Eight consecutive dollars!

Qiu Yi's voice had attracted a lot of attention from her roommate, Mi Le. She put down her cell phone and ran over to Qiu Yi's place.

At this moment, Qiu Yi was still broadcasting live.

"Wah!" Who was this! "So much money, and I actually gave you so many presents." Mi Le said in surprise. This attracted the attention of his other roommates.

Ji Tianxiang took a look and saw that this woman was indeed the Mi Le that Lin Fei had mentioned. Why is she here?

"I think it's someone called Young Master Qiushui." His roommate interrupted.

"You got someone to give you a gift of eight thousand yuan. Qiu Yi, you're pretty good." Mi Le said sourly.

Qiu Yi forced a smile but didn't reply.

Noticing that Qiu Yi was silent, Mi Le felt bored and returned to her seat to continue the live broadcast.

In the live broadcast, he found that no one was there to help him with his overrun, speedboat or airplane, and he was somewhat unwilling.

"Qiu Yi, didn't you say that you would only sing? "Why is it ..." Mi Le said hesitantly.

Mi Le's voice was loud on purpose. Everyone could hear her, be it her roommates or Mi Le's live broadcast.

"What?" Qiu Yilu? "

"What?" A bit of dew on a pure school beauty?
"

"Everyone, come and take a look at the pure school beauties' large-scale dew point!"

"..." All of a sudden, the broadcast room and the corridor leading to the dorm exploded.

Qiu Yi replied anxiously, "I didn't." I really don't. I'm really just singing. "

"Qiu Yi, give me one."

"Qiu Yi, we want to see you show some face."

"School beauty, we want to see you take off your clothes."

A group of people came to Qiu Yi's live broadcast and started to jeer, angering the pure school beauty to the point of crying.

In the end, they forced Qiu Yi to go on a live broadcast.

At this moment, Ji Tianxiang felt that the woman called Mi Le had overdone it.

"Hello, Young Master Qiushui." I am Mi Le, do you want to watch the live broadcast from her live broadcast room? " After Mi Le memorized the name, she immediately looked for him.

Ji Tianxiang replied, "No, I just like listening to songs."

Ji Tianxiang prepared to ignore Mi Le, but Mi Le gave him the door again. Thinking about the pure school belle who was so angry that she was crying, Ji Tianxiang didn't know why he felt a little pain in his heart.

Ji Tianxiang looked at the chat log and rolled his eyes.

"Don't! Gongzi gege, this place is even more interesting than that song. I guarantee that you will want to see it after you see it. " Mi Le did her best to recommend herself.

"Oh!" "But I still like listening to songs. How about you sing me a song?" Ji Tianxiang said coldly.

"Pui!" What's so good about that bitch Qiu Yi singing? It's as good as my body. "Young master Qiushui, do you want to ..."

"Didn't you just say that Qiu Yi Lu is a bit stronger? You won't sing for me, I'm going to see her. " Ji Tianxiang pretended to be confused and asked.

"Sigh!" Don't go. She didn't show it at all, I'm just spouting nonsense. Come and see me if you want to. Moreover, with her white Bone Spirit body, why would she reveal it? Mi Le scolded.

"Oh!" So you were lying when you said Qiu Yilu was a little fake. " Ji Tianxiang looked at the screen and sneered.

"That's right!" Mi Le suddenly felt that something was wrong. When she went to chat with Ji Tianxiang, there was no one there.

"Qiu Yi is just singing. Please don't listen to Mi Le's nonsense, I can confirm." Ji Tianxiang left a message on the live broadcast of Qiu Yi. He even opened the Super Gold VIP message.

Someone could not accept this, "Who are

you!>? Why should we believe what you say? "

"If you don't believe me, you can ask Mi Le." Ji Tianxiang typed quickly.

"Tsk, who do you think you are? If you want us to go, we will go, wouldn't that be very embarrassing?" A busybody said.

"To Mi Le's live broadcast room for five hundred yuan each." Ji Tianxiang snorted.

You want face. I think you want face or money.

"What the f * ck!" "tycoon, pay 500 yuan for Mi Le's live broadcast."

"What the f * ck!" Go watch Mi Le directly broadcast room tycoon give 500 yuan, I'll go, I'll go. "

"What the f * ck!" The tycoon wants to throw money around, I'll go, I'll go too. "

"..." Suddenly, the men's room exploded, and the corridor was in an uproar.

"What the f * ck!" Someone paid for a live broadcast of Mi Le, five hundred yuan for one person. Who was this person? "So awesome!" Ji Tianxiang's roommate Lin Fei clapped and shouted out.

Before long, Mi Le's live broadcast was full of people. Mi Le thought that she was going to get lucky, so she called out happily, "Welcome brothers to Mi Le's live broadcast. Those who like Mi Le, please give them some tips."

"Wow!" Big brother Qiushui is here too. Did you come to pick up a present for me? " What surprised Mi Le the most was that even Young Master Qiushui was here. If he could get her some speedboats and airplanes for herself, wouldn't she have made a killing today?

"It's fine to brush it for you, but you have to admit that you slandered Qiu Yi and prove that Qiu Yi was only singing and didn't expose anything." Ji Tianxiang said.

"Hey!" "What's going on?" When everyone came to the live broadcast room, they found something fishy.

Mi Le's expression changed drastically.

"Brother Qiushui, what are you talking about?" Mi Le, why don't you understand? "

"Ten speedboats, I won't say." Ji Tianxiang continued.

"Big Brother Qiushui, why did you do this to Mi Le?" I'm so scared. " Mi Le pretended to be weak and delicate, her face full of grievance.

Everyone's sympathy was piqued and they began fighting one team after another.

"Hey!" Don't push it too far. Isn't it just a little bit of money? What's the point in bullying women? "

"That's right, Mi Le is telling the truth, why do you have to force a girl like that?"

"Mi Le, don't be afraid. We'll protect you."

"Twenty boats." Ji Tianxiang raised the price, he wanted to see if this Mi Le was right or not.

"Brother Qiushui, I'm talking about ..." Mi Le was secretly happy to see everyone speaking up for her, but she didn't want to offend Young Master Qiushui either.

"Fifty boats." Ji Tianxiang did not believe it and continued to raise the price.

Mi Le was stunned. Fifty speedboats? What kind of concept was that? That was 50,000 yuan, living expenses for less than half a year!

"You're not talking about it, right? If you're not, then I'm leaving." Seeing Mi Le's interest, Ji Tianxiang smirked.

"Don't go. Big Brother Qiushui, I said, I said,

it's not going to be good. However, you should first pay a deposit. " Mi Le said cunningly.

swish swish swish ... * Fifteen speedboats went by.

Mi Le shouted excitedly, "Brother Qiushui, you're so good! I love you so much!"

"What the f * ck!" Is this Mi Le a whore? Just a moment ago, I was afraid of him, but now, I love him to death. " Lin Fei scolded.

"Hehe!" I, Mi Le, love money more than you bunch of sand sculptures. If you were used as a gun by someone, you don't even know it. " Someone noticed something and said directly.

Seeing Mi Le's beaming face, everyone suddenly came to a realization.

"Speak." Who cares that you say you love me to death? What I want is for you to prove Qiu Yi's innocence.

"All right, I said. Brother Qiushui, don't worry. That, everyone felt embarrassed just now. Qiu Yi didn't show it. She was really just singing. I was just joking. Please don't take it seriously. " Mi Le said.

"Then isn't this joke of yours a bit too big?" Some began to doubt the authenticity of Mi

Le's words.

"She's not joking. She clearly did it on purpose. "Just now, there was a tycoon who beat Qiu Yi to death. Mi Le was jealous of the person who slandered Qiu Yi." Someone else told the whole truth.

Mi Le's face turned green.

"So that's how it is. It seems like not only is Mi Le open-minded towards money, but she is also the most vicious towards women."

"Riche, I'm sorry, we were wrong about you just now."

"Riche, who are you? Leave your real name behind and let me acknowledge you as my big brother."

"..." Ji Tianxiang saw that Qiu Yi's innocence had been proven. Without another word, he logged off, closed his eyes, and slowly fell asleep.

Qian Duoduo's group escaped the bill and caused a ruckus at Tianxin Garden. They smashed an antique vase and a famous painting of the Qing Dynasty and were sent to the police station. After recording the statement, the police decided that Qian Duoduo, Zhang Hao, Xue Ruhai and Wang Fugui would take all the responsibility.

The cost of the meal was one hundred and fifty thousand yuan, plus the one and a half million yuan from the antique vases and famous paintings, the total was one million six hundred and fifty thousand yuan.

Wu Mengmeng, Zhang Xinlan, Li Meng Rui and the rest of their classmates had nothing else to do and were let go.

"Tell me, should I pay or should I go to jail for a while?" The policeman said.

"Wait, let me make a call." Qian Duoduo took out his phone in a hurry and started to make calls one by one.

Half an hour later, Qian Duoduo only managed to borrow a few thousand yuan. People who were good with daily life would either cry in poverty or hang up the phone

when they heard the loan.

"F * ck!" Qian Duoduo was so angry that he nearly smashed his phone.

"You have money?" Qian Duoduo asked Zhang Hao with reddened eyes.

"Mr Qian, I only have a few hundred yuan on me. I've spent almost all of my money for this month. My dad still hasn't called me for next month's money." Zhang Hao said awkwardly.

"Xue Ruhai, what about you?" Qian Duoduo asked.

"Mr Qian, I'm similar to Zhang Hao. I only have a few hundred yuan on me. It's not enough at all." Xue Ruhai lied.

"Wang Fugui, what about you?" "Not like them. They only have a few hundred yuan on them." Qian Duoduo asked, his eyes already red.

Wang Fugui nodded with difficulty. Looking at Qian Duoduo's angry look, he backed off a few steps in fear.

"Cao Nimabi, you three eat a lot and drink a lot tonight. The antique vase and the famous French painting were smashed, and you were part of it." Qian Duoduo cursed, "Without

money, everyone can forget about escaping. If you want to eat prison food, everyone eat."

Zhang Hao, Xue Ruhai, and Zhang Fugui's heart sank. They were a bit unhappy, didn't they do all this for you, Qian Duoduo?

As matters stand, not only did you not shoulder the responsibility for us, you even thought of turning the tables on us.

The three of them looked at each other, but they did not dare to be hostile towards Qian Duoduo.

The money had only come together at 56,000 yuan, which was still a long way off from 1,650,000 yuan. Helpless, Qian Duoduo could only lower his head and ask the manager of Tianxin Garden.

"Manager, we are still students, we really can't afford that much money. Since we are the first offenders, can you give us a discount so that we can reduce our money by half?"

"Ha!" Students can eat without paying? Students can smash things without compensation? "Which country's laws allow you to do this?" The manager sneered: "You want to discount it? You don't even have the door." If you make a mistake, even if you make it once, you have to bear the consequences. "

You dare to bully their young master? You're courting death.

