

C31

If she showed herself and begged for a reward, wouldn't that be a difficult matter to discuss? F * ck, you still have the nerve to talk about laozi.

"What are you looking at? I've never seen a beauty before." Slut. " Mi Le noticed Ji Tianxiang staring at her out of the corner of her eye.

Ji Tianxiang retracted his gaze and thought that he would definitely order a bunch of items when he enters the KFC, it would be best if this group of talkative women could not buy them.

Ji Tianxiang thought Mi Le and the others would come after him and scold him or continue to mock him.

After waiting for a long time, Ji Tianxiang found out that the three women behind him ran to the group next door and attacked one of the girls from the front and back.

This girl was slender and wore an extremely simple white skirt. The skirt seemed to have drawn a lot of strings. She wore a pair of white canvas shoes, but both sides of the shoes also seemed to have been opened with a lot of glue.

When Ji Tianxiang saw this, he immediately understood that the three women weren't talking about him at all, they were talking about this girl in a white dress.

The girl had a head of long, black hair that draped over her shoulders, completely covering both sides of her face. One could barely make out the girl's perky nose, which was round and adorable.

The girls had a good temperament, better than most of the people in the queue. Just standing there felt like a beautiful scenery.

Ji Tianxiang was attracted by the girl's temperament and became more and more curious about what she looked like.

"Hehe, Qiu Yi, are you deaf and can't understand human speech? What about you, you know? "

Mi Le and the rest saw the girl cover her face with her hair, not saying a word, pretending not to hear, pretending not to see. They couldn't help but walk over and attack the girl from the front and back.

That's not right. Ji Tianxiang's brain suddenly had a flash of inspiration. It was as if the name of a person that he heard by his ear was

very familiar, and he felt that something was wrong.

Qiu Yi.

Ji Tianxiang opened his eyes wide and looked at Qiu Yi.

Qiu Yi didn't say anything as she buried her head in her long hair. Her hands were tightly holding onto the hem of her skirt.

"Qiu Yi, I heard that you just received the school's poverty-stricken student grant. How, how did you forget what you told everyone when you applied? You don't remember, let me personally help you remember. I remember someone who said he was applying for a poor student benefit to pay for Dad's medical expenses in the hospital. "

"Big news! Everyone come and take a look! A female classmate who applied for a poor student's allowance said that she wanted to pay the hospital's old father's medical fees. In the end, she took out the money to eat the KFC." Have you ever seen such people? "

"Guess who this person is? Let me tell everyone, she's the pure school beauty that our school evaluates as the most diligent and uppermost. He was actually holding the title of a poor student and getting a grant from

the school. He didn't do any proper work, but wanted to buy KFC for delicious food. Was she worthy of her father, who was still lying in the hospital? It's really tiring for those who hear it, and chilling for those who hear it. "

Seeing that Qiu Yi was about to open her mouth to explain, Mi Le and the other two hurriedly shouted and interrupted.

As expected, it attracted the disdain and loathing of the crowd.

That's right, the moment they saw Qiu Yi's clothes, they knew that she had a poor family background. When they heard that she had applied for a poor allowance, it was to save her father's life in the hospital. However, she came to spend it at KFC.

She was naturally full of disdain towards Qiu Yi.

Even Ji Tianxiang was somewhat disappointed.

"I didn't." Qiu Yi timidly explained, "It's not for me to eat, it's for my roommates. I'm just bringing her food."

Ji Tianxiang's eyes lit up. He already said how could Qiu Yi be that kind of person. A pure school beauty must be pure and kind.

"Tch, who would believe what I say?" "Don't be fooled by her words, we're her roommates, we've never let her buy anything for us." Mi Le sneered.

"I'm not lying, it really was my roommate who asked me to help you bring the food." Qiu Yi explained anxiously.

Mi Le coldly smiled and said, "Who is the roommate you were talking about? "What's your name?"

After questioning her, Mi Le suddenly grabbed Qiu Yi's hair, put her head close to Qiu Yi's ear and whispered a few sentences.

Qiu Yi was frightened at first, but then angry.

That's right, Mi Le admitted that she had instructed her roommate, the cuckoo, to get Qiu Yi to help her buy some stuff at the KFC before taking it back with her while she and the other two waited at the KFC, just for Qiu Yi to see.

Why Qiu Yi? It was all because Mi Le was jealous of Qiu Yi. In the recent live broadcast, those stinking men didn't come to her live broadcast room anymore and were all lured away by that little bitch Qiu Yi.

How could she not want Mi Le to think of her

when she made so little money and bought so much less beautiful clothes and lipstick?

"Qiu Yi, tell me, who is it? Do you dare to call and confront him?" Mi Le glared at Qiu Yi with venomous eyes as she said in a forceful tone.

Mi Le actually thought to herself, "Speak, you little bitch, who do you think it is?" Make a phone call and see if you can't break your face. Humph. Even if you called, the cuckoo wouldn't tell the truth.

Ji Tianxiang was also looking at Qiu Yi anxiously, hoping that she would explain quickly.

"What, you can't say it?" I think you're just lying, you liar. " Mi Le said sarcastically.

As he spoke, he called for the other two girls to come over.

Since he couldn't wait for Qiu Yi's explanation, Ji Tianxiang was unable to judge right from wrong.

However, seeing that Qiu Yi was about to be beaten up by those evil women, Ji Tianxiang couldn't help but shout: "Stop, let her go now!"

"Who is it?" Mi Le turned her head and looked. She did not know Ji Tianxiang, so she looked him up and down.

"Qiu Yi didn't lie. I asked her to buy the KFC for me." Ji Tianxiang said coldly.

Ji Tianxiang pulled Qiu Yi away from the three women.

When Qiu Yi saw the person who came, she was surprised and looked at Ji Tianxiang gratefully. It was the boy who had saved her at the bar.

"Hey, isn't this Ji Tianxiang? The one who likes to pick at school. "

"Yeah, how did he get here?"

"Could it be that they're on the same side as Qiu Yi?"

Someone recognized Ji Tianxiang and called out. Then, everyone turned their attention to Ji Tianxiang and looked at him with a meaningful look.

Mi Le also remembered and said mockingly, "Pfft, another one. If you don't have money, why do you have to eat KFC? This is simply letting down the hard-earned money of my parents. To give birth to such a child, this is

simply disgraceful. "

"How do you know I don't have money?" Ji Tianxiang looked at Mi Le with a faint smile.

Mi Le's heart tightened when she saw this. Then, she thought about Ji Tianxiang's reputation in school and how he was indeed well-known to be a pauper. He could not afford a full meal, so she felt relieved.

"Who in the school doesn't know that you, Ji Tianxiang, need to pick up trash for a living? Every moonlight pick up junk, and not even one month to eat, how can you have the money to eat KFC. Don't forget, KFC items are worth hundreds of dollars. " Mi Le said confidently.

"I do have money, but what about KFC?" Ji Tianxiang said.

Even now, he was still acting cool. He was truly speechless.

Mi Le rolled her eyes and swore, "If you can afford to eat KFC even if you have the money, I'll bark like a dog."

Learn to bark like a dog.

You look down on me, Ji Tianxiang. Fine, today I will f * cking let you people have a

good look.

What is a rich man?

Mi Le, just wait for the next second before you get slapped in my face.

C32

Ji Tianxiang took out the money from his pocket leisurely, "Is this enough to eat KFC?"

"Hahaha." Mi Le burst into laughter.

Mi Le pointed at the money in Ji Tianxiang's hand and said with a smile, "It's so funny. Taking a pile of money and saying that he could afford the KFC made him laugh his teeth out. The change was arranged quite neatly. Was it the money used to exchange for junk? A handful of change, all in one piece, was only a few dozen yuan. Let alone a hamburger, he couldn't even afford a small amount of chicken rice. "Hahaha, this is too funny.

At this moment, Qiu Yi felt very awkward when she saw the money in Ji Tianxiang's hand. Her eyes flashed as she pulled Ji Tianxiang and hid behind her.

One man was responsible for all his work.

The reason why Mi Le and the others did that was all to target her. She did not want to implicate Ji Tianxiang anymore.

