I'm Richer Than My Billionaire Ex-husband Chapter 134

Alina sensed that something was wrong. She opened her eyes in a daze, and then she saw a man frowning. When she felt…!

At that moment, she trembled violently.

Caleb felt her reaction. The moment their eyes met, in the dim space, Alina saw his eyes.

Suddenly!

Her face was pale and she was trembling. Even her lips were trembling. She retracted back immediately.

"You…" She asked tremblingly. But she seemed to be unable to hear her own voice.

Her whole body was shaking, which showed how scared she was now.

This time!

And that night, and that day…!

When she was with Ayden the other day, because she was drunk, she didn't know anything and didn't feel anything.

But just now she had the same feeling as the night when she was pregnant with Penny and the night when she was eighteen.

No one knew what kind of torment she was suffering.

"Don't come over!" When Caleb was about to step forward, Alina slipped down directly from the other side of the bed.

The moment her feet touched the ground, she felt her legs hurt terribly.

However, all her pain was not as deep as her fear for those highly similar eyes in the dim space.

Seeing Alina's frightened appearance, Caleb tensed, especially when he saw the fear in her eyes. She… was afraid of him? Or?

Or what?

In fact, he … knew how fearful Alina was of the night she was eighteen. She even saw a psychiatrist because of it.

"Don't come over." Seeing the man move again, Alina looked at him even more fearfully, and her eyes was full of fear and defense.

Caleb, "It's me."

He said hoarsely.

After he pressed the switch at the head of the bed, the originally dim room instantly brightened. Alina didn't say anything.

She just stared at the man in front of her.

Her heart was constantly pounding!

The fear in her eyes was replaced by anger little by little, as if she wanted to tear him up.

She couldn't wait …!

"You…" At this moment, Alina moved her lips to say something, but she couldn't say anything.

Caleb walked around the bed and came to Alina.

He put one of his hands on her slender waist and the other hand on the back of her head. He held her into his arms carefully and gently.

At that moment, no one knew what kind of feeling he had.

"It's okay, huh?"

Caleb said lightly!

Alina's already fearful heart was even more painful when she was held by Caleb.

It seemed that she couldn't breathe.

Raising her hand, she was about to slap him. But she only heard Caleb saying, "Be good, okay?"

The wrist was gently held by the man and then was pulled down.

Alina was trembling lightly and shed tears.

All these years, she had always been so strong! Yet no one knew how she would be as long as she thought of that night.

Every time she faced the darkness of that night, she was so helpless, fearful, even…, unloaded her hard armor.

In front of Caleb, she had always been so strong. Especially when she appeared three years later, she wanted to kill this man every time she met him.

She couldn't even wait to hurt him with so vicious words!

However, with the fear of that night, the armor in her seemed to be completely removed.

She was so fragile, so pitiful!

Emma didn't know how to get back to her apartment. Tomas left when he dropped her downstairs.

Kara was waiting for her. Emma didn't let Tomas walk her up!

When Kara saw Emma, she was stunned! "How did you come back so soon?"

She thought that at least Emma wouldn't have to come back tonight, but…

What happened now?

Especially when she saw Emma was intact and the clothes in her were not messed up, Kara instantly understood.

"He didn't touch you?" Kara's face darkened.

Emma clenched her hands into fists. Her gaze was so fierce.

Seeing Emma's look, Kara knew even more that today's things had not been succeeded at all.

She pulled a long face, "What's going on?"

It was not easy to grab such an opportunity. But…!

Emma looked at Kara. A deep light flashed in her eyes.

"You…" Even someone like Kara felt creepy when she saw Emma's gaze.

"Failed?"

Kara would be a fool if she still felt it succeed!

Even though Emma's gaze was so fierce, Kara still said.

"You…" When she said here, she saw Emma's increasingly gloomy face.

But Kara still continued, "We finally got such an opportunity, but I didn't expect you to be so useless!"

The word 'useless' touched Emma's sore spot.

Looking at Kara fiercely, Emma said, "Don't think I don't know why you helped me? What right do you have to accuse me!"

Kara, "You…"

Emma, "Hmph, Alina has set up her own brand. The design style of the person Jay arranged to you is somewhat similar to Alina, right? You just want to rely on this and turn over."

But if it was similar to Alina's design style, it was inevitable that it would be troublesome.

Kara was so cautious. This time, she suffered such a big loss, so she would be more cautious in the future.

It was not good for Emma that if Alina stayed at Ingford. Even Jay did not sign Alina, but he still planned to work with Alina.

Kara's face turned pale. She didn't have to be polite to Emma, "Who is to blame for that I became where I am today?"

Kara indeed had some abilities, but because of Emma, she lost many of the resources in her hands.

Although the recording didn't directly disclose who it was, anyone who had intersections with Kara knew that it was her.

Now, she was with Emma, so it was not hard to see who it was! She didn't even have the courage to leave the company now.

Once she left, she would definitely have to bear a greater price, and some of them she would never afford.

"What's the hell going on tonight!" Kara asked with a gloomy face.

When Emma heard this, her face was even more gloomy.

Eventually, she said, "He went to Mulherd Manor to find Alina!"

Kara instantly tensed and was stiff.