Qian Duoduo became anxious and wanted to beat up the manager with a hateful look, but Zhang Hao and the others stopped him in time.

"Mr Qian, be more rational. If you continue to hit someone, it won't be a matter of losing money." Zhang Hao said.

"Mr Qian, if there's really no other way, I can only speak to your dad." Xue Ruhai looked at Qian Duoduo helplessly.

Qian Duoduo glared at Xue Ruhai and said, "Bullsh * t." "If my dad finds out that I need to compensate him for over a million dollars, he will definitely kill me. In the future, I won't be able to drive anymore, and more than half of my monthly allowance will still be deducted."

"Then we can't just borrow usury, can we?" Xue Ruhai sighed.

"That's a good idea. A few days ago, I saw a few platforms where loans were made. The ones where loans were successfully made and the accounts were transferred. It was done very quickly." As he said that, Zhang Fugui

took out his phone, but Qian Duoduo kicked him onto the ground.

"Hey!" Hey! What are you doing? In the police station, you still want to cause trouble? Two policemen shouted.

"I'm sorry! I'm sorry! We're having fun! " Zhang Hao explained with a guilty conscience.

"You're still in the mood to play. Hurry up and think of a way to compensate me. Otherwise, you'll have to spend the night in the police station." the policeman mocked.

"Are you a fucking idiot? How are we going to repay you with the loan sharks? interest, in the end, you cannot afford to be forced to die by others? " Qian Duoduo stepped forward and grabbed Zhang Fugui's collar as he sneered.

Wang Fugui instantly collapsed: "Then what do we do? I don't want to die, and I don't want to go to jail. If I go to jail, I'll be recorded in my records. In the future, I won't be able to go to school, and I won't be able to find work. If my parents find out, they'll definitely be very disappointed in me. "

"Mr Qian, you are the wealthiest among us. You can't afford over a million? If you can't afford it, we can't afford it. "

Wang Fugui was the one with the most ordinary family background among the four of them. His parents worked for him, and he had a well-off living standard for the past few years.

Wang Fugui's monthly living expenses were actually only slightly more than a thousand yuan.

Zhang Hao and Xue Ruhai looked at each other and didn't say anything.

They all knew about Wang Fugui's situation, but they pretended not to know.

However, they didn't want to die or eat prison food like Wang Fugui said.

"Mr Qian, Wealth is right. Of all of us, you are the richest. I can definitely afford to pay the compensation of over a million. " Zhang Hao said carefully.

"Mr Qian, if worst comes to worst, I will be scolded by my uncle. Once this matter is resolved, I will be done with it." We'll go find those with the surname Ji and get revenge. " Xue Ruhai said fiercely.

Qian Duoduo looked at Zhang Hao and the others with a cold heart. What a bunch of dogs

that were waiting for him to clean up his butt.

"I can ask my dad to come over, but after the matter is resolved, you have to think of a way to cheat two million from Ji Tianxiang." Qian Duoduo said.

"What?" How is that possible? " Zhang Hao was surprised.

"Impossible, then after you leave, think of a way to return your share of the money to me. Otherwise, don't blame me for being impolite." Qian Duoduo threatened.

Zhang Hao and the other two looked at each other and helplessly agreed.

Qian Duoduo immediately took out his phone and called his dad: "Dad, something happened to me, I'm in the police station now."

"What?" "You unfilial son, you are f * cking causing trouble with your father again. Are you tired of living?"

"Dad, this matter is hard to put into words. "Anyways, hurry up and come over here. Bring one million six hundred and fifty thousand." Qian Duoduo rolled his eyes and said helplessly.

"What?" 1,650,000! You're a prodigal son! If

you cause trouble for yourself, you can take care of it yourself, I don't care about you at all."
"

Qian Daqiang hung up the phone.

"Mr Qian, is Uncle Qian unwilling to come?"
Zhang Fugui asked anxiously.

"Don't worry!" My dad will definitely come back. " Qian Duoduo said confidently, but in reality, he wasn't worried at all.

After a while, a fat middle-aged man walked into the police station. When he saw Qian Duoduo, who was sitting casually on a chair, he immediately slapped him a few times.

"Bastard! You're a prodigal son! If I really want to beat you to death, forget it!"

"Dad, don't hit him anymore, compensate him first. This is the manager of Tianxin Garden. " Qian Duoduo said while covering his face.

Seeing the newcomer, Qian Daqiang was dumbfounded. He stuttered, "Zhu ..." "Mr. Zhu."

Zhu Ming gave a cold laugh and turned his head to the side.

"This brat, it's not good to offend anyone. If you offend Mr. Zhu, I'll beat you to death." Qian Daqiang slapped Qian Duoduo again.

"Mr. Zhu, this is two million yuan. Please count." Qian Daqiang signaled his assistant and took out a suitcase.

Zhu Ming Li opened the box and said, "1,650,000 gold coins." He took out the excess money in the box.

"You're talking about Mr. Zhu. It's impolite for a child to be so young. Look ..." Qian Daqiang rubbed his hands together and looked at Zhu Ming Li nervously.

"Written off." Zhu Ming Li said coldly as he took the money and left.

Qian Daqiang respectfully watched as Zhu Mingli left. He turned around and looked deeply at Zhang Hao and the others, "From now on, you don't have to play around with a bunch of people who don't care much."

The eyes of Zhang Hao and the rest dimmed as they felt angry.

Seeing Qian Daqiang viciously grab Qian Duoduo by the neck and leave, Zhang Hao and the other two didn't dare to say a word.

C13

"Bam." A loud sound woke Ji Tianxiang up from his dream.

Xue Ruhai and Wang Fugui came back from the police station in a sorry state. When they saw Ji Tianxiang, who was lying on the bed, sleeping soundly, they couldn't help but burst out anger in their hearts.

Wang Fugui kicked the table and the bench.

"You with the surname Ji, you still f * cking have the face to sleep?" Wang Fugui said.

Ji Tianxiang rubbed his eyes and sat up: "Why am I too ashamed to sleep?"

"You rotten bastard, you've caused us so much trouble. Qian Duoduo didn't have the money to pay the bill and cause trouble, so he sent us to the police station. He almost couldn't get out of jail." Wang Fugui snorted.

"Oh!" What does that have to do with me? " Ji Tianxiang sneered, "What? You guys, Mr Qian, can't afford it. You're blaming me for this?"

"If it wasn't for you, would we have lost that much money? As for us, we're still

roommates, so we usually treat you well. " Wang Fugui said.

"Rich, good. Stop talking, sit down and calm down. " Xue Ruhai advised.

"Ha ha!" Ji Tianxiang sneered. He was good to him, good to the point where he would often harm him behind his back.

Seeing that Ji Tianxiang was not guilty at all, Xue Ruhai taunted him: "We misjudged him, we treated him as our brother, he treated us like nothing at all. Indeed, people change. "

"I think Tianxiang was right. He invited everyone to dinner out of goodwill, and you wanted to kill Tianxiang." Lee Ming could not help but speak up for Ji Tianxiang.

He had witnessed the entire development of the situation and how Xue Ruhai and Wang Fugui treated Ji Tianxiang.

"F * ck off, do you even have the right to speak, Lee Ming?" Xue Ruhai scolded.

Lee Ming's face turned ugly as he pursed his lips, "Anyway, it's your fault." Tianxiang is treating us to a meal, your intentions are not pure. "

"Lee Ming, you are f * cking looking for a

beating." Wang Fugui said angrily and kicked Lee Ming.

"You Mr Qian must have asked for money from all of you." Ji Tianxiang pointed out, "You guys don't have any money, so you set your sights on me."

Xue Ruhai and Wang Fugui's face were stiff as they stared at Ji Tianxiang, waiting for him to say something.

Ji Tianxiang sneered and sneered, "What a pity, you made a mistake. I don't have any money on me right now, so let's save it. Even if you have the money, I won't give you one point. "

"What?" You don't have a penny? How can that be? " Wang Fugui said in panic.

Seeing that Wang Fugui still wanted to speak, Xue Ruhai quickly used his hand to cover his mouth: "Shut up, stop talking. "That kid lied to us. Don't be fooled."

Wang Fugui shut his mouth obediently and looked at Xue Ruhai. They started a new round of calculations.

"Tianxiang, we have no other intentions." Xue Ruhai rolled his eyes and was about to explain when he was interrupted by a

ringtone.

"Beep, beep." At this moment, Ji Tianxiang's phone rang.

The caller was Wu Mengmeng. A look of disgust appeared in Ji Tianxiang's eyes as he hung up without any hesitation.

"Tianxiang, we ..." Xue Ruhai still wanted to explain, but was interrupted by his phone's ringtone.

"Beep, beep."

"Beep, beep."

"..." Wu Mengmeng made six calls consecutively, which caused Ji Tianxiang to have no choice but to pick up the phone.

"Who are you? "I'm always on the phone, don't you mind ..." Ji Tianxiang wanted to pretend that he didn't know who she was, but he didn't expect to hear a scream for help.

"Tianxiang, save me!" I got stuck with a bunch of hoodlums in the west gate of the school district. " Wu Mengmeng panicked.

Ji Tianxiang frowned and said, "What happened? "Hey, hey."

Hearing the sound of his phone being hung up, Ji Tianxiang quickly put on his clothes and got down from the bed.

Even though he had already broken up with Wu Mengmeng, it didn't mean that he wouldn't think of her and would be ruthless enough to leave her be.

After all, no matter what, saving a person's life was better than creating a seven-level pagoda.

He, Ji Tianxiang, treated the Old Ancestor like a good thing.

"Tianxiang, what happened?" Lee Ming asked in concern.

"Wu Mengmeng has been stopped by someone. I'm going to save her now." Ji Tianxiang said in a deep voice.

Lee Ming's expression also changed. "I'll go with you."

"Tianxiang, do you want us to go as well?" Xue Ruhai said.

Wang Fugui hurriedly pulled Xue Ruhai over. "Where are you going to go with a beating?" Ji Tianxiang doesn't even see you as a bro, why are you being so nice to him? "

"Thanks, but you guys don't need to go. I will go with Lee Ming." Ji Tianxiang looked at Wang Fugui coldly and walked out with big steps.

"Do you see that? Ru Hai's family doesn't care, so you shouldn't blindly join in on the fun." You might have gone, but you want to be a scapegoat. " Wang Fugui said.

Xue Ruhai thought about it and decided not to follow.

At the west gate of the Beidu Courtyard, Wu Mengmeng was wearing a V-neck dress with heavy makeup on her face. She held her phone tightly, as if she was waiting for someone.

In fact, she was waiting for Ji Tianxiang, who was tricked by her call.

In fact, she didn't know if Ji Tianxiang would be fooled and come to save her.

Wu Mengmeng and her roommate came out of the police station. They wanted to rush back to the school, but found that the school gates were closed. They didn't open until six the next day.

