploded.

With a boom, all the swordsmen present felt their scalps go numb.

In the next second, all the spiritual swords whistled up, directly condensed in the air, and gently bowed towards the back.

“All Swords to the Master!”

Lu Ke rushed out from the dust with his long sword in hand. He pointed the tip of the sword, and dozens of spiritual swords pierced toward Xu Xiaoshou.

Facing such a dangerous situation, Xu Xiaoshou seemed to be unaware of it.

He glanced back at the speed of light, and his cold eyes directly swept toward Rao Yinyin’s pretty face behind him.

“I advise you, it’s best not to!”

“Uh...”

Rao Yinyin’s fingers that were hidden in her sleeves stiffened, and her expression instantly froze.

Xu Xiaoshou accepted her words and did not say anything more.

With his back facing the dozens of spiritual swords behind him, he could only barely raise the Flame Python in his hand.

“Crack crack crack –”

The void instantly split open.

Pieces of space condensed, turning into a sparkling small sword. There were over a thousand of them, and they charged toward the spiritual sword that was passing through like a flood.

“Bang! Bang! Bang!”

At this moment, the sound of the miniature swords of the void and the spiritual sword colliding and exploding was so loud that everyone’s eardrums were about to burst.

“Void Solidifying Sword Technique?”

Many swordsmen were dumbstruck.

One by one, they were using the All Swords to the Master and the Void Solidifying Sword Technique.

Together with Su Qianqian, who had also displayed the Master Sword Intent...

When did master swordsmen become so common?

“Something’s wrong!”

Soon, everyone reacted.

“This, this darn, what exploded was my sword!”

Looking at their own spiritual sword, which had been completely blown to smithereens in the duel, all the swordsmen were dumbfounded.

A fight between Immortals and mortals?

This, this, this...

After struggling for a while, everyone still found that they couldn’t break free from the oppressive force.

Therefore, not only did they have to watch their own spiritual sword being shattered, even the aftermath of the battle swept over, and none of the people present could escape?

“Oh my God, can you all change a place and not fight on my head ah ah –”

“Feared, Passive Points, +143.”

“Received Plea, Passive Points, +32.”

“Void Solidifying Sword Technique?”

Lu Ke’s expression was cold as he looked at the dozens of spiritual swords that were completely at a disadvantage. He raised the Green Scale Ridge in his hand again.

“Crack crack crack –”

It was similar to the noise caused by Xu Xiaoshou earlier.

But this time, the sound of space cracking was actually coming from the miniature swords of the void!

“I will return the favor!”

Lu Ke chuckled and pointed his long sword.

“Swish!”

The small sword that was born from Xu Xiaoshou’s miniature swords of the void changed its direction and stabbed toward the Spirit Palace.

The sound of a thousand swords.

It was obvious that in terms of control, Lu Ke’s Void Solidifying Sword Technique was much better than Xu Xiaoshou’s.

“It’s endless, isn’t it?”

Xu Xiaoshou became even more impatient.

He didn’t want to fight with this guy.

In other words, he didn’t want to provoke anyone with a background.

That was the disciple of the Moonless Sword Deity. What he hated the most was to beat up the young and bring out the old.

But now... there was nothing he could do!

He had to admit that this Lu Ke had some skills.

However, his sword technique was no longer his strongest technique!

“Freeze!”

His eyes widened in anger.

The icy blue mist swept over the heads of the people on the ground and instantly filled the surroundings.

“Crack!”

After a sound, thousands of miniature swords of the void flew over and turned into lifelike ice sculptures. With a crack, they froze in midair.

“Dong Dong Dong –”

The swords fell.

“Ouch.”

“Darn!”

“What the heck...”

Everyone felt as if their skulls were about to be pierced.

It was fine if that was all.

However, when they wanted to use their energy reserve to block the damage, the freezing force from the miniature swords of the void froze everyone's spiritual source.

Even their body temperature dropped to the freezing point.

"Hiss!"

Everyone gasped.

They were not shocked but they were cold...

"Cursed, Passive Points, +156."

"Feared, Passive Points, +155."

"Ice-type?" Lu Ke was shocked.

The famed sword in Xu Xiaoshou's hand, the Flame Python, was a fire-type supreme treasure.

If his attribute was ice, how could he make this fire-type sword recognize him as its master?

"That's not right."

Lu Ke thought of something and exclaimed, "Your ice attribute... is a flame? Three Days Frozen Calamity?"

"You're quite knowledgeable."

Xu Xiaoshou sneered and his eyes focused again.

He realized that he didn't need to do much in a fight now.

After all, it didn't take him much effort to kill an enemy with his eyes.

"Infernal Heavens!"

He shouted in his heart.

The air, which had been lowered to a low temperature by the frozen power, instantly boiled.

The void instantly distorted.

The majestic infernal power raged.

The people below suddenly shivered.

This kind of pleasure of the two worlds of ice and fire...

"Big Brother, let us go. We don't dare to do it anymore!"

Everyone wailed helplessly but it was useless.

Their energy reserve was still enduring the indescribable frozen power and their bodies were burning with extreme heat.

Their entire body was almost burning up, okay?!

“What kind of ability is this?!”

“Isn’t this guy a swordsman? How is he an ice-type?”

“Forget about being an ice-type. Now, tell me, he is still an extreme fire-type?”

“I...?”

“Surprised, Passive Points, +128.”

“Feared, Passive Points, +149.”

“Flame?”

Lu Ke subconsciously wanted to dodge.

However, how could he dodge the upgraded Infernal Heavens?

Within the range of Xu Xiaoshou’s vision, even a Sovereign would spontaneously combust!

“Pu Pu!”

A slight sound came from the energy reserve.

The Infernal Heavenly Flames instantly burned through the energy reserve and burned through his entire body.

“Pu Pu.”

The flame made another sound and directly penetrated his body.

Its form was no longer invisible, but it was definitely... white flame!

At this moment, Lu Ke’s pupils constricted.

He realized that he had used all his methods, such as spiritual source, sword intent, Way of the Heavens...

All of them were unable to extinguish this strange white flame!

On the contrary, all of his methods were like adding fuel to the fire, all of them were ignited!

“What the hell is this?”

Lu Ke raised his eyes in horror. For the first time, panic finally appeared in his eyes.

“You want to fight with me?”

Xu Xiaoshou laughed from afar and said indifferently, “Little brat, you know nothing about power!”

Chapter 526: Red Coat? Ghost Beast!

“White flame?”

Rao Yinyin, who was standing behind Xu Xiaoshou, was completely dumbfounded.

She had guessed that Xu Xiaoshou had an unknown relationship with Elder Sang, so she had asked for the Sovereign Pill from Xu Xiaoshou.

But if she insisted on saying that they were master and disciple...

Rao Yinyin didn't believe it!

With the Vice Dean's weird personality.

As his disciple, he could only be tortured to death. He couldn't grow up.

But when Lu Ke's body was burning with Elder Sang's signature white flame, Rao Yinyin was completely certain.

It wasn't impossible.

Xu Xiaoshou was Elder Sang's disciple!

If it was just the Infernal Heavenly Flames in the past, then it could be said that Xu Xiaoshou was only one of the Vice Dean's test subjects.

However, the power of the white flame was something that only those who had stayed in the Inner Yard for a long time had seen.

The ability to burn half of the Chuyun Peak in the Tiansang Spirit Palace into a Chuyun Platform with just one glance was not something that anyone was qualified to cultivate.

"Feared, Passive Points, +1."

Previously, she still had some thoughts in her mind.

But this time, Rao Yinyin didn't dare to act rashly.

The terrifying extent of the Infernal Heavenly Flames was enough to threaten all spiritual cultivators.

As for white flame, even if one comprehended the path and was enlightened, it was an ability that could directly burn away the Way of the Heavens.

It didn't have a fixed direction.

But if one had to say it.

Everyone present, be it swordsmen, physique cultivators, or spiritual cultivators... was all targeted by Xu Xiaoshou.

This was the extent of white flame's terror!

"Withdraw!"

Xu Xiaoshou stood in the air. Seeing that the entire area was being suppressed, he no longer hesitated. With a wave of his hand, he moved the Path Pattern Initial Stone along with the Divine Array into his Yuan Mansion.

Such a thing could change if it was delayed.

Not to mention that there were still people coming here continuously.

“Pu Pu...”

“Pu Pu...”

The strange sound of fire echoed in the silent scene.

The people on the ground were completely helpless.

Even if they watched Xu Xiaoshou take the Path Pattern Initial Stone that they had always dreamed of, there was nothing they could do.

At this moment, the only extravagant wish in their hearts had turned from seeking treasure to hoping that Xu Xiaoshou would not vent his anger on themselves.

After all, no one in the entire scene could withstand that anger, including Lu Ke!

“Hiss! Ah—”

“What the hell is this thing?!” Lu Ke screamed.

His scream contained 30% panic, 30% pain, and 994% helplessness.

He was completely unable to undo the damage caused by Xu Xiaoshou’s white flame!

And the white flame, which was born from the Infernal Heavenly Flames, had a qualitative leap in its burning speed.

In the past, even the spiritual source of an Innate would need to burn for half a day before it was completely burned out.

At this moment, Lu Ke could not even last twenty breaths of time, and his energy reserve was almost depleted.

However, he understood that this method of using spiritual sources to exchange for the time was treating the symptoms but not the root cause.

Once his energy reserve was empty, the object that white flame was burning would be transferred from the spiritual source to his real body.

And judging from the temperature...

In a few seconds, he, Lu Ke, would be gone!

“Xu Xiaoshou!”

Lu Ke looked up in horror, his eyes full of begging for mercy.

However, the young man was suffering for his pride.

Even if he could not hold on any longer, his lips only quivered a few times. He could not utter those begging words at all.

“Little guy, I have already said that you should not go against me.”

“Yet you refused to listen. Why?”

Xu Xiaoshou sighed helplessly. “It’s not my intention to kill. Moreover, you’re a Red Coat. I had a friendship with the Elder Night Guardian. I really don’t want to see you die tragically.”

“Then quickly get rid of the flames on my body!” Lu Ke was anxious.

At this moment, his energy reserve was completely empty.

Without the spiritual source barrier, once the high-temperature lands, he would not be able to resist since he didn’t have a Master Level Physique, and he didn’t even have an Innate physical body.

“Freeze!”

Xu Xiaoshou grabbed with his empty palm and the white flame was being controlled.

It did not invade Lu Ke’s body, but the remaining heat could slowly roast him.

An unpleasant smell of burnt meat spread out.

Lu Ke was stunned and he was puzzled...

“What are you trying to do?!” He was going crazy.

This was the so-called life worse than death, or the pain worse than death!

Lu Ke never thought that one day, he would also become a pile of meat on the grill in the eyes of others.

He might as well just let himself die with dignity!

“I won’t kill you.”

Xu Xiaoshou said slowly, “It’s the same as what you said when you came. I just want to make a deal with you. After all, I’m a businessman.”

“Cursed, Passive Points, +1.”

Lu Ke broke out in cold sweat and hot sweat, but they evaporated in an instant.

“What deal?”

“A very simple deal.”

Lu Ke clenched his fists for a moment but found that his hand was empty.

He looked down and saw that in such a short time, even if Xu Xiaoshou controlled the temperature, the flesh on his hand had completely dried up.

In some places, even his charred bones were exposed.

“A demon...”

Everyone’s bodies began to tremble.

This guy, who wasn’t sure if his name was Tan Ji or Xu Xiaoshou, was simply a demon.

A true demon that had crawled out of the Abyss!

Someone was about to be roasted into a dried corpse, yet you were still leisurely saying such nonsense...

Was this on purpose? He must be doing it on purpose!

This guy was taking revenge!

“Feared, Passive Points, +162.”

Lu Ke felt that his mind was already in a trance.

At this moment, he had no energy to criticize Xu Xiaoshou’s actions.

“What simple deal, you, you tell me quickly...”

“It’s very simple.”

Xu Xiaoshou pointed at the long sword on his back with a smile.

This might be the only divine object on Lu Ke’s body that was completely unaffected by the white flame.

Even under such a high temperature, the Green Scale Ridge did not move nor was it burned at all.

“You want my sword?”

Lu Ke felt as if there was ice water pouring down from his brain, and he regained his consciousness for a moment.

Then, he said furiously, “This is impossible! Even if I, Lu Ke, am burned to death by you, I will not hand over my Green Scale Ridge!”

“Then you can go to hell.”

Xu Xiaoshou did not hesitate at all. He clenched his fist.

“PFFT.”

“Argh –”

A mask of pain was instantly plastered on Lu Ke’s face. The sound of his wailing was so loud that it made people feel sorry for him.

“Xu Xiaoshou, this isn’t good, right?”

Mu Zixi quietly touched the air and stretched out her small hand to poke Xu Xiaoshou’s kidney.

“After all, he’s the disciple of the Seven Sword Deity. If he were to be burned to death in front of everyone, the situation after that would be out of control.”

In the Yuan Mansion, she had heard of Yu Zhiwen’s legends about the Ten High Nobles and the Seven Sword Deity.

Naturally, she also knew that Lu Ke’s background was extraordinary.

“Dissuaded. Passive Points, +1.”

Xu Xiaoshou turned around and glanced at Lu Ke.

He knew that even if Mu Zixi lowered her voice and spoke, it wouldn't be difficult for her to eavesdrop with her spiritual senses based on the other party's strength.

However, even under such circumstances, Lu Ke could only hold on bitterly. He didn't say anything like, “That's right, my master is the Moonless Sword Deity. You can't kill me.”

Xu Xiaoshou could not help but think highly of him.

It had to be said that this young man was very stubborn.

Of course, he was also very difficult to deal with.

Xu Xiaoshou frowned and turned around.

If that was the case, then let's put on an act!

Coincidentally, his Junior Sister had also come over. He might as well be a good cop and a bad cop, forcing that guy to submit until he gave in.

The famed sword appeared in front of him just like that.

Such a good opportunity was made through a trade.

Even if a little bit of coercion was used, it was still a trade.

Xu Xiaoshou would not let such an opportunity go to waste.

He looked at Mu Zixi and frowned. His eyeballs rolled and he gestured a few times before he said in a serious voice.

“What you said was true, but now I'm also on the Red Coat's blacklist. He forced me to kill him. If I don't kill him, I'll lose my reputation. If I kill him, I can still get a famed sword. Why not?”

“Moreover, if a dog is desperate, it will jump over the wall!”

“No matter how big this guy's background is, I, Tan Ji, have killed many people with great backgrounds.”

