Chapter 1

‘Don’t you listen to me? Tie her leg to me!’

The woman’s sharp voice is extremely rampant, and every word is vicious. The maids knelt all over the room, and none of them dared to answer.

‘I can’t use it, Madam or husband!’ The Xu family’s steady mother-in-law trembled and knelt down, ‘tie up the parturient woman’s legs, that’s not to take the life of the princess!’

‘I want her life.’ Known as the lady, the lady grits her teeth, hoping to stab the woman on the bed with her own eye knife.

It’s just for now that I’ve been holding my breath for so long. If I don’t take advantage of the chance that the Lord wants to get rid of her child, I don’t know when I will kill this woman in the future!

‘If you don’t listen to Mrs. Bennet’s order, you’ll die with her. Where’s the rope! Bind me to death

Pei Ming’s ears are pricked by the sharp whistling, but it is far behind the pain of her childbirth. The child in the belly is struggling, but someone by the bed wants to kill her!

But she had no strength to resist. The pain made her even unable to get up. She could only watch her servants take the hemp rope and wrap it around her thigh.

‘You dare!’ She gritted her teeth and wanted to resist, but she couldn’t resist the joint efforts of all the people. Her sweat soaked the layers of bedding under her body and quickly took away her physical strength.

Ah - her child was blocked from her only way of life, and could only suffocate in her stomach, and she might have to suffer for several hours, and eventually died of dystocia and bloody collapse.

Wriggling his bloody legs, Pei Ming takes out his last strength and stares at the gorgeous woman beside the bed.

‘Even in the afterlife, I will not let you go! All of you, I will let you repay me one by one!’

No one can escape the death of her and her child.

At this moment, there was only one figure in her mind, the man who pushed her into the abyss again and again.

Biting her teeth, her nails were scratched, leaving mottled blood stains. Her eyes looking up at the top of the tent were empty, and her voice roared hoarse.

‘I won’t forgive you for what you owe me. I want you to give it back to me, Xue tingji!’

Suddenly there was a strong wind outside the door, which could not disperse the blood and the people’s heart. Only the dying pain entangled her.

Suddenly, the body sank, as if falling into a deep pool, drowning suffocation and cold swept. Instinctively, she wanted to open her mouth and pant. The more she struggled, the more powerless she became.

At last, before she was in deep, she took a big breath and opened her eyes. In a moment, all the pain went away like a tide.

Trance, into a strange world.

The sticky feeling of sweat pulled back her consciousness. She was familiar when she inspected the surroundings. She sat up and felt her stomach subconsciously.

Flat. What about the kids?

She looked down in a hurry and found that she was wearing a white jade ring on her index finger, but she didn't -

suddenly she had a flash of memory. She came to the mirror with her shoes on, and the reflection of the girl surprised her.

This ring was given to her on her 17th birthday, and here is the famous Pei mansion. It seems that even God thinks that she is ridiculous, but it makes her go back to ten years ago!

All of a sudden, the cry before death rang out in her head. Hate flushed her eyes, but she laughed.

She laughed at the absurdity and stupidity of her past ten years, and also at how lucky she was that she could wake up and live again.

For a moment, all kinds of thoughts came to my mind.

In the last life, although she knew Xue tingji was paranoid and suspicious, she did not expect that she would end up being given to Xu Yi by him.

If it's his so-called revenge that he broke his body on his wedding night, it's better not to love!

And Xu Yi

She was more than gentle and less courageous. Seeing that she was indifferent to the humiliation, she secretly asked her concubine to attack her after she had Xue tingji's child.

Oh, do you think I can treat you wholeheartedly without this child? You dream!

If it wasn't for you, I wouldn't have been in that hell! I hate you more than Xue tingji!

In this life, I want to get back all you owe me. I want to use the Pei family and everyone to climb to the position where you can't hurt me, and then crush you all!

At this time, there was a cry outside the corridor.

'Miss! Miss, help

With a hasty step, the call for help is getting closer and closer. A maid pushes the door in regardless of the rules, and rushes straight to Pei Ming and kneels down.

'Miss, please help my sister. My wife is going to kill her!'

Pei Ming stood up abruptly, ignoring his loose hair, and followed his maid out of the door.

She remembers that day!

At the beginning, it was because of her mistake that she was stabbed by people around her in the most critical time.

This time, history will never repeat itself.
