

## C1

At a Chinese restaurant in the city center.

"Ji Tianxiang, what are you poking at!" Hurry up and get to work! Do you think your family owns the restaurant? If you stand there, I'll give you money for nothing! "

Hearing the roar, Ji Tianxiang did not hesitate at all. He immediately picked up the duster, broom and trash can and ran over.

"Wait, this, this, and this. These boxes, hurry up and pack them up for me! "Don't even think about getting off work if you don't pack up!" When Ji Tianxiang was about to walk into the room, the manager immediately pointed at a few boxes and said.

Seven rooms! By the time he got off work, there was still half an hour left. It would take him at least an hour and a half to pack up these seven rooms!

Ji Tianxiang looked deeply at the manager and the manager yelled again: "What? He couldn't accept it! If you're not convinced, leave immediately! I won't give you a single cent! "

"Manager, there's nothing to be unconvinced about!" Don't be angry! Your excellency doesn't care about petty matters, I will do it right now! I'll do it now! "I guarantee that I will complete the mission!" Ji Tianxiang smiled bitterly and quickly apologized to the manager. He didn't want to work for so long and not get a single cent in salary!

With this salary, he was still waiting to buy an Apple phone for his girlfriend Wu Mengmeng!

"Humph!" "At least you're sensible!" The manager glanced at Ji Tianxiang imposingly, put his hands behind his back and walked away.

When Ji Tianxiang was tidying up the fifth room, he saw the messy environment in the room. He was so shocked that his jaw almost dropped, and it took a long time for him to close it.

According to the news, if someone went to the restaurant to eat, they could create a garbage dump. So it was true!

"What a mess this room is! It was just a meal! How can it be eaten into a garbage heap!" Ji Tianxiang said in disdain as he cleaned up the

leftovers on the table.

"Hey!" Why did a phone appear on the sofa? It was still an Apple phone! Ouch! And it's even a new Apple phone! "Who is so careless? Such an expensive phone, yet you dare to so carelessly forget to take it?" Ji Tianxiang noticed the phone and quickly threw away the cloth in his hand. He placed the phone in his hand and earnestly admired it.

Wu Mengmeng has been asking for a new Apple phone and has told me about it several times in public and in secret.

He had promised to give it to Wu Mengmeng as a gift, but it had been dragged on for weeks and still hadn't been given out yet.

The reason why he didn't give it away was because he didn't have

any money on him! The amount of money she exchanged from picking up trash recently was not as much as before. She could only barely manage to support herself and wanted to squeeze out some money to buy an Apple phone for Wu Mengmeng. It was truly not enough!

Wu Mengmeng had been ignoring him for days!

The more Ji Tianxiang thought about it, the more uncomfortable he felt! Thus, he had no choice but to look around for part-time jobs. Sometimes, even if he toiled day and night, he would still not be able to earn two thousand yuan.

Buy an Apple phone, and it's a new one, at least seven or eight thousand!

Ji Tianxiang looked at the Apple

phone that he picked up. He was extremely tempted. It really wasn't difficult for him to get it!

If he gave this phone to Wu Mengmeng, she would definitely hug it happily and not let it go. She might even kiss him a few times!

Ji Tianxiang thought about it and his heart was filled with joy!

"Sigh!" No! What am I thinking! This was accidentally left behind by a guest! As a contemporary university student, I am a young man of five good, how can pick up the thing to own! The person who lost his phone must be very anxious! I'm just sending them to the front desk! " After the jubilation passed, reason returned. Finally, reason overcame greed.

Ji Tianxiang cleaned up the room

and went to the front desk with his phone.

"My cell phone! My cell phone! He's holding my cell phone in his hand! " A beautiful woman with a first-class figure let out a scream in the hall, immediately attracting the gazes of countless people.

Isn't this the school beauty Lin Xueying? Could it be that the phone he picked up was Lin Xueying's?

Ji Tianxiang held his phone awkwardly, walked over and handed it over: "This is your phone? I just picked it up and was about to deliver it to the front desk! Now that you're here, I'll directly give it to you! "

"Ha!" Picked it up! How could I not believe it! Why didn't other people pick it up, only you, Ji Tianxiang, would pick it up? Let me see! You're

the one who stole my phone, right?  
" The school belle snatched the phone away and wiped it with the toilet paper in disdain. Then, she started to criticize loudly in front of everyone.

The manager of the restaurant was alarmed. He hurriedly ran over and asked, "What's the matter?"

"You came at just the right time! He stole my phone, but he still won't admit it! " School beauty Lin Xueying pointed at Ji Tianxiang and said viciously.

Ji Tianxiang panicked, how could this school belle wrongly accuse someone so casually? Hurry up and explain to the manager, "Manager! I didn't steal her phone! That phone, I picked it up from the box! He was about to deliver it to the front desk! "Results..."

"Don't listen to his excuses! I know this person! He is a student of our Beidu University and lives in especially poor conditions. This new Apple phone of mine is worth seven or eight thousand yuan! He must be greedy and wants to steal our phone for money!" School Beauty Lin Xueying was afraid that the manager would look at Ji Tianxiang, so she told him all of Ji Tianxiang's glorious deeds in one go.

Everyone looked at Ji Tianxiang with disdain.

"Lin Xueying, don't lie to me! I didn't steal your phone!" Ji Tianxiang looked at the school belle in anger. This was bullying the other party too much!

From suspicion to trust, the manager's eyes turned and a hint

of darkness flashed across them. He shouted loudly: "Good for you, Ji Tianxiang! Not only did he not work properly, he even learned how to steal from customers! Someone! Get him out of the restaurant! Don't even think about taking the previous salary. "

"Manager, listen to me! I really didn't steal her phone! I really didn't! Believe me! " A few security guards came over, grabbed Ji Tianxiang and pushed him out!

Ji Tianxiang hurriedly tried to explain, but the manager didn't believe him. He was chased out of the door by the security guards, and the school belle looked at Ji Tianxiang proudly with mockery in her eyes.

Ji Tianxiang wanted to go in again to ask for an explanation, but there

door staring at him, causing him to have no choice but to leave in a sorry state.

Ever since he became an adult, Ji Tianxiang had been released by his family and had to live independently for a while. In order to support his livelihood, he had no choice but to pick up trash and study diligently and thriftily.

His life of picking up trash allowed Ji Tianxiang to experience true human warmth when he was in dire straits.

Ji Tianxiang sighed with sorrow, "Ai!" When will this kind of life be the end!?"

Just as Ji Tianxiang returned to his dorm room, he heard his roommate, Lee Ming, walk over and pat him on the shoulder. "Tianxiang, your girlfriend has invited you to meet

her at the sports field!"

"When?" Ji Tianxiang was overjoyed. Wu Mengmeng finally took the initiative to talk to him. It was simply too unexpected.

"Look at how excited you are! Right now! "Hurry up and go!" Lee Ming chuckled.

The other roommates scoffed, "There's still half an hour before the time comes to close the door! Tianxiang! Your little girlfriend has invited you to meet her at the sports field for such a deep reason! "

"Fugui, as you say! Wouldn't Wu Tie be in a bad mood today? " Xue Ruhai was the one who started the commotion. Amongst his roommates, he had the best time with Wang Fugui.

might be alone today, but since you're so focused on me, I can't help but ... Hehe! That's enough! "

Lin Fei, who usually didn't like to join in the fun, also said a few words in an amiable manner. His expression was even more excited and excited than Ji Tianxiang himself.

Ji Tianxiang laughed bitterly: "How could that happen!" I'll just go out and see him! You're all thinking too much! I'll be leaving first! "

Meat? What the hell! At most, he and Wu Mengmeng would just hold hands and not even kiss! Not to mention suddenly hit the home run in one night.

Ji Tianxiang ran to the field. Seeing that his girlfriend Wu Mengmeng had been waiting for a long time, he

late! Mengmeng, don't be angry! I will soon be able to save up enough money to buy you a new Apple phone! "

"Buy what!" Ji Tianxiang, you've already talked about buying a phone for several months! Do you even have the money to buy it!? If you don't have the money to buy it, then stop bragging. "

When she mentioned about buying a phone, Wu Mengmeng immediately got angry. Ji Tianxiang had taken advantage of her a few times for a phone, and even now, there was still no trace of her phone! What a loss.

Ji Tianxiang wanted to grab Wu Mengmeng's hand nervously, "Mengmeng! Listen to me! I'm trying to save money! I'll definitely be able to buy you an Apple phone in a while. "

"Ha!" No need! Let's break up! " Wu Mengmeng looked at Ji Tianxiang's poverty-stricken expression and sneered.

"Break up? "Mengmeng, I'll be able to buy a phone for you soon ..." Ji Tianxiang's face immediately stiffened as he actively explained.

"Stop me, me, me! Break up! Break up! Ji Tianxiang, I broke up with you! Don't buy me a phone, I don't want it. " Wu Mengmeng was getting more and more disgusted with the man in front of her. She had been playing with him for such a long time, yet she still hadn't realized that she had been played with. The stupidity of being played with like a pig's head made her feel nauseous.

Ji Tianxiang felt the callousness of

Wu Mengmeng and made up his mind to break up with her. But why did he want to break up with her?

"Mist!" Can you tell me why you broke up with me? Did I do something wrong!? I'll change it! I will definitely change it! "

Ji Tianxiang wanted to grab Wu Mengmeng's hand in terror, but Wu Mengmeng mercilessly shook him off.

"You thief! The matter of stealing someone else's cellphone had now become known by the entire school! I don't want anyone to say that I, Wu Mengmeng, have a thief boyfriend! What was bad about it! Stealing things? This was too embarrassing! Ji Tianxiang, you really make me look down on you! "

Wu Mengmeng's words were like a bolt out of the blue, striking Ji

Seeing that Ji Tianxiang didn't say anything, Wu Mengmeng decided to leave on her own and sighed in her heart: I finally got rid of this poor bastard.

"Mengmeng, listen to me! It's not what you think! I didn't steal her phone at all! " Ji Tianxiang reacted and excitedly grabbed Wu Mengmeng's hand to explain!

Wu Mengmeng could not stand Ji Tianxiang's pestering, so she snorted and said: "Tell me the truth! I dumped you because I already have a new boyfriend! He won't let you have too much money! [He is a fuerdai, unlike a pauper who can't even afford to eat!] If you know your own limits, don't bother me anymore! "

"But if you despise me for being

be with me in the first place?" Ji Tianxiang could not believe this fact. Wu Mengmeng liked money and despised him for being poor, but she dumped him because he had no money.

