

C76

"You're the one who's going to get hit, you disappointing guy. Forget it if I beat you to death. It's best if I don't get smashed by you."

Not only did Ma Qiangfei slap him a few times, he even went straight to the point of kicking him hard.

Ji Tianxiang, seeing how badly Ma Qiangwei had been beaten up, could not help but feel sympathy for him. He even felt pain for Ma Qiangwei.

However, compassion was compassion. Seeing Ma Qiangwei beaten up by his own dad made him happy in his heart.

The more he heard Ma Qiangwei's screams, the more he felt happy. He felt proud and happy. He felt like he had turned over and was the master of this place. He was

really unhappy.

Ma Qiangwei, didn't you say that you were being arrogant? How could you still have that day, and still want to get revenge on me. Keep dreaming, even if you were trying to put your father on the line, you still can't beat the power behind my Ji Family.

Disregarding the forces that use Ji Family, just any one of the small figures out of the Shen Family can kill your father and you, Ma Qiangfei.

Ma Qiangwei jumped up and down in pain as he yelled like a pig being butchered, "Dad, I was wrong! I was wrong! You better stop hitting me. If you keep hitting me, I'm going to die!"

"I told you to be in a hurry and offend Young Master Ji, why don't you apologize?" Ma Qiangfei saw that the fight was over, so

he stopped.

It was just a facade to beat his own son. Even though his actions were ruthless, it was still better than offending the person before him.

As for him, Ma Qiangfei, although he was usually a bit domineering and a bit ruthless, he was a lot smarter than Ma Qiangwei. He knew who he was meeting, what he should say, what he should sense, and what he should do.

He was also unwilling to lower his head, but facing the powerful Shen Family of Beidu City, he had no choice but to fear and lower his head.

Originally, he wanted to plead with Shen Dong, but it seemed that Shen Dong had to give Ji Tianxiang face, so Ma Qiangfei couldn't do anything from Ji Tianxiang.

He knew too well about the current situation. That was why he acted in such a way to vent Ji Tianxiang's anger, so that he could plead for help later on.

After all, he, Ma Qiangfei, beat up his own son.

However, he was still curious, what was the relationship between Ji Tianxiang and Shen Family?

"Young Master Ji, I was wrong. I have eyes but am unable to see. Offending you is not a good thing. Please forgive me as long as you have a large amount of money." Ma Qiangwei embarrassedly walked in front of Ji Tianxiang and apologized in a low voice.

Tsk tsk.

Ji Tianxiang observed Ma Qiangfei's self-acting from the side. His performance

was quite interesting. What a good pair of father and son who knew how to act. Did they think that they could escape the consequences of eating sh * t just because they performed a righteous extermination act?

Stupid.

"Fine, seeing how sincere you are, I won't let them chop off your legs and hands." Ji Tianxiang smiled.

"Hurry up and thank Young Master Ji for forgiving me." Ma Qiangfei said.

Thank you, Young Master Ji. You are truly a merciful living Bodhisattva. How can I, Ma Qiangwei, make Young Master Ji forgive me? Young Master Ji, you are my father from now on. Ma Qiangwei said seriously with a hint of joy and pride flashing across his eyes.

He had thought that just because he was humble, he would be able to easily escape a calamity.

That's what the scheming Ma Qiangfei also thought.

Ji Tianxiang had already expected the two of them to have a good plan. Unfortunately, he didn't have that much mercy.

This sh * t, he was going to eat it today.

Ji Tianxiang suddenly paused, and looked at the two of them with a faint smile, and said: "But, you still have to eat sh * t. If I remember correctly, Ma Qiangwei, didn't you say that if I had the ability to mess with you, you would eat sh * t together with your father? As a person who hates people who go back on their word, I would be unhappy. If not, then I would want to remove your legs.

Your arms! They would throw you out to the streets to beg for food. "

Oh, that's right. Don't blame me for being heartless. Such a ruthless move was taught to me by your father. Uncle Ma, look at what you've said.

Ma Qiangfei and Ma Qiangwei were both stunned.

They didn't think that Ji Tianxiang was someone who would be so calculative as to show his teeth.

"Young Master Ji, I ..." Ma Qiangfei's and Ma Qiangwei's faces turned green with anger. They resisted the urge to curse and said, "Young Master Ji, can we change the punishment? This sh * t, humans can't eat it. It's not hygienic, but it's disgusting."

"That's true. Then, what kind of

punishment do you want to exchange for? Have you decided?" Ji Tianxiang said after thinking for a while.

It was true that it was disgusting to watch Ma Qiangfei and his son eat sh * t. It was fine to disgust them, but he couldn't be disgusted with himself.

Forget it, let's change the punishment.

What's more, he also wanted to teach Ma Qiangfei's father and son a lesson. This was too much, it was easier to form enmity with them, and there were even more things.

At the same time, this was also the chance that he, Ji Tianxiang, had to show to Ma Qiangfei and Ma Qiangwei. If there was a next time, he would not be soft-hearted at all.

How about this, Young Master Ji, you

punish us by kneeling on the ground and letting you ride on horses. I have a strong and sturdy body, you can ride on my back. Ma Qiangwei suggested with a smile.

With his shifty eyes, he tried to curry favor with them as much as he could, almost kneeling down and licking himself.

Ji Tianxiang looked at Ma Qiangwei in surprise. This guy surrendered pretty quickly and was willing to be his horse.

The suggestion is not bad, but I don't have it, so I'll do as I said. As long as you two don't eat sh * t, it'll be fine. As for the two of you, take off your upper bodies and hang a sign on your bodies.

"Oh right, Shen Dong, find another person who can put on makeup later and add something to their faces. Don't let others recognize you, you've lost face." Ji Tianxiang

looked at Ma Qiangfei and Ma Qiangwei with an evil smile.

"Young Master Ji, this isn't appropriate. I'm too old for this." Ma Qiangfei didn't want to accept it the moment he heard that.

No matter what he said, he was still a figure. Doing this sort of thing, if someone recognized him, it would be too embarrassing for Ma Qiangfei. How could he continue to be in the upper class in the future?

Ji Tianxiang's face froze, and he said unhappily, "Why do you have so many opinions? I'm the one punishing you, not you guys, it's good enough that you don't eat sh * t. If you want to bargain, then I'll give you two a choice. One is to eat sh * t, and the other is to be my special welcome in front of the Lange Hotel."

"No, no, Young Master Ji, don't be angry.

← C76

We are too angry, so it's not worth it. We are willing to be the guest of honor in the hotel. We will go, we will go."

C77

Ma Qiangfei and Ma Qiangwei quickly said.

Compared to eating sh * t, they would rather choose a unique hotel receptionist. If they could bear with it, then that would be the end of it.

Two strange men stood in front of the Lange Hotel. They were half-naked and had a sign that read: LUCZI HOTEL SPECIAL RECEIVER. Welcome to the LUCZI HOTEL.

Furthermore, the faces of the two men were painted with makeup. One of them had a pig's head while the other had a monkey's head.

He patted the photo and took a picture together.

At night, a child suddenly walked over, peed on Ma Qiangwei's leg, and a drunk threw something on Ma Qiangfei's face.

Even though tears were flowing out of their eyes due to being bullied, they did not resist because when they came over, Ji Tianxiang made a request that no matter who did to them, they were not allowed to get angry, get angry, or beat and curse passersby. Otherwise, the Ma Clan would go bankrupt tomorrow.

That was why they were able to endure the humiliation of being scolded time and time again by passersby.

It was only when Shen Dong sent his men and told them to leave that they chased him away.

Such a miserable and humiliating day made Ma Qiangfei and Ma Qiangwei hate Ji

Tianxiang to death. They were determined to go back and find out Ji Tianxiang's real identity, then find another person to secretly screw with.

in return for the humiliation and misery they have suffered today.

Ji Tianxiang looked at the father and son who had the surname Ma with interest for a while. They stood at the Lange Hotel as a special guest, then turned around and left after receiving a call.

This call was from Zhang Mangmang. She told Ji Tianxiang that a masked ball was going to be held at school tonight, and she told him to hurry back and prepare.

