Qian Duoduo's smile stiffened: "How could I be that kind of person? I said that I would give you the car, but it only rested for a few days."

"Knowing face but not knowing heart. Qian Duoduo, you really are such a person." Ji Tianxiang commented without any hesitation. He gave Guan Yu a wink, indicating that she could go now.

Guan Yu understood what he meant and shouted, "All of you go on! If Qian Duoduo doesn't give you the keys, you will beat him until he gives you the keys to the car."

"Stop hitting me, can't I give it to you?" Qian Duoduo was instantly terrified and quickly threw the car keys in his hand to Ji Tianxiang.

"That's more like it." Ji Tianxiang happily took the car keys and said to Guan Yu, "Ms Guan, we have the keys. Let's go."

Guan Yu nodded her head and the group of people grandiosely got on the car.

After Ji Tianxiang and the others left, Qian Duoduo was furious. He started to vent his anger on the people around him, and when he saw Xue Ruhai looking as if it had nothing to do with him, he started waving his fist and feet at Xue Ruhai. He even complained with his mouth, "Xue Ruhai, it's all because of you, a jinx.

"Dad, you know someone from Guan Family right? His daughter Guan Yu brought a bunch of gangsters and drove away my car. You have to seek justice from me."

"Son, don't worry. Daddy will definitely seek justice for you."

When Qian Daqiang heard that Guan Yu had brought people to bully his son, he was unhappy. After hanging up the phone to Qian Duoduo, he called Guan Yu's father.

Ji Tianxiang let Guan Yu's men drive away his car while he drove a BMW, and the person sitting in the front seat was Guan Yu.

"Sis, thank you for your help today's matter. Otherwise, I wouldn't even know how to deal with Qian Duoduo and the others." Ji Tianxiang thanked him sincerely.

"Haha, what's the big deal? I already said that you're my little brother, isn't it normal for big sister to help out when little brother's in trouble?" Guan Yu smiled indifferently.

"Ms Guan, let's have a meal together later. I'll treat you all to the best restaurant in Beidu. How about Tianxin Garden?"

Ji Tianxiang felt a little warmth in his heart. Every time he had something to do, he would ask Guan Yu for help. He never refused her and never asked for any benefits. No matter what, he had to treat her to a good meal and return the favor.

Beep, beep.

Guan Yu was about to open her mouth to speak when her phone rang. The caller said that it was her father.

"Dad, why did you call me at this time?" Guan Yu was curious.

This was the busiest time for Guan Batian. If it wasn't for the meeting time, why would he call her?

"Guan Yu, I don't care where you are, follow me home immediately." Guan Batian calmly said. His tone was filled with deep

displeasure.

"Alright, I'll be right home." Guan Yu noticed that there was something wrong with Guan Batian's tone. She frowned and hung up the phone. Then, she turned around and said to Ji Tianxiang in embarrassment, "Dad wants me to go home. Let's eat another day."

"Why did he suddenly return home? Is something wrong?" Ji Tianxiang asked in concern.

Guan Yu thought for a moment and shook her head. "I don't know either. We'll know when we get home."

"Alright, be careful on your way." Ji Tianxiang said in disappointment.

Guan Yu nodded and got off with a serious expression. She got on another Land Rover and waved goodbye to Ji Tianxiang.

Seeing that Guan Yu had left, Ji Tianxiang felt that there was no point in staying here. He drove the car back to school and just got off the car, hearing someone call his name behind him.

"Tianxiang."

"Tianxiang."

It was a woman's voice. The voice was gentle and had a hint of honey in it. Ji Tianxiang couldn't help but shiver when he heard it.

Ji Tianxiang turned around and looked. What was different from the voice was that it was a very sexy wave woman. She was tall, had tight hot pants, cut short sleeves, and a pair of high heels.

"You are?" Ji Tianxiang asked in confusion.

The sexy lady took off her glasses with a smile and said, "Tianxiang, long time no see. You forgot about me so quickly."

"How could that be? You're Zhang Xingran's cousin, Wang Shishi, right?" When Ji Tianxiang saw the woman's face, he immediately recognized her.

"Hmph, at least you have a little conscience. Remember him, it's not a loss for him to come all the way to your school to find you." Wang Shishijiao snorted and said coquettishly, intentionally or unintentionally.

Ji Tianxiang blinked and asked hesitantly, "Is there something you need from me?"

It's like this, Tianxiang. It's the last time I asked you to do something like this, and I wanted to find you to deal with my blind date. He's come to our office to cause trouble

again, and can't even get a job. Wang Shishi let out a bitter laugh and stared at Ji Tianxiang, revealing her weak side.

As the saying goes, it's good. A woman is neither coquettish nor charming, and she doesn't show any weakness. She doesn't have any sweet food to eat, nor any man willing to help her.

Men always have a good face and like to pretend to be strong in front of women. Wang Shishi was familiar with this, so she used this bit of weakness to arouse Ji Tianxiang's sympathy so that he could help her.

Needless to say, the weak Wang Shishi had hit Ji Tianxiang's heart instantly, wanting to help her.

"Then how do you want me to help you?" Ji Tianxiang nodded and asked.

"Yeah, I'll bring you to see him this afternoon. I'll directly tell him that I already have a very loving boyfriend and tell him to stop bothering me in the future." Wang Shishi said carefully, "Tianxiang, are you willing to go with me?"

"Yeah, I promised to help you last time, how could I go back on my word?" Ji Tianxiang said.

Lili was instantly overjoyed. She affectionately pulled Ji Tianxiang's arm and said coquettishly, "Tianxiang, I knew you would help me. You're so nice and nice to me. If you were really my boyfriend, how happy would I be?"