"Oh!" I was with you! You see, being honest, stupid, easy to play with, and as obedient as a dog! And now! I'm tired of it. I don't want to play anymore! "Can I?"

Wu Mengmeng's words were like sharp needles, piercing Ji Tianxiang's heart and making him unable to breathe from the pain.

"Go! I will pester you again in the future!" Ji Tianxiang's heart was like dying embers as he let go of the hands that were about to grab Wu Mengmeng.

However, just as Wu Mengmeng

left, Ji Tianxiang received a text message: "You have earned the right to inherit billions of family property. There will be a senior steward serving you. Contact XXXXXX."

## C2

On the first day of class, Ji Tianxiang arrived at a high-end western restaurant as promised.

Ji Tianxiang received a text message yesterday and immediately made a call. He arranged to meet today at this high-end western restaurant.

There were all kinds of luxury cars parked in front of the western restaurant. The people who got off were all wearing exquisite formal attire, and the people who went in and out of the restaurant were either rich or expensive.

Ji Tianxiang was as poor as a pauper compared to those people.

Ji Tianxiang was calm as he walked over with his head held high.

Before Ji Tianxiang could step into the western cafeteria, he was stopped by a female receptionist with a nice face and good figure: "Dear customer, do you have an appointment?"

The female receptionist had a smile on her face, and her eyes were filled with doubt, not the disdain of a dog looking down on a person.

Ji Tianxiang felt that the restaurant was pretty good, so he replied in a good mood, "There's an appointment at table 101. Please show me the way."

"Alright!" The female receptionist respectfully extended her hand and invited Ji Tianxiang into the restaurant. After Ji Tianxiang entered, she straightened her body and led the way.

Ji Tianxiang came to table 101 and saw a woman with her hair tied high and her beautiful swan neck exposed sitting upright in her seat.

Not bad temperament! Ji Tianxiang said in a sincere tone.

When Ji Tianxiang slowly walked in and saw the woman's real face, he screamed in his heart, "F \* ck, what a beauty!"

Her face was straight, her facial features were fresh and refreshing, her nose was straight and small, and her lips were rosy and tender ... Most importantly, he had a pair of watery apricot eyes.

As the saying goes, 'good looks' and 'good facial features'. All of them looked at each other once or twice.

Those watery apricot eyes met Ji Tianxiang's gaze. His little heart jumped up in dissatisfaction.

"Young Master, you're here!" Damn, the beauty said, still talking to herself.

Ji Tianxiang opened his mouth in shock. He heard the welcoming lady again, "Sir, table 101 is here."

Ji Tianxiang blinked his eyes quickly: "You are ..."

"Young Master, yes, I'm your housekeeper, Zhu Xiaoxiao!"  
Zhu Xiaoxiao's eyes were full of smiles as she stared straight at Ji Tianxiang, not moving at all.

Ji Tianxiang quickly did a memory scan in his mind. The Zhu Family, the descendant of the wealthy Zhu Xiaoxiao and Ming Dynasty's Zhu

WanSan. Zhu WanSan used to be the asset manager of the Ji Family of Ming Dynasty, and now his descendant is my, Ji Tianxiang's, butler.

Wow! A beautiful housekeeper! Not bad, not bad! Putting aside his abilities, just looking at him was enough to piss off his eyes!

"Master, please sit down first. We will talk slowly!" Zhu Xiaoxiao respectfully stepped forward and moved the chair over, gesturing for Ji Tianxiang to sit on it.

He had been wandering outside, separated from the protection of his clan for so many years. He had finally returned!

Sigh! It really wasn't easy!

Ji Tianxiang looked at the treatment

today and thought about how difficult life was in the past. He couldn't help but sigh in his heart.

As soon as Ji Tianxiang sat down, Zhu Xiaoxiao handed him a black card!

"What is this?" Ji Tianxiang took the card without looking at it. He looked at Zhu Xiaoxiao strangely. How come she didn't play according to the rules?

"Master, this is your black card!" There's no limit to the amount of money inside. You can use as much as you want! " Zhu Xiaoxiao said in a normal tone.

After Ji Tianxiang heard this, he immediately looked down at the black card in excitement. It was indeed the famous world black card that represented a super super super

rich person's identity!

Oh my god! I, Ji Tianxiang, actually has this black card too! Does this mean that I, Ji Tianxiang, am also super super super rich?

Then, Ji Tianxiang's nose started to ache. If this black card had appeared a few days ago, he could have bought a ten-carat diamond ring for Wu Mengmeng, much less a new Apple phone.

Sigh! What luck!

"Young Master, what's wrong?" Zhu Xiaoxiao's sharp eyes noticed that Ji Tianxiang's mood had turned bad after receiving the black card, so she asked in a soft voice.

Ji Tianxiang immediately stopped feeling sad. He looked up at Zhu Xiaoxiao with a playful smile, "It's

alright! "I was just thinking about the past and became sentimental!"

Zhu Xiaoxiao gave him a probing look and seeing Ji Tianxiang's playful look, she finally let go of her worry. "Young Master! Your family test is over! From now on, you will officially return to the Ji Family, and the family's manor nearby will invite the manager of the southeast region of China to pay you a visit!"

Also, a few famous people in Beidu would like to meet you as well.

When the young master returns to the family, he will host a welcome party! At that time, we will invite celebrities from the various families, businesses and political circles to come here and welcome your return! "

"Ah!" "So fast!" Ji Tianxiang shouted in horror. No matter what,

a life of luxury for a few days!

Ji Tianxiang rolled his eyes and looked at Zhu Xiaoxiao pitifully. "I just came back!" So many people! Ah ... Beautiful butler, can we not meet first? I'm not even ready yet! "

Zhu Xiaoxiao looked at Ji Tianxiang, who was pretending to be pitiful, and couldn't help but laugh. She shook her head and said, "Young Master, this won't do!"

This beautiful butler didn't seem to be in a good mood to speak!

Ji Tianxiang whimpered as he laid on the table and looked pitifully at Zhu Xiaoxiao, hoping to act pitiful.

The more assertive a woman was, the more she hid a soft heart. Ji Tianxiang just saw a trace of a smile flash across Zhu Xiaoxiao's eyes.

At this moment, a man and a woman walked into the restaurant. They walked towards the table where Ji Tianxiang was sitting and chatted happily.

The man was debauchery and the woman was flirtatious. She was flirtatious and did not care about the gazes from the surroundings.

"Mr Ma, you're so annoying!" No! "The man touched the woman's butt with his hand, causing the woman to scream coquettishly before punching the man's chest with her fist.

The man took the woman's fist, put it to his lips and kissed it. I hate it, but don't you like the way I hate it! "

Ji Tianxiang looked over and his expression darkened. He realized

that the people walking towards them were Wu Mengmeng and her new boyfriend.

Coincidentally, Wu Mengmeng happened to look over and met Ji Tianxiang's gaze. She rolled her eyes. "Why is this poor bastard here?"

Wu Mengmeng pulled Ma Qiangwei and walked over quickly. Seeing that there was a rich beauty sitting opposite Ji Tianxiang, she felt upset and could not help but scold him, "Good boy Ji Tianxiang, you have hands and feet but don't work. You actually came out to sell for money! To think that I was even a hardworking man back then! Who would have thought! You are such a person! Pui! You really make me look down on you!

Even though I don't know what

method you used to seduce Bai Fumei! But, let me see how you look like! Before, I felt a little guilty that I broke up with you! Now, it seems! Fortunately, I dumped you earlier, otherwise I would have been disgusted to death by you! "

## C3

"Young lady, you can't say things like that!  
"Our young master ..." Zhu Xiaoxiao finally understood what he meant. What a vile and talkative woman. She had bullied her young master, and her pretty eyes were filled with coldness.

"Xiaoxiao, sit down. Don't bother with him!" Ji Tianxiang didn't want to embarrass Wu Mengmeng by stopping Zhu Xiaoxiao.

Wu Mengmeng's face stiffened. Looking at Ji Tianxiang's arrogant appearance, she felt even more upset.

What right did a poor, broken person have to look down on her, Wu Mengmeng?! Ignore me, right? You want to get rich and beautiful, right? See if I don't spoil your good fortune!

"Hey, hey!" Ji Tianxiang, what right do you have to make people ignore me! What the heck are you! He was just a lousy poor wretch who picked up trash at school! You still have the nerve to strut around in front of me! What? You want to show off in front of the rich and beautiful ladies, right? "You don't even have a door, let's see if I won't expose your true ugly appearance today."

"You ... Wu Mengmeng, don't go too far! " Ji Tianxiang didn't expect Wu Mengmeng to mock him like this. It was as if Wu Mengmeng, who was considerate and liked to encourage him, was fake.

"What is it? He must be feeling guilty! Scared! What I want is to scare you! Young lady, you don't know anything about Ji Tianxiang! This man, not only was he hypocritical, hypocritical, and hypocritical, he even used his honest face to deceive many girls! I am the one who has suffered! Fortunately, he knew the truth as soon as possible, leaving him in the lurch! "You said that his poor clinking sounds made him famous in our school for picking up trash for a living. He even learned how to use his dirty hands to steal someone's new Apple phone!" Wu Mengmeng didn't care about Ji Tianxiang at all. Even if Ji Tianxiang had the guts, he wouldn't dare to do anything to her!

"Wu Mengmeng, if you continue to slander me, don't blame me for disregarding our relationship!" Ji Tianxiang gave Wu Mengmeng one last chance. Originally, he wanted to take the black card and read out his feelings and reluctance towards Wu Mengmeng. He wanted to buy an Apple phone for Wu Mengmeng as a parting gift for her.

It seemed like there was no need for that now.

Wu Mengmeng coldly glanced at Ji Tianxiang and cursed in her heart: "You're just a poor loser, why are you acting so haughtily!"

"Young lady, I advise you to return to the shore and avoid this kind of people! Otherwise, if I were to be entangled by such a person, I would really be in for a lot of trouble!"

"Miss Wu, as far as I know, there might be some misunderstandings regarding the matter that you mentioned!" "Mr Ji, it's not what you said ..." Zhu Xiaoxiao sensed that Ji Tianxiang still had a bit of friendship with Wu Mengmeng, and instantly adjusted her attitude, suppressing her rage and coldness as much as possible.

"Xiaoxiao, come over here! This kind of woman is not worthy of talking to you! For the sake of money, for the sake of benefits, her heart was rotten, and her entire body was rotten, which could suffocate people to death! I am afraid that if you were to speak to her, it would be an insult to your identity and temperament! "

"Ji Tianxiang, how good do you think you can get! He even said that you weren't trying to hook up with the rich and beautiful for the sake of money! " Since Ji Tianxiang was so straightforward, Wu Mengmeng became

angry out of embarrassment. She glared at Ji Tianxiang hatefully and wished she could go up and rip Ji Tianxiang's mouth apart.

