

I'm Richer Than My Billionaire Ex-husband Chapter 133

At ten o'clock at night!

When Caleb came in with Alina in his arms covered by his suit, Tomas, Emma, Lois, the butler, and others were there...!

Caleb didn't say anything.

Alina had passed out. Her hair was wet with sweat, and she was held in Caleb's arms.

How intense it was just now!

Seeing this, Emma was so stunned. She was shivering in the wheelchair.

Just now, she confronted Tomas and others. But now when she saw this scene, she completely collapsed!

"Caleb..." She grumbled out the name, but she couldn't even hear her own voice!

Her world was all blank. She could not hear anything or see anything.

How could it be?

How could he do this to her?

Caleb looked at Tomas angrily. Tomas was already dumbfounded and explained, "Miss Bell didn't want to go back."

Caleb was doing that stuff just now! Who dared to bother him?

Tomas also thought that Caleb would drive Alina back, but who would have thought that he would bring her in...!

Especially when Tomas saw Alina's look now, he had already known no matter who went to Caleb would definitely be kicked away.

Caleb looked into Emma's eyes. His eyes were sharper and gloomy.

Emma, for the first time, looked into Caleb's eyes without fear like this. All the flattery and forbearance were gone as soon as she saw them...!

Even a fool knew what happened to the two of them just now.

"I'm so stupid! I'm just a fool!" Emma looked at the two and said with a little out of control.

Wasn't she just an idiot? If she weren't a fool, how could she think that Caleb would...!

Even in that delirious situation, Caleb insisted on going to Mulherd Manor to find Alina. But she, Emma, still came here! She was just like a stupid fool.

"How can you do this to me? How can you?" Emma roared hysterically, tears falling down from her face.

How could he?

The scene was so weird and out of control.

"Tomas!"

"Yes, sir."

"Drive her back." Caleb looked away from Emma's face, took Alina and headed upstairs.

Emma couldn't stand it. Not only did Caleb go to Alina when he was drunk, but even he asked her to stay at Werland Villa.

Emma had already lost her mind. Now such a scene drove her mad.

She shouted, "You two are already divorced!"

Caleb kept silent.

When he heard Emma's words at this moment, the bottom of his eyes flashed some anger. He subconsciously looked at Alina in his arms.

All the anger, the moment he saw Alina's little face, disappeared!

In its place was a touch of emotion that no one understood!

"Tomas!" He said again in a bit heavier tone.

Tomas, "... Miss Bell. I'll drive you back!"

Apparently, Tomas could hear the anger in Caleb's tone. It wouldn't do her any good if she continued to dwell on it.

Even they would be affected.

"Caleb!" Emma watched the man turn into the corner, shouting hysterically.

Everyone held their breath.

Caleb went up with carrying Alina. In the hall... Emma's face turned pale.

She had never been so embarrassed.

Tomas stepped forward, ready to push her wheelchair, "Don't touch me!"

Emma shouted like crazy.

Alina! It was all Alina!

If Alina didn't come back, everything between her and Caleb would also be settled. Now, it was because of Alina.

Because Alina came back, everything had changed...!

Why, why did it have to be?

Why did Alina come back?

"Miss Bell, if this continues, it won't do you any good." Tomas said again. It was also a reminder to her.

Any good?

When Emma heard it, she laughed sarcastically! "What did I get from him?"

She liked him! She loved him...!

Everyone said that she got a lot from Caleb, but what was the truth? Only Emma herself knew it.

She had never gotten any from Caleb.

No! Maybe she got something!

But...!

It had gone.

She couldn't use her right hand, and her legs... It was still unknown whether she could stand up. So what did she get from him?

Nothing!

"What are those use to me?" Now, she was like a waste.

What were those use to her?

Tomas frowned!

The servants present also had a strange look in their eyes when they looked at her, and they were even more disdainful of her.

After a while!

Tomas finally got the woman away.

Two little maids commented, "Master Caleb and Lady Alina were fine before. It's all because of her that they got divorced! She doesn't feel ashamed to come here?"

"Yeah! Did you see the way Master Caleb protected Lady Alina just now?"

"There are such bitches in the world! No matter how good the couple are, they will break up because of these bitches. I really hope that these bitches can be punished by the law."

"She just comes from a very small town. Even she wants to become a lady?"

"Don't talk nonsense! The girls in the small town are also very good, but Emma is just..."

"Yes, yes. It seems that Master Caleb still has feeling for Lady Alina..."

Since Alina left, Emma had come Werland Villa from time to time. She was not the hostess here, but she was more like a hostess.

Therefore, the staffs here had suffered a lot of.

Now, Caleb and Alina seemed to get back together! Even if Emma was so badly off, no one would feel sorry for her.

Instead, they only felt that it was just because she deserved it.

.....

Upstairs.

Caleb checked for Alina. Then his face darkened. He called Tomas.

Over there, Tomas picked up, "Sir!"

“Check what’s going on at the party tonight? Put the relevant people into the jail!” The man’s voice was low and dangerous.

They dared to do such things! Those people... were really so lawless.

Tomas on the other side of the phone was stunned!

“Yes, I’ll do it right away.” Who the hell dared to provoke Caleb! No one had ever dared to offend Caleb these years, especially using such a trick at the party, which was Caleb most disgusted!
