"Alright, Xiao Ma. Stop talking, I know this Mr Ji."

At this moment, a familiar voice rang out in Ji Tianxiang's ear, "Mr Ji, do you recognize me? I'm the manager of Tianxin Garden, Shen Mingli. "

"Ah, it's you. What a coincidence!" When he looked up and saw his acquaintances, Ji Tianxiang was no longer so scared.

It's the manager of Tianxin Garden.

Last time when he was eating at Tianxin Garden, this manager had helped him quite a bit.

He was a good person, and his mood gradually lightened.

"Mr Ji, are you alright?" "Do you have any injuries on your body? How about I take you to the hospital to have a look now?" Shen Mingli asked in concern.

Ji Tianxiang quickly refused: "No need, no need. I'm fine, but how about you guys? "

"We're all fine too."

Shen Mingli pointed at Chery and asked, "Is this your car?"

Ji Tianxiang shook his head and said embarrassedly, "It's a new car in the car store. I came out to test it. I don't know what happened just now, but the brake suddenly stopped working. Sorry, Manager Shen, and this Little Mr Ma."

"It's nothing serious, so there's no need to compensate."

"Mr. Shen, look at the broken taillights on this car, even its butt was hit by such a huge hole!" At the beginning, Little Mr Ma was a little unwilling, but when he saw Shen Mingli's expression, he went silent.

This Manager Chen was quite impressive. Just a glance was enough to restrain him.

No matter what, it was not right to crash into someone's car.

"I'll compensate you with money. How much is it?" Ji Tianxiang said awkwardly.

Shen Mingli shook his head, and his expression suddenly became serious, "Mr Ji, who sold your car, this brake is obviously broken."

The meaning of his words was to tell Ji Tianxiang that someone was trying to harm him.

Ji Tianxiang wasn't an idiot. He understood it right away. No wonder that sales manager was so enthusiastic, he was planning it out here.

"I'll go back now and return the car. I'm not going to buy it." Ji Tianxiang was a bit depressed. Now that the car was wrecked, even if he didn't buy the car, he would still lose a lot of money.

Furthermore, the sales manager was probably up to something.

"Mister Shen, if you don't leave soon, it's going to be too late to see old mister Ouyang." Little Mr Ma reminded him.

"How about this, Mr Ji, tell me where the place where you bought the car is. If you need anything, I can send someone to help you." Shen Mingli frowned.

He really wanted to take care of the young master's affairs personally, but he couldn't let old man Ouyang delay their meeting time.

Ji Tianxiang looked at Shen Mingli. He felt that this man paid too much attention to his own affairs.

Ji Tianxiang was even more suspicious of the fact that Shen Mingli knew him and it had something to do with Ji Family.

"Manager Shen, that guy's name is Lv Huaicai. He's a sales manager at a 4S car store. He's on the other side of the road." Ji Tianxiang said.

"I'll remember that."

Shen Mingli got on the car and suddenly thought of something. He rolled down the window and said, "Mr Ji, this is my name card. If you need anything, please call me."

"Thank you, Manager Shen. You should leave quickly and not delay the meeting any longer. I will take care of this myself." Ji Tianxiang said after thinking for a while.

As someone from the Ji Family, if he could not even handle this little accident, then wouldn't he be worthy of treating his respected ancestors?

As soon as the car started up, he immediately took out his phone and called Shen Xiaoxiao. He then reported the incident with Ji Tianxiang to Shen Xiaoxiao.

After driving back to the 4S store, the moment

Ji Tianxiang got out of the car, Lv Huaicai got a bunch of people to surround him.

"Brat, you're courting death! How dare you knock Chery into such a state in our store!"

Lv Huaicai dragged Ji Tianxiang to the front of Chery's car and pointed to the place where they were hit, "Brat, how are we going to sell your car after you hit it like this? You'd better buy this car. "If not, you'll have good results."

Ji Tianxiang looked at Lv Huaicai. Lv Huaicai was also looking at him viciously. The group of people behind him looked at each other, and Ji Tianxiang was scared out of his wits.

Originally, Ji Tianxiang wanted to directly expose Lv Huaicai's conspiracy, but after thinking for a while, he decided not to.

Firstly, Lv Huaicai will not admit it. That mouth of his will even overturn black and white.

Secondly, Lv Huaicai would definitely get beaten up in anger. When that happens, he would have to buy that car even if he didn't want to.

Third, he wasn't willing to be beaten up because of some money. After all, the body was the core of the revolution. Only with a

healthy body could he freely do other things. It's worth it to spend a little money to stave off a disaster.

However, this didn't mean that Ji Tianxiang would swallow his anger. If he framed him, he would definitely take revenge.

At the moment, you, Lv Huaicai, have the advantage of numbers. A wise man does not fight when the odds are against him.

After all, the ancients had said that it was not too late for a gentleman to take revenge.

"Whether I buy it or not, if I don't, don't blame me for being rude." Lv Huaicai urged.

Ji Tianxiang laughed coldly and cursed in his heart: "How many times f * * king dog can I buy you?"

"Manager Lu, can I pay you for wrecking your car?" Being able to spend money was not a waste of money.

"I really can't afford a car." Ji Tianxiang said.

Lv Huaicai was silent for a while and said, "Alright, but this is a new model car for the market. It's not cheap to build, not only did you smash the front part of the car, you also trampled the brake."

Lv Huaicai even went to look at his car and knew that the brake was broken.

However, even if he admitted it, Ji Tianxiang didn't dare to say it out loud. He could only helplessly agree: "See how much money I have to pay."

"I calculated it." Lv Huaicai pretended to circle around the car and said coldly: "One hundred and fifty thousand, not a single cent less!"

"Since I'm losing so much, I might as well buy a car." Ji Tianxiang was shocked as he didn't expect the manager to ask so much.

"Sure, if you think it's too expensive, then buy it." Lv Huaicai said with a straight face.

If it was better to buy it, then he would earn even more money.

Ji Tianxiang chuckled. It seemed that the manager was determined to keep his eyes on him.

"I'll give you one hundred and fifty thousand then." Ji Tianxiang agreed straightforwardly.

This made Lv Huaicai a little confused. He looked at Ji Tianxiang for a long time:

"Kid, you promised so quickly, you can't be cheating, right?"

"Let me tell you, I have someone, have you heard of Shen Family? It's a hundred year old family with a huge power, don't even think about finding someone to take revenge on or call the police. It's completely useless for Shen Family." Lv Huaicai signaled with his eyes for the others to carry Ji Tianxiang into the company.

Someone from the Shen Family?

Then, do you know of any families that are even more powerful than the Shen Family, that is, the Ji Family?

And I, Ji Tianxiang, am the Young Master of Ji Family.

Hehe, Ji Tianxiang sneered inside.

C22

The sales manager of a small car store owned by Shen Family Corporation. If Shen Xiaoxiao knew about what he had done to me, she would definitely be courting death.

"Wait a minute, I suddenly remember that I don't have that much money with me. I need to make a phone call and ask my housekeeper to come over and pay for me." Ji Tianxiang shouted.

Lv Huaicai looked at Ji Tianxiang suspiciously. This poor competition kid also had a butler. You must be bragging.

"I'll just make a phone call. It'll be quick. If you doubt it, you can watch me." Before Lv Huaicai opened his mouth to refuse, Ji Tianxiang was the first to speak out the other party's thoughts.