"Haha, is that so? Am I really as good as you say? " Ji Tianxiang felt a bit of sweetness in his heart after being praised by Wang Shishi.

Actually, Ji Tianxiang also felt that he was a pretty good man. If anyone became his woman, he would definitely put that person up to heaven.

"Of course, I can swear to God." Wang Shishi looked at Ji Tianxiang seriously and said.

C102

Ji Tianxiang enjoyed Wang Shishi's flattery. He quickly waved his hand and said, "No need, I believe what Miss Wang said. When are we going to meet your matchmaker? Do you want to leave?"

Wang Shishi opened her mouth, but just as she was about to say goodbye, the phone in Chanel's bag rang. She took out the caller ID and saw that it was her cousin.

"Young Master Ji, wait for me here. I'll go and answer the phone." Wang Shishi raised her head and said to Ji Tianxiang. She took her phone and walked away in a fluster. She only stopped when she saw that she was a long distance away from Ji Tianxiang.

Ji Tianxiang was puzzled. It was just a phone call, why did he run so far and not eavesdrop? Could it be that this Wang Shishi

had some kind of unspeakable secret?!

Cousin, where are you now? I'll go find you, and call Ji Tianxiang out as well. I'll take him to see Zhong Jie, anger him, and guarantee that he'll come and confess to you tonight. Zhang Xinlan said excitedly.

"What do you mean by meeting him? He's gone today. Let's talk about it another day." Wang Shishi frowned and suddenly changed her mind.

Today, she finally met Ji Tianxiang. It was better if her cousin and Zhong Jie, the two electric light bulbs, were destroyed. Coincidentally, she and Wu Tie could have a private time together.

Zhang Xinlan was stunned for a moment. "Cousin, what do you mean?" Why did she suddenly change her mind? "Cousin, has something happened? Didn't we agree to

"Yes, there are indeed some other matters that need to be taken care of. Let's leave Zhong Jie's matters alone for now." Wang Shishi looked at Ji Tianxiang, who was standing not far away, and said, "That's it. I'll contact you another day."

"Cousin, what do you need me to do? Is it serious? Do you need my help?" Zhang Xinlan hurriedly said.

He couldn't let his cousin hang up at this time. He had already said that he would help his cousin complete the task today. She would give him a generous reward.

This... She could change at will, but couldn't she buy the clothes, shoes, and bags she had recently taken a fancy to?

If Zhong Jie's case was over, he could help his cousin with other matters. After he was done, he could also ask his cousin for

more benefits.

"Cousin, it's nothing serious. I'll handle this matter myself. You just have to stay in school and study. Aiya, I've already talked for so long. I still have urgent matters to attend to, so let's do that." Wang Shishi said with a smile.

What was there to deal with? It was just that she wanted to seize the chance to be alone with Ji Tianxiang and find an excuse to get rid of her cousin.

After Wang Shishi hung up the phone, she saw that Ji Tianxiang was still waiting for her on the spot and ran over with a happy mood.

"Young Master Ji, I'm sorry for making you wait for so long, it's a relative of mine. She was dumped by her boyfriend and is crying for me."

"Oh, oh, it's fine. I didn't have to wait too long." Ji Tianxiang nodded in understanding. So it was such a private matter, he shouldn't have said it in front of a stranger like him.

"Wow, Young Master Ji, you're so nice and considerate, waiting for me for so long without even a word of complaint. Honestly speaking, Young Master Ji, it's very rare to see a man like you in society, a man who's so gentle and considerate like Young Master Ji is like a woman." Wang Shishi looked at Ji Tianxiang with her watery eyes that were sparkling with light. She cupped her hands around her heart, praising Ji Tianxiang with her mouth open and closed. Because of her excitement, her body was still slightly floating.

Ji Tianxiang felt a bit embarrassed by Wang Shishi's gaze. His face turned red from praise. He wanted to modestly say a few words, but he didn't know how to open his

mouth.

"Miss Wang, aren't we going to meet your matchmaker later? Let's go now. " Thus, Ji Tianxiang could only change the topic.

"Hmm, let's go. It's not easy to get a taxi in this area. We have to go to the intersection." Wang Shishi smiled with incomparable gentleness. She consciously put her arm on Ji Tianxiang's arm, pointed at the intersection in front of them and said.

"No need to take a taxi. I have a car. I can drive there." Ji Tianxiang said. He took out the BMW key from his pocket and pressed it. He then opened the front passenger door and said, "Get on."

Wang Shishi was stunned for a moment. She looked down at the white BMW 7-series in front of her. It was countless times better than her matchmaker Zhong Jie's BMW 3-

series. They were the same BMW brand, but why was there such a difference in grade?

Wang Shishi got on the car excitedly. She had never seen such a luxury car worth over a million yuan before. Today, she wanted to enjoy the feeling of being on a luxury car, take a few photos and post it to her friends circle to show off.

Since then, she has also become one of the most powerful people in the world.

Not long later, Ji Tianxiang also got in the car. He blinked in surprise when he saw Wang Shishi taking photos with her phone.

"I'm sorry, Young Master Ji. My bad mood just came up and I took a few selfie photos. I hope you don't laugh at me." Wang Shishi noticed that something was wrong with Ji Tianxiang's expression. She immediately retracted her phone,

straightened her posture, turned her pretty eyes around and hurriedly explained.

"It's nothing. Girls love beauty. That's understandable." Ji Tianxiang smiled, "Where are we going now? I'll be in charge of driving."