Therefore, Wu Mengmeng and her roommates discussed going to a hotel to get a room. Dur

ing the night, Zhang Xinlan and Li MengRui talked about how Ji Tianxiang was humorous and witty, and how generous he was.

Wu Mengmeng closed her eyes and pretended to be asleep. In reality, she was thinking about the same question, and the more she thought about it, the more unwilling she became.

If he knew Ji Tianxiang would win, he would have broken up with him a little later. According to Ji Tianxiang's attitude, he would have spent 90% of all the money he had on him.

Before dawn, Wu Mengmeng sneaked out of the hotel and called Ji Tianxiang from the west gate of the campus.

Ten minutes passed and no one came. Wu Mengmeng was getting impatient from waiting.

Ji Tianxiang, why hasn't he come yet? Could he be jealous of me and not care about my life or death?

"Tianxiang, you came. I knew you would come. You must still have me in your heart, right?" Wu Mengmeng looked up and saw Ji Tianxiang's figure running over, and she hurriedly shouted.

"Wu Mengmeng, are you alright? Where are

the hoodlums? Where have they all gone? " Lee Ming asked curiously.

Wu Mengmeng's happy expression froze and she glared fiercely at Lee Ming: "You talk too much." "Asshole, that's none of your business. You have to meddle in other people's business. Get lost. I want to say a few words to my boyfriend."

"Wu Mengmeng, is this how you call for help?" Ji Tianxiang mocked.

Ji Tianxiang rushed to the place while panting heavily. He found that Wu Mengmeng was standing alone at the west gate of the school district. The so-called "being blocked" by a hoodlum was just a pretext to trick him into coming over.

Lee Ming looked a little embarrassed as he glanced at Ji Tianxiang.

"Lee Ming, sorry for troubling you. Go back first." "Later, I'll treat you to a meal." Ji Tianxiang apologized.

"Nothing, I should. "About that, I'll be leaving first. If you have anything to say, then let's talk." Lee Ming said in concern.

After Lee Ming left, Ji Tianxiang stared coldly at Wu Mengmeng and said, "You tricked me

over here. If you want to say something, say it quickly. I'm still waiting to go back and sleep."

Ever since they had broken up, Wu Mengmeng's past actions were still fresh in her mind. She hated his attitude and wished she could hide as far away as possible.

"Tianxiang, how can you be so cold to others!?" I'm your Lil 'Tiantian, come and coax me, otherwise I'll ignore you in anger. " Wu Mengmeng pouted in dissatisfaction and said coquettishly.

"Oh, I have nothing else to say, so I'll be leaving first."

Ji Tianxiang didn't want to play any tricks with her, so he immediately left.

Wu Mengmeng's expression changed immediately. She stomped her feet and said, "Ji Tianxiang, you've eaten the heart of a bear. How dare you treat me like this?"

He thought that if she approached Ji Tianxiang and said something coquettish, Ji Tianxiang would immediately listen to him obediently, just like how he did in the past.

After all, Ji Tianxiang had put in a lot of effort in order to chase after her. Wu Mengmeng was

confident that she could control Ji Tianxiang's feelings for her again.

Seeing that there were more and more people around her, Wu Mengmeng rolled her eyes and shouted: "Ji Tianxiang! Stop right there, don't even think about leaving me like this. I've been with you for so long, I don't mind if you are poor or have no money, and I even gave birth to a few babies for you. You said that you would marry me as soon as you graduated, you can't just let me down like this. "

Due to her high-pitched voice, the students were so shocked that they stood rooted to the spot, curiously looking at Wu Mengmeng. What was going on?

Lili was like the tragic heroine in Qiong Yao. She yelled at Ji Tianxiang and said every word, her expression becoming more and more painful as tears welled up in her eyes.

C14

This time, the surrounding students all pointed their spearhead at Ji Tianxiang.

"Damn, what a scum!"

"How can there be a man like you in this world, isn't that too despicable!"

"Big jerk, you're not allowed to leave. Men, let's stop him together. "

All of a sudden, a bunch of girls rushed up and surrounded Ji Tianxiang. They ripped off his clothes and joked around, all of them scolding Ji Tianxiang for being a scum and a schemer.

The group of male students surrounded Wu Mengmeng to comfort her.

"Beauty, don't cry. What do you need him for? There are so many men in the world, and there is no lack of him. He's a good man, too."

"Yeah, I'm not bad, for example."

"Beautiful girl, you're so good-looking, why are you afraid of not being able to find a boyfriend? If I was lucky enough to be your boyfriend, I'm afraid you wouldn't be able to make it in time."

Ji Tianxiang never thought that Wu Mengmeng would actually do such a thing to him.

At this moment, he was completely confused by the crowd of women talking at once. He didn't know whether to say it or not, he was really sulking.

He, Ji Tianxiang, had never been to Wu Mengmeng at all. He could only hold her hand when meeting her on a daily basis, and sometimes, even holding her hand depended on Wu Mengmeng's expression. Until now, he had never kissed her, never even had a home run, let alone a baby.

Ji Tianxiang was speechless at this moment. His head was hurting because of what Wu Mengmeng said. F * ck, since when did I have an affair with her and even had her miscarry a few times!

Ji Tianxiang had no way to explain himself and couldn't leave either. He could only helplessly get trapped and scolded.

Wu Mengmeng snickered happily and walked to Ji Tianxiang at a leisurely pace.

"Alright, you can let him go now. Leave the rest to me." Wu Mengmeng said to the girls.

"No, if we let him go, we might just run away."

"Yes, we can't. Beautiful, if you have something to say, say it. If you want to teach this trash of a man a lesson, then we can still help you. "

The other girls were worried, so they surrounded Ji Tianxiang and refused to let him go.

Wu Mengmeng panicked a little. It was really a group of nosy, nosy women.

"No need, he won't run. You can leave now. Thank you for your good intentions. " Wu Mengmeng said, "I have some things I want to say to him in private."

"Alright then, you guys can speak properly." Seeing Wu Mengmeng's troubled expression, a few girls finally understood why they were all women.

"However, scum, we'll let you go. You're not allowed to run, or else we'll catch you."

"Not only will I catch you, I will even make your shameful matter known to the public. This will make everyone in the school know that you are a heartless person."

These girls were completely deceived by Wu Mengmeng and threatened Ji Tianxiang viciously.

"Let's go."

Wu Mengmeng took the opportunity to hold Ji Tianxiang's arm and secretly exerted her strength.

Ji Tianxiang had no choice but to follow Wu Mengmeng.

"Wu Mengmeng, what exactly do you want? After we broke up, you still play so many tricks. Interesting? "

Seeing that a few people were looking over, Wu Mengmeng quickly pulled Ji Tianxiang and walked away. "Don't be in such a hurry, let's find a quiet place first."

Ji Tianxiang suppressed his impatience and followed Wu Mengmeng.

After walking for a while, there weren't many people on the road. Wu Mengmeng finally let go of Ji Tianxiang.

"Tianxiang, how much did you win?" You've treated everyone to a meal. Do you still have money? "

Wu Mengmeng's tone was rather gentle, but Ji Tianxiang was able to see through everything with a single glance.

"You don't care how much money I got, and you don't care if I have any money? Does all this have anything to do with you, Wu Mengmeng?" Ji Tianxiang sneered, "Don't forget, we've already broken up."

Ji Tianxiang was happy. He didn't guess wrong, Wu Mengmeng came to him because of the money in his hands.

He wasn't surprised that Wu Mengmeng came back to look for him, because he had already figured out Wu Mengmeng's nature. She was a woman whose heart had long since been devoured by dogs for money and benefits. She could do anything.

The only thing she didn't expect was that she would come looking for him so quickly.

"This ..." Wu Mengmeng looked into Ji Tianxiang's eyes and started to evade. She was speechless and her face turned red.

Ji Tianxiang felt quite good when he saw Wu Mengmeng's expression.

He might as well make her regret it a little

more, so he said, "Wu Mengmeng, you know me very well, and you know my attitude towards you. Wu Mengmeng, you should know me very well and know my attitude towards you. I used to be, how much money I gave you to spend. If you want a beautiful dress, I'll buy it for you even if you don't eat. If you want to look good on shoes, I'll just pick up the pieces day and night. If you want a new Apple phone, then I'll go do a few part-time jobs. "

"Tianxiang, I know you treat me well, so I'm regretting it now. I want to start over with you." Wu Mengmeng's heart trembled for a moment and she quickly said, "Tianxiang, let's make up. You still want to be nice to me like that. "

"However, we've broken up, and you and I have nothing to do with each other anymore." Hearing Wu Mengmeng say she was sorry, Ji Tianxiang made another stab.

Sure enough, Wu Mengmeng's face turned even uglier. It was hard to tell if she was ashamed or angry.

Ji Tianxiang was very satisfied and was about to leave.

"Wait, wait."

Wu Mengmeng panicked. She couldn't let Ji

Tianxiang leave no matter what she said.

However, Ji Tianxiang did not listen to her at all. He saw that people were walking faster and faster and further away. He ran up in a hurry and hugged Ji Tianxiang tightly from behind.

"Ji Tianxiang, can you not go?" Wu Mengmeng leaned her head against Ji Tianxiang's back and hugged him tightly with both hands. Feeling Ji Tianxiang struggling, holding him tightly, she forced out a few tears and made a sobbing sound, saying grievingly, "Tianxiang, can't I be wrong? I actually like you a lot. I didn't mean to leave you. I did it for a reason. It's just that I don't want you to know. "

Ji Tianxiang felt that it was funny and laughed out loud.

Ouch! It went on again.

This Wu Mengmeng really thought of herself as the tragic heroine of Qiong Yao. She was addicted to acting.

It's not your intention to break up, is it possible that I, Ji Tianxiang, did it?

Was there a reason to break up? Other than disliking me, disliking me, and despising me for being poor, what other reason could there

be? I want to see what kind of lies you, Wu Mengmeng, can come up with.

"Really, I'm not lying to you."

Obviously, Wu Mengmeng had also noticed Ji Tianxiang's mood and thought that she was joking. She continued to forcefully explain, "You're good to me, how could I not know and remember. As a matter of fact, I have seen it all and kept it to myself. I only broke up with you because my parents knew that I was in a relationship. They didn't want me to fall in love, so they felt that the boys in the university were unreliable and wanted to force me to break up. "

"If I don't break up, my parents will run over to the school to find the teachers and report you." Wu Mengmeng looked carefully at Ji Tianxiang after she finished her sentence.

"Really?"

Ji Tianxiang was speechless. The reason to break up was too fucking weird.

Early love?

Unreliable?

Forced to break up by his parents?

"It's true!"

Wu Mengmeng nodded her head vigorously, "Actually, ever since I broke up with you, it's been hard on me day and night. I can't eat or sleep at all, I'm not happy at all. I thought I would be strong, but when I saw you again, I realized that I couldn't let you go, and I couldn't leave you. "Tianxiang!"

