Zhang Mangmang slowly helped Ji Tianxiang up and said worriedly, "Are you alright? I'll send you to the hospital now."

"No need, help me grab my phone." Ji Tianxiang said.

Although Ji Tianxiang wasn't hit, the security guards just pushed him, causing his arm to graze.

"What do you want a phone for?" Zhang Mangmang said angrily.

"Call my godsister. She's the real estate owner's daughter." Ji Tianxiang said coldly.

Zhang Mangmang was stunned for a moment. She saw Ji Tianxiang already holding his phone and was calling someone.

"Wait here for five minutes, my sister will be here soon." After hanging up the phone, Ji Tianxiang vowed solemnly.

Sure enough, in less than five minutes, Guan Yu arrived.

Guan Yu wasn't the only one getting off a black SUV. Three or five people followed

behind her.

"Sis, I'm here." Ji Tianxiang immediately waved his hand in excitement.

"Bro, what happened to you?" Guan Yu asked anxiously as soon as they got on the stage.

It was because Ji Tianxiang's face had just been beaten up badly by the two security guards. If Guan Yu didn't see the clothes Ji Tianxiang was wearing, she really wouldn't be able to recognize him.

"Sis, is this your real estate agent's office opened by your family?" Ji Tianxiang pointed behind him and said.

Guan Yu didn't even look up as she nodded. "It was opened by my family. So what? The people inside bullied you."

"What the f \* ck!" "Who the hell is blind to dare to bully my brother? You're courting death." Without waiting for Ji Tianxiang's reply, Guan Yu shouted in rage.

Ji Tianxiang was delighted to see Guan Yu being so impressive. He smiled and said, "Sis, the person who bullied me is inside. You must get justice for me."

"No problem. Brothers, follow me. I want

to see which blind guy bullies my younger brother." Guan Yu patted Ji Tianxiang on the shoulder angrily and walked in with the five men.

At this moment, Ma Qiangwei, Wu Yuhan and the manager were still standing in the hall talking.

What was he saying? The manager personally received Ma Qiangwei to buy a house and actively recommended him.

"Bro, I'm pointing to who bullied you." Guan Yu shouted into the hall.

"It's the three of them, two men and one woman." Ji Tianxiang pointed in the direction of Ma Qiangwei.

The manager, Ma Qiangwei, and Wu Yuhan heard the shouting and looked over. Ma Qiangwei and Wu Yuhan saw that it was an unconventional woman, so they didn't take it seriously.

When he turned around and spoke to the manager again, the manager had already lost all strength in his legs.

"The daughter of the chairman, Miss Guan, Miss Guan." He then heard the manager say with a trembling voice.

"So it's you, old fart. You dare to bully my younger brother right? Watch how I take care of you." Guan Yu grabbed the manager by his collar, pulled him around and tossed him to the five men behind her.

"Miss, I was wrong. I didn't know that he was your younger brother. It was I who had eyes but failed to recognize Mount Tai, and looked down upon others with my dog eyes. Please bypass me this time. "

The manager quickly got rid of the five men, ran to Guan Yu, and knelt down with a bang.

Ma Qiangwei and Wu Yuhan, who were standing on the side, were completely dumbfounded.

Guan Yu looked at the manager with disdain as she said coldly, "I'll let you off, but that will depend on whether my brother is willing or not."

The manager immediately understood the meaning behind Guan Yu's words. He quickly dragged his leg off the ground and knelt in front of Ji Tianxiang.

"Little brother, I was looking down on you with my dog eyes and did not recognize you. You are Miss Guan's brother, but I did not

recognize you and even let the security guards hit you. It is my fault, it is my fault.

Begging.

Completely pleading.

How sad, how bitter, how... Well, what else is there to describe it?

Well, forget it.

Ji Tianxiang looked at the person on the ground begging for forgiveness like a dog and felt a lot more pleased, but he still maintained a cold expression and said, "I won't make things difficult for you. It's still as I said before, if I can buy a house in blue sky, then you can call me daddy. You know what to do, don't you? "

Ai, face slapping always comes so fast!

"Well, I believe you bought a house under the blue sky. Your excellency doesn't remember this lowly one, so please don't make me call you daddy. " The manager counted with a bitter face, "There are so many people here. I-I don't want to lose face. Otherwise, how am I going to work in the future?"

"You can stop working." Guan Yu said coldly, "From today onwards, there will no longer be

any jobs for you in Skie Plaza."

"What?" The manager felt as if he had been struck by lightning.

Guan Yu sniggered and said, "Why can't you understand what others are saying? What I mean is, you've been fired. You can scam now."

"No, no. Miss Guan, little brother, I will call you. You can ask me to do anything I want. I will call you now." The manager was scared out of his wits. There was not a single trace of blood on his face. He hurriedly said, "Dad! Dad! My real dad!"

"Sis, they were the ones who bullied me." Ji Tianxiang glanced at the manager complacently, then pointed at Ma Qiangwei and Wu Yuhan, who were not far away, and said.

"What are you doing?" Don't come near me. Do you know who my father is? "My dad is Ma Qiangfei, a big boss with a lot of reputation. I advise you not to touch her, if you really want to, then hit her. I'll give this woman to you for free and you can do whatever you want with her."

Ma Qiangwei kept backing down in fear and pushed Wu Yuhan forward to use her as a shield.

"Mr Ma, how can you treat me like this? I'm your girlfriend." Wu Yuhan exclaimed.

"I, Ma Qiangwei's girlfriend, would die for me. Go die." Ma Qiangwei pushed Wu Yuhan over.

He then scampered off.

Seeing this, Ji Tianxiang didn't want to be too happy. What a pair of dogs biting each other. With a lover here, they would eventually become enemies.

"All of you, go chase them, and pull them to a place with no one to teach them a lesson." When would Guan Yu let Ma Qiangwei off?

Turning around, Guan Yu asked with concern, "Bro, I will give you an explanation today. I will not spare any of the people who hurt you. By the way, didn't you come to Skie to buy a house? "Which suite are you in? I'll get someone to give you a 50% discount."

Ji Tianxiang was moved by Guan Yu's kindness. It was great to have a sister to protect him.

Pfft, what is a man like me thinking? Letting a woman protect me, that would be too useless.

However, in reality, with the protection of a

big sister, she was quite beautiful.

Ji Tianxiang was secretly happy for a while and said: "Then thank you, sis. I'll treat you to a meal another day."

Accompanied by Guan Yu, Ji Tianxiang bought a villa of the right size. Zhang Mangmang, who was also accompanying Ji Tianxiang, became extremely excited when she saw Ji Tianxiang spend two million in one go.

Oh my god! Oh my god!

Ji Tianxiang, why is he so rich? When did he suddenly become so rich?

## C42

This won't do, she definitely wouldn't let go of the fat meat that was in her mouth.

After buying the house, he went to take a look. It was already near dark.

After Guan Yu and Zhang Liang left, Zhang Mangmang took the opportunity to use all sorts of thoughts from the bottom of her heart to cling onto Ji Tianxiang.

"Brother Tianxiang, my feet are hurting. I can't walk anymore." Zhang Mangmang said tenderly.

"Then call a cab and go back."

"Brother Tianxiang, I suddenly feel a pain in my waist." Zhang Mangmang said as a monster

"Then hurry, I'll send you to the hospital for an examination."

"Aiyo, Brother Tianxiang, I suddenly feel dizzy, as if I'm under oxygen. Can you come over and hug me?" Zhang Mangmang kept going.

She didn't believe that she wouldn't be able to

hook up with Ji Tianxiang tonight.

"This, this is not good, right? "Look, there's a tree over there. Why don't you hug it? It's the perfect time to absorb the oxygen."

Zhang Mangmang staggered, glared at Ji Tianxiang in exasperation and quickly walked to the front.

Why is he just an idiot? She had seen unromantic people, but she had never seen such an unromantic person.

She was extremely proactive, to the point of being like a fool. She wasn't going to take the bait yet.

Could it be that her charm was not as attractive as it used to be?

Zhang Mangmang couldn't help but feel inferior.

Immediately, Zhang Mangmang took out the small mirror and looked at her face. Perfectly, then lowering her head to look at her figure. It was also perfect.

After that, Zhang Mangmang put the mirror back into her bag and threw herself into Ji Tianxiang's arms.

"Mr Xiang, I'm so tired. How about we not go back tonight?" Zhang Mangmang saw a large hotel not far away.

