

# I Kissed A CEO And He Liked It

## Chapter 21: Jealous!

Letting out a heavy sigh, Gabrielle checked herself one last time in the mirror. Her small and adorable face turned from one side to the other, making sure she looked her best. "Okay... Here we go."

She was going to school that day and she wore just her classic jeans, but on top, she had her favorite blouse and jacket on. However, to achieve a better picture with Kyle, she had light make-up on.

Gabrielle shook her hands before finally walking out of her room. It was in the living room that she found Kyle, already in his suit, smirking as she took every step.

Yes. Gabrielle Taylor surrendered to Kyle Wright's demand of them, taking a picture together. This time, however, using his own phone.

Her face turned bright red, and she was pretty sure the warmth reached her ears, seeing Kyle's grand facade. Yes. She was just a college girl, taking a picture with a superstar-like.

## Chapter 22: Yes Or No?

The day before.

Sarah Kate: [Kyle, Mom asked me to fetch you. She wants you to join us for dinner. Didn't you get her texts at all? You have not been answering her calls.]

Kyle grimaced, seeing his younger sister's message. He had been avoiding going to the Wright mansion, primarily because he wanted to spend time with Gabrielle, but as it turns out, his mother made plans for him.

He shook his head and replied back: [Wait for me in the lobby. Give me half an hour, will you, Kate?]

After putting on his coat and his watch, he made his way to the living room, eagerly waiting for Gabrielle.

He glanced at the living room balcony, grinning at the recollection of Gabrielle taking a picture of him earlier that day. Now, more than ever, he was sure, Warren Foster has now been omitted from Gabrielle's heart!  
At the sight of Gabrielle, walking slowly toward the sitting area, the corner of his lips curved up into a teasing grin. <