"To the plaza." Wang Shishi said.

Ji Tianxiang nodded, turned on the navigation tool in the car, started the steering wheel with both hands and started to drive seriously.

Wang Shishi sat at the side and looked at Ji Tianxiang from time to time. The more she looked, the more satisfied she was. Not only was she rich, but she also had a face.

She must make good use of this opportunity to get along with Ji Tianxiang and develop something so that she could plan

for the future.

It would be too boring for the two to sit and not talk all the way while driving. This was a good time for Wang Shishi to start a chat. First, she had to leave a good impression on Young Master Ji.

"Young Master Ji, where did you buy this car? It's so tasteful!" "Did you fly back from abroad? I don't think I've ever seen such a model in China." Wang Shishi said.

"I also know that I didn't buy this car." Ji Tianxiang said indifferently.

Wang Shishi blinked and looked at Ji Tianxiang in confusion. She asked hesitantly, "Who is this car?"

"Someone gave it to me." Ji Tianxiang said without thinking.

"Young Master Ji, your friend is really nice to you. He even gave you such a generous gift." Wang Shishi was slightly surprised. Not only was Young Master Ji rich, even the friends he made were so rich. If he became Young Master Ji's girlfriend in the future, then wouldn't Young Master Ji casually bring her to meet other people?

C103

"He is indeed quite generous." Ji Tianxiang said with a deeper meaning.

Since he won the car from Qian Duoduo, Qian Duoduo didn't want to be rich, so he couldn't do it either.

"But why do you ask?" Suddenly, Ji Tianxiang glanced at Wang Shishi vigilantly.

"Hur hur, I was curious to know about it. I've never been in such a good car before, right?" Wang Shishi was shocked. A bright smile immediately appeared on her face as she said coquettishly.

"Oh, oh." Ji Tianxiang looked at Wang Shishi doubtfully again and believed her.

When they continued to chat, Wang Shishi didn't dare to ask about cars, money

and other material things. The topic gradually shifted to Ji Tianxiang's college life and her college life back then.

As the two chatted, they were quite opportunistic. When Wang Shishi saw the happy smile on Ji Tianxiang's face, she couldn't help but feel pleased with herself. She felt that she had become a step closer to being a rich young woman.

After Zhang Xinlan hung up the phone with her cousin, she threw her bag onto the table in anger and indignation. She angrily kicked her shoes and climbed onto the bed.

"What happened to Xinlan?" Ye Zichen's roommate asked in concern.

"Nothing." Zhang Xinlan said in an unfriendly tone as she lay on the bed and started to get angry.

Seriously, if her cousin said she wasn't going to see Zhong Jie, then she wouldn't go. Not only did she fail to get any benefits today, she even got up early to dress up.

Just as Zhang Xinlan was lying on her bed complaining to Wang Shishi, a thought suddenly flashed through her mind. She had thought of a way to reap the benefits.

Since her cousin had to take care of things today and couldn't see Zhong Jie, she could ask Zhong Jie out. Pretending that she was sent by her cousin, testing Zhong Jie's character or something, she could take the opportunity to get some benefits.

Immediately, Zhang Xinlan did as she was told. She hurriedly got off the bed with her phone and dialed a number in a secluded place.

"Hey, Brother Jie, what are you doing

..." Is there a meal? " Zhang Xinlan said in a slightly coquettish tone, "Then can you come to our school to pick me up now? It's so hard to get a taxi here ..." "My cousin, she just called me to say that something had happened at work and she needs to be taken care of. She couldn't leave for a while, so she told me to call you to come pick me up ..."

After putting down the phone, Zhang Xinlan revealed a smile that said she had gotten what she wanted. Hehe, I can come and sweep again today.

I believe that with Zhong Jie's relationship with her cousin, she wouldn't reject whatever she wants to buy, right?

At that time, in a private room of a hotel in Beidu City.

He was about 30 years old. He was thin and average looking, and although he looked

inconspicuous among the crowd, his hair was meticulously cut off. There was a pair of gold-rimmed glasses on his nose, and from a distance, one could tell that he was a very shrewd young man.

He stood up and said, "Everyone, I have some matters to attend to, so I will be leaving first. You all should take your time to drink. If there is a chance, let's meet up again."

"F * ck, Zhong Jie, what are you doing? Are you looking for Wang Shishi, who works in the bank?" Although Zhong Jie and Wang Shishi weren't boyfriend and girlfriend, they all knew about the relationship between Zhong Jie and Wang Shishi.

"No, no." Zhong Jie immediately shook his head and denied it.

"F * ck, Zhong Jie, I'm confused. You and Wang Shishi have known each other for

a long time. I think the two of you are interested in each other. Why aren't you together?" Seeing how these bros are all so worried for you! "

"Yeah, could it be that Zhong Jie doesn't like Wang Shishi? He just wanted to have a flirtatious chat with her. If he had enough, then he would leave the venue dutifully?

"Wang Shishi has a face, body, and face, but she still works at the bank. Her conditions are pretty good. Don't think about other things and act quickly. Otherwise, we'll be on our way."

These people were all friends of Zhong Jie, they all liked to eat and drink to their heart's content. The woman at the table was the topic of conversation, so they naturally knew about Zhong Jie's situation.

"You don't understand." Zhong Jie smiled shamelessly, looking like a veteran in

love, "For women, you can't be too hasty, you have to do it slowly. Zhong Jie smiled shamelessly, looking like a veteran in love," For women, you can't be too hasty, you have to take it slow.