"That's not so good." Ji Tianxiang hesitated.

"What's so good about it? Are you afraid that if I become a demoness and eat you, I won't dare to get a room with you?" Zhang Mangmang got angry the moment she heard Ji Tianxiang's voice of opposition.

Similarly, Ji Tianxiang's man pride was questioned and he got angry.

Afraid?

What a joke, in this world, there was no one that Ji Tianxiang was afraid of.

It was just a room, there was no need for him to be scared. Thus, he stood up and walked over.

"Hehe, would I be afraid? There was nothing to be afraid of. Wasn't it just getting a room?"  
"Let's go." Ji Tianxiang revealed a pretentious smile.

Zhang Mangmang was so happy that she wanted to jump up and down. She suppressed her excitement and said exaggeratedly, "Wow, Mr Xiang, you're so powerful, so

mighty. I've never seen a man as manly as you. I really like him."

This flattery was great, Ji Tianxiang nodded with a smile.

Actually, Ji Tianxiang also felt that it was too late when they got back to school. They couldn't go back, so they agreed to rent a room.

"Mr Xiang, then what are we waiting for?" Let's hurry up and go, otherwise we won't have a room if we're late. " Zhang Mangmang said anxiously.

As he said that, he went to pull Ji Tianxiang towards the direction of Yue Hai Hotel.

When they arrived at the hotel, Ji Tianxiang came to the front desk and said, "Order two big beds."

"Yes, sir." The front desk girl said politely.

"Wait a moment, I'm not sure." Zhang Mangmang pulled Lin Feng and said anxiously, "Mr Xiang, what are you doing? "If you're here, why are you booked in two rooms? A hotel room and a girl's room. It's so dangerous, I wouldn't dare to sleep alone."

"Fine." Ji Tianxiang said after thinking for a

while.

Indeed, it was not safe to let a girl into a hotel.

Then one room and two beds.

After the front desk girl heard Zhang Mangmang's words, she politely smiled and said, "Miss, please don't worry. Our hotel is a high-end hotel. The security and the management of the hotel rooms are very safe. Even if you live alone, it's very safe."

"There's been a lot of news on the internet that the hotel is not safe. I'm afraid, so I'll just book one." Zhang Mangmang glared at the receptionist and said.

"Hmm, then let's get a room. A room with two beds." Ji Tianxiang said.

Zhang Mangmang was inwardly furious when she heard that. What exactly did Ji Tianxiang mean?

Two beds in one room, why aren't you willing to sleep in the same bed with me, Zhang Mangmang?

In any case, he was still a pretty good class girl in the class. He had to have a face, a face, a body, yet this idiot still dared to look down on him.

No, no matter what, he had to give her a room and a bed.

"Wait." Zhang Mangmang stopped him again, "Mr Xiang, I don't want to sleep on the same bed."

If Ji Tianxiang could not understand what Ye Zichen had said, then that would be so stupid that even the heavens would be speechless.

Zhang Mangmang's cheeks were slightly red as she pursed her lips. Her eyes kept avoiding Ji Tianxiang, not daring to look at him.

The little woman's shyness was obvious.

When the front desk girl saw this, she finally understood what was going on.

No wonder it was said that a hotel room was scary when a person lived alone.

"This, isn't too suitable, right?" Ji Tianxiang was slightly embarrassed and touched his nose.

"Aiya, nothing is inappropriate. Mr Xiang, I believe in you." Zhang Mangmang said.

Fuck, sleep in the same bed? You still believe in me?

Please, I'm a man, okay? You believe in me, but I don't.

It was inevitable that something would happen when a man and woman were alone in the same room. He and Zhang Mangmang weren't lovers, so it wouldn't be good for them to sleep in the same bed.

If the news didn't spread out, it would be good for everyone's reputation.

After some consideration, Ji Tianxiang decided to make two beds in one room.

"It's really inappropriate for me to sleep in the same bed as you. "One room and two beds, sorry to trouble you, young miss." Ji Tianxiang said.

The front desk girl smiled and said, "Ok, sir."

Ji Tianxiang walked in front with the card in his hand. Zhang Mangmang stomped her foot in anger and followed behind him.

Hmph, if it isn't just one bed, then it isn't even one bed.

Ji Tianxiang, if you enter this room today, I will make you Zhang Mangmang's man.

When that time comes, all the money in your hands will have to be given to me, Zhang Mangmanghua. Even the house you just bought today will be mine.

Zhang Mangmang's plan worked, but when they arrived at the room and the two of them were left alone, there was still some lingering fear of what they wanted to do.

After all, this was the first time she had taken the initiative to seduce a man.

"Mr Xiang, wait for me on the bed for a while. I'm going to take a shower, I'll be out soon." Zhang Mangmang said shyly before running to the bathroom.

Ji Tianxiang looked at Zhang Mangmang strangely and said, "En, there's no need to rush. You can take your time to wash up."

After saying that, Ji Tianxiang felt that what he said was strange.

After that, he lowered his head to play with his phone. As he played, he started to feel sleepy.

## C43

Ji Tianxiang narrowed his eyes. Seeing that the person in the bathroom wasn't finished washing, he climbed onto the bed, took off his shoes, covered himself with the blanket and went to sleep.

When Zhang Mangmang came out with a shy, nervous, and excited expression on her face, she saw that the person on the bed had already fallen asleep, and her expression immediately changed.

What the f \* ck did that mean?

How could it be so f \* cking depressing?

Zhang Mangmang couldn't help but burst out in her heart.

Zhang Mangmang angrily bit her lip as the chain fell off right before the rice was about to be cooked.

He walked up to Ji Tianxiang's bed and woke him up. However, he slept like a dead pig, unable to wake him up no matter how hard he yelled.

He could only do so.

Zhang Mangmang's eyes darkened. She wrapped a towel around her and went to Ji Tianxiang's bed, taking the initiative to get closer to him.

It was fine for her to do so, she didn't need to lose her body and was taken advantage of by Ji Tianxiang.

When Ji Tianxiang woke up tomorrow, she would take the opportunity to tell him that Ji Tianxiang had taken over her at night. At that time, she wouldn't believe that Ji Tianxiang wouldn't admit it.

After all, the two of them were still naked when they slept together. It was hard to tell them apart.

Just as she was about to pull Ji Tianxiang's arm out and put it under her head, a kick was suddenly heard. Zhang Mangmang was lying on the ground with a towel on her body.

The pain made Zhang Mangmang grimace in pain. She wanted to scream out the pain, but then she saw that Ji Tianxiang was sleeping soundly, so she didn't dare to wake up to avoid disrupting her plan.

Zhang Mangmang crawled back onto the bed. As soon as she got close, she was hit in the face again.

Zhang Mangmang was in so much pain that she really wanted to curse herself. Who would like to seduce a man like that? I'm not going to let him go.

She wanted to seduce Ji Tianxiang, but she didn't want to risk her life to seduce him.

Clutching her waist and her eyes, Zhang Mangmang went to her own bed, covered herself with a blanket and slept soundly.

Everything will be settled tomorrow when I wake up and settle the score with Ji Tianxiang.

The next day, Ji Tianxiang woke up early. He looked at the time and rushed back. He could still make it back in time to attend class without a break.

Ji Tianxiang walked up to Zhang Mangmang's bed and was about to wake her up when his phone rang.

Strange.

With a frown, he walked out of the room and answered the call. "Who are you looking for?"

"It's me, Tianxiang." Wu Yuhan said in a sobbing tone.

If Ji Tianxiang saw Wu Yuhan take the initiative to call him before he died, he would be so moved that he would hit the wall.

But now, hehe.

"Wu Yuhan, do you have business calling me early in the morning?" Ji Tianxiang said coldly, "Oh, right. Even if there's something, you shouldn't be looking for me. Didn't you get yourself a rich second generation boyfriend, Ma Qiangwei? I have something that I need his help with. Goodbye. "

"Don't, Tianxiang, don't hang up. Can you save me? I feel like I'm going to die soon." Wu Yuhan said anxiously.

If it was before, when Ji Tianxiang heard Wu Yuhan say that he was going to die, he would immediately rush over without saying a word. But now, he could just drop it.

"What does it matter to me if you die? Go find your new boyfriend." Of course, Ji Tianxiang knew that Wu Yuhan was probably lying to him. She loved money so much that she didn't want to die.