Ji Tianxiang looked at the calendar on his phone and remembered that every year, Beidu University would hold a masked misunderstanding on the 25th of May.

He quickly bid farewell to Shen Dong, walked out of the Lange Hotel, and went to the roadside to take a taxi back.

Actually, Shen Dong had a suggestion to drive Ji Tianxiang home, but he rejected it. He didn't want to expose his identity too much in the school, so it was better to keep a low profile.

After all, there were too many people watching at the entrance of the Beidu Academy.

After Ji Tianxiang returned to school, he immediately ran to the dorm room and found his cheap costume from last year's masked ball. He tried it on and found out that it fit him well. He then wore the mask to the masked ball at the school.

As soon as he arrived, Ji Tianxiang found that this year's school ball was even

more grand than the one last year. There were already a lot of people at the ball, all dressed up and wearing masks, walking leisurely with drinks and sweets in their hands. No one knew anyone, but they could talk to anyone.

Zhang Mangmang wore a cute princess dress. Today, she came to this ball in the image of Snow White. She sat at the resting area of the ball and kept looking around, waiting for Ji Tianxiang's arrival.

The person who called Ji Tianxiang was her, Zhang Mangmang, who took the initiative to call. Her purpose was actually not simple, ever since the last time she tricked Ji Tianxiang into the hotel, both of them cooked rice and cooked. Since then, she had been brooding over it, secretly regaining her confidence and looking for an opportunity to get close to Ji Tianxiang.

Why are they near Ji Tianxiang? Of

course it was to become Ji Tianxiang's girlfriend, to get Ji Tianxiang to pay for the house in the blue sky and transfer it to her name.

When Ji Tianxiang stood at the corner with a glass of wine, a clear female voice that sounded like an oriole sounded beside Ji Tianxiang's ear.

"Hi, Harry Potter."

Ji Tianxiang turned around in surprise. The girl in front of him was wearing a fairy blue gauze dress with bare shoulders, revealing her smooth white shoulders. She had a long and beautiful swan neck, curly hair, and a cute fox mask on her face. Although her face couldn't be seen, one could tell from her apricot eyes that she was smiling at him.

It was as beautiful as an Alice who had

just walked out of the Magic Forest.

"Hey, hello, Alice." Ji Tianxiang blinked and said.

"But you are?"

Ji Tianxiang didn't recognize the person at that moment? He asked curiously.

He thought back to his past life. There had never been such a beautiful, gentle, and refined female classmate who treated him so well.

Qiu Yi aside, the temperament and voice of this female classmate didn't seem like Qiu Yi's at all.

The female classmate mischievously laughed, stared at Ji Tianxiang and said: "Well, guess who I am?"

"This ..." Ji Tianxiang felt embarrassed and complained in his heart: "Do you think I should guess, little sister?"

"You don't know me, but I know who you are, Lin Feng. I haven't seen you for a few days, and now even I don't recognize you?" Qiu Yi pretended to be disappointed as she said.

"This ..." Hearing the beauty say that, Ji Tianxiang felt even more embarrassed. He didn't know what to say.

"Alright, since you didn't recognize me, then let's get to know each other again. My name is Qiu Yi, I'm a student of the 17 Worlds Art Institute." Qiu Yi said.

Ji Tianxiang's eyes widened as he looked at the person in front of him in surprise. Then he said embarrassedly, "Qiu Yi? Why is it you? I really didn't recognize you from your

dressing today. Um, sorry about that. "

"Haha, don't worry about it. It's a masked ball today. I'm wearing a mask, so of course you won't recognize me." Qiu Yi smiled as she spoke, easing the awkwardness between the two of them.

"Yes." Ji Tianxiang, on the other hand, felt that not only was Qiu Yi beautiful, but she was also very empathetic. No, Qiu Yi was always very empathetic.

After this matter was over, the two began to chat, talking and laughing.

In another corner of the masked ball, three people were whispering to each other.

"Is Ji Tianxiang here?" Qian Duoduo asked, he was very concerned about this issue.

"He's here, Mr Qian. I saw him just now, wearing the same clothes as last year's Harry Potter. He's dead." Wang Fugui said.

Qian Duoduo nodded and looked at Xue Ruhai: "Those girls, did you call them yet? When will they arrive?"

"He should be arriving soon. How about I make a call and ask him?" Xue Ruhai said.

"Mm, Ru Hai, those three girls, you must call them over for me. Today is a good chance to play with Ji Tianxiang, and it is definitely a great chance to be pleased." Mm, Ru Hai, those three girls, you must call me over, and today, it is a good chance to play with Ji Tianxiang, and it is definitely a good chance to be pleased. Qian Duoduo narrowed his eyes and warned.

C78

Xue Ruhai nodded. He took out his phone and called Chang Yue. He confirmed that the person was on his way and would be there in ten minutes. Then he hung up the phone and reported to Wu Tie.

How could he not know what Qian Duoduo was planning? He had been close to Chang Yue for so many days, planning some schemes with the ultimate goal of playing with Ji Tianxiang.

In the beginning, Qian Duoduo planned to let him and Wang Fugui get to know Chang Yue and the other two girls, and also let him introduce Chang Yue to Ji Tianxiang, thereby matchmaking the two of them. Then he would first catch up with Chang Yue behind her back, then use Chang Yue's feelings to play with Ji Tianxiang and coax him.

Ji Tianxiang must have felt very pained after knowing that his beloved woman had been given to him by another man. After all, he had been reluctant to part with Wu Yuhan, and now there was one more.

Xue Ruhai thought about it and an expression of schadenfreude appeared on his face.

"Mr Qian, last time, it was all thanks to you that I was able to catch Chang Yue." Xue Ruhai smiled and said, "How about this, with Chang Yue's haughty beauty, I don't know how long I'll be able to keep up with her. This way, I can handle it and get Ji Tianxiang in advance."

"Of course, as long as you can handle the matters that I've arranged for you, it will all be worth it." Qian Duoduo also said with a smile.

However, in Qian Duoduo's heart, he sneered. I helped you chase that woman, Chang Yue. Do you think I have good intentions? I only f*cking used you.

Time ticked by and the host suddenly said, "The masked ball officially begins."

Then music began to play in the ballroom.

"Qiu Yi, do you want to dance with me?" Ji Tianxiang glanced at the dance floor and saw that quite a few people had already left to dance.

In fact, he was extremely nervous, afraid that Qiu Yi would reject him.

"Dance? I don't know, I've never danced with anyone at a ball. " Qiu Yi smiled shyly. There was a hint of embarrassment in her smile.

"It's okay, I can dance, I can teach you."
Ji Tianxiang said confidently.

"This, this isn't good. I really don't know how to do it." Qiu Yi looked at Ji Tianxiang and said uncertainly.

Ji Tianxiang smiled and held Qiu Yi's arm, about to enter the dance floor. "Come, Qiu Yi. I will teach you how to dance. Don't worry."

Qiu Yi saw Ji Tianxiang was encouraging her, so she passed her hand to Ji Tianxiang with reassurance.

"Aha, Tianxiang, are you okay? I didn't mean to step on you." At the beginning of the jump, Lili accidentally stepped on Ji Tianxiang, feeling both nervous and embarrassed.

Ji Tianxiang smiled and shook his head,

"It's fine, it doesn't hurt. Let's continue."

"Ah, Tianxiang, I stepped on you again. Sorry, I'm so sorry, I ..." Qiu Yi said anxiously.

At that moment three women and a man approached.

The three women were respectively Mi Le and the rest, and the man was Mi Le's newly acquired boyfriend. He was also from a rich second generation, and his name was Zhang Tianlei.

Mi Le was snuggling in her boyfriend's arms. She accidentally saw two people not far away from the ball, so she took her new boyfriend to show off.

Qiao Yu and Lee Feier followed behind Mi Le.

"Yo, isn't that our pure school beauty? Why are you here too? Come, come, everyone, look at what this little slut is wearing. Fairy dresses? Was it because of the large sum of money, or was it because it was taken care of by someone else? "Those who aren't of good quality, wearing such poor quality clothes, actually still have the face to come to the ball." Mi Le mocked.