“If they wanted to find me, then so be it. If they want to take revenge, they have to take a queue number and line up obediently!”

The people below trembled for a moment.

Lu Ke, who was surrounded by white flames, also trembled. His face was full of despair.

“Feared, Passive Points, +121.”

Mu Zixi was obviously stunned.

She did not understand what Xu Xiaoshou was trying to express with that wink. She also did not understand how her Senior Brother, who was inherently afraid of death, suddenly became so ruthless.

“If you want to kill him, you can’t do it openly, right?”

“Oh?” Xu Xiaoshou went along with her words and asked, “Then what do you think?”

“Hmm...”

Mu Zixi hesitated for a moment as if she was thinking of a countermeasure.

After a short while, she pointed at the crowd below and said in a low voice, “We can’t do it secretly now. After all, so many people witnessed you burning him just now.”

“After Lu Ke died, everyone knew that it was you... Tan Ji who did it.”

“Then...”

After a pause, his Junior Sister’s eyes became fierce. “I suggest that we silence all of them to prevent the information from leaking out!”

Everyone below was stunned.

What?!

Where did this little girl come from? You’re here to cause trouble, aren’t you?!

The group of people who were originally hoping to get lucky all panicked at this moment.

“Miss, something’s wrong!”

“We don’t have any grudges against each other. Why are you so heartless?”

“None of us saw this... hey, wait, why is it getting dark?”

“Hmm? What’s wrong with you... oh, right, right, why is it getting dark! Darn it, why is it so quiet? Why can’t I hear anything!”

Everyone was stunned.

The next second, everyone was in an uproar.

“Darn, it’s true. Did someone cast a spell? I can’t even see anything since just now. Even my spiritual senses are blocked. This, this, this...”

“Help, someone, help me. I can’t hear anything!”

“Darn it, why are you shouting so loudly? My ears are going deaf. No, I can’t hear anything either. Get lost if you want to shout.”

“I’m blind, I’m blind. Where’s my eyeball? I can’t even feel my eyeball!”

“Startled, Passive Points, +1.”

“Sought Help, Passive Points, +86.”

“Feared, Passive Points, +155.”

The scene completely lost control.

All kinds of wails and shouts rose and fell. Even Xu Xiaoshou was shocked.

What the heck... what a bunch of actors!

But, Mu Zixi, what's wrong with you?

Xu Xiaoshou looked at his Junior Sister in disbelief.

I called you here to play the good cop, so how did you suddenly become so fierce and evil?

As expected, you're the real black-bellied demon king, right? I, Xu Xiaoshou, didn't even have the intention to destroy the entire scene...

"Xu, Xiao, Shou!"

"Called, Passive Points, +1."

A voice that seemed to have been roasted completely sounded behind him.

Xu Xiaoshou's heart palpitated, and he suddenly looked back.

He saw that Lu Ke, who was burning in white flames, had unknowingly started to exude wisps of black mist from his body.

Once the cold black mist appeared, even the temperature of the air seemed to have dropped somewhat.

"Xu Xiaoshou, do you really think that I can't do anything?"

Lu Ke's face was completely twisted.

Pain, resistance, dissatisfaction...

All kinds of emotions appeared as if the devil in his heart was about to be released, had begun to release his evil power.

"What is this?"

Xu Xiaoshou's pupils suddenly shrank.

He could actually feel the ultimate yin power in Lu Ke's body that he could only feel from the host body of the ghost beast.

However, how was this possible?

His mind was in a mess.

Xu Xiaoshou thought that his eyes were playing tricks on him.

However, when his Perception was completely focused on Lu Ke's body, he realized that this was the truth!

"Impossible!"

He exclaimed in his heart, but Xu Xiaoshou did not believe it at all.

Who was Lu Ke?

He was a Red Coat!

He was one of the Seven Sword Deities — the disciple of the Moonless Sword Deity!

As a Red Coat and a White-clothed man, how could he collude with the ghost beasts?

Furthermore, look at the increasingly eerie black mist.

This fellow had definitely touched more than the edges.

He was definitely a ghost beast host body!

“But, something’s not right...”

Xu Xiaoshou’s thoughts were numb.

At this moment, all kinds of strange emotions surged into his mind.

Red Coat, ghost beast?

Extermination, experimental subject?

Seven Sword Deity, White-clothed, the Holy Divine Palace, and...

Justice, evil?

“What the hell is this?!”

Xu Xiaoshou was confused.

At this moment, his mind was really in a panic.

What he panicked about was not the power of the ghost beast that suddenly burst out from Lu Ke’s body.

It was the fear of doubting the Holy Divine Palace’s usual righteous style because of the unknown.

It was also a fear of the fact that the Red Coat organization, which had always claimed to be righteous and tried to carry out a genocide against the ghost beasts, was hiding a ghost beast host body that was impossible to be undetected.

Lu Ke... was a ghost beast host body?

This was impossible!

But now, such an impossible thing had appeared in front of his eyes.

How could he not believe it?

Perception surveyed the entire scene. Everyone was also surprised by the unknown power that appeared on Lu Ke’s body.

But looking at their expressions, Xu Xiaoshou could tell.

Each one of them definitely did not recognize the so-called ghost beast power.

Even the words “ghost beast host body”, they should have only read about it in books.

But Xu Xiaoshou was different!

He had dealt with this thing countless times. How could he not know how to deal with it?

“This is muddy water. If I get involved, I might die!”

Xu Xiaoshou felt that he had discovered some unspeakable secret.

He also wanted to think that it was a coincidence.

But... was it possible?

It was still possible for another Red Coat person to come.

But a person like Lu Ke who had a big background had become the host body of a ghost beast. Could this be a coincidence?

This was definitely a huge secret!

Xu Xiaoshou understood that if he continued to dig into this secret, it might be a consequence that he could not bear at all.

No, it was not possible but it would be inevitable!

“AH —”

A heart-wrenching roar interrupted Xu Xiaoshou’s thoughts that had been rolled up into a ball of hemp. He suddenly came back to his senses.

After the black mist rose, Lu Ke’s back seemed to have opened up an invisible giant mouth.

The terrifying white flame was swallowed by the single mouth and completely disappeared.

“Buzz!”

After doing all this, Lu Ke raised his eyes.

The pair of scarlet eyes pierced through the void like a sharp sword and pierced into Xu Xiaoshou’s mind.

“Ghost beast!”

This time, Xu Xiaoshou was completely certain.

Just based on this pair of iconic red eyes, Lu Ke, the ghost beast host body was real!

“Brother, calm down.”

Xu Xiaoshou pulled Mu Zixi and took a step back.

Mu Zixi was stunned. “Xu Xiaoshou, you...”

“Don’t speak, the situation isn’t right.”

Xu Xiaoshou interrupted his Junior Sister’s question. He didn’t have time to explain at this moment.

According to the previous situation.

If Lu Ke released the ghost beast in his body, then with his current strength, he would definitely not be able to withstand it.

The last time he narrowly escaped death, it was because the Night Guardian came to clean up the mess.

The ghost beast was not something that ordinary people could afford to play with.

They start at the Sovereign Stage, but the top was not capped.

Who could withstand it?

“Xu Xiaoshou...”

Lu Ke muttered unconsciously. His white bones clenched his fists tightly, but his eyes were tightly shut as if he was fighting against something.

“Calm down.”

“Calm down!”

Xu Xiaoshou retreated again. He did not have time to think and grabbed Yu Zhiwen’s wrist with another hand.

“Will you use the teleportation portal? Get ready, use it to save yourself if necessary!”

“Cursed, Passive Points, +1, +1, +1, +1...”

Yu Zhiwen did not reply.

Just as Xu Xiaoshou was about to continue asking, he suddenly saw the girl’s expression with his Perception.

She was very worried.

But, other than worry in Yu Zhiwen’s eyes, no other special emotions could be seen.

Xu Xiaoshou’s heart sank to the bottom of the valley.

This doesn’t make sense!

As the... Holy Maiden of the Holy Divine Palace?

Let’s treat her as a Holy Maiden or something like that!

It was impossible for Yu Zhiwen to not have heard of the existence of the ghost beast like those ignorant fellows who came out from the corners.

She had even seen the ghost beast when the Flame Python was born!

Under such circumstances, shouldn't her first reaction to the ghost beast's aura from a Red Coat person be shock and disbelief?

Worry? What was that about!

Xu Xiaoshou quivered and unconsciously let go of Yu Zhiwen's hand.

This girl definitely knew something!

In fact, not only did she know, it couldn't be that she...

Xu Xiaoshou dragged Mu Zixi and took a few steps back.

At this moment, he completely felt the malice of this world towards these ignorant commoners.

Perhaps, everyone knew about this kind of information in the upper buildings?

But... why was it completely different from the information about the ghost beasts that spread out in the world?

The way the Red Coats acted, the existence of the Holy Divine Palace, the plight of the ghost beasts...

Was everything as simple as he knew?

Elder Sang's face inexplicably appeared in Xu Xiaoshou's mind.

Under the completely dark background, the withered old man with the straw hat on his head suddenly became so tall and profound.

"Before you have absolute power, be serious and be a good chess piece!"

He spoke slowly again, and the content was the same as before.

But the meaning in Xu Xiaoshou's ears changed completely.

"Chess piece, chess master?"

Xu Xiaoshou felt that perhaps he had to find a breakthrough. Elder Sang should be the one who knew the inside story the most.

After all, almost every word that the old man had said in the past was proof of the truth of the real world that Xu Xiaoshou had discovered!

"So... what's the situation?"

Turning his head, Xu Xiaoshou asked Yu Zhiwen.

Yu Zhiwen hesitated for a moment and said, "What you saw."

"What I saw, and what I know..."

Xu Xiaoshou shook his head, unable to continue.

Yu Zhiwen fell silent.

“What do you know?”

Xu Xiaoshou held his Junior Sister’s hand tightly.

If possible, he hoped that he could get an explanation from Yu Zhiwen, and not find Elder Sang to verify something as a posterity.

Moreover, he still had a little extravagant hope in his heart.

This experience of sharing life and death together could be considered a beautiful memory. Was it worthy for Yu Zhiwen to tell him everything that he wanted to know?

On the side, Mu Zixi was in so much pain that she wanted to cry out.

However, she realized that the atmosphere was not right and forcefully suppressed her cries of pain.

Her gaze moved back and forth between the two people in front of her, and her small mouth pouted.

“Cursed, Passive Points, +1, +1, +1, +1...”

She shook her head.

After waiting for a short while, Yu Zhiwen still did not say anything.

Xu Xiaoshou understood and he closed his eyes deeply.

“Go!”

Without much hesitation, seeing that Lu Ke seemed to be unable to suppress his own strength, Xu Xiaoshou picked up Mu Zixi and turned around to leave.

At this moment, the only person he could catch was his silly Junior Sister.

Yu Zhiwen... forget it.

Some beautiful memories were destined to end with a word, pity.

“If you don’t want to die, run away quickly!”

After throwing these words from afar, Xu Xiaoshou, who had regained all of his imposing manners, released everyone from their imprisonment.

The only thing he left behind was a black shadow that was thrown down from the sky.

He had promised others that even if he could not do it in the end, he would do his best.

“Pa da.”

The black shadow fell from his palm. Yu Zhiwen reached out to grab it, and her eyes immediately dimmed.

The Black Scabbard!

“Xu Xiaoshou...”

She looked at the back of the young man who had fled into the distance and muttered, her eyes filled with a complicated look.

Not long ago, she had indeed wanted this scabbard of the Fourth Sword and had chosen to form a team with him.

But now... she had clearly obtained the scabbard.

Why couldn't she feel the slightest bit of happiness in her heart?

"AH –"

A painful cry interrupted everyone's thoughts.

The people underground who had obtained their freedom, including the people from the Spirit Palace, also felt that the atmosphere was not right and began to scatter.

"Run!"

"Run! The Demon King is gone. The crisis is over."

"But, what's wrong with Lu Ke? Why do I feel..."

"Who cares about his feelings? He looks like he's going mad. With a famed sword, will you be able to withstand it?"

"Hmm, that's true."

The people from the Heaven and Earth phenomenon gathered together and flew away separately.

In this space, only Yu Zhiwen and Lu Ke were left.

"Xiao Ke..."

"Did you see that?"

Fu Xing asked softly among the two figures flying far away.

Fu Yinhong was confused and said, "What happened? Why did Xu Xiaoshou suddenly give up on the famed sword? He..."

"Ghost beast!"

Two words interrupted Fu Yinhong's words.

She was stunned for a moment and raised her eyebrows. "You mean that Lu Ke?"

"Yes."

"Impossible!" Fu Yinhong seemed to be frightened and cried out, "He, he is not a Red Coat?"

"Yes..."

Fu Xing sighed softly and recalled his father's repeated exhortations and exhortations in the study that night.

If he didn't know a little bit of the inside story, his father wouldn't have kept the information about Xu Xiaoshou being suspected of being a ghost beast from the Night Guardian in Red Coat a secret?

"You don't have to think about anything. You just need to remember one thing."

Fu Xing came back to his senses and said solemnly, "In the future, stay far away from anything related to the ghost beast!"

Chapter 527: Second Personality

Whoosh!

In the Small World of the White Cave, a figure traveling at the speed of light was about to break through the sound barrier.

Even though it passed over the white skulls, before the White Cave creatures below could react, the figure had already disappeared.

After running for half a day.

After feeling that he had completely left the existence of the Red Coat ghost beast, Xu Xiaoshou finally calmed down a little. He slowed down and found a hidden place to hide.

"Xu Xiaoshou, what happened? Are you afraid?"

Mu Zixi jumped down from her Senior Brother's embrace with a red face.

If possible, she actually hoped that her Senior Brother's panic could last for a few more days.

"Afraid?"

Xu Xiaoshou panted heavily and sneered disdainfully, "Do I, Xu Xiaoshou, look like a person who would be afraid?"

You look like you're even more afraid of ghosts than when you met your master. That's not being afraid?

"Hehe."

"Doubted, Passive Points, +1."

"Ridiculed, Passive Points, +1."

Xu Xiaoshou glared at his Junior Sister and didn't say anything else.

Even after flying for such a long distance, he was still unable to calm himself down.

This wave of Red Coats was also the impact of the ghost beasts. It was simply too strong.

But if that was all there was to it...

No matter how much he didn't believe it, Xu Xiaoshou could still give himself an explanation that there was a one in 10,000 chance that it really happened.

In short, it was a coincidence.

