Chapter 10

All of a sudden, a gust of wind made trouble and nearly lifted her fence.

Unexpectedly, it was this moment of distraction that made her bump into a not too strong chest.

‘It’s impolite.’ She is about to avoid, but heard a doubt, ‘isn’t this miss Pei?’

She is frightened, Xue tingji? Suddenly he looked up, but the fence knocked his chin, and was blown over by the strong wind. Finally, he flew away like a cloud.

The two of them looked at each other for a moment without separation.

He didn’t expect to be here. Pei Ming didn’t prepare. He stepped back two steps, but he was hit by later generations. Xue tingji held her in time, and his eyes were attracted by the tottering jade hairpin on her head.

‘What are you doing in such a hurry? It’s not like you haven’t run into it.’

Pei Ming dodged his touch and heard him ask, ‘what are you doing in the west market with your whole family?’

Pei Ming wants to ask about this, but he has a better way to say it.

‘Those are the things that come and go in the East market. It’s hard to come to the west market to have a look. If there are some rare things suitable for Mr. Xu, isn’t it good to buy them as gifts?’

Not surprisingly, Xue Ting immediately blackened his face, but Pei Ming felt an unusual anger from his silence.

She looked up and saw indignation in Xue tingji's eyes, which she was too familiar with.

Every time he suspects that she and Xu Yi are still in love, Xue tingji always looks like this. He never trusted her!

At the moment, Pei Mingxin calmed down and turned to leave, but was startled by his hand.

Just right, the hairpin on his head fell into his hand.

Not noticing Pei Ming's anger, Xue tingji put away his displeasure and shook his Hosta with pride. 'If you fall my jade pendant, you can take this as a punishment.'

Pei Ming doesn't care about him, but the jade hairpin can't be given to anyone. It's just because he is angry and his words are not so obedient.

'Don't be ridiculous, your highness. I'd better give this token to Mr. Xu.'

It was intended to annoy him, but Xue Ting didn't care now. He took the hairpin into his sleeve, and Pei Ming stopped pestering him, so he turned around and left.

Xue tingji didn't expect that she would be really angry. He looked around and immediately held her, but unexpectedly, it just irritated Pei Ming.

In the past, every time they argued, when she didn't want to waste any more words, he would always hold her in this way, and then angrily warned himself not to leave him.

She was fed up with it, so this time she threw away his hand. ‘What do you want?’

Pei Ming’s roar didn’t attract too much attention from the businessmen around him. Only by taking Xue Ting by surprise, Pei Ming realized his gaffe.

She lowered her head to think about how to apologize, but the Hosta stretched out in front of her eyes. Pei Ming didn’t understand and looked up. Xue tingji’s face was an expression she had never seen before.

Like a child who has made a mistake, he refuses to look her in the eye.

‘I’ll give it back to you if I’m so angry...’

This change Pei Ming speechless, also don’t take that jade hairpin, Xue Ting by hesitation, personally insert back to her hair bun.

‘I want to say that the west market is too chaotic, your curtain fence has fallen off, and your daughter’s house is not suitable for wandering here alone, so I’ll accompany you for a while.’

This sentence makes Pei Ming feel like Wang Chunquan was so stunned that he didn’t even react when he came to his side.

Xue tingji covered his lips and smirked, ‘my prince is not as careful as you. Let’s go. I’ll send you back earlier.’

Pei Ming can’t help but apologize. Xue Ting laughs and says that the daughter of the general is really fierce. Xu Yi has no ability to hold her.

But as soon as Xue Ting took off, he subconsciously closed his mouth. After a long silence, he laughed bitterly.

‘Why don’t you ask me why I’m here?’

Pei Ming stops and waits for his own answer. Xue tingji was amused by her. She really didn’t regard him as a prince.

That’s good.

‘Everyone thinks that I’m a prince who is in favor, beautiful and reckless. But actually? I read a lot of poems and books, and I have a good command of both literature and martial arts, but I can’t learn from politics. In the future, I can only become a king of leisure, ignorant and useless. If you look at these businessmen who are willing to do business and fight for whatever they want, I’m not even as good as them...’

His tone is lonely, even Pei Ming is sad, but she knows this man’s future is not like this, so there is no need to comfort.

However, Xue tingji followed by another sentence: ‘in fact, it’s not impossible to fight. If I really have what I want, I will never let go.’

When he said this, his eyes were fixed on Pei Ming. There was nothing else but her. Pei Ming didn’t know how to answer. Fortunately, he found a store selling screen fence, bought one in a hurry, and isolated himself in the white yarn.

‘The carriage is just ahead, your highness. Stay.’

Just two steps away, Xue tingji called her again. Her eyes were erratic and unnatural. ‘I’ve only said these words to you. I’ll give you the money, and you’ll What are you not going to mean?’

Pei Ming is puzzled. Xue Ting stares at her impatiently and points to her head.

‘Just give me that hairpin. If I didn’t take it, it would be broken, wouldn’t it?’

Jin Zhan, who has never said a word, can’t help laughing, which makes Pei Ming laugh. How Can Xue tingji make her angry.

Unfortunately, across the fence, Xue Ting saw her smile through Wufu.

Fortunately, he finally got the hairpin. Pei Ming specially said, ‘I must hide it well, or I won’t be able to clarify if someone knows.’

He accepted the hairpin contentedly, until seeing Pei Ming leave in the carriage, Xue tingji gave a cold smile and recalled his mother’s words.

General Pei and Xu Taifu are the first to support the crown prince. It is impossible for them to marry their eldest daughter to him. But the more he can’t get, the more he has to fight!

But

He sighed again, perplexingly, as he looked at the drifting carriage.

How can you feel that Miss Pei really hates him?

Think about it, he simply laughed, no matter hate or not, he is bound to get her!