"Of course, he definitely came with a large sum. Otherwise, where else would he get the money to wear such good clothes? Not to mention buying them, even if he said they were for rent, he wouldn't be able to afford them." Qiao Yu mocked.

"Hehe, look at the man standing next to this little slut. What are he wearing? The outdated Harry Potter clothing! Damn, there's even a big hole in the clothes! How do you think he has the nerve to wear it out?!" Lee Feier sneered.

Mi Le leaned on the shoulder of the man beside her and said coquettishly to her new boyfriend, "Dear Lei, they were the ones who bullied me a few days ago. You must avenge me."

"Darling, don't worry. I definitely won't let anyone who bullies you off." Zhang Tianlei stared angrily at Ji Tianxiang.

With Zhang Tianlei around, Mi Le felt full of confidence.

Zhang Tianlei was a rich second-generation, she did not believe that he was not capable of dealing with a little bitch.

Ji Tianxiang lowered his head and looked at his clothes. It was full of holes and his face turned cold: "None of your business. You haven't been taught a lesson yet, right?"

A cold light flashed in Mi Le's eyes. She

turned to Ji Tianxiang and said, "Oh, Qiu Yi, you've brought another escort. How many men have you brought back this month? One of them isn't enough to harm you, and you still say you're not cheap?"

"This guy here, I'd advise you to stay away from Qiu Yi. She's not a good girl, she looks innocent on the surface, but in reality, she's actually a bitch. You don't even know how many men she's with."

"I'm not. Mi Le, don't talk nonsense." Qiu Yi clenched her fists and said angrily.

"Heh heh, you didn't. Can you explain the clothes you're wearing now? You're wearing such beautiful clothes, who are you trying to seduce? " Seeing that she had angered Qiu Yi, the smile on Mi Le's face widened.

"You're clearly a fox spirit, yet you still

refuse to admit it? Pah pah, so disgusting, what are you pretending to be pure for." Qiao Yu was speechless.

Speaking of which, Ji Tianxiang was also curious about where the clothes Qiu Yi was wearing came from.

A trace of doubt appeared in her eyes as she looked at Qiu Yi.

Qiu Yi noticed Ji Tianxiang's gaze and quickly explained, "I didn't."

Ji Tianxiang was visibly moved as his watery eyes glimmered with grievance.

"I believe you." Ji Tianxiang looked at Qiu Yi seriously and nodded. Then, he turned around and taunted the three women, "When talking about others, why don't you take a piss and look at yourself. Look at yourself, you're dressed like a female lead in a third

movie."

"You, shameless."

"You, vulgar."

"You, how shameless."

Mi Le and the other two girls looked at their clothes in panic and their expressions changed.

Indeed, the clothes the three of them were wearing at this ball were a little too exposed.

C79

"What is it? You guys dressed like this and you're not letting me know? Even if you were dressed like this, a man wouldn't be interested. Do you know why? " Ji Tianxiang snorted.

"Why?"

Qiao Yu asked in a daze.

He even had a look of strong desire to know.

This made Ji Tianxiang laugh. He had seen silly women, but never such a silly woman. No, this was clearly stupid.

"Qiao Yu, shut up. Since when did you talk so much?" Qiao Yu, shut up. Mi Le was furious. She rolled her eyes and glared at Qiao Yu.

Qiao Yu still didn't understand Mi Le's hint.

At today's party, the three of them were dressed quite openly. It was for no other reason but to show off their good figures, intimidate the masses, and to seduce the rich second generation at the ball.

However, other than the rich second generation Zhang Tianlei, the other two didn't reap any benefits from the ball.

Lee Feier and she were both puzzled. They asked for advice on how Mi Le had done it. Mi Le said something ambiguous.

"Tell me, what is it? Feier and I need faces and faces and bodies, so why wouldn't they look down on us? "

Ji Tianxiang chuckled and said, "It's because you guys are emitting the stench of a

fox all over. It would be strange if I got close to you guys."

"Smelly fox? How is this possible? I remember I didn't. "

Qiao Yu lowered her head to sniff the smell under her armpits. When she looked up and saw Ji Tianxiang's mischievous smile and Qiu Yi's snickering, she realized that she was being toyed with.

"Fine, you dare to mess with me? Qiu Yi, you must have been the one to order him around, right? Let's see if I can't rip this fox spirit's mouth to shreds." Qiao Yu shouted angrily.

Mi Le rolled her eyes. She was speechless and thought to herself, "Idiot."

"Hehe, what are you doing? She is my woman, how can she be someone you want

to touch? Don't forget, wasn't the previous lesson enough for you? " Ji Tianxiang grabbed Qiao Yu's hand with one hand and protected Qiu Yi behind him with the other as he sneered.

"Hey, who are you? Let go of Qiao Yu. Do you believe that I won't call for help?" Lee Feier said.

"What lesson? Who are you? " Qiao Yu asked.

The mocking expression on the corners of Mi Le's mouth froze.

Lesson?

Mi Le glanced at Qiu Yi, who was protected by Ji Tianxiang, then glanced at Ji Tianxiang. That was the aura she had. In that instant, Mi Le recalled who the man in front of her was.

Ji Tianxiang, the hateful and hateful man that she remembered so vividly.

Mi Le tactfully began to retreat.

"Oh? "I forgot it so quickly. Do you want me to remember it again for you? Mi Le, if it wasn't for Qiu Yi's face, do you think I would have bypassed you guys easily?"

Ji Tianxiang took off the mask on his face and revealed his true face.

Qiao Yu was stupefied.

Lee Feier's mouth opened wide in shock.

Ji Tianxiang saw that Mi Le wanted to run away, so he sneered and shouted, "Oh, someone knows that he's scared and wants to run away. Come, let's see who it is." Isn't this your best sister? Why did they all fly out when they were faced with a great calamity.

"Mi Le, aren't you being too heartless as a friend? Don't tell me this is the online rumored plastic sister flower?"

Mi Le's expression turned extremely ugly.

"Mi Le, is that true? Do you want to leave us and run away? " Qiao Yu hurriedly turned around and looked at Mi Le. A trace of anger flashed past her eyes.

Lee Feier also noticed Mi Le's retreating feet, and a hint of disappointment leaked out of her eyes.

Mi Le glared at Ji Tianxiang and said decisively: "Escape? Me? How is this possible? Qiao Yu, Feier, don't believe him. He wants to sow discord between us. We have been in university for such a long time, haven't we thought of you guys for all the good things? Don't be fooled by him. "

"Is that so?" Qiao Yu looked at Mi Le with a puzzled expression.

"Aiya, as long as it's a misunderstanding. I believe in Mi Le. Qiao Yu, don't be fooled by him." Lee Feier said with a smile.

Mi Le nodded.

"Clap clap." Ji Tianxiang clapped his hands and said with a smile, "Someone really knows how to act. It's a pity that he doesn't want to learn acting. However, I do not care about all that. Last time, I warned you all to not provoke me again and I will definitely not let you all off lightly. "

"Why aren't you sparing us? Just with you, Ji Tianxiang?" The school picking up trash? "Hahaha, I've already asked someone to investigate you. You're just a beggar that doesn't have a father to raise a mother, yet you still dare to act pretentious in front of

us." Mi Le said with disdain, "Do you think that we would do it a second time after being tricked once? "What a joke."

Oh, right, little slut, you've been tricked. This man is not some rich man, he is a real pauper, and he is not what you think he is. He is purely pretending to be better than us women.

Qiu Yi pursed her lips and walked out from behind Ji Tianxiang. She slowly walked in front of Mi Le and said, "Say it again."

"He's a disgusting shitty brat, a pauper, a shitty beggar." Mi Le mockingly said as she pouted her lips.

"Whap." A loud slap resounded in the air.

Qiu Yi's hand hit Mi Le's face.

Everyone was stunned when they saw this scene.

Ji Tianxiang frowned.

"You can scold me, but you can't scold him. Tianxiang is not the kind of person you guys are talking about." Qiu Yi said.

A trace of astonishment flashed across Ji Tianxiang's eyes.

"Little bitch, you actually dared to hit me, ah ..." Qiao Yu, Lee Feier, you two go on up for me. " Mi Le screamed.