But Yu Zhiwen's reaction and performance...

"It can't be a coincidence."

"There must be some unspeakable secret hidden within this."

"Perhaps, the number one organization of the continent, the Holy Divine Palace..."

Xu Xiaoshou's thoughts were sluggish, and he didn't dare to think about it anymore.

Even though he had doubts in his heart, it was undeniable that the existence of the Holy Divine Palace had saved this continent a lot of trouble and suffering.

The number one organization of the continent indeed didn't need to do such unrighteous things in the name of "justice".

Even if they really wanted to do it, it didn't seem necessary.

They were already the number one faction on the continent. What else was there to be afraid of? Why would they need to do such things in secret?

But if it wasn't like this, what was the point of hiding a ghost beast in a Red Coat?

Xu Xiaoshou paused for a moment before his thoughts came back to him.

"Maybe it was just a bad apple that spoilt the whole basket of apples?"

He was not sure.

But at the moment, he could only make this deduction.

It was not advisable to generalize.

With the lack of information, the only thing he could believe was that there was something wrong in the Holy Divine Palace, and someone was trying to do something in secret.

"But, how was this not discovered? It was such an obvious thing..."

Xu Xiaoshou hesitated for a while and ended his deduction.

These things didn't seem to be something that a person of his level could guess.

Elder Sang was right.

Before one had the strength, it was enough to be a serious chess piece.

"Junior Sister."

Turning around, Xu Xiaoshou didn't dare to be careless. He asked with a serious expression, "Do you know about ghost beasts?"

"Uh-huh."

Mu Zixi grabbed her twin ponytails and nodded. "Isn't Senior Sister Mo one of them?"

“Yes, she is.”

Xu Xiaoshou nodded and said, “But I realized that things have started to go wrong. There are too many ghost beasts around me.”

“So?” Mu Zixi’s eyes widened.

“I’m very worried.”

“Cursed, Passive Points, +1.”

“That’s it?”

“More than that.”

Xu Xiaoshou hesitated for a moment before sighing. “Do you know that right now, I only have you left?”

“Uh.”

Mu Zixi’s face turned red as she subconsciously crossed her arms across her chest.

She looked left and right and realized that even though there wasn’t much shelter in this place, it was indeed a desolate and uninhabited area. Hence, she slowly lowered her arms.

“Okay.”

Mu Zixi answered softly like a mosquito. She said weakly, “So, what do you want to do...”

With a click, Xu Xiaoshou suddenly put his hands on his Junior Sister’s shoulders in excitement.

“Okay”

“Resisted, Passive Points, +1.”

“Hated On, Passive Points, +1.”

“Encouraged, Passive Points, +1.”

Mu Zixi raised her head shyly. There was a hint of anticipation in her eyes, but more than that, she was nervous.

“Hmm?” A nasal voice sounded.

“I have a very serious question to ask you!” Xu Xiaoshou’s body started to tremble.

“Hmm, you, you ask...”

Mu Zixi tried her best not to let go of this precious opportunity.

Yu Zhiwen left and Xu Xiaoshou was injured.

Now, it was a good opportunity for her to take advantage of... bah, to comfort him.

“You...”

Xu Xiaoshou gulped. With a burning gaze, he said in a serious voice, “Are you a ghost beast?!”

“I am willing... huh?”

Mu Zixi answered at the speed of light. Halfway through her words, her mind suddenly went blank.

“What, what did you say?”

Xu Xiaoshou’s expression was solemn as he said word by word, “I’m asking you, are you a ghost beast or not!”

“Ghost your head!”

Mu Zixi suddenly jumped up in anger as her head hit the top of Xu Xiaoshou’s head.

The next second, she let out an “ah-ah”. After curling up, she covered her fingers and squatted to the side to let out a cold breath.

“Cursed, Passive Points, +1, +1, +1, +1...”

“What the hell?”

Xu Xiaoshou was stunned for a moment. “What are you acting crazy for? I just wanted to ask you a question. If you don’t want to answer, then forget it. Why are you hurting yourself?”

“Me!” Mu Zixi choked for a moment.

“Cursed, Passive Points, +1, +1, +1, +1...”

“Answer me.”

Xu Xiaoshou also chose to squat down and asked seriously, “As your Senior Brother, I want to know about your previous situation, but you’re almost an adult, so it’s reasonable for you to have your own secrets.”

“But now, the situation is not right. I have to get it clear, or else...”

“Or else what?” Mu Zixi glared at him. “I won’t say it. Xu Xiaoshou, what can you do to me!”

Xu Xiaoshou was silent for a moment before he stood up and said, “Then we can only go our separate ways.”

As he said that, he walked back without looking back.

“Hey, hey, hey!”

Mu Zixi immediately panicked.

She felt that this scene was so familiar.

Wasn’t this the reason why Xu Xiaoshou left Yu Zhiwen just now?

Could it be that he really thought that she was a ghost beast, just like Lu Ke?

“I’m not a ghost beast!” Mu Zixi shouted.

Xu Xiaoshou stopped and turned around. "I also think that you're not a ghost beast, but if you don't explain clearly, I'm afraid..."

He didn't dare to continue.

Mu Zixi's growth speed was very fast.

She wasn't even inferior to him at all.

No, it should be said that she had completely surpassed him!

He had risked his life again and again, and with the addition of the Passive System, he had barely reached the peak of his cultivation along the way.

But Mu Zixi...

A fool who had nothing to do all day and who had some boring thoughts in her mind was actually in the Upper Spiritual Level!

The Upper Spiritual Level! Do you dare to believe it?

Under normal circumstances, if someone were to break through, they would at most be able to break through to the Origin Court State like Zhou Tianshen.

The Upper Spirit...

Ha! Xu Xiaoshou didn't believe that his Junior Sister was a simple person.

Or rather, he felt that everything around him existed.

Other than himself being a normal person, the rest were all hidden cheats!

They either had extraordinary backgrounds or had shocking backgrounds.

As for the rest, other than the ghost beast host body, what explanation could there be?

"I..."

Mu Zixi's small face was conflicted. She crossed her fingers and hesitated for a moment before saying, "I'm really not a ghost beast."

With a slap, Xu Xiaoshou turned around and left.

Great! This time, even his Junior Sister couldn't be trusted.

As expected, there would never be a free pie in the world.

This life that he had obtained so cheaply was destined to be lonely and forlorn. He wouldn't be able to have a true friend along the way, right?

"Xu Xiaoshou, stop right there!"

Mu Zixi shouted from behind. A resolute look flashed across her face. "I'll tell you!"

With a smack, Xu Xiaoshou stopped again.

He turned around and was about to ask a question.

Mu Zixi suddenly said angrily, "Shut up!"

He glanced at the information pane. After being scolded, there was actually no reaction?

"Good! Junior Sister, you're getting bolder, aren't you? How dare you talk to me like that?" Xu Xiaoshou was also furious.

"Uh."

Mu Zixi's expression turned awkward. "I wasn't talking to you just now."

"There are only the two of us here. Weren't you talking to me? Are you talking to ghosts?" Xu Xiaoshou sneered.

"Yes."

Mu Zixi actually nodded. "There's a ghost in my body. This is my secret."

Xu Xiaoshou was stunned on the spot.

"Ghost beast?"

"Darn... You're really lying to me!"

He subconsciously took a step back, ready to turn around and run at any time.

"Aiya, it's not a ghost beast..."

Mu Zixi was irritated.

She was about to explain something when she suddenly became schizophrenic again. She scolded angrily, "Shut up, I didn't let you speak!"

He looked at his Junior Sister and realized that he might have completely ignored this girl's existence in the past because of his cultivation.

She was seriously ill!

"I'll tell you my secret, and you have to tell me yours." Mu Zixi held her small head. There seemed to be a pain in her eyes as if she was enduring some special pressure.

Xu Xiaoshou frowned.

Something was wrong, his Junior Sister was too strange.

"Can you tell me?"

He moved closer and could see that Mu Zixi's pretty face was already covered in a fine sweat.

"What's going on?"

Xu Xiaoshou was a little flustered.

This casual question wouldn't explode into a shocking melon, right?

He smeared some honey on the girl's lips.

Seeing that there was no reaction, he hesitated for a moment before lightly letting out a breath.

"Ha!"

A rich aura of life instantly seeped into Mu Zixi's mouth and nose.

The little girl immediately clamped her calf and her body tensed up. Even her face was flushed red.

"No, don't give it to me..."

"Resisted, Passive Points, +1."

Xu Xiaoshou was speechless when he heard this. "What's wrong with you?"

Mu Zixi trembled for a long time before she completely digested the sweet life force.

She wiped the sweat off her forehead, closed her eyes, and opened them.

"Buzz!"

The air current rippled outwards.

Xu Xiaoshou's pupils constricted.

He saw that his Junior Sister's large eyes, which were just ordinary, were now filled with a black and white mist.

Because he was close enough, Xu Xiaoshou could even see the strange patterns that flowed between the strange pupils.

One was as gloomy as hell, and the devilish energy was surging.

Perhaps even the ultimate yin power of the ghost beast was not as horrifying as the devil's eyes.

The other was the complete opposite, bright and righteous, and grand.

With just a glance, Xu Xiaoshou felt that his soul had been cleansed and purified, so ethereal that he almost ascended to immortality on the spot.

"What... is this?" Xu Xiaoshou forcefully pulled back his ethereal soul.

"God Devil Eyes!"

Mu Zixi opened this pair of God Devil Eyes, and her temperament completely changed.

The little girl from next door's temperament completely disappeared.

On the contrary, with this aura that was both good and evil.

If she were to say that she was a Saint that walked out of a mountain of corpses and a sea of blood, Xu Xiaoshou would believe it!

“My secret is this pair of God Devil Eyes.”

Perhaps it was because she had opened the God Devil Eyes, but Mu Zixi’s tone had changed. It was a little indifferent and ethereal.

“I don’t know why either. Ever since I saw that blind man in the Spirit Palace, there seemed to be some special power awakening in my brain.”

“Then, another ‘me’ was born.”

“Me?” Xu Xiaoshou’s eyes twitched.

“Yes.”

Mu Zixi nodded. “It’s not very accurate to say ‘me’. Or to put it another way, another consciousness?”

He was silent for a while, and then he suddenly asked, “Do you remember what happened in the past?”

“Hmm?”

Mu Zixi’s pair of God Devil Eyes suddenly showed the usual surprise. “How do you know that I don’t know what happened in the past?”

“This...”

Xu Xiaoshou was stunned for a moment.

It can’t be, you really don’t know?

He continued to ask, “You mean that you really don’t remember what happened when you were young. Then, you were accidentally stimulated and began to awaken another consciousness?”

“Yes, yes, yes.”

With such a pair of magical God Devil Eyes,” Mu Zixi nodded her head like a chick pecking on rice, which was indescribably strange.

“That consciousness can talk to you?” Xu Xiaoshou continued to ask in disbelief.

“Yes, yes, yes.”

“Then... did she tell you that she was actually you? You were only born after she was stimulated and sealed herself when she was young?” Xu Xiaoshou’s voice gradually weakened.

“Yes, yes, yes.”

“How did you know?”

Mu Zixi’s eyes lit up.

She felt that Xu Xiaoshou was a god. How could he know everything? He was so amazing!

“Xu Xiaoshou, you can even predict the future?”

In her heart, her Senior Brother had been inexplicably molded into a mysterious existence that no one in the world could compare to.

At this moment, having a method to predict the future was nothing out of the ordinary.

After all, this was Xu Xiaoshou's normal state.

"I'm not a Doctor..."

Xu Xiaoshou could not continue.

He was not a doctor, but when he looked at this matter from a medical point of view that surpassed the current world...

"This is definitely schizophrenia. Why does he need to predict the future?"

He took a deep breath.

Xu Xiaoshou truly felt that his previous speculation was not wrong.

There wasn't a single normal person around him!

"Eyes, God Devil Eyes..."

He looked at Mu Zixi's eyes and said absent-mindedly, "So, that little monk chased you because he felt the devilish energy in your eye and wanted to purify it?"

He pointed at his Junior Sister's devil eye.

"I think so?"

Mu Zixi's expression returned to indifference.

"I'm not used to it, this little girl!"

Xu Xiaoshou felt his teeth ache as he looked at her. What was going on?

Schizophrenia?

Second personality?

Xu Xiaoshou didn't know much about such illnesses.

The only thing he could rejoice about was that his Junior Sister's condition didn't seem too serious. She wouldn't unconsciously switch her personality.

But... having a second personality seemed to be a very difficult thing in itself, okay?

"Exciting?"

Xu Xiaoshou fell silent and muttered absent-mindedly.

He had a vague feeling that he had seen this pair of eyes somewhere, and it wasn't unfamiliar.

It was very difficult to forget the scenes that his Perception had seen before.

But it had been too long, and Xu Xiaoshou couldn't remember it for a while.

It wasn't until he recalled the "blind man" that his Junior Sister had mentioned just now...

"Lei Shuangxing?"

Xu Xiaoshou who was in shock, blurted out, "You mean, you only awakened the second... er, another consciousness after seeing that blind man?"

"Seems to be?"

Mu Zixi herself wasn't sure.

"That's right!"

Xu Xiaoshou's pupils suddenly constricted.

He remembered!

When Ye Xiaotian was fighting against Lei Shuangxing, the latter seemed to have used a strange spiritual technique and directly controlled the Dean.

And when the Dean was controlled, didn't the same thing appear in his eyes as Mu Zixi's?

"What the heck!"

Thinking of this, Xu Xiaoshou was immediately terrified.

"Mu Zixi, you're not a ghost beast, but you're actually a Saint Servant?!"

He took a few steps back. The panic in his heart was much more than when he saw Lu Ke transform into a ghost beast host body.

"Saint Servant?"

Mu Zixi blinked, and her God Devil Eyes disappeared.

She rubbed her slightly dry eyes and said in confusion, "Xu Xiaoshou, what nonsense are you talking about? How can I be a Saint Servant?"

"You..."

Xu Xiaoshou was speechless.

Mu Zixi was not a Saint Servant.

However, her second consciousness and the memory that she had lost, what identity did she have.

This was probably an even more shocking secret.

Lei Shuangxing...

A pair of eyes that were exactly the same as Lei Shuangxing of a Saint Servant. Was this not enough to prove something?

“That’s not right!”

Xu Xiaoshou suddenly woke up.

If Lei Shuangxing was blind and Mu Zixi had the same pair of eyes as him.

“Darn, were your eyes dug out?”