"Don't you want to make up with me because I won the prize and you still have money in your hands?"

Ji Tianxiang thought, after the reconciliation, if you spend all your money, you, Wu Mengmeng, will be breaking up again.

"How is this possible!?" I, Wu Mengmeng, am that kind of person? " Wu Mengmeng cried out in injustice and recounted her grievances, "Ji Tianxiang, you can insult my looks and body, but you absolutely cannot insult my character, nor can you insult my unshakable feelings towards you. "I truly like you, and I truly want to reconcile with you."

"Ha!" Ji Tianxiang couldn't help but chuckle. The more Wu Mengmeng talked, the more f*cking weird it sounded.

A actress was indeed a playwright! He would say it even though he knew how to do it!

C15

Ji Tianxiang turned around and looked at Wu Mengmeng.

"Really?" Ji Tianxiang asked in confusion.

Wu Mengmeng's face was suddenly filled with grief and indignation as tears flowed from her eyes. "Of course it's true." "At this point, if you don't believe me, then I'll jump off a building and die for you to see."

Ji Tianxiang was shocked after hearing this.

It can't be, could it be that Wu Mengmeng wanted to kill herself because of him?

"Enough, don't play along with me. I can trust you, can't I?" Ji Tianxiang said, "However, if you want me to believe you completely, you have to promise me one thing."

Wu Mengmeng immediately beamed with joy and replied impatiently, "I agree, I agree." Not to mention one thing, even if there were ten things, I would still be willing. As long as we can reconcile. "

Ji Tianxiang's heart skipped a beat. Wu Mengmeng's mouth really knew how to talk. She talked so sweetly that it made Ji Tianxiang

feel like they were a couple who were flirting and flattering each other, especially when she was so anxious to make up with him.

Ai, how great would it be if all of this was true?

Otherwise, what a pity for Wu Mengmeng's passionate performance.

"Mengmeng, do you really want to get back together with me?" Ji Tianxiang asked.

"Really, it's more real than real gold. Tianxiang, didn't you say that you believe me?" Wu Mengmeng was slightly unhappy.

This Ji Tianxiang was about to exhaust her patience.

"Alright, then let me see your sincerity. "From now on, as long as you can pick up trash in school every day for half a month, we'll get back together."

Ji Tianxiang said as he took out a black garbage bag from his pocket.

Wu Mengmeng's face was dark and green when she saw the garbage bag.

"Ji Tianxiang, what do you mean?"

Then, Ji Tianxiang suddenly took out five

stacks of normal and red RMB, which were exactly fifty thousand yuan.

Seeing the fifty thousand yuan, Wu Mengmeng's eyes lit up and her face regained its rosiness.

"Tianxiang, is this money for me?" Wu Mengmeng said excitedly as she reached out her hand to take the money.

Ji Tianxiang was just like a greedy person who had opened his eyes to money. He quickly dodged and stuffed the money back into his pocket.

"Mengmeng, are you willing to pick up trash again?" Ji Tianxiang stared at Wu Mengmeng with his dark eyes.

Being stared at by Ji Tianxiang, Wu Mengmeng frowned a little and said unhappily, "Isn't it a stinky job to pick up trash? Why would a female university student like me do this? Furthermore, if my classmates were to find out, they would laugh at me. "

"Not willing? Don't forget what you just promised me. " Ji Tianxiang said.

Although Wu Mengmeng was a thousand times unwilling, but when she thought of the money in Ji Tianxiang's hand, she hardened

her heart and said, "Okay, I agree." As long as I can reunite with you, I will do whatever you want me to do. "

"Mengmeng, you really move me." Saying that, Ji Tianxiang passed the black garbage bag to Wu Mengmeng: "What are you standing there for? Now. Let me see exactly how sincere you are. "

At this moment, the number of people in the school gradually increased.

Wu Mengmeng took the black garbage bag from Ji Tianxiang and held it tightly in her hand.

"Go ahead. You can pick up all the bottles of drinks over there." Ji Tianxiang said.

Wu Mengmeng held the black garbage bag and walked over slowly. She slowly bent down and looked at the plastic bottle on the ground before slowly reaching out her hand.

"Mengmeng, what are you doing?"

"Mengmeng, why are you holding a garbage bag? Are you trying to pick up a plastic bottle?"

Suddenly, two voices came from behind them. It was Zhang Xinlan and Li Meng Rui who had

just returned.

Noticing Wu Mengmeng's strange actions, the two of them exclaimed in surprise.

"It's nothing. I just wanted to pick them up and throw them in the trash can when I saw that the rubbish was not good." Wu Mengmeng stood up in panic and explained.

"Mengmeng, I didn't expect you to be so environmentally friendly." Zhang Xinlan said.

"Well, Tianxiang, why are you here, too, and you just got back?" Li MengRui noticed Ji Tianxiang, who was standing not far away, and shouted in surprise.

Ji Tianxiang stood where he was and smiled mischievously, "Not just recently. I was called over by Mengmeng."

Zhang Xinlan and Li Meng Rui immediately looked at Wu Mengmeng with a strange expression.

"Mengmeng, you're here?" Zhang Xinlan said.

"Yeah, Mengmeng is crying and threatening to get back together with me. But I made a request." Ji Tianxiang looked at Wu Mengmeng, who had her head lowered, and said, "She's the one who wants to pick up

students at school for half a month ..."

"Ji Tianxiang, shut up." Wu Mengmeng said angrily.

"Mengmeng, how can you talk like that? If you want to get back together with Tianxiang, then you have to be a bit more proper." Li MengRui said.

Wu Mengmeng glared at Li Mengrui and said, "This is between him and me. What business do you have with me? I want you to stick your ass in here."

"Mengyi, I'm just thinking for your sake out of the kindness of my heart." Zhang Xinlan could no longer bear to watch any further.

"What kind of person is this? I think they're just hiding their evil intentions." Wu Mengmeng mocked.

Don't think that she doesn't know. All of you want to hit on Ji Tianxiang to pretend to be a good person and make her an evil person.

"Wu Mengmeng, you have gone too far.

"Sofia, don't bother with her. Let's go." Li Meng Rui was so angry that her face turned pale. She pulled Zhang Xinlan along as they left.

After Wu Mengmeng's roommates left, Ji Tianxiang suddenly felt bored and wanted to leave as well.

"Ji Tianxiang, where are you going again?"
Wu Mengmeng came forward and held Ji Tianxiang's hand, refusing to leave.

Ji Tianxiang rolled his eyes: "Where can I go? Of course I'm going back to my dorm to rest."

"No, you can't go back." She had been pestering Ji Tianxiang for money for a long time, but she still hadn't gotten her hands on it.

No matter what, she couldn't let Ji Tianxiang leave.

"Wu Mengmeng, what more do you want?"
I've already said that if you want to reunite, then go and pick up trash. If you don't pick it up, then don't even think about it. " Ji Tianxiang saw through Wu Mengmeng's thoughts and said heartlessly.

"Pick up your mother's rags!"

Wu Mengmeng pushed Ji Tianxiang away with all her might. Her face was so angry that it looked like it was going to distort. She pointed at Ji Tianxiang and said, "You, you're a f*cking piece of sh*t!"

With that, Wu Mengmeng turned and left.

"Wu Mengmeng, are you really not going to think about it?" Ji Tianxiang shouted from behind.

"Get lost! Think about your mother! Even if I get run over to death by a car, I won't try to get back together with a piece of trash like you. "

Wu Mengmeng was so angry that her lungs were about to explode. Looking at Ji Tianxiang's proud face, she wanted to go up and give him a few slaps.

She had never expected the result to be like this.

Obviously, Wu Mengmeng begging Ji Tianxiang to reconstruct is a fake, coveting the money in Ji Tianxiang's hands is real.

When Wu Mengmeng realized that Ji Tianxiang was suspicious of her, she knew that she shouldn't rush things and take things slowly. But she didn't expect that Ji Tianxiang was completely different, not only did he not get fooled by her words, he even humiliated her and tried his best to make her look bad in front of everyone.

In the end, he didn't get anything and even

offended two of his roommates who were beneficial to him for no reason.

This bastard wanted to anger this old woman to death.

Ji Tianxiang also sighed in his heart as he watched Wu Mengmeng walk away.

Sigh, as expected, it was all a ruse.

He almost believed her.

How merciless life has been since ancient times! It seems that I should properly cultivate my relationship with my money.

C16

Ji Tianxiang returned to his room, but before he entered, he heard a loud noise coming from inside.

"This little brat, why did he return?" I've made a fortune all by myself, why aren't you being filial to your brothers? " Mr Loong said.

"Mr Loong, don't be in such a hurry. Ji Tianxiang will be back soon." Xue Ruhai replied respectfully, "There's a classmate who bumped into him on the way. He's currently overtaking his dorm."

"Mr Loong, he actually dared to make you wait for so long. That kid is back. I must show him some colors. " Wang Fugui said.

"You talk too much." Ai Hui glanced at Zhang Fugui and said, "Mr Loong, don't worry. As long as the kid is still in Beidu school, he won't be able to escape. "If you dare to run, then break his legs."

"If we can't escape, we can't escape." Three or five people echoed his sentiments.

Xue Ruhai and Wang Fugui looked at each other and didn't say anything else. The corner of their mouths hooked up into a smile of

satisfaction from having succeeded.

In order to teach Ji Tianxiang a lesson, they specially invited Zhu Yilong to teach Ji Tianxiang a lesson.

Now, they sat and waited for the show to begin.

Hearing this voice, Ji Tianxiang guessed that there were at least ninety people inside.

The rough and roguish man's voice was Zhu Yilong, and he was known as Mr Loong.

This man was the master sleeper. He was followed by a group of delinquent lackeys. For three years, he had been rampant in every single male dorm. He was domineering, unreasonable, and often charged protection fees.

The reason: to prevent the male bed from being bullied by outsiders, they have made a great contribution and deserve to be rewarded.

In fact, they were blackmailing everybody.

Ji Tianxiang's monthly living expenses were not enough to begin with. After getting a girlfriend, he was even more short on money and could not even cover a month's expenses.

Zhu Yilong and his gang agreed to only pay the protection fee once a month, but they always tried to ask for more money.

He had to hand it over fifty times at a time. A few more times would be several hundreds of times.

At that time, Ji Tianxiang really didn't have any money and didn't want to hand it over, so he often found an excuse to avoid Zhu Yilong's group.

But now, when this group of people heard that he had struck the jackpot and became rich, they would definitely seize the opportunity to collect more protection fees.

Ji Tianxiang took a few cautious steps back and planned to leave.

"Tianxiang, why aren't you going in? Why are you standing at the door?" Lin Fei returned from class and said doubtfully, "There's a ghost in our dorm. What's the matter? We don't dare to go in."

Mr Loong and his gang, with sharp ears, heard the noise outside the door and immediately walked out.