If you guys aren't afraid of me handing the video or audio over to the police or the school teachers, just hit them. Oh, right, you guys are bullying Qiu Yi this time, I just want to record another video and add another crime. Now, I don't know how long I'll be able to stay in jail for.

Ji Tianxiang took out his phone, turned on the camera and shot a picture at Mi Le and the other two women.

"You're lying, how did you get a video?" Mi Le looked at Ji Tianxiang in disbelief.

"You don't believe me, do you? If you don't, just attack. Fight, fight." Ji Tianxiang growled, "I saw how you were punished by the society and the school."

Mi Le and the rest were shocked by the roar and started to panic. They held Qiu Yi's hand and unconsciously put it down.

"Mi Le, what should we do now?" Qiao Yu whispered.

"Mi Le, if he gave the video to the police and teachers, we would all be finished. Hurry up and think of a way." Lee Feier said anxiously.

C80

Mi Le frowned tightly as she looked at Ji Tianxiang. She was also quite flustered and didn't know if the video Ji Tianxiang was talking about was true or not.

However, Ji Tianxiang's expression couldn't be wrong.

If Ji Tianxiang really had the video of them bullying Qiu Yi, no matter what, he had to find a way to get the video and destroy it. Otherwise, not only would she, Mi Le, be unable to hook up with the rich second generation and become a rich young woman, she wouldn't even be able to get her hands on the graduation certificate which she had gone to great difficulty to get into Beidu University.

This concerned the future of her entire life. She couldn't be so hasty.

Afterwards, Mi Le thought of someone who could help her, and looked at the rich second generation Zhang Tianlei who was standing beside her. Normally, he was quite willing to spend money on her, but she did not expect that he would encounter such an incident.

Mi Le could not count on Zhang Tianlei anymore. Not only did she need a rich boyfriend, she also needed someone who would take responsibility for her. She would find a chance to dump Zhang Tianlei later on.

"Hey, Mr Ji, don't be angry. Don't be angry, let's talk. We were just joking with Qiu Yi." After Mi Le thought it through, she immediately smiled and said, "Do you think she's alright now? We don't dare to bully her, it's just a few young girls messing around, don't misunderstand us, our words just now were indeed a bit unpleasant, he's modest now, alright?"

Saying that, Mi Le shrewdly gave Qiao Yu and Lee Feier a look.

"Mr Ji, just go around us." Qiao Yu and Lee Feier, having received Mi Le's orders, ran to Ji Tianxiang's side, each holding Ji Tianxiang's arm with both hands as they charmingly shouted.

"Oh yeah, Mr Ji, return the video to us."

Oh my god!

This woman turned her face so fast, sometimes black, sometimes white, faster than the singing Guan Gong turned his face.

Tsk tsk.

The sound of Mr Ji's scream was really creepy, but it was really coy, unbearable, and unbearable.

If it was before, when a few good-looking female students called him this, he was sure that his face would be as red as a monkey's butt.

Why would it be popular?

Shy.

But now, let alone being shy, there wasn't even a hint of embarrassment. It was all because he had seen Wu Yuhan's vicious heart, and the three girls in front of him were far from being able to compare.

It was best to keep a distance from such a woman.

"What are you thinking, brother Tianxiang? Give us back the video, we are still young girls, we have so much to do, we have so much to do, all of our hard work to get into Beidu University, we didn't even get

to finish it, we didn't even get to the graduation certificate, what do you think we should do after we get out of society! " Seeing Ji Tianxiang in a daze, Qiao Yu thought that he was hesitating, so she jogged over to him and threw herself into his arms.

Ji Tianxiang felt a heavy weight on his chest and came back to his senses. He looked down at Qiao Yu and thought to himself, "This woman is also that heavy."

His face, which was not quite red a moment ago, was now completely red.

It was because Qiao Yu's two reunions were rubbing against Ji Tianxiang's chest. If this went on, even a man would feel embarrassed.

Qiu Yi stood on the spot. Seeing that Mi Le and the other two were so close to Ji Tianxiang, she bit her lips and felt upset.

Ji Tianxiang raised his head and coincidentally looked her in the eye. He thought to himself: Crap, Qiu Yi is going to misunderstand.

Subconsciously, he tried to push Mi Le and the others away.

As a result, they were greeted with cries of pussy one after another.

Ji Tianxiang trembled with goosebumps. He quickly shook off the women's hands and pushed Mi Le away. He took a few steps back and said with his white hands, "I can spare you guys, but I need you to promise me one thing."

"What is it?" Mi Le and the other two immediately stopped talking and looked vigilantly at Ji Tianxiang.

"First, apologize to Qiu Yi in front of

me."

As soon as Ji Tianxiang said that, Qiao Yu happily followed up, "That's easy, we agree."

"Wait, I haven't finished." Ji Tianxiang said, "Second, inform the entire school about what you have done to Qiu Yi and what you have done well, and apologize."

"Ji Tianxiang, that's impossible, absolutely impossible. We won't do it." Mi Le retorted without thinking.

Faintly!

He was really anxious now. He had just called Tianxiang's big brother over to help him, and he had already changed his name to Ji Tianxiang so quickly.

Tsk tsk, a woman is really a terrifying

creature.

However, Qiu Yi was an exception.

Ji Tianxiang smiled and continued, "Third, from today onwards, I want you to follow behind Qiu Yi for a month, work as horses and cattle, eat, wash clothes and clean. Do everything that you want Qiu Yi to do for you."

"Ji Tianxiang, don't go overboard." Mi Le and the other two could no longer continue acting, their faces turning the color of a pig's liver.

"I'm being excessive? I thought that these requests of mine were a lot more merciful than handing the video over to the school and the police, or going to jail, or being unable to get the graduation certificate of Beidu University. " Ji Tianxiang raised his eyebrows and suddenly sneered: "Don't

forget, I've already given you two chances, you guys are the one who doesn't cherish them, challenging me time and time again for endurance. If you still don't know what's good for you, then don't blame me for being rude."

The expressions on Mi Le and the other two became even more unsightly.

Damn, damn.

Damn Ji Tianxiang, damn Qiu Yi.

At this point, he had no choice but to agree.

"Alright, we'll do it, but how can you guarantee that after we do, we'll delete the video." Mi Le thought for a moment and said.

"I, Ji Tianxiang, have always kept my

word. As long as you agree to the three requests I made, I will completely delete the video." Ji Tianxiang smiled confidently.

Mi Le and the other two looked at each other and nodded. They walked over to Qiu Yi and said humbly.

"Student Qiu Yi, we have been doing this to you for such a long time ..."

"You guys, there's no need." Qiu Yi took a few steps back in surprise and waved her hands in panic.

He apologized quite sincerely. He had never seen Mi Le and the other two treat him so well. Even Qiu Yi was flattered.

Seeing that Mi Le and the other two girls were finally taken care of by him with a few words, Ji Tianxiang felt much better after hearing their apologies to Qiu Yi.

Qiu Yi blinked and nodded. When Ji Tianxiang looked up, her eyes were filled with a little joy.

"You can go. I hope to see the result tomorrow for the remaining two conditions." Ji Tianxiang said.

C81

"We will do it, but I hope that you can keep your promise when the time comes." Mi Le gritted her teeth and said.

Ji Tianxiang held Qiu Yi's back, waved his hand, and left in a carefree manner.

Leaving Mi Le and the other two behind, they stood where they were and stared at the backs of Ji Tianxiang and Qiu Yi as they left.

"Mi Le, we really have to listen to Ji Tianxiang tomorrow. Is this how we do things?" Qiao Yu asked, unwilling to give up.

"That's right, Mi Le. If we were to publicly apologize to Qiu Yi, wouldn't we be admitting defeat without fighting? If the students and teachers were to find out, how would we be able to mix in with the school in the future?" Lee Feier said anxiously.

Mi Le rolled her eyes at the two of them, but didn't say anything. She didn't seem to be in a good mood and said, "Why are you so anxious? Why didn't you fart just now? If you don't want to do something, why aren't you dragging me along to apologize to that bitch?"