"Tianxiang, I'm really going to die, Ma Qiangwei left me alone yesterday, I was very sad, very sad, and I felt that I made a mistake, there was once a man who loved me, but he

lost because of my vanity, I wanted to save you, but I know you won't want me anymore, so I'm going to kill myself with drugs, if you don't come to the hotel location and room number I sent you within an hour, then let me die like this." Wu Yuhan sobbed a few times, feigning pain as she spoke.

"Where's Ma Qiangwei?"

"Ji Tianxiang, are you still going to mention him?" Yesterday, didn't you already see him abandon me and flee by himself? When I went back last night, I called him and Ma Qiangwei told me to go to hell. So even if I die, I don't want to see Ma Qiangwei, and I won't contact him. "But, I hope you can come over and see me. Help me collect a corpse." Wu Yuhan said depressingly as she went into a state of hysteria.

When Ji Tianxiang heard this, he couldn't tell if it was true or not.

"My phone is almost out of battery. Hurry up and come over." Wu Yuhan hung up the phone after she finished her sentence.

Ji Tianxiang hesitated for a while, but he still decided to take a look. After all, life was in danger, and he was the best person to call if something happened to Wu Yuhan. If Wu Yuhan really did die, then he would be the

biggest suspect.

"If I had known earlier, I wouldn't have made Ma Qiangwei suffer so much yesterday."

Ji Tianxiang was a bit regretful. He really didn't like Ma Qiangwei last night, so he thought of Ma Qiangwei as a whole. However, he didn't expect that guy to be a complete coward.

He didn't expect that Ma Qiangwei would push the blame onto Wu Yuhan and vent his anger on Wu Yuhan as a woman.

Although Wu Yuhan had joined Ma Qiangwei to crush him yesterday, a good man would not fight with a evil woman, so he wouldn't lower himself to the same level as Wu Yuhan.

He was very clear that Wu Yuhan would not contact him if she wanted to stay in the past. Now that she knew that he had won the prize and bought a house yesterday and made a fortune, Wu Yuhan changed her mind and thought of him.

This woman, she's so f \* cking realistic. She's really open-minded when it comes to money.

Soon, Ji Tianxiang caught a taxi to the hotel, walked to his room, knocked on the door and called Wu Yuhan's name.

A moment later, the door opened.

Wu Yuhan was wearing a sexy dress with her hair draped over her shoulders. Her eyes were red and swollen from crying and she looked heartbroken.

What a poor little sister Wu.

Ji Tianxiang couldn't help but feel heartache when he saw this.

"Are you alright? You haven't taken any medicine yet, right?" Ji Tianxiang frowned and asked worriedly.

"I haven't had any, luckily you came in early." Wu Yuhan's expression was very bad because she had suffered greatly from Ji Tianxiang. Last night, she had been tormented by Ma Qiangwei, so her whole body was sore and weak. She was extremely tired.

Last night, Wu Yuhan went back to the dormitory by herself in a bad mood. She suddenly received an apologetic phone call from Ma Qiangwei and then asked him to go out.

Wu Yuhan didn't doubt him, so she left the dorm and was driven away by Ma Qiangwei.

In order to express his sincerity, Ma Qiangwei

even bought Wu Yuhan a five thousand yuan skirt for her, making her smile.

"Yuhan, I'm going to teach Ji Tianxiang a lesson and help you win some face." Ma Qiangwei said.

Instantly, Wu Yuhan became excited. "How can I teach him a lesson? Have you made up your mind? "

Ma Qiangwei said he wanted to teach Ji Tianxiang a lesson. He said it a few times, and even now, he still hasn't found anyone to teach him a lesson. She had long hated Ji Tianxiang.

## C44

"I did, but whether I could teach Ji Tianxiang a lesson depends on whether you're willing to help me or not." A trace of calculation flashed across Ma Qiangwei's eyes.

Wu Yuhan was suspicious. She pouted and said, "How can I help you? I don't know anyone."

"It's like this. Didn't you say that Ji Tianxiang won a lot of money in the lottery? Yesterday, when he went to buy a house in the blue sky, he also had a confident look on his face. It seemed like that little brat must still have a lot of money in his hands. "You tricked that stinky idiot into the hotel and tricked him so that I could lead people to catch him and extort all the money he has."

"Yuhan, what do you think of this idea?"

Wu Yuhan looked a bit embarrassed and didn't want to help Ma Qiangwei. "Ji Tianxiang is annoyed to see me now, I can't fool him at all."

At this moment, Ma Qiangwei said sadly, "So it's like this, Yuhan, I was planning to take you overseas for a few days to buy some decent clothes and jewelry after extorting Ji

Tianxiang and getting the money from him. Then I'll take you back to see my parents." It looks like you don't want to. "Never mind, I'll think of another way to teach Ji Tianxiang a lesson."

"I promise you." When Wu Yuhan heard this, she felt that if Ma Qiangwei brought her home to see her parents, wouldn't that mean he would marry her and bring her home?

This was a great opportunity for her, Wu Yuhan, to turn over a noble family and be loved by a young one.

Therefore, he naturally agreed to help Ma Qiangwei to teach Ji Tianxiang a lesson.

No one could stop her from becoming a rich person.

Thus, the scene before his eyes appeared.

"Oh, you're fine. Then it's none of my business. I'll be leaving first." Seeing that Wu Yuhan was distracted, Ji Tianxiang took a step back and planned to leave.

Wu Yuhan quickly pulled Ji Tianxiang's arm, "Don't go, can you accompany me for a while? I really need someone to accompany me right now. "

As she spoke, tears began to form in Wu Yuhan's eyes.

Ji Tianxiang probed, "You broke up with Ma Qiangwei? If I hadn't broken up, I would have had an impact on your reputation if I had entered this room. "

"What's wrong with it? He already told me to go and die, can't I find someone to talk to?"  
Wu Yuhan rolled her eyes at Ji Tianxiang.

Ji Tianxiang thought for a while, but he couldn't figure out what was wrong.

While Ji Tianxiang was lost in thought, Wu Yuhan pulled Ji Tianxiang into the house.

After they went inside, Ji Tianxiang looked at Wu Yuhan and comforted her, "Don't be too sad, she's just a man. After entering, Ji Tianxiang looked at Wu Yuhan and comforted her," Don't be too sad, she's just a man.

"Ji Tianxiang, why are you still so nice to me?" I've done that to you. "

Wu Yuhan was slightly moved by these words.

Then, Wu Yuhan sighed in her heart. If only Ji Tianxiang was a fuerdai, she might be able to live a rich and happy life with him.

But, it was a pity.

Everything was fate.

While she sympathized, she was deeply moved. With the facts laid out in front of her, she, Wu Yuhan, did not intend to let Ji Tianxiang off.

Whatever it was that she wanted, she had to go all out to get it.

Lili suddenly shouted and feigned weakness as she fell into Ji Tianxiang's arms. She looked at him dubiously and said, "Tianxiang, I feel a little dizzy. Please carry me to the bed."

"Yes." Seeing that Wu Yuhan was indeed weak, Ji Tianxiang did not doubt him and carried her to the bed.

Ji Tianxiang put Wu Yuhan on the bed and was about to leave, but was stopped by Wu Yuhan's hand.

"Tianxiang, don't go. Do you want to talk to me?" I really need someone to accompany me right now. "

Wu Yuhan said sorrowfully, "I really regret it now, because the money left you, followed Ma Qiangwei, and he didn't treat me sincerely when he was with me, didn't treat me well,

and wasn't willing to spend money on me. He was just playing with me, and that's good, he cares about me every day, takes care of me, and even buys what I want."

Wu Yuhan started to repent to Ji Tianxiang. As she repented, she started to cry.

Ji Tianxiang still had some feelings for Wu Yuhan from the bottom of his heart. After seeing his ex-girlfriend crying, he felt especially upset.

"Tianxiang, I really regret having come this far." Lili cried and hugged Ji Tianxiang's waist.

Ji Tianxiang, who was wearing a dress made of a thin, sexy yarn, rubbed against his body.

Ji Tianxiang swallowed his saliva as he felt the softness in the air. His throat felt a strange dryness.

"Tianxiang, I'm in so much pain. I'm in so much pain. Take me. When I was with you, you were so good to me, but I didn't let you touch me. I've always felt guilty, but now I'm giving myself to you to make up for the guilt in my heart, okay? "Don't let me think that I'm a bad girl who plays with your feelings." Wu Yuhan said in a low voice.

