

## **I'm Richer Than My Billionaire Ex-husband Chapter 137**

Until now, Alina had no idea what was going on and why the man suddenly wanted to remarry.

She didn't do anything.

Why.?

However, Caleb only said, "I never agreed to divorce."

"But we still divorced."

"So that doesn't count."

Alina was furious.

Why didn't it count?

Why?

Alina sat on the chair and was stunned. She was trying to figure out why it didn't count?

No one knew how relaxing she was to finally get rid of this man when she and Caleb walked out of the Civil Affairs Bureau at that time.

But now this man actually told her that it didn't count.

He was able to deliver the marriage license to her again, and it was when she didn't know what happened at all.

"I tell you I'm going to sue you. I'm going to sue you." Alina hung up the phone angrily, shaking all over.

She directly called the official complaint hotline. She was going to sue the Civil Affairs Bureau.

When Tomas saw the number she dialed, his face changed. He didn't expect Alina to be so tough.

He took the phone from her hand and hung up, "Lady Alina, why bother?"

"He did such a thing. I'll sue him." Alina was so fuming. She hated his guts.

She just wanted to kill Caleb.

He used his power to do such a thing to her. Don't blame her for doing that to him.

Tomas said, "Lady Alina, don't forget that Mr. Collins still got on Mr. Francis."

Tomas' tone was full of threats.

Alina was stiff and then she was trembling.

"Boom." The spoon in her hand dropped on the table, directly knocking over the porridge. The table was in a mess suddenly.

She roared, "What else will he do besides threaten me?"

"He can't do anything with you." Tomas said in a hesitant tone.

It was as if she had bullied Caleb. But who was so cruel between them?

Who the hell did wrong first?

Thinking of this, Alina was very aggrieved.

She was very angry.

Tomas left after a while.

He left a marriage license, and said, "Mr. Collins asks you to go to work in the company tomorrow."

Go to work?

He said she needed to know the company well as the president. Alina was already angry. Now thinking about it, she was getting more and more angry.

Then she roared angrily.

"Go to the hell."

Why didn't this man die?

She had no time to learn about the company's stuff. As for doing business or something, she didn't work there at the beginning, so it was not easy for her to get to know it so quickly. Alina was very busy now. She had no time.

However, when Tomas said this, there was threat in his tone.

The more Alina thought about it, the more angry she became. She just wanted to tear Caleb's head off.

.....

Tomas was back.

Caleb held a cigarette in his hand and asked seemingly nonchalantly, "What did she say?"

"She's very angry." Tomas just said that.

Then Caleb smiled.

He could expect it.

He could almost imagine what the expression on Alina's face was like at that time. Maybe she wanted to kill Tomas.

"What about tomorrow?"

"Although she didn't agree, she didn't say no either." Tomas replied.

She didn't refuse it?

It could be seen that she endured a lot at that time.

Thinking that she could endure anything for Andre, Caleb felt so angry. He just wanted to tear Andre apart.

But he couldn't.

VIG was very important to Alina.

.....

Emma received an internal call from AIG. She had arranged a guy there when she was previously favored by Caleb.

The man said on the phone that Alina would go to work at AIG tomorrow, which was that Caleb arranged.

"Are you sure?" Emma was shivering with anger.

How could they get back together again?

If they really got back together, then... what about her? She thought of Caleb's words last night.

He knew everything. So, she meant nothing to him now.

Yes, nothing

She was nothing. Whether she wanted to admit it or not, she had to admit it.

“How can it be?” How could it be?

How could things become like this?

Emma hung up the phone. Then she smashed the mobile phone on the floor. The nanny didn't dare to come out.

Every time Emma got angry, everyone here hid far away.

“Ah, ah.” She was like crazy and roared hysterically.

The hatred in her eyes was constantly rolling over.

What should she do?

What the hell should she do now? Caleb knew everything. He was going to get back together with Alina.

What should she do?

Emma seemed to have completely lost her direction. She didn't know what to do at all....

But she wouldn't allow it to happen.

Absolutely not.

She and Caleb had also been together for so many years, so how could she just give up like this? She didn't want to lose.

She couldn't let this happen.

.....

In Mulherd Manor.

Tomas' words in the morning made Alina not in a good mood all day. Suddenly, there was shout outside.

“Alina, you slut. Come out. You shameless slut.”

Alina didn't know what happened.

Was it Emma's voice?

What was she doing?

Emma was really mad. As long as she thought that Alina was going to AIG tomorrow and be with Caleb at any time, she went crazy.

“Why are you so mean? He didn’t want you and the child back then, but you still came to him.”

Upstairs, Pola Johnston came down after changing clothes. She looked a bit tired. Apparently, she was transferred by Andre from another project.

Despite the exhaustion, she still looked so energetic.

Alina, “My dear Pola, are you tired?”

Alina got up.

Hearing what Alina said, Pola got goosebumps. She had a standard poker face. Alina never saw her smile.

Seeing Alina’s flattering look, Pola looked at her and said, “Miss, what can I do for you?”

So boring. But it didn’t matter. Alina just said, “If you are not tired, we have to deal with one thing first.”

“Okay.” Pola nodded.