“So you’re the one who is Tuan Zang?”

She was stunned for quite a while before she realized that Xu Xiaoshou was talking about Lei Shuangxing.

“Xu Xiaoshou, are you crazy?!”

“How can I dig out someone’s eyes? Besides, if I dig them out, how would I be able to catch them... bah, do I even have the strength to dig them out?” Mu Zixi said angrily.

“Insulted, Passive Points, +1.”

“Belittled, Passive Points, +1.”

Xu Xiaoshou was terrified.

Miss, you don’t have the strength, but who knows what kind of existence your so-called second personality would be.

You don’t know how to dig, but others might!

“Can you communicate with ‘her’?”

Xu Xiaoshou tried to ask.

“No.”

Mu Zixi shook her head straightforwardly. “Only when she’s in a good mood will she appear in my mind. I won’t be able to find her.”

“Why don’t you try scolding her?” Xu Xiaoshou advised.

Her eyes went blank for a moment before she suddenly covered her head and let out an “ugh” sound.

“Xu Xiaoshou, you tricked me!”

This time, he didn’t know what to ask.

It was obvious that this second personality was also a proud existence.

Even when Mu Zixi wanted to tell him the truth, she was also warning Mu Zixi by harming her body.

However, compared to her second personality, his Junior Sister was obviously closer to him, as her Senior Brother.

Therefore, she chose to tell him without any hesitation.

However, Xu Xiaoshou, who knew all of this, didn't know what to do.

It was better not to ask!

It would be fine if he didn't ask. All the strange things could be treated as the ghost beast host body.

This question posed an even bigger problem.

His Junior Sister could actually be related to the Saint Servant?

This... Xu Xiaoshou immediately had the following thoughts.

This was unsolvable!

How could he break this?

Should he leave in time and let this little girl bear all of this?

It seemed like a good choice... bah!

Xu Xiaoshou slapped himself silently in his heart.

She was, after all, a Junior Sister who had been with him for such a long time. Although she would occasionally give him a large wave of curses, humans were not plants. Who could be heartless?

"Why don't I run? We can talk about money, but talking about love hurts our lives..." he was wavering again.

"Xu Xiaoshou, it's my turn to ask you!"

While he was still indulging in his wild thoughts, Mu Zixi consciously finished explaining everything. She excitedly tiptoed and patted her Senior Brother's shoulder.

"Ask away!"

Xu Xiaoshou replied numbly. He was still immersed in the thought of moving to another place to live and also getting out of Elder Sang's control.

"Oh, what should I ask?"

Although she said that she wanted to ask something, Mu Zixi's face was red. She seemed to be thinking about something difficult to ask.

However, she couldn't ask and said, "Tell me your biggest secret!"

"Biggest?"

"Hmm..."

Looking at his Junior Sister's calm expression, Xu Xiaoshou finally regained his senses.

No matter what happened in the future, he just had to take care of the present.

He began to think seriously.

“The biggest secret...”

The Passive System?

No, no, no. This couldn't be said.

After a long time, he seemed to have made up his mind. Xu Xiaoshou looked around and after confirming that there was indeed no one around, he leaned over with a mysterious expression.

“What? What?” Mu Zixi was looking forward to it.

Xu Xiaoshou held his Junior Sister's ear and said, “Actually, I'm not from this world.”

She was stunned for a long while before she reacted.

Then, she suddenly jumped away and a huge wooden mallet materialized in her hand. She directly smashed it towards her Senior Brother's head.

“Pa!”

The mallet shattered.

Xu Xiaoshou was in a daze for a moment.

“What are you doing!” He roared angrily.

“Xu Xiaoshou, you big liar. I've already shared my secret, and you're saying this?” Mu Zixi was extremely angry. Two even bigger mallets flew out from her hands, chasing after Xu Xiaoshou and about to strike.

“Cursed, Passive Points, +1, +1, +1, +1...”

“I'm telling the truth...”

“If you're not human, are you a ghost?”

Mu Zixi glared at him, not listening at all. She pounced on him again.

“PA PA!”

“Beaten, Passive Points, +2.”

“Darn, your focus is really weird. Is my focus on ‘humans’? Are you crazy!” Xu Xiaoshou was stunned.

“PA PA!”

“Beaten, Passive Points, +2.”

“Stop.”

“PA PA!”

“Beaten, Passive Points, +2.”

“Wait, there seems to be something up ahead?” Xu Xiaoshou braked.

“Xu Xiaoshou, are you lying to me again?”

Mu Zixi didn't fall for it at all. She used two hollow wooden mallets that had no lethality and directly slammed.

At this moment, a woman's voice with a delicate smile suddenly drifted down from the sky.

"Yo, Xu Xiaoshou?"

"I've finally found you. You still have the leisure to flirt in the White Cave, huh?"

Chapter 528: Ghost Beast Contract

"Is there really a situation?"

When Mu Zixi heard the voice, she hurriedly stopped.

Flirting?

Darn it, which cultured person was hiding in the dark? If he knew how to speak, he should have said it earlier and said more!

"Hated On, Passive Points, +1."

"Watched, Passive Points, +1."

Xu Xiaoshou's Perception was activated, but he couldn't find anyone.

He couldn't help but panic.

What other special movement technique couldn't even be detected by his Perception?

"Who is it?"

The voice sounded vaguely familiar, but Xu Xiaoshou couldn't figure out who it was at all, so he shouted and asked.

"Keke."

With a laugh, a crack opened in the air, and a woman in a simple gray robe appeared.

Mu Zixi's eyes immediately popped out.

Although this woman was dressed in a loose gray robe, due to her hot figure, the parts of her body that were supposed to be tight were so tight that they almost split open... it was as if they were about to pop out!

In addition, there was a large purple chain that was intertwined and bound from all parts of her body, deeply embedded in the crevice of the robe.

Her chest was even more eye-catching.

It was hard to imagine!

Mu Zixi simply couldn't imagine what she had eaten while growing up to obtain such a figure.

The flames of envy burned fiercely.

“Xu Xiaoshou, who is this woman?” She couldn’t help but turn around and ask.

“Questioned. Passive Points, +1.”

“Jiao Tangtang?”

Xu Xiaoshou looked at this face that he had met once before and couldn’t help but exclaim in surprise, “You’re looking for me?”

“Yes.”

Jiao Tangtang took a step forward and her gaze landed on Mu Zixi.

However, with just a glance, she ignored it.

“I’m specifically looking for you.”

“Oh?”

Xu Xiaoshou’s brows raised and his heart relaxed.

He looked behind the woman and asked, “Why are you looking for me? Where’s Xin Gugu?”

“He didn’t come.”

Jiao Tangtang said, “At the Fourth Sword’s area, the method of gathering a large number of Spirit Array Casters by the Red Coats was very effective. More than half of the Thirty-Six Heavens Sealed Array has already been broken. I’m afraid that in a few days, the things inside will truly be unsealed.”

“After Xin Gugu met with me, he has already gone to complete his mission.”

“The Fourth Sword?” Xu Xiaoshou asked.

“Yes.”

Jiao Tangtang nodded without any hesitation. “His mission is the ‘Fourth Sword’. Whether he can get it or not is another matter. At the very least, he has to create chaos in the White Cave. Only then will we have a chance to escape.”

“Huh?”

Xu Xiaoshou was keenly aware of the error in Jiao Tangtang’s words.

“Only then will we have a chance to... escape?”

Jiao Tangtang smiled and said, “Let’s not talk about other things first. Let me tell you about the current situation outside the White Cave.”

“The Seven Sword Deity, Gou Wuyue has brought a group of White-clothed and has completely sealed off all the spatial passageways to escape from the White Cave Small World.”

“Even though they seemed to have been stopped midway, the remnants of the White-clothed people are enough to deal with all the stowaways in the Small World of White Cave who had already become ghost beasts.”

“The situation is not optimistic. I need your help.”

Hearing this, Xu Xiaoshou’s face stiffened.

“What did you say... White-clothed? Gou Wuyue?”

“Yeah, why?”

“The Seven Sword Deity, Gou Wuyue?” Xu Xiaoshou’s lips turned white.

“Yes!”

Jiao Tangtang nodded and said, “He is one of the two rulers of the Holy Divine Palace, the Sword Deity with the title of one of the Ten High Nobles, Gou Wuyue. Is there a problem?”

“No problem...”

“No problem my foot!” Xu Xiaoshou cursed in his heart.

He felt his heart turn cold at this moment!

What the hell is this!

He had just finished beating up his disciple not long ago, and his master came so soon?

After beating up the little one, the old one came out... this wasn’t the way to play!

Shouldn’t he give others some room to grow?

Even novels weren’t written like this!

Was he trying to torture people to death?

Moreover, how did this Sword Deity, Gou Wuyue learn from the outside world that his disciple was beaten up in the White Cave, and in the blink of an eye, he came from...

“He came from the headquarters of the Holy Divine Palace, the Central Region?” Xu Xiaoshou asked in surprise.

“Yes.”

A positive answer.

“Darn it!”

Xu Xiaoshou swore that he would not dare to touch anyone with a background in the future.

There was no need for this protector to be so exaggerated, right?

He directly teleported across two regions just to... mess with me?

Jiao Tangtang looked at Xu Xiaoshou's pale face and realized that this guy seemed to have misunderstood something.

"Gou Wuyue rushed here from the Central Region to capture the Seventh Chief of the Saint Servant, an existence called... the Storyteller."

"Did you offend Moonless Sword Deity?" Jiao Tangtang raised her eyebrows. She felt that it was completely impossible.

"Oh?"

Xu Xiaoshou did not reply directly. Hearing this, he felt relieved.

Saint Servant?

That Moonless Sword Deity probably did not come to look for him on purpose.

But suddenly, his little heart started to throb as if it had suffered a heart attack.

That's not right!

"Saint Servant?"

Xu Xiaoshou suddenly turned his head to look at his Junior Sister.

Mu Zixi's large eyes blinked innocently, and two large wooden mallets appeared in her hands once again.

This time, they were solid.

"Storyteller, what does he look like?"

Xu Xiaoshou asked as he described with his hands and said, "Is that person around this height and has two twin ponytails..."

"Pa! Pa!"

"Beaten, Passive Points, +2."

Jiao Tangtang looked at the pair of Senior Brother and Junior Sister with a strange expression.

"No."

Xu Xiaoshou's heart relaxed.

Then, he heard the opposite party continue, "But his appearance is indeed very iconic. If you've seen him before, you definitely won't forget him."

"The Storyteller usually wears a red dress, but that person seems to be a man. He's not old and looks to be in his early 20s, but his bone age must be more than that."

"He seems to be a little sissy..."

Jiao Tangtang frowned. "I don't know much about the Saint Servant either. These are all information from the spies outside..."

“En, Xu Xiaoshou, what’s wrong?”

Halfway through her sentence, Jiao Tangtang looked at Xu Xiaoshou who had suddenly collapsed to the ground with a baffled expression.

This fellow seemed to be undergoing some kind of terrifying baptism. His face was as pale as paper, and not even a trace of his ruddy color could be seen.

Looking at him in this manner, he was simply a corpse that could still breathe!

“Startled, Passive Points, +1.”

“Feared, Passive Points, +1.”

Xu Xiaoshou felt his legs go soft.

The man in the red dress?

Wasn’t he the fellow that he had seen during the great explosion of the Spirit Fusion Swamp?

As expected, there wouldn’t be a normal person that I, Xu Xiaoshou, had met by my side, right?!

This kind of existence that could make the grey mist figure so afraid that it had to work together with me to break through the ancient book space was a legendary big shot!

Saint Servant...

Seventh Chief...

That was the Masked Man’s subordinate?

“Oh my God!”

Xu Xiaoshou’s mind went blank.

At this moment, he was purely having a lingering fear.

His clothes were instantly drenched in a cold sweat.

Other than fear, he didn’t have any other emotions.

Fortunately, he had fallen out with the Night Guardian and didn’t stay in that place for too long.

If he was the Saint Servant’s Seventh Chief, then the Night Guardian and the grey mist figure might truly be in danger!

“I was just very lucky, right?”

“Fortunately, I left first. Luckily...”

After regaining his composure, Xu Xiaoshou wanted to stand up, but he realized that his legs were a little weak.

He pretended to be indifferent and patted the ground.

“Sit down. What are you in a daze for?”

“If you have something to say, it’s good to sit and chat. Isn’t your waist hurting from all that talking while standing?”

“Suspected, Passive Points, +1.”

“Xu Xiaoshou, why is your voice trembling?” Mu Zixi wasn’t as polite as Jiao Tangtang and directly said it. As she said it, she squatted down curiously.

Xu Xiaoshou glared at his Junior Sister.

You won’t die if you shut up!

Can’t you just obediently be mute?

“What’s wrong?”

Jiao Tangtang sat down indifferently and was quite close to Xu Xiaoshou.

“Cursed, Passive Points, +1, +1, +1, +1...”

“Where were you just now? The amount of information is a bit too much. Let me slow down.” Xu Xiaoshou rubbed his head.

“Cooperation.”

Jiao Tangtang smiled and said, “Based on this, I need your help to escape from White-clothed’s encirclement.”

“How can I help?”

Xu Xiaoshou turned pale with fright. “Are you crazy? That’s the Seven Sword Deity! His name is Gou Wuyue! I’m just a small fry. How can I help? Becoming a cannon fodder and escort you away?”

He slowly moved away from Jiao Tangtang’s side. All of a sudden, he felt a lot of strength gushing out of his body. He jumped up and grabbed his Junior Sister’s hand. He had a guarded expression that said that if something went wrong, he would use Ascending to the Heavens in A Single Step and flee far away,

Mu Zixi’s face turned red. Her hand symbolically struggled two times.

“Resisted, Passive Points, +1.”

Jiao Tangtang laughed.

“Little underling... you’re quite self-aware.”

She teased and her expression became serious as she said slowly, “In your current state, you can’t be of much help in the overall situation.”

“However, there’s a method that can let us get out of this mess!”

“What method?” Xu Xiaoshou was startled.

“What do you think?”

Jiao Tangtang patted her butt and stood up. The big purple chains that were tied around her body were clanging loudly, causing Mu Zixi's eyes to become absent-minded.

Xu Xiaoshou frowned.

Jiao Tangtang was able to find him, and she was even able to resist Gou Wuyue's power out of thin air?

What kind of joke was this?

There was such a thing on my body?

Suddenly, his pupils constricted. Xu Xiaoshou thought of something and said in disbelief, "That, that broken cat?"

