Chapter 3

The silver plate didn't know her plan, and when she went to the arch bridge, she carried her skirt, 'Miss, why don't you talk to Mr. Xu more, you --'

before you finish, Pei Ming was stiff and looked at the young man in the distance with a complicated look.

Xue tingji, a 19-year-old noble and carefree sixth prince, was originally Suan and handsome, but ten years later, how could he become so unpredictable and suspicious.

With tears in her eyes, she quickly took the silver plate and hid in the bamboo forest by the bridge. 'When you see me on the bridge, you can keep up. Don't make a sound until then.'

Silver plate Lengeng nodded, and soon heard the subtle footsteps, Pei Ming calculate the time, find the right time suddenly ran out.

She calculated very well, just bumped into Xue tingji, Xue tingji caught off guard, instinctively held her in his arms.

In this situation, Pei Ming's eyes were all in a hurry and embarrassed, which was exactly what Pei Ming wanted, but she panicked first, not because of shyness, but because of An indescribable state of mind.

He is hateful, but he is also the person she once loved. No matter what he will become in the future, at least now he is the one that she fell in love with at the first sight.

When he was young, his chest was not generous enough, and his strength holding her was not so overbearing, too much I miss it.

But this feeling was only for a moment. She pushed him away, but forgot to be at the head of the bridge. As soon as she slipped, she saw that she was about to fall into the river. Xue Ting caught her back with her quick eyes and quick hands.

At this time, the panic is not fraud.

The unexpected little accident didn't disturb Pei Ming's plan. He curtseys in a hurry and escapes to the arch bridge. Xue tingji is about to stop her. The silver plate appears at the right time and makes it hard for him to speak. He can only watch her slip away.

In fact, it's just a little trick. Pei Ming doesn't expect Xue tingji to be loyal to him overnight. He just takes this opportunity to let him remember himself.

But what Pei Ming didn't expect was that Xue tingji was really staring at her back. In front of her eyes are her eyes, so deep, so deep eyes.

In such an instant, he had the illusion that he saw endless desolation and the rest of his life in her eyes, which was like drowning.

However, the chance is only a moment, and it's impossible to find her again. At this time, it's just the same to go to see the flying Gallery Xiushi. I can only walk away angrily.

Back in the crowd, Xue tingji's eyes seem to look for it unintentionally. He teases Xu Yi by the way: 'how about today's girls, do you have one you like?'

Xu Taifu was highly accomplished, and Xu Yi was chartered to study with princes since childhood, especially Xue tingji.

Xu Yi's face turned red, and his eyes went around among the girls, but he didn't find the figure he wanted to see.

'You know, I don't need to look for people. My grandfather and general Pei have already decided this matter.'

Although there is no engagement between him and Pei Ming, the relationship between the two families is basically certain, but the adults of the two families think they are still young, so they want to wait a few years to get engaged.

Although Xue tingji knew about his marriage, he never met Pei Ming. He only joked: 'general Pei, Wu Yong, I heard that his eldest daughter Xiao is like his father. If she comes in, you won't be able to hold her.'

Xu Yi doesn't care much. Wen Sheng says, 'she's a very good woman.'

Soon after the banquet, the male and female guests were divided. The topic of the banquet was no more than the choice of spouse for the children of each family. After the banquet, the male and female guests gathered first. The elegant gathering game in the South courtyard in the afternoon was the most important thing today.

Xue tingji was a little bored under the crowd. He was trying to find the woman again when he heard a dull noise in the East, followed by a more frightening roar.

Pei Yu and Pei Ming stand close, afraid to seize the opportunity of her sleeve, Pei Ming heart next cold, think of her last life this good sister naturally let her die face, really intimate not up.

When he was in a trance, he suddenly ran to some young men from the East, shouting, 'the little winter pavilion has collapsed, and the third young lady has been smashed down!'

Pei Ming's pupil suddenly shrinks and his head blows. The third young lady is Xu Lixue, her only friend in her life, and she The most painful heartbreak.

Holding back her soft legs, she suddenly broke free from Pei Yu and ran to the East with her skirt. The speed was so fast that she scared the oncoming boy.

'What are you doing? Send someone to go

Her temperament was not as soft as other women's, but her voice made the guests stare. Xue tingji also heard that she was famous, and suddenly she was in front of her eyes.

But what surprised people was more than that. When they rushed to save people, they were surprised.

Perhaps because of rush work, the newly built Pavilion collapsed completely. A maid was hit in the leg and fell to the ground, howling.

Pei Ming didn't care about her. Instead, he climbed to the collapsed ruins and bent over to remove the rubble with his bare hands.

'Lixue, Lixue!'

She shouts anxiously, even with a trill, no, she doesn't just come back, and before she can see Lixue, she can only watch her accident again! Save her anyway!