Ji Tianxiang's body started to heat up. Not only did his throat become dry for some reason, even his mouth started to dry up.

Ji Tianxiang licked his dry mouth and said with difficulty, "Uhm, let bygones be bygones." If you didn't give it to me when we were together, that would mean that we weren't fated to be together and thus didn't reach that stage. "As for me, after we broke up, my thoughts were on things too, and my daily life was pretty good too. You don't have to blame yourself anymore. After we break up, we'll all be better off on our own."

"No, I will give myself to you. Even if you don't care anymore, I still care. Could it be that Ji Tianxiang, you think that I've been touched and you hate that I'm dirty?" Wu Yuhan's face sank as she said this.

Ji Tianxiang was silent for a while. Wu Yuhan suddenly sobbed, "You really do despise me for being touched by someone. You despise me for being dirty."

"Then I see that your spirit is slowly getting better, so I'll be leaving first." Ji Tianxiang thought for a while and decided to leave quickly. Otherwise, he wouldn't be able to control himself anymore. If something really happened between him and Wu Yuhan, it would be a great sin.

The reason he called it a sin was because it was a sin that he had truly been despised.

Wu Yuhan had treated him that way back then.

Forget about Ji Tianxiang, even if he was still the same poor guy from before, he wouldn't be with Wu Yuhan anymore.

Speaking of the reason, it was very simple. Wu Yuhan was still Ma Qiangwei's girlfriend and had been touched by him before. Furthermore, she was Ma Qiangwei's woman. He was not stupid, he was just a matchmaker.

He was a virgin and had never touched a woman before. Naturally, he wanted to find a girl that had never been touched by a man before.

Yes, that's right, virgins have a virginity complex.

If he were to be entangled with Wu Yuhan again, with such a big green hat on his head, it would be really hard for Ji Tianxiang to raise his head when he saw Ma Qiangwei and the rest again.

## C45

Besides, he, who had a virginity complex, was quite estranged that Wu Yuhan was not a virgin.

Of course, he could choose to be like a prostitute when he was with Wu Yuhan. If he wasn't responsible, he could bring a green hat to Ma Qiangwei. However, he didn't want to be like Wu Yuhan, eager to sacrifice her body.

He really wanted to embarrass Ma Qiangwei. With Ji Tianxiang's current status and identity, there were plenty of ways. Why use such a pitiful woman?

"Ji Tianxiang, if you dare to leave, I'll die right in front of you." Wu Yuhan stood up in a fluster, held Ji Tianxiang back and turned around.

In front of Ji Tianxiang, Wu Yuhan slowly took off her clothes.

Ji Tianxiang hurriedly glanced at Wu Yuhan's body. His heart was beating like thousands of galloping horses. He quickly closed his eyes and thought to himself: "Humph, it's no use at all. I can really bear the temptation."

After talking for a long time, Ji Tianxiang's

restless heart finally felt a lot better.

Wu Yuhan got close to Ji Tianxiang's body and hugged Ji Tianxiang's body tightly, trying to lure him deeper.

F \* ck!

F \* ck!

F \* ck you! Ji Tianxiang, just f \* cking hold on.

It's just a woman, you have to hold on to that number. Don't be impulsive, don't be impulsive.

Impulse was the devil.

Ji Tianxiang pulled Wu Yuhan away, took a few steps forward, and left quickly. If they left this place, they would be able to get out of the abyss.

"Damn."

Ji Tianxiang, who had made up his mind to leave, was infuriated to the point of cursing at Wu Yuhan. Ji Tianxiang, you are a f \* cking coward. You are not a man. You don't want any woman who comes to your door.

If Ji Tianxiang left just like that, then everything he did would be in vain. Now that

things had come to this, the plan was about to be realized. He definitely couldn't let Ji Tianxiang off just like that.

Damn it, in order to help Ma Qiangwei take revenge on Ji Tianxiang, in order for her to succeed as the Young Mistress of a Wealthy Class, she threw caution to the wind.

Wu Yuhan struggled with her thoughts as she rushed up naked and hugged Ji Tianxiang from behind.

While taking off Ji Tianxiang's clothes, he pretended to be moved and said, "Tianxiang, I can't forget your people, I can't forget how good you are to me. I want you to take over me completely, I'll give you my most beautiful body, okay?"

Ji Tianxiang became anxious: "Wu Yuhan, let go of me, what are you doing? You are already Ma Qiangwei's man, this is not appropriate. If this goes on, I'll be calling for reinforcements."  
"

"No, no, I'm not going to let you go." I want you to want me, to possess me. From then on, I am your woman, Ji Tianxiang's woman, and no longer Ma Qiangwei's woman. After today, I will go and find him for a showdown." Wu Yuhan said with determination.

"Are you sure you want to give yourself to me?" Ji Tianxiang was moved: "You still want to stay with the rich second generation, Ma Qiangwei?"

"Tianxiang, don't you still believe me when I'm standing in front of you like this?" Wu Yuhan continued to pretend to be deeply moved. She was almost touched by this, and if she hadn't helped Ma Qiangwei teach Ji Tianxiang a lesson, would she have ended up like this?

Ji Tianxiang's heartbeat sped up. There had never been a woman that seduced him like this before, and this woman was also the goddess that he had always been good at.

However, wasn't his heart towards Wu Yuhan already dead? Why did I get so lost just from a few words from her?

Was it because he was a pure, innocent virgin and had never experienced any kind of woman, that he couldn't help but pick her up?

Yes, that must be the reason!

Seeing Ji Tianxiang staring at her absentmindedly, Wu Yuhan thought the fish caught and was about to strike the iron when it was hot. She tiptoed and kissed the corner of Ji Tianxiang's mouth.

At this moment, Ji Tianxiang was truly captivated by Wu Yuhan. He absentmindedly shouted, "Yuhan!"

At this moment, Ji Tianxiang felt that Wu Yuhan was really good-looking and had a sweet mouth.

Wu Yuhan hugged Ji Tianxiang's neck and kissed him for a long time. Ji Tianxiang couldn't hold it anymore and started to respond slowly.

When Ji Tianxiang's hand touched the exposed part of Wu Yuhan's body, it felt like it was electrocuted. It was extremely wonderful. The two of them kissed as they stepped back to the bed.

Ji Tianxiang pushed Wu Yuhan down.

"Tianxiang, take off your clothes." Wu Yuhan panted heavily as her eyes became misty. She did not forget to remind him.

Ji Tianxiang nodded and quickly took off the clothes on his upper and lower body.

"Wu Yuhan, let me remind you first, I can have you, but our relationship can no longer be restored to what it was before." Wu Yuhan, let me remind you first, I can have you, but

our relationship can no longer be restored to what it was before.

"You can't tell others about me and you either."

Ji Tianxiang said with a straight face, "Wu Yuhan, you have to think about it carefully. If you agree, then let's continue. If not, then let's stop."

"Tianxiang, I promise you. Come quickly, don't waste your time." Wu Yuhan sneered in her heart. Give me a lot of money, how much can it be? More than Ma Qiangwei?

You thought you could give me some money and you want to send me away?

You, Ji Tianxiang, are really beautiful.

However, do you think that I'm really letting you win?

Wu Yuhan secretly sent a text message to Ma Qiangwei while agreeing to the call.

Just when Ji Tianxiang was about to go up on stage, Wu Yuhan's expression changed and she suddenly reached out her hand to slap Ji Tianxiang.

"You beast, what are you going to do to me?!"

Wu Yuhan scolded loudly, "Someone, come and rape me!"

When Ji Tianxiang bent down and grabbed Wu Yuhan's slender arm, Wu Yuhan suddenly shouted, "Help! Someone is raping me!"

At the same time, Wu Yuhan stretched out her leg and kicked Ji Tianxiang to the ground, then covered him with the blanket.

"Fuck, Wu Yuhan, what happened to you? Regret it." Ji Tianxiang was angry. This was a critical juncture. To go back on your word, it was practically cheating his brother!

At that moment, the door to the room suddenly opened.

Ma Qiangwei led his three lackeys and rushed in from the outside. He first glanced at Wu Yuhan on the bed. At this moment, Wu Yuhan was wrapped in a blanket and looked like she was crying. He felt very wronged.

At this moment, Ji Tianxiang finally understood.

Dammit, he was tricked.

Crack! Crack! Crack! Crack! Ma Qiangwei took dozens of pictures of Ji Tianxiang and Wu Yuhan with something in his hand.

