

In Love, Never Say Never Chapter 1085

Armond gazed coldly at me, his dark eyes gradually shrouded by devilish redness. Then, his lips curved into a vicious smile as he hissed at me, "Rotting in a jail cell? Haha! Scarlett, no doubt Ashton has fallen head over heels in love with you! I'm really impressed with your courage. So far, nobody dares to talk to me like that!"

I moved backward as he approached me inch by inch, never shifting his blazing eyes away from me. Bang! The sound was followed by a slight pain on my back, indicating that I had retreated to a corner of the cage. As a wave of fear surged within me, my legs started to tremble. I gulped and was about to force myself to utter some words. However, in just a split second, he ripped my clothes into pieces and bellowed, "The rest of you, get out now!"

Everyone in the room stumbled out in an instant. As he trapped me in between his arms, I stammered in panic, "A-Armond, what do you intend to do to me? You can't touch me! A-Ashton won't let you off easily!"

He snickered, "Do you think that I'm afraid of him? He's just a nobody to me! Scarlett, you must have forgotten that this is my turf. Do you think he has the right to stop me from doing anything? After all, he's still busy investigating me in A City at the moment. Do you think he can reach here at once to come to your rescue?"

As he leaned closer to me, I was repulsed by his disgusting countenance. My entire body was shivering in utter anxiety, and I was seconds away from an emotional breakdown. I intended to raise my arms and push him away, yet he was far too strong.

The insidious man looked at me from head to toe with his ferocious eyes. After a while, he slowly took off his black suit and unbuttoned his shirt. My eyes widened as my voice quivered. "What are you doing?"

He twitched his lips and asked mockingly, "You know what I want to do now, don't you?"

Shaking my head frantically, I tried to talk him into changing his mind by yelling, "Armond, you can't do this! Nora is still in this villa as well. You can't do that! You can't!"

His lips lifted into a sly smile. "Didn't you have a bet with her earlier? Well, this is a golden opportunity for you to test it out now. You can experience it for yourself, and you'll find out the truth. Besides, maybe you'll get to know whether Ashton or I have better skills too!"

"Back off!" I grimaced and growled at him. How I wish I could rip him into pieces at once, but there was nothing I could do!

He stared at me and said sarcastically, "Why're you looking at me like that? How do you know that I'm not as well-built as Ashton? You can place your hand on my body and feel it for yourself. Come on now, don't be shy..."

Crouching beside me, he grabbed my hands to press on his body forcefully. I tried hard to pull my hands away, yet to no avail.

I was aghast at his forcefulness, but there was nothing I could do to stop him.

My pupils constricted in profound anxiety right then. Following that, I shook my head apprehensively and yelled at him, "Armond, stop it!"

However, he smiled wryly and continued to mock me, "Are you sure you're not keen on comparing me with Ashton? Don't you, women, like to compare?"

Taking a deep breath, I rose abruptly and pushed him away, thinking of dashing out. However, he grabbed hold of my body effortlessly. No matter how hard I kicked and slapped him, he never loosened his tight grip on me.

Embracing my body from the back, he clung to me tightly. I shrieked hysterically, "Armond Murphy, you pervert! Let go of me! Or I swear to God, you will meet your end soon!"

"Do you know since when I've fallen for you? It's love at first sight! It's amazing, isn't it? The very moment I met you, I told myself that I must win your heart by all means. Initially, I thought of sending you all the way to Venria, and would only appear to be your knight in shining armor when you're in trouble. I'm sure you would've been touched by my gesture and fall for me easily then. Nonetheless, I've underestimated your love for Ashton. I've never expected that even after being apart for such a long time, you are still deeply in love with him!"

Unable to move at all, I panted and responded in difficulty, "Let me go! Don't you know how humiliating it is when you said that you've fallen for me?"

He sneered as he became more violent due to exasperation. "Humiliating? In that case, I'll make sure that you'll be humiliated for the rest of your life!"

The next moment, he tore my skirt apart with brutal force. I was stupefied and yelled helplessly, "Armond, you'd better think twice. I would never forgive you if you dare to touch me! I'd rather die, and by then, Ashton would surely avenge me by ruining the Murphys!"

Armond burst into laughter that instant. "The Murphys? They are nothing to me, so don't waste your time threatening me with the Murphys. Besides, Ashton will never be able to trace your whereabouts. Did you see this cage here? I've prepared it just for you, my sweet little canary! Give up now, Scarlett! There's no use struggling because you're mine!"

"Never!" I roared at him and bit hard on the back of his hand. He shouted in pain and loosened his tight grip. Gazing at me with a glint of ferocity in his eyes, he scoffed, "I'm sure Ashton is on the way to rescue you now, but he's too

impetuous. Impulsiveness and anxiety would always lead to something disastrous. Who knows if he would be a victim of a car accident or a plane crash? Scarlett, if any misfortune occurs to him on his way, won't you feel guilty? After all, he came here because of you..."

"Armond Murphy, you're a freakin' lunatic!" Instantaneously, I was panic-stricken at the sight of his nonchalance. On the brink of tears, I could feel the throbbing pain of my heart. No! I can't let anything happen to Ashton! I won't!