When she thought about it, Mi Le's heart was filled with rage. She had never thought that she, Mi Le, would be suppressed by a poor, b * tchy, and lowly Qiu Yi.

From the beginning, she never intended to surrender and plead guilty. She even humbled herself to that little bitch Qiu Yi.

If it wasn't for the two idiots who urged her to agree to Ji Tianxiang's request without thinking, could she have done this?

Upon hearing Mi Le's words, Qiao Yu was displeased. "Mi Le, what do you mean

by that?"

"It's fine if you can't hear it." Mi Le rolled her eyes.

"Qiao Yu, say less. Let Mi Le think of a good way to deal with this. What should we do next?" Otherwise, if we listen to that guy's words tomorrow, our reputation in school will be ruined. " Lee Feier pulled Qiao Yu to the side and tried to persuade her in a fit of anger.

"Mi Le, hurry up and think of a way."

What a sisterly love! He had forced it all onto himself when a great catastrophe was about to befall him.

Even though she didn't want to, she didn't feel at ease when she told the two idiots, Qiao Yu and Lee Feier, to think of a solution.

Mi Le nodded and started thinking.

At this moment, Zhang Tianlei started to talk to Mi Le. Mi Le pushed Zhang Tianlei away and shouted, "We've broken up. Don't come looking for me in the future, useless fellow."

Because of Mi Le's incident, Ji Tianxiang and Qiu Yi were no longer in the mood to dance. The two of them went to a corner where there were fewer people to talk.

However, just as they spoke a few words, another person came to look for trouble.

"Oh, who is this?" What kind of clothes are they wearing? Why do they have a rancid smell? " A man dressed as Elvis came over, and this man followed a woman dressed as Monroe.

These two people were Qian Duoduo and Lin Xueying, with Qian Duoduo as their leader, following them.

Lin Xueying didn't say anything, but she looked at Ji Tianxiang as if she was watching a good show.

On the other hand, Qian Duoduo's friends looked at Ji Tianxiang mockingly. The way they looked at Qiu Yi was also full of ill intentions.

Ji Tianxiang knew who it was the moment he heard the voice. He frowned and ignored the voice. Instead, he shouted to Qiu Yi, who was beside him, "Qiu Yi, let's go."

Qiu Yi? The pure school beauty of the Academy of Arts?

Qian Duoduo looked at the person next to Ji Tianxiang in surprise. It was Qiu Yi, a

girl dressed like a Heavenly Immortal?

How did Ji Tianxiang know her?

Needless to say, this pure school beauty had a pretty good figure. Her snow-white skin, protruding front and back, as well as her face was also quite nice. She could be considered a first class beauty, and she also fit Qian Duoduo's tastes.

"You are the rumored pure school beauty in our school, is your name Qiu Yi? "My name is really nice. Hello, my name is Qian Duoduo." Qian Duoduo said, "Student Qiu, how can you stay with someone like Ji Tianxiang? Ji Tianxiang doesn't have a good reputation in my class. Don't be tricked by him, he doesn't deserve to dance with you."

Qiu Yi rolled her eyes at Qian Duoduo and said coldly, "I'll dance with whoever I want to. I have my own free choice. Besides, I feel that Tianxiang is not worthy enough to

dance with me."

"Hehe, Student Qiu, I don't mean that. I just want to tell you that Ji Tianxiang has a bad character and will do anything for money. Not only will he steal things, he will also be taken care of by a rich woman." Qian Duoduo suppressed his anger and continued to chit chat.

Qian Duoduo had always wanted to catch Lin Xueying up to her. After chasing her for almost half a year, he reluctantly agreed to participate in a school ball.

But now, Ji Tianxiang didn't do anything. He easily welcomed the admiration of the pure school belle. Seeing Ji Tianxiang's proud look, he got angry. He definitely wouldn't let this poverty go to waste.

He had heard of Qiu Yi's reputation in school, but he never saw her in real life. Who

knew that she would be so beautiful? Qian Duoduo couldn't help but be tempted by her beauty.

No matter what he said, he was regretting it now. If he had said earlier that the pure school beauty was really that pure, he, Qian Duoduo, would have already started fighting.

Also, a woman that he could take back from Ji Tianxiang, not only could she take revenge, she also had a sense of accomplishment.

Originally, today's target was not only Ji Tianxiang, but also Lin Xueying.

Lin Xueying's pursuit had truly annoyed her. She had chased after that woman for so long and had given her a lot of presents. She still felt like she was above everyone else.

He originally wanted to give up. However, after his father took him to a banquet and found out about Lin Xueying's family background, Qian Duoduo's desire to pursue Lin Xueying once again ignited.

In addition, his father had hinted a few times, and was determined to catch Lin Xueying. It would be best if they married and went home, which meant that they moved the Lin Clan over to their home.

Therefore, his attitude towards Lin Xueying had always been one of contempt.

Forget it, since Lin Xueying could not catch up with him, he might as well change his target. Qian Duoduo glanced at Lin Xueying who was standing some distance away. Qiu Yi was not worse off compared to Lin Xueying, the pure school beauty.

After all, the pure school belle didn't

have any background. She could easily obtain one, and after she had had enough fun, she could throw it away.

"Qiu Yi, I heard that your father is very ill and has been lying in his own hospital all this time." Qiu Yi, I heard that your father is very ill and has been lying in his own hospital all this time. About Qiu Yi's family matters. Qian Duoduo had heard about it on purpose.

"No, I don't need it." Qiu Yi's expression immediately darkened as she bluntly refused.

Qian Duoduo's expression changed instantly. His gaze towards Ji Tianxiang, who was beside Qiu Yi, started to turn ruthless bit by bit.

It was all because of this piece of trash, who knows what kind of tricks he used to make the pure school belle fall in love with

← C81

him.

"Ji Tianxiang, come over here for a bit. I want to talk to you for a bit." Qian Duoduo said.

C82

"What? Can't you say it here?" Ji Tianxiang asked in confusion.

"If I want you to come over, then come over. What are you talking about? Is it a man? If you're a man, feel free. " Qian Duoduo was annoyed.

But now, I am no longer a diaosi, but a legend.

Ji Tianxiang sneered: "If you want to let me pass, then I will go over. What's with my face?"

"Aiyo, this guy is funny. Picking up trash in school is no different from asking for food. He even dares to say it out loud. This is too ridiculous, haha." Qian Duoduo's expression darkened, and said sarcastically.

"You're just a piece of trash, yet you want to talk about face with Mr Qian? How shameless."

"If you want money or not, if you want background then don't want money. If you don't have any background, how dare you talk about face? You're simply shameless! If I ask you, if you dare to shout for face, will it dare to say yes or no? Hahaha!"

Qian Duoduo signaled the person behind him with his eyes. The person behind him looked around and nodded.

One after another, they mocked Ji Tianxiang.

Qian Duoduo was very happy to hear it. He looked at Ji Tianxiang with a smile that was not a smile. He just wanted to see Ji Tianxiang embarrassed. This way, the pure school belle would look down on Ji

Tianxiang.

What kind of status did Ji Tianxiang have?

What kind of status did he have?

In the rest of the world, Ji Tianxiang was the only one who wanted to fight with him.

Since he was interested in Qiu Yi now, it could only be him, Qian Duoduo's, possessions.

"Don't be too excessive, this is a school, there are teachers here." Qiu Yi angrily said, "Student Qian, I don't know you. I also didn't expect there to be someone like you in our school, bringing all the other students to bully our classmates. If you do this again, don't blame me for suing the teachers and letting them deal with you."

"Ji Tianxiang, do you dare to bet with me? If you're a man, then bet with me. If you're not a man, then just run away like a coward. But if I see you again in the future, I'll call you a coward.

Qian Duoduo said provocatively.

Ji Tianxiang looked at Qian Duoduo coldly and fell into silence.

What a great 'Qian Duoduo'. Two and a half years of university students treated him like that.

In order to force him to make a bet, it was enough to threaten him to this extent. If he didn't agree to Qian Duoduo's bet, then he would ridicule him and everyone else.

A coward? A coward?

Hehe.