My current strategy is to have sex with her, play cat and mouse, and first of all, make her parents happy. This way, Wang Shishi's parents will hurry her up and urge her, and once they are pressured, they will naturally want to further develop their relationship with me. When Wang Shishi becomes active, I will become passive, and the status they have when they get along will be very different, I am higher, she is lower, and whatever I say, she will obediently listen to me.

When everyone heard this, they nodded their heads in praise.

"Zhong Jie, you're awesome."

"Tsk tsk, Zhong Jie, you know how to play with women."

When he reached the door of the private room, he turned his head and said proudly, "Oh right, do you know who just called me? It's Wang Shishi's cousin, and I have to guess, Wang Shishi must have wanted to ask me out, but she was embarrassed so she used her cousin as an excuse. That's why I made her call.

With that, Zhong Jie walked out in high spirits.

Twenty minutes later, Zhang Xinlan waited at the door and waved her hand.

Due to Wang Shishi's relationship, Zhang Xinlan and Zhong Jie's relationship wasn't unfamiliar at all. It was normal for him to come pick her up and buy something for her.

After all, Zhong Jie also saw how much his cousin usually doted on him. If Zhong Jie didn't want to offend her or damage his cousin's image, he had to agree to his cousin's request.

"Did something really happen to your cousin's job?"

Zhong Jie got out of the car and looked around. He was a bit disappointed when he saw that there was no trace of Wang Shishi.

He had thought that it was Lili who had made the call, that Wang Shishi had arranged it, that Wang Shishi might be right next to Lili when it came to work.

"Yeah." Zhang Xinlan said.

"But, logically speaking, today is your cousin's day off, isn't she resting every Wednesday?"

Zhong Jie had been very concerned about Wang Shishi's work and life ever since he met her. Naturally, he knew when Wang Shishi would work and when she would rest.

"This... "I'm not too sure. Anyway, she just called me and that's what she said." Zhang Xinlan rolled her eyes and changed the topic, "Brother Jie, let's get in the car first. Why don't you take me somewhere to buy something first, then we can go to our cousin together."

"Mm, okay, where are you going?"

Zhong Jie was a bit depressed in his heart, but he still forced a pleasant smile towards Zhang Xinlan.

"To the plaza." Zhang Xinlan said.

Zhong Jie nodded and got in the car. Then Zhang Xinlan got in as well.

C104

Wan Long Square arrived. Ji Tianxiang parked the car and Wang Shishi and Ji Tianxiang got off the car together. They walked into the business activities center of Wan Long Square. With a big glance, they saw a couple's restaurant.

"Young Master Ji, let's go in. I heard that the restaurant's dishes are pretty good." Wang Shishi's eyes darted around as she started to come up with a plan in her mind.

To create romance, there was candlelight, and the addition of red wine. This would increase the ambiguous atmosphere between her and Young Master Ji, and pull in a wave of Young Master Ji's goodwill towards her.

"Do you and your blind date meet here?" Ji Tianxiang also saw the name of the

restaurant.

"Nope, we met in a coffee shop where the matchmaker suddenly texted that he had to work overtime and would be waiting for an hour and a half. Since we were already here, we couldn't just wait and see, thinking that Young Master Ji hadn't eaten yet, we might as well go in and have a meal together. We're almost done and the time is up." Wang Shishi quickly clarified, afraid that Ji Tianxiang would misunderstand her relationship with Zhong Jie.

Today was her day to be alone with Young Master Ji. She had always been maintaining her image and also left a good impression on Young Master Ji. She couldn't be mistaken because of this.

Without a doubt, Ji Tianxiang followed Wang Shishi inside.

Not long after they sat down, they ordered a steak, pasta, and red wine. Then, they looked at each other.

Being stared at by Wang Shishi's eyes, Ji Tianxiang felt a little uncomfortable. He stared at each other, as if there was nothing to look at. Thus, he looked at the surroundings of the restaurant. He felt something was wrong.

Suddenly there was a romantic saxophone in the hall. It was a couple's music service at the next table. Wang Shishi thought for a moment, then stood up and walked over to the saxophone player. She whispered a few words in her ear and returned to her seat.

"What were you saying to that man just now?" Ji Tianxiang asked curiously.

Wang Shishi looked at Ji Tianxiang with an ambiguous smile. "Young Master Ji, don't

be impatient. You'll know in a while."

Hearing Wang Shishi's words, Ji Tianxiang became even more curious.

After a while, the dishes were served and the saxophone player came over and stood in front of Ji Tianxiang's and Wang Shishi's table and started playing.

"Young Master Ji, one." Wang Shishi raised her glass and said with a smile.

"Yes, one at chess." Ji Tianxiang also raised his glass, clinked it with Wang Shishi's cup and drank.

Wang Shishi just sipped on the glass and said, "Young Master Ji, do you like this music?"

"Sachs? "Oh, I know. You just spoke to that person, did you go and order some

music?" Ji Tianxiang was suddenly enlightened and complimented, "Miss Wang, I didn't expect you to be so considerate."

"Young Master Ji, can you not call me Miss Wang in the future? We've known each other for so long, and yet you still call me that. Isn't it too weird? Plus, I don't like Young Master Ji calling me that." Wang Shishi took the opportunity to ask.

"Then what should I call you?" Ji Tianxiang was embarrassed for a moment. It was hard to call her "Miss" all the time, but what was she called Wang Shishi? Cousin? Cousin Shishi? Sister Shishi? Or Sister Wang?

"Call me Shishi." Wang Shishi suggested.

Young Master Ji called her Shishi, which made them seem very close and intimate.

"This isn't good ..."