Ji Tianxiang actually dared to say that to me. Since when did Ji Tianxiang have the guts to face me!

Ji Tianxiang smiled indifferently, holding Zhu Xiaoxiao back as he proudly said, "Wu Mengmeng, no matter how much you try to sow discord! My Xiaoxiao likes me! Xiaoxiao likes me, even though I'm poor and tinkling! Even if I were to be taken care of by Xiaoxiao, I would be willing! I love being Xiaoxiao's little white face! What can you do to me? "Hmm?"

As the saying goes, if a tree doesn't want its skin, it will die for sure. If a person doesn't want his face, then he would be invincible!

Since you, Wu Mengmeng, want to humiliate me, I will relegate myself to a pile of mud!

"Ji Tianxiang, you're so shameless, you're not a man at all!" Wu Mengmeng felt that she finally opened her eyes today and truly recognized what kind of person Ji Tianxiang was! Talking to this person was as painful as eating sh \* t.

"Is it a man?!" It's not like you don't know! " Ji Tianxiang looked at Wu Mengmeng's body

from head to toe and teased her with a smile that was not a smile on his face.

When Ma Qiangwei heard this, he became unhappy. Didn't Wu Mengmeng say that she was a virgin?

F \* ck, I've been courting girls for such a long time, and bringing Wu Mengmeng to such a high-end western restaurant for a meal, it'll cost a lot of money!

He planned to get Wu Mengmeng into bed after dinner, but she wasn't a virgin! He, Ma Qiangwei, was not willing to suffer such a loss!

"Wu Mengmeng, how dare you lie to me! To think I spent so much money on you! Bitch, get lost! Don't bother me anymore in the future! I, Ma Qiangwei, am not someone who would accept a woman who has been played by others!" Ma Qiangwei slapped Wu Mengmeng's face with his backhand and left.

Wu Mengmeng was struck dumb. Her eyes glazed over as she stood there motionlessly.

Ji Tianxiang suddenly felt pain in his heart. Wu Mengmeng, who he once wanted to put in his hands to protect his woman, was now being beaten up by a man in front of his eyes.

Say what! Actually, he did care about it a little!

After all, he truly liked Wu Mengmeng and wanted to be her favorite for the rest of her life!

Unfortunately, she was too sentimental and didn't care about it at all.

"Hey!" The big money you have next to, Mr Ma, is gone! If I don't chase them now, I will suffer a huge loss! " Ji Tianxiang didn't want to see Wu Mengmeng again, so he couldn't help but stab her again.

Wu Mengmeng reacted and immediately covered her face. She glared hatefully at Ji Tianxiang and Zhu Xiaoxiao before chasing after Ma Qiangwei.

"Mr Ma, it's not what you think! "Listen to my explanation!"

Ji Tianxiang was stunned for a few seconds as he looked at Wu Mengmeng's disappearing figure.

"Young master, are you alright? Why don't you let me explain! I see you like Miss Wu a lot! "If you reveal your true identity, perhaps Miss Wu will return to your side." Zhu Xiaoxiao consciously pulled herself away from Ji Tianxiang. She calmly looked at Ji Tianxiang

and gave a considerate suggestion.

"Why do you need to explain!?" A woman like her, who only cared about money and slept with men, isn't worth it for me to reveal my identity! What happened just now, was all thanks to Housekeeper Zhu's help! "Here, let me toast you!" Ji Tianxiang's expression changed drastically as he sneered. His words surprised Zhu Xiaoxiao a little.

However, as a Ji Family user, Ji Tianxiang's actions were worthy of praise!

Zhu Xiaoxiao's eyes were clear and bright, concealing her small scheme. When she raised her wine cup to meet Ji Tianxiang's gaze, she suddenly gave a gentle smile.

"It's better to obey than to be respectful!"  
Young Master, do it! "

It looked like becoming the housekeeper for Ji Family this time around, was quite interesting!

Ji Tianxiang and Zhu Xiaoxiao finished their meal, said a few simple words and left.

## C4

The moment Ji Tianxiang walked out of the high-end western restaurant, he felt incomparably carefree as he looked at the luxury cars parked at the entrance.

A black card in his hand! That was an inexhaustible amount of money! Buying a luxury car was hundreds to thousands of times better than the one parked at the entrance. It was not a problem at all!

From now on, Ji Tianxiang was going to be rich! Let's see who dares to look down on us!

If you dare to look down on him, use money to smash him to death!

Ji Tianxiang swaggered into the bank with the black card in his pocket. He saw the VIP channel clearly marked not far away in the hall of the bank and the black card in his pocket. He snickered and walked over.

"Hey!" Hey! What are you doing! Come back here! What are you looking at! Just look at you!" cried the bank manager impatiently. What kind of people are these! If you don't have eyes, you dare to run towards the VIP private room!

Ji Tianxiang walked in front of the female bank teller and said, "I want to take some money!"

"Take out the money!" Go to the ATM over there! VIP channel, is that a place you can go? Next time, can't you grow your eyes a little longer! Don't you see the bank is busy? Can you stop causing trouble! " The bank saleswoman's eyes were sharp. She looked at Ji Tianxiang with disdain and didn't give him any face.

Ji Tianxiang smiled without saying anything. He took out a black card from his pocket and waved it in front of the saleswoman.

The bank saleswoman's eyes suddenly opened wide and her mouth was wide open. She looked shocked and frightened. She stared at the black card in Ji Tianxiang's hand and couldn't say anything for a long time!

"Black..." Black... "Black card!" As he spoke, he was also panting heavily.

"Yes!" It was a black card! "Excuse me, can I go to the VIP channel now?" Ji Tianxiang's heart was filled with joy as he looked at the female bank agent's surprised expression!

Are you looking down on me? I'll release the black card and blind you, a little bank agent.

"Wah!" I have finally met the person who holds the black card! " Suddenly, the bank saleswoman let out an excited yell, startling everyone present, especially the manager.

Ji Tianxiang was stunned. He never expected that the bank saleswoman would do this! He quickly covered his face to prevent others from seeing his true face!

Everyone's eyes turned towards Ji Tianxiang, filled with curiosity and curiosity!

Were all the rich people so low-key? He was dressed in shabby clothes and no one could guess that he was a rich man!

The manager rushed over and scolded the saleswoman. Then, she immediately brought Ji Tianxiang to the VIP channel.

Ji Tianxiang, who was being watched by everyone, walked towards the VIP entrance of the bank.

Ji Tianxiang took three hundred thousand yuan each time and put it in a black plastic bag. Then, he went out through the back door of the bank.

Ji Tianxiang took the money and went back to school. When he received his roommate Lee

Ming's urgent notice, he temporarily added a night class. The school director wanted him to come and check and tell him to go back quickly.

Ji Tianxiang returned to the classroom with the black plastic bag in his hand.

As soon as they arrived at the classroom, everyone's attention was on Ji Tianxiang, as well as the black plastic bag in his hand.

"Aiyo, what the heck!" You with the surname Ji, you usually pick up trash at school! No one is stopping you! If you bring junk into the classroom, it's your fault! It's so smelly, how can you still get people to go to class! "

The entire class knew that Ji Tianxiang was picking up trash at school. Every time Ji Tianxiang would put Xiao Er out of the classroom, it was a common occurrence. Everyone had teased him about it many times, but secretly ridiculed him.

However, Ji Tianxiang actually picked up a broken child and brought it to the classroom. He still looked very pleased with himself.

Qian Duoduo looked at Ji Tianxiang's face and felt uncomfortable no matter how he looked at it. He couldn't help but taunt him.

The students looked at Ji Tianxiang with disdain.

Ji Tianxiang glanced at Qian Duoduo and the fuerdai sitting behind Qian Duoduo. He lowered his head and blinked. Then, he carried the plastic bag and continued walking.

"Ji Tianxiang, what are you poking at!" "If you don't understand Mr Qian's words, hurry up and take your trash and get out of here!"

"Get out! Take the trash into the classroom and get out! Otherwise, don't even think about entering the classroom! "

"..."

With Qian Duoduo in the lead, a group of rich second generations followed suit and mocked him.

Don't tell me! I, Ji Tianxiang, really didn't hear you dogs bark!

If it were any other time, he would not dare enter the classroom with the trash in his hands. Instead, he would leave the trash outside the classroom!

But it was different now! The present was different from the past. What he picked up was not some trash! It was actually red

flowers, and it was a warm human life coin that he had just taken out of the bank!

Qian Duoduo saw Ji Tianxiang being so gutsy that he ignored them and signaled to the people beside him with his eyes.

"Ji Tianxiang, damn you, you don't understand human language do you?!" Get out of here with your shit! Don't pollute the air in the classroom! "

"What!?" You want us to personally seize it and throw it out, right? " Ji Tianxiang walked closer and closer to everyone. Everyone covered their noses to avoid Ji Tianxiang as they didn't smell the stench.

Lee Ming wanted to stand up and persuade Qian Duoduo and the others, but he did not have the guts to do so.

They could only watch helplessly as Ji Tianxiang was bullied by Qian Duoduo this second generation rich guy!

"If you don't want to get out! Then there's no need for me to be impolite! Give me the rags on your hands! "Give it to me!" Zhang Hao rushed forward to snatch the black plastic bag from Ji Tianxiang's hand, while swearing at the same time.

Ji Tianxiang looked calm, his hands were tightly holding onto the black plastic bag. Seeing that Ji Tianxiang was not giving him any face at all, Zhang Hao was angered to the point that his lungs were about to burst in front of everyone.

This damnable old fart still dares to show off in front of me? Seeing that I didn't teach you a good lesson today, you don't even know who you are!

"Give it to me!" If you don't give it to me, then don't blame me for being rude! " Zhang Hao had decided to give Ji Tianxiang a final warning before he threw a punch.

"Crash!" The black plastic bag was torn apart and the three hundred thousand human life coins inside were dropped onto the ground.

At this moment, the entire audience was silent. They looked at Ji Tianxiang with eyes full of shock.

It's not junk, it's money, so much money!

Qian Duoduo looked at the pile of money on the ground. His face instantly turned red as if he was slapped in the face by dozens of people!

Zhang Hao quickly looked at Qian Duoduo, his

eyes asking for the next step!

Qian Duoduo ignored him. Zhang Hao stood on the spot awkwardly and didn't know what to do for a moment!

"Ji Tianxiang, where did you get the money from!?" It couldn't have been stolen! " A trace of jealousy and hatred flashed across Qian Duoduo's eyes as he asked unwillingly.