This is intolerable. Since you, Qian Duoduo, want to provoke me, then don't blame me for not being courteous. Just wait until I am ruthlessly slapped in the face.

Qian Duoduo, have you forgotten about the last time you ate at Tianxin Garden? After a long while, Ji Tianxiang said lightly.

"Damn. Your mother! You still dare to bring this up? Watch as I smash your mouth to pieces!" Qian Duoduo's face darkened again as he shouted in excitement.

Well, I won't bet this time. I'll go look for the teachers and tell them that you, Qian Duoduo, is causing trouble at school. You are unfriendly to your classmates, so you have no love.

"You, very good, finally you are amazing!" Qian Duoduo was uncontrollably angry, but he quickly retracted his expression

and sneered: "If you dare to enter the stage, then compete in dancing. Let's see who dances better and win the title of dance king tonight."

"Dance?" Dance? " Ji Tianxiang asked in confusion.

"What is it? "You don't dare?" Qian Duoduo said in a mocking tone.

Ji Tianxiang smiled confidently, stretched out his index finger and shook it: "No, I'm afraid that you will regret it until you die. If you lose, you will not accept it, and you will go back on your words."

"Hehe, you've got quite the tone. You dare to speak like that before the competition? Ji Tianxiang, even if you're pretending, you still have to act decent. I've won a provincial prom individual award, how can you compete with me?" Qian Duoduo

sneered.

"Sure, but what do you say if you lose?" Ji Tianxiang looked at Qian Duoduo and asked expressionlessly.

"I definitely won't lose." A haze and hatred flashed across Qian Duoduo's eyes.

"I don't care about what you're saying. I just want to know, what happens if you lose?" Ji Tianxiang shrugged and asked indifferently.

Lose? How is this possible? He had won the provincial individual ball award, and he had won the championship.

No one could be his match when it came to dancing.

Qian Duoduo's face darkened, "If I lose, I'll call you daddy in front of everyone."

"Alright, it's a deal then. If I lose, I'll kneel down and call you father." Ji Tianxiang said happily.

"The next dance is about to begin. Music starts playing, and we'll meet on the dance floor." Qian Duoduo said.

Not long after, the ball started, and the bet between Ji Tianxiang and Qian Duoduo also meant the beginning of it.

Ji Tianxiang pulled Qiu Yi off the dance floor, and the two of them became partners. As for Wu Tie, he begged Lin Xueying to do him a favor and become his partner, so he reluctantly agreed.

Lin Xueying didn't want to agree. This was a personal grudge between Qian Duoduo and Ji Tianxiang. She only wanted to be a spectator. However, because Qian Duoduo brought up the matter of the two working

together, she reluctantly nodded her head.

When the music on the dance floor was ignited, many men and women on the dance floor began to dance. Among them, there were two pairs of men and women dancing intensely. The excitement and passion of dancing became the attraction of the entire dance, so much so that the other dancers were driven off the stage, leaving space for these four people.

Ji Tianxiang, Qiu Yi VS Qian Duoduo, Lin Xueying.

Ji Tianxiang and Qiu Yi started to dance. Qiu Yi was surprised, Qian Duoduo was angry, and Qian Duoduo's lackeys were stunned.

Who the hell said Ji Tianxiang didn't even know how to dance? F * ck, what the f * ck was he doing?

Qian Duoduo scolded, and then no longer relaxed his body, but was fully on guard as he threw himself into the dance. "Even if you, Ji Tianxiang, can dance, you still can't beat him."

After all, the dance learned by a wild duck was not as good as the dance learned from him.

Ji Tianxiang and Qiu Yi's love for dancing life, full of zeal, passion, and unrestrained, explained the true artistic soul of Latin dance even more, which caused the crowd to feel more excited.

Compared to Qian Duoduo, Lin Xueying was a good dancer. However, she was stiff, rigid and without any new ideas. At the same time, everyone could not feel the passion and love each other for this dance.

Thus, after the match ended, not only did

Ji Tianxiang and Qiu Yi receive applause from the audience, they also received cheers from the audience. On the other hand, Qian Duoduo, Lin Xueying, and the others only received polite applause, not cheers.

At the end of the dance competition, it was time to announce the results.

"I guess everyone has already seen that these two dances are very outstanding, but you can also see that among the excellent dancers, they are even more outstanding. That is, Harry Potter and Alice ..."

"Wait a minute, last match didn't count. Ji Tianxiang, I want to start over with you." Qian Duoduo took off his mask in anger as he spoke coldly.

C83

This perfect dance turned out to be Ji Tianxiang. Ji Tianxiang, who was working hard at his school, so poor that he could only pick up trash in school, was still rejected by everyone?

Qiu Yi, on the other hand, was elated. She didn't expect Ji Tianxiang to be so good at dancing, even though she wasn't very good at it.

It was just like how she knew how to dance. Thanks to Ji Tianxiang's lead, she was activated all of a sudden. Luckily, she didn't embarrass Ji Tianxiang.

Lin Xueying was shocked. She didn't expect Qian Duoduo to say that Ji Tianxiang was the one who would bet with Ji Tianxiang, nor did she expect Ji Tianxiang to be so good at dancing. His exquisite dancing

skills were comparable to an international dance.

"Qian Duoduo, who's the companion standing next to Ji Tianxiang?" Lin Xueying asked.

"Qiu Yi from the Academy of Arts." Qian Duoduo looked at Lin Xueying in confusion.

"It's her." Lin Xueying's expression immediately changed. A trace of jealousy flashed across her eyes as she looked at Qiu Yi.

Qiu Yi, the girl from the Academy of Arts who ran for the school beauty, had finally chosen two students. One was herself, and the other was Qiu Yi. Her looks were also mediocre.

Lin Xueying observed the people around

her and noticed that all the men's gazes were focused on Qiu Yi instead of her.

Immediately, she felt jealous of Qiu Yi. How could a poor girl like her have the right to steal Lin Xueying's limelight?

Zhang Mangmang gritted her teeth. She had been searching for half a year now, but she never expected Ji Tianxiang to be so close to her.

If it was him, then it truly proved that a person could not judge a book by its cover, and the sea could not be measured.

Sensing everyone's surprised gaze, Ji Tianxiang smiled lightly. He was not surprised by Qian Duoduo's shamelessness and had already expected Qian Duoduo to go back on his word.

"Alright, what other dance do you want? I'll follow you to the end." Ji Tianxiang said

calmly.

Yet, he was so confident and arrogant. It was as if Ji Tianxiang was the male lead in the scene and had the aura of a comeback.

"Ji Tianxiang, you have guts. I will make those who lose kneel down and call me dad, and I will also become my slave." Qian Duoduo said with a darkened face.

"Oh, you want to increase your bet? Alright, I want to increase my bet as well. If you lose, I'll make you, Qian Duoduo, run around naked on the school field tomorrow morning." Ji Tianxiang said, unwilling to be outdone.

Everyone was curious and doubtful.

Zhang Mangmang watched the man dance in the middle of the dance floor. One second she was praising, the next she knew

the man's name, and then her praising turned into surprise, followed by anger and jealousy.

Ji Tianxiang, how can you dance with other women? Isn't your first dance supposed to invite her to be your partner?

She has been waiting for you at the ball for so long. Damn it, it must have been that little demon that took the initiative to seduce you.

You little slut want to snatch a man from me? Dream on.

Zhang Mangmang confidently stood up from her seat and walked towards Ji Tianxiang. Suddenly, she was hit on her back and fell to the ground.

At this moment, Xue Ruhai and Wang Fugui received Chang Yue and Qin Shui at the school gate and went to the ball together.

At that time, the dancing competition between Ji Tianxiang and Qian Duoduo once again began.

The dance breed was proposed by Qian Duoduo. This time, they were competing in an international standard dance. Qian Duoduo didn't believe that Ji Tianxiang, this naughty competition, would win against him.

Last time, he was too nervous to perform well, and it was only because of Ji Tianxiang's dog shit luck that he won.

When the music started, Qian Duoduo immediately displayed his superb floral dance to everyone. After everyone saw it, they applauded and cheered for him. He danced more smoothly, no longer as nervous as last time.