"Ah, sorry." Ji Tianxiang also looked down at the money in his hand and touched his nose awkwardly.

Then, he took out a handful of money from his pocket. This money was definitely worth it.

"I just took the wrong one. This one is the right one." This money can probably afford KFC. "

Ji Tianxiang said while looking at Mi Le with a smile.

Mi Le's laughing face suddenly froze. How was this possible? How could there be so much money?

Ji Tianxiang took out a thick stack of 20,000 yuan, which he just took from the bank and put into his pocket. It was still warm now. He was going to buy a better phone and spend the rest for a week's living expenses.

Everyone was dumbfounded when they saw the money.

That amount of money was not small. Not to mention being able to afford a KFC meal, even if he ate for a month, he would still not be able to spend all of it.

Mi Le's complacent expression suddenly froze. How was this possible? So much money?

"Mi Le, what do you have to say for yourself?" Ji Tianxiang sneered, "Then what do you all have to say?"

Seeing that everyone was still in a daze, Ji Tianxiang took Qiu Yi's hand and swaggered into the KFC. He ordered several family buckets and ordered all the other snacks and drinks to be delivered to the second floor with the help of the waiter.

When the customers waiting in line went to buy something, the waiter apologetically said, "I'm sorry, but we are temporarily out of stock. If you still need it, please wait three hours. "

"It's been so long. Forget it." We still won't eat. " Some of them had already begun to retreat.

"Weren't there a lot of them just now? I clearly saw that there were still a lot of burgers in the kitchen, fried chicken or something, how come they were gone all of a sudden? It can't be that you don't want to sell it to us, right? " Mi Le said.

The two women behind Mi Le, upon seeing Mi Le making a ruckus, also joined in the shouting and denouncing.

The first ring was transmitted, the second

ring was transmitted, and the third ring was sent out. The people at the back of the queue were all unwilling to accept this.

"What's going on? There's something you haven't bought yet?" Why didn't you say so earlier, and even let us line up for such a long time. "

"Tell me, what happened? If your words are unreasonable, then we won't leave. "

"Yes, yes. "Well, if that doesn't make sense, then go to the Food Bureau and inform them."

The loud noise attracted the attention of the KFC's manager.

"Manager, it's this woman who is causing trouble and causing public outrage." The KFC attendant whispered in the manager's ear.

The shop manager sneered and said, "Please be quiet. We really sold out and were bought by a couple. They bought everything in the store and paid for it. According to the rules of our store, customers have the ability to purchase the food of our store, so they must sell it to customers. "

"How is that possible?" Who would want to spend so much money on KFC? Buying everything will cost at least ten thousand

dollars. " Mi Le mocked in disbelief.

"If you don't believe me, you can go to the second floor to have a look." The shop manager glanced at Mi Le coldly and said, "As a witness of the truth, this young lady should remember what you just said. She is responsible for her own legal responsibilities."

Mi Le retreated a few steps back, not daring to look at the shop manager. "So be it. Who's afraid of who?"

She couldn't lose face in front of so many people, or else she wouldn't be able to stay in school anymore.

This shop manager was the same as well. Seeing that they were all students, treating them like this was simply going too far.

After a while, as soon as she was out of the door, she went to the Food Department and reported the KFC.

After the shop manager finished speaking, there were already people who couldn't wait to take a look. Sure enough, KFC's second floor was filled with food and drinks of all sizes.

The owners of these items were the man and

woman whom they mocked at the entrance.

"How could that be?" Mi Le's jaw dropped when she saw Ji Tianxiang and Qiu Yi.

Ji Tianxiang had already noticed the commotion on the second floor long ago. However, he didn't look at them directly and just left them dumbstruck on the spot.

"Student Tianxiang, this isn't good." Qiu Yi said carefully.

"There's nothing wrong with that. I'm spending my own money anyway, so I can do whatever I want." Ji Tianxiang said indifferently.

"But they're looking at us." Qiu Yi also noticed the staircase on the second floor. She was about to put the hamburger in her mouth as there were too many people watching so she put it down in embarrassment.

"What are you looking at? I didn't see anyone eating KFC."

Ji Tianxiang looked up and mocked him.

I've seen KFC before, but I've never seen so much of it.

Everyone was embarrassed and didn't know

what to say. They then saw Ji Tianxiang run away with his tail between his legs with a taunting look in his eyes.

"Didn't you say that they don't have money? Why do you have the money to buy so many hamburgers and family buckets? "

"She's obviously rich, but she's just wearing a low-key outfit. I can't believe she ordered so many KFC items."

"Just who was the one who messed around, causing us to suffer such a huge loss of face?"

"Exactly, who in the world is reversing right and wrong?" "He's clearly a couple, the woman doesn't have money, but his boyfriend is rich and has been bullied. He's still quite f*cking domineering, he's very protective."

Going down the stairs, everyone began to wake up a little bit more and began to go on a crusade.

Mi Le held her tail between her legs, not daring to speak. She even wanted to slip away secretly.

Having been spotted by the shop manager with his sharp eyes, he said, "I'm a relatively exposed female classmate at the entrance. Please wait a moment."

At this moment, all eyes were on Mi Le.

"Can I help you?" Mi Le straightened her back, which was drenched in cold sweat, and pretended to brush her hair with her hands.

"Everyone must have seen it for themselves." At this time, the shop manager said calmly.

Everyone hurriedly nodded.

"Very good, the students are all honest students. "Now you need to ask the girl at the door what she did with what you just said." The shop manager's eyes were like snakes as they stared fixedly at Mi Le's body.

Mi Le was a little nervous. She swallowed her saliva and asked, "What did I say? Why can't I remember? "

"Pretend?" The shop manager sneered and said, "This student, I advise you to apologize for what you have said. Otherwise, we'll meet in court." "Oh yeah, it doesn't matter if you don't admit it. Our shop has cameras installed, so every single one of your actions and words have been clearly recorded."

C33

"Mi Le, quickly apologize. Otherwise, something big will happen." A girl in blue denim shorts not far away from her persuaded.

"Mi Le, you should apologize. "As a student, we can't afford to take legal action. We can't afford to lose face." Mi Le advised the girl on her left. She wore a short, folded white skirt.

Mi Le was no longer afraid of being a fake. Going to court, going to court, or having a video recording. With such a big incident, she couldn't stay in school any longer.

No, it wasn't easy for her to pass the Beidu examination, so she definitely could not leave just like that.

"Right... I'm sorry. I didn't see it clearly and said something I shouldn't have said. For this, I feel deeply sorry for my taste behavior. I hope that you, as an adult, will forgive me for not taking this matter into consideration. " Mi Le sincerely apologized in front of everyone's eyes.

However, everyone could see through Mi Le's essence, and they were not only disdainful of her.

Mi Le couldn't stand the weird look in her eyes. Without waiting for the shop manager to speak, she ran off in a hurry.

It was all because of Qiu Yi that she had been reduced to such a state.

Slut. Slut.

Qiu Yi, you bitch, you actually dare to find someone to bully me, see how I take revenge on you afterwards.

Ji Tianxiang had long anticipated that Mi Le would end up like this. He felt very happy as he led Qiu Yi away in anger, despised by the crowd.

To deal with evil women, this was the way it should be.

He would do what others did for him.

"Qiu Yi, if you get bullied again in the future, remember to find me at the first possible moment." Ji Tianxiang turned around and looked at Qiu Yi, who was standing beside him. She was as quiet as a virgin and so beautiful that it made one's heart palpitate.

"Tianxiang, thank you. Thank you so much." Qiu Yi said happily.

Because he was happy, his eyes lit up, lighting up the facial features of his entire face. He looked as agile as a fairy.

Ji Tianxiang covered his heart with his hands and stood still for a long time.

After a hearty meal, Ji Tianxiang packed up the remaining family buckets and other things and gave some to Qiu Yi. He took some back to his roommates and left some for himself to take back to Lee Ming.

Ji Tianxiang and Qiu Yi were walking at the foot of the quiet campus.

Because he had eaten too much, he took advantage of the darkness of the night and the bright moonlight. It was a good opportunity for him to make his move.