"I won the lottery!" Ji Tianxiang bent down, picked up the RMB from the ground and put it back into the black plastic bag as he said lightly.

"Wah!" Tianxiang, you're so awesome! "

"Tianxiang, your plastic bag is broken. It can't be used anymore!" I'll give you a new bag that's not easy to break! "

"Tianxiang, I didn't notice!" You're so lucky!  
"

For a moment, everyone began to feel envious and jealous of their flattery and ridicule.

Qian Duoduo, Zhang Hao and the others looked at Ji Tianxiang with sinister eyes.

Qian Duoduo said in disdain, "It's just that little bit of money, what's there to be proud

about! A poor devil! "

Ji Tianxiang took the black plastic bag back to his seat and put it on the table. He intentionally glanced at Wu Mengmeng and said with a bright smile, "Tonight, I will treat everyone to a meal!"

Wu Mengmeng's mouth gaped in astonishment as she retracted it in embarrassment. She didn't expect that the beggar's hands would have so much money!

Eating in a high-end western restaurant, there was a beauty sitting beside him. It turned out that it was all because he had won the lottery!

"Great!" Great! Tianxiang's treating us to a meal, how can we not? " When the students in class heard that Ji Tianxiang wanted to treat them to a meal, their faces were filled with excitement.

Not long after, many people who didn't get along with Ji Tianxiang surrounded him and tried to curry favor with him.

Ji Tianxiang's face was calm, and his heart was blooming with joy. He secretly exclaimed: What a f \* cking great feeling! Sure enough, money is master!

## C5

Soon, Ji Tianxiang won the lottery, because the head of the school was coming to the classroom to check, the class monitor shouted: Keep quiet. Only then did it gradually calm down.

The beauty Zhang Mangmang, who sat in the first row, held a small bag and sat down next to Ji Tianxiang in front of everyone.

Wu Mengmeng glared fiercely at Zhang Mangmang as she silently cursed, "You little slut, how dare you snatch a man from him!"  
Courting death!

Wu Mengmeng had already intended to sit beside Ji Tianxiang and act coquettishly as usual, saying good words to encourage Ji Tianxiang, then she would take the opportunity to swindle all the money out of Ji Tianxiang's hands!

"Mr Xiang!" I'm Zhang Mangmang! Do you still know him?! "Mengmeng, it's Mengmeng!" Zhang Mangmang bent her body, revealing the radiance of spring within her V-neck.

"I do!" We're all in the same class, why can't I recognize you! " Ji Tianxiang glanced at

Zhang Mangmang. His eyes inadvertently touched the white and tender breasts, then he quickly retracted them.

"Mr Xiang, then see if I'm cute or not!" Zhang Mangmang saw that Ji Tianxiang didn't want to continue acting that way, so she put more effort in her heart and directly brought her in front of Ji Tianxiang.

She didn't believe that Ji Tianxiang wouldn't fall for the trap when she saw his real body rubbing against Ji Tianxiang's.

Zhang Mangmang was famous for her sultry aura, her face was red, her breasts were large, and she had long legs and a snake's waist.

But he loved money.

It was enough for such a woman to have experienced Wu Mengmeng alone. Therefore, Ji Tianxiang could only snort disdainfully in front of Zhang Mangmang.

Her coquettish cries confused Ji Tianxiang. His chest desperately rubbed against his body, and he couldn't help but react!

Ji Tianxiang didn't want to make a fool of himself in front of so many people.

"Student Zhang Mangmang, take a seat!" It's

time for class! " Ji Tianxiang pushed Zhang Mangmang away and took a seat forward with the black plastic bag.

When Wu Mengmeng saw this, she smiled complacently in her heart. Seems like she had taken the final blow. Serves her right!

"Ji Tianxiang, you ..." When Zhang Mangmang saw Ji Tianxiang, she stomped her feet in exasperation and returned to the first row.

The moment the class ended, all the students in the classroom gathered around Ji Tianxiang.

"Tianxiang, we agreed to treat everyone to a meal, so you can't act shamelessly!" The fastest in the encirclement was Xue Ruhai and Wang Fugui.

Ji Tianxiang won the lottery so much money, who doesn't want a share of the profits?

Xue Ruhai and Wang Fugui thought that they took care of Ji Tianxiang in the dorm. Now that Ji Tianxiang was rich, it was time to repay them.

"Don't worry!" As long as I, Ji Tianxiang, promise something, I will never go back on my word! "

"Alright!" That's what I was waiting for! Tianxiang, where do you intend to invite us for dinner?" Xue Ruhai asked.

"That's right!" Tianxiang, where are you going to invite us for dinner? "It can't be a food stall." Wang Fugui asked.

"Of course not! Choose a place! "You can go anywhere you want to eat!" Ji Tianxiang said grandly.

"Tch!" What the f \* \* k are you bragging for! At most, we'll invite everyone to a buffet! " Zhang Hao cursed directly.

"Bam!" Ji Tianxiang sneered. He suddenly stood up from his seat and hit the table with a stack of money. Everyone was shocked.

They all guessed what Ji Tianxiang was going to do!

"What if I'm not bragging? You can choose anywhere you want, anything you want to eat. I, Ji Tianxiang, will pay for it!" Ji Tianxiang roared towards the sky, full of momentum.

"If you have the ability, go to the Tianxin Garden. That is the most famous hotel in the Beidu. If you can afford it, I'll use your surname!" Zhang Hao sneered with a face full of confidence. He was sure that Ji Tianxiang

wouldn't dare to invite him.

"Mr Xiang, how much money did you get?" Zhang Mangmang walked over and put her hands on Ji Tianxiang's arms.

"Not much, three hundred thousand!" Ji Tianxiang opened the plastic bag and revealed the yuan inside.

Zhang Mangmang was dumbfounded.

Wu Mengmeng was dumbfounded by what she heard.

A trace of haze flashed across Qian Duoduo's eyes. Xue Ruhai and Zhang Fugui were so jealous that their eyes were about to turn red. The three of them silently looked at each other and came up with a plan.

"What the f \* ck!" Then there was a commotion in the classroom.

"Ji Tianxiang, you really made a fortune!"

"Zhang Hao, do you remember what you said?" Ji Tianxiang stared at Zhang Hao.

Zhang Hao's expression became ugly to the extreme. He gritted his teeth and said, "What did I say? I didn't say anything? "

"Say, if I can invite you guys to the Tianxin Garden for a meal, you can take my surname! Sigh! I will call you Ji Hao from now on!

Zhang Hao's face alternated between green and white, his eyes flashed with a trace of viciousness: "Ji Tianxiang, don't be too proud! The starting point for Tianxin Garden is 10,000, and any random stuff over there might cost tens of thousands! "

"It doesn't matter. Forget it, I'll just call you Zhang Hao. I let you travel with me, and even buried my surname! " Ji Tianxiang understood that Zhang Hao wanted to threaten him and wanted to change his words. He smiled indifferently.

The surname Ji was the surname of the Ancient Son of Heaven. The following subjects all wanted to obtain this surname, and it was considered a great honor. How could he let Zhang Hao get the upper hand?!

"You!" Zhang Hao looked coldly at Ji Tianxiang, unable to say anything. In his heart, however, surging waves of fury for revenge churned.

Since Ji Tianxiang doesn't know how to appreciate favors, then don't blame me for being merciless. As long as you dare to go to the Tianxin Garden to eat, I will f \*

cking guarantee that I will mercilessly kill you. When I return tonight, I will find an opportunity to beat you up.

At this time, Xue Ruhai secretly tried to smooth things over with Zhang Hao, so he changed the topic: "Didn't we say we're treating people? Since we have already decided to eat at Tianxin Garden, let's hurry up and go over there! If you come back late tonight, the students won't be able to come back. "

"Great!" Let's go to the Tianxin Garden now!  
" Ji Tianxiang nodded calmly.

Cheers immediately rose up from the classroom, shouting out loud to Ji Tianxiang in an exaggerated manner: Mr Xiang is mighty, Mr Xiang is reborn, Zhu Wansan and so on.

At this time, his roommate Lee Ming anxiously advised, "Tianxiang, do you really want to treat everyone to a meal at Tianxin Garden? This trip was not going to be an easy one! There are so many people in the class, to go to such an expensive place like Tianxin Garden for a meal, how much money would you have to spend in vain! Don't take money for granted just because you're angry at others! "

"Lee Ming, it's just a meal, it won't cost

much? " Some people were immediately unhappy. They pulled Lee Ming's sleeves and pulled him to the far side.

Zhang Mangmang, who was beside Ji Tianxiang, was unhappy. Ji Tianxiang had become her current prey. Even if three hundred thousand was spent on her, she would still spend it all on him!

Ye Zichen didn't think that Ji Tianxiang was an idiot, he spent money to treat a bunch of impotent people to a meal.

Going to such an expensive place to eat, this trip would cost at least over a hundred thousand yuan. If they were to be mercilessly slaughtered by someone who was jealous of Ji Tianxiang, how many flowers would they have to spend?

If that was the case, then what was the point in trying to hook up with him!

Wu Mengmeng stood at the back of the crowd. Her heart was filled with anger and her cheeks were red from anger. She scolded Ji Tianxiang a few hundred times for being an idiot!

Spending so much money to treat people who have nothing to do with it would be f \* cking better to spend it all for yourself! Buy a new Apple phone, Herm's bag, Chanel dress, Coach

perfume... How many luxury items could he buy?

Stupid idiot! He really is a smelly idiot. With a few smelly coins, it's no different from nothing.

No, she had followed Ji Tianxiang for so long, she had to get some money from him no matter what.

"Tianxiang, come over here for a moment, I have something to say to you!" Seeing Zhang Mangmang standing beside Ji Tianxiang, Wu Mengmeng quickly pushed her way through the crowd and shouted at Ji Tianxiang with a bright smile on her face.

"Isn't this Miss Wu? What can I do for you?" Ji Tianxiang glanced at Wu Mengmeng. He had already guessed that Wu Mengmeng would come looking for him, but he didn't expect her to come so soon!

"Tianxiang, don't be like this! Our relationship is called Miss Wu! Just call me Misty Baby! "Tianxiang, don't you like to call me that in private?" Wu Mengmeng's expression froze for a moment before she continued charmingly.

Ji Tianxiang taunted him bluntly, "Don't! Please don't! I'm not close with Miss Wu. As a

poor person, I can't afford to call her Miss Wu!  
"By the way, it seems like someone already  
broke with me last night."

"Tianxiang, there might be a  
misunderstanding between us!" Wu  
Mengmeng's face turned red and her  
expression became awkward.