She ignored Lin Xueying's feelings. Although Lin Xueying also wanted to dance

well and cooperate with Qian Duoduo as much as possible, Qian Duoduo's speed was so fast that it hurt both her waist and her wrist. She couldn't help but frown and feel dissatisfied with Qian Duoduo.

Qian Duoduo, I thought they won for sure this time.

On the contrary, Ji Tianxiang and Qiu Yi started to dance very normally and slowly. Their dance became more and more exciting. On the other hand, because Qian Duoduo had overexerted himself and did not consider his partner, he was already panting from the effort.

The music ended abruptly, and the dance ended.

The judge announced, "In this dance, we will have Harry Potter and Alice, the two dancers who won. It will be our 2019th year's

King and Queen of Dance."

"Oh, it's amazing, Ji Tianxiang."

"Holy sh * t, he's amazing."

The students cheered loudly and applauded Ji Tianxiang.

Even the teachers at school praised Ji Tianxiang: "This kid's performance was not bad. It was really a surprise."

"Ji Tianxiang, you don't know how to dance, right?" Qian Duoduo gritted his teeth as he spoke.

Ji Tianxiang could tell that Qian Duoduo was about to explode from his anger. He looked at Qian Duoduo indifferently: "You don't know how to dance? Who told you that? "

"You, good, very good. "Ji Tianxiang, you actually dared to plot against me. If I didn't suffer your wrath, you, this trash, wouldn't even have won." Qian Duoduo finally realized that Ji Tianxiang had plotted something against him.

"Heh heh, I tricked you. Why would I scheme against you? Qian Duoduo, who do you think you are? I was disdainful of you. I've come looking for trouble with you over and over again, and it's already good enough that I don't care about it. You want to compete in dancing too, and you want to go back on your word just because you've lost? " Ji Tianxiang ridiculed and looked down on Qian Duoduo in his heart.

Qian Duoduo's face was ashen as he clenched his fists tightly. He was so angered by Ji Tianxiang that he was almost at a loss for words: "You."

"Qian Duoduo, that's all you can do. If you lose, not only will you kneel down in front of everyone and call me dad, but you will also have to run naked to the ground tomorrow morning. Please perform your first move, and don't be a deserter, or else you will be a coward, a coward, and at the same time, a shameless person. "

Ji Tianxiang looked coldly at Qian Duoduo, waiting to see what he would do this time.

With a single sentence, his path of retreat was blocked. No matter what Qian Duoduo did, he would be mocked by everyone.

"Ji Tianxiang, do you have to be so burning? "You don't care about the feelings of your classmates at all?" Qian Duoduo asked coldly.

At this time, everyone also felt that Ji

Tianxiang was going too far. The way he looked at Ji Tianxiang became unfriendly and the way he looked at Qian Duoduo was full of sympathy.

A good classmate's friendship?

"Puchi." Ji Tianxiang was amused.

C84

"Hahahaha."

Qian Duoduo looked at Ji Tianxiang doubtfully, "What are you laughing at?"

Speaking of this, Ji Tianxiang recalled what Qian Duoduo did to him in the past and a fire ignited in his heart.

"Oh, Qian Duoduo, you have the face to bring up our classmate relationship? How did you treat me back then? Let me help you remind you. When I first entered university, you led your classmates to isolate me, laugh at me, and even wrongly accuse me of stealing. When you f*cking did all these things, did you ever think of comradeship?" Ji Tianxiang said angrily.

"Eh, how can Qian Duoduo be this kind of person? No wonder I often see him alone.

I don't even have any classmates to eat with him, we go to class together."

"I really didn't know that Ji Tianxiang was so pitiful. It was all done by Qian Duoduo."

"If that's the case, then why should Ji Tianxiang care about Qian Duoduo when he doesn't even care about the feelings of his classmates?"

"So, Qian Duoduo should admit his defeat, kneel down and call Ji Tianxiang's father ..."

In an instant, everyone stood on Ji Tianxiang's side, cheering for him and complaining about the injustice.

After being scolded by Ji Tianxiang, Qian Duoduo's face was about to be thrown away. He would not kneel down to Ji

Tianxiang to call him father, and even more so, he would not run around the sports field naked tomorrow.

"Kneel in front of your mother and call her daddy. If he wants to kneel, then kneel. If he wants to kneel, then call out. I'm not Sharpei." Qian Duoduo shamelessly said.

After taking a look at the entrance to the ball, Qian Duoduo made up his mind to run away.

Qiu Yi saw through Qian Duoduo's plan and stood in front of him, "This classmate, I really didn't know that you were this kind of person. You actually did so much to bully Ji Tianxiang. Don't you think you should give an explanation to Tianxiang in front of everyone today?"

"What?" I didn't do anything. Everyone, don't listen to Ji Tianxiang's nonsense. I've

never treated him that way before, he's the one wronged me. Think about it, am I that kind of person? " Qian Duoduo quibbled.

"Qian Duoduo, he's lying. He really did do something to bully Mr Ji. I've seen it before." Zhang Mangmang said.

This time, Qian Duoduo became more passive and was basically the target of public criticism.

"Apologize, Qian Duoduo." Qiu Yi said.

"Apologize, apologise, Qian Duoduo apologizes." Everyone shouted.

Even the school teacher said, "Qian Duoduo, if you don't apologize like Ji Tianxiang, then I will apply to the school and record your bullying of your classmates. At the same time, I will also record that you have been reduced by one level and have a

good rest in the sophomore year to learn how to conduct yourself."

"Teacher, I-Ji Tianxiang, I'm sorry, I shouldn't have harmed you. I'm very sorry, I apologize to you here, I hope you will forgive me." Facing the pressure of so many people, Qian Duoduo finally gave in.

"Alright, I shall let bygones be bygones. However, for today's matters, I hope that you, Qian Duoduo, will accept your loss and fulfill your promise." Ji Tianxiang said, "No need to kneel down. Just call me daddy three times."

"Ji Tianxiang, don't push your luck. I've already shown you humility." Qian Duoduo was angry again.

I was told to kneel down in front of a dog, even if I had to call you daddy, Qian Duoduo wouldn't do it.

Qian Duoduo pushed Ji Tianxiang hard and ran out of the dance floor. He wanted to escape, but everyone automatically surrounded him.

"Qian Duoduo, why are you still like this after Ji Tianxiang forgave you so magnanimously?"

"Accept your loss, what's wrong? It's a season for men to fulfill their lost obligations. "

"Qian Duoduo, don't make everyone look down on you. Since you couldn't afford to lose, then why did you make a bet?"

"..." The cacophony of criticism turned to Qian Duoduo one after the other. Qian Duoduo was angry and angry at the same time. His hatred for Ji Tianxiang increased tenfold, a hundredfold.

He really wanted to find someone to skin Ji Tianxiang alive. Only by doing so would he be able to vent his hatred.

"Scram. All of you, scram. I'll do whatever I want to do. Who cares about your own business. If you want to meddle in other people's business, then you all have to meddle in it." Qian Duoduo scolded.

"Hey, hey, you're scolding me. Qian Duoduo, do you take yourself for nothing? Ji Tianxiang can tolerate you, but we can't tolerate you." Everyone was enraged and rolled up their sleeves, wanting to teach Qian Duoduo a lesson.

Lin Xueying stood at the side. She originally wanted to speak up for Qian Duoduo, but seeing that there were too many people surrounding Qian Duoduo and hearing what Qian Duoduo had done, she retreated to the side in disdain and chose to

protect herself.

Ji Tianxiang also walked out from the dance floor and looked at the scene of Qian Duoduo being besieged by everyone. These students were all from other academies and basically didn't know each other. They didn't expect to help him like this.

Even his teacher looked at him with gratitude and warmth.

This gamble was worth it. Not only did it expose Qian Duoduo's character in front of so many people, it also forced Qian Duoduo into a corner. It was a well-deserved crime for Qian Duoduo, who always liked to put on a show, to end up like this.

He even had to account for himself.

Besides being grateful for Qiu Yi's favors and help in the ball, Ji Tianxiang's

heart was also warm and soft.

"Tianxiang, I didn't expect you to be so good at dancing. Did you ever dance in primary school?" Qiu Yi asked with admiration in her eyes.