This old fox had quite a bit of foresight.

When you call Shen Xiaoxiao from Shen Family over, let's see how you can still show off.

"You wouldn't dare to play any tricks." "Hurry up and fight, stop wasting my time." Lv Huaicai stopped thinking and urged with a bad

attitude.

When Ji Tianxiang took out his phone and called the beauty butler, Lv Huaicai really did stand beside Ji Tianxiang and watch him make a phone call. However, he didn't notice anything.

"Hey, Xiaoxiao, something has happened to me. I'm afraid I'll need your help." Ji Tianxiang directly said.

At that moment, there were five cars parked outside the door. One was a cross-country vehicle, one was a Kaiser, one was a Porsche, one was a BMW, and one was a Mercedes-Benz.

The first two vehicles and the last one got off first, followed by the Porsche in the middle. A woman with a strong aura and a first-class figure walked out.

However, from this woman's body, it could be determined that she definitely had some background.

Shen Xiaoxiao held her phone in one hand and said while walking in front, "Master Young Master Ji, I've made you wait for a long time. I'll be there soon."

Behind her were seven to eight strong men.

"How soon, how long? My situation here is rather urgent, I owe someone hundred and fifty thousand yuan, I can't leave without paying. "

"Master Young Master Ji, it will be soon."
Shen Xiaoxiao said confidently.

Ji Tianxiang turned around and saw that Shen Xiaoxiao had already led a group of people to the door. He couldn't help but be delighted:
"I'll see how you die later!"

"Kid, you're done? When people send you money, don't play tricks with me. You can't win against me. " Lv Huaicai said proudly.

"You talk too much, but you have to slap your face!" Manager Lu, look behind you. "

Ji Tianxiang sneered and pointed behind Lv Huaicai.

"I'll just watch and see. Besides you, I'll be afraid of you!"

Lv Huaicai said without thinking too much about it. However, when he saw who it was, his expression changed drastically.

"You, who are you? "Don't act recklessly, be careful that I don't call the police."

"Men, security, hurry up and kick these people out."

No matter how Lv Huaicai shouted, no one dared to step forward.

After a long while, someone suddenly asked in a low voice, "Isn't this the young miss of the Shen Group?"

"What? The young miss is here?"

This time, no one spoke up for Lv Huaicai. Everyone wanted to go up and greet Shen Xiaoxiao, but when they saw the displeased expression on Shen Xiaoxiao's face, they didn't dare to say anything.

Shen Xiaoxiao walked up and looked coldly at Lv Huaicai, "Break both of his legs and send him to the police station for fraud."

"Who are you? Why are you treating me like this? I want to call the police, I want to call the police." Lv Huaicai shouted in fright. His legs couldn't control themselves and he kneeled on the ground.

A few sturdy men stepped forward. Before they could catch Lv Huaicai, they smelt a pungent smell.

Ji Tianxiang looked down and saw that Lv Huaicai was scared to the point of peeing his pants. He could not help but walk up to him happily and say, "Ouch!" not someone who was talking to himself with Shen Family? The person in front of you is the daughter of the Shen Family, why? "You don't know him?"

"What?" Lv Huaicai half stood up and kneeled on the ground.

"Didn't you hear me? This is young miss Qian Jin from Shen Family, but she is also my, Ji Tianxiang's, housekeeper. " With a cold expression, Ji Tianxiang patted Lv Huaicai's face and said, "You think you can frame me? The entire Shen Family obeys me, do you think I'm afraid? Easily enough to make you half dead, or to send you to the police station and sit in jail. "So, next time, make sure you don't miss out on the next time you kill someone, no ..."

"Just who are you?" Lv Huaicai still couldn't control his curiosity even when he was about to die.

"Who am I? I am someone who can give birth to you, and also prevent you from seeing the sun tomorrow. " Ji Tianxiang said unrestrainedly.

Shen Xiaoxiao looked at Ji Tianxiang in surprise, waved her hand to have a few sturdy

men take Lv Huaicai away.

"Young Master, are you alright?" Shen Xiaoxiao said in concern.

"No, young master." You can just call me Tianxiang outside, I'm fine, you came in time. Thank you for what happened just now. " Ji Tianxiang said heroically.

"Young master, this is against the rules." Shen Xiaoxiao stared at Ji Tianxiang, not understanding what Ji Family Young Master was playing at.

"I told you to scream, just scream." Isn't the steward supposed to listen to the master's arrangements? "

Women are really easy to talk about. Ji Tianxiang told Shen Xiaoxiao to call him by his name because he didn't want to expose himself in public. He still wanted to stay low-key for a few more days before his identity was completely exposed.

With an awkward expression, Shen Xiaoxiao said helplessly, "Tianxiang. What do you need me to do for you? "

Ji Tianxiang glanced around and saw that a lot of people had gathered around. Some of them had noticed something and started pointing.

He did not want to reveal his identity now. He held Shen Xiaoxiao's hand and walked out without hesitation.

"You guys can go back first. I don't have anything else to do, so I can ask for your help."

"Okay, no, Tianxiang." Shen Xiaoxiao smiled.

Ji Tianxiang was suddenly stunned. What did it mean to have a beautiful smile? It was like a bewitching purple and a captivating red. He had finally witnessed it himself.

Ji Tianxiang was in a daze, then unknowingly said, "Your smile is so pretty."

Shen Xiaoxiao knew that she had lost her composure and quickly restrained herself, saying, "Young master, if there's nothing else, I'll head back first." That's right, regarding your return, the family has unanimously decided to have your identity revealed as soon as possible so that you can officially return to the family and work for the family. "

"Can't you give me a few more days to properly adjust my state of mind?"

Ji Tianxiang's face suddenly looked like a withered flower, unrecognizable.

Shen Xiaoxiao remained silent for a while and then asked, "Tianxiang, didn't you come to the car store to buy a car? Is there any car you like? "I can choose a car with you. If you like, I'll have the car keys put away for you to drive away now."

"Just that QQ." Ji Tian turned around to look at the place where countless new cars were stored, then pointed at a red QQ as he spoke.

"This QQ, are you sure?" Shen Xiaoxiao looked at Ji Tianxiang in surprise.

C23

He really didn't expect Ji Tianxiang to choose such a cheap car. This red QQ was less than 100,000 yuan.

With Ji Tianxiang's current identity, he should at least choose a high-class car that matched his status.

"That's it. I'm still in school, so I don't want to reveal my identity. Everything is about keeping a low profile." Ji Tianxiang saw Shen Xiaoxiao's doubt and explained.

Shen Xiaoxiao nodded her head in understanding as she clapped her hands and had someone find the keys to the QQ car.

Not even five minutes later, Shen Xiaoxiao's subordinate handed over the keys to the red QQ to Ji Tianxiang.

"Thank you. How much is this QQ?" Ji Tianxiang suddenly thought of something when he was about to receive the car keys.

"No money, Tianxiang. You just need to drive away. The businesses under Shen Family are just relying on Ji Family. If you have your eyes on your own things, then naturally you don't need money." Shen Xiaoxiao said respectfully.

Hearing Shen Xiaoxiao's words, Ji Tianxiang felt at ease and took the car keys.

"Tianxiang, I hope that you can quickly make a decision regarding the matter that I have discussed with you. The earlier you announce your identity, the more advantageous it will be for your return." Shen Xiaoxiao reminded him before she left.