"Misunderstanding? Yesterday and this  
afternoon, Miss Wu said: I, Ji Tianxiang, was a  
pauper, a rascal, a thief, and a pretty boy who  
was kept by others! They look down on me  
so much that they wish they could make me  
disappear from this world! How could there be  
a misunderstanding when you heard it with  
your own ears?" "Ji Tianxiang said coldly.

"Ji Tianxiang, you ..." Wu Mengmeng's  
eyes darkened when she saw Ji Tianxiang  
humiliating her.

"Screech!" Someone was getting angry! If he  
was capable, he wouldn't be able to admit it!  
"Bye Gold Girl!" Zhang Mangmang glanced at  
Wu Mengmeng and mocked.

"Zhang Mangmang, you little bitch, who are  
you talking about?" Wu Mengmeng got angry  
from embarrassment.

"Little bitch, I'm talking about you!" What?  
At that time, he ditched Tianxiang quite  
straightforwardly. Now that Tianxiang had

money, he became jealous and wanted to stick it out. Tianxiang didn't even care about you anymore. You're not going to look at yourself in the mirror. You're just like a crazy old woman who thinks about money and goes crazy. You're as ugly as you can be! "

Zhang Mangmang didn't want to be outdone, so she shouted loudly and arrogantly while holding Ji Tianxiang's hand to demonstrate her strength.

Seeing this scene, Qian Duoduo laughed sinisterly: "If you go to Tianxin Garden, I won't be able to kill you. I'll let you have the money to enter, but no money to pay for it.

## C6

How could Wu Mengmeng endure such grievances? She wanted to go up and argue with Ji Tianxiang, but she was stopped by her roommates, Zhang Xinlan and Li Meng Rui.

"Mengmeng, don't go. The Ji Tianxiang of today is different from the Ji Tianxiang of the past, it would be a waste for you to go." Zhang Lan advised.

"That's right!" Misty! Didn't Ji Tianxiang already win the lottery? What f \* cking money did he have! Inviting everyone to a meal, who cares! At most, we won't go." Li Meng said indignantly.

"Go, why not!" If Ji Tianxiang wants to be a fool, then treat him to a meal. I, Wu Mengmeng, must go. Wu Mengmeng said harshly. She would not let Ji Tianxiang off so easily if he dared to treat her like this!

"Tianxiang, you guys want to take your girlfriend to dinner? You can't be so stingy that you won't agree, right?" Xue Ruhai patted Ji Tianxiang on the shoulder and asked in a calculating tone.

"If you want to take it, then take it! Let everyone in our dorm who has a girlfriend

bring them! " Ji Tianxiang could not refuse and agreed enthusiastically.

After all, to live under the same roof for two to three years, it wasn't good to offend them!

"Tianxiang, now that we have money, we're just not the same!" Xue Ruhai was delighted. He patted Ji Tianxiang on the shoulder before turning to leave, a look of triumph flashing across his eyes.

Ask a few more people to come and eat, see if they don't eat you to your heart's content.

"Come, come, comrades! Everyone, get ready to go! and we went to eat at Tianxin Garden. " Xue Ruhai said.

The classroom was once again in an uproar. After seeing Ji Tianxiang leave, they followed him one after another.

When they arrived at the school gate, everyone saw Ji Tianxiang getting into the taxi first. Some of them wanted to get in as well, but they were blocked by Ji Tianxiang closing the car door quickly.

"Tianxiang, what's the meaning of this?" A classmate asked.

Ji Tianxiang rolled down the window and

waved at everyone with a smile, "I only treat you guys to a meal, I didn't say I'll treat you guys to a taxi!" "A taxi, I'll take it myself. The space is just right!

Everyone looked awkward as they tilted their heads to think of a solution. Someone unwillingly stood out and asked, "If you don't let us go by car, then how are we supposed to get there?"

"Everyone, think of a way yourself! I'll be leaving first, see you at Tianxin Garden!" Ji Tianxiang sneered and said coldly.

Hadn't everyone in the class treated him like this? Now, the tides had turned, and it wasn't bad to taste this taste!

During a class reunion, everyone took a bus to their wallets. However, when he got on the bus, nobody allowed him to get on, and he was ruthlessly driven off the bus.

The reason was that there wasn't enough space. As soon as Ji Tianxiang got on the car, the car became very crowded. There were obviously five or six empty spaces on the car.

When everyone saw Ji Tianxiang leaving in a taxi, jealousy and hatred filled their hearts for a moment.

"It's just a car money! Everyone get in the car. When we get there, I'll let Ji Tianxiang pay for the car. " Wu Tie said.

Everyone looked at each other, but no one moved.

"Ji Tianxiang has plenty of money, are you all worried that he won't be able to afford it? If I tell you to get on the carriage, then hurry up. Qian Duoduo took a step forward and encouraged.

That's right! Ji Tianxiang had plenty of money. He would definitely be able to afford a small car.

After all, treating someone to a meal was already something that they would do at such an expensive level of Tianxin Garden.

Everyone also agreed with Qian Duoduo and rushed to the taxi.

Qian Duoduo and Zhang Hao looked at each other and smiled complacently. They would never let go of any opportunity to ruthlessly slaughter Ji Tianxiang.

There were forty to fifty students in the class. They made up their minds to let Ji Tianxiang pay for the taxi, so they hired fifteen taxis.

The Beidu University was on the outskirts of the city, and the Tianxin Garden was on the downtown area. A taxi came down during the day for close to one hundred yuan, and at night, it was more than one hundred yuan.

"Mr Qian, let's get in the car!" Zhang Hao shouted.

"No, I'll drive there." Qian Duoduo disdained squeezing a taxi with a bunch of poor students. He might as well drive his BMW!

Qian Duoduo drove his BMW out of the school gate. As he happened to see the school belle Lin Xueying passing by, he made up his mind.

Qian Duoduo saw that it wasn't a matter of one or two days, but Lin Xueying was too proud and arrogant. Every time she went out to invite a beauty, she was rejected.

This time, wasn't Ji Tianxiang inviting them to eat at Tianxin Garden? He could use this opportunity to take Lin Xueying to broaden his horizons and win her heart.

Qian Duoduo opened the car window and greeted Lin Xueying. After exchanging a few words of pleasantries, he also mentioned inviting Lin Meimei to dinner at Tianxin Garden.

Lin Xueying had heard of Tianxin Garden, the most famous five-star hotel there. The entrance fee was 10,000, and the dishes inside were all prepared by top-notch chefs. The number of times she had been there was not more than five fingers!

Lin Xueying's heart was moved as she accepted Qian Duoduo's invitation. She thought to herself, "Looks like Qian Duoduo is really sincere in pursuing me!" Ye Zichen couldn't help but to have a whole new level of respect for Qian Duoduo.

Half an hour later, a majestic group of people arrived at Tianxin Garden gate.

Everyone got off the car and looked for Ji Tianxiang's figure.

Ji Tianxiang had already booked five boxes. In the eyes of ordinary people, these five boxes were already considered to be top-notch. They were waiting for everyone's arrival.

Everyone was at the Tianxin Garden entrance, but they didn't see Ji Tianxiang, so they thought Ji Tianxiang had tricked them and they didn't come.

Wang Fugui was so angry that he wanted to rush into the Tianxin Garden hall, but he was stopped by the security guards at the door. He

could only hold in his anger as he stood at the door shouting: "Ji Tianxiang, you dog bastard, where are you! "Where did he go? He couldn't have been scared to run away, right?"

"What are you shouting for!" "If you want to come in for a meal, pay the entrance fee. If you don't, scram. Don't affect our business!" Hearing the shouts at the door, the manager walked out angrily. When he saw Zhang Hao and the people behind him, he reprimanded them without a trace of politeness when he saw that the person he was wearing was a poor student.

Following that, he gave a look to the security guards and the security guards, who then glared ferociously at Zhang Fugui and company.

After all, he was an adult who had muddled along in society. The aura he exuded was much more intimidating than a bunch of students!

Wang Fugui timidly took a few steps back and said in a lowered voice, "We are looking for someone! He's our classmate, he said that he wanted to invite us to the Tianxin Garden for a meal! "

Zhang Hao's eyes flashed a hint of ridicule, you coward!

"Oh? "What's his name?!" the manager asked suspiciously.

"Ji Tianxiang!" Wu Tie said.

"Mr Ji? You are Mr Ji's classmates!" the manager exclaimed.

"Yes!" Everyone was confused and nodded, feeling that the manager of Tianxin Garden was a little strange.

"Since you are Mr Ji's classmate, then quickly invite him in! "No time should be wasted, Mr Ji has already booked a private room for us. Everyone, come in quickly!" The manager had a kind face, a smile, and a respectful manner.

"Wait, we can't go in yet, we haven't paid for the car yet! I'll have to trouble manager to go in and call Ji Tianxiang out. " Zhang Hao shouted.

Only then did everyone remember that there was still this problem. I haven't paid for the car yet.

"Forget it! Let's pay for ourselves! Tianxiang said he was going to treat us to dinner, but he didn't say he was going to pay us! "We're still ourselves ..." He didn't think they should be blackmailing Ji Tianxiang's money like that.

"Exactly! Tianxiang only said that he would treat us to a meal, so let's not push ourselves too far. " Zhang Mangmang walked out of the school gate. Suddenly, she felt a stomachache, so she went to the toilet and told Ji Tianxiang to wait for her. She came out, but he had already left.

Although she hated him, Zhang Mangmang still calculated Ji Tianxiang's money and gave it to him.

"Well said!" He became a good person here! If you want to pay, then you two will have to pay in front of everyone's cars. " Zhang Hao interrupted.

Lee Ming and Zhang Mangmang were instantly embarrassed and speechless.

With more than a thousand yuan left over, it was enough to cover their living expenses for a month. Once they paid up, they would have to spend the rest of the month to drink the northwest wind wine.

The manager looked at Zhang Hao and the others strangely and hurriedly ran inside.

## C7

"Mr Ji, your classmate is already here!"

"Then let them in!" Ji Tianxiang said lazily as he knocked the table with his legs.

"No!" Your classmates told me to call you out, saying that they had not paid for the car and were waiting for you to pay them! " the manager said.

"Hmm? "Then I'll go out now." Ji Tianxiang was stunned for a few seconds. He stood up from his chair and followed the manager out.

Ji Tianxiang walked to the door and saw everyone looking at him with hatred. He sneered and walked over slowly.

"What's wrong? Why didn't everyone go in! I've been waiting for you inside for a long time! You guys came too slowly!" Ji Tianxiang said lightly.