Ji Tianxiang thought to himself as he gathered up his courage and said, "Qiu Yi, it's still early and we've eaten too much. Should we take a walk together?"

"Sure." Qiu Yi said.

"It's true." Ji Tianxiang was surprised that he agreed so readily.

He had thought it would be difficult for the pure school belle to take a walk with him.

I didn't expect it to be so good.

"Of course it's true. It's just a walk. What? Are you worried that I will reject you? "

Qiu Yi leaned forward a little, tilted her head, and said while winking playfully.

Cupid arrows like this, which were caught off guard, pierced Ji Tianxiang's weak heart. It was simply too adorable.

Why was it so cute?

Ji Tianxiang sighed deeply.

"Hey, why are you distracted again?" Qiu Yi waved her hand and said.

"No, that's not the case." Ji Tianxiang replied subconsciously.

"What's the matter?" Qiu Yi blinked her eyes and said mischievously.

When Ji Tianxiang saw the pure school belle exposing her cute face, he could no longer resist blushing and even stuttering when he spoke.

"Then... It's just that I'm not worried you'll turn me down. Again ... Besides, it's just a

walk. "

"Yes." Qiu Yi smiled and nodded.

At this moment, she actually felt that Ji Tianxiang was a little cute.

As the two of them were walking, Qiu Yi suddenly asked, "Why did you help me? KFC door. They don't believe me. You're the only one who does. Maybe, I am really just like Mi Le and the others said, a person who loves vanity, enjoyment and selfishness. "

Ji Tianxiang was stunned, he didn't know how to reply.

Qiu Yi smiled and continued, "Look at the clothes I'm wearing. It's a very old white dress, from high school to university. My shoes are glued together and I don't have a single piece of jewelry to wear. It's a waste. "The reason for that is because my family environment is really poor. Since I was young, I have lived a frugal life, watching other people's children go to amusement parks and eat hamburgers in KFC while I desperately sold flowers on the street. "

"Where are your parents? Do they not take care of you, or are they forcing you to do so? " Ji Tianxiang said in heartache.

"My parents, they didn't not take care of me and they didn't force me to do these things. On the contrary, I did it of my own free will. My mother died in a car accident in my second year of elementary school, and my father was found to have cerebral thrombosis, diabetes, and favouritism shortly after my mother left. In order to take care of her father, she had to take responsibility for her family since she was young. Despite having lived for so many years, his life had been arduous and unsatisfactory. Fortunately, I survived and got into the ideal university. " Qiu Yi said, her eyes filled with tears.

"Qiu Yi, I ..." At this moment, Ji Tianxiang wanted to hug the strong girl in front of him.

She had already suffered a lot and now that she started crying, she felt like a thin layer of paper was floating in the wind alone.

Ji Tianxiang felt sad. The pure girl before him was stubborn to the point where she made others want to hug her and have a good time loving her.

"Aha, why did I unknowingly tell you so much?" Qiu Yi wiped her tears away quickly with her hand and chuckled with a strong and forceful manner, "What did I ask you just now? Look at my memory, it's really bad. Ah, I remember now. Mr Ji, why did you help me?"

"Is it because I'm pitiful, or do you believe me?"

Why was he so stubborn?

Why was he so strong?

Why wasn't she willing to open her heart and run into his arms, wantonly cry?

He, Ji Tianxiang, can become your Qiu Yi's shoulder.

He, Ji Tianxiang, can become your target that you, Qiu Yi, are willing to confide in.

He, Ji Tianxiang, can become your bodyguard, Qiu Yi.

"Qiu Yi, can I hug you?" Ji Tianxiang said in a testing manner.

Qiu Yi saw the pity in Ji Tianxiang's eyes and said, "Don't pity me. After so many years, I have already gotten used to it. "So, fellow student Tianxiang, can you answer my previous question?"

That's right, at an age where he shouldn't have, he had to bear something he shouldn't have and had to endure for so many years. Qiu Yi had long since gotten used to it.

It was too late for that.

"I believe you, I believe you, I believe everything you say. No matter what you do or what you say, as long as it's you, I'll believe it. " Ji Tianxiang blinked his eyes and said seriously.

"Why?" The tears in Qiu Yi's eyes appeared once again as she looked at Ji Tianxiang with sparkling and translucent care.

C34

"I don't know why either. Maybe it's just intuition." Ji Tianxiang scratched his head in embarrassment and said in a silly tone.

"Ji Tianxiang, thank you." Qiu Yi rushed forward excitedly and hugged Ji Tianxiang, crying so hard, "Thank you, believe me. Thank you, when so many people deny me, believe me, thank you, in the crowd, for me. "Thank you so much for everything, Ji Tianxiang."

Ji Tianxiang was surprised and he slowly hugged Qiu Yi back.

He had only said that he believed her, but she was already crying so bitterly.

Ji Tianxiang recalled what happened at that time and couldn't help but to blame himself in his heart. He even said that he was ashamed. At first, he didn't believe Qiu Yi. Instead, he stood in the crowd and watched her being bullied, bullied, and criticized by Mi Le's group. Qiu Yi had her doubts as well, and could not help but feel disappointed.

Yes, what he had just said was a lie.

Qiu Yi, Qiu Yi. Suitable people, make people

is also the kitten's soft and cowardly. Lovely, innocent, and completely harmless.

Qiu Yi, how could you do such a thing?

Even if she did, Qiu Yi had her reasons and reasons.

As for him, he should have chosen to believe her at the first possible moment.

And now, he had lied to Qiu Yi, who was so innocent and harmless.

Ji Tianxiang hugged the girl tightly as he felt ashamed. He then gently caressed the girl's head.

The next day at noon, Ji Tianxiang went to the pavilion in the forest after class and waited for Qiu Yi's arrival.

Last night's atmosphere could be said to be indescribable.

As he brought up the sad past of the pure school belle, he felt guilty and blamed himself even though he had told her a white lie.

Ji Tianxiang calmed Qiu Yi down before sending her back to the female dormitory.

When he turned around to leave, Qiu Yi sud

denly shouted at him, "Student Tianxiang, do you want to have lunch together tomorrow?"

"Yes." Ji Tianxiang nodded heavily.

It was the first time Qiu Yi asked him out. Ji Tianxiang was so excited that he almost forgot to speak.

He had thought that it would be inconvenient for him to make another appointment with Qiu Yi, or perhaps he would have to wait for a period of time.

How could there be no reason for the goddess to not go?

It was their first time eating together, so at least they had to be formal. When Qiu Yi came later, where would it be more appropriate to take her to eat?

To Sichuan restaurant, or to Western restaurant, to hot pot, or to buffet.

Thinking about the sadness in Qiu Yi's life since she was young, Ji Tianxiang felt sorry for her. If it wasn't for the fact that he ate KFC with Qiu Yi last night, he would never have eaten it. It could be seen how tight Qiu Yi's days were in order to save money.

Un, why don't we directly bring Qiu Yi and

eat at the snack street in the Beidu University City. We can eat a lot of delicious things, and if Qiu Yi is willing, then we can eat all of the snacks in the Beidu University City!

At this moment, Ji Tianxiang's heart was inexplicably anxious.

At that time, in the back of the school building, there stood a row of girls. One of them was a very pure girl dressed in plain clothes. She was surrounded by three girls dressed in fashionable clothing.

Not far away from the four girls, there were four or five sloppy-looking gangsters with cigarettes in their mouths.

"Mi Le, what did you come looking for me for?" Qiu Yi said.

"Heh, little slut, how do you feel after eating so much KFC yesterday? Satisfied and unhappy. "I finally have the ability to seduce men to help me." Mi Le sneered and pushed Qiu Yi's shoulder.

"Stupid bitch, what are you pretending to be innocent for? Are you trying to show pity?" "Hehe, we're not those guys. Eating you like that green tea bitch, only knowing how to put on an act, it's so f * cking disgusting." Lee Feier said sarcastically. She especially

couldn't stand the current Qiu Yi, so she used her hand to push Qiu Yi away.