Ji Tianxiang looked at Wang Shishi in surprise. Wang Shishi was Zhang Xinlan's cousin, even if Wang Shishi didn't say that she was older than him. Ji Tianxiang should have called her older sister.

"Young Master Ji, I hate you. Can you call me Shishi?"

Wang Shishi put her hand on Ji Tianxiang's hand as she spoke, and her body slowly moved closer to Ji Tianxiang. An unknown factor could be seen in her beautiful almond eyes.

At this moment, Ji Tianxiang could almost smell the unique fragrance coming out from the deep groove on Wang Shishi's white neck. He could also feel a warm and soft body slowly closing in on him.

There was also the red candlelight on Wang Shishi's face, which gave her a coquettish beauty. Ji Tianxiang was not only stunned, but also stunned.

Honestly speaking, a beautiful woman like Wang Shishi with an excellent figure like hers could easily confuse any man that got along with her.

Half an hour later, Zhang Xinlan, Zhong Jie and the others had already arrived at the Million Dragons Plaza and walked into the business activity center.

Zhang Xinlan wholeheartedly wanted to buy some dresses, bags, more or less suitable for her. She also wanted to talk to Zhong Jie later before he was willing to pay for her.

Sigh! Why is elder cousin here? Didn't she say there was an emergency?

Zhang Xinlan opened her mouth in shock. The person sitting opposite her was Ji Tianxiang. It can't be. Cousin suddenly changed her mind. Why didn't she notify me?

Fortunately, he brought Zhong Jie with him, so it could be considered useful.

"Brother Jie, I think I saw my cousin." Zhang Xinlan said.

"Really? Where is she now? " When Zhong Jie heard that Wang Shishi was also in this place, his lost mood instantly came back to life. He looked around at Wang Shishi's figure.

Zhang Xinlan pointed at Wang Shishi in the couple's restaurant. Zhong Jie walked into the restaurant excitedly without saying anything and walked away from Zhang Xinlan. Zhang Xinlan pointed at Wang Shishi in the couple's restaurant, Zhong Jie walked

away from Zhang Xinlan without saying anything and walked into the restaurant excitedly.

It took Zhong Jie a while to react. He shouted angrily, "Wang Shishi, you, why are you here!"

Immediately, Ji Tianxiang and Wang Shishi were shocked, and they hurriedly sat up.

Ji Tianxiang also became more clear-headed, f * * k, what was he doing just now? I almost kissed Wang Shishi's red lips. This is such a sin!

The atmosphere must have been too good earlier, as it had affected the hormones in his body. It seemed that apart from Qiu Yi, he wouldn't need to choose a romantic restaurant from now on, or else his head would fall off.

Meanwhile, Wang Shishi was extremely furious in her heart.

F * ck, why did that bastard Zhong Jie come here and ruin my life? I really want to give him a slap and send him back to his mother's womb so that he can go back and learn how to be a person.

Seeing that he was about to succeed and Young Master Ji was about to become his boyfriend, this damn Zhong Jie appeared.

No, who brought Zhong Jie here?

Zhong Jie didn't expect that he would meet Wang Shishi here. Of course, he didn't know that he would see this scene, nor did he know that Zhang Xinlan let him see it on purpose.

"You, you all... "There's actually ..."
Zhong Jie was shocked. He had just seen the

intimate scene between Wang Shishi and Ji Tianxiang. He couldn't believe that the Wang Shishi who was having an ambiguous relationship with him a few days ago would suddenly get into a relationship with another man.

He... He had always thought that he was determined to win against Wang Shishi.

C105

Ji Tianxiang felt quite awkward. Looking at the tense atmosphere, he didn't know what to say.

As for Wang Shishi, she stared at Zhong Jie coldly.

She didn't expect Zhong Jie to appear.

Today, she had discussed with her cousin that she would invite Zhong Jie according to the plan and then bring him to the Thousand Dragon Square to find her. However, when she coincidentally met Young Master Ji, she regretted it, so when her cousin called, her plan wasn't carried out today.

Unexpectedly, her cousin still brought her over, this woman who failed in her tasks and failed in her tasks.

"What are you doing here!"

Wang Shishi glared at Zhong Jie in anger. At this moment, she couldn't wait for Zhong Jie to f*ck off. Scram as far away as possible for Zhong Jie.

"Woof ..." Wang Shishi, you're asking me? " Zhong Jie's face turned red from embarrassment and became angry: "Didn't you say that you met with some emergency at work? Why are you here! Furthermore, she's with a diaosi! "

At this moment, Zhong Jie was anxious.

He actually liked Wang Shishi very much. Not only did he like her, but he was also very satisfied with her in every aspect, including her face, face, body, and even working in the bank. If the two of them were to succeed in the future, he would bring Wang Shishi out to meet people.

The reason why he delayed his confession was because he wanted to benefit more by letting the two of them be together.

But now, a duck that was in the mouth was about to fall into someone else's mouth. Moreover, it was a diaosi who was inferior in every aspect. How could he not be worried?

Zhong Jie's words completely annoyed Wang Shishi.

F * ck you, I was about to come into intimate contact with Young Master Ji. It's fine if you suddenly rushed over here to disturb us, but you still dare to insult Young Master Ji now.

Is Young Master Ji something you can scold?

Pow!

Wang Shishi slapped Zhong Jie hard on the face, "Who the hell do you think you are? He can scold you even if he wants to. Did he eat sh * t with his stinky mouth?" Hurry up and f * ck off! "

Zhong Jie was shocked.

Damn, what is going on?