"What broken cat!"

Jiao Tangtang's expression turned sullen and she said furiously, "That's Greedy the Cat Spirit!"

"Alright, alright, Greedy the Cat Spirit, Greedy the Cat Spirit..."

Xu Xiaoshou repeated two sentences in a daze and asked in surprise, "What do you mean?"

Jiao Tangtang didn't say much nonsense. Under Mu Zixi's widened eyes, she stuck her hand into her chest and took out an old beast skin scroll that was still warm.

"Contract!" She said firmly.

Xu Xiaoshou subconsciously took a step back.

"What do you mean?"

"It's already called a 'contract'. What else do you think it meant?"

Jiao Tangtang sneered and paced around. "Greedy the Cat Spirit has been with you for a while. I believe that he has already developed feelings for you. Now is the best time to sign the Ghost Beast Contract."

Ghost Beast Contract?

Upon hearing this term, Mu Zixi finally pulled her soul out of her fleshy brain.

"Xu Xiaoshou, this..."

She had just listened to Xu Xiaoshou explain how terrifying the ghost beast host body was.

Now, this woman came over and wanted her Senior Brother to sign a contract with the ghost beast?

"Impossible!"

"Impossible!"

The two sentences in unison overlapped.

Xu Xiaoshou and Jiao Tangtang looked back at the little girl at the same time.

Mu Zixi's face stiffened. She gripped her Senior Brother tightly as if she was afraid of losing her beloved lollipop. She said loudly, "Xu Xiaoshou can't sign a 'Ghost Beast Contract' with you!"

Jiao Tangtang opened her red lips in surprise and wanted to say something.

Xu Xiaoshou had already calmed down.

"My Junior Sister is right. I can't sign this contract."

"You won't sign it?"

Jiao Tangtang's eyes narrowed. "Xu Xiaoshou, what's the situation now? Do you still think you can do whatever you want?"

Xu Xiaoshou didn't reply. He just shook his head indifferently.

How could he sign the Ghost Beast Contract?

He had just promised the Red Coat Night Guardian that he would never be the host body of a ghost beast. He would only use Greedy the Cat Spirit to see the truth of the Ghost Beast World.

The situation with Lu Ke, who was both a Red Coat and a ghost beast had just been discovered. This was a good opportunity to see the tip of the iceberg.

Under such circumstances, how could Xu Xiaoshou let himself fall into this swamp that he did not know whether it was a blessing or a curse?

A blessing? It was impossible.

At best, it was just a pool of muddy water with big and small disasters.

"Greedy the Cat Spirit, I'll return it to you. The contract is impossible."

Xu Xiaoshou pondered for a moment and felt that the situation had exceeded his ability. He didn't want to get involved in this muddy water.

Hence, he caught the little white cat that had gained weight from the Yuan Mansion and passed it to her.

"Meow!"

The little white cat was still in its cute and ignorant state.

When it saw that Xu Xiaoshou was finally willing to get close to it, it licked Xu Xiaoshou's wrist vigorously the moment it appeared.

"Slurp"

"Slurp"

"This... is a ghost beast?"

Mu Zixi was stunned.

In the past, she could not see the existence of the little white cat.

However, ever since she had awakened the God Devil Eyes, she was able to discover that there was such a cute little cat in the Yuan Mansion space.

But, this was a ghost beast?

Shouldn't a ghost beast be one of those dark giant beasts with big bloody mouths, sharp fangs and angry horns, and a mouth filled with stinky saliva?

At the very least, shouldn't they be the mysterious and unfathomable existence of the grey mist figure who could seal everything and make people lose consciousness with a single palm?

A little kitten?

What bad thoughts could a little kitten have?

How could it be a ghost beast!

Mu Zixi felt that her worldview had suffered a blow.

So, it might have been something like this cute little thing that scared the fearless Xu Xiaoshou so much that he escaped from the Path Pattern Initial Stone to this place?

This was too timid, Xu Xiaoshou is too timid!

So you are such a timid person?

"Belittled, Passive Points, +1."

"Xu Xiaoshou..."

Jiao Tangtang looked at the kitten in the young man's hand and laughed out loud.

"Xu Xiaoshou, you are too naive!"

"Do you really think that an existence like the ghost beast is something that you can mess with if you want to? If you don't want it, you can just give it away?"

"Yes." Xu Xiaoshou nodded expressionlessly.

"Uh..."

Jiao Tangtang choked and angrily flung the animal skin roll in her hand. She shouted, "You have to sign this contract today. Even if you sign it, or you don't want to, you still have to sign it!"

"What do you mean 'even if you sign it'?" Xu Xiaoshou looked confused. "Isn't signing it just signing it? There's no such thing as 'even if you sign it'. With your level of education..."

"Xu Xiaoshou!"

Jiao Tangtang angrily interrupted Xu Xiaoshou. "I dare you to try making jokes again?"

"Oh?"

Xu Xiaoshou pulled Mu Zixi back and said in disbelief, "If I try it, I will die?"

“Take a guess!”

Jiao Tangtang’s eyes became dangerous, and a strange black mist appeared in her pupils.

“Enter Yuan Mansion.”

Xu Xiaoshou turned around and ordered.

“Okay.”

Mu Zixi didn’t say anything else.

At the critical moment, she definitely wouldn’t become the chain that would fall off Xu Xiaoshou’s body.

The sound of her voice fell.

Xu Xiaoshou wanted to use his spiritual senses to open the Yuan Mansion.

However, the Yuan Mansion’s spatial passageway seemed to have completely lost its effect and couldn’t be opened!

“Xu Xiaoshou, there’s no need to try. This space has long been sealed by me. Any possibility of escape that you have imagined will not appear.” Jiao Tangtang sneered.

“Darn it, Xin Gugu...”

Xu Xiaoshou’s heart sank to the bottom.

Xin Gugu must have revealed the existence of his Yuan Mansion to Jiao Tangtang in advance.

It was even possible that he had revealed all of his special abilities. That was why Jiao Tangtang could treat him so seriously.

Otherwise, it was just a one-time encounter.

When a Sovereign faced an ant, like the Innate, they wouldn’t prepare so much in advance!

“Break!”

While he was in a daze, a soft shout sounded from behind him.

Xu Xiaoshou looked back, only to see the yin-yang fish in Mu Zixi’s eyes retreat.

This time, he felt the space loosen up.

With another spiritual sense, the Yuan Mansion spatial passageway appeared.

“Xu Xiaoshou, I’ll go in first. You guys can chat slowly.”

Mu Zixi stepped into the spatial passageway and didn’t forget to turn around and glare at him. She threatened, “Don’t act recklessly!”

With that, a light flashed and she disappeared.

“This...”

Jiao Tangtang was shocked.

What was going on?

She couldn't see Xu Xiaoshou's cultivation level clearly, but with Xin Gugu's instructions, she was already on high alert.

But this Junior Sister of his...

What was going on!

A cultivation level of the Upper Spiritual Level could break the space blockade of a Sovereign with just a glance?

"Xu Xiaoshou, she..."

Jiao Tangtang could not help but feel curious. Just as she wanted to ask something, Xu Xiaoshou stopped her.

"Wait, I'm a little flustered. I'll call someone first."

He waved his hand.

Then, a light flashed in the air and the world suddenly turned completely dark.

"Boom!"

"Boom!"

Two towering giants that were nearly a hundred meters tall landed.

One was white and the other was blue.

One on the left and one on the right.

Like a close-fitting yin-yang protector, they directly smashed onto the back of Xu Xiaoshou and stood apart.

The Ice Blue White Skeleton, Ice, was still fine.

It had a quiet personality. The moment it was summoned, it would sit down quietly.

Then, it quietly felt the frozen power in its master's body and slowly comprehended the profound meaning of ice.

The Infernal White Skeleton, Ember, was an irritable fellow.

As soon as it appeared, it was as if it had lice all over his body. It scratched up and down and was so excited that it almost performed a bonfire dance.

When it felt the familiar temperature of the small world in the White Cave, the joy and excitement in its heart completely melted. In the end, it curled up and stuck in its throat that it had to spit it out.

"Roar –"

A deafening roar.

The earth was shaken and cracked, and the ravines were everywhere.

Gravel flew in all directions, and grass and trees were cut into the air.

Jiao Tangtang did not have time to react before she was pushed back by the roar for hundreds of feet.

The great purple chain clanged wildly, and even her gray robe was torn apart.

“What the hell is this!”

She subconsciously raised her spiritual source barrier, and the black mist around her body surged. Only then did she dare to look in the direction of Xu Xiaoshou.

High in the sky, the Ice Blue White Skeleton half-bent over and crossed its hands.

Below it, a blue hemisphere-shaped ice shield was in front of Xu Xiaoshou, blocking the roaring attack for him.

On the other hand, the Infernal White Skeleton was directly behind the two of them, dancing with excitement.

“Boom, Boom, boom...”

The earth trembled as it danced, and the ground cracked.

However, everything in front of her was not as shocking as the waves in Jiao Tangtang’s heart.

“What... what the... hell is this?”

Xu Xiaoshou let out a deep breath and stepped forward. He stepped past the protection of the ice shield and was about to speak.

“Ka!”

Another layer of ice shield appeared and blocked his way.

Clearly, Ice felt the strength of its opponent and could not bear to let Xu Xiaoshou face it alone.

“Don’t worry, I know what to do.”

Xu Xiaoshou turned to the back before crossing the ice shield again.

After thinking for a while, he adjusted his posture, leaned against the ice shield, and raised his head 45 degrees.

At this moment, he felt that something was missing from his hand.

He calmly used the Three Days Frozen Calamity to condense a wisp of ice smoke.

The white flame was ignited.

With a “poof” sound, the mist began to evaporate.

Xu Xiaoshou took a deep breath and exhaled a cloud of icy mist. Then, he said in a neutral tone, "Speak, you can continue what you were saying just now."

Jiao Tangtang kept clenching her fists so tightly that her nails were deeply embedded in the flesh of her palm.

At this moment, Xu Xiaoshou looked like he wanted to be beaten up...

It almost caused her to lose all reason due to her anger that she almost transformed into a ghost beast and wanted to give this fellow's fair and tender face a ruthless kick in the form of a ghost beast.

The kind of kick that if Xin Gugu became a puddle of blood that he couldn't recover from it!

"How hateful!"

"Glared At, Passive Points, +1."

Jiao Tangtang was so angry that smoke was coming out of her body.

Real smoke, the black kind!

She really wanted to do that, but she couldn't.

The two unknown creatures behind Xu Xiaoshou... the strength of a Sovereign!

No! Peak Sovereign strength!

And this was in a one-on-one situation.

If these two big guys joined hands, she reckoned that even if she transformed into a ghost beast, it was very likely that she would only become a slightly bigger ball that would be wildly kicked by these two fellows!

Although she had yet to experience the strength of a large white skeleton.

However, a woman's sixth sense made Jiao Tangtang realize that she could not afford to offend it!

Moreover, there was also Xu Xiaoshou who was eyeing her like a tiger eyeing its prey.

An Innate expert who even Xin Gugu was a little afraid of and had the strength to threaten a ghost beast!

This...

"Xu Xiaoshou, what do you mean?"

Jiao Tangtang took a deep breath and calmed her chest which was trembling from anger. She swallowed her anger and asked.

"Nothing."

Xu Xiaoshou finished smoking one ice-cold cigarette at the speed of light. Then, he lit three bigger ones, stuck them between his fourth finger, and took a deep breath.

"Huff"

The smoke was spat out, forming a peach heart in the air.

“Didn’t you say that I have to sign the Ghost Beast Contract today?”

“Come on, force me.”

Xu Xiaoshou put down the large ice cigarette in his hand and his eyes turned cold.

“What I hate the most in my life is being passive, but what I like the most is also being passive!”

“Come on, force me. How do you want me to sign it? Give me an explanation.”

“Say it!”

As the last sentence was spoken, the ground suddenly sank and collapsed three feet down.

The heavy pressure in the air caused Ember, who was dancing with joy, to be stunned. It stood properly and placed its hands between the gaps of his fire-breathing legs. It looked like an obedient baby.

“This aura...”

Jiao Tangtang’s pupils constricted, and her heart tightened even more.

She could completely sense that this wave of terrifying aura did not come from the two white skeletons that blotted out the sky, but from Xu Xiaoshou!

This fellow had the ability of a Sovereign. Could he really threaten a ghost beast?

“Surprised, Passive Points, +1.”

“Hu.”

Xu Xiaoshou finished smoking another three cigars.

Recalling the time when the Flame Python was born and he was beaten to the ground by that ordinary ghost beast, he took a deep breath.

“Is there enough people?”

“There’s more if there’s not enough!”

As he said that, he did not hesitate to put his hand into his pocket. Very quickly, he took out a black stone and threw it on the ground.

“Boom! Boom! Boom!”

This time, the Infernal White Skeleton showed fear on its face and retreated a few steps back.

“Ma Ma...”

A soft cry echoed in the air.

The sound was not loud, but the penetrating power was very strong.

Jiao Tangtang felt that her heart was about to stop beating.

This little boy looked pink and tender, harmless to humans and animals...

“A Sovereign?”

“Feared, Passive Points, +1.”

Chapter 529: A Game

“Xu Xiaoshou, I’m not here to fight with you,” Jiao Tangtang said calmly.

“Deceived, Passive Points, +1.”

Xu Xiaoshou smiled when he saw the message.

As expected, Jiao Tangtang had planned to force him to sign the Ghost Beast Contract.

But now, seeing the people he had called out, she panicked.

She couldn’t help but panic.

If he had only summoned Aje, even if Jiao Tangtang could tell that Aje wasn’t simple, the latter’s appearance was too confusing.

She could choose to act in the end.

But with the appearance of the two super large white skeletons, the situation was completely different.

Although in terms of individual strength, the two of them might not be as strong as Aje.

However, that tall and sturdy body naturally gave people a sense of fear, not to mention the fact that he had summoned two of them at once.

It could be said that with just this lineup alone, in the White Cave, if it was a one-on-one fight, Xu Xiaoshou was completely unafraid of anyone!

It was the same if the Night Guardian arrived.

No matter how different it was, escaping was definitely possible.

Unless the other party also called for help...

And now, Jiao Tangtang obviously had no one to call.

“Little girl, weren’t you quite arrogant just now? Continue?” Xu Xiaoshou lifted his chin.

The corners of Jiao Tangtang’s eyes twitched wildly, and the black mist on her body suddenly rose to a height of 30 feet.