"I got it. You can go back first. I'll give you a call when I think it through." Ji Tianxiang panicked and urged.

Shen Xiaoxiao could see that Ji Tianxiang was conflicted with this. She shook her head helplessly and turned around to get on the car without saying anything else.

This was the decision of the Ji Family family and not hers, so she could not say anything against it.

Ji Tianxiang watched Shen Xiaoxiao's car drive off into the distance before leaving dejectedly. He still wanted to play the rascal, trick Shen Xiaoxiao, and forgive himself for a few days of leisure.

Which family wouldn't listen? Ji Tianxiang couldn't help but sigh and say, "Ai, looks like we won't be able to escape this time."

Ji Tianxiang was the first son born to the Ji Family Patriarch, and was also the eldest young master of Ji Family. When he turned eighteen, he was exiled from the Ji Family and died on his own accord.

Over, over. Not self-destruction, but self-experience, the world of human feelings cold warmth, tasted the taste of life.

As a university student, Ji Tianxiang decided to be honest and drive his red QQ back to the school, to properly accept the teacher's baptism.

Ji Tianxiang had just returned to his room. Seeing that the room was empty, he decided to take a good rest.

It turned out to be an unfamiliar number, but it looked like it came from the same school.

As soon as he entered the university, every freshman of the university had to unify the use of a school's mobile phone.

The starting numbers of all the mobile phones in the school were basically the same, except for the last four.

Who could it be? Call me.

"Hello, who is this? Who are you looking for?"

Ji Tianxiang answered the phone and asked without hesitation.

"Is it Tianxiang?" I am Zhang Xinlan, Yuhan's roommate. Do you remember the last time we ate at Tianxin Garden?" Zhang Xinlan asked cautiously.

He decided to call Zhang Xinlan, but he had no other choice. His cousin wanted him to find a diaosi to be her fake boyfriend. He had to be diaosi, but he couldn't be shorter than 1.8 meters.

As Zhang Xinlan thought about it, Ji Tianxiang was the most suitable.

Ji Tianxiang blinked rapidly and said, "I remember. Such a beautiful female classmate, no one can remember or even remember you!"

"Hur hur, it's been a few days since we last met. Tianxiang, your mouth is sweet again." Zhang Xinlan's mood instantly became joyful, forgetting all that she had to say.

A man can coax a woman. As long as he praised her beauty a few times, he would be able to coax her. It seemed that this was a

necessary rule.

"Student Zhang, why did you call me? Is there something you need?" Ji Tianxiang asked.

It would be best if it was not Wu Yuhan who asked for it, otherwise he would immediately hang up.

"Can you come to Moster's now?" Zhang Xinlan said nervously, "It's not convenient for me to tell you the reason right now. I'll have to ask you to come over first." "Tianxiang, I'm begging you."

Zhang Xinlan's tone was full of pleading. Ji Tianxiang's heart was moved and he agreed without thinking.

"Tianxiang, you'd better get here in half an hour. Please."

Pa! Zhang Xinlan hung up the phone.

With regards to Ji Tianxiang, Zhang Xinlan could only try to be secretive. After all, begging others for help would make things awkward if she didn't agree. He would first trick the other party into coming over. She didn't want to do that, but it was an emergency, so she could only feel sorry for Ji Tianxiang.

What's more, letting Ji Tianxiang, the diaosi,

be her cousin's fake boyfriend also made Ji Tianxiang full of eyes. Her cousin, to be honest, was not a normal beauty. Even as a woman, she had brought shame upon herself.

Zhang Xinlan, why would you look for him?

Ji Tianxiang was also a bit curious.

At the intersection of Scholartree Road and Fanchen Road, the Moster Coffee Shop was considered one of the more luxurious streets in the university city. The size and size of the goods inside, as well as the food used, were enough to support the living expenses of an ordinary student.

"Over here!"

As soon as Ji Tianxiang walked into the coffee shop, Zhang Xinlan waved at him.

Zhang Xinlan was dressed beautifully today, wearing a white fairy dress with lady shoes on her feet. Her long hair was loose on her shoulders, and her delicate arms were adorned with accessories. She was sitting next to a plant in the coffee shop, holding a cup of coffee.

Fairy and literary, very much like the Internet.

"Why did you come to find me in such a hurry?" However, looking at the young

girl sitting peacefully in the coffee shop, Ji Tianxiang wondered if Zhang Xinlan was looking for him for another trap.

Zhang Xinlan didn't expect Ji Tianxiang to be wearing a new set of clothes. No matter if it was a brand name or not, when Ji Tianxiang was wearing a new set of clothes, it gave him a special temperament.

It was completely different from the feeling he got when he saw Ji Tianxiang.

Zhang Xinlan lost herself for a moment with the confidence between her eyebrows, her straight back, and her tall figure.

"Sorry! I'm in such a hurry to find you, I really have no other choice. I have a cousin who's been working for a few years already, and I urgently need a boyfriend right now. " Zhang Xinlan blinked and said, "You're the most suitable person I know. So, please. Be my cousin's boyfriend. "

What?!

Ji Tianxiang was stunned.

Zhang Xinlan asked him for Ji Tianxiang's help because she wanted him to be her cousin's boyfriend?

Her cousin was now at work, and he was still a university student who had yet to leave school. At the very least, in terms of experience, who knew how many generations they had, they were simply people from different worlds.

Even if there was no generation gap, it wouldn't be Ji Tianxiang's turn to be her cousin's boyfriend.

His reputation as a pauper had already spread throughout the school long ago. Even if it was a woman, she would despise him and she wouldn't want to be with him.

C24

Could it be that Zhang Xinlan had discovered something? You know he's rich?

Not necessarily. If Zhang Xinlan knew that he, Ji Tianxiang, was rich, she would have rushed up a long time ago.

"This, Student Zhang, are you sure you're not mistaken?" Ji Tianxiang said.

"I'm not mistaken." Zhang Xinlan's face sank as she said seriously, "My cousin doesn't have high requirements for her boyfriend's family. She just wants to find an obedient and honest boyfriend, and I think you're very obedient so I'll introduce you to her. Besides, I've already told my cousin about your situation, and my cousin says she won't mind your family, as long as you're obedient!"

An obedient boyfriend?

Could Cousin Zhang Xinlan be of the Queen Attribute?

You want to find a cute young puppy to date?

"Alright, my cousin should be here soon. Wait here, I'll go take a look."

After saying that, Zhang Xinlan left Ji Tianxiang and walked to the entrance of the coffee shop alone.

"Cousin, are you here yet? I've been waiting for you at Moster's for a while. "

Zhang Xinlan dialed her cousin's number.

"There's a traffic jam. I'm almost there." On the phone, a pleasant female voice said, "By the way, Xinlan, have you found the person I told you to look for?"

"I found it. I'm sure you'll be satisfied!" Zhang Xinlan giggled, "Cousin, please don't worry about it. You just need to find a poor, poor, and obedient boy, he looks and his height can't be too bad. Let me tell you, this guy was found in accordance with your request. In our school, he is famous for being a prince of trash picking up money and selling food because he is poor. Furthermore, the clothes he wears are old clothes from several decades ago, and he would have had as much money as he would have had if they had asked him to do it in school. He did what his classmates told him to do in school, and he was very obedient.