Wang Shishi had always been this way to him. The two of them had always been ambiguous when they talked, and when she talked to him, she was either coquettish or flirtatious. Even her smile was affectionate towards him.

However, the two of them had their own thoughts, both of them waiting for the other party to take the initiative to make things clear.

After all, whoever confessed first would

lose in the emotional games, and their status in the future would be lower.

But now, he was slapped in the face by Wang Shishi just because he scolded an outsider?!

When Ji Tianxiang saw this scene, he felt even more uncomfortable. It had already gotten to the point where it was a physical conflict, and it was all because of him.

Although he also knew that Wang Shishi was using him to deal with the guy, so he didn't want to harass her anymore. However, the atmosphere became more tense, and he didn't know what to do.

He could only stand up and rub his nose, asking Zhong Jie: "Excuse me, who are you?"

"Heh, who am I? I'm this woman's

boyfriend. Who the hell are you to even dare to fight with me over a woman? Do you believe that I'll find someone to mess with you at any moment!?" Zhong Jie vented his anger onto Ji Tianxiang in one go.

He sized up Ji Tianxiang's tattered body and then looked at Ji Tianxiang's immature appearance. He thought to himself that Ji Tianxiang was just a little rascal that hadn't even grown all his hair yet.

"Zhong Jie, I told you to scram!"

When Wang Shishi heard Zhong Jie call her boyfriend in front of Young Master Ji, she was so angry that her brain was about to explode. She quickly slapped Zhong Jie a few times and yelled, "Scram! "You lunatic, what nonsense are you spouting? Who is your woman? How can a grown man not have a bear face?"

With that, Wang Shishi pulled Ji Tianxiang along, "Young Master Ji, let's go. Don't bother with this lunatic."

"Wang Shishi, stop right there. Do you hear me? I forbid you to follow the diaosi guy."

Zhong Jie yelled, unwilling to give up. He wished that he could let everyone hear him.

"Pah! Who do you think you are? You dare to speak to me like that? I'll follow whoever I want to leave with. That is my freedom. From now on, I won't see you again, or else I'll beat you up every time I see you." At this moment, Wang Shishi was really impatient. Her patience with Zhong Jie had run out. She spat towards Zhong Jie and said coldly.

Then, he pulled Ji Tianxiang along as he

walked out, and said to Ji Tianxiang: "Young Master Ji, I was really unlucky to meet a mad dog."

The two of them ignored Zhong Jie and walked out of the couple's restaurant while holding each other's arms intimately.

Zhong Jie stood on the spot, gnashing his teeth as he looked at Ji Tianxiang and said fiercely, "Fuck you, little girl. Just you wait."

Wang Shishi pulled Ji Tianxiang as they walked out of the business center of the Million Dragons Plaza. At this moment, she was anxious, angry and apprehensive, worried that Wu Tie would misunderstand her.

His expression unknowingly turned worse. His heart thumped like a war drum, racking his brains to think clearly about how to explain it to Young Master Ji.

"Are you okay?" Honestly speaking, Ji Tianxiang was indifferent to Wang Shishi's matters. However, when he saw Wang Shishi's face, he asked with good intentions.

Wang Shishi's eyes lit up as she thought of a good idea.

"Young Master Ji, I ..." Wang Shishi's almond eyes started to water up as she looked at Ji Tianxiang with an incomparably wronged expression, as if something terrible had happened to her.

Ji Tianxiang was surprised to see Wang Shishi like this. He immediately asked, "Why are you crying all of a sudden? What happened?"

"Wu wu, Young Master Ji, you also saw what happened today. That man called Zhong Jie just now was pestering me like a lunatic all day long, saying that I'm his woman

whenever we meet, he's my boyfriend, I've already rejected him many times, but he didn't listen to me and still tried his best to win my parents' love, forcing me to stay with him. But I really don't like him, I don't want to give my life to someone I don't like.

The more Wang Shishi spoke in a miserable manner, the more heartbroken she cried, and she also sold out a bunch of people who were crazy for her.

Ji Tianxiang felt that what Wang Shishi said made sense. Indeed, she couldn't be with someone she liked. Such a life was indeed sad. He couldn't help but feel sympathy for her after being infected by Wang Shishi's emotions.

He couldn't help but put his hand on Wang Shishi's head and stroke it. "Shishi, don't cry anymore. Just be with the person you like."

As he spoke, he extended his hand to wipe the tears off Wang Shishi's face.

She took the initiative to approach Ji Tianxiang and suddenly threw herself into Ji Tianxiang's arms: "Young Master Ji, you're such a good person. I want to tell you, the person I like is you."

This time, Ji Tianxiang's body was caught off guard and he was extremely shocked in his heart.

Wen Xiang's soft and jade-like body rushed into his embrace and suddenly confessed to him. This ... What should he do!

Wang Shishi saw Ji Tianxiang in a daze, and began to twist her soft body nonstop to stimulate Ji Tianxiang's senses, stimulating Ji

Tianxiang's male hormones. At the same time, she also tiptoed and put her red and tender lips close to Ji Tianxiang's mouth, sticking out her tongue to seduce him.

At this moment, Ji Tianxiang's mind was buzzing with millions of bees, making him unable to respond quickly.

Ji Tianxiang was confused and a little lost.

Wang Shishi even put his hand on her waist and buttocks without any hesitation, while her hands were responsible for lighting the fire on Ji Tianxiang's body.

She couldn't do it. Young Master Ji wouldn't be moved by such close contact and wouldn't want to take over her.

At the same time, she also saw Ji Tianxiang's confused expression. She

lowered her head with a smile on her face.

