I Give Up World For You

Chapter 8

But Pei Ming didn't appreciate it. The word 'don't' was simple and didn't leave him any feeling at all.

At that time, they had known each other for more than a year before he gave her the jade pendant. How many days have they known each other now? Why did he become so frivolous?

However, she is stubborn, but Xue tingji is more stubborn, and more arrogant than her.

Xue tingji picked up the jade pendant with his middle finger and played with it in his palm for a while. Pei Ming's temperature still remained on the jade, which made his heart itch. Then he grabbed her hand and patted the jade pendant back into her palm. She could not refuse.

'Take it, or I'll keep it. I'll punish you and let you wear it every day so that everyone can see it clearly.'

If so, it is no doubt to declare that she is his person. Pei Ming is not embarrassed by her strength, but angry.

As expected, he could not change his nature, regardless of her feelings. How could he fall in love with such a person in his last life!

Pei Ming broke free from his shackles and slapped the jade pendant on his chest with a tit for tat. 'Don't bully people! I don't want your stuff!'

Xue tingji was annoyed by her, so he tried to compete with her. If she didn't accept the jade pendant today, she would not be allowed to leave.

Pei Ming secretly laughed angrily. He had an idea in his heart. When he pushed with him, he dropped the jade pendant.

Landing a crisp ring, two people are a Leng, this can, no longer fight. Xue tingji was a little distressed. This jade pendant was given by his father.

'Bold Pei Ming, how dare you break the prince's jade pendant!'

Pei Ming choked his neck and refused to admit his guilt. 'Your Highness refused to accept it. Did you blame the minister's daughter?'

Seeing that there was going to be another quarrel, he heard a burst of exclamation on the steps, 'you, what are you doing?'

Xue tingji frowned in disgust and looked up to see that it was Wang. Her voice called many people to join in the fun, which made Pei Ming want to sneer.

After a salute to Xue tingji, Wang shouts to Pei Ming, 'big girl, it's not me who said you. You are a daughter of the Xu family. You have already married the master of the Xu family. What do you want to do with your sixth highness? How can you tell the Xu family to meet people?'

Pei Ming is helpless. Wang is eager to be known at the moment, but it's OK. Don't blame her for saying something later.

She stepped back two steps in order to make the fragments of jade pendant on the ground more conspicuous. 'My mother misunderstood.

My daughter just picked up the jade pendant of her sixth highness and accidentally lost it when she returned it to him.'

He also nodded to Xue Ting, 'thank you for not blaming the courtiers.'

Xue Ting, who was placed together, by gnashing his teeth and relying on the distance of others, whispered to her: 'I didn't say I don't blame you.'

Wang saw this scene in his eyes and yelled bitterly, 'I said, big girl, yesterday I saw you and your sixth highness have a private meeting in the mansion. Today, how can I find his jade pendant in the temple so far away? You should be more careful, otherwise how can others say about our Pei family?'

The more she said it, the worse it became. Although he knew her purpose, Pei Ming was cold. As soon as he was about to speak, Xue tingji couldn't bear it.

'Well, you dare to say anything. What are Pei Ming and Xu Yi? The prince told the world today that Pei Ming knew what he was going to do, but he couldn't let him talk about it. He knelt down to Wang on the steps and said, 'my mother misunderstood that the sixth Prince did come yesterday, but she saw her daughter was not feeling well at the dinner party the day before yesterday.'

She looked up and looked at Wang. Even if she was so far away, she could feel the chill.

'He is afraid that his father will not be at home and that his daughter will not care for him. So he came to see him. By the way I also asked the imperial doctor to break my daughter's pulse.'

Word by word, so that those who are watching can hear clearly. At this time, Xue tingji remembered the purpose of looking for Pei Ming, took out a medicine bottle from his sleeve and asked Wang if he knew what it was.

Wang was flustered and annoyed that he had forgotten the trick. Xue Ting took advantage of the victory to shout louder than her.

‘You thief wife, how dare you poison your eldest daughter! If the prince hadn’t noticed something strange, she would have survived to this day. What’s your heart

All of a sudden, the target of public criticism turns from Pei ming to Wang. The sixth Prince and miss Pei’s family are clear. Wang has to quibble, but Pei Ming helps her out.

She bowed deeply to Xue tingji and said, ‘please be careful, the sixth prince. Although the courtiers were poisoned, how can you say that they were done by their mother? Since my daughter is safe, please don’t pursue this matter any more.’

Xue tingji doesn’t understand why she wants to say good things for Wang, but Pei Ming has his own plan. He looks up, stares at Xue tingji and threatens in a low voice: ‘you promised me not to interfere.’

No, he can only disheartened to give her the antidote, ‘eat now, in front of me.’

Pei Ming hesitated, which made him furious. ‘Why, I’m afraid I’ll poison you too! Don’t be heartless, eat

Most hate his face, Pei Ming stood up, no matter how Wang, opened the medicine bottle, and reached out to Xue tingji, ‘water.’

It's clear that he has to save his life and let the prince wait on him. Xue tingji has never seen such an unruly woman, but he has to compromise and let the servant serve the water. On the one hand, she was afraid of choking, and on the other hand, she kept a straight face

Looking at him with such a hard mouth and soft heart, Pei Ming had some strange emotions in his heart. After taking the medicine, he really felt comfortable.

Seeing that her face looked good, Xue tingji was relieved. When he looked down and saw that her hand still had the scar of carrying the stone on the day of the birthday party, he remembered that she was too reckless just now.

'I Don't blame me for my quick temper

Pei Ming said with a shy smile, 'thank you for being too late. How can I blame you?' Looking at the broken jade on the ground again, 'this...'

'What's the matter? I'll give you a better one in the future.' Xue tingji was embarrassed to say anything more. He was about to leave, but Pei Ming stopped him, 'sixth highness!'

He stopped and looked back to see her smiling and standing.

She said, 'Your Highness, thank you for your kindness. In the future, I will repay you.'