"Really? Do you really have a boy like that by your side? " There are people that are so poor, especially young people: "Xinlan, let me tell

you, this time I must make Zhong Jie take the bait, so, that guy must have enough diaosi, to cause Zhong Jie to be jealous, to stimulate him to take the initiative to ask me about our relationship."

"Cousin, are you really going to marry Zhong Jie? No more thinking about it?" Zhang Xinlan said.

I can't help it, your cousin already worked in the society for a few years, and she's getting older and older, and her parents are pressing her. Although Zhong Jie doesn't look like much, and he's still a matchmaking partner, but he's still the general manager of a company, and his parents are both in the institution, and they also bought a house at the Blue Sky Corporation with Beidu. Although it's two rooms, the starting price of the house in the Blue Sky Corporation is already 40,000. The woman said.

Cousin, isn't Zhong Jie also interested in you? Everyday, I don't want to take you to and from work, take you to have a meal, buy you a present, or even get a favor from an aunt. As long as you hook up with him a little, he would fall for it, right? Why would they need to go through so much trouble just to do that?" Zhang Xinlan said.

"Silly girl, you don't understand this, right?"

A relationship is like a game. Whoever takes the initiative first loses." The woman said mysteriously.

"That cousin, I still don't understand." Zhang Xinlan laughed awkwardly.

The woman explained, "If I hook up with Zhong Jie on my own accord, even if we have a relationship, I will have a lower status in this relationship. If Zhong Jie came to pursue me, then my position will be higher than Zhong Jie's in this relationship. When I tell him to go east, he won't dare go west, but now if he wants Zhong Jie to be loyal and obedient to me, he will have to find someone to provoke him in order to show my importance."

"So that's how it is!" After she understood her cousin's plan, she said, "That's why cousin wanted to find a diaosi guy to pretend to be your boyfriend. After being seen by Zhong Jie, she would definitely be provoked and feel jealous, thinking that a diaosi could be your boyfriend. If she's angry, she'll confess to you on her own accord and confirm your relationship."

"That's right, that's why I wanted you to help me find a boyfriend." The woman said, "When the time comes, I will pretend to be a couple for a few days. As long as Zhong Jie sees it, he will definitely come to pursue me urgently,

afraid that if I am with another man, he will definitely bring up the matter of establishing our relationship. I will then kick that man away and accept Zhong Jie's pursuit."

"Tsk tsk, cousin, your strategy is really high. You actually thought of such a plan to provoke Zhong Jie. The answer is already clear before the result even comes. If Zhong Jie dares to play tricks with you, he's no match for you."

Zhang Xinlan was completely impressed with her cousin.

"Alright, let's not talk about it anymore. There are too many twists and turns in our relationship. If you want something that belongs to you, then we women have to learn how to use it. Otherwise, ducks that reach our mouths will fly." The woman said complacently, "You can go in first. I still need two traffic lights."

"Alright, but cousin, don't forget me when the thing between you and Zhong Jie is done. You have to thank me well!" Zhang Xinlan giggled.

"No problem, as long as it's a success, Cousin will definitely not treat you unfairly." the woman promised.

Zhang Xinlan hung up the phone and walked back to her seat.

Seeing Ji Tianxiang sitting in his seat, he said with a bored expression: "My cousin is stuck in a traffic jam. We still need more time, why don't you order a drink first and wait patiently."

At this moment, a man and a woman entered the Moster Coffee Shop.

"Screech!" Look, who is this? Why is the most famous prince of Beidu here? " The man recognized Ji Tianxiang with his sharp eyes and said sarcastically.

"Darling, why do you think this person is so strange? You don't have any money, yet you like to go to high-end places and act cool. " The man embraced the woman beside him and slowly walked closer. He said without looking at her, "Beautiful girl, don't be fooled by this brat. He only stinks for a little while." "No money, just beautiful girls like you."

Coincidentally, they met again.

The woman was Wu Yuhan, and that man was her current boyfriend. His name was Ma Qiangwei.

Ji Tianxiang glanced at the woman coldly and sneered. He didn't argue with the man.

The waiter walked over and asked, "Sir, what would you like to order?"

"What do you have here?" Ji Tianxiang asked.

C25

Ma Qiangwei couldn't wait to sneer at the waiter and said, "Why did you ask him? He can't afford to pay your store. I think you should just give him a glass of water in the toilet. "Haha."

F * ck you! Ma Qiangwei.

Ji Tianxiang suddenly stood up and stared coldly at Ma Qiangwei.

"Yo, you're so angry about a small beggar. It seems like you want to hit someone." Ma Qiangwei mocked.

Indeed, damn it, he really wanted to hit someone.

Ji Tianxiang clenched his fists. When he was about to extend his fist, he was stopped by Zhang Xinlan.

"Tianxiang, don't."

Zhang Xinlan looked pleadingly at Ji Tianxiang and said, "My cousin will be coming over soon. I don't want to blow the whole thing."

Ji Tianxiang clenched his fist and sat down

"Hmph, you probably wouldn't dare to do anything to me, you poor kid." Ma Qiangwei sneered and kicked Ji Tianxiang again.

"You." Ji Tianxiang angrily pointed at Ma Qiangwei.

From the bottom of his heart, Ma Qiangwei felt that even if Ji Tianxiang was bullied by him, he wouldn't dare to do anything to him.

"You, you what you. Little Bastard, you are so good that you dare to point at your father. "You're so rude, you're asking for a lesson."

Ma Qiangwei stretched out his hand and wanted to slap Ji Tianxiang's face.

To dispel the humiliation of the last time at the Western Restaurant.

Who told this brat to be so blind as to bully others? He actually dared to bully his head.

How could Ji Tianxiang agree with Ma Qiangwei's intentions? He grabbed Ma Qiangwei's hand with one hand and was unable to move.

Ye Zichen reached out his other hand and prepared to hit Ma Qiangwei.

"Ah, Ji Tianxiang, what are you doing?"
Wu Yuhuan suddenly screamed, scaring Ji
Tianxiang out of his wits.

Ma Qiangwei took the opportunity to slap Ji
Tianxiang.

"Whap."

"F * ck your mother!" If I give you face, you
don't want it. Whatever you've done to me
today, I'll make you pay for it. " One slap, it
really annoyed Ji Tianxiang.

Ever since he was young, he, Ji Tianxiang, had
never been slapped in the face before.

Whenever it came to problems that could be
solved with money, he would definitely not
use his little life or body to solve them.

Ma Qiangwei, do you want to die! How dare
you hit him?

If he didn't show Wang Erpi some colors, he
wouldn't know his name.

"Oh." Ma Qiangwei hugged his stomach and
cried out in pain: "F * ck, you really dare to
hit me." "Damn you, I will definitely kill you
today."

Ji Tianxiang sneered. He didn't know who

would kill who.

Prepare your next punch and continue to teach Ma Qiangwei a lesson.

"Stop." Ma Qiangwei wanted to retaliate, but he realized that his stomach was hurting so much that he couldn't even straighten his waist. He cursed in his heart: What the f * ck, this brat has some skills.

He quickly said: "Ji Tianxiang, you have to think this through, what are you doing? Don't forget that my father is Ma Qiangfei, an investor in your school. You can casually give the principal a call, do you think you can still stay in Beidu University?"

"Oh, so what!" Ji Tianxiang said indifferently and punched again.