"You still have the face to say that!?" We haven't paid for the car yet! Ji Tianxiang, come here and pay us quickly!" Zhang Fugui said.

"On what basis?" What a greedy bunch of people, treating them to a meal was not only

ungrateful to him, but they even asked him to pay the fare as if it was a matter of course.

Even though Ji Tianxiang was rich, it didn't mean that he was stupid!

"Since you have the money now, why do you care about the car money when you're already treating us to such expensive food?" Zhang Hao said.

"That's right!" Tianxiang, you have three hundred thousand yuan in your hands right now! It's nothing much to pay everyone, just over a thousand yuan. " Xue Ruhai didn't want to cause too much trouble, so he tried to persuade him.

"Qian Duoduo, what's going on?" Didn't you say that you would treat her to a meal? Why is it him! He's just a rascal, can he afford it? " The school belle, Lin Xueying, was flustered and exasperated.

"Beautiful, don't be angry yet. Listen to me! It was indeed Ji Tianxiang, that brat, treating us to a meal because he won the lottery. I brought you here to let you watch a good show. Didn't you say that he stole your phone before? "You just wait and see. How am I going to kill Ji Tianxiang!"

Qian Duoduo hated the fact that he couldn't

win against Zhang Hao and the others. He was so embarrassed that he almost lost his face. Luckily, he was smart and thought of an idea to convince Lin Xueying.

"Oh!" "Alright then!" School belle Lin Mei reluctantly believes Qian Duoduo.

"The money is mine. I'll spend whatever I want, but I just don't want to spend it on a bunch of greedy people who aren't greedy enough to swallow an elephant!" Ji Tianxiang rejected Xue Ruhai's argument. He just didn't want to be slaughtered like a fool.

Xue Ruhai's eyes were filled with jealousy and hatred. This smelly brat didn't give him face, he's f \* cking courting death.

All of a sudden, both sides were in a deadlock. Everyone saw that Ji Tianxiang was not willing to pay up, so they didn't know what to do!

But they still didn't want to pay the fare.

"Ji Tianxiang, you are so stingy!" He wasn't even willing to pay the fare! You are actually treated like a friend by everyone, yet you treat everyone like this! " Qian Duoduo secretly cursed a bunch of idiots. He walked up with the school belle in his arms, obviously slapping Ji Tianxiang in the face.

"I'm stingy, then why don't you pay everyone!? I've already treated everyone to a meal, so you can pay for the car. " Ji Tianxiang replied sarcastically. He could treat her to a meal today, but he didn't have the money for a car.

That's right! Let Qian Duoduo pay for everyone's cars! Qian Duoduo was a fuerdai, and he drove a BMW to school every day.

After all, Qian Duoduo was an honest rich man, he had his back to the family business.

Everyone's eyes lit up when they saw Qian Duoduo. They were all waiting for him to speak.

Qian Duoduo was secretly annoyed, he did not want to pay the bill for this group of poor students if he was pulled down by this little bastard Ji Tianxiang! It was useless to him!

"Why aren't you willing? Tsk, you still have the nerve to call me stingy! " Ji Tianxiang said.

Everyone's eyes suddenly darkened, and they looked at Qian Duoduo with a bit more contempt.

"Why aren't you willing!?" Wasn't it just a car fee? How could Qian Duoduo not be able

to afford it! He's not as stingy as you!" The school belle Lin Xueying couldn't stand Ji Tianxiang being so arrogant and bullying her classmates. She pulled Qian Duoduo and walked a few steps forward.

Ji Tianxiang looked over and saw the school belle Lin Xueying. She was the woman who slandered him for stealing his phone and even lost her job in the cafeteria that day.

"Exactly! I, Qian Duoduo, am not as stingy as you, Ji Tianxiang. It was just a car money! I'll pay, I'll pay everyone!" Lin Xueying's blabbering. Qian Duoduo really couldn't back down from the stage, and he didn't want Lin Xueying to see him down either.

However, the moment he took out the money, he couldn't help but curse in his heart, "What the f \* ck!" F \* ck! What a fucking bad luck! When you enter Tianxin Garden, see if I won't f \* cking play you to death.

"Mr Qian is indeed domineering!" Zhang Hao said.

"Mr Qian is rich!" Everyone was beaming with joy. They admired Qian Duoduo a few times and despised Ji Tianxiang a few times.

"Alright, we've already paid the driver. Let's go in to eat now!" He already couldn't wait to

ruthlessly beat up Ji Tianxiang.

Lin Xueying followed Qian Duoduo into Tianxin Garden hall. Ji Tianxiang suddenly looked at Lin Xueying: "I remember she's not in our class!"

"Yes, she is a member of the Academy of Arts. "Not only are they not from our class, they're also not from our academy." Zhang Mangmang said.

"Ji Tianxiang, what do you mean, can't the people I bring enter?" Qian Duoduo said angrily.

Lin Xueying was actually a little scared when she was stared at by Ji Tianxiang.

It had to be said that Ji Tianxiang's gaze towards Lin Mei was too sharp.

"This student, you can't go in." Ji Tianxiang pointed at Lin Mei and shook his head.

"Ji Tianxiang, the school belle is our Mr Qian's girlfriend." Zhang Hao looked coldly at Ji Tianxiang.

"But she's not my classmate, nor is she my roommate's girlfriend." Ji Tianxiang said, "And I didn't invite her either."

Lin Xueying's face was burning with embarrassment. When she thought that Qian Duoduo had brought her here, saying that he wanted her to watch a good show with Ji Tianxiang, she glared at Qian Duoduo angrily.

Qian Duoduo was angered by Lin Xueying and felt both angry and humiliated. Ji Tianxiang was obviously going against him by doing this.

Wang Fugui cursed, "You poor bastard, don't think that you're awesome just because you won the lottery for a few hundred thousand dollars. Compared to our Mr Qian, you're even worse than a dog."

"I'll treat whoever I want to treat. If you guys insist on making things difficult for me, then I won't treat even you guys." Now that Ji Tianxiang had returned to his family, he was rich and powerful, so he wasn't afraid of Zhang Fugui and the others.

For powers with Ji Family, as long as they moved their fingers slightly, they could squash Zhang Fugui and the others as easily as crushing an ant.

"Tianxiang, if you say that, then it's too much! After all, they were all students, so it was better for him not to give them face. If it gets out of hand, you won't get anything good out of it." Xue Ruhai was also unhappy, his

hypocritical face completely disappeared.

This was his good roommate, Ji Tianxiang. Although he kept saying that he would take care of himself, he was actually with Zhang Hao, a group of evil dogs.

On the surface, he looked kind and amiable, but he was not the least bit scheming behind his back. He just didn't want to fuss over it too much and pretended that he didn't know anything.

"Cao Nima, everyone stop wasting words with him, let's do it!" Zhang Hao clenched his fist and prepared to make his move.

Xue Ruhai and Wang Fugui also surrounded him, ready to gang up on Ji Tianxiang.

"Everyone, the Tianxin Garden forbids anyone from causing trouble! If you want to cause trouble, then go to the police station!" The manager said while standing beside Ji Tianxiang. Behind the manager were dozens of security guards, all of whom had sturdy and sturdy bodies.

When Qian Duoduo saw this scene, he pulled Zhang Hao and the other two in his group back and said to Ji Tianxiang, "How about this, you let Xueying in. As for the payment for Xueying's box, how about we get an AA?"

Ji Tianxiang laughed and said: "Sure! "We're AA."

## C8

"Ji Tianxiang, how many rooms have you booked?" Xue Ruhai asked

"Five standard rooms!"

"Standard?" The standard of how much it is, it can't be the lowest standard, right? " Zhang Hao asked worriedly.

The minimum standard of Tianxin Garden was still a few thousand dollars, five tables only had a little more than a few tens of thousands, Zhang Hao wasn't willing.

Zhang Hao secretly gave Xue Ruhai and Zhang Fugui a look, signalling for them to come forward.

"I say, Tianxiang, you finally got to treat everyone to a meal, can't you be more generous?"

"Also, there are forty to fifty people in our class. Do you think five tables is enough?"

Under the encouragement of Xue Ruhai and Zhang Fugui, everyone started to look down on Ji Tianxiang.

Standing at the side, the manager rolled his

eyes, took a step forward: "This Mr Ji, has set the best standard for our Tianxin Garden. In a high class room, each table costs 10,000 yuan."

Qian Duoduo was stunned on the spot.

Zhang Hao and the rest also had very ugly expressions on their faces.

Ji Tianxiang was so happy that his heart was about to blossom. The manager of Tianxin Garden sure knew how to talk. I'll definitely give you a big red packet later.

In fact, there were no fewer than five tables. There were ten people at each table, and fifty people could easily sit at each table. There was still plenty of space left, and even five or six people wouldn't be a problem.

Qian Duoduo originally wanted to slap Ji Tianxiang's face to let everyone see him as a joke, but he didn't expect that he would be slapped so viciously.

The school belle, Lin Mei, was still beside him! No, he couldn't let Lin Mei look down on him. He must get back to where he belonged, Qian Duoduo.

"Since AA is here, Ji Tianxiang, do you dare to change into a top tier room? Today, I'll show

you, a poor country bumpkin, what do you mean by having a rich people's place to eat! I heard that the best room in Tianxin Garden is the Overlord Bag. " Qian Duoduo was livid and unwilling.

"The Monarch Bag. Only those with status can enter, not even a single commoner!" the manager said bluntly.

Didn't the manager say that Qian Duoduo had no status?

Everyone looked at each other and began to mutter in their hearts. Didn't Qian Duoduo say that his father started a big company and earned several hundred million a year? "He knew quite a few powerful people in the business world. Could it be that he was slapping himself in the face to pass off as a fatty?

Qian Duoduo's face turned green as he glared at the manager: "Bullsh \* t, laozi is someone with status, how could I not be qualified?"

"Qian Duoduo, what the manager said is the truth. It was true that only those with status could enter Tianxin Garden's Overlord Bag. This identity must be someone above others, even my father cannot enter, let alone you. " Lin Xueying said while holding her breath.

Lin Xueying was not only a school beauty, she

was also a wealthy girl. Since she was young, she had seen a lot of people. The Emperor Tianxin Garden was a legendary existence in the upper class.

Lin Xueying's father had mentioned to her more than once that only those with noble statuses could receive an Emperor Bag.

Everyone knew that the school beauty Lin Xueying was rich, so they had no doubts about it.

"Qian Duoduo, the manager and Lin Xueying have both said that an Emperor Bag can only be used by those with status. Ordinary people like us are not qualified." Ji Tianxiang laughed.