Qiu Yi staggered as she listened to their conversation, her face becoming extremely ugly to behold.

"I didn't seduce men." He pursed his lips and retorted in a low voice.

"Scoundrel, you caused us such a mess yesterday, caused us to be laughed at by so many people, and almost even entered the police station, aren't you proud of yourself? There's a guy coming out to save you, autumn whore, you're quite capable, aren't you?" Qiao Yu snorted coldly.

He wanted to slap her, but she dodged subconsciously.

Qiao Yu did not expect to give an empty slap and became a little angry. "Hey hey hey, you know how to hide? Let's see if I can't smash your face today."

Qiao Yu was about to reach out to grab Qiu Yi's clothes when Qiu Yi dodged to the side just in time. When she couldn't dodge, she gave Qiao Yu a push back out of defense.

"Bitch, you actually dare to treat me like this." This time, Qiao Yu was even angrier.

a joke. Hurry up and ask him out. You have part in the matters of yesterday. I won't settle the score with you, but that doesn't mean I can let that man go. "If it's the truth, then you'd better do as I say, or else there'll be something good to eat." Mi Le's expression changed instantly as she threatened coldly and mercilessly.

"You with the surname Qiu, Mi Le asked you a question, why don't you fart?" Qiao Yu glared fiercely at Qiu Yi.

"I don't know him." Qiu Yi said.

However, he had betrayed her by holding the phone tightly in his hand.

Out of the corner of her eye, Mi Le noticed Qiu Yi's actions. She sneered and shot a look at Lee Feier, signaling her to go and snatch Qiu Yi's phone call.

Lee Feier nodded in understanding. She did as she was told and snatched Qiu Yi's phone when she wasn't paying attention.

Qiu Yi panicked and shouted with her eyes wide open, "What are you guys doing?!"

"You don't want to call, right? Then let's call on your behalf and give me your phone." Lee Feier said.

C35

"No, I won't give it to you."

Qiu Yi didn't know where she got the strength to push Lee Feier down to the ground during the fight.

"I won't call, and I won't ask him out. Just give up on that." Qiu Yi gripped her phone tightly. Her pure face was filled with stubbornness.

Yesterday at the KFC, Mi Le and the other two bullied him. It was Ji Tianxiang who helped her, so she wouldn't do that to Ji Tianxiang.

"Hehe, alright. I didn't expect you to be so stubborn. Fine, I've already said that. Even if I gave you face, you wouldn't want it. Why are you so cheap? You're forcing me to make a move on you." Mi Le was so angry that she laughed instead.

Mi Le clapped her hands. Hearing the noise, a few gangsters threw down their cigarettes and walked over.

This gangster was brought here by Mi Le alone to teach Ji Tianxiang a lesson, to avenge yesterday's humiliation.

Ji Tianxiang was very anxious at the moment. He couldn't find Qiu Yi no matter how hard he tried. He walked downstairs dejectedly.

At this time, the female students who were walking towards them seemed to have the same temperament as Qiu Yi. They were all art students, so perhaps he could ask them if they knew where Qiu Yi was.

"Hey, beautiful students, do you know Qiu Yi from the singing class?" Ji Tianxiang walked over.

A few of the female students nodded. "I do. What's the matter?"

"That's good, did you guys see where Qiu Yi went?" I have urgent business with her. " At this moment, Ji Tianxiang was anxious.

"Yeah, I'm not sure about that."

"Oh, I remember now. When I came here, I seemed to see Qiu Yi in the woods behind the school building, along with the three girls from the class next door. I don't know what they were talking about, but I need to stand in such a hidden place." One of the girls said.

When Ji Tianxiang heard that, his expression changed drastically. Mi Le's name was, in his mind, a bad dish.

They must have been jealous of Qiu Yi because of what happened yesterday.

"Thank you." Ji Tianxiang thanked him and immediately ran out of the building in a hurry.

"I'll let you be stubborn. In front of so many people, you tore off your clothes at school, and let everyone know that the pure school beauty in their hearts is, in reality, a woman who doesn't know shame." With that, Mi Le instructed the gangsters to tear Qiu Yi's clothes.

A few gangsters walked over with obscene smiles on their faces. They sized Qiu Yi up and down with their eyes. She was quite pure and had a very good figure.

Let's not talk about her. Just looking at the body of a pure beauty would be sufficient to fill one's eyes with bliss.

"No, all of you go away." Qiu Yi waved both of her hands to prevent them from getting close. She took a few steps back out of fear.

"Beauty, I'm sorry, we have no other choice. Those who do business in this industry are all just rules, we just have to take money to help others get rid of their troubles." The gangster rubbed his hands together and approached

The three women laughed unhappily. As gangsters, when they saw Qiu Yi crying, they couldn't help but stop.

"Boss, look at how pitiful this girl is. Look, do we still need her?"

In the end, these words were heard by Mi Le and the other two ladies and they were unhappy. "What are you doing, why aren't you doing it yet? What are you feeling sorry for this woman? Don't forget, I've already paid you. Isn't there a rule in your business? If you take someone's money but don't do anything, we'll see who dares to look for you when word spreads out."

"This, I need you to talk so much nonsense, hurry up and make your move. If you don't, no one will have the money to take it today." The head of the society looked at Qiu Yi with a troubled expression. After accepting the money, he had no choice but to go about his business. He gritted his teeth and instructed.

"Stop, all of you stop." At the critical moment, Ji Tianxiang arrived.

"Oh, they're here. They really have the same thoughts. Qiu Yi, look at that peerless hero of yours coming to save you again." Mi Le mocked, but in her heart, she was thinking of

the perfect timing.

Let the peerless hero become the peerless bear.

"Ji Tianxiang, what are you doing here? Let's go. Hurry and leave. Mi Le is looking for someone to teach you a lesson."

Qiu Yi knew what Mi Le was up to and shouted anxiously.

Ji Tianxiang couldn't help but feel warm in his heart. He sighed. What a silly girl.

"It's fine. Qiu Yi, don't worry. I will protect you." Ji Tianxiang walked over confidently.

When Mi Le saw Ji Tianxiang's manner, she was angered and shouted in exasperation, "What are you guys doing? Why are you standing here? Why aren't you eating? Hurry up and get on with it!"

A few of the hoodlums came back to their senses and started to move their hands and feet, surrounding Ji Tianxiang and Qiu Yi.

"Wait, how much did that woman give you guys to teach me a lesson?" Ji Tianxiang asked as he placed Qiu Yi behind him to protect her.

"Why do you ask? Does it have anything to do

with you?" The social hoodlums replied.

Ji Tianxiang glanced at the gangster and said, "I will pay double the amount of money that that woman gave you. You can go teach those women a lesson."

"Stop bullshitting with him. He doesn't have any money for you. Hurry up and teach this adulterous couple a lesson." Mi Le's eyes darkened as she said this anxiously.

"You." The gangster's voice hesitated.

Ye Zichen looked at Ji Tianxiang's clothes. It was very ordinary, it was possible for Ye Zichen to pay them double.

"Hehe, don't look at the clothes I'm wearing, I can still afford to pay double the amount of money." Hehe, don't look at the clothes I'm wearing, I can still afford to pay double the amount of money.

"As the saying goes, birds die for food, and men die for money. "More money is better than less money."

Ji Tianxiang smiled confidently and looked at the gangsters.

The five gangsters looked at each other, and were a little moved. "Can you really pay us

twice the price?"

"I really can pay you guys double the amount of money. If you don't believe me, I'll pay the treasure transfer the money to you guys right now." As Ji Tianxiang spoke, he took out his phone from his pocket.

C36

When the gangsters heard Ji Tianxiang's conditions, they became restless.

Ji Tianxiang suddenly retracted his phone: "How is it? Whether you do it or not, you can rest assured that I will be able to afford this money. "

"We'll do it, we'll do it, that girl only gave us 3000 yuan, but you have to pay us double, you need to pay more, because it's against the rules, we're in a difficult position too, but on account of the money, we can still agree to it." The social hoodlum greedily put forward the request.

"No problem." Ji Tianxiang frowned: "You guys go ahead and teach those women a lesson first."

