You're one of a Kind Frankenstein and there have never been another like you, who is so gifted and kind..

For centuries, those you stood for, they've been waiting for your return, but in no avail, they lost all their patience, and their scientist tried in fabricating some of your kind but it was a sad failure, the result was horrible, they created a deadly and remorseless beast instead and the tale was a disastrous one.. It was considered a terrible human mistake that must not repeat itself in the future..

I don't think its proper if someone ask for a weapon and he's given something far more inferior than what he requested. Is this a kind of joke? What use will it(mirrored necklace) be against a Dragon or the "End of days" ? You still haven't learnt that you're your own weapon, Frankenstein, maybe You'll soon find out, trust me.
