I Give Up World For You

Chapter 4

After a while, all the Taifu family members came with crowbars and spades. Pei Ming grabbed them. He thought Guangxiu was in the way, so he simply took a piece of cloth as his arm. He tied up his sleeve without respect, even though the bead hairpin on his head slipped.

Wang's shrill voice told Pei Ming not to lose face here. Pei Ming didn't pay attention to it. Xu Yi also stepped forward, 'mingniang, please be careful. Just let the next people come.'

But don't want this sentence, let Pei Ming think too much.

After the collapse of the Xu family in the last life, in order to save the family, Li Xue was married as a concubine, which made her die so miserable. However, Xu Yi, a elder brother, did not even ask for justice for her. It can be seen that this person is so incompetent and merciless!

Chest ups and downs for a while, Pei Ming just held back tears, gritted his teeth and said: 'if you feel ashamed, you'd rather die than save your sister, just go away.'

Hearing this, Xue tingji raised her mouth. It turned out that she was Miss Pei. She immediately pushed away the crowd and came forward, 'Miss Pei is righteous. I'll help you.'

However, he didn't flatter Pei Ming for his kindness. He only exchanged a cold sentence: 'don't come up. There are too many people. Bricks and stones will collapse.'

It makes the sixth Prince lose face.

Just as Xue tingji sank his face, a faint cry for help came out from under the ruins, 'help Help...'

It's Lixue. She's still alive! Pei Ming cried with joy, afraid of hurting her to throw away the shovel in her hand, kneeling down and moving the gravel.

Xue tingji clearly saw the bloodstains on her hands.

All of them are careful, and finally dig out a gap. When they see Xu Lixue's dirty face, Pei Ming still can't hold back his sour nose.

Fortunately, when the pavilion collapsed, Xu Lixue was standing next to the base, and the pavilion column and the base just pressed out an angle, which made her escape from death.

Rao is so, the tile beam above her is still crumbling, the gap is too small, she can not drill out, open big and afraid of secondary collapse.

Pei Ming didn't hesitate much. He leaned into half of his body to block her. It was easy for her to get out of her sleepiness. Before he could be happy, he took a painful suction when he got up.

The right leg was cut out a long blood hole.

Xu Yi hesitates and wants to help her, but Xue tingji takes the lead and makes Pei Ming surprised.

In front of all the people, he held Pei Ming up straight and ordered his servant to come to the palace to ask the imperial doctor.

It's shameless to be so strict!

Without waiting for others to say anything, Pei Ming refused first, 'you let me go!'

She used both hands and feet, struggling to get down, but when her right foot fell to the ground, her knee softened, obviously unable to stand.

Xue Ting asked her to be honest by frowning. 'Miss Pei didn't let her be a man just now. How can she be affected now? Don't make a fuss, or you'll have to fall.' And she whispered: 'anyway, it's not that I haven't hugged you.'

This man is really overbearing by nature!

But it's just as well, as she had originally planned.

Pei Ming didn't struggle any more and let him take him to the inner courtyard. When the doctor came, he left consciously. Pei Ming then pretended to be puzzled and asked Mrs. Xu: 'the young master just now is...'

Mrs. Xu was quite surprised, chin pointed to the doctor, 'you think can call to the doctor, who will be?'

Out of the inner courtyard, Xue tingji has not recovered. Xu Yi is guarding outside, and his face is not good-looking.

'Your Highness, mingniang, she...'

Xue tingji raised his eyebrows and asked if he thought about it: ‘you said she What’s the name again?’

Xu Yi’s heart was shocked, and her throat was a little difficult. ‘She is the fiancée I often mention, Pei Ming.’

Who knows Xue tingji is a meaningful smile.

‘You are not married yet.’

Miss Pei’s heroic rescue has become the topic of the world. Some people praise her for her bravery and selflessness, which is comparable to a man’s bravery.

Some people laugh at her for not being a lady.

More people secretly say, clearly and Xu big childe is a firm engagement, how to hook up with the sixth prince?

All the gossip stopped at the moment when Xue tingji appeared. The sixth prince himself didn’t care.

It doesn’t matter so much as to see who dares to speak.

A good gathering changed the taste. It was not until Pei Ming came back to the banquet that Xue tingji became active again.

She changed her clothes. Because she was hurt, she walked slowly. She lowered her head and her eyes were red. She should have cried. Compared with the valiant and courageous when she saved people, she is really pitying.

Xue tingji came forward, but he was robbed by Xu Yi before he opened his mouth. ‘What’s the matter with Li Xue?’

Pei Ming shakes his head. 'I haven't seen her for a long time. It's hard to hide her excitement. I'm afraid after I think about it.'

Wang Shi in the distance saw this scene of them. He was afraid that the sixth prince would take a fancy to Pei Ming. He pursed his lips and came over. 'Mingniang, you are too reckless. It's hard to stay after being injured. Let's go. Let's go back first.'

Before waiting for Pei ming to say anything, Xue tingji first sank his face and said, 'is Taifu's birthday party going when he wants to go?' Then he changed his face and asked Pei Ming, 'Miss Pei should not be so delicate?' Pei Ming chuckles and naturally says that she is a woman. Shouldn't she be weak?

'It's just that the sixth highness is right. It's not good to brush the old Taifu's kindness. I haven't apologized to the sixth highness. I didn't know his Highness's identity before. It's so offensive.'

Xue tingji couldn't restrain his smile. He leaned close and teased her wantonly in front of Wang Shi and Xu Yi. 'Which time did you say that?'

Seeing her embarrassment, he laughed again. 'Everyone is playing pot throwing. If Miss Pei really wants to apologize, she can play two games with me.'

She didn't see it at all. There was a deep meaning in her shy eyes.