"Tianxiang, don't."

"Ji Tianxiang, you dare?"

Just as Ji Tianxiang's fist was about to hit, Zhang Xinlan and Wu Yuhan shouted at the same time. Their fists froze in midair.

"Ji Tianxiang, why don't you try it?" I think you should do it, why don't you dare to? " Ma Qiangwei hurriedly took a few steps back and hid behind Wu Yuhan. He said shamelessly,

"If you dare hit me today, I'll let you learn it."

C26

"Ji Tianxiang, you'd better be more honest and know what is light and what is heavy. Mr Ma is not someone that you can offend." Wu Yuhan laughed coldly with a complacent look on her face.

Originally, Wu Yuhan felt a little guilty facing Ji Tianxiang, so she didn't say much.

However, when she heard Ma Qiangwei mention her family background, she instantly gained confidence.

Ji Tianxiang only won a little bit of money, but if Ma Qiangwei didn't win the prize, his net worth would be over a billion.

Ji Tianxiang said calmly: "Are you sure that I, Ji Tianxiang, cannot afford to offend you?"

Ma Qiangwei's father was actually Ma Qiangfei, one of the more famous entrepreneurs in Beidu. He didn't expect him to be an investor in Beidu University.

A while ago, Zhang Xinlan and the others only heard that Wu Yuhan was being pursued by a rich second-generation, so they abandoned Ji Tianxiang. Their roommates asked a few more questions, but Wu Yuhan refused to tell them

the truth.

So that's the reason.

He hid it quite deeply.

Zhang Xinlan gave Wu Yuhan a deep look and immediately decided on the pros and cons. She stepped forward and pulled Ji Tianxiang over, "Tianxiang, stop fighting. My cousin will be here soon. I don't want to mess this up. "Please."

"Ma Qiangwei, you've gone too far. You deserve to be taught a lesson." Ji Tianxiang said.

"Tianxiang, I know Ma Qiangwei is not a good person. But after a while, my cousin and her date are coming, and I don't want to screw it up. "Please, please don't make a big deal out of this, okay?" Zhang Xinlan said anxiously.

Privately, Zhang Xinlan thought that Ji Tianxiang couldn't beat Ma Qiangwei and was afraid of implicating herself.

Ji Tianxiang frowned and took a deep breath, "Ma Qiangwei, let's forget about today's matter. Now get the hell out of this restaurant. Otherwise, I'll still hit you. "

Ma Qiangwei scoffed, "Why don't you do it?"

"That's what you said, I've seen lowly people before, I've never seen such a lowly person like you." I beg others to hit you. "

Ji Tianxiang mocked and clenched his fist.

"Ah, you little bastard, just you wait. I'll make you kneel down and beg me."

Seeing that his fist was about to come down, Ma Qiangwei hurriedly ran to the door and threatened in a flustered manner.

Wu Yuhan didn't know why Ma Qiangwei was scared. He ran faster than a weasel and said anxiously, "Mr Ma, wait for me."

"Ji Tianxiang, don't be too proud. Mr Ma's father will definitely not let you off, and just wait for you to have a good fruit to eat. "

Leaving just like that, Wu Yuhan felt that it was too embarrassing, so she threatened him as if he was a decent person.

"Tianxiang, thank you." Zhang Xinlan said seriously.

"Yes." Ji Tianxiang replied with a faint "En".

Zhang Xinlan's expression changed slightly as she instantly felt a little awkward. "Right, what do you want to drink? I'll treat you."

"A glass of orange juice, please." Ji Tianxiang said without any hesitation.

"Waiter, a glass of orange juice." How could this person be like this? He actually wanted to spend the girl's money. Zhang Xinlan looked at Ji Tianxiang with disdain, then thought of her cousin.

"Tianxiang, my cousin and her matchmaking partner are coming over later. You have to pretend to be my cousin's boyfriend, and the goal is to kick them out. Remember, don't let anything slip." Zhang Xinlan arranged.

Ji Tianxiang nodded his head to show that he understood.

But when did he agree?

This Zhang Xinlan really knew how to lead a train. She kept pulling at his nose.

Forget it, since I've already come, I might as well do something.

C27

Zhang Xinlan saw that Ji Tianxiang was absent-minded and was afraid that Ji Tianxiang would mess things up. She wanted to ask him to do something, but when she looked up, she saw her cousin.

"Cousin, here." Zhang Xinlan stood up and said happily.

"Xinlan." His cousin waved at him with a smile.

"Cousin, why did you only arrive now? Didn't we say that you would be here in half an hour!" Zhang Xinlan said coquettishly, "You made me wait for so long. Cousin, how are you going to compensate me?"

"Oh, my dear sister. After this is over, elder sister will take you to buy clothes." His cousin squeezed Zhang Xinlan's cheek intimately and said with a smile.

"Oh right, have you found the person I told you to find?"

"Haha." Cousin, you can rest assured that I will handle this matter. I guarantee that you will be satisfied with the people I've found.
"Well, he's sitting right here." Zhang Xinlan

giggled, pointed at Ji Tianxiang and said, "How is it? It doesn't fit with who you want. "

Then Lili Dujek said, "Tianxiang, my cousin is here. Come and say hello."

Ji Tianxiang raised his head casually. When he saw Cousin Zhang Xinlan, he couldn't help but be stunned.

What a beautiful cousin.

Around 1.7 meters tall, with wavy hair and exotic facial features, red lips, a long red dress, white legs, and a pair of Roman shoes.

However, it seemed a little familiar. Maybe he had seen it somewhere before.

"Hello." Ji Tianxiang said.

Cousin Zhang Xinlan didn't casually nod to Ji Tianxiang as a form of greeting. She pulled Zhang Xinlan to the side and gave a few words of advice before returning to their seats.

However, when she met Ji Tianxiang's gaze and saw the outline of his body, she was stunned.

Why is it him?

Cousin Zhang Xinlan could not believe her

eyes. Who did she see? He was so excited that he wanted to shout out. In fact, his entire body couldn't help but tremble.

"Cousin, what's wrong?" Zhang Xinlan felt that something was wrong with her cousin, so she asked curiously.

"It's fine, it's fine. Xinlan, is this your classmate or your friend? "Let's make introductions?" Cousin Zhang Xinlan said as she restrained her expression.

"Oh, yes. Let me introduce you. " He had almost forgotten about this.

Zhang Xinlan first pointed at Ji Tianxiang and said to her cousin, "He's my classmate, he's from the same class, his name is Ji Tianxiang. He's pretty good. The key is better luck. Cousin, you don't even know that a few days ago, Tianxiang won three hundred thousand, and very magnanimously invited us to the most expensive and highest-class Tianxin Garden for a meal. "

With that, Zhang Xinlan gave Ji Tianxiang a wink, indicating that Ji Tianxiang should take the initiative to greet her cousin.

At this moment, Ji Tianxiang was trying to recall where he had seen Zhang Xinlan's cousin and didn't notice Zhang Xinlan's expression.

After waiting for a long time and not seeing Ji Tianxiang say anything, he waved his hand and realized that Ji Tianxiang was lost in thought.

"Hello." Ji Tianxiang, what are you doing? Why aren't you greeting my cousin? I'm looking for you to help, not to let you have a free drink and just sit there in a daze. "

Zhang Xinlan was speechless. She rolled her eyes and grumbled impatiently.

