

chapter 25

Me and wanda decided it was best to stay away from the lab for the rest of the day. It was best for everybody. I also spoke to my father, to make an action plan. The team are all coming to wakanda. T'challa has the best defence system in the world and the biggest army. Our best chance of defeating Thanos and his army are from here. Tony told us he has obtained all of the stones apart from the mind stone.

"Are you okay?" Wanda asks, gently tracing circles on the back of my neck, as I lay on her chest. "Are you?" She sighs "Im terrified. I dont want to lose you or anyone else"

"I know darling. But i can promise you i will not let any of your friends die. Infact i think i need to make amens with the team. I didnt give the best impression to begin with and before thanos comes i want to take you out. On a date. Because i think we could both do with some happiness right now my love"

"Really? A date! I've never been on a date"

I sit up, straddling her waist. "Well miss maximo get ready for the best date of your life." I say, kissing her so ly.

"The others will be here soon darling, we should wait outside for them."

I groan, rolling o her. "Fine, lets go."

Wanda gets up, fiddling with her rings.

"What is it wanda?"

"Are you going to talk to natasha?" She asks.

"Yes, im going to tell her that i love you and i want to be friends with her. Nothing more." I reasure her, taking her hand in mine and kissing it so ly. "Thank you my love"

a

-

The jet arrives with everybody on it. My father comes out first, with his wife pepper. She's a good woman.

Then all the rest if the team follow. We all go to the lab where the stone has finnaly been removed from vision safely. The team discuss the plan to destroy thanos. I will destroy the mind stone, once i figure out how to. Tony hasnt exactly explained how i will do it. Then when thanos comes, we remove the gauntlet and finally i rip his head o . Sounds easy.

When every body has finished talking i walk towards natasha. "Hey, could i borrow you for a second?" I ask, feeling wandas gaze on me. She nods in response "lead the way y/n"