“Oh my God, wait, wait!”

Xu Xiaoshou was shocked. “It was a slip of the tongue, a slip of the tongue. Actually, I didn’t want to fight with you either. It’s good that everyone is communicating at such a distance.”

Seeing that the lady was about to charge at him, Xu Xiaoshou quickly admitted defeat.

This was a ghost beast!

If they could communicate calmly, he wouldn't want to start a real fight either.

Otherwise, if his two new bodyguards were killed before they could get to know one another, Xu Xiaoshou's heart would ache to death.

"Phew!"

Jiao Tangtang took a deep breath and said angrily, "Xu Xiaoshou, if you say another word of nonsense, do you believe that I will really risk my life to chop you into pieces today?"

"I don't believe it..."

Xu Xiaoshou shook his head subconsciously, but when he saw the flushed face on the other side, he quickly changed his words, "I believe it, I believe it, I believe in Jesus!"

"Glared At, Passive Points, +1."

"So what do you say?"

The other party remained silent, and the atmosphere was extremely tense as if it was about to explode at any moment. Xu Xiaoshou could not help but force himself to speak, "There's an important principle that I don't know if I should speak of..."

"Shut up!"

"Alright." Xu Xiaoshou nodded and continued, "It's this Ghost Beast Contract, I really can't sign it with you..."

"Shut up!"

Jiao Tangtang angrily took a step forward.

"Protect me."

Xu Xiaoshou immediately retreated behind the ice shield and directly pulled Aje in front of him.

"This is the principle!" He stuck his head out and shouted.

"Hiss."

Jiao Tangtang took a deep breath and calmed her breathing. She ignored the young man's words and continued, "Xu Xiaoshou, I'm not really forcing you to sign the Ghost Beast Contract..."

"This isn't forcing? Do you have some misunderstanding about the word 'force'?"

"Shut up!" Jiao Tangtang scolded angrily, "Hear me out!"

"Oh." Xu Xiaoshou finally shut up.

After a moment of silence, Jiao Tangtang changed the topic, "Xu Xiaoshou, do you know the truth about ghost beasts?"

"Oh?" Xu Xiaoshou's eyes lit up.

The truth?

Yes, the woman in front of him seemed to be an organized and well-connected ghost beast host body.

With his previous confusion about the Red Coat and the ghost beast, it seemed like he may be able to find a breakthrough from her?

There were many thoughts in his mind, but Xu Xiaoshou did not dare to say it.

“Say something!” Jiao Tangtang’s eyes widened.

“Didn’t you tell me to shut up?” Xu Xiaoshou shrunk his head.

“Chi!”

This time, the large purple chain on Jiao Tangtang’s body seemed to be unable to suppress the black mist that was gushing out.

The ground was directly invaded by the sinister force. The eyes of the furious woman turned scarlet red.

“Not to the extent, not to the extent...”

Xu Xiaoshou suddenly became nervous. “I am so confused. You told me to shut up and yet you want me to speak. What do you want me to do? I’m also very helpless!”

“I...”

The black mist that was rising from Jiao Tangtang started to tremble.

“Roar!”

The Infernal White Skeleton let out a low roar that was filled with hostility. It calmed her down at the right time.

“Ma Ma...”

She glanced at him again and saw that the little boy who refused to leave Xu Xiaoshou’s side was right beside him.

Obviously, it was not realistic to rush forward and give him a good beating.

If they started an internal war, it would only benefit the others and be a waste of effort.

“I’ll endure!”

“Jiao Tangtang, endure! This is Xu Xiaoshou. It’s not like you’re not used to his way of speaking. Endure!”

After comforting herself in her heart, Jiao Tangtang pressed down with both of her hands and withdrew the ghost beast’s black mist into her body.

“Xu Xiaoshou, don’t joke with me anymore. There’s a limit to my patience.”

Ignoring the young man’s reaction, she immediately continued, “The ghost beast is not as simple as you think. You should know that I come from a place called the Xu Yue Grey Palace.”

“Hmm?”

Xu Xiaoshou nodded and did not dare to play around anymore.

Obviously, Jiao Tangtang wanted to reveal some insider information.

“Your what palace is a pure ghost beast force?” Xu Xiaoshou asked uncertainly.

“Yes.”

After getting a positive answer, Xu Xiaoshou was a little surprised.

He had this suspicion when he saw Xin Gugu and Jiao Tangtang.

However, after seeing the iron-blooded methods of Red Coat, he couldn't help but dismiss this idea.

After all, on this continent, how could ghost beasts that were almost exterminated still exist in groups and not be discovered by the Holy Divine Palace?

But now, the other party admitted it!

“Aren't you afraid of the Holy Divine Palace?” He continued to ask.

“Yes, but it's useless.”

Jiao Tangtang shook her head and said, “The Xu Yue Grey Palace is located in the southern region. It's a chaotic place. Even the order of the Holy Divine Palace is difficult to establish in that place.”

“Unless they are determined to clean up those miscellaneous but troublesome forces in the southern region, they won't be able to catch the Xu Yue Grey Palace.”

“I see...” Xu Xiaoshou nodded.

No wonder the southern region was in chaos.

Most of the Holy Divine Palace's forces were concentrated in the central and eastern regions, so they could not interfere for the time being?

“But if that's the case, when they are free, your palace will be destroyed sooner or later, won't it?” Xu Xiaoshou asked.

“Xu Yue Grey Palace!”

“Xu Xiaoshou, can you say something nice?”

Jiao Tangtang was angered again and said, “It's impossible to be destroyed. Where there is oppression, there is resistance. There are many situations where ghost beasts have no choice but to huddle together to keep warm. It's just that the Xu Yue Gray Palace is doing it a little bigger.”

Only when there is oppression will there be resistance... Xu Xiaoshou was stunned.

Was this sentence used in such a way?

“You guys sound like you're the ones who are righteous,” he could not help but mutter.

“Glared At, Passive Points, +1.”

“I’m not going to talk about this with you!”

Jiao Tangtang forcefully pulled back the topic that was sidetracked and said, “Before you sign the contract, I can’t reveal too much about ghost beasts to you.”

“But there’s one thing you can know for now.”

“What?” Xu Xiaoshou looked up curiously.

“The source of the ghost beasts!” Jiao Tangtang said.

“What do you mean?”

Xu Xiaoshou was confused, “Aren’t ghost beasts born in the extradimensional space?”

“Yes.”

Jiao Tangtang nodded and continued, “But these ghost beasts born in the extradimensional space need to grow, just like Greedy the Cat Spirit in your hand.”

“These ghost beasts have a very long growth period. Only after signing a contract with a spiritual cultivator and continuously feeding spiritual objects can they shorten their growth period.”

“However, the growth period can be shortened, but the growth of spiritual intelligence is not that fast.”

“Just like an ordinary human being, no matter how talented they are, they can cultivate to become a Master or a Sovereign at a very young age.”

“But the way of thinking, the way of doing things... without the accumulation of time, it’s impossible for these things to grow.”

“Do you understand what I mean?”

Xu Xiaoshou stared at her.

After a long while, he blinked.

Wasn’t this a very normal thing? Why would she need to explain it?

“I understand.”

“So?”

“You don’t understand.” Jiao Tangtang sighed. “Think about the ghost beasts you’ve encountered in the past.”

The ones I’ve encountered?

Xu Xiaoshou immediately thought of the grey mist figure.

However, was there anything special about them?

He looked at Jiao Tangtang across him in confusion.

However, the latter did not say anything. She only stared at him with a calm and indifferent gaze.

It was as if as long as he did not realize it, she was not prepared to say anything else.

The birth of a ghost beast and the growth of spiritual intelligence?

Xu Xiaoshou tried hard to keep his thoughts up to Jiao Tangtang's frequency.

After a long time, his thoughts came to a halt.

Doing things as a person?

Spiritual intelligence?

He felt a strange tug in his heart. He felt as if he had caught hold of some crucial information. However, if he really tried his best to think about it, he would not be able to explain it clearly.

"What exactly do you mean?" Xu Xiaoshou asked in surprise.

"That's all I can tell you. You should think about what I said just now." Jiao Tangtang obviously did not want to say anymore.

"How would I know what you said..." Xu Xiaoshou felt very uncomfortable.

He vaguely felt that something was wrong, but he didn't know what it was.

He pulled Greedy the Cat Spirit down from his head.

Xu Xiaoshou looked carefully, but he didn't find anything wrong.

"Meow"

Greedy the Cat Spirit stuck out his tongue and licked Xu Xiaoshou's wrist.

This time, Xu Xiaoshou was shocked awake.

"Wait, spiritual intelligence?"

If there was any difference between the grey mist figure and Greedy the Cat Spirit, it would be that the former would never stick out his tongue and lick himself like this little fat cat. Then...

"You just said that from the birth of a ghost beast to the maturity of its spiritual intelligence, it needs some time to develop similar to a human?" Xu Xiaoshou swallowed a mouthful of saliva.

"That's right." Jiao Tangtang nodded.

"Impossible!"

Xu Xiaoshou was horrified.

How was this possible?

The White Cave had only opened twice in total.

And the last time it opened, it was also the first time that the White Cave Small World was born.

At that time, the ghost beast that accompanied it was the grey mist figure.

But in just a few years, according to Jiao Tangtang's theory, how could the grey mist figure form such an experienced way of doing things?

Without looking at its strength, just by looking at its battle awareness, as well as its various handling of people, things, etc...

It was completely an old monster that had seen through the mortal world and was well-versed in human relations!

And it only took a few years!

In just a few years, how could it be possible to cultivate and form such a thought, and how could it allow spiritual intelligence to grow to such a high level?

Xu Xiaoshou's thoughts were somewhat chaotic again.

He tried his best to recall what Jiao Tangtang had said just now. His memories flashed back and forth like a replay until the scene in his mind froze.

"This kind of ghost beast that was born from another extradimensional space..."

His sharp senses caught the information that Jiao Tangtang had inadvertently revealed. Xu Xiaoshou's heart skipped a beat. He raised his head and asked, "There are two kinds of ghost beasts?"

Jiao Tangtang's red lips curled up. She only shook her head gently and did not speak.

"Tell me!"

Xu Xiaoshou was anxious.

This woman was she crazy?!

We have already reached this critical juncture, why are you still keeping us in suspense? Is this fun?

"I told you already before you become a ghost beast host body, there isn't much information I can reveal to you," Jiao Tangtang said.

"Okay, I won't ask you for specific information. You just need to shake your head or nod your head," Xu Xiaoshou said differently.

"Isn't that answering?" Jiao Tangtang laughed. "I won't do it."

Xu Xiaoshou almost threw Aje in front of him to beat this woman up.

He forced himself to calm down.

"Okay, I'll do it another way."

"Next, I'll ask you a question. You don't have to do anything. You can even say whatever you want with your expression and tone. You just need to cooperate with me and say one word, okay?"

Before the other party could say anything, Xu Xiaoshou raised Greedy the Cat Spirit in his hand up high. "If you don't do it, I'll strangle it to death!"

"Meow."

"Feared, Passive Points, +1."

"Just one word." Xu Xiaoshou took the opportunity before the other party could get angry and quickly put down the little white cat. "It's just a game. Do you want to play?"

"A game?" Jiao Tangtang asked angrily.

"Yes."

"What word?"

"Yes!"

"Yes?"

"Yes."

Xu Xiaoshou nodded. "It's similar to me asking you if you're a woman and you reply yes."

"You!" Jiao Tangtang almost raised her leg and rushed in front of the young man to whip him to death.

"It's just a game. Don't take it seriously." Xu Xiaoshou shrank behind Aje.

"Ha, Xu Xiaoshou, you really know how to play... I am talking to you about ghost beasts, and you are talking about games?"

"Yes, only after we finish this game can we proceed to the next step."

Xu Xiaoshou squeezed out a smile and said, "We'll talk about signing a contract or something later. If the game is not completed, I won't cooperate at all."

"Okay!"

Jiao Tangtang was so angry that she was amused.

Since Xu Xiaoshou wants to go crazy, she would play with him.

"What question? Tell me."

"The first question..." Xu Xiaoshou raised a finger and said, "Are you a woman?"

Jiao Tangtang's face turned black.

"Game!" Xu Xiaoshou emphasized.

"Yes!" Jiao Tangtang answered unhappily.

Xu Xiaoshou glanced at the information column and heaved a sigh of relief.

Very good, this woman with a bad temper was indeed a tigress.

“Second question...” he raised his second finger and said, “Is Xin Gugu a woman?”

“No...”

“A game!” Xu Xiaoshou raised his voice and interrupted, “You don’t need a brain. You only need to answer with one word and that’s ‘yes’!”

Jiao Tangtang gritted her teeth.

She felt that this kind of game... was so shameful!

Not only shameful but also retarded!

But... indeed, it was a disturbing move that Xu Xiaoshou knew how to play.

Okay, I’ll endure it.

“Yes!” She replied loudly.

“Deceived, Passive Points, +1.”

Xu Xiaoshou exhaled lightly and flicked out the third finger. He said calmly, “There is only one type of ghost beast, Greedy the Cat Spirit, yes or no?”

Jiao Tangtang’s eyes narrowed and she muttered, “Xu Xiaoshou, don’t tell me you have some kind of mind-reading ability?”

“How did you know?” Xu Xiaoshou looked surprised.

Jiao Tangtang was stunned. “Really?”

“That’s right!”

Xu Xiaoshou nodded. “I can still read that you are feeling very ashamed of this game. If it weren’t for these two big friends behind me, you would even want to come up and slap me to death. Am I reading it right?”

At this moment, she only felt pain in her liver, lungs, and all over her body.

Was this guy really acting crazy and acting dumb, or did he have some special ability?

Could it be that he thought that he could peek into her heart through her small actions and small details that were inadvertently exposed when she answered the questions?

Very good! If you, Xu Xiaoshou, have such an ability, then what’s the harm in exposing it to you?

“You read it wrong.”

Jiao Tangtang was completely relaxed. She opened her red lips and said, “I don’t like to use my hands. All problems can be solved with my legs.”

Xu Xiaoshou subconsciously looked down.

It was a pair of full and round long legs that were exposed in the air because of the broken gray robe. The luster flowed and the elasticity was astonishing.

“Your legs had never gone through surgery before, yes or no?”

This Xu Xiaoshou... was sick!

She crossed her arms across her chest. She really didn't care anymore. She lifted her chin as if she was ready to be interrogated.

“Yes.”

The Information bar didn't move at all.