"Yes." Ma Qiangwei checked the side again and smiled in satisfaction.

After the act was over, Wu Yuhua got off the bed and went back to Ma Qiangwei's side, hugging him again.

## C46

"Cao Nima's little son of a bitch, he actually almost tricked me!" Ma Qiangwei rushed up and punched Ji Tianxiang in the face.

"Ma Qiangwei, you're really not a man. For revenge, you're actually so despicable that you even used your girlfriend."

"And you, Wu Yuhan, I will give you the best choice, whether it's me or him, I need to remember for you how Ma Qiangwei left you alone at the Sky Sky Market and ran away.

"If you still don't understand what happened today, I will make you and Ma Qiangwei taste the price of framing me." Ji Tianxiang looked at Wu Yuhan and felt that she was hopeless.

If she wasn't hopeless, she wouldn't have done this for a dirty man.

"Brother, meddling in other people's business is a bit too much." "Wu Yuhan and my brother are lovers. What should I do to make you talk too much?" The man with the tuft of green hair said.

Following that, another purple-haired man also said, "This bro, his words are quite sloppy, threatening Mr Ma. "What are you being so arrogant for? You want to sow

discord and find trouble with the couple?"

"Mr Ma, Feng, what are you still standing there for? Hurry up and beat him up."

"Cao Nimabi, you bastard! I'll make you act crazy and act cool, I'll beat you to death!"

Ji Tianxiang alone was no match for Ma Qiangwei and the other two. A wise man does not take advantage of the situation and immediately shouted in a witty manner:

"Stop, all of you stop."

"Stop? Who do you think you are? "F \* cking competition, you made my girlfriend into such a state, you almost brought me such a huge green hat, and you think you can stop just because you said so?" Ma Qiangwei took out a knife from his pocket.

"Ma Qiangwei, what exactly do you want? After saying all of this, it can't be that you want to teach me a lesson and set a condition, right? " Ji Tianxiang was slightly nervous as he shrunk his body and looked at Wu Yuhan.

Ma Qiangwei twitched the corner of his mouth: "Not bad, you know what I'm doing. You even guessed that."

Ji Tianxiang also thought that Wu Yuhan

wouldn't be able to bear to see him end up like this and would more or less help him. After all, they were once a couple and he was good to Wu Yuhan.

However, he didn't expect Wu Yuhan to be even more outrageous than Ma Qiangwei.

"Mr Ma, you have to avenge me, it's all Ji Tianxiang lied to me, he said he doesn't want to live anymore, let me go see him, if I don't go, he'll just lie by himself in the hotel taking medicine and commit suicide, I can't bear it, I had no choice but to come and see him, I didn't expect ..."

As she spoke, Wu Yuhan began to sob, "But I didn't expect that after I came, he would take off his clothes, push me down onto the bed, tear my clothes, and force me."

"Bullshit!"

Ji Tianxiang looked at Wu Yuhan ferociously and scolded, "Wu Yuhan, you bitch, stop bullshitting me."

Ma Qiangwei looked coldly at Wu Yuhan and scolded her, "Slut, trash, if he asks you to come, then come. If you want to die or care about your dog's business, then use yourself to pretend to be a good person."

"It's not that I'm pretending to be a good person, it's that Ji Tianxiang said that as long as I come over, he will give me a lot of money as a thank you gift for talking to him." Wu Yuhan held her sobs and said in an aggrieved tone.

"Oh, I'll give you a lot of money. How much is a lot?" Ma Qiangwei looked at Ji Tianxiang coldly and asked Wu Yuhan.

"Wu Yuhan, don't f \* cking splash dirty water on me. Did I say that?" Ji Tianxiang was angered to death by Wu Yuhan's bullshit. Since when did he never say that to Wu Yuhan?

It was also he who had gone up to Wu Yuhan and paid her a consolation fee, sealing her mouth.

"Aiya!" "Ji Tianxiang, you really aren't a man. You dare to say that you didn't deserve it, you clearly won the lottery and there's a lot of money in it. Even if you invited your classmates to dinner, spent one hundred and fifty thousand yuan and bought a house in the sky, you still have at least five hundred thousand yuan on you." Wu Yuhan opened her eyes wide and complained to Ji Tianxiang.

The way he made up lies seemed to be true.

Ji Tianxiang believed her. He couldn't help but

because of the money in his hands.

He finally said it out loud.

"That's enough, stop acting in front of me. I finally understand that you guys are doing this for the money I won the lottery." Ji Tianxiang pointed it out.

"What do you think?" Ji Tianxiang smiled lewdly, thinking that Wu Yuhan was just playing with him.

At this time, Ma Qiangwei also revealed his true face. He glared fiercely at Ji Tianxiang and said, "Why, it's for your money." "The truth is, you better hand it over to me, otherwise, I will have something good to eat from a rotten dog like you."

Wu Yuhan's whimpering voice immediately stopped, "Mr Ma, I was taken advantage of by this poor bastard just now. You have to avenge me."

Ji Tianxiang looked at Wu Yuhan and cursed in his heart: "F \* ck you, you slut, didn't you throw yourself at me just now?" How did it become me taking advantage of you?

Ma Qiangwei took Wu Yuhan into his arms and said, "Sorry to trouble you, my darling."

"Ji Tianxiang, hand over the money."

"Hurry up and hand over the money honestly, and you won't have to get beaten up."

The purple and green hair looked coldly at Ji Tianxiang, urging him to hand over the money.

"F \* cking shit, you two bastards know how to speak and do things?" Ma Qiangwei's heart skipped a beat, walked over and cursed: "Is there such a need for money? If you want money so badly, it is not the same as stealing money. Stealing money is illegal. You want to go to jail, but I don't want to."

The purple and green fur looked at each other, shrinking back in fear.

"What a bunch of sh \* ts. I wonder what they called you here for."

However, when they heard Ma Qiangwei say this, they were unhappy, but they did not dare to refute.

"Ji Tianxiang, let's do a business." Ma Qiangwei had a treacherous and sinister smile on his face.

"What kind of business?" Ji Tianxiang looked at Ma Qiangwei doubtfully.

"Give me the 500,000 in your hand. As for me, I'll return the photo to you. What do you think?" Ma Qiangwei waved his phone in front of Ji Tianxiang.

"I don't have five hundred thousand on me. Even if I did, I've already spent it. At most, I only have one hundred and fifty thousand left." Ji Tianxiang said.

"One hundred and fifty thousand. That's so little. You're not lying to me, right?" Ma Qiangwei looked at Ji Tianxiang in disbelief.

Ji Tianxiang shrugged, "If you don't believe me, then there's nothing I can do about it. That's all I have left, and I'm going to put it in the bank for the time of my death. "

"Fine, one hundred and fifty thousand then." Ma Qiangwei thought for a while and said unhappily.

"But I didn't promise to give it to you either." Ji Tianxiang rolled his eyes and sized up Ma Qiangwei's and Wu Yuhan's expressions.

## C47

"If you don't agree to give it to us, I will publish it on the Beidu Academy's forum and in the entire university city's forum. I will find someone to write a few words and let everyone know that you, Ji Tianxiang, have shamelessly done such a thing."

With that, Ma Qiangwei thought of another idea, "Of course I can also have Wu Yuhan call the police and accuse you of raping her. Since I have evidence on me, we will act as witnesses and tell the police how despicable you are."

"Enough, enough. I'll just give you the money." Ji Tianxiang was annoyed when he heard that. You are really too despicable. You thought up such a malicious way to force yourself for the money in his hands.

Regardless of which method it was, it would cause an unbearable effect.

It's just money!

He had plenty of money, so he could just give it to them.

He did not want to ruin his reputation because of money.

Now it seemed that he could only settle this matter by giving the money to Ma Qiangwei.

However, Ji Tianxiang was still a bit unwilling to accept this.

"Ma Qiangwei, what you're doing is extortion. It's no different from stealing money and committing a crime." Ji Tianxiang snorted.

"Does it make a difference? Does it depend on your words?" "Uncle JC is the one who makes the decision, but you dare to call the police?" Ma Qiangwei laughed out loud: "Even if you dare, do you think the police will believe you?"

"Cut the crap, hurry up and give me the money." Ma Qiangwei was getting impatient.

"One hundred and fifty thousand, give me your card number and I'll transfer it to you." Ji Tianxiang said resigned.

It was only 150,000, but he was still able to afford it.