"Hey, what are you guys doing? I've already paid for it, so it's unreasonable for you to do so. " Mi Le was flustered.

It was because those gangsters were bribed by Ji Tianxiang to teach them a lesson.

Those gangsters didn't listen to Mi Le's advice and laughed evilly. "Beauty, I'm sorry. You're the one who should tell us. If we don't do

it, then how can we follow the rules? Am I right?"

As he said this, his eyes hardened and he quickly surrounded Mi Le, Lee Feier, and Qiao Yu. Without further ado, he extended his hand towards the three women.

The three girls cried out in fright.

He resisted recklessly with his hands while begging for mercy from Ji Tianxiang and Qiu Yi.

"Don't come over, what you're doing is illegal. I'm going to call the police and have them arrest you." However, there was still someone who spoke naively.

However, it was Mi Le.

However, the more Mi Le said that, the more the gangsters began to tear off her clothes.

"Qiu Yi, we were wrong, f * cking wrong, I won't dare to bully you anymore, I beg you, please let me go. I'm just a girl, and I've been stripped off my clothes, how am I going to live in school?" Qiao Yu was the first to beg for mercy. She cried until her nose was mucus and tears flowed freely from her eyes.

"Qiu Yi, we were wrong. Let us go." Lee Feier

pleaded for mercy as well.

In the end, there was nothing she could do. Mi Le also started to beg for forgiveness.

Qiu Yi was stunned for a moment. She tugged on Ji Tianxiang's clothes and whispered, "Forget it, it's not good for them."

"How can we forget about it?" These women are too vicious. Just now, they had your clothes torn apart. Did they think that doing this would be bad for you? " Ji Tianxiang said angrily.

"I don't want to make a big deal out of this, Tianxiang. For my sake, forget it." Qiu Yi's eyes darkened. Recalling that she was bullied by Mi Le and the others, she still begged for mercy with a soft heart.

Ji Tianxiang saw that Qiu Yi was adamant and couldn't be ruthless anymore, so he nodded in agreement.

"Alright, we can release them as well!"

The gangsters were stunned, while Mi Le and the other two women revealed happy expressions, thinking that nothing would happen to them.

However, Ji Tianxiang changed the topic and

said, "Don't be happy too early, we can let them tear your clothes. Then, the three of you have to slap your own mouths a dozen times and I'll let you off."

"What?" Mi Le and the other two girls were stunned.

"You don't want to, right? You guys continue, tear up their clothes." Ji Tianxiang said.

"Don't rip our clothes. Let's fight, let's fight!" Qiao Yu shouted.

Pah pah pah ... The slap sounded out, followed by Lee Feier's and finally Mi Le's.

Mi Le unwillingly smacked her lips and tried to get away with it.

"Mi Le, right? You're too light, you can't hear anything. Come and tear off her clothes." Ji Tianxiang said.

"No, I'll call." Mi Le slapped herself hard and loudly. She looked at Ji Tianxiang, who was full of resentment, and felt humiliated. Tears also started streaming down her face.

Hearing the sound of Mi Le slapping herself, Ji Tianxiang felt a wave of comfort in his heart.

Following that, Ji Tianxiang called a few

gangsters over and got them to take out their cell phones. He scanned their Alipay numbers and earned the money.

The social head looked at his phone and glanced at Ji Tianxiang in surprise. He didn't expect it to be 10,000 yuan, and the agreed payment of 9000 yuan, which was an extra 1000 yuan.

He immediately put the phone back into his pocket happily. "Uhm, brother, you're quite generous. If you need any help in the future, come find us."

The social hoodlum took the money and left.

Mi Le and the other two girls hugged each other, shivering in fear.

"Qiu Yi, let's go. If we stay and see some people, we'll feel nauseous." Ji Tianxiang mocked coldly.

Qiu Yi nodded and followed Ji Tianxiang.

On the business street of Beidu University City, there was a western style steak restaurant.

"Let's do it this way. Qiu Yi, let's go in to eat together." Ji Tianxiang held Qiu Yi's hand and was about to enter.

"No, it can't be. This restaurant seems to be very expensive, so let's go back to school to eat." Qiu Yi said as she took a few steps back.

Ji Tianxiang smiled and didn't say anything. He pulled Qiu Yi's hand a little more forcefully and walked into the Western-style steak restaurant.

Ji Tianxiang sat down with Qiu Yi in the restaurant. He handed the menu to Qiu Yi and said, "Qiu Yi, order whatever you want. You're welcome. I'll treat you today."

"Waiter, let's order." Ji Tianxiang waved at the waitress beside him.

The waitress looked at Ji Tianxiang and the others lazily for a moment and twitched her mouth in disdain. She dressed in such shabby clothes, yet had the nerve to come to such a high-end restaurant and directly ignored Ji Tianxiang, pretending she didn't hear anything.

"Waiter, let's order. Can I trouble you to come over?" Ji Tianxiang frowned and raised his decibels.

Having attracted the attention of the surrounding people, the waitress's face became somewhat awkward and walked over

with a sneer: "Mister, what are you shouting about? Don't you know that this is a high-end restaurant? You need to be quiet. "

"Un, I'm sorry. Our voices will be quieter." Qiu Yi said with an embarrassed smile.

"Oh." The waitress said indifferently.

"What are the signature dishes in your restaurant? which dish is most popular. " Ji Tianxiang asked, "Is there any good red wine?"

The waitress rolled her eyes and didn't say anything. Even the most ordinary dishes in their restaurant cost 500 yuan each. Maybe they couldn't even afford it.

At least three thousand a signboard.

"Would the waiter please answer our questions?" Seeing that the waitress had called them over, Ji Tianxiang also ignored them and said in a displeased tone.

"Why are you asking me? You don't know how to read it yourself. That's right, it's all Italian. How can poor people like you understand it? Hur Hur." The waitress laughed mockingly, "Oh right, let me remind you a little bit more. The cheapest is worth five hundred yuan, and the signature dish is even above three

thousand yuan, not to mention that the price of red wine is so expensive that it makes you speechless. Our restaurant is a high-end restaurant, and not just some cats and dogs can come in to consume it."

C37

After the waitress said this, she turned around and left. When she saw a couple dressed in expensive clothes, she quickly went to welcome them.

"Tianxiang, how about we go?" Qiu Yi thought the dishes were too expensive after she heard the waitress announce the menu price.

Ji Tianxiang shook his head and said, "No need, Qiu Yi, sit here and wait for me. I'll be back soon."

Ji Tianxiang came to the service desk and asked for a VIP card.

The cashier looked at the manager beside him. The manager glanced at Ji Tianxiang and frowned. Although he was puzzled, he still nodded.

"I'll order a two hundred thousand RMB one first. If the dishes in the restaurant are delicious, then I'll order another five hundred thousand RMB one." Ji Tianxiang glanced at the manual and said indifferently.

The manager and the camp taker looked at Ji Tianxiang in shock, as they couldn't believe what he said.

The manager thought to himself: What big words, a VIP card worth two hundred thousand is not a small number. Could it be that this kid, wearing ordinary clothes, is actually a low-key and powerful rich second generation?

When Ji Tianxiang took out his bank card and successfully swiped two hundred thousand yuan into the account, it completely dispelled the suspicions of the manager and the employee.

The manager started to fawn over Ji Tianxiang, constantly saying good words along with a smile on his face. He praised the dishes, service, hygiene, design, etc.

"Well, but why don't I feel the enthusiasm of the waiters?" Ji Tianxiang glanced at the manager and asked curiously.

"How could that be?" The manager looked at Ji Tianxiang in surprise. When he saw Ji Tianxiang looking at Zhang Mao, he said clearly: "Did Zhang Miao neglect you? I will go and teach her a lesson so that she can apologize to you."

"Hmm, sorry for being slow. She mocked me and my girlfriend for being poor and not being able to eat the dishes in your high-class

restaurant." Ji Tianxiang said in collaboration.

Then, he personally led Ji Tianxiang back to his seat. Then, he called Zhang Miao over to him with a displeased tone: "Zhang Mao, come over here, how did you serve these two guests just now, apologize to me, serve them well for me, or else I will show you well."