"Of course, it's fine if you're an important guest like Mr Ji. However, only Mr Ji is allowed to enter the Overlord Bag, no one else is allowed to! "

Ji Tianxiang was shocked. He looked at the manager with a hint of surprise.

This is my first time eating at the Tianxin Garden, how did I become an esteemed guest? Could it be that there's a relationship between Tianxin Garden and Ji Family?

The manager met Ji Tianxiang's gaze and hid

a faint smile.

Lin Xueying was shocked. She looked at Ji Tianxiang with a profound gaze. What in the world is Ji Tianxiang's identity?

The Overlord Bag. Only he could enter it.

Qian Duoduo's expression slightly changed as he cursed: "He's just a poor guy, what kind of person is he!"

"Mr Ji, we have booked five standard rooms in this store. The entrance fees for the goods have cost you sixty to seventy thousand and you are already listed as a VIP VIP guest." If this mister were to spend sixty to seventy thousand yuan in one go in this store, he would naturally receive the same treatment. "

Hearing Qian Duoduo's scolding, the manager frowned slightly and said seriously.

"What the f \* ck!" Ji Tianxiang, you're not bad! " Qian Duoduo's heart skipped a beat. Spending so much money in one go? He wasn't that stupid and smelly person.

This poor guy must have secretly bribed the manager, otherwise why would the manager praise Ji Tianxiang so highly.

Wu Mengmeng felt that something was amiss

and secretly observed Ji Tianxiang and the manager.

Ji Tianxiang gave the manager a grateful look.

"Ji Tianxiang, the manager already said that you are a VIP VIP. You can go to the King's Bag to eat. "Since you're an esteemed guest, why don't you say a good word to the manager and make it easy for them? Or maybe you could add some money and bring everyone to the King's Bag for dinner!" As expected, when Wu Mengmeng saw their gazes locked onto each other, she coldly snorted.

"Since Ji Tianxiang has a solution, let's do it. Come, let's wait in the Monarch Bag for a while." Zhang Hao replied first. They led the way to the King's Bag.

Ji Tianxiang stood on the spot for a long time and looked at this scene coldly.

"Ji Tianxiang, why don't you go?" It couldn't be that he didn't dare to! "I've already said it before, Emperor Bag is willing to share an AA with you, what are you afraid of?" Qian Duoduo shouted.

"Go on! I didn't say no, I just thought of something and was just a little distracted. " Ji Tianxiang said.

"Mr Ji, I'll send someone to chase them out."  
the manager said smartly.

"No need. Since they want to go, then let them go." Ji Tianxiang said in confusion.

Since Qian Duoduo and the others wanted to play, then he, Ji Tianxiang, would accompany them to the end.

"Oh yeah, thank you, manager, for what happened just now." Ji Tianxiang took out 10,000 yuan from the black plastic bag and handed it to the manager.

"Mr Ji, I can't accept this!" the manager asked in panic.

"This is what you deserve. Take it." Ten thousand yuan for someone who wasn't beaten up was worth it, but Ji Tianxiang was generous with the money.

Ji Tianxiang saw that the manager didn't accept, so he stuffed the money into the manager's hand and quickly left.

"Ji Tianxiang, you came at the right time. I just ordered two Deep Sea Giant Lobsters, two bottles of French Goose Liver and two bottles of Raphael Red Wine. They are both top grade Tianxin Garden dishes. The taste is quite delicious." Wu Tie said.

"Sure, but we have more people, so I'm afraid we don't have enough people. Why don't we have one?" Fifteen of them, one for each person present. Goose liver also costs fifteen bottles, and two bottles of red wine is even more insufficient. If people drink too much, they will need at least ten bottles. " Ji Tianxiang said grandly as he counted the people in the room.

Since you want to play, then let's play big. There's plenty of money in Ji Family, if I can't play you, Qian Duoduo.

Qian Duoduo's expression changed drastically and he didn't say anything for a long time.

"What? Can't afford it?" Ji Tianxiang looked at Qian Duoduo mockingly.

"Ji Tianxiang, stop f \* cking acting cool, do you know how much these things cost?" Qian Duoduo said with a cold expression.

"Talk about money!" To treat everyone to a meal and to discuss how bad the relationship is with money! " Ji Tianxiang said in pain.

The current Ji Tianxiang did not care about the price. As a person with a black card, could he not afford to pay for anything expensive?

However, he still deliberately asked, "Those things, how much are they?"

"Three thousand a lobster, two thousand French foie gras, and ten thousand red wine for Raphael." Qian Duoduo sneered.

"Wouldn't that amount to more than a hundred thousand?" Ji Tianxiang covered his mouth in shock.

"Pauper, now you know fear, right?" Qian Duoduo sneered.

"Ji Tianxiang, pretending to be strong doesn't have any benefits, the consumption of Tianxin Garden is not something that your three hundred thousand can afford." Lin Xueying mocked.

Qian Duoduo had thought that Ji Tianxiang would be scared after knowing the price of the items he had ordered, but Ji Tianxiang waved his hand and said to the waiter, "Just do as I say."

"Yes, sir. I'll report to the kitchen." The waiter said respectfully.

Although he didn't know who the ordinary Mr Ji was, before he came, the manager had repeatedly requested that they serve him well.

## C9

"Wait." When the waiter was about to leave, Ji Tianxiang shouted again.

Everyone looked at Ji Tianxiang, guessing whether he was regretting or not.

"What? You want to go back on your word?" Qian Duoduo mocked.

"No, I haven't finished." Ji Tianxiang glanced at Qian Duoduo lazily and took the menu: "Five more abalone, five more bird's nest, five more..." As the number of dishes increased, so did the price.

Qian Duoduo's expression turned worse and worse.

Lin Xueying, Wu Mengmeng, and Zhang Mangmang clicked their tongues in surprise.

Zhang Hao, Xue Ruhai, Wang Fugui and the other eight students all thought that Ji Tianxiang had gone completely crazy.

"Ji Tianxiang, are you crazy?" Qian Duoduo shouted.

Ji Tianxiang smiled and looked at Qian Duoduo, "Mr Qian, I'm done. Do you want to

order more?"

Qian Duoduo shook his head and said,  
"Continue. I will go to the bathroom and come  
back later."

When Qian Duoduo went out, he gave a  
meaningful glance to Zhang Hao, Xue Ruhai,  
and Zhang Fugui and called the three of them  
out as well.

"Tianxiang, stop ordering, right? You can't  
finish so many, and you're even wasting  
money." Lee Ming said anxiously.

"It's alright, we invited Qian Duoduo and me  
to this private room. Since we're going to eat,  
let's have a good time." Ji Tianxiang said with  
a smile as his eyes shined with a scary light.

"The poor are truly rich. With just a bit of  
money, they would be extravagant." Lin  
Xueying said with a frown.

"Exactly, if you have a little money, then  
spend it like you don't care about your life.  
When the time comes, you'll still be a pauper,  
you deserve to pick up trash." In reality, her  
heart was bleeding from the pain she felt.

"Mr Xiang, let's just forget about it. We won't  
be able to finish all the dishes even if we order  
so many. It just happens to be saved, so you

can buy me clothes or something. " Zhang Mangmang said with a pained heart.

How much would this meal cost? How could Ji Tianxiang, this idiot, not care so much about the money?

Ji Tianxiang ignored the three women. He didn't even like any of them, so he was too lazy to talk to them and got into trouble again.

When he had no money, he would despise him for being a pauper. When he had money, he would also despise him for being extravagant and wasteful.

A woman's heart was like the seabed of needles.

Ji Tianxiang glanced at the three women, leaned his head against the chair and closed his eyes to rest.

Not long later, Qian Duoduo and the others returned.

Zhang Hao and the other two men revealed a sinister smile. Ji Tianxiang didn't need to guess that they definitely didn't do anything good when they went out.

However, even so, he, Ji Tianxiang, was not afraid.

"Ji Tianxiang, let me see the menu. What did you order?" Qian Duoduo asked.

"There's no need to look. I've already ordered everything I can on the menu. We'll know when the dishes are served later." Ji Tianxiang snorted and laughed.

Qian Duoduo looked at Ji Tianxiang in doubt. He thought that this idiot should be terrified. Could he have ordered some expensive dishes?

"What did you order?" Qian Duoduo still asked worriedly.

"Nothing." Even if I can afford it, Mr Qian can definitely afford it. " Ji Tianxiang laughed.

"Ji Tianxiang, what do you mean?" Qian Duoduo vaguely sensed that something was wrong.

"Mr Qian, did I say the wrong thing? "Why don't you take a look at the menu. The dishes I ordered are definitely something you can afford." Ji Tianxiang handed the menu over to Qian Duoduo.

"The menu is a red circle. I just ordered it."

Zhang Hao and the other two men moved to Qian Duoduo's side. When they saw the menu,

their faces changed drastically.

"Mr Qian, what's wrong with you? Did I say something wrong?" Ji Tianxiang stuck his head out and muttered, "Could it be that even the rich second generation of Mr Qian can't afford this dish?"

After Ji Tianxiang finished speaking, the King's Bag quieted down.

Everyone in the room stared at Qian Duoduo.

"You f \* cking bullsh \* t. Who said I, Qian Duoduo, can't afford it?" Qian Duoduo roared, breaking the eerie silence.

"Ji Tianxiang, are you crazy?" Wu Tie said.

"Ji Tianxiang must be crazy. The dishes he ordered, I think this meal will cost more than 200 thousand. Even if it is AA, he will still bear the burden of ... "

"Not just two hundred thousand, but at least three hundred thousand." Lin Xueying glanced at the crowd without batting an eyelid.

"What? Over three hundred thousand?" The crowd burst into an uproar.

Ji Tianxiang was treating them to a meal. Qian

Duoduo and the others were thinking about how to beat Ji Tianxiang up, but now that they were here, they were scared.

Qian Duoduo's face was as dark as a charcoal pot. He only had around 50,000 yuan on him, but now that he had to pay 100,000 yuan for a single AA meal, he really didn't have that money.

"Ji Tianxiang, you're playing with fire and burning yourself." Qian Duoduo said.

"Mr Qian, I really don't have one. As long as you can afford it, I, Ji Tianxiang, will definitely be able to deal with it. Could it be that Mr Qian is scared?" Ji Tianxiang looked at Qian Duoduo provocatively and revealed eight big teeth with a smile. He was very happy.

Qian Duoduo was speechless.

He did not dare answer, nor did he know what to say.

However, he had no choice but to speak. So many pairs of eyes were staring at him.

"Ji Tianxiang, you have balls. It's only a few hundred thousand yuan. I, Qian Duoduo, have plenty of money, so I'm afraid that you'll be poor." Qian Duoduo held his ground.

