

chapter 6

The next morning I wake up to the sun shining in my eyes and the sound of the kettle boiling. My eyes flutter open beginning to adjust to the bright light. I begin to sit up and turn around to see Wanda making breakfast and she hasn't noticed me yet but she's dancing and silently singing into a spoon that she's using to mix pancakes I think. I can't help but admire her. She looks really cute in the morning. Her hair in a messy bun but yet she still looks perfect. I get up and clear my throat and she instantly stops what she was doing. ²

"Nice moves"

"I didn't know you were awake. Um do you want coffee? I made pancakes to"

"Sure I could eat. No on the coffee I'm just gonna have some water."

"Okay. I'm gonna go back to my room to eat"

"Ok" I say but a part of me wanted to ask her to stay. But I didn't say anything. Instead I go outside to make a call. Believe it or not I had one friend. Her name was Yelena. She was in the red room with me before Hydra got me. She got out eventually. ³

I ring for a while but she doesn't answer. Damn it.

Yelena: I can't talk right now I'm in work. What's up?

Y/n: I need your help. Can't talk here.

Yelena: okay ill meet you at our spot? 4 hours don't be late.

Y/n: see you then

I go back inside and knock on Wanda's door. She opens it with a confused look on her face.

"We need to go somewhere. I've got a friend who can help us. She's been in hiding before she can make sure we stay safe."

"But Steve said to stay here."

"I know but trust me if anyone can make sure we will stay hidden it's her. She can help us get out of the country. I'll let Steve know okay. But we have to get as far from New York as possible. I want us to get to Scotland by next month"

"No I don't trust you. I'm your the most infuriating person I know you couldn't just listen could you? Steve had a plan" ⁴

"It's a shit plan" ⁴

"I'm not going anywhere with you"

"Yeh well stay here then but if I leave on my own I'm not coming back for you and I'm taking the car so you'll have no way of leaving"

"I hate you. You only ever think about yourself" she yells at me

"I'm doing this for us" I raise my voice at her.

"No your doing it for yourself because your selfish. It's not like I can say no now I'll die out here alone" she screams

"Awesome. Now get ready we have to meet her in a couple hours"

"Dickhead" she mutters.