"Manager, what's going on? Do not believe what they have told you. They are poor and cannot afford to eat our food. " Zhang Miao explained anxiously.

"Come on, hurry up and shut up. They can't afford it, but you can afford it. They already have two hundred thousand VIP members, are you?" "You're not, just shut the f * cking up and work properly." The manager scolded.

Zhang Mao opened his mouth wide in shock. He raised his head and looked at Ji Tianxiang, and then carefully sized Ji Tianxiang up. It was obvious that he did not dare to believe the manager's words.

"Waiter, let's order." Ji Tianxiang did not care about Zhang Mao's current state of mind. After he called for someone else, he ordered a plate of dishes in Italian. Hearing that, Zhang Miao was stunned.

The manager understood Italian and felt that

Ji Tianxiang was very standard, not any less than Italy itself.

"Don't you understand?" Seeing Zhang Mao's expression, Ji Tianxiang revealed a mocking expression.

Zhang Mao's face turned pale, she indeed did not understand what Ji Tianxiang meant.

"Manager, I suddenly don't want this waiter to serve me anymore. Can I trouble you to help us change it? It would be best if it's not snobbish, thank you." Ji Tianxiang said.

"Manager, I ..." Due to Ji Tianxiang finding fault, Zhang Miao's expression became even more unsightly.

"Manager what manager? Why aren't you leaving? Why are you standing here? Don't disturb the customers' ordering." The manager quickly chased him away.

He hurriedly apologized to Ji Tianxiang. Ji Tianxiang chose to ignore him and just stood on the spot for a long time, but the manager's look of disdain became more and more obvious, so he left unwillingly. She regretted what she had just done to Ji Tianxiang and the others, and she regretted saying what she had just said.

However, even if he regretted it, it was already too late.

After Zhang Mao left, another waitress came. Not only did she treat Ji Tianxiang and the others with respect, she was also very familiar with the business.

After Ji Tianxiang ordered the dishes, the dishes were served. The waiter even arranged the candles and roses on the table with great care, which caught Ji Tianxiang's heart.

"Qiu Yi, how's the taste of this dish? "Seeing that it doesn't suit your taste, if it doesn't, let's reorder." Ji Tianxiang said.

"No, it suits my taste. No need to change it." Qiu Yi picked up her knife and fork and clumsily cut the steak.

After Ji Tianxiang saw it, he cut up his steak quickly and exchanged it with Qiu Yi. He said caringly, "Eat mine."

"Okay, thank you, Tianxiang." Qiu Yi looked at the steak that had been cut, and her eyes were warm. She knew that Ji Tianxiang was taking care of her, and a happy smile immediately appeared on her face.

Seeing this, Ji Tianxiang was stunned. The way Qiu Yi laughed was really pretty.

Qiu Yi lowered her head to eat a steak. Ji Tianxiang asked, "How's the taste?"

"Delicious." Qiu Yi nodded in satisfaction.

"It's delicious, let's eat more. If it's not enough, we can order more." Ji Tianxiang said happily.

Qiu Yi nodded and started to eat the steak seriously. Ji Tianxiang saw that Qiu Yi was enjoying her meal and felt satisfied. He was already full and didn't want to eat his steak anymore.

"Wait."

Ji Tianxiang suddenly shouted.

Qiu Yi raised her head in surprise and looked at Ji Tianxiang. "What's wrong?" Tianxiang. "

Ji Tianxiang didn't say anything. He stood up from his seat and leaned out half of his body across the table. He reached out a hand and gently wiped the corner of Qiu Yi's mouth. Then he indistinctly touched Qiu Yi's red lips with his finger.

Qiu Yi's lips were red and tender, even more so than the red roses on the table. She really wanted to take a bite out of it.

Ji Tianxiang's eyes were filled with danger.

"Tianxiang, what are you doing?" Qiu Yi asked softly. In fact, her heart was beating like a drum.

"Oh, it's nothing. You have steak sauce at the corner of your mouth. I'll help you wipe it off." Ji Tianxiang knew that he had lost his composure, so he quickly returned to his seat and said seriously.

"Oh, oh, thank you, Tianxiang." Qiu Yi was startled and replied hesitantly. She did not know why she felt such a sense of loss in her heart.

After the meal, Ji Tianxiang and Qiu Yi happily walked out of the restaurant and onto the shady road. Ji Tianxiang didn't want Qiu Yi to go back so quickly, so he asked her again when he could, "Qiu Yi, let's go watch a movie together. I know there's a movie that's been shown recently, it's really pretty, I promise you'll like it."

C38

Lili looked at the joyful Ji Tianxiang and shook her head, looking a little embarrassed. "Tianxiang, I'm sorry, we won't be able to watch a movie together today. My part-time job is almost done, I have to do it."

"Don't work part-time, I'll support you." Ji Tianxiang was so excited that he said something that only came to his mind.

Qiu Yi's mood suddenly turned mixed. Did Ji Tianxiang say he was going to raise her? She doesn't need to work, do I ask Ji Tianxiang to give her money?

How is this possible? She wasn't that kind of woman at all. She didn't like to be helped or given alms. She liked to work hard with her hands and earn money to support herself.

How could she not understand what Ji Tianxiang was saying? She pretended not to hear him and said, "Tianxiang, it's almost time. I have to work part-time. We'll see the movie next time."

"Alright, I'll send you there." Ji Tianxiang knew Qiu Yi wanted to avoid the topic, so he agreed.

After Ji Tianxiang drove Qiu Yi to the part-time job, he was a little worried that Qiu Yi would act the same as last time. They had just met that day, so Ji Tianxiang's heart inexplicably tensed up.

He would rush over when Qiu Yi needed him most.

Qiu Yi was a little touched and then comforted, "Don't worry, I'm fine. The working environment here is much better than last time. Don't worry about me. If something happens, I'll definitely call you."

Only after getting Qiu Yi's guarantee did Ji Tianxiang leave without any worries and drove back to school.

"Bam."

With the sound of a collision, something crashed into Ji Tianxiang's red QQ.

Guan Yu's body went limp and fell to the ground.

Aiyo, what the heck! It had only been a few days, but he had already run into someone.

Ji Tianxiang was also speechless as he sat in the car. He wanted to slap himself to death, but when he saw that someone had fallen, he

immediately got off the car to check. He heard the person on the ground say: "Hurry and take me away. Someone wants to hurt me."

Ji Tianxiang looked at the two men in black running over. Without thinking, he quickly carried Guan Yu and got on the car. When the two men arrived, he started the car and drove away quickly.

When Ji Tianxiang was halfway there, he found out that someone drugged the woman in the car and didn't know what to do.

"So hot." Guan Yu panted heavily, her hands unable to control the urge to rip off her clothes.

Ji Tianxiang turned around and saw something he shouldn't have seen. He saw that the woman he rescued in the car was flushed red in the face. Her hands kept tearing at her clothes. The clothes on her upper body were a bit messy, revealing half of her shoulders.

Ji Tianxiang looked at Guan Yu's hand and was sure that if he pulled a little more, he would be able to see more of the beautiful scenery.

Bullshit! What kind of scene was this? When something like this happened, as a young man from the Five Great Heroes, he should be

disrespectful to others.

Ji Tianxiang paused for a moment and turned his head back. He looked straight ahead and put his hands on the steering wheel to drive the car properly.

"Putong." Ji Tianxiang's thigh was heard, and when he turned his head, he could feel a breath of relief coming from between his thighs.

Ji Tianxiang was shocked and quickly looked down at the head on his thigh. His breathing also became hurried: "Miss, sit properly, I'm still driving."

"Big brother, I'm so hot. Can you help me relieve the heat?" Immediately after, Guan Yu released a suppressed groan.

That voice, on the other hand, carried a hint of flirtatious coquettishness. It was quite seductive.

"Uh, what am I thinking!?! No matter how nice the voice is, it's still as nice as Qiu Yi's!" Ji Tianxiang shook his head and pushed Guan Yu's head away from his legs.