"Kid, where are you running to?" Ai Hui shouted loudly when he saw Ji Tianxiang.

"Where are you going, brother Tianxiang? When I got back to my room, why didn't you come in? Mr Loong, I've been waiting for you inside for a long time. Why did you win the prize and become rich? Mr Loong slowly walked in front of Ji Tianxiang.

Ji Tianxiang looked embarrassed, it seemed that he couldn't avoid it this time.

Seeing that the situation wasn't good, Li Fei ran.

Mr Loong patted Ji Tianxiang on the shoulder and sneered, "Brother Tianxiang, don't be afraid. It's not like Mr Loong can eat people. I'm just here to reminisce about old times with you."

"What are you saying? Mr Loong came to find me. I'm not happy about that at all." "I was just thinking that since Mr Loong has come, I must not be negligent and buy a few bottles of good wine to honor you." Ji Tianxiang turned around and said.

"Come on, let's talk inside." Zhu Yilong said.

Ji Tianxiang was grabbed by the neck and returned to his room, but there was no longer Xue Ruhai and Wang Fugui.

In fact, the two of them had already snuck away when Zhu Yilong came out to cause trouble for Ji Tianxiang.

"Mr Loong, sit." "Mr Loong, come and drink some water." As soon as Ji Tianxiang entered the room, he started to pour some tea for Zhu Yilong.

As the saying goes, a wise man does not fight when the odds are against him.

Although he didn't want to go back with Zhu Yilong, he wasn't stupid and got beaten up by a bunch of people.

"Brat, at least you're sensible." Ai Hui snorted coldly.

"Tianxiang, stop busying yourself. Take a seat, too." Zhu Yilong smiled hypocritically.

Ji Tianxiang sat down obediently.

"I heard that you won quite a bit of money. Yesterday, you invited everyone to eat at Tianxin Garden and spent over two hundred thousand dollars on one meal." Zhu Yilong stared at Ji Tianxiang and said.

If he could find this damn brat and ask him for two hundred thousand, he would be able to enjoy himself for a long time.

"Mr Loong, I usually take good care of you, right? Shouldn't you take out some money to repay me?" Zhu Yilong made up his mind.

As expected, his guess was right. Zhu Yilong's purpose in looking for him was to extort money from him.

I heard, from whom?

As expected, the informants must be Xue Ruhai and Wang Fugui.

At the door, Ji Tianxiang heard the conversation of Xue Ruhai, Wang Fugui and Zhu Yilong.

"Then how much do you want from Mr Loong?" Ji Tianxiang asked.

Zhu Yilong saw something was up, so he looked at Ai Hui and the others and laughed.

"Not much, just two hundred thousand." Every brother has a share. "

Ji Tianxiang's expression changed.

F * ck!

It was not much, but it was more than two hundred thousand.

It was obvious that Zhu Yilong and his group wanted to take advantage of the situation and start a robbery.

However, Ji Tianxiang quickly calmed down and said, "Mr Loong, to be honest, I don't have much money left."

"What?" No money? " Ai Hui exclaimed.

Ji Tianxiang looked embarrassed as he said, "I-I really don't have any money."

"How is this possible? Your roommate said that you invited your classmates to dinner at Tianxin Garden. How come you don't have money? "Kid, you want to court death by playing with us?" Ai Hui raised his fist and asked.

"That's a long story. Someone paid me ..."
Ji Tianxiang sighed and said dejectedly, "In short, it's a long story."

"F * ck your mother's bullsh * t. You brat, you don't know the truth from your mouth. See if I smash your mouth or not." Ai Hui took a step forward and was so angry that he was about to punch his opponent.

Ji Tianxiang pretended to be scared and shouted, "Don't hit me, I really don't have

any money left. The money was taken away by someone. "

When Xue Ruhai heard Ji Tianxiang's plea for mercy, he felt a wave of joy in his heart. Sure enough, they invited Mr Loong. That's right.

When Wang Fugui heard Ji Tianxiang's pig slaughtering cry, he sneered coldly and thought to himself that he deserved it. The good show was yet to come. Let's see if Liu Tie can beat off all his teeth or not.

Yes, Xue Ruhai and Zhang Fugui didn't go far, but hid outside the door, wanting to personally see Ji Tianxiang being taught a ruthless lesson by Mr Loong.

"Brother Tianxiang, who swindled your money away?"

Zhu Yilong signaled Ai Hui with his eyes and he withdrew.

"This, I can't say, I can't say." Ji Tianxiang glanced at Zhu Yilong embarrassedly.

Ai Hui was annoyed again. He said, "Mr Loong, I see that this brat is dishonest. He has a glib tongue and is unreliable. Why don't we beat him up first. "

"Ah, don't hit me, I said, I said." Ji Tianxiang

said in panic, "But, I can only tell Mr Loong to listen."

"You want to play some tricks again? See if I can beat your mouth to mush." Ai Hui sneered.

"Mr Loong." Seeing that Ai Hui was about to punch, Ji Tianxiang shouted anxiously, "If you can take the money from that person, then all of the money will go to Mr Loong. I promise."

"Really?" Could this brat have such good intentions? Could it be that there was some sort of trick to it?

Zhu Yilong was a bit suspicious. After all, Ji Tianxiang was never a straightforward person when it came to money. Could it be that once he had money, he didn't care about it?

Or rather, Ji Tianxiang had more money on him.

"Really." Ji Tianxiang nodded in fear.

"Who was the person that tricked you?" Zhu Yilong said.

"Mr Loong, please come over here for a moment. I only want to tell you about it. After all, that person had a lot of eyes and ears. "I'm

afraid." Ji Tianxiang said.

Zhu Yilong disagreed. "We are all on the same side here. Just say whatever you want to say."

"Mr Loong, I mean be careful of the wall.
"Could I trouble you to come over?" Ji Tianxiang said carefully.

"Yes." Zhu Yilong took a glance at the door and then moved his head in front of Ji Tianxiang.

Ji Tianxiang whispered a few words beside Zhu Yilong's ear and immediately retreated.

The others didn't hear what Ji Tianxiang said, but the people outside the door heard it even more.

The expression on Zhu Yilong's face changed: "You're sure."

"Yes." Ji Tianxiang nodded forcefully.

Zhu Yilong signaled Ai Hui with his eyes and led the two of them out the door.

"Inside, why is there no sound?" Wang Fugui said in confusion.

Xue Ruhai walked closer to the door, listened and suddenly shushed, "Don't talk."

C17

Suddenly, the door was opened, exposing Xue Ruhai and Zhang Fugui.

"Brother Ai Hui, what are you doing?" Xue Ruhai was stunned as he replied.

Ai Hui sneered. "Capture these two people."

"Hey!" What are you guys doing? " Zhang Fugui panicked, not knowing what to do.

Xue Ruhai saw that the situation was bad and wanted to run, but it was already too late.

"Mr Loong, he's standing outside the door. It wasn't a struggle to grab him in." Ai Hui reported to Zhu Yilong.

Zhu Yilong nodded in satisfaction and looked at Ai Hui as if he was saying that it was time for Ai Hui to leave.

"Brother Tianxiang, is it true that Qian Duoduo cheated him out of his partnership with you?" Zhu Yilong glanced at Ji Tianxiang out of the corner of his eye.

Ji Tianxiang's expression froze as he cursed in his heart.

What the f * * k! Zhu Yilong was such a scumbag, yet he found someone to confront him in front of him.

In fact, what Ji Tianxiang told Zhu Yilong was that Qian Duoduo, Xue Ruhai and Zhang Fugui had jointly tricked his money away.

In order to increase his authenticity, Ji Tianxiang even told Zhu Yilong how Qian Duoduo and the others had mercilessly killed him during dinner last night.

Obviously, Ji Tianxiang's words to Zhu Yilong were being doubted.

"Sister Cao Ni Ma, Ji Tianxiang. "How dare you accuse us, and curse us for not having a single child in the future." Wang Fugui swore as he pointed at Ji Tianxiang.

"What a great Ji Tianxiang, you actually know how to invert right and wrong." Xue Ruhai sneered.

"Hehe!" You should be more clear about what you have done. " Ji Tianxiang refused to be outdone.

Ji Tianxiang was a bit guilty at the beginning, but when he thought that it was related to his life, he forced himself to remain calm.

Then, Xue Ruhai explained to Zhu Yilong, "Mr Loong, Ji Tianxiang is lying, you must not believe his words. We didn't cheat Ji Tianxiang's money, after yesterday's meal Ji Tianxiang left early. Zhang Fugui and I only came back this morning, and Ji Tianxiang went out to meet his ex-girlfriend. Even if he's lying, he should be able to make it in time. "

"Mr Loong, you must trust us." Wang Fugui shouted awkwardly.

"How can I believe what you say? What if you guys lied to me?" Zhu Yilong looked at Xue Ruhai keenly

"Yesterday, Ji Tianxiang carried a black plastic bag in his hands, which was filled with upright bills. He told everyone that he won three hundred thousand, and was so generous that he invited the students in class to eat at Tianxin Garden, making it worth two hundred thousand. He swiped his card to pay the bill and no longer blinked. As for the 300,000 of cash, Ji Tianxiang didn't touch it at all. As expected, the cash should still be with him. If you don't believe me, you can go and search yourself. " Xue Ruhai glared fiercely at Ji Tianxiang and explained what happened yesterday clearly.

"Really?" Zhu Yilong asked.

Fugui quickly proved it.

"Mr Loong, I already told you that this brat is dishonest." Ai Hui added.

Zhu Yilong's eyes immediately lit up when he heard about the 300,000 yuan.

'Good boy, to think that I still have three hundred thousand in cash. If he wanted two hundred thousand, then wouldn't he be letting me off too easily? '

"Brother Tianxiang, at this point, what else do you have to say?"

At this moment, Zhu Yilong already leaned towards Xue Ruhai and the others.

Ji Tianxiang also knew in his heart that he wouldn't be able to get away with it now.

However, he had no choice but to brace himself.

"Mr Loong, I have nothing else to say. Just do whatever you want to do, don't you? Ji Tianxiang was in a mess.

Zhu Yilong's heart started to waver when he saw how indifferent Ji Tianxiang was.

"Brother Tianxiang, are you really not going

to say anything?"

After all, Xue Ruhai and the others weren't easy people to deal with. If he made a mistake, wouldn't he lose the three hundred thousand and get taken advantage of?

Ji Tianxiang sneered: "Do you believe me when I say I don't have 300,000 on me? Didn't you already make your choice? "

"You can't say that. Compared to them, I still believe in you more." Zhu Yilong pretended to be affectionate as he smiled, "However, you must not let me down."

Ji Tianxiang thought that Zhu Yilong believed him and his whole body felt relaxed. Suddenly, he tensed up again.

"Someone, go and search Ji Tianxiang." Zhu Yilong said.

"Check out Mr Loong, his bed, and the cabinet." Zhang Fugui reminded.