It was better than giving all five hundred thousand in one go, he wouldn't be so stupid as to give all of his money to Ma Qiangwei.

The black card had more than one hundred

and fifty thousand yuan, half a million yuan. It was an unending stream of money that could not be spent.

He just wanted to deal with Ma Qiangwei, so he took out some money to settle the score with Ma Qiangwei later.

"The money is in the account." Ma Qiangwei received a message on his phone. He was so happy that his mouth split into a smile: "Little brat, count me in as well."

"Darling, brothers, let's go. I'll treat you guys to a meal today, I'll bring you guys some cool and unrestrained food." Ma Qiangwei held Wu Yuhan's shoulder and turned around to leave.

"Wait, did you delete the photo? I need to check." Ji Tianxiang requested.

"Hur hur." Ma Qiangwei and Wu Yuhan, green hair, and purple hair looked at each other, walked up a few steps and gave Ji Tianxiang a heavy slap, then sneered: "Delete that damn photo, do you think I don't know what you're planning? You should go call the police with your transfer record later on, I won't delete that photo so quickly.

"You." Ji Tianxiang was so angry that he was speechless while covering half of his red and swollen face.

Wu Yuhan laughed in disdain when she saw Ji Tianxiang being bullied.

Ma Qiangwei looked at Ji Tianxiang coldly, embraced Wu Yuhan and left.

He picked up the phone on the floor and called Guan Yu, "Ms Guan, they went down, you just have to snatch their phone. His Alipay extorted me of one hundred and fifty thousand yuan, after you get Ma Qiangwei to return the money, it's best if you snatch his phone back as well."

Ma Qiangwei and the others left the hotel happily.

Wu Yuhan was the most excited. Holding Ma Qiangwei's fat waist, she said excitedly, "Liu Tie, you're really awesome. Just move your mouth and let Ji Tianxiang hand over the money obediently."

"He doesn't even dare to resist."

At this moment, Ma Qiangwei snorted coldly: "You really have some guts. He wouldn't dare to say no even if you beat him up until he doesn't even know his parents, and he still has to obediently give you money."

The green-haired man and the purple-haired

man looked at each other and smiled. They rubbed their hands together in excitement.

The green haired man said, "Mr Ma, how are we going to split the money!"

"Yeah, Mr Ma, don't forget our brothers. We did a lot to deal with that kid." The purple-haired man also said.

That's right, he easily managed to get a hundred and fifty thousand yuan.

When the green and purple hair saw that the money had been transferred into the account, their hearts subconsciously started to itch. When they left the hotel, they were always thinking about the 15 RMB in Ma Qiangwei's hand.

In addition, they had also thought about it. Four people, one hundred and fifty thousand, and each of them would split it between them for a few tens of thousands. It was just right.

"Who said I was going to split it?" Ma Qiangwei frowned and sneered: "This is the money I need to invest in a business."

Hearing this, Wu Yuhan felt slightly uncomfortable in her heart.

Sigh, that's not right. Didn't Ma Qiangwei

say that after getting the money from Ji Tianxiang, he would take him on a trip abroad to buy luxurious clothes and jewelry?

Let her dress properly and bring her home to see her parents?

What did he mean when he said that the hundred and fifty thousand yuan was for business and investment?

Could it be that Ma Qiangwei wanted to go back on his word!

Wu Yuhan's expression changed as she looked at Ma Qiangwei, "Mr Ma, didn't you promise to take me abroad once you get the money?" "Why did it ..."

"Is it up to you to interrupt a man who talks to a woman? Get lost." Ma Qiangwei slapped Wu Yuhan on the spot.

"Ah!" Wu Yuhan staggered a few steps and cried out in pain.

He covered his face as tears rolled down his face. He looked at Ma Qiangwei with resentment.

"Zhang Feng, Li Qiang, normally, you guys have some difficulties. If you need help, I, Mr Ma, would help a lot." "What, I, Ma Qiangwei,

am only here to discuss money with you guys for a favor today?" Ma Qiangwei sneered.

Zhang Feng's and Li Qiang's expressions changed at the same time as they felt that they had been tricked.

Ma Qiangwei didn't say that when he called them over.

"Mr Ma, more or less, give us some too."

"That's right, it's not like you cheated any small amount of money, but you cheated that kid for one hundred and fifty thousand." It's not good for me to take it all for myself. "

Ma Qiangwei thought about it and said, "Okay, everyone will transfer 200 yuan to you."

F \* ck.

F \* ck.

Zhang Feng and Li Qiang couldn't help but curse loudly in their hearts.

Two hundred was just a way to get rid of beggars.

No, it was too little. No matter what, he had to pay more. He had to pay at least 30,000 yuan

each.

The two of them looked at each other, then looked at Ma Qiangwei as if they wanted to say something. Suddenly, an SUV charged towards them.

"F \* ck, how the f \* ck did you drive a car? Your eyes and butt are on the line now." Zhang Feng pointed at the car and cursed.

"It's amazing that he's driving in the wild." Li Qiang directly kicked the SUV and cursed, "You can't drive, drive your f \* cking car!"

"It seems to be run by a woman!"

After they saw her clearly, Zhang Feng and Li Qiang became even more arrogant. "Bitch, bitch, get off the car. Don't think you're a f \* cking woman and I won't dare to do anything to you."

"Just now, you almost knocked us all over. Your body and mind are both scared to the point of having a problem. Hurry up and compensate us."

Opening the car door, Guan Yu jumped out of the SUV and asked, "How much money do you want?"

## C48

"You're willing to give money? As long as you give money, there's no problem. It's not much, one hundred and fifty thousand yuan." Li Qiang thought for a moment, looked at Ma Qiangwei and asked, "Mr Ma, what do you think about the price?"

Ma Qiangwei couldn't say a word at this moment, he just stood there in a daze.

"One hundred and fifty thousand, not a bit less. We don't want to bargain. If you don't give it to us, then we'll call the police." Zhang Feng said.

"Li Qiang, quickly take out your phone and get ready to call the police." After Zhang Feng finished speaking, he shouted for Li Qiang.

Li Qiang was stunned for a moment before realizing that Zhang Feng wanted to use the police to blackmail him just like Ma Qiangwei.

He immediately took out his phone and prepared to call the police.

Upon seeing this, Guan Yu laughed. "Aiyo, so you've encountered a racketeer."

"Sure, I'll give it to you." Guan Yu waved to

the car behind her. Five tall and muscular men got off the car and walked in front of Zhang Feng and Li Qiang, clenching their fists.

This scared Li Qiang and Zhang Feng so much that they hurriedly ran to Ma Qiangwei's back.

"You, what are all of you doing?" "Beat him, beating him up is against the law."

"Woman, you're quite unreasonable, aren't you? You almost bumped into us, and you still want to find someone to beat us?"

After the two of them said that, they hid behind Ma Qiangwei, not daring to show their faces.

"Hur hur, you really know how to speak such nonsense. Looks like you really deserve a fight." Guan Yu sneered and said, "You guys better teach them a good lesson and beat them until they speak the truth."

"Mr Ma, Mr Ma, what do we do now?"

"Mr Ma, help!"

Zhang Feng and Li Qiang grabbed Ma Qiangwei's arms and shouted in fear. They didn't want to let go.

However, they were still pulled out by the

strong man sent by Guan Yu. They hit Zhang Feng and Li Qiang's faces with their fists and kicks, making them lie on the ground and scream out loud.

The ground was splattered with blood.

When Ma Qiangwei saw this, he was so scared that his legs started to tremble.

He was found out so quickly?

Even if this woman's face were to turn into ashes, he would recognize her.

Just yesterday, this woman brought her men to the entrance of Wutong Alley and ruthlessly taught him a lesson. Right now, his whole body was still in pain and swollen.

Even if he was beaten up, he wouldn't dare to call his father. Who was this woman in front of him?

However, the chairman of the Blue Sky Corporation, Guan Batian, had been rich for dozens of years and no one dared to offend him.

Guan Yu glanced at Zhang Feng and Li Qiang, who were beaten up, and slowly walked to Ma Qiangwei. "Brat, you're really good. It seems like the lesson last night won't have much

memory."

"It seems like he still lacks a fight."

Ma Qiangwei swallowed his saliva. He never thought that he would offend Guan Batian's daughter. At this moment, he even had the heart to die.

"Ms Guan, how should we deal with this kid?" After knocking Zhang Feng and Li Qiang out, a few robust men walked over and asked.