He started to dislike it and even regretted asking Ji Tianxiang for help.

"Xinlan."

Zhang Xinlan's cousin suddenly yelled at Zhang Xinlan with a displeased look on her face. It seemed that Zhang Xinlan had done something she shouldn't have done and had made her unhappy.

Zhang Xinlan was puzzled. Why was Cousin angry? She had only said a few words to Ji Tianxiang. Could it be that her cousin was afraid that she would drive him away, that she would force him to go on a date with her, and that she would screw it up?

Well, then. She'll be a bit more polite to Ji

Tianxiang first.

"Ji Tianxiang, this is my cousin. You also saw how pretty she looks, so I invited you here just to help out my cousin. Don't take the chance to hit on my cousin." Let me tell you, not only is my cousin good-looking, but she also has a good job. "You must not ..." Zhang Xinlan still wanted to keep nagging at Ji Tianxiang.

"Especially good work? How good could it be? The key is that a person's character must also be good." Ji Tianxiang smiled and said.

He thought about it for a long time. He had seen Zhang Xinlan's beautiful cousin in the bank once, but it was just a fleeting glance.

At that time, he saw this beautiful female cousin about to step forward to inquire about the matter, but the other party turned around and walked away as if he couldn't see her.

Beautiful, a little temper, he could understand.

But as a worker serving the people, he didn't want to do that anymore. It's not like she's his woman, why would anyone look at her with disdain?

"Ji Tianxiang, what do you mean? Are you mocking my cousin? Have you seen my

cousin? What right do you have to say that about her? " When Zhang Xinlan saw Ji Tianxiang's smile, she felt a deep sense of malice and said with an extremely nasty tone.

"Xinlan, stop it." Cousin Zhang Xinlan was anxious.

"Don't get me wrong, I mean your cousin's job is good and her character is good." Ji Tianxiang didn't want to be entangled, so he explained.

In the end, this explanation offended Zhang Xinlan even more.

He actually dared to criticize her cousin's bad character. It was truly annoying.

"Ji Tianxiang, don't go too far." Zhang Xinlan angrily threw her coffee cup at Ji Tianxiang's face.

"Shatter."

Cousin Zhang Xinlan couldn't hold it in any longer. She picked up the orange juice from the table and splashed it on Zhang Xinlan's face.

Yes, Cousin Zhang Xinlan was getting anxious.

What kind of person was Ji Tianxiang? Not

only was he a super rich person with a black card, he was also someone with an unimaginably high status. Of course, this last sentence wasn't said by her, but by their bank manager.

After Ji Tianxiang took the money and left, the manager immediately released a message, telling everyone to stop their work and start a notification meeting. The content of the meeting was to announce Ji Tianxiang's appearance and identity. Among them, there was a sentence: This man is not only rich but his identity is also extremely noble. It is impossible for ordinary people like us to imagine. He also warned the staff at the bank that they must remember Ji Tianxiang's face. When they saw him in the future, they must treat him with respect.

Ever since she found out Ji Tianxiang's real identity, she had been looking forward to meeting him again. Therefore, she didn't fancy any of the matchmaking partners that her parents had urged.

That was why he had been forced to find someone to be his fake boyfriend and end the matchmaking once and for all.

Ye Zichen didn't expect that Ji Tianxiang would meet her with the matter of finding a fake boyfriend.

The heavens were really helping her!

If she could develop with Ji Tianxiang into a true couple, wouldn't that mean that Cinderella would marry the prince, become a princess, and from then on lead an extraordinary life in a wealthy family?

This concerned the fate of his entire life.

Therefore, she absolutely could not tolerate anyone destroying her, even her cousin Zhang Xinlan, who had good relations with her. He had already warned Zhang Xinlan about her attitude towards Ji Tianxiang. He didn't expect her to be so rude to him after that.

C28

If he offended Ji Tianxiang, wouldn't his fate be ruined by Zhang Xinlan?

Cousin, since you're so disobedient, don't blame me for being heartless.

"Xinlan, you've gone too far this time." Cousin Zhang Xinlan snapped sternly. She turned around and walked in front of Ji Tianxiang with incomparable concern.

"Mr Ji, are you alright?" "Are you hot? Let's go. I'll accompany you to the bathroom and take a cold shower."

The coffee was still warm when it was poured on Ji Tianxiang's face.

With Cousin Zhang Xinlan's support, Ji Tianxiang went to the bathroom. He didn't care if it was a male restroom or a female restroom, he just went in.

Zhang Xinlan gently and considerately washed Ji Tianxiang's face. She even took out her expensive Chanel handkerchief to wipe Ji Tianxiang's face.

"Thank you. Cousin Xinlan." After that, Ji Tianxiang said gratefully.

"Aiya!" "I forgot to introduce myself. I'm Xinlan's cousin Wang Shishi. You can call me Sofia." Lili smiled sweetly and said, "This time, I really have to thank you for asking Xinlan to find you and help me deal with the matchmaking partner that my parents found for me." "Tianxiang."

When Wang Shishi introduced herself, she didn't mention anything about meeting Ji Tianxiang in the bank. In the end, she hoped that Ji Tianxiang would forget about meeting her in the bank.

After all, Ji Tianxiang entered the bank and asked her about it. She didn't have a good attitude, so she turned around and left.

"You are fine in every way, you are good-looking, and you work in a bank. He didn't need to worry about finding a rich and kind man. Even if he wanted to find someone to pretend to be your boyfriend, he still needed someone. "But why do you have to find a poor and poor diaosi to pretend to be you?" Ji Tianxiang was curious.

When Zhang Xinlan came to look for him, she had no doubt that he had taken a fancy to Ji Tianxiang's poverty. It wasn't because they couldn't find him, but because of this reason.

Speaking up to here, Ji Tianxiang paused intentionally as he stared at Wang Shishi and said, "Miss Wang, it seems like the rich forget that we've met at the bank."

"Tianxiang, you ..." Wang Shishi looked at Ji Tianxiang in shock, momentarily at a loss of what to do.

The answer was ingrained in her heart. The only reason why she did this was to find a man who was easy to deceive and easy to control to do things for her. After she had done what she wanted to do, she could still leave without feeling any guilt.

However, Wang Shishi's plan was to meet Ji Tianxiang again and become Ji Tianxiang's woman. From then on, they would live the lives of rich and powerful families.

"Young Master Ji, I'm really sorry about what happened last time. I reflected that when I shouldn't work, I should treat everyone fairly with a powerful and colored eye. Also, a low-key talent has its connotation and soul. I should learn from you, Young Master Ji. In fact, regardless of poverty, only a person with a low-key, sincere, life is the most precious priceless wealth. Just like Young Master Ji's character is so precious and priceless, my heart yearned for it, but my heart was restless. "So, the person that I want to spend my life

with in the future is just like Young Master Ji."

Wang Shishi's adaptability could be considered top of the line as she quickly came up with a reason.

When Ji Tianxiang heard this, he was deeply moved. What a fart!

It was so natural.

"Really?" Ji Tianxiang smiled and looked at Wang Shishi.

"It is absolutely true. I can vouch for it with my own life. If what I say is false, I'll be hit by a car the moment I leave the house." Wang Shishi said resolutely.

Uh, okay. It seemed that he had misjudged him, and his vile heart was in the stomach of a noble.