Look, isn't this about to succeed? Young Master Ji will soon be hers.

However, when the two of them were so intimate, Wang Shishi's cell phone rang at an untimely moment. Ji Tianxiang was also shocked awake and he quickly pushed Wang Shishi away with his hands.

What did he dare to do here!

He was confused by Wang Shishi just now and almost did something he shouldn't have done.

Damn, how could he be that kind of person? He already had a crush on Qiu Yi, how could he be seduced by another woman and even stand on the street and whisper to her.

[Isn't he too f*cking a man!]

"Sorry, I, I suddenly remembered that I have something to do, so I'll be leaving first!"

Ji Tianxiang found a reason to leave in a fluster. No matter how hard Wang Shishi tried to persuade him to stay, he left without looking back.

He wanted to go back home and take a cold shower. He wanted to properly calm down and apologize to himself.

In a corner of the square, Wang Shishi looked at Ji Tianxiang's back as he walked away. She felt that it was a pity that she was so close to succeeding.

However, she was still very happy. At least, it was her first date with Young Master Ji, and the relationship between the two of them had progressed so smoothly. It had

already reached an ambiguous point, and the window paper was about to be broken.

"Hello, Cousin. What are you calling for?" Wang Shishi answered the phone with a frown.

"Cousin, where are you now? I'll go meet up with you. Your acting skills were too good just now. It was almost like I believed you. I really admire what you did."

Zhang Xinlan held her phone and praised with a smile. Zhang Xinlan had been hiding outside the shop earlier, so naturally, she could see the situation clearly.

"Tsk tsk, Cousin, you don't even know how ugly your expression is right after you left. Zhong Jie stood there in a daze for a long time before reacting, frustrated to the point where he could hit his own head with his own hand, feeling as regretful as possible.

Cousin, your plan has succeeded, I guess that Zhong Jie will initiate an attack soon to pursue you, haha!" At that time, Cousin doesn't have to be wronged, you can kick Ji Tianxiang, the diaosi, away. " As she spoke, the smile on Zhang Xinlan's face didn't just spread to her face. She was genuinely happy for her cousin, but also for the benefits she was about to receive.

"Hur hur."

Wang Shishi smiled expressionlessly: "I'm going back. You go back by yourself. You don't need to meddle in Zhong Jie's matters anymore."

"Alright, Cousin. Hehe, but didn't you say that after the plan succeeds, you would reward me with some rewards?" Zhang Xinlan had finally revealed her true purpose.

"Oh, that, another time. Uhm, another

call came in. It might be from Zhong Jie. I'll return to him first." Wang Shishi's face turned cold. She found a good reason to hang up the phone.

Hehe, you want compensation, right? This cousin still has the nerve to say that. Today, she almost destroyed her plan to seduce Young Master Ji. It would be great if you don't give her two slaps.

Wang Shishi put the phone in her bag and quickly took a taxi to leave.

Ji Tianxiang had already driven back to school. The first thing he did was to rush into the bathroom. Without taking off his clothes or shoes, he turned on the cold water and started washing himself.

After about half an hour, Ji Tianxiang finally returned to his original state of mind. He walked out of the bathroom, found a

towel and wiped himself.

"Tianxiang, what happened to you?" Lee Ming, who had just returned, was stunned for a moment before he asked.

Ji Tianxiang smiled. "It's alright. It's just that it's too hot to come back from outside. It's great to take a cold shower."

Lee Ming nodded without a doubt and went back to his seat to work.

Ji Tianxiang changed his clothes, climbed onto the bed, and fell into self-repentance. After that, he fell asleep.

When he opened his eyes, it was already the second day.

Ji Tianxiang got up and made a call to Qiu Yi. He asked her to go out today to take care of the things that she didn't do yesterday.

Today, they would do it together. They would go to the shopping mall to get some things for their family.

In the end, Qiu Yi said that she had a class this morning and would work part-time in the afternoon, so she had no choice but to change it to the next time.

Ji Tianxiang hung up the phone in disappointment. However, he thought of Guan Yu. He still owed Guan Yu a meal, so he called her.

"Ms Guan, do you have time now? I'll treat you to a meal." When the call connected, Ji Tianxiang chuckled and said.

"Tianxiang, I... I can't get out right now." Guan Yu stuttered as she spoke, sounding as though she was in a difficult situation.

Ji Tianxiang thought that Guan Yu was

busy, so he said, "It doesn't matter if you don't have time today, you can make an appointment to the day after tomorrow."

"Tianxiang, I might not be able to get out during this period of time. I won't be able to eat with you."

Guan Yu saw that Ji Tianxiang insisted on treating her to a meal, and she was stuck at home with her old man, so she could only say this.

"Why can't I get out? "Ms Guan, have you been busy with big business recently? But no matter how busy you are, you can't possibly not have time for a meal." Ji Tianxiang felt strange and a bad premonition arose in his heart.

"Eh?" "This ..." Guan Yu felt a bit awkward and didn't know how to answer Ji Tianxiang.

"Ms Guan, did something happen?" Hearing Guan Yu's faltering voice, Ji Tianxiang felt that the fight was a bit off, so he asked.

Guan Yu sighed, "Fine, I'll tell you honestly. But you are not allowed to laugh at me. I've been locked in my house by my father, so I can't go out recently."

Ji Tianxiang was stunned. He didn't expect that Guan Yu couldn't come out because of Guan Tianba, but there must be a reason why she was locked at home.

"Ms Guan, what's there to joke about? But why are you locked up at home?" Ji Tianxiang was a bit curious. When he didn't hear Guan Yu's answer, he started to make wild guesses.