Guan Yu was currently delirious, and the evil fire within her body was making her restless. She desperately needed to do something to

calm down.

Ji Tianxiang pushed her away and didn't feel discouraged. Once again, he threw himself onto Ji Tianxiang's body. The closer the two bodies were, the more unbearable the heat became. Her hands impatiently touched Ji Tianxiang's chest and her mouth arrived in front of Ji Tianxiang.

"Little big brother, do you want to have one?"
Guan Yu said in a daze.

Ji Tianxiang was stunned for a moment. He saw that the red lip was about to get close to him. He hurriedly moved away and used one hand to hold the woman's hand, then pushed her back with force once again.

"What is it?" "It doesn't smell good. You better be honest with me."

But this woman was like an octopus, she didn't give up and moved closer to him. Her hands touched his mouth, then reached into his clothes.

Ji Tianxiang was a little broken down by Guan Yu. He couldn't go on like this. He glanced at Guan Yu, who was in a daze, and thought for a while.

He thought of two ways. One was to call the

police and the other was to send her to the hospital, but he didn't know this woman. No matter where she was sent to, it wouldn't be appropriate.

To prevent Guan Yu from harassing him again, Ji Tianxiang carried her from the front passenger seat to the back seat. Seeing the messy clothes, he quickly tidied up and ran back to the driver's seat. He started the car and left.

However, along the way, because of the aphrodisiac, Guan Yu could not help but moan.

Ji Tianxiang turned around and glanced at Guan Yu. He knew that if this went on, things would definitely happen if he didn't give other people the drug to decompose their bodies.

The car just happened to pass by a hotel. There was no other way around it. Ji Tianxiang and Guan Yu booked a room. As soon as they got to the room, they put Guan Yu in the bathtub.

Ji Tianxiang saw the look in Guan Yu's black underwear as she wet her clothes. He lowered his head in panic and walked out of the bathroom. About two hours later, he went to the bathroom to check on Guan Yu's situation.

She noticed that the blush on Guan Yu's face had faded. She took a towel and placed it on Guan Yu's body, then carried her out of the bathtub and back to the bed.

Guan Yu slept on the bed while Ji Tianxiang spent the night sitting on the sofa outside.

When he woke up early in the morning, Ji Tianxiang was awakened by someone. It was Guan Yu's scream.

"Ah!"

"Ah, what's wrong?" Seeing Guan Yu's frightened face, he understood what was going on and explained with a clear conscience, "Don't worry. I brought you back yesterday but I didn't do anything to you. You're still the same as before. If you don't believe me, you can check it yourself and I'll go out first."

Guan Yu stared at Ji Tianxiang for a long time before suddenly laughing out loud, "No need to go out, I believe in you."

Guan Yu could feel that her body condition was no different from usual. She checked her clothes and saw that they were undamaged, there were no traces of people touching them. However, she was still a bit scared after what happened yesterday.

C39

The brat that saved her, with his long eyebrows, starry eyes, righteous eyes, and sincere words, coupled with what happened to her yesterday, she didn't take advantage of him at all. Not bad, she admired him a lot.

"Yes." Ji Tianxiang nodded, but he didn't go out, so what was he standing here for?

"Thank you so much for yesterday, or else I would be in trouble. I went to negotiate a business deal on behalf of my father, but he gave me the aphrodisiac instead. When I go back, see if I don't find someone to mess with him."

"What's your name? My name is Guan Yu and you seem to be quite a nice person. Let's be friends then. How old are you? Guan Yu briefly explained yesterday's situation, then carelessly chose the quilt and got off the bed, walking slowly towards Ji Tianxiang.

Guan Yu's facial features were very pleasant to look at. She was wearing a professional dress, not looking at the half purple and half blue hair, which gave her the temperament of an elite working girl. Among all the women Ji Tianxiang had ever met, she was the most virtuous, giving people the feeling of a big

sister.

"My name is Ji Tianxiang, I'm 21 this year." Ji Tianxiang said.

Thank you for yesterday. If you didn't appear in time, I would have been tricked by that Lin dog. Since you saved me, I must give you some compensation. Money, or a car, or a house?

"Don't worry, as long as it's something that I, Guan Yu, have promised you, I will definitely give it to you. My dad is a board member of the Skie Group, and I'm his daughter." Guan Yu was afraid that Ji Tianxiang wouldn't believe her, so she told him her origins.

The daughter of the director of the Blue Sky Corporation. No wonder she was so generous when she made her move.

Of course, his status was not worse than Guan Yu. In fact, it was even a few dozen times better than Guan Yu.

"No need, it's just a small task. If there's nothing else, I'll be leaving first." Ji Tianxiang shook his head thoughtfully.

Give him money? Forget it, what Ji Tianxiang lacked the most was money. Give him a car? Forget it, he just bought a QQ recently and likes it a lot, so far he doesn't have any plans to change it.

"Forthright, I like people like you. If you have something to say, then you don't have to lie, how about this, for yesterday's matter, even if I, Guan Yu, owe you a favor, you will be my younger brother from now on. If anything happens to you in Beidu, just come and find me, this is my cell phone number, remember this." Guan Yu admired Ji Tianxiang even more and patted his shoulder happily.

Ji Tianxiang wanted to make more friends, so it wasn't a bad thing. In the future, if he could be useful, he could ask her for help. Judging from Guan Yu's attitude, her identity shouldn't be simple, so he took out his phone and wrote down Guan Yu's phone: "Ms Guan, nice to meet you."

"Hehe, don't say that. You are now my, Guan Yu's, little brother. What are you saying? Please don't say such polite words, little brother. Who wants to bully you in the future ..." Just call me and see how I deal with him. " Guan Yu clenched her fists and said fiercely.

At this time, Ji Tianxiang didn't take Guan Yu's words seriously. He only thought that Guan Yu couldn't stand it and wanted to fight for him.

Seeing that Guan Yu was still lively, Ji Tianxiang felt that there was no need for him

to stay any longer. He spoke briefly with Guan Yu, found a reason, and then left in a hurry.

Seeing that Ji Tianxiang was about to leave, Guan Yu did not stop him. If fate allows it, there will be opportunities to meet again in the future.

After Ji Tianxiang left the hotel, he drove back to school.

Ji Tianxiang parked the car and got ready to walk out of the parking lot. He took out his phone and looked at the time. He couldn't help but think of Qiu Yi and started to worry about her.

Who knew if Qiu Yi had been bullied after she had worked yesterday, or if she had returned to the school in time after work, or if she would be bullied by Mi Le and the others when she returned.

Oh right, forcing Mi Le and co. to slap him at noon must have caused them to hate him to death. They might even take advantage of his absence to bully Qiu Yi.

Ji Tianxiang frowned. He couldn't continue like this. He had to think of a foolproof plan.

Suddenly, Ji Tianxiang had a flash of inspiration. He thought of a good way to solve

this, which was to buy a house for Qiu Yi to live in when she went back to her dorm and was bullied by Mi Le and the others.

From then on, Qiu Yi no longer stayed in the dorm, so she would not let those despicable women of Mi Le's group succeed.

However, he had no experience in buying a house by himself. How about he find someone with that experience?

After thinking about it, Ji Tianxiang called Zhang Mangmang and asked if she was free.

But before Ji Tianxiang could say anything, Zhang Mangmang had already arrived without stopping and asked, "Tianxiang, you're so hateful. You're calling someone after such a long time and you don't even know how hard it was for them to wait for you. "Oh, by the way, what business do you have with me? Is it a date?"

Ji Tianxiang shook his head. Zhang Mangmang's expression suddenly turned ugly. "Then why are you looking for me?"

"I want you to accompany me to buy a house. I remember hearing you say that your cousin works in the sales center, right?" Ji Tianxiang asked.

"It's like this, but my cousin bought a house with a very high price, starting price of over 30,000 yuan. You only have so much money, so how could you buy it?" Zhang Mangmang said in disdain.

"You don't need to worry about money, just take me there." Ji Tianxiang said lightly.

Zhang Mangmang was dubious, so she took Ji Tianxiang to the blue sky sales office.