This is a real leg... Xu Xiaoshou nodded to himself.

“Continue.”

“There is only one type of ghost beast, Greedy the Cat Spirit. Yes or no?” Xu Xiaoshou brought up the previous question again.

“Yes.”

Jiao Tangtang's face had a seductive smile on it, and no one could see the ripples anymore.

“Deceived, Passive Points, +1.”

Xu Xiaoshou saw it, but his expression did not change.

He spoke faster, and the questions and nonsense were thrown out at the same time.

“In the White Cave space, you only have one companion, and that is Xin Gugu. Yes or no?”

“Yes.”

“Deceived, Passive Points, +1.”

Darn it, there was someone else?

Xu Xiaoshou's face was expressionless. “The Xu Yue Gray Palace is a third-rate force, yes or no?”

“Yes.”

“Deceived, Passive Points, +1.”

Darn it, how high-class was that force?

“The true strength of the Xu Yue Gray Palace is almost comparable to the Holy Divine Palace, yes or no?”

“Yes.”

“You're very...” Xu Xiaoshou was halfway through his sentence when he suddenly felt that something was wrong.

Darn it! Where was the message?

Where was the “Deceived” message?

What the hell!

He almost stumbled, so he took a few steps forward and continued to ask, "You really want me to be your companion, yes or no?"

"Yes." Jiao Tangtang didn't see anything wrong.

Heh, you're quite sincere?

"I'm very handsome, yes or no?" Xu Xiaoshou raised his chin and continued to ask.

"Pfft!" Jiao Tangtang couldn't help but laugh. "Sorry, I couldn't hold it in for a while... yes."

There was actually no response from the message board?

Xu Xiaoshou was stunned for a moment and confirmed, "I'm really very handsome?"

"Hehe, yes!"

Jiao Tangtang rolled her eyes at him.

Xu Xiaoshou thought to himself that a woman's heart was like a needle in a haystack. If it wasn't for the message board, he would have been fooled by this woman.

So, I'm really handsome!

After he composed himself, Xu Xiaoshou asked happily, "There are only two types of ghost beasts, yes or no?"

Jiao Tangtang stopped smiling. "Xu Xiaoshou, after wasting so much time, are you finally going to reveal your true purpose?"

"Yes or no?" Xu Xiaoshou was unmoved.

"Yes."

The information column remained motionless.

Xu Xiaoshou sighed in his heart.

Then, this was as he had expected.

The grey mist figure and Greedy the Cat Spirit were two different types of ghost beasts.

And Greedy the Cat Spirit was truly born from the extradimensional space.

Then, what kind of existence was the grey mist figure?

He really wanted to ask.

But according to Jiao Tangtang, if he did not sign the Ghost Beast Contract, she would definitely not reveal it.

Asking too much was obviously useless.

"Is it done?"

Jiao Tangtang put down her arms that were crossed in front of her chest, "I don't have much time, I don't have time to play such a boring, childish, and shameful retarded game with you!"

"Last question."

Xu Xiaoshou's expression finally became serious.

"If you have something to say, then say it!" Jiao Tangtang snorted and chose to accept.

"Phew!"

Xu Xiaoshou took a deep breath and then another deep breath. With a solemn expression, he said, "I, Xu Xiaoshou, am the most handsome man in the world. Yes or no?"

"Pfft!"

It was as if Jiao Tangtang had been poked at her laughing point. She was laughing so hard that she was shaking like a flower. Even Xu Xiaoshou was dazed for a moment.

Can you not make such a big commotion, you stupid gray robe.

"What are you laughing at?"

When the girl was almost done laughing, Xu Xiaoshou frowned and asked, "Be more serious. This is the last question. You have to answer it."

"Serious?"

"Okay, I'll be more serious."

Jiao Tangtang held her stomach and stopped smiling. She raised a finger and said seriously, "First of all, you're not even a man..."

"Acknowledged, Passive Points, +1."

He looked at the information bar and felt his anger rise. He was furious...

Darn it! This trash system!

There must have been a bug, right?

At a time like this, what are you doing here?

Is this the time for you to show your presence?

Can you just die obediently?!

He was raging in his heart, but Xu Xiaoshou remained unmoved. He said seriously, "You're wrong. The game is over. Let's not talk about this anymore."

"No, Let's talk! Let's talk!"

Jiao Tangtang was overjoyed. Looking at Xu Xiaoshou's reaction, she understood everything. "I haven't answered your question yet. Are you really not playing anymore?"

“I’m not playing!”

“Really?”

Jiao Tangtang looked at the dark-faced Xu Xiaoshou and felt that there was nothing funnier than this.

However, this fellow had been provoked to such an extent. Would it be difficult for them to work together in the future?

No, she had to give him a way out.

“Let’s continue, I’m not teasing you anymore, ask again.” Jiao Tangtang stopped smiling.

“Okay.”

Xu Xiaoshou also felt ashamed and he wanted to turn the tables around and said, “Should I... forget it, I can’t ask anymore. Just tell me the answer!”

“Yes!” Jiao Tangtang immediately replied.

Xu Xiaoshou’s smile had yet to bloom.

“Deceived, Passive Points, +1.”

Trash system! Go to hell!

“Aje, let’s go.”

Xu Xiaoshou turned around and left.

“Ma Ma?”

Aje looked at Xu Xiaoshou whose face was as dark as ink. He was a little confused for a moment.

Game?

It had learned the human game, but it had not learned it thoroughly yet?

So human’s game always finished with an unhappy ending?

“Xu Xiaoshou!”

Looking at the young man who turned around and left, Jiao Tangtang could not laugh anymore.

Was he really hurt?

“Xu Xiaoshou, come back here. We haven’t explained our matters clearly!” she shouted.

“There’s nothing to explain between us. What could there be between us? We are not cooperating, see you... never again.” Xu Xiaoshou didn’t even turn his head.

“See you... never again?”

Jiao Tangtang was furious. “I’ve already played the game and you are telling me this?”

Chapter 530: The Shocking Truth of Ghost Beasts and Humans?

“Ambushed, Passive Points +1.”

Xu Xiaoshou was shocked and quickly turned around.

There was a “bang” from behind. Aje crossed his arm and Jiao Tangtang’s powerful whip kick was blocked. His body was sent flying into the air.

“Ma Ma...”

After receiving the attack, Aje’s eyes shone with a red light. He was about to jump out and continue fighting.

“Stop.”

Xu Xiaoshou hurriedly pressed him down and looked at the bewildered Jiao Tangtang in the sky. He said, “Why are you fighting? You didn’t fight before, and now you’re starting this?”

Jiao Tangtang’s eyes were filled with anger. “Xu Xiaoshou, I promised to play that stupid game with you, but in the end? You haven’t even finished what you said, and you want to leave already?”

“What did I say?”

Xu Xiaoshou stared at her and said, “I told you to play the game first. We’ll talk about the rest later. Think about it carefully. Did I promise you to sign the Ghost Beast Contract after the game is over?”

“I didn’t!” He answered his own question.

“You!”

Jiao Tangtang thought about it carefully. It seemed that this guy had only made an ambiguous statement from the beginning.

However, she had already played that stupid game...

Just like that?

“So you want to go back on your word and waste my time?” Her eyes became dangerous.

No matter how powerful the people around Xu Xiaoshou were, if she really wanted to fight, she would definitely make this guy suffer.

“Go back on my word?”

Xu Xiaoshou sneered, “No promises were made in the first place, so why would I go back on my word?”

“Then you’re courting death!”

Jiao Tangtang gave an angry rebuke, and black mist rose from her body once again.

“Threatened, Passive Points, +1.”

“Ma Ma...”

“Roar!”

“Whoa.”

Before Xu Xiaoshou could move, the three bodyguards in front and behind him shouted in unison. Jiao Tangtang’s soaring figure suddenly stopped in midair.

“Think carefully before you attack.”

Xu Xiaoshou persuaded and said, “Let’s not talk about a battle above the Sovereign Stage. It won’t take long for you to attract the attention of a Red Coat person. Just based on your identity as a ghost beast host body, can you withstand the consequences of being exposed?”

“I’ll drag you down with me!” Jiao Tangtang’s eyes were red.

“I’m not a ghost beast. Moreover, you won’t do this.”

Xu Xiaoshou shook his head. “No matter how big the matter is, it’s not as important as your mission. If you really came here with the determination to die, why did you have to waste your breath on me just now?”

Darn you, Xu Xiaoshou, you still know how to waste your breath!

“Cursed, Passive Points, +1.”

“Xu Xiaoshou, you’re very smart.”

“Praised, Passive Points, +1.”

In the blink of an eye, Jiao Tangtang restrained all the anger in her body. She laughed and said, “Sure enough, Xin Gugu is right. Your ability to analyze the situation is far better than your combat ability.”

“You’re right. I didn’t come here to fight to the death with you.”

As she spoke, the beast skin roll in her hand flew away.

Xu Xiaoshou hurriedly caught it.

“I’ll give you the contract first. Whether you sign it or not is up to you. But let’s make a bet. I bet that even if you don’t sign it now, you’ll sign it yourself in the future,” said Jiao Tangtang.

“I don’t want it.”

It was as if Xu Xiaoshou had received a hot potato. Without thinking, he threw the contract and Greedy the Cat Spirit out.

“Meow!”

Greedy the Cat Spirit picked up the contract in mid-air and flew to Xu Xiaoshou’s head with a whoosh.

Then, he threw the beast skin roll to Xu Xiaoshou’s hand, who was in a daze. He stuck out his tongue and licked his cheek.

“Meow! Meow!”

“Licked, Passive Points, +1.”

“Xu Xiaoshou, you can’t run away.” Jiao Tangtang smiled.

She could see that Greedy the Cat Spirit had fallen in love with Xu Xiaoshou.

Under such circumstances, no matter what Xu Xiaoshou did, the other party would not abandon him.

With this bond, whether to sign the contract or not, it was only a matter of time.

Moreover, she came to look for Xu Xiaoshou because this fellow’s current strength was insufficient. She needed Greedy the Cat Spirit’s help to break the situation.

Now that she looked at it.

There’s Aje and two super large white skeletons.

This strength completely surpassed the level of an ordinary Sovereign.

And... three Sovereigns!

“Keep the contract for yourself first. In any case, you really don’t need it now.”

As Jiao Tangtang spoke, she saw that Xu Xiaoshou was about to throw this thing away again. She hurriedly said, “If you don’t sign this thing, it’ll be no different from an ordinary treasure map on your body.”

“It’s impossible for Red Coats to find you through the contract. You can rest assured about that.”

“Then I can’t take it either.”

Xu Xiaoshou understood very well.

Once he kept this thing on him, there was a possibility that one day, he might not realize it or fall into a predicament that he couldn’t do anything about and it would then be used as a life-saving straw where he had no choice but to sign it.

In that case, wouldn’t he really become a ghost beast host body in the future?

Jiao Tangtang seemed to know what he was thinking and said, “When you really fall into a predicament and are unable to resolve it on your own, would you choose to die on the spot or become a ghost beast host body and live?”

“Die.” Xu Xiaoshou did not even think about it.

What kind of person was he?

During this period of contact, she had long learned to automatically block Xu Xiaoshou’s nonsense. She immediately said,

“Don’t delude yourself into thinking that you have many trump cards on you, so there will be no chance for you to use the contract.”

“When you connect with the ghost beasts, it is destined that you will have to fight with the Red Coat men for the rest of your life. They are not an ordinary force! What you have now...”

She pointed at Aje and the two white skeletons and said, “In the eyes of the Red Coat men, it is nothing.”

“If they really get into trouble, they will die even earlier than you. The only thing you can rely on is your... yes, innate cultivation.”

“Ha.”

Jiao Tangtang sneered and continued, “Innate... before you grow up, if you are really caught, even if you are suspected to be a ghost beast, you will definitely die.”

“So, without the help of Greedy the Cat Spirit, you will never be able to escape.”

Xu Xiaoshou was silent for a long time before he said, “You want to run away from me?”

“Cursed, Passive Points, +1.”

She was speechless for a moment.

Xu Xiaoshou is so annoying! He must be poisonous!

The scene quieted down.

Xu Xiaoshou, who was surrounded by three bodyguards, actually listened.

It was undeniable that Jiao Tangtang’s words were very reasonable.

However, he still did not want to take this hot potato in his hands.

If he became a ghost beast host body, he was afraid that he would be forced onto a pirate ship, completely under the control of others.

“Xu Xiaoshou, don’t hesitate anymore.”

“Ghost beast, it’s not as simple as you think.”

Seeing that Xu Xiaoshou was already showing signs of interest, Jiao Tangtang once again strengthened her tone and said, “This kind of ghost beast that was born from another extradimensional space, you can even treat it as a spiritual beast or a spirit pet.”

“There are no disadvantages to signing a contract with them. There are only benefits, as long as you don’t get...”

“As long as I don’t get what?” Xu Xiaoshou asked casually.

Jiao Tangtang stopped talking and shook her head, “I’ve said it before. If you don’t sign the contract, I won’t be able to reveal more information to you.”

“If you don’t reveal it, I won’t sign it.” Xu Xiaoshou’s temper flared up.

“Up to you.”

Jiao Tangtang didn't care anymore. "These rules don't mean that I can tell you just because I want to. Rules are rules. I can't..."

"Then strangle it." Xu Xiaoshou grabbed Greedy the Cat Spirit's neck.

"Meow!"

Greedy the Cat Spirit's hair stood on end.

"Feared, Passive Points, +1."

Jiao Tangtang was angered again. "Xu Xiaoshou, do you really think I don't dare to kill you?"

"Yes."

"Xu, Xiao, Shou!"

"Called, Passive Points, +1."

"Present."

Xu Xiaoshou exerted force on his hand, and Greedy the Cat Spirit cooperatively changed from a regular meow to a pained meow.

"Meow –"

"Meow –"

"Okay!"

Jiao Tangtang took a deep breath. "I'll reveal some information to you."

"Please go ahead."

Xu Xiaoshou listened attentively.

Jiao Tangtang said, "A real ghost beast, an existence like Greedy the Cat Spirit in your hands, is the power that every major force craves."

"This power is not evil, but it depends on how people use it."

"This is like a weapon. It is innocent, but the user..."

"I understand the logic. Continue, don't interrupt," Xu Xiaoshou interrupted.

Darn it, darn it, darn it!

Xu Xiaoshou, you'd better not fall into my hands!

"Cursed, Passive Points, +1."