F * ck! What the f * * k! Not only did Zhu Yilong hide a knife in his smile, he even attacked in all three directions.

He actually dared to lie to his father about his credibility. He almost thought that his ability to lie was at a level where it could fool

everyone.

Humph! I hate it.

But today, was it really over? Was the money really going to be taken away by these dogs?

Ji Tianxiang had a serious expression and did not say a word.

After a while, the faces of those who were supposed to be happy turned grim.

"Mr Loong, that brat doesn't have any money on him." Ai Hui said.

"Bed? What about in the cabinet?" Zhu Yilong was a bit angry.

Ai Hui looked embarrassed and said, "Mr Loong, I've searched for it. Nothing."

"I don't believe it, why didn't you? It's probably you guys who haven't finished searching." Wang Fugui shouted angrily.

"Absolutely impossible. Three hundred thousand yuan in cash must still be on him." Xue Ruhai's expression was also extremely pale.

Ji Tianxiang saw that these people couldn't find the money they wanted and his eyes turned red. He was very happy.

If you want money, no way.

If they wanted his money, they didn't even have a window.

Out of the 300,000 he took out from the black card, 250,000 yuan had been deposited into his normal bank account before he went to eat yesterday.

He had intended to keep the remaining fifty thousand as a reserve fund. However, after meeting Wu Mengmeng, he had deposited it into his bank card.

After all, he didn't want to expose his wealth.

Besides, he wasn't stupid. He already knew that he had been awarded the prize for being rich. Besides Wu Mengmeng's blatant ideas, there would definitely be a lot of other people who were scheming against him.

In this world, one must not have the intention to harm others, but one must not lack the intention to guard against others.

"Where's the money?" Ji Tianxiang, you bitch, where's the money? Where did you hide the money? " Xue Ruhai rushed in front of Ji Tianxiang and bellowed.

"Cut the crap with him, beat him up until he's telling the truth." Wang Fugui clamored.

Amongst everyone, Xue Ruhai and Zhang Fugui were the most anxious. They not only wanted to teach Ji Tianxiang a lesson, they also wanted to extort a sum of money from Ji Tianxiang and give it back to him.

However, not only were they unable to find the money, they were also slandered. Zhu Yilong would definitely be very angry right now and might even get beaten up.

Xue Ruhai was burning with anxiety. He didn't want to get beaten up, and he didn't want others to laugh at him even more.

Since they couldn't find the money, Zhu Yilong and the others didn't look good either.

"Search it again." Zhu Yilong was also confused. Logically speaking, this brat should have money on him. He should have at least ten to twenty thousand yuan. Let's just let him take it back with ease first.

Since he's already here, it's a waste for him to come all the way here.

Ai Hui searched Ji Tianxiang's body again and found nothing.

"Mr Loong, this kid only has this much money on him." Ai Hui brought a handful of change to Zhu Yilong.

Zhu Yilong looked at the handful of change. There was one, two, five, and one. The most expensive one was no more than five yuan, while his face was already green.

F * ck! Real dogs with a few handfuls of poor people.

Ye Zichen didn't even see whether Ji Tianxiang was a man or not. With only this much money on him, he still had the nerve to put it in his pocket.

"Take it away, hurry up and take it away." Zhu Yilong said in disdain.

Zhu Yilong felt like his head was about to explode.

Ji Tianxiang sneered, "Mr Loong, with things like this, what should we say?"

"Brother Tianxiang, I'm sorry. I will definitely give you an explanation for this." Zhu Yilong apologized.

Ji Tianxiang didn't notice that Zhu Yilong's apology was a little sincere.

C18

Immediately after that, Zhu Yilong started to look for Xue Ruhai Wang Fugui's fault.

"God damn, you guys actually dared to lie to me." Zhu Yilong said angrily.

Wang Fugui was so scared that he directly kneeled on the ground and begged for mercy.

Wu Tie was so angry that he wanted to slap Wang Fugui a few times. If he were to beg for mercy now, wouldn't that be equivalent to admitting that they were lying?

F * ck, he's just like a pig of a teammate.

"Mr Loong, Ji Tianxiang is lying. He must have already hidden the money." Xue Ruhai explained desperately, trying to find a way out for himself.

"F * ck you!" Brothers, go and clean up these two men. "

Zhu Yilong was too lazy to listen to Xue Ruhai's nonsense. He signaled Ai Hui with his eyes, and he led his brothers forward.

"You dare? I am Mr Qian's man. If you beat me, you would be offending Mr Qian." You

bunch of little brats, just wait for your deaths. " Wang Fugui was afraid of getting beaten up, so he spoke randomly in panic.

"Who is you, Mr Qian?" Zhu Yilong waved his hand and told Ai Hui and the rest to stop.

"Mr Qian, that's Qian Duoduo, he's the famous second generation of rich people at Beidu Academy. "A family business, with assets worth over a hundred million." Ji Tianxiang said.

Zhu Yilong rolled his eyes. "You are very familiar with Qian Duoduo?"

"We are the brothers of Qian Duoduo. "Zhu Yilong, you better think it through clearly. If you beat me and Wang Fugui, you will be offending Qian Duoduo." Xue Ruhai sneered.

"Oh, and then?" Zhu Yilong looked at Xue Ruhai indifferently.

Xue Ruhai thought Zhu Yilong was scared and said, "Not only is Qian Duoduo's family rich, but he also has a lot of background. It's fine if you hit us, but if you offend Qian Duoduo, then don't think that you'll be alright. "

"Ouch!" Threatening me? " Zhu Yilong was amused.

"How is it? Scared. Compared to Mr Qian, you're just a pile of shit. "Hurry up and let us go, otherwise." Wang Fugui's courage also increased.

Zhu Yilong's face immediately changed. He kicked Wang Fugui fiercely: "This Qian Duoduo is interesting." However, I, Zhu Yilong, am not an ordinary person. I hate people who threaten me the most in my life. Who ate shit? Your fucking mouth is so ugly, did you eat shit? "

"You, you're the one eating shit." Wang Fugui hooted, unafraid of death.

Zhu Yilong was truly annoyed, so he kicked Wang Fugui with all his might.

Wang Fugui's mouth was swollen from the kick. Xue Ruhai was so scared that he quickly covered it with his hands.

"Kid, just clean up with your mouth. "Men, drag these two brats to the basement and beat them up until Qian Duoduo is going to use the money to redeem them."

Zhu Yilong gave an order after kicking it to his satisfaction.

Ji Tianxiang saw how outrageous Zhu Yilong's actions were. He wanted to open his mouth

to stop him, but he was held back by a fierce glare from Zhu Yilong.

After the group left with Wang Fugui and Xue Ruhai, Zhu Yilong was the last to leave.

Before leaving, Zhu Yilong turned around abruptly and looked coldly at Ji Tianxiang, saying, "Brother Tianxiang, I'll come find you another time and reminisce about the old days."

Ji Tianxiang was scared out of his wits, and his forehead started sweating unknowingly. He forced himself to remain calm and said: "Of course, of course."

Once Zhu Yilong and his men left, Ji Tianxiang immediately collapsed to the ground and couldn't help but exclaim, "Life is like a play, it's all because of acting!"

What a fucking thrill!

Fortunately, he had saved up all his money in time. Otherwise, a disaster would have been inevitable.

The change that Zhu Yilong's underlings had found was the change that he had exchanged for junk. To be honest, he was so happy when he saw Zhu Yilong's green face.

He couldn't find the three hundred thousand yuan worth of notes, and he was even disgusted by the pile of change. This really made him feel good when he looked at it.

Even Xue Ruhai and Wang Fugui were toyed with by him to the point that they were unable to make ends meet. Being lectured by Zhu Yilong, it would definitely be a great experience.

Ji Tianxiang sighed for a long time. Suddenly, he felt uncomfortable. He wanted to take revenge and slap the faces of Xue Ruhai and the others, but no one wanted to kill him.

No matter what, Xue Ruhai and Wang Fugui were roommates in the same bed. It wasn't Ji Tianxiang's usual style to not save them even when he was about to die.

Out of guilt in his heart, Ji Tianxiang took out his cell phone and made a call to the managing director to report Zhu Yilong's group.

Hanging up the phone, Ji Tianxiang felt that the relationship between Xue Ruhai and Wang Fugui had nothing to do with him.

After all, he had done his best to call the director and help them get away from the beating.

"Gu gu." Ji Tianxiang's stomach rumbled. He suddenly felt extremely hungry.

Ji Tianxiang put on his clothes and shoes, opened the doors of the dorms and left.

Along the way, he sped up and endured the hunger. Finally, Ji Tianxiang arrived at the entrance of the cafeteria.

Just as Ji Tianxiang was about to enter the cafeteria, he received a call from Zhu Xiaoxiao.

"Beautiful housekeeper, when did you have the time to call me?" Ji Tianxiang said with a smile.

"Buy a car?" What kind of car? " On the phone, Zhu Xiaoxiao told Ji Tianxiang that she would buy him a car and see what kind of brand he liked.

Ji Tianxiang walked into the cafeteria while holding his phone and said, "Lincoln, no, it's too long. Lamborghini, no, it's too coquettish. "Ferrari, even more so, it's too ostentatious."

"What the f * ck!" Who is it? Are even rich people so willful!? Lincoln, Lamborghini, Ferrari, those are big cars. " He didn't eat at all and searched with his eyes at 360 °C.

"Porsche won't do either. It's too pretentious. Xiaoxiao, don't be angry. I appreciate your good intentions. As for buying a car, I'll think about it later." Ji Tianxiang was on the phone. He didn't notice the eyes of the people around him, which were especially different.

"What the f * ck!" Why is he so poor? " Upon seeing who it was, he couldn't help but feel a bit disappointed. His outer garment was torn beyond repair, and his pants had already turned white from washing.

Ji Tianxiang and Zhu Xiaoxiao's conversation successfully created a commotion.

Everyone turned their heads to look at the source of the voice. Hearing the content of the conversation getting more and more outrageous, they could not help but mock him.

"Isn't this the famous 'Pick-up' of our school? Isn't he too poor? Isn't it too laughable to continue acting cool here? "

"Sigh, there's nothing I can do about it. It's because the poor people of this era love to act cool."

"Hey, all of you come take a look at what kind of clothes he's wearing, from head to toe. I'll

bet this kid won't be able to eat more than ten dollars worth of rice. "

Ji Tianxiang said a few simple words to Zhu Xiaoxiao before hanging up. He went to the window to get his meal and was about to order it when he heard the conversation of a few people sitting not too far away.

I can't afford a ten-dollar meal. Not only can I eat ten dollars worth of rice, I can also eat over a hundred thousand yuan worth of rice.

It was too much of an insult to him. No matter what, he was still a rich man with a black card.

"Master, give me a serving of super big plate beef rice and a serving of Giant Tyrant Meat Grilled Meat." Ji Tianxiang shouted.