When they arrived at the blue sky, Zhang Mangmang called her cousin, "Ji Tianxiang, my cousin is still resting at home, it's his turn today. You can sit here for a while, I'll go buy a bottle of water."

"Alright." Ji Tianxiang took out 100 yuan from his pocket and gave it to Zhang Mangmang. Then, he found a place to sit down.

Zhang Mangmang did not hold back and took the money the moment she saw it.

Ji Tianxiang was still wearing the clothes he bought at the mall that day. He had been wearing it for a few days now, and it looked a bit rumpled. There were still traces of food stains on it, and even his shoes were dirty.

Ji Tianxiang, who forgot to take a shower and changed his clothes before coming out, shook

his head with a wry smile.

However, he could buy the house as soon as possible and let Qiu Yi move in as soon as possible.

Just then, Ma Qiangwei held Wu Yuhan's hand and walked into the blue sky.

"I didn't expect it to be so troublesome to park in the blue sky. The parking lot is already full, so there aren't many parking lots. "He's really stingy." Wu Yuhan complained as she walked into the sales office in the blue sky.

The sales manager saw the person that came in from the entrance with his sharp eyes, he ran over to greet Ma Qiangwei: "Isn't this Boss Ma's son? Come buy a house from us in Skie. "

"Yeah, I heard that you guys have a few new European apartments, so I wanted to buy one." Ma Qiangwei immediately revealed a proud smile and said proudly.

C40

Just now in the parking lot, the security guards in the blue sky had caused him some unhappiness. Now that he met the sales manager, he was fully able to find his place and was treated with hospitality.

On the other hand, Ji Tianxiang, who sat in the reception area, had been sitting there for almost half an hour, but no one came over to greet him.

At this moment, Zhang Mangmang came back, followed by her cousin Zhang Liang.

"Cousin, let me introduce you to my classmate, Ji Tianxiang."

"Ji Tianxiang, this is my cousin, Zhang Liang." Zhang Mangmang introduced the two to each other.

Zhang Liang looked Ji Tianxiang up and down and frowned slightly. He wasn't sure if this cousin of his brought someone to buy a house for him, or to play with him.

No matter how you looked at it, he looked like a poor man on the street. How could he afford a house in the blue sky?!

However, thinking about it, in the lead, he had just reported a piece of news. The rich guy wore tattered clothes and kept a low profile as he went to the bank to withdraw money, which the female bank teller did not like. The rich guy revealed the black card in his hands, which even the manager respected and feared.

Therefore, as long as one didn't look down on others and didn't know when they would run into a rich person, offending others would be bad luck.

That rich guy's back was similar to Ji Tianxiang's, so it must be him.

What are you thinking? How could there be such a coincidence in this world? Zhang Liang shook his head and said, "Let's go. What kind of house do you want to buy? I'll take you guys to have a look."

Zhang Liang was about to take them to the house when Ma Qiangwei saw them.

"Yuhan, take a look and see if that person is Ji Tianxiang the Dog." Ma Qiangwei tapped Wu Yuhan on the shoulder and pointed at Ji Tianxiang.

"It's him, why would he come here? And they even brought along that bitch Zhang Mangmang, what are they doing here, buying

houses too?" Wu Yuhan frowned and said with a contemptuous expression.

"Qiangwei, who are they?" When the sales manager saw this, he frowned in displeasure and asked.

"He's my girlfriend's classmate, he's just a famous trash picking prince at Beidu Academy." Ma Qiangwei said in disdain.

"No wonder you're wearing such shabby clothes, it turns out you're here to pick up trash." The sales manager looked at Ji Tianxiang and called out to Zhang Liang.

The few of them walked over to Ji Tianxiang.

"Zhang Liang, you're not resting today? What are you doing here?" The manager said with a dark expression.

"Manager, I brought a client to see the room."

"Customer?" The manager's face sank as he pointed at Ji Tianxiang and Zhang Mangmang: "Who are the customers? It can't be them, right?"

"Do you think they can afford a house in the blue sky with their shabby clothes? I can't afford a house in the blue sky. The manager frowned and glared at Zhang Liang.

Ma Qiangwei sneered and said mockingly, "How can a high-class sales office like Skie let this kind of person in? Hurry up and let the security guard kick them out."

"Men, security, kick these two trash out of the blue sky and don't let them near the blue sky gate." the manager shouted.

The security guards quickly came in. They looked at Ji Tianxiang and Zhang Mangmang viciously.

"Ji Tianxiang, how about we forget about it?" Zhang Mangmang was slightly afraid and started to retreat.

"We're not leaving." Ji Tianxiang said calmly, "Not only can I afford your Blue Sky house, I can also afford your most expensive house. I also want to ask manager to apologize in front of everyone and call me dad."

Originally, Ji Tianxiang didn't want to show off his wealth in front of Zhang Mangmang, Ma Qiangwei, and Wu Yuhan. However, it was a matter of personal dignity.

"Ji Tianxiang, stop pretending in front of us. Your card doesn't have that much money to buy a house in the blue sky. Do you know how expensive a house in the blue sky is? "What

are you bragging about." Wu Yuhan humphed and said contemptuously.

"Even if I'm bragging, I'm still better than you at selling?" Ji Tianxiang interrupted.

Wu Yuhan's face immediately became embarrassed. She pointed at Ji Tianxiang in exasperation. "Mr Ma, look at how he's speaking. He's bullying me. You must avenge me."

"Little brat, I advise you to be more honest. Don't act cool here if you don't have the money, don't embarrass Beidu University." Ma Qiangwei looked coldly at Ji Tianxiang.

"Manager, how is it? What are your considerations? When I buy the house in Skie, you call me Daddy." Ji Tianxiang couldn't be bothered with Ma Qiangwei, he turned around and said to the manager.

He wanted to slap the manager's face, but even more so, he wanted to slap Wu Yuhan and Ma Qiangwei's face.

However, he wasn't in a hurry. He had to take his time.

Ji Tianxiang touched the black card in his pocket. He was very confident at the moment.

Ji Tianxiang's request was too outrageous.

The manager's face became extremely ugly as he scolded, "Call me your mom. Security, kick these two bastards out and teach them a lesson."

Without saying anything, the security guard pulled Zhang Mangmang and Ji Tianxiang and pushed them out. Ji Tianxiang hated people who treated him like this the most. He shouted: "Don't pummel me, I'm leaving by myself."

"Hei Hei, this is worse than shouting for people. Hurry up and take action and teach him a lesson. Otherwise, he will strut on your head." Ma Qiangwei snorted and added another stab.

Hearing that, the security guard immediately dragged Ji Tianxiang to the door, wanting to give him a good beating.

"What right do you have to beat us up? We are the customers and consumers of Skie Group. If you treat us like this, we will definitely spread the name of Skie Group and see how we can sell our buildings." Zhang Mangmang stepped forward to protect Ji Tianxiang and said.

"Manager, just let them go, why beat them up. No matter what, they are still customers." Zhang Mangmang's cousin Zhang Liang said.

"Zhang Liang, I say, is there something wrong with your head? What kind of client was he? You came to the blue sky to work that day, can't you still look at people? Only someone like Young Master Ma is worthy to be a client of us, Blue Sky. In the future, when you're looking at someone, be careful, idiot.

"The manager scolded without any trace of politeness.

"But, they're also people that I brought with me. It's not appropriate for them to be injured, no?" Zhang Liang still wanted to speak up for Ji Tianxiang: "Manager, tell him to stop fighting."

"Oh, so much sympathy." Don't meddle in other people's business, Manager. Look at who you're recruiting. "Ma Qiangwei didn't like Zhang Liang speaking up for Ji Tianxiang as he ridiculed him.

"That's right. For someone like him who doesn't know his place, I suggest that you, the manager, give up your job first. Otherwise, how many houses would you lose when the time comes?" Wu Yuhan looked down on Zhang Liang and said.

"You still want to hit me? Fine, then I'll call the police." Zhang Mangmang shouted.

When the security guard saw this, he pushed

Ji Tianxiang and pushed him to the ground before withdrawing his hand. He turned around to look at the manager and saw that the manager had signalled for them to leave.