Jiao Tangtang said calmly, "Well, this power is not only used by Xu Yue Grey Palace. The others are also using it."

"Who?" Xu Xiaoshou already had an answer in her mind.

“Holy Divine Palace!”

“You’re not lying to me? Are you telling the truth?”

“Yes!”

There was no change in the information column.

Xu Xiaoshou closed his eyes heavily.

She was not lying.

In other words, all of this was real.

He believed that Jiao Tangtang would not have made a mistake at this time and had said “Red Coat” as “Holy Divine Palace”.

Even if she had made a mistake, the information column would have been able to detect it.

Then, this meant that the fact that Lu Ke was a Red Coat and a host body of a ghost beast was not an isolated case.

Such a situation might be very common in the Holy Divine Palace.

Therefore, Yu Zhiwen was only worried about the ghost beast aura that came out of Lu Ke’s body and was not shocked.

“Therefore, the Holy Divine Palace claimed to exterminate the ghost beast under the banner of justice.”

“On the other hand, they secretly used the power of the ghost beast and kept it a secret.”

“What are they trying to do?”

“Is this really the work of the number one force on the continent?”

Xu Xiaoshou pondered in his heart and began to doubt his previous judgment.

He felt that the truth might not be that simple.

But if he didn’t become the host body of a ghost beast, it would seem that there would always be such an insurmountable gap in front of him. No one would really reveal such information to him.

“Okay.”

Thinking of this, Xu Xiaoshou nodded and stored Greedy the Cat Spirit and the beast skin scroll into his Yuan Mansion.

He chose to accept it.

Although he really wanted to use his own method to find out the truth of this world.

But if it really didn’t work, when necessary, he might have to do what he had to do!

“This is a wise choice.”

Jiao Tangtang smiled as she floated down from the sky. She stood far away from Aje and said, "When you have thought it through and signed the Ghost Beast Contract, come to the southern mountain range to find me."

"At that time, I will answer whatever you ask."

"If you have any needs, Xu Yue Grey Palace will definitely be able to satisfy them!"

"Mm."

Xu Xiaoshou replied absent-mindedly. Suddenly, he felt that something was wrong.

"What do you mean?"

"Any needs can be satisfied?"

He could not believe it.

He immediately used a flirtatious gaze to glance at the woman in front of him. The question in his eyes was self-evident.

"That's right."

Jiao Tangtang nodded with a smile. There was no hint of shyness. She said firmly, "Yes, anything, including turning you into a man."

So exaggerated?

He did not choose to use words to fight against Jiao Tangtang. Instead, he was shocked by this woman's tone.

I'm just a mere Xu Xiaoshou. How can I...

His thoughts immediately turned around. Xu Xiaoshou quickly thought of the way Jiao Tangtang and Xin Gugu addressed the little fat cat... Greedy the Cat Spirit!

"Is it because of Greedy the Cat Spirit?" He turned his head and asked.

"Well, if not for it, could it be for you?" Jiao Tangtang rolled her eyes.

"Is the position of Greedy the Cat Spirit very high?" Xu Xiaoshou didn't believe it at all.

Little fat cat, what right do you have to have to be more important than me, Xu Xiaoshou?

Jiao Tangtang covered her red lips and giggled, "Xu Xiaoshou, you only need to know that if Greedy the Cat Spirit dies in your hands, the Holy Divine Palace won't be able to protect you even if they come."

Without saying a word, he took out the little fat cat from his Yuan Mansion and threw it over.

"Sorry, I can't afford to offend you, how can I afford to hide?"

"Meow!"

Greedy the Cat Spirit instantly felt wronged.

It didn't understand why this human always despised it. It had clearly done nothing wrong, and it wasn't greedy anymore...

"Xu Xiaoshou!"

Seeing the little white cat flying back, Jiao Tangtang's eyes were still twitching. She said angrily, "You'd better show some respect. This is a bond that you can't get rid of."

"I'll kill..."

Xu Xiaoshou wanted to say, "If I kill it, won't the bond be broken?" But when he grabbed the fur collar on the fat cat's neck again, he suddenly had no way to do it.

Darn it! So you had such a complicated background?

Even the entire Holy Divine Palace can't protect me?

I, Xu Xiaoshou, don't believe it!

"Kill it."

Jiao Tangtang didn't care anymore. She could finally see it.

It wasn't that Xu Xiaoshou was soft-hearted, but if it wasn't to the extreme, this guy could completely ignore it.

But now...

"I don't want it anymore, okay? I really can't afford to offend you. I'm just a mere Xu Xiaoshou, what right do I have!" Xu Xiaoshou said with a sad face, "I'm just an Innate..."

That's right!

Jiao Tangtang also fell silent.

You're just an Innate, but I, Jiao Tangtang, have never met an Innate like you in my entire life!

This little boy, these two white skeletons, and you yourself have completely surpassed the Innate Stage...

No. He might have already surpassed the combat strength of a Master!

Greedy the Cat Spirit had spent a lot of time and effort to come all the way from the southern mountain range. In the end, he only had eyes for you. There really was a reason.

"Xu Xiaoshou, let's not talk about this anymore. Let's just leave it at that."

Jiao Tangtang sighed and didn't want to say anymore.

She looked at the sky and knew that she had already wasted too much time. She asked, "I still have one last thing to ask you."

"Can you not say it. I have to say..."

“Xu Xiaoshou, be serious. Your current situation is very dangerous. This matter concerns your life and safety!” Jiao Tangtang had mastered the method to communicate with Xu Xiaoshou.

“Startled, Passive Points, +1.”

Xu Xiaoshou immediately snapped out of it. “You’re threatening me again?”

Jiao Tangtang ignored him and said, “I should have told you that Xin Gugu and I came here because we have a mission that is more important than getting the Fourth Sword.”

“Hmm.” Xu Xiaoshou didn’t dare to mess around anymore. He looked more serious and said seriously, “Can you not tell me about your mission?”

“Cursed, Passive Points, +1.”

If it didn’t implicate you in the end, do you think I would want to come to you?

She roared in her heart, but she didn’t dare to say it out loud.

Otherwise, who knew how Xu Xiaoshou would change the topic later!

Jiao Tangtang went straight to the point. “Feng Yujin, Elder Feng, do you know him?”

“No.”

Xu Xiaoshou heaved a sigh of relief.

“Alright, let me rephrase it. Have you ever seen a ghost beast with the seal attribute?” Jiao Tangtang continued to ask.

Thud!

Xu Xiaoshou’s heart skipped a beat.

Grey mist figure?

Why the hell am I involved with you again?

“I don’t know him.” He shook his head like a rattle-drum.

“You know him.”

Jiao Tangtang gave him a cold look. “I entered the White Cave and followed the seal aura that Elder Feng leaked all the way to the Spirit Fusion Swamp.”

“The explosion there was obviously caused by you!”

“And the last place where the seal aura disappeared was not far from the Spirit Fusion Swamp.”

“I also found your aura there...”

She pointed at the Ice Blue White Skeleton behind Xu Xiaoshou. “Or rather, your aura.”

Frozen power?

Xu Xiaoshou immediately understood.

So after entering the White Cave, Jiao Tangtang had followed him all the way here and finally intercepted him at this place?

“Okay, I admit that I did have some dealings with the seal ghost beast, but what does this have to do with you?” Xu Xiaoshou didn’t plan to hide it anymore.

“Elder Feng had contact with you?” Jiao Tangtang’s eyes suddenly lit up with joy.

“Don’t be happy too early.”

Xu Xiaoshou shook his head and wanted to retell the scene, but he suddenly stopped.

“Tell me what Elder Feng, the seal ghost beast, and your mission are all about.”

Jiao Tangtang’s expression froze.

“If you don’t tell me, I won’t tell you about the grey mist figure!”

Jiao Tangtang suddenly felt as if she had been forcefully fed to a fly.

Wasn’t this what she had said to Xu Xiaoshou just now?

“Cursed, Passive Points, +1.”

“I’ll say.”

She said helplessly, “I rushed here from the southern domain because I received a mission from the higher-ups. My goal is to find Elder Feng, the seal ghost beast that you mentioned.”

“Wait.”

Xu Xiaoshou asked in confusion, “How can you be so sure that the seal ghost beast that I mentioned is the same target as that mission of yours?”

“The seal attribute is rarely seen in this world. Even if I’m looking for the wrong one, the seal ghost beast that was born in the White Cave is something that I have to bring back,” Jiao Tangtang replied.

“Okay, continue.” Xu Xiaoshou nodded and didn’t comment.

“That’s it.”

Jiao Tangtang spread her hands. “This is my entire mission. What else can I say? The rest is up to you.”

That’s it? It’s so short?

I didn’t get any information out of you, and you’re telling me it’s over?

Forget it!

“Then let me ask you a question...”

Xu Xiaoshou pondered for a moment and didn’t continue to dwell on this matter. He asked, “Elder Feng, is he a person?”

Jiao Tangtang narrowed her eyes.

“I’m sorry, this involves insider information. I can only tell you after you’ve signed the Ghost Beast Contract.”

“Okay.” Xu Xiaoshou raised a finger. “Then how about this, let’s play a game...”

“Yes, yes, yes!”

Jiao Tangtang instantly became impatient and said angrily, “He’s a human, alright! I don’t have that much time to play that kind of retarded game with a kid like you. Hurry up and tell me!”

He’s a human...

If it was any other time, Xu Xiaoshou would have gone all out to argue with the other party about whether he had grown up or not.

But now, he was just looking at the message window in silence.

“Urged, Passive Points, +1.”

There was no “Deceived”...

Xu Xiaoshou was going crazy!

This also meant that what Jiao Tangtang said in her seemingly angry reply was all true.

That Feng Yujin was really a human!

But he was also a ghost beast!

Then, weren’t the two types of ghost beasts obvious?

A human could also be a ghost beast?

Thinking of this, Xu Xiaoshou felt a chill down his spine. At this moment, he felt his scalp go numb.

This was... impossible!

How was this possible?

Yes, there was another possible explanation.

The grey mist figure and the Feng Yujin that Jiao Tangtang was talking about were not the same person.

And this could perfectly solve his misunderstanding, which was the secret that Jiao Tangtang did not want to tell him even if he was beaten to death.

But... was it valid?

Xu Xiaoshou was powerless.

The seal attribute was rarely seen in the world. This kind of self-delusion might really be something that he could not accept at the moment, so he forcefully answered.

The probability of its existence was not even one in ten thousand.

“Ghost beasts are also humans...”

Xu Xiaoshou closed his eyes in pain.

He suddenly felt that this world was so comical and ridiculous.

On one hand, the Red Coat man was crazily surrounding the human-shaped ghost beasts.

On the other hand, they were using this power.

They even kept it a secret...

No! It was not “kept it a secret”!

It was the news leaked by the Holy Divine Palace that was not the truth at all!

In the eyes of the people, the ghost beasts had long become synonymous with evil, cruelty, and demons.

It was not just the people.

Even the Night Guardians in the Red Coat division had the same opinion.

One could imagine how big the scope of the brainwashing was.

How could the real conflict be resolved under such prejudice? And how could he, who had been sucked into such a whirlpool, be on his own?

“No, this is only a conjecture.”

Xu Xiaoshou calmed down. No matter how terrifying the conjecture was, it was only a conjecture. If it was not proven, it would never be true.

Moreover, the information that he had imagined based on the tip of the iceberg was very likely that there was another side that he had never come into contact with before.

What was the truth?

“You might be disappointed...”

With a sigh, Xu Xiaoshou was not in the mood to be confused. Instead, he spoke frankly, “The last time I came into contact with the seal ghost beast, I was not the only one present.”

“Oh?” Jiao Tangtang’s heart was burning with anxiety. She did not notice the change in Xu Xiaoshou’s mood.

“Then who else was there?” She asked.

“The Red Coat Night Guardian, and...”

At this moment, Xu Xiaoshou felt that the situation was a little serious. He said with difficulty, “The Seventh Chief of the Saint Servant, the Storyteller!”

With a boom, Jiao Tangtang's brain seemed to have been struck by lightning. In an instant, it was completely blank.

Xu Xiaoshou hesitated for a moment, then took a step back and comforted her, "Sis..."

"Shut up!"

Jiao Tangtang covered her head and shouted. For a moment, her thoughts were in a mess.

"Storyteller?"

"How could he be there? That's impossible!"

"This is reality." Xu Xiaoshou took another step back and moved Aje in front of him. He said, "There's an old saying, I don't know if I should say it..."

"Shut up!"

"That's what it said. The ideal is very full, reality..."

"Xu Xiaoshou, shut up!"

"Scolded, Passive Points, +1."

"Oh."

The atmosphere suddenly became dead silent.

After shutting his mouth for a long while, Xu Xiaoshou could no longer hold it in. "You said before that almost all the major factions want to possess the power of a ghost beast."

"Then, the seal attribute is so rare, Saint Servant..."

With a "buzz", the purple chain on Jiao Tangtang's body disintegrated. Black mist enveloped her entire body, and the roaring of lions from the east shook the void.

"Xu Xiaoshou, can you shut your mouth for me? Do you believe me..."

"There's a piece of good news. I don't know if I should say it or not." After Xu Xiaoshou said this, he immediately stitched up his mouth.

"Say it!"

Jiao Tangtang regained her composure and swept her cold gaze across. The temperature in the air suddenly dropped, and it was even scarier than the Three Days Frozen Calamity.

"Speak!" The corner of Jiao Tangtang's mouth twitched.

"Xu Xiaoshou!" Jiao Tangtang had really gone crazy!

"Called, Passive Points, +1."

"Didn't you tell me to shut up?" Xu Xiaoshou was amused. He had finally avenged himself for being choked earlier.

Woman, I told you not to tell me your secrets.

I'm going to piss you off!

"Ambushed, Passive Points, +1."

The information bar jumped.

Xu Xiaoshou turned pale with fright. He instantly took a step into the sky and jumped to an extremely high altitude.

There was an explosion below.

Obviously, Aje and Jiao Tangtang were fighting again.

"Ambushed, Passive Points, +1."

This time, Xu Xiaoshou almost couldn't react on time.

"Don't fight, I'll tell you!"

He kept on firing and his words were as precise as a machine gun.

"When I ran away earlier, the Storyteller was sealed in the ice, so the seal ghost beast might not have fallen into the hands of the Saint Servant."

"Besides, I don't think he can take down the grey mist figure with just a Red Coat."

"You don't believe me? If you don't believe me, you can immediately go and ask the Red Coat. His name is Night Guardian... ouch!"