"Alright, I believe you." Ji Tianxiang said, "However, even so, we don't seem to be suitable for each other. After all, Miss Wang is a lot older than me."

The old cow can eat young grass, but the young grass can eat old cattle.

Although Wang Shishi looked pretty good, in Ji Tianxiang's heart, he still liked to find a girl

who was younger than him.

"Aha. "Young Master Ji, I look really old."
Wang Shishi had an awkward expression.

At this point, how could Wang Shishi let him go so easily? In the progress of her relationship with Ji Tianxiang, no matter how many problems she encountered, she would only focus on moving forward and never retreat.

Wang Shishi had decided that she would pester Ji Tianxiang to the end until he became her man.

Ji Tianxiang immediately shook his head and said, "You look young, a lot younger than the average university student. The point is, there's a lot of difference between our actual ages. "Miss Wang, you understand?"

"Young Master Ji, I know that a small female bank employee like myself can't match up to you. I'm a few years older than you, I don't dare to hope that you can like me. However, I really need Young Master Ji's help right now. My family has always been looking for my matchmaking partner, and those people are either arrogant or conceited. They completely ignore my wishes and come to the place where I work several times to harass me, causing me to be often derided by colleagues and the manager for not doing a good job. Young

Master Ji, can you help me? This kind of life really makes it hard for me to breathe. "

Speaking to this, Wang Shishi's face was covered in tears, looking really pitiful, "Young Master Ji, can you be my boyfriend? After helping me deal with this matter, I can do whatever Young Master Ji commands me to. I am willing to be Young Master Ji's subordinate and serve him. "

Wang Shishi's tears rolled down her face as she said this. She looked more and more heartbroken. This woman was originally beautiful, but now that she cried, she looked even more soul-stirring.

"Sure, I can be your boyfriend." Ji Tianxiang's heart couldn't help but soften as he agreed.

"Oh, really? Thank you so much, Young Master Ji. You are truly a good person. "

Seeing Wang Shishi's excitement, Ji Tianxiang changed the topic, "However, it's just a fake boyfriend. "You still have to promise me one more condition, don't tell anyone else my identity, especially your cousin Zhang Xinlan."

"No problem, I definitely won't tell anyone." Wang Shishi was overjoyed. It would be more beneficial to her if she did not tell others Ji

Tianxiang's true identity.

That was good as well. It would be more convenient for him to get close to the water and get the moon first.

Especially his cousin Zhang Xinlan, who didn't know if it would be better. His cousin had always wanted him to introduce a rich second generation boyfriend of good family background, but unfortunately, most of those rich second generation looked down on his cousin.

After that, he couldn't be bothered to introduce her anymore. Who told her cousin to be stupid, stupid and disappointing, unable to catch a man.

Even now, his cousin actually had such a rich man by her side. She didn't even realize this, and she even seemed to despise him. Even if the fuerdai had a slight favorable impression of her, they would still not be able to catch her.

What's more, Ji Tianxiang had already been reduced to his own, so it was impossible for him to give it to his cousin.

As for women, no matter how good their relationship was, as long as it was about benefits and men, they would mercilessly and

mercilessly fall out with each other.

However, Ji Tianxiang seemed to despise himself for being too old. I can't do that. I have to take good care of her face when she gets back.

C29

Not only must he look younger than the university students, but he must also look younger than the high school students.

After getting along a lot with Ji Tianxiang, he discovered that his beauty was different from others. He believed that their relationship would naturally come to fruition.

Wang Shishi's calculations were not ordinary. She still had a certain level of confidence in her looks and figure.

Ji Tianxiang, very soon, you are mine.

After they made up their minds, Wang Shishi supported Ji Tianxiang back to his seat.

"Cousin, why are you supporting him? I am your cousin." Zhang Xinlan said unwillingly.

As long as Zhang Xinlan saw her cousin Wang Shishi, the arrogant nature of her body would be exposed.

Speaking of which, this was something that his cousin Wang Shishi had also brought out.

As she spoke, Zhang Xinlan wanted to pour coffee on Ji Tianxiang's face, but she was

stopped by Wang Shishi, who quickly stopped her.

Zhang Xinlan kept wiping her hair, face, and clothes with a tissue as she glared at Wang Shishi.

Wang Shishi was not in a good mood either. She glanced coldly at Zhang Xinlan.

Not long later, Zhang Xinlan apologized to Wang Shishi happily, apologizing to Ji Tianxiang.

Only then did Wang Shishi call out to the waiter with a smile on her face. She turned around and asked, "Tianxiang, look at the menu, let's order something else to drink."

"No need. If there's nothing else, I'll be leaving first." Ji Tianxiang stood up and walked out after saying that.

Wang Shishi couldn't care so much. She chased after Ji Tianxiang after he left.

"Hey, Tianxiang, don't go yet. Didn't you promise to help me deal with my blind date? He will be here soon. If you leave, what can I do? I really don't want to be bothered by him anymore." Wang Shishi took the initiative to hold Ji Tianxiang's arm, looking at him lovingly.

"Fine." That was true, he had indeed promised Wang Shishi that he would help him with something. Since he had already agreed, then he might as well help her before leaving.

Ji Tianxiang was persuaded to go back like this by Wang Shishi.

The two of them went back to their seats one after the other. Wang Shishi was so happy that her face unconsciously lit up as she looked at Ji Tianxiang tenderly.

Zhang Xinlan, who was standing at the side, looked at Wang Shishi who looked like a completely different person. She felt that it was strange, but when she thought about it again, perhaps her cousin had other plans that he hadn't informed her of in advance.

However, looking at Wang Shishi's better attitude towards Ji Tianxiang, she still felt a little uncomfortable. Forget it, she will endure it for now, until her cousin finishes using Ji Tianxiang and kicks her away, it won't have much to do with her anymore. At that time, she could take this opportunity to find more benefits for her cousin.

At this moment, Wang Shishi's phone, which was placed on the table, rang. On the screen, it was Zhong Jie calling.

"Cousin, Zhong Jie called you." Zhang Xinlan said excitedly.

As long as Zhong Jie came and saw Ji Tianxiang, Cousin's plan would be successful.

Wang Shishi wasn't Sabi, so of course she saw Zhong Jie calling her. However, she didn't want to answer it now, nor did she want to see Zhong Jie. Therefore, she hung up the phone straightforwardly.

Ji Tianxiang looked up at Zhang Xinlan and Wang Shishi. Wang Shishi, afraid that Ji Tianxiang might be suspicious, said, "We don't need to talk about a boring person. Tianxiang, what do you usually like to eat?"

Wang Shishi quickly changed the topic, interrupting Ji Tianxiang's thoughts and asking him what he usually liked to eat. On one hand, he wanted to get to know Ji Tianxiang. On the other hand, he could privately cook a caring meal for Ji Tianxiang and send it to the school so that Ji Tianxiang would know that she, Wang Shishi, was a woman from the kitchen and thus win a good impression.

Zhang Xinlan didn't understand. Why did her cousin hang up on Zhong Jie? According to the plan, shouldn't she ask Zhong Jie out and tell him that her cousin already had a boyfriend?

Stimulate Zhong Jie confessing to his cousin?

"Cousin, Zhong Jie called you? Why didn't you accept? If you don't, your plan will go down the drain!" Zhang Xinlan was getting anxious.