"Alright!" The meal was almost ready. Iron Plate Beef 45, Everlasting 55, a total of 100 yuan. "

Ji Tianxiang turned on his phone's Alipay and paid for it with a scanning code.

"Master, the money has been transferred."

After that, Ji Tianxiang carried two servings of food and intentionally sat opposite the group of people.

That group of people looked at Ji Tianxiang in shock, and only reacted after a long while.

With so much meat, can you finish it all?

Ji Tianxiang saw through the group of people's thoughts and sneered in his heart. So what if I can't finish my meal? I have plenty of money, so I can buy whatever I want.

If you can't finish it, feed it to the dogs.

"Yang Lei, didn't you say he couldn't afford a meal worth more than ten dollars? They bought a hundred dollars' worth of food in one go." A student mocked.

Yang Lei's expression changed. In the face of his own words, being slapped in the face by reality felt both shameful and incomparably awkward.

"Unexpected." "Who knows, he might be able to afford a meal without a meal." Yang Lei laughed and said.

After eating, there was no end to it?

Ji Tianxiang stood up without saying anything. He came to each window of the cafeteria and ordered everyone to send their food there.

After a while, Ji Tianxiang's table was filled with all kinds of food.

When Yang Lei saw this scene, he was dumbfounded and tongue-tied. His expression became uglier and uglier.

Obviously, Ji Tianxiang heard their conversation and took action to slap their faces.

Ji Tianxiang raised his head, looked at Yang Lei, and chuckled: "You want to eat together?"

"Eat your horse." Yang Lei cursed angrily.

"Student, you must have misunderstood. I didn't call out to you, I called out to the handsome guys by your side. "

Ji Tianxiang pretended to be surprised.

"Puchi!" The people beside Yang Lei laughed and said, "Ji Tianxiang, I didn't expect you to be so interesting."

Yang Lei's expression turned even worse as he glared at Ji Tianxiang.

Aiyo! This was unbearable and he wanted to get angry.

Tsk tsk! Young people were unable to keep their cool. It was just a small face-smacking, yet he was already so angry. The good show is yet to come, yet you are still angry to death.

Ji Tianxiang glanced at Yang Lei and said, "I accidentally bought too much food, let's eat together, it's free."

Looking at Ji Tianxiang's table full of food, the few of them were eager to have a try and straightforwardly sat in front of Ji Tianxiang.

"Sure. If you don't want money, then we won't stand on ceremony. Let's be friends, my name is Su Chang, his name is Hai Tao, his name is... We were a few classmates and also had a dorm room. I'm sorry about what I just said, but we were in the wrong. Su Chang, who knew how to behave the best, said.

"Sure. I like to make friends the most. Then let me formally introduce myself, Ji Tianxiang, of the XXX division. " Ji Tianxiang said with a smile.

Yang Lei looked at his classmate talking and laughing with Ji Tianxiang, and immediately felt jealousy in his heart. He coldly snorted, then turned around and left.

C19

The entrance of the amorous bar was filled with girls pulling customers over.

Ji Tianxiang bought a new set of clothes and prepared to go back to school. As he passed by this bar, he got entangled by a few girls.

"Little brother, do you want to come in and have a drink?" The lady said tenderly.

"What the f * ck!" Ji Tianxiang looked over, and immediately let out a blood-curdling screech.

This is a fucking woman? The sight of him was so terrifying that it almost scared him to the point that he peed his pants.

If a customer was interested in entering this bar, he would just go for a ride. Ji Tianxiang cursed secretly.

"What!?" "What!?"

When the lady saw Ji Tianxiang look over, she started to shyly twist her body and gave Ji Tianxiang a flirtatious wink while kissing him.

Such a terrifying scene, it was comparable to the scene where Tang Bohu turned his

head like a flower in the autumn incense. Ji Tianxiang was so scared that he didn't know what to do.

"Little brother, what are you rushing for? Come in and have a drink. There are so many beautiful big sisters accompanying you inside."
"

The lady noticed that Ji Tianxiang was well-dressed, had an extraordinary temperament and a handsome face. She rolled her eyes, took a few steps forward and cleverly grabbed Ji Tianxiang's arm, not letting him leave.

"I'm not going. Thank you, ugly. Beautiful big sister." Ji Tianxiang was not interested in drinking wine in a bar, and he was even less interested in this kind of 'pretty' little sister in front of him.

"Go in, pretty big sis will drink with you." The lady was in love with Ji Tianxiang today, so he must pull Ji Tianxiang into the bar to have a round of drinks, so he gave a look to the other sisters.

The other sisters cleverly went forward and entangled Ji Tianxiang as well.

"Little brother, come in. There are so many fun things to watch in the bar."

"Little brother, as long as you come in, beautiful sister will give you benefits ~"

A lady came close to Ji Tianxiang. Whether intentionally or unintentionally, she shook her large breasts, and accidentally rubbed them against Ji Tianxiang's body.

How could a man who had never experienced such a thing not be subjected to this wave of attacks?

Ji Tianxiang's face instantly turned red as he pushed and shoved the girl. However, he couldn't help but look down at the breasts and squinted his eyes.

"Aiyo!" Sisters, this little brother's eyes are red and straight. "

"Hahaha." I'm afraid he's not a small virgin. "

"Little brother, tonight, I will let you have a taste of my woman, I promise you that you will have a good time."

"..." When the girls saw this, they took turns to mock Ji Tianxiang.

At this time, Ji Tianxiang suddenly recalled a terrifying fact. After over 20 years, he had never tasted meat and meat before. He suddenly felt a wave of sadness in his heart.

"Ah!" "Ugh." Ji Tianxiang looked up with a hint of excitement, then saw the girl's face. It was so ugly that it made his stomach churn and he vomited.

Terrifying.

Terrifying.

It was too fucking scary.

A person with such an unappetizing appearance! Even if his breasts became butter, I, Ji Tianxiang, would not be able to eat that much.

Ji Tianxiang felt that he was in a lot of pain. If he didn't leave now, he might die at the hands of these dinosaur women.

"Little brother, welcome to the amorous bar."

When Ji Tianxiang finally reacted, he was dragged into the bar by a few ladies.

Ji Tianxiang wanted to struggle free, but no matter how much he tried, it was useless. His arms were tightly entangled by the ladies, making it impossible for him to move.

Ji Tianxiang couldn't help but curse in his heart: What the f * ck! Was this a fucking woman? His strength was greater than that of

a man.

"Little brother, be good. "Big sister will go get you a few bottles of good wine to drink." The lady said, "Help me look at him first. Don't let me run away."

Ji Tianxiang looked at the women sitting on both sides of him. Although their chests were very big, they were also f * cking big on their arms.

There was no other way. Today, he could only accept his fate. Ji Tianxiang closed his eyes in despair.

"What's the matter? Do you know how to pour wine or not, you bitch? My clothes are a famous brand, if it breaks, will you be able to take it? "

"I'm sorry. I'm sorry. I'll wipe it off for you right now. " Qiu Yi said anxiously.

The man's eyes lit up. What the f * ck! What a great beauty. She had to have a face, a body, and a face.

Qiu Yi had big eyes, a slender waist, long legs, and was even wearing a maid outfit. It vividly accentuated her curvaceous body.

He was just like a little sister from the Second

Order who had gone through the Essence Conversion three times.

"Wipe? Wipe! Am I supposed to interrupt you, or am I supposed to interrupt you?" The man had a lecherous heart as he spoke in a wretched manner.

Qiu Yi blushed. "Sir, please be more respectful when you speak."

"Yo, shy? "Look at his face, mouth, and figure. He was born to be a man's doing." As the man spoke, he reached out to touch Qiu Yi's butt.

Qiu Yi glared at him angrily. Unable to endure anymore, she slapped the man.

"F * ck your mother!" Bastard, you actually dared to hit me. "You came out to sell and even set up some chastity memorial archway? See how I'll let you off today." The man said angrily.

"Whap." Qiu Yi was slapped by the man.

The man didn't feel relieved. There had never been a woman who dared to treat him like this before. He had to teach her a lesson.

The man tore Qiu Yi's clothes off immediately, and Qiu Yi resisted, screaming

for her life.

"Let me go. "Let me go."

"Help." "Save me!"

The bar was filled with fish and dragons, and this kind of thing often happened. People would ask for help, but no one would go up to help.

It was because meddling in other people's business had brought him trouble.

Besides, that man was a big boss in the bar area, who would dare to mess with him? He couldn't afford to offend her.

If he had to blame something, he could only blame it on that girl. Of all the people to provoke, he had to offend Big Brother Ba.

When Ji Tianxiang heard the cry for help, he felt that it sounded familiar. He immediately stood up and saw the pure school beauty, Qiu Yi, being bullied by a vulgar man.

"Help!" Qiu Yi's cries for help grew louder and louder.

"Shout!" Just shout! No matter how loud you shout, no one will save you. Today, not only will I tear your clothes apart in front of so

many people, I will also have to deal with you.
" The Great Tyrant sneered.

However, no one came to her rescue. Take care of that disgusting man and tear up your clothes.

Qiu Yi stared at him in despair.

"F * ck you!" "Go to hell!" Ji Tianxiang threw the bottle over.

Big Ba's head was instantly smashed open. Blood flowed profusely as he cried out in pain, "Where did this little bastard come from? How dare you hit your grandfather?!" I'm going to kill you. "

Ji Tianxiang took off his jacket and covered Qiu Yi's body as he said, "Qiu Yi, everything is fine now."

Qiu Yi looked at the man who had suddenly appeared in front of her with disbelief. She was a little handsome and was ready to thank him.

Suddenly, he saw that Big Ba was holding a bottle of wine and was about to sneak attack Ji Tianxiang, so he shouted, "Be careful behind Ji Tianxiang."

"Are you playing Cheap Shot?" Ji Tianxiang

sneered and said, "I'll let you do a sneak attack. I won't kill you, you little shorty."

Ji Tianxiang kicked him far away.

"This brat is finished, he actually called Big Brother Da Ba Little Dwarf."

"Why does he call Big Ba ge?" How can he shout like that? "

"Big Brother Bao forbids others from calling him that. Last time, whoever called him that was either beaten half to death or his tongue was cut off."

"..." The few people in the bar looked at Ji Tianxiang in disbelief and started discussing.

"You actually dare to call me a short person? Bitch, I'll kill you!" Big Brother Ba climbed up from the ground in anger.

Ji Tianxiang looked at Big Ba in disdain and said, "Why don't I call you Little Dwarf? I don't even have legs. "

Why are you called Big Brother Big Buster Little Dwarf? Because he was indeed short.

So low, so low that you could stand in a crowd of people and ignore them at a glance.

It was even taller than an average woman. Ji Tianxiang calculated with his eyes and found that it was probably only 1.52m or so.

Ji Tianxiang was 1.83 meters tall.

"Brat, you're courting death." Big Ba picked up the bottle of wine and rushed forward.