"Good, Mr Qian is indeed Mr Qian. Your imposing manner has conquered me. I admire you from the bottom of my heart." Ji Tianxiang said happily.

In reality, the reason why Ji Tianxiang was so happy was because of Qian Duoduo's anger and determination.

For a time, the two sides were at loggerheads, and only after the dishes were served did it ease down.

Halfway through eating, Qian Duoduo found an excuse to go to the toilet and wanted to slip out early. In the end, Ji Tianxiang told the manager that he was sent back to the Imperial Bag.

"Aiyo!" Mr Qian, what's wrong with you? " Ji Tianxiang shouted and attracted the attention of the crowd.

"This customer, please." The waiter said coldly.

Qian Duoduo looked at everyone with an awkward expression: "Uhm, I got lost. I was sent back by these two kind-hearted people." "It's nothing important. Let's continue eating and drinking."

Ji Tianxiang chuckled and didn't say anything.

Qian Duoduo sat back down at his original seat. Thinking about how much money would be spent on a single meal, he felt sick of it. As he watched the cup of wine, he gradually lost his mind.

After three rounds of drinking, everyone got more and more excited as they ate.

Zhang Mangmang leaned her body against Ji Tianxiang and said, "Mr Xiang, I seem to be drunk." "Tonight, send me back."

"Sure." Ji Tianxiang agreed without thinking. Since the girl was drunk, she should send him back.

On the other side, Wu Mengmeng furiously placed her wine cup on the table, creating a loud sound as she said, "Peng!"

Ji Tianxiang glanced at Wu Mengmeng. At this moment, Wu Mengmeng's eyes were filled with jealousy and anger.

"Mengmeng, what are you doing?"  
Everyone's eating, so don't be so rude."  
Zhang Xinlan said.

As the proverb goes, 'eating a person's mouth is short, but taking a person's hand is short'. No matter how much enmity Wu Mengmeng

had with Ji Tianxiang, they couldn't afford to be impolite at this meal.

"Tianxiang, come on, I'll toast you to Mengmeng." Zhang Xinlan held her glass of wine and walked in front of Ji Tianxiang, smiling sweetly.

"Tianxiang, compared to usual, you look a little different. You seem to have an extra momentum."

Ji Tianxiang laughed: "What a coincidence, the first time I saw you, I felt that you were different from the other girls. You have a special temperament."

"Aiyo!" Tianxiang, have you got honey on your mouth? You really know how to talk. " Lili was laughing so hard that flowers were about to fall. Which girl didn't like to be praised by others for being so nice to hear? She threw a small fist at Ji Tianxiang's chest.

As Wu Mengmeng watched the two interact, her face darkened.

When Zhang Xinlan left, Li MengRui also came over to express her good will. Wu Mengmeng's face darkened a few times as she felt a faint stifling anger in her heart.

Zhang Mangmang sneered coldly as she

cursed in her heart: You little b \* tch, how  
shameless!

## C10

As the meal came to an end, everyone left after discussing. When they arrived at the cashier counter, Zhang Hao and the others sneered again and again, ready to watch a good show.

"How much is it?" Ji Tianxiang and Qian Duoduo asked the cashier. Lin Xueying and the others also came over curiously.

"The Overlord Bag has a total of three hundred thousand yuan, the other four rooms have a total of eighty-eight thousand yuan." The cashier smiled politely. His eyes were filled with shock.

Ji Tianxiang's face darkened. Looking at the complacent expressions of Zhang Hao and the others, he suddenly understood something.

"Alright, swipe your card." Ji Tianxiang calmed down, took out his bank card and handed it over. He turned around and looked at Qian Duoduo indifferently, "Mr Qian, the cost of the Emperor Bag is AA, mine has already been settled. You can take the rest."

"Wait, where did you get so much money?" Qian Duoduo stared coldly at Ji Tianxiang.

"It doesn't matter how much money I have, I just have the money to pay the bill. "Mr Qian, I'm sorry. I have something to do so I will be leaving first." Ji Tianxiang leaned his hand on the counter. He looked to be a second generation Patriarch, and then left the Tianxin Garden confidently and unrestrainedly.

Ji Tianxiang had spent more than two hundred thousand yuan for this meal. Thinking about it, he still felt a bit sad. However, it was worth it to be able to see Qian Duoduo and the others suffer a loss.

At the same time, after so many years of being looked down upon, he had finally smacked himself in the face.

Just like how a person adrift in the martial arts world, how could he not be stabbed? These words could not be any more suitable to describe Qian Duoduo and the others. They would have to return the favor sooner or later.

"Sir, you still need to pay one hundred and fifty thousand yuan. Would you like to swipe your card or cash?" The cashier carefully looked at Qian Duoduo's group.

Qian Duoduo was both angry and anxious. His card only had fifty thousand yuan, it wasn't even enough to pay for it. Even more so, he couldn't let his father know that he had spent

one hundred and fifty thousand yuan on a single meal, yet they still skinned him alive.

"Wait, I'll go out and make a phone call first." Qian Duoduo's eyes darkened when he saw Zhang Hao and the others. He took his phone and was about to walk out of the Tianxin Garden gate.

In the end, he was stopped.

"Customer, where are you going? You haven't paid up yet?" The manager said with a smile, followed by several well-built security guards.

"I... I don't have the money to pay the bill, so you should just ask Ji Tianxiang for it. Qian Duoduo intended to go back on his word and not admit his debt, so he pushed all the blame onto Ji Tianxiang.

"Oh!" "I don't have the money to pay the bill, right? Someone, go and arrest this shameless gentleman and send him back to the police station." The manager's expression changed as he roared.

Lin Xueying and the others came out from the Tianxin Garden Hall: "Qian Duoduo, what's going on?"

"What are you guys doing!?" "Let go of me, Mr Qian!" Zhang Hao came forward and

shouted.

"This mister wants to avoid the bill, I've found out." the manager said.

"Qian Duoduo, how can you be such a person!" "You could have even done such a thing? You don't think it's shameful that I ..." Lin Xueying looked at Qian Duoduo with disdain and walked away before she could finish her words.

Qian Duoduo wanted to explain, but he had no way to. Thinking that all of this was because of Ji Tianxiang, his face turned dark.

"Please pay. If you don't have the money to pay for it, you'll have to go to the police station." the manager reminded him.

Wu Mengmeng, her two roommates, and Zhang Mangmang, the four ladies, looked nervously at Qian Duoduo.

"If you want money, then go and find Ji Tianxiang. He has plenty of money. This meal, no matter what business I have, I will leave first." Qian Duoduo said.

The manager's eyes hardened, "There's no money, right? Send this group of people to the police station, and let their parents take them to the police station."

Qian Duoduo was stunned. He wanted to resist, but it was already too late.

When Ji Tianxiang returned to his room, he found that Lin Fei was the only one there.

"Lin Fei, I'm treating you to a meal today. Why haven't you gone?" Ji Tianxiang walked up and asked.

"What? You're treating me to a meal?" How come I didn't know. " Lin Fei said excitedly.

"I asked Xue Ruhai to inform you, but he didn't tell you?" Ji Tianxiang asked curiously.

Lin Fei was a student from another class. Because it was too late to get a bed, he was assigned to the dorm room of Ji Tianxiang's class.

Lin Fei frowned: "Forget it, it's just a meal. You can treat me alone another day."

"Alright." Ji Tianxiang wanted to say a few words, but when he saw Lin Fei watching the live broadcast again, he went back to his seat and took off his clothes.

There were only two people in the bedroom. Ji Tianxiang was momentarily bored, so he started the live broadcast. He browsed

through the live broadcasters, clicked on any interesting ones, and switched to the next one.

"Ouch!" Tianxiang, you can do it! "Since when did you start paying attention to female broadcasters?" Lin Fei didn't know when he'd gotten up behind Ji Tianxiang.

Ji Tianxiang smiled, "I was just casually watching it. I feel like this live broadcast is pretty boring to watch."

Lin Fei snickered, "You can't even watch that. Let me tell you about a female host. I can guarantee that you will definitely look well and will not be able to hold back from spitting out a nosebleed."

Lin Fei was the most reserved person in the dorm. The reason was that he liked watching live broadcasts of beauties and loved to play porn and anime.

"This is it, Mi Le. Wow, big welfare. "Yes, yes." Lin Fei glanced at his phone and immediately screamed. He was so excited that he looked like a bloodthirsty bull.

"Tsk tsk, Mi Le's live broadcast is indeed different, but the content is too little."

Mi Le, a beauty at the Academy of Fine Arts.

It was a very beautiful girl with a very good figure. The two lumps of waves on her chest didn't match her face at all. Her face looked cute and sweet, and the more she looked at it, the more it made people's body burn with anger.

"How is it? It must be something." Lin Fei asked proudly.

Ji Tianxiang glanced at it lazily and shook his head: "Not bad, but it's not my dish."

Ji Tianxiang took off his shoes and climbed onto his top bunk. He casually flipped through the other live broadcasts.

At this moment, he saw a girl with poor looks singing in the broadcast room.

This girl was the pure school beauty of their school, her name was Qiu Yi.

The audience below could not be any smaller. It could be said that they were few and far in between.

However, Ji Tianxiang felt that this pure school beauty was much prettier than that 'big-chested' Mi Le.

"Thank you everyone for listening. Is there

anyone else who wants to play a song?" Qiu Yi said gently.

Ji Tianxiang wanted to click the song, but found that he needed to sign in and register. He immediately logged in and gave the name Qiu Shui.

It had the same name as Qiu Yi, the pure school beauty.

Ji Tianxiang immediately chose a dozen or so songs. Qiu Yi looked at the list and smiled gently, "Okay, there is a young master Qiushui who chose fifteen songs. Let's start with the first song."

"You're asking me how much I love you and how much I love you."

"My love is real, so is my heart."

"..."

Qiu Yi's Wu Nong soft words made Ji Tianxiang drunk, his heart was as light as cotton candy.

"Such a nice song, not getting a present for it is simply too heartless." Ji Tianxiang was very happy and started to wave his hands.

Qiu Yi was surprised. She looked at Young

Master Qiushui, who was constantly brushing presents, and didn't know what to say.

After hurriedly singing a song, Qiu Yi hurriedly expressed her gratitude,

"Thank you, Young Master Qiushui, for giving me a super run!"

"Thank you, Young Master Qiushui, for giving me a Rocket!"

"Thank you, Young Master Qiushui, for giving me this tank!"

"Thank you, Young Master Qiushui, for sending out this aircraft!"

"Thank you, young master Qiushui ..."
