I Give Up World For You

## Chapter 7

e savage and absurd! This person is really bad, Pei ming to temper, stem neck just don't nod.

Finally, Xue Ting compromise, helpless tone almost begged her, 'I'm just afraid you hurt the body, don't insist, if you have any trouble, the prince will protect you.'

Both of them are soft rather than hard. He is good-natured, and Pei Ming is also relaxed. On one side, Dr. Zhang saw some problems. After careful investigation, he said that he had hit Pei Ming, which was a random suppression of heat poison.

Xue tingji listened carefully, 'what poison?'

When Dr. Zhang was ready to explain, Pei Ming readily admitted that it was Wang who did it. 'But don't bother your highness. My daughter has her own ideas. Please don't interfere in my daughter's family affairs.'

This words Xue Ting by not love to listen to, wave back the doctor, until there is no one else, just with a kind of ruffian smile, 'but your highness is to take care of your business, Miss Pei can Nai me?'

He thought Pei Ming would be angry or cold, but Pei Ming didn't. instead, he looked at him with complicated eyes.

She forgot that Xue tingji used to be so soulful and carefree, but later, he gradually became not fond of laughing, so that she forgot what he looked like when he laughed.

It's a pity that Dr. Zhang is not a judge of words and deeds. Sheng Sheng draws back their mind and says, 'the antidote will be made tomorrow. I don't know...'

'I brought it myself.' Xue tingji conceals her blush by clearing her voice. She is still reluctant to give up, but it's hard to stay. After two steps, she turns back to remind her, 'plus my prince's kindness to detoxify you, I'll count it together in the future.'

He glimpses Pei Ming's smile, which makes him happy to leave, but he doesn't notice that Wang just sees his back.

In the afternoon, Pei Ming was thinking about the next step. A maid came to deliver a message. The eldest lady said that she was going to worship Buddha. The eldest lady was ill and didn't need to go out.

Silver plate is not angry to cold hum a, 'pretending I don't know why our young lady is ill, if really do a bad thing, what's the use of worshiping Buddha.'

Jin Zhan stopped her words, but Pei Ming's eyes brightened.

She didn't go to Cheng Taifu's birthday party in the last life. Tomorrow's Buddhist ceremony is the chance to get married with Xue ting. As for what will happen

She called to the maid outside the door, 'go and tell the eldest lady that I'm in good health. Tomorrow I'll go to worship Buddha together.'

However, everything has changed in this life. I don't know if his Highness the sixth prince can grasp this opportunity.

Huayun temple is far away in the suburbs, which does not affect the heyday of incense. This season is suitable for outing, so there are more BMW carvings along the way.

Pei Ming was annoyed by the shaking of his head, but she wanted to laugh at the thought of Xue tingji's expression.

Knowing that he would take the medicine to find her in his house today, I didn't know that he would, so I had to trouble his sixth highness to come to Huayun temple in person.

The temple is full of cigarettes. Wang is no different from other believers. She just doesn't know what she is praying for.

Calculating the time, Pei Ming told him that he had wandered to other places in private.

Walking God, did not notice himself around to a remote corner, aimlessly down the steps, feet seem to kick something.

With a clear sound, she bowed her head and found a jade pendant in the corner of the stairs. Then she remembered how she had been associated with Xue tingji in her last life.

At the beginning, Xue Ting accidentally dropped the jade pendant. When she picked it up, it happened that he was looking for it. Since then, she has been mistaken all her life.

But this is not a coincidence.

Pei Ming picked up the jade pendant and carefully checked whether it had been bumped. In the last life, Xue Ting gave it to her as a token of affection, and she also cherished it. Unfortunately, after several disputes, she took the jade pendant and smashed it at him, and they were no longer the same.

Suddenly, she had an idea. She took two or three steps to the edge of the stairs and tied the jade pendant to the end of the pine branch. Before she turned around, she heard a sneer.

‘Miss Pei hung my jade pendant so ostentatiously. Do you want to recruit relatives?’

Pei Ming bit his teeth and asked for a bride? I just want to call you back!

He pretended to be surprised and turned around. He really saw Xue tingji walking towards her with a banter on his face, but there was a trace of anger in his smile.

Pei Ming saluted in a leisurely manner, ‘why is your highness six here?’

Xue tingji quickened his pace and looked at her innocent face. He was even more angry.

‘Well, you, your highness, thank you for your trouble. How dare you make me go all the way to this ruined temple for you? What should you do?’

Pei Ming held back his smile and suddenly remembered, ‘Your Highness, forgive me, my daughter I forgot.’

‘You --’ Xue tingji dares to promise that she did it on purpose!

Pei Mingcai was not afraid of him, but he didn't forget to give him a sweet date. 'Since it's the fault of the minister's daughter, how to convict him depends on his highness. Anyway, at that time, he will be punished for several crimes, which is not bad.'

After she reminded, Xue tingji just recovered a little complacency, 'don't be arrogant, you can't afford to pay in the end.'

Pei Ming didn't take his words. He got up and took off the jade pendant. Today, the sun is very good, and this jade pendant is a very sufficient water head. The sun shines through the clear jade and falls on her face. Her skin is really like jade.

Xue tingji watched her take off the jade pendant and caress her green fingertips on the lines. She looked very cherished.

Pei Ming handed the jade pendant to him, 'rare treasure, your highness, please put it away. If you drop it again next time, you may find it.'

Maybe she was so impressed by her bravery at the birthday party that Xue tingji felt that she even spoke calmly in a gentle voice. She didn't reply to her words for a long time and just stared at her for a moment.

Pei Ming turned his head uncomfortably and called him again in a clear voice, 'Your Highness, you are a personal thing. You are held by the courtesan It's against the rules.'

Xue tingji then put his eyes on her hand, but he was not willing to reach for it.

'Since it's against the rules, I'll send you this jade pendant.'