Ji Tianxiang lightly pressed on Big Ba's head and stood on the spot, unable to move. He allowed Big Ba to kick his hands and feet around, but was unable to take a step forward.

"You little shorty, don't be convinced." Ji Tianxiang laughed.

Big Brother Ba. Just a Hobbit like that, and he was just an ugly little fellow who jumped off a beam.

Ji Tianxiang turned around and looked at Qiu Yi, who was standing behind him. He said gently, "Qiu Yi, are you alright?"

"I'm fine. Just now, thank you." Qiu Yi said.

"Brat, let me go if you dare." Big Brother Ba shouted.

Big Ba wanted to agitate Ji Tianxiang to release him. As long as he let go of Ji Tianxiang, he would immediately go out and

call for reinforcements to kill Ji Tianxiang.

"Let you go, the beauty of your dreams. Hurry, apologize to me. " Ji Tianxiang sneered.

Besides being shocked, the group of people in the bar were also in shock.

This brat had offended someone, but he still didn't know.

C20

"How f * cking modest you are." Big Brother Ba said.

Ji Tianxiang looked at Big Ba coldly and said, "You're not going to apologize? Then I will beat you until you apologize."

"Don't. Don't. I apologize, I apologize. " When Ji Tianxiang was about to punch, Big Ba admitted his defeat.

"I'm sorry." Big Ba said in a low voice.

"It's too quiet, I can't hear you. Louder." Ji Tianxiang said.

Big Ba gave Ji Tianxiang a hateful look and said loudly, "Sorry."

"Why did you tell me to be sorry? "Tell her." Ji Tianxiang said sarcastically.

"You, don't go too far." Big Brother Ba said angrily.

Ji Tianxiang waved his fist and said coldly, "Say it!"

"Young lady, I'm sorry." Big Ba shrank his neck in fear and said while swallowing his

anger.

"How is it? Qiu Yi, have you vented your anger yet? "

Ji Tianxiang turned around and asked. He saw Qiu Yi looking at him with a smile. In that instant, his heart skipped a beat. He, Ji Tianxiang, had finally experienced it after twenty years.

Ji Tianxiang loosened his grip and threw the big boss on the ground. He stared blankly at Qiu Yi.

Big Brother Ba took the opportunity to escape.

"Thank you." Qiu Yi walked over and said softly.

"Hmm? "Un, it's nothing. It's what I should do." Only after hearing Qiu Yi's pleasant voice did Ji Tianxiang come back to his senses.

This man in front of him knew him? How did he know his name? Qiu Yi was slightly curious.

"Oh, yes. I'm also from Beidu University, in the XXX Department. Hello, my name is Ji Tianxiang. " Ji Tianxiang stared straight at Qiu Yi and extended his polite hand.

Qiu Yi chuckled upon seeing Ji Tianxiang's

actions.

"You're so funny. My name is Qiu Yi, from the Music Academy. "Hello." Qiu Yi also extended a polite hand.

The two of them crossed their hands and Ji Tianxiang felt his heart beating again.

What was going on? Am I going to get sick? Why is my heart always beating so fast?

Don't jump. Don't jump. If I jump again, I'm going to die.

"It's that brat! Arrest him! Today, I will skin him alive!" Big Brother Ba shouted.

"Quick, run." Ji Tianxiang quickly ran towards the back door of the bar when he saw Big Ba leading a group of people in. He was pulling Qiu Yi along with him.

"Hurry up and chase them, don't let them escape." Big Brother Tyrant gave the order.

Ji Tianxiang pulled Qiu Yi. They were fast and agile, successfully dodging all the way to the back door.

"Hurry, get out." Once we get out, they won't be able to catch us. " Ji Tianxiang opened the door and found two tall men standing at the

back.

He was dressed in a black suit and looked pretty decent.

Ji Tianxiang thought they were finished. He slapped his forehead and said, "Let her go, I'll go with you guys."

"Master Young Master Ji, we are here to bring you back." The man in black said.

"You are?"

Ji Tianxiang was stunned for a second and was a bit confused as to who sent them to help him.

Qiu Yi looked at the person in front of her as she listened to the conversation going on in front of her. She was at a loss for words.

The man in black said, "We were sent by Butler Zhu to bring Master Liu back to school."

"She is. "I came at the perfect time. Can you help me teach the people behind a lesson before leaving?" Ji Tianxiang said.

"No, this place is too dangerous. We can't let the young master get hurt. We have to send you back first." The man in black suddenly

said excitedly, "Young Master, don't worry. We will take care of everything."

Ji Tianxiang rolled his eyes. Seeing that the man in black was serious, he said, "Alright then. Send us back to school first. "

Soon, Ji Tianxiang and Qiu Yi were escorted by the man in black to a black limousine.

She was still in a daze when she got in the car and got out. She was already standing in front of the school gate and Ji Tianxiang was sending her to the women's dormitory.

"Qiu Yi, don't think about anything else tonight. It's already passed. "Let's go back and have a good sleep." Seeing Qiu Yi in a trance, Ji Tianxiang thought she was frightened and said gently.

Qiu Yi nodded and went upstairs without a word.

Ji Tianxiang was a bit disappointed. Why didn't Qiu Yi say goodbye to him? He watched as Qiu Yi's figure disappeared into the distance before reluctantly turning around to leave.

Qiu Yi stopped in the stairwell and looked down. Who was he? Wasn't he XXX's Ji Tianxiang? The school's famous for being shabby?

Why would someone call him Young Master?

Qiu Yi had never received such treatment in her entire life for such a respectful attitude and luxurious car.

All of a sudden, Qiu Yi had a strange feeling, and she hurried back to the dormitory with it.

After Ji Tianxiang saw Qiu Yi off, he did not return to his dorm. Instead, he went to the hotel next to the school and got a room to sleep for the night.

The next morning, he called Zhu Xiaoxiao to thank her.

After hanging up the phone, Ji Tianxiang truly felt admiration for him, the beautiful butler.

He could actually find out his whereabouts at any time and even save himself in the most dangerous situation.

However, Ji Tianxiang was not only curious, Zhu Xiaoxiao had refused to help him because of his previous predicament.

With that in mind, Ji Tianxiang came to the car store and planned to bring a car back with him on the same day.

Ji Tianxiang wandered around the car store

for a while and didn't see anyone greet him. After a while, he was warmly pulled by a sales manager.

"Hello, sir. My name is Lv Huaicai, I'm the sales manager here. " Lv Huaicai said enthusiastically, "Sir, there's no need to say anymore. I know what kind of car you want to buy, just come with me."

Aiya. It was a beautiful day at work, and I was wondering what to do with the new but flawed Chery, when I got the unlucky one.

Haha. It was simply too timely.

Look at this kid, he should be easily fooled if he's an honest man. If he doesn't know his car, it would be better to take advantage of this opportunity to raise the price, since I can still earn a lot of money.

Lv Huaicai snickered.

This guy called Lv Huaicai had a scheming smile on his face. Ji Tianxiang did not like him, but he could not reach out his hand to hit the smiling person to chase him away.

Helpless, Ji Tianxiang could only follow Lv Huaicai.

Originally, Li Dan wanted to buy a low-key but

luxurious BYD, or VW, or Porsche. In the end, Lv Huaicai took him to the normal car park.

Ji Tianxiang frowned and was a bit annoyed: "What kind of cars are these? I want to buy a low-key car that doesn't lose any of its luxury."
"

Even though he had made up his mind to buy a normal car and keep a low profile.

However, he never said that he would buy such an ordinary car. No matter what, he should at least let down his status ...

A car! Otherwise, he would have let down the black card in his pocket.

"Little brother, you don't understand. These cars are the latest ones to go public and are very popular. Although it was just opened at first glance, it looked the same no matter how one looked at it. The atmosphere was also of an upper-class quality, and at first glance, it looked even more different. It suits your temperament, sir." Lv Huaicai Jie said.

"Are these cars as good as you say?" Why didn't I see it? Are you lying to me? " Ji Tianxiang was a bit worried.

"Little brother, what are you saying? You're my customer, and customer is God. Our

company is the most sincere service to customers, not to mention I'm the manager of a car company, how can I lie to you?" Lv Huaicai frowned and was a bit angry.

"See this Chery? The new models that had just been released were being bought crazily by rich people at home and abroad. I saw that you had an extraordinary temperament and felt that you were too compatible with this car, so I recommended it to you. There were only a few of them, otherwise they would be sold out in the afternoon. When the time comes, you will regret it. It will be too late for you to cry. "

The manager knew how to speak. It was as if his heart was on edge.

Ever since he had the black card and the money, Ji Tianxiang felt that he had an imposing manner wherever he went.

Ji Tianxiang pointed at the Chery and asked, "How much is this car?"

"Not expensive, two hundred thousand."

Ji Tianxiang suddenly looked at Lv Huaicai warily and said, "This car, are you sure it's 200,000?" "What makes me think it's not worth that price?"

Lv Huaicai was surprised, he rolled his eyes

and slowly calmed down. He took out a Chery Key and handed it to Ji Tianxiang: "Little brother, it's not worth the two hundred thousand. You should drive and experience it first."

"I don't think I can try it. You can just return it."

Ji Tianxiang hesitated for a moment before taking the car keys from Lv Huaicai.

In truth, from the bottom of his heart, Ji Tianxiang did not really like this Chery car. The entire street was filled with these kind of ordinary cars, which did not match with his black card identity, let alone his identity as the Young Master of Ji Family.

However, Ji Tianxiang had no choice but to believe what the sales manager of the Chery said. After all, Chery looked pretty good, so it should be cool when he was on.

After getting into the car, Ji Tianxiang started the engine.

After Ji Tianxiang left, Lv Huaicai revealed a sinister smile: "Brat, just wait for the money."

Ji Tianxiang didn't drive many times, so he really didn't have much experience with testing a car to see if he could find a good one.

He just felt that this car was no different from the one he drove at driving school.

When they arrived at a crossroad, the green light suddenly turned red. Ji Tianxiang stepped on the brake, and he soon noticed that the brake wasn't as sensitive as before.

"Motherf * cker, what's going on!?"

With a clang, Ji Tianxiang's Chery hit a BMW, causing the taillights on the BMW to shatter.

"Holy shit, who hit my car?"

Two men got out of the car. The man immediately cursed, "You f * cking compare if you know how to drive? Get the hell out of the car right now."

"F * ck you, little bitches, you dare come out and show off your little Chery to die. Do you know what I drive? "BMW, BMW 5 series, I can buy quite a few of your crappy cars." The man swore and pointed at Ji Tianxiang.

Ji Tianxiang was scared out of his wits. Why is this car so unreliable? Even the brakes aren't working. Luckily, I still haven't bought it yet.

Ji Tianxiang apologized immediately after getting off the car and kept saying, "Brother,

I'm sorry, I'm sorry."

"Sorry? What the hell. "If you bump into me, quickly compensate me with money." The man said with a cold expression.