"Hmm, then first remove one of his arms, and then break one of his legs." Guan Yu smiled and instructed, "Since a complete person can't do it well, then let's just do it incompletely. In the future, we will have a long memory and know how to do it well."

"Wait."

Ma Qiangwei quickly shouted, "I'll call my dad first."

Ma Qiangwei took out his cellphone and quickly dialed his father's number. "Dad, come and save me. I seem to have offended Boss Guan ..."

Half an hour later, Ji Tianxiang arrived at a coffee shop. The moment he entered, he heard Guan Yu's shout: "Brother, here we are."

Ji Tianxiang walked over and sat opposite Guan Yu: "Sis, did you get your phone?"

"Of course." Guan Yu took out her cell phone from her pocket and placed it on the table.

"Here, here's some stuff for you. Elder sister, please take care of it for me."

"My good sister, I am truly at ease with your ways of doing things." Ji Tianxiang chuckled, then picked up his phone and was about to open it.

"Of course, why don't you see who your elder sister is? I will definitely do well in dealing with the things that my younger brother asked me to do." Guan Yu asked complacently.

"But there's one thing I don't understand. Didn't he return the money he used to extort you?" What do you want his cell phone for? "

"Ms Guan, to be honest, I was screwed today. He told my ex-girlfriend to trick me into going to a hotel, pretended to seduce me, and threw me onto the bed. Ma Qiangwei caught me red-handed and used his phone to take a picture. He said that I didn't give him money, so he posted my picture on the internet. If you give him money, then he'll delete the photo."

"In the end, Ma Qiangwei cheated and wanted

to go back on his word. Not only did he swallow the one hundred and fifty thousand yuan I gave him, he didn't even delete the photo." Lin Feng truthfully said.

Guan Yu slammed the table angrily when she heard that, "This Ma Qiangwei and your ex-girlfriend are too much. If I had listened to my dad's words earlier, I would have let him off and let him learn how to be a good person."

"Your father's words?" Ms Guan, what do you mean by that?" Ji Tianxiang looked at Guan Yu in confusion.

Guan Yu touched her nose a little embarrassedly and sighed, "Well, my dad and Ma Qiangwei's dad have been working together recently, so I don't have to go overboard. Otherwise, there might be some problems with my dad's cooperation." However, don't worry, brother, when the collaboration between my dad and Ma Qiangwei's dad ends, I'll go find someone to take off his four limbs "

"Oh, so it's like that. It's alright. Ms Guan, you don't have to do that." Ji Tianxiang said in disappointment.

He also understood that in the business world, Guan Yu's dad was a business leader, and Ma Qiangwei's dad also worked in the business

least he could talk to him, and it was normal for them to work together.

However, Ji Tianxiang felt that Guan Yu was really good. Not only did she help him teach Ma Qiangwei and the rest a lesson, she even snatched back his phone and thought of finding a chance to take revenge for him next time.

With this kind of heart, he was already very satisfied and very touched.

"No matter what, I still have to thank you, Ms Guan. I am already very grateful to you for helping me snatch my phone back today." Ji Tianxiang looked at Guan Yu and said sincerely.

Guan Yu froze for a moment, then happily smiled and said, "Brother, no need to thank me, this is what I should do."

Guan Yu suddenly remembered that she still had something to take care of, so she said goodbye to Ji Tianxiang.

After Guan Yu left, Ji Tianxiang immediately opened Ma Qiangwei's phone. He looked and saw that the phone needed a fingerprint or password lock. He felt a bit down.

He casually tapped on a few numbers with his

finger and the main page of Ma Qiangwei's phone opened.

Ji Tianxiang was pleasantly surprised. Without any hesitation, he opened the album and went to take his photo with Ma Qiangwei. What he didn't expect was that.

"What the f \* ck!"

Ji Tianxiang was completely shocked. Not only were there photos of her in the photo album, there were also videos of her with all kinds of female students.

## C49

When Ji Tianxiang saw the portraits of Ma Qiangwei and Wu Yuhan, he had a bad taste in his heart. When Wu Yuhan was with him at that time, she acted very reserved and shy every day, even walking and eating while being a lady.

"Holy sh \* t, what a beast."

There was actually such a young girl, Ma Qiangwei's taste must be f \* cking heavy.

Looking at the unconscious girl's painful expression in the video, Ji Tianxiang shook his head in disgust. He immediately logged out of the video, opened the photo gallery and deleted the picture about himself.

Ji Tianxiang felt disdain towards Ma Qiangwei's way of doing things. He could not help but curse in his heart: "This kind of play, sooner or later, I'll be struck by lightning."

Ji Tianxiang played with his phone and thought for a while. If these photos were to be released, Ma Qiangwei would definitely finish the game.

However, Ji Tianxiang didn't really want to do that. First, it was because there was a little

girl in the video, and once the video spread, that little girl's reputation would be ruined for sure. Second, if these videos were spread, Ma Qiangwei and Wu Yuhuan would definitely think that it was Ji Tianxiang who did it, and they would do everything they could to get their revenge. Third, he decided to hand the phone over to the police uncle if necessary.

Ji Tianxiang put away his cell phone and left the cafe as well, returning to the school.

The class in the afternoon was taught by the department's female head instructor, who was known as the "Grand Tutor". With her serious appearance and personality, she absolutely could not skip class, as a serious person who loved to do anything and would always be serious in her presence, and anyone who dared to skip her class would be investigated to the end.

To be honest, he rather liked this Annihilation Mistress.

There weren't many in the university who were so responsible for teaching their teachers.

Thus, everyone sat in the classroom in the afternoon and didn't dare to move. They waited for their master to come.

However, the Grand Preceptor came after a while, but Qian Duoduo followed behind her.

The moment he entered the door, he stared at Ji Tianxiang and shouted harshly: "Ji Tianxiang, come out with me, I have something to ask you."

Annihilation's serious eyes were filled with loathing, and Ji Tianxiang sensed that something was wrong.

What was going on? When did he ever offend the Annihilation Grand Tutor, making the Annihilation Grand Tutor look at him in such a manner?

"Teacher, why are you looking for me?" Ji Tianxiang asked carefully after he came out.

He was afraid that if he spoke too loudly, she would mistake him for a teacher.

"Ji Tianxiang, the teacher asked you a question. Answer honestly, did you steal Qian Duoduo's watch? If you did, then quickly hand it over. Otherwise, the teacher will call the police to arrest you." She frowned and said coldly.

She had heard about Ji Tianxiang's family's situation before. He was very, very poor, and his family was poor. Ji Tianxiang could only

survive by picking up trash in school every day.

When Qian Duoduo came to her and said that he lost his one hundred and twenty thousand yuan watch and suspected Ji Tianxiang of stealing it, she believed without a doubt.

After all, Qian Duoduo's family was rich and he was a fuerdai. She also knew a little about it, and from the look of Qian Duoduo's lost watch, it was already two hundred thousand Ji Tianxiang's family members that were poor to the point of not being able to keep up much of their livelihood by picking up trash. It was inevitable that they would do something desperate because of living in poverty.

Thinking of this, she felt more and more that Qian Duoduo's watch was stolen by Ji Tianxiang.

Stealing Qian Duoduo's watch. Him, Ji Tianxiang?

Ji Tianxiang was so rich, how could he possibly be interested in Qian Duoduo's watch? It was simply too hilarious.

He had black card money, he could buy dozens, thousands of watches were no problem, and he even stole Qian Duoduo's broken watch, not to mention it was a

high-end watch.

The more he thought about it, the more he felt it was funny. Ji Tianxiang couldn't help but laugh, "Teacher, just Qian Duoduo's fake watch, I don't even care about stealing it. Nobody would want to sell it."

"Since things have come to this, you still won't admit it, right, Ji Tianxiang?"

"Teacher, I didn't steal it, how can I not admit to it?" Ji Tianxiang shook his head.

"Alright, since you don't want to admit it, then don't blame me for not caring about the relationship between teacher and student. If you don't mind, I'll go and search your school bag." "What is it?" she asked unquestionably.

Ji Tianxiang nodded helplessly.

A trace of malice flashed across Qian Duoduo's eyes as he looked at Ji Tianxiang.

Wang Fugui, Xue Ruhai, and Zhang Hao, who were sitting in the class, looked at each other and smiled sinisterly.

