I kiss down her neck sucking on her sweet spot making her cover her mouth to stop her moans. I stop what I'm doing shaking my head at her. I place her hand from her mouth to my back. "Don't stop those pretty sounds" her grip around my back tightens pulling me closer. She moans nodding her head. I kiss down her chest attaching my mouth to her sti nipple sucking on it harshly before moving to the other. She pulls on my hair tugging it upward to kiss my lips. "Don't tease. Just take me for fuck sake"

I smirk ripping my shirt off flipping us over the wandas on top and I shimmy down my shorts and my boxers. My hard cock slapping against wandas cunt. She doesn't waste any time. She quickly lowers herself onto my throbbing cock making us both moan. She rides my dick slow at first adjusting to the size before beginning to speed up. Riding me harder and faster.

I thrust my hips up the same time she thrusts down making a loud slapping sound each time. She grips onto my breasts to steady herself as her mouth hangs open in pure pleasure. I add to her pleasure by placing my thumb on her clit. She looks down at me biting her lip moaning my name. "Fuck such a pretty slut aren't you" I grunt as I rub her clit harder "ch...cho..choke me" she musters out barely able to talk. I place my other hand around her neck. Applying enough pressure to make her gasp for air. "Yes...yess...I'm going...im" <sup>a</sup>

"I know...come. come now"

She moans her movements becoming sloppy as she's closer to release. She kisses me to mute her moans as her orgasm takes over. The feeling of her clenching around my cock makes me closer to my orgasm. Once she's ridden out her orgasm I flip us over thrusting into her rougher than ever before as my orgasm takes over. "Fuck wanda. Fuck your so perfect" I moan as I come inside her little cunt. <sup>a</sup>

Shit I called her perfect. Why the fuck would I do that. Dumb ass <sup>a</sup>