"What Zhong Jie?" I don't know him. What plan? Why didn't I know? "Xinlan, I think you must be thinking too much today. How dare you talk nonsense and drink a glass of water to clear your head." Wang Shishi shot Zhang Xinlan a fierce glare, telling her to shut up.

"Cousin, why don't you know Zhong Jie? He's the matchmaker you keep bringing up to me. Aren't you going to call him over today? It just so happens that Ji Tianxiang is also here, and he can also agitate Zhong Jie, causing his pride to suffer a setback so that he can take the initiative to chase after us ... " Zhang Xinlan's mind was like a joke, she could not understand the look Wang Shishi had been giving her.

Pow!

Wang Shishi could no longer hold it in and slapped her cousin!

Yes, Wang Shishi was getting anxious.

Cousin, you talk a lot at a time like this, do you think she's blind?

She even took the initiative to hang up Zhong Jie's phone, didn't her meaning become very clear? Obviously, he didn't want to answer Zhong Jie's call.

This silly girl, how could she not see that? She was trying her best to please Ji Tianxiang, but you made a mistake for yourself. If Ji Tianxiang found out about me asking for his help before, it would be a lie.

The answer, obviously, was no.

Therefore, she definitely wouldn't let her cousin ruin her impression of Ji Tianxiang, and she definitely couldn't let Ji Tianxiang know what she was scheming from the bottom of her heart.

C30

Forget about the routine at Zhong Jie. Now that she had a super rich second-generation like Ji Tianxiang, she alone could manage it. If she succeeded, then her future life would be much better than living with Zhong Jie by hundreds of times.

"What are you doing!" "Sofia, now that Tianxiang is my boyfriend, don't talk nonsense. It spoils my relationship with Tianxiang. I won't forgive you." Wang Shishi said as she took the initiative to move closer to Ji Tianxiang. The little bird leaned against Ji Tianxiang's chest and glared at Zhang Xinlan.

Instantly, the atmosphere became tense.

Ji Tianxiang was still thinking about what Zhang Xinlan had said just a second ago. He was slightly surprised when he saw Wang Shishi beat up Zhang Xinlan the next second.

"Your blind date is coming back?" Ji Tianxiang didn't know what to say, so he asked.

Facing Ji Tianxiang, Wang Shishi quickly closed her eyes and said gently, "Look at this, it should be impossible. But it doesn't matter, we can do something else, I know there's a

restaurant that isn't too wrong, let's go there to eat."

Since Wang Shishi's blind date wasn't coming, he didn't want to stay any longer. Moreover, if he stayed any longer, the conflict would grow bigger and bigger, and the relationship between the two sisters might become even worse because of this.

Ji Tianxiang found an excuse and refused Wang Shishi's invitation before leaving the Moster Coffee Shop.

Ji Tianxiang left.

Zhang Xinlan touched her cousin's red face as she glared angrily at Wang Shishi.

What the hell was this? From the moment she saw Ji Tianxiang, her cousin's attitude towards her was quite abnormal. First, she spilled all of her coffee and then slapped her.

Wang Shishi remained silent with a cold expression.

The two of them stayed in a deadlock for a while. Zhang Xinlan said, feeling wronged, "Cousin, why did you do that to me just now? Didn't you arrange for me to do that? I did it and you hit me instead. "

Hehe, I arranged for you to do that, but I also gave you a wink to shut up. I also gave you a hint from my words, why didn't you do as I said?

Aren't you the one who deserved it? You almost ruined her plans of marrying into a rich family and becoming the young mistress of a wealthy family.

On the surface, however, she could not say such a thing.

Wang Shishi smiled, "Cousin, I suddenly changed my plans. I didn't have the time to tell you that Cousin was in the wrong. Cousin should compensate you. "Come, I'll take you to buy it now."

"Alright." When Zhang Xinlan heard her cousin make up for her loss, she immediately showed a happy expression, but she changed her plan and didn't tell her about it at all. She looked at Wang Shishi grudgingly, "Cousin, since you've changed your plan, you have to inform me in time. I'll cooperate with you, but what did you change your plan for? Do you need to hit your cousin?"

"This is a long story. Let's go, I'll tell you on the way, I'll take you to buy a few dresses you like first. If you don't go, I'm afraid the mall will close." Wang Shishi was stunned. For a

while, she couldn't find a reason to deal with her cousin, so she changed the subject.

She wanted to hook up with Ji Tianxiang and become a rich lady in the family. She didn't need Zhong Jie to take the initiative to look for her, but to leave Zhong Jie as far as possible. Could she tell her cousin about this plan?

The answer was obvious, of course not. She, Wang Shishi, would not tell Ji Tianxiang's identity to her cousin, much less give such a good piece of meat to someone else.

Zhang Xinlan didn't doubt him and left with her cousin.

However, when they arrived at the mall, Wang Shishi didn't take the initiative to ask Zhang Xinlan for a change of plans. Since Zhang Xinlan had seen her favorite clothes, she couldn't stop trying and even forgot about it.

There was a commercial street inside the Beidu University that was decorated with red wooden western style shops. There were many people lined up in front of the door.

Each of these students was dressed in fashionable attire, and they looked bright and beautiful. From a single glance, one could tell that they were well-off.

"Kentucky FriedChicken" was written on the top of the door.

In short, KFC.

In an old chicken restaurant, the food sold was priceless. If one wanted to be full, they would have to spend at least half a month's worth of living expenses.

Among the students, three meals a day was considered rather luxurious.

Ordinary students usually wouldn't come here to eat. Usually, when Ji Tianxiang passed by, he would just leave in a hurry.

But now, not only would he have to eat a KFC family bucket, but he would also have to taste everything in the shop.

There were a lot of people queuing up. After all, there were a lot of students from Beidu University, and there were also a lot of rich ones. Although it was two floors above and below, most of them were filled with people.

Ji Tianxiang lowered his head and followed behind the team.

At this moment, Ji Tianxiang heard a contemptuous voice behind him. From the sound of it, it was a group of girls.

"Look, who's here? Even if you don't have the money to act cool, you're still here to eat KFC."

"How shameful, it's good enough for the poor to eat in the cafeteria, why do they have to come here to eat high-end food that only the rich can afford to eat."

"A small piece of chicken in the KFC cost dozens of yuan. If I eat one piece, I'll probably have to drink it for a week!"

"Hey, why do you think some students these days are so vain? In order to obtain something that doesn't belong to them, they always do something that is hard to explain. just to satisfy that ugly vanity of his. "

"That's right. Don't think about the situation at home. It's so hard for my parents to earn money. If I were someone's parents, I'd just beat them to death." Raised so big, for the school, in order to earn some spirit, is not for vanity gluttony. "Sigh, I feel sorry for my parents."

Several girls were standing behind Ji Tianxiang and chattering away. Their words were extremely spicy, and their tone were full of contempt, making Ji Tianxiang very unhappy.

F * ck, it's just some fried chicken. What good stuff could there possibly be?

F * ck, you dare to mock me like this? Look at how hard I'll smack you in the face!

Ji Tianxiang turned around to look at the people who mocked him without thinking.

Three girls, each of them looking pretty good, right?

The girl in the middle looked the best, but why did she look so familiar? Dew T, short denim skirt, big earrings, a head of granny's grey hair that had become popular in campus recently, became the hairstyle of a mermaid. At first glance, she looked like a real witch.