She walked to Ji Tianxiang's desk, took out Ji Tianxiang's bag, opened it and searched with her hands. With a cold smile, she took out her watch and walked in front of Ji Tianxiang:

"You didn't steal it, then what is this? Qian Duoduo's watch is not long enough to be in your school bag. "

"I ..." Ji Tianxiang wanted to explain in a hurry.

"I what me, teacher, my watch was stolen by him, you have to deal with this matter seriously." Qian Duoduo said aggressively.

"Student Qian Duoduo, don't worry. I'll definitely give you justice." "Ji Tianxiang, since things have come to this, let's go to the police station."

Ji Tianxiang was at a loss for words. When he saw the expressions of Qian Duoduo, Zhang Hao, Xue Ruhai and Wang Fugui, he immediately knew that he had been set up.

He didn't dare enter the station.

If it wasn't something he did, why would he admit to it and make him take the blame?

"Teacher, I really didn't steal Qian Duoduo's watch, someone must have framed me." Ji Tianxiang spoke the truth in a panic.

However, she didn't believe it.

"Ji Tianxiang, as matters stand, you still have

excuses. From what I see, not only are your hands and feet dirty, even your character as a person has been lost. Your entire person has been completely ruined by poverty." "Today, if you go to the police station, you will also have to go. That is to take responsibility for your own life in the future."

Ji Tianxiang saw the surveillance tape in the classroom and said hopefully, "Teacher, if you don't believe me, you can find someone to watch it. Did I steal Qian Duoduo's watch, or was I framed by someone?"

"Surveillance video? What are you looking at? You stole it, too. You just wanted to stall for time." Zhang Hao said.

"Student Ji Tianxiang, don't think about delaying us. Just take responsibility for what you do and come with me to the police station." As she said that, she pulled Ji Tianxiang's arm and walked out of the classroom.

Ji Tianxiang struggled several times to break free from her grasp and tried his best to defend himself.

However, even though the Wu family was rich, he, Ji Tianxiang, had no money. It was only because of this evil intention that he was able to steal Qian Duoduo's watch.

## C50

The way he said it was filled with his attitude towards Qian Duoduo and his attitude of disbelief towards himself.

F \* ck!

F \* ck!

This nun must have recognized him as a thief, right? She didn't believe him at all, nor gave him a chance to prove his innocence, right?

"Stop." Ji Tianxiang couldn't help but shout, "Teacher, since you're so determined to turn right and wrong, can I make a phone call with my lawyer?"

"What lawyer?" Grand Matriarch Zu was stunned for a moment.

Even Qian Duoduo and the rest were stunned.

"Teacher, if you want to send me to the police station, then I'll have to call my lawyer and have him come over." Ji Tianxiang said lightly.

"Haha, you still have a lawyer, what are you bragging about." Wang Fugui said mockingly on the spot.

"That's right. Ji Tianxiang, you're so poor that you can't even afford to eat, yet you want to hire a lawyer? You're too ridiculous." Zhang Hao said.

"Ji Tianxiang, we all know that you've been acting cool recently, but isn't this act of yours a bit too much?" Qian Duoduo said.

Ji Tianxiang didn't have a single cent on hand. It was Wu Yuhan who told everyone.

Why did Wu Yuhan tell everyone? It was because Wu Yuhan was jealous of Ji Tianxiang and wanted to take revenge on him.

In the afternoon, Ma Qiangwei called him and told him that Ji Tianxiang had his phone stolen by someone, so there was no more money that he got. It was impossible for him to take her abroad, and it was also impossible for him to buy her luxury goods, let alone bring her back to see her parents.

While Wu Yuhan was crying and complaining about how Ma Qiangwei could treat her like that, Ma Qiangwei blamed everything on Wu Yuhan.

Wu Yuhan was not angry, but thinking that it was all because of Ji Tianxiang, she pushed the blame onto Ji Tianxiang.

If everyone knew that Ji Tianxiang had no money, there would be no need to be so polite to Ji Tianxiang in the future.

Qian Duoduo and the others had always disliked Ji Tianxiang, so it was good that they could use them to bully Ji Tianxiang. At the same time, they could vent out their anger for him.

"It doesn't matter if I have the money or not. I have a lawyer anyway." Ji Tianxiang said confidently.

However, these words once again drew ridicule from everyone.

Ji Tianxiang didn't care. After he finished speaking, he called Shen Xiaoxiao.

"My beautiful housekeeper, find me a lawyer to come to our school. Someone framed me for stealing someone else's fake watch. I need a lawyer to defend my innocence."

"What?" Do you know the principal of our school? "Alright, then you can bring the lawyer and the principal together."

"Yeah, I'll be waiting for you at Beidu University's business school."

Hearing the conversation between Ji Tianxiang and the person on the other end of the phone, everyone was stunned.

After Ji Tianxiang hung up the phone, everyone came back to their senses.

"It's quite like that, hahaha." Wang Fugui said in disbelief.

"Teacher, you don't have to worry, Ji Tianxiang doesn't have the money to eat, nor do you have the money to hire a lawyer. Just send him to the police station, and we'll testify for you and Qian Duoduo." Zhang Hao encouraged them.

She nodded, "Ji Tianxiang, stop acting in front of the teacher. The teacher has seen a lot of people, and has seen more people than ever before. How could the teacher fall for your little trick?"

All right.

Since you all think so, I don't care anymore. My beautiful housekeeper is already on her way here with my lawyer.

Ji Tianxiang sneered and shrugged casually.

After a while, look at what you've said. If you see my lawyer, you won't be able to slap him

in the face.

You still want to play the framing game? Let's see how easy it is to bully Ji Tianxiang when he's honest, or how easy it is to bully when he's poor and has no backer.

If you do not give him a chance to prove his innocence, then he will make you dog eyes look down on him and eat the consequences of your actions.

"Teacher, believe it or not, just wait here for fifteen minutes. My lawyer will be here shortly." Ji Tianxiang's expression was plain, but he wasn't afraid. If the Annihilation Grand Master, Qian Duoduo, and the others insisted on sending him to the police station, then it would be too embarrassing. Then, it wouldn't be his fault for not giving them face.

"What are you waiting for? Ji Tianxiang, you f\*cker, you want to stall for time again? Fifteen minutes and the lawyer will be at Beidu University, who are you fooling around with? Hurry up and cooperate obediently, let's go into the police station." Wang Fugui mocked.

On the other hand, Qian Duoduo, Zhang Hao, Xue Ruhai, and the others looked at Ji Tianxiang in ridicule, feeling deeply that Ji Tianxiang could brag to the heavens just by bragging.

They already knew that Ji Tianxiang didn't have a single cent on him right now, so how could he afford to hire a lawyer?

"What, you guys have a guilty conscience, you can't even wait fifteen minutes?" Ji Tianxiang sneered.

Zhang Hao took a step forward, grabbed Ji Tianxiang's collar with both of his hands, and threatened: "Ji Tianxiang, you made us wait. We waited for your mother to compare, but now we dare to show off our might in front of us."

As he said this, Zhang Hao couldn't wait to punch Ji Tianxiang.

"Teacher, just wait for 15 minutes. If my lawyer doesn't arrive soon, I won't need you to send me to the police station. I'll go there on my own accord." Ji Tianxiang quickly looked at the Faction of Destroyer and said.

Grand Tutor Zu nodded and finally agreed to Ji Tianxiang's suggestion.

Seeing how Ji Tianxiang insisted on hiring a lawyer, Teacher Mo was sure that Ji Tianxiang was guilty of stealing Qian Duoduo's watch.

Normal people shouldn't be like this when

they stole something.

If she really misunderstood Ji Tianxiang's stealing, then the dozens of years of education she had taught at Beidu University would just be a waste.

Let's wait for Ji Tianxiang's lawyer to come and see if there's anything like that.

"Zhang Hao, let go, this is the school, not a place for you to casually fight. Be careful, I'll even send you to the police station."

When Senior Apprentice Master realized

that Zhang Hao wanted to make a move on Ji Tianxiang, she stopped him in time.

Liu Tie let go of his hand bitterly and glared viciously at Ji Tianxiang. Then, he returned to Qian Duoduo's side unwillingly.

Ever since he had eaten Ji Tianxiang's meal, one incident after another still had to do with Ji Tianxiang. Just thinking about it made him angry.

He really wanted to see Ji Tianxiang, so he beat him up to vent his anger.

The deadlock continued. Qian Duoduo and the rest all gave in in front of the Grand Master, waiting for Lawyer Ji Tianxiang's arrival.