"Didn't they just block that dog, Qian

Duoduo, and drive away his BMW yesterday? Who would have known that the dog called his dad to report to him, so his dad called my dad to report my situation. My dad was very angry, and then got me into Guan Family."

"However, you don't have to worry. My dad will lock me up for a period of time, so I'll leave quickly. It'll be the same if I treat you to a meal then."

Guan Yu explained the situation to Ji Tianxiang. She was afraid that Ji Tianxiang would think too much into it, so she came back to comfort him again.

After listening to Guan Yu's lecture, Ji Tianxiang didn't say anything. He really didn't think that Guan Yu was locked up because of this reason, Qian Duoduo knew Guan Yu, Qian Duoduo's father also knew Guan Tianba. Since Qian Duoduo was taught

a lesson by Guan Yu, he couldn't do anything and was afraid of Guan Yu's family's influence, so he went to find an adult to deal with this matter.

It seemed that he had neglected this point.

However, Guan Yu told him that she was locked up because of Qian Duoduo. In fact, Guan Yu was locked up because of the trouble that had befallen her. After all, Guan Yu had been taken by him to deal with Qian Duoduo while Guan Yu had blocked all the responsibility herself.

He felt both touched and guilty at the same time.

Later on, Ji Tianxiang and Guan Yu didn't talk much during their conversation. He just hung up the phone in a hurry. He felt that he needed to do something to make up

for his negligence.

Ji Tianxiang opened the phone book and found his pretty housekeeper's number. He then dialed it.

The phone was answered with a single click. Soon, someone answered and a beautiful female voice came over the line.

"Hello, Young Master Ji. Is there anything I can help you with?"

"Beautiful butler, long time no see. Hearing your voice, I feel that you have become quite a bit more beautiful recently." Ji Tianxiang was attracted by the female voice and was stunned for a second, before he mocked with a mischievous smile.

"Hehe, you don't have to say that. Young Master Ji, you really know how to talk." Although she knew that Ji Tianxiang was

flattering her on purpose, how could a girl not be happy after hearing Ji Tianxiang's praise? Shen Xiaoxiao let out a happy laugh.

"However, beautiful housekeeper, you guessed correctly this time. I really need your help when I call you." He also has a daughter named Guan Yu, who was implicated because she helped me out. He closed his daughter's forbidden door, so I need you to call Guan Tianba and ask him to release the person, and also pass on my gratitude to Guan Yu for helping me with this matter. However, do not say it too directly, and also do not mention my name.

"Okay, Young Master Ji, I have remembered your words. I'll do it." Shen Xiaoxiao said respectfully.

Ji Tianxiang hung up the phone and sat in the car waiting for Shen Xiaoxiao's good news.

"Hello, it's Mr Ouyang?" Sorry to bother you, but I, Young Master Ji, need to warn Liu Tie of Beidu City ... " Shen Xiaoxiao thought for a moment and decided who was the most suitable person to handle the situation. After thinking for a while, she called Ouyang Feiming and told him what Ji Tianxiang had just told her.

After Ouyang Feiming received the order, he got the butler to call Guan Tianba without saying anything further.

At that moment, Guan Tianba was reading a business newspaper on the sofa at home when the phone rang in the living room.

Guan Tianba looked at the number that was calling. This number looked a little unfamiliar, but it was an extremely good number that not many people could afford to use in Beidu City. Also, if one could call his

home, one could tell that the owner of the number was not simple.

But who could it be?

"Hello? "May I ask who you are looking for?" Guan Tianba picked up the phone without any hesitation, but a hint of curiosity appeared in his heart.

"Hello, Mr. Guan, it's Ouyang Feiming." Ouyang Feiming did not waste time talking and directly pointed out his identity.

When Guan Tianba heard this name, he was stunned on the spot. A call from Ouyang Feiming, one of the people from Beidu City with the deepest background. This was too unbelievable.

"Mr Ouyang, hello, hello. It's an honor to receive a call from you personally. You're my idol. I really admire you." As he spoke, he

suddenly felt that something was wrong. Since Ouyang Feiming suddenly called him, it must be because he had something to say, right? He asked with a perturbed tone, "Mr Ouyang, I'm sorry for making you ridicule me just now, what can I do for you to call me for?"

Ouyang Feiming smiled and asked calmly, "I heard you've locked your daughter Guan Yu at home. What's the matter?"

In fact, Ouyang Feiming knew about it, but he deliberately asked so that Guan Tianba would follow his instructions.

"My little girl caused me trouble, and taught me a lesson on Qian Family. Father already called to report to me, so no matter what, I have to give her an explanation, which is why I locked her up as punishment." Guan Tianba didn't understand why Ouyang Feiming cared so much about this, but he still

explained respectfully.

"Heh, if I were to say that Qian Family brat is just asking for a lesson." Ouyang Feiming sneered.

Hearing that, Guan Tianba felt a bit uneasy. How should he reply?!

You don't need to lock her up at home. There are some things that you can just turn a blind eye to. I really like the way your daughter does things, and I also thank her for helping me take care of someone.

After that, he heard Ouyang Feiming say something with deeper meaning. Although he didn't understand it clearly, he understood some of it. It was that Qian Duoduo deserved to be taught a lesson by Guan Yu, and Guan Yu was right to tell him not to imprison his daughter.

He really didn't understand the last sentence. Since when did Guan Yu get to know Ouyang Feiming? He even helped Ouyang Feiming a lot?

Who did his daughter take care of for Ouyang Feiming?