He had to start talking about dancing when Ji Tianxiang was young. Ji Tianxiang's mother loved to dance all of a sudden, but since people were lazy to dance, they tricked him into learning how to dance. If he dared to resist, Ji Tianxiang's mother would make him, his son, suffer.

It was a weird mother. Ji Tianxiang had complained to his father, but she ignored him because his father doted on her.

From the age of four to fifteen, in the past twelve years, he had learned more than twenty types of dances, and they were all very good dances. He even won the National

Awards, the International Awards.

After he had reached adulthood, he had left his family and gone out to train, so he didn't dance much.

In addition, Ji Tianxiang didn't want to be too flamboyant when the society was training him. He just wanted to live a normal life in peace.

"Haha, it's just average. I just blindly learned from watching videos. Qiu Yi, you did a good job too." Ji Tianxiang touched the back of his head in embarrassment and said humbly.

Qiu Yi smiled, looked down at her watch and said, "It's about time. I should go."

"You are leaving?" "Where to?" Ji Tianxiang was stunned.

"I have to go back to the hospital to take care of my father. I'm worried about him being alone in the hospital." Qiu Yi blinked at Ji Tianxiang.

"Oh, okay. I'll send you there." Ji Tianxiang nodded in understanding. He asked to send Qiu Yi to the hospital, but was rejected by her.

Seeing that Qiu Yi was adamant, Ji Tianxiang had no choice but to nod and watch her leave.

After Qiu Yi left, Ji Tianxiang took a glance at Qian Duoduo, who was surrounded by people not far away. He couldn't be bothered to look anymore, much less pursue the matter.

C85

He had just experienced a contest of dances and felt exhausted. He only wanted to find a quiet place to do it.

However, before he could turn around, he was stopped by Xue Ruhai and the others.

"Tianxiang, where are you going? See who I called?"

"Why are you guys here?" Ji Tianxiang turned around and looked at the two women standing with Xue Ruhai in surprise.

"Tianxiang, who was that female classmate that just danced with you? What does it have to do with you!" Xue Ruhai asked with a smile.

"I, I'm just a good friend." Ji Tianxiang wanted to say that she was his girlfriend, but

when he thought about how his relationship with Qiu Yi had yet to be officially confirmed and saw the malicious eyes of Xue Ruhai and Wang Fugui, he changed his mind.

"Hi, Tianxiang." Chang Yue greeted.

"Long time no see, Mr Ji." Qin Wu said.

"Mhmm, you guys are doing fine too." Ji Tianxiang touched the back of his head and replied.

Looking at Chang Yue and Qin Shui, he had the nagging feeling that something was wrong.

"Tianxiang, the dance you just performed was really great. I've never seen someone as good as you." Chang Yue took a step closer to Ji Tianxiang, her voice coquettish.

En, alright. I finally know what's wrong.

Chang Yue's attitude towards him had changed.

"Hur hur, it's nothing. I jumped very average." Ji Tianxiang said humbly. He felt awkward with Chang Yue's change in attitude.

Qin Shui looked at Chang Yue and a flash of surprise appeared in her eyes. She walked up to Ji Tianxiang and said, "Tianxiang, don't be modest anymore. I've watched you dance very carefully. It's really good. It's already comparable to the international standard."

"Haha, I've learned how to dance before. Don't fool us."

"This, alright." Ji Tianxiang rubbed his nose awkwardly, he didn't know what to say.

Now that he had been exposed, if he continued to act humble, he would appear to be faking it.

Xue Ruhai and Wang Fugui looked at each other. The corner of their mouths hooked up into a profound smile. They walked to Ji Tianxiang's side and pulled him to the side.

"Tianxiang, I know you're interested in Chang Yue, so I took this opportunity to call her out. It should be enough for this bro." Xue Ruhai said proudly as he held Ji Tianxiang's neck.

"Oh, Tianxiang, you're so lucky this time. Chang Yue is a rich and beautiful woman with a good figure and a good family background. I'm almost envious of you." Wang Fugui said.

Ji Tianxiang listened for a long time, but

still couldn't understand what Xue Ruhai and Wang Fugui were saying. What exactly did they mean?

What does calling Chang Yue have to do with Ji Tianxiang?

And since when did he say that he was interested in Chang Yue?

"Me." Ji Tianxiang thought for a while and was about to speak, but was interrupted by Xue Ruhai and Wang Fugui.

"Tianxiang, we know that you're so excited that you can't speak anymore. We also know that you want to thank us. No need, we are all brothers. We're all friends, so there's no need to be so formal." Xue Ruhai patted Ji Tianxiang on the back, his tone especially grand.

"But, Tianxiang, if you really get Chang

Yue by then, don't forget our brothers!" Wang Fugui calculated.

At last, he understood that these two people were trying to get him and Chang Yue together by putting on an act.

Ji Tianxiang was a bit suspicious. Why did Xue Ruhai and Wang Fugui suddenly become so kind? With a beauty, he didn't go, but gave her to him instead.

They didn't look like such good people. There must be some hidden purpose behind it.

"How long are you guys going to stand there alone? An isolated female friend isn't a gentleman at all."

Chang Yue and Qin Shui walked over and looked at the three of them suspiciously.

"What are you all muttering about?" Qin Shui asked curiously.

Ji Tianxiang and the others looked at each other and shook their heads.

"Anyone want a snack or a drink?" Xue Ruhai said.

"Me." Wang Fugui said excitedly.

Xue Ruhai glared at Wang Fugui in disdain. Right now, he was busy with official business. What was there to eat? Idiot. All he knew was how to eat and he didn't contribute at all.

"Me." Qin Shui said.

He was a bit hungry and also thirsty.

Xue Ruhai pointed at the place not far away where food and drinks were served.

"There's something there that I can't take all by myself. Fugui, Qin Shui, come with me to get it."

"Alright." Qin Shui agreed without a second thought.

Needless to say, Wang Fugui definitely followed Xue Ruhai wherever he went.

At this moment, only Ji Tianxiang and Chang Yue remained on the spot.

"Tianxiang, I'm sorry about what happened last time. Shouldn't I be in a bad mood and vent my emotions on you? Can you forgive me?" Chang Yue stared at Ji Tianxiang and said tenderly.

Ji Tianxiang looked at Chang Yue's eyes and was dazed for a moment. But he quickly came back to his senses and said lightly, "Mm, I can understand your situation at that

time. It's fine, I don't mind it."

"Tianxiang, what do you want to say to me? If you want to say it, then say it quickly. Chang Yue lowered her head shyly.

"Hmm? I have nothing to say. " Ji Tianxiang was a bit confused.

He could not understand the meaning behind Chang Yue's words.

"Tianxiang, don't you have something to say to me? When I came, Xue Ruhai told me that you had something to say to me at the ball today. " Chang Yue stamped her feet and glared at Ji Tianxiang.

What exactly does this Ji Tianxiang mean?

She, Chang Yue, had already given Ji Tianxiang a way out. Why was her EQ so

low? What did she say and do? She was just like a donkey.

Even though she felt disgusted when she looked at him, she still had to endure it.

If she hadn't agreed to help Xue Ruhai seduce Ji Tianxiang, she wouldn't have bothered talking to this stupid donkey.

Ji Tianxiang recalled for a moment and roughly guessed something, but he had to pretend that he didn't know anything.

Because he really had no interest in Chang Yue. Let this beautiful misunderstanding vanish like that.

"You probably heard wrong. I have nothing to say to you. Right, your family should be fine now, right? The Whale Corporation doesn't dare to find fault with your family anymore, right?" Ji Tianxiang

gave a short explanation, then changed the topic.

"How do you know about my family?" Chang Yue glanced at Ji Tianxiang strangely and suddenly said, "It's Ru Hai who told you that our family is fine now. The whales didn't dare to find fault with us anymore, it's all thanks to Ru Hai's help that our family managed to get through such a big problem. Thank you so much for your help, I didn't expect Ru Hai to be so capable."

"Hmm? Are you sure it was Xue Ruhai who helped your family and not someone else?" Ji Tianxiang said.
