

I'm Richer Than My Billionaire Ex-husband Chapter 220

Alina felt the change in Brandon, followed Brandon's gaze and looked towards Tomas who was standing at the door.

Her face instantly sank.

There was obviously a touch of displeasure.

"What are you doing here?" Alina's tone wasn't really good, they were very busy.

Could it be that now these people were coming to trouble her again? She didn't have time to deal with them now.

Tomas said respectfully, "Mater Caleb wants to see you."

"Why?"

At Caleb wanting to see her, Alina was unhappy, so Lois was right to arrange this third floor for her.

At least now Caleb was leggy and wouldn't just come and drag her out.

Besides, Alina felt that there was nothing to say between them.

Tomas, "The summon has been received."

"So he read it?"

"Yes."

"He's furious then, isn't he?" Hearing that Caleb had seen the relevant documents, Alina could guess he wanted to settle the score with her.

Three years ago, he told her 'whatever compensation you want, I'll give it to you.'

To this day, Alina still remembered he was heartless when that incident was exposed.

At that time, she was still pregnant with his child, and what she got was his heartless behavior.

"He is waiting for you in the study." Tomas did not answer Alina's words.

For the scene these two were in right now, Tomas really didn't want to get involved, for it was too scary.

Alina, "Tell him that I'm busy."

“Lady Alina.”

Tomas’ tone was heavily weighted.

Now Caleb was already in a state of anger, if Alina still didn’t go to see him, there was no telling what he would do.

When he thought about it, Tomas felt his head really hurt.

How far is this going to go?

Alina looked at Tomas, “I really don’t have time.”

“.....”

“Look at this pile of things I have to do.” Alina was determined she would not go to see Caleb.

Joanna felt the tense between Alina and Caleb based on this scene.

Tomas failed in his mission.

Joanna looked at Alina, “I didn’t expect that you were so tough.”

Alina, “There’s nothing to say between me and him.”

Joanna nodded, “You are right.”

Three years ago, that man had done something shameless like that to her.

So now don’t blame Alina for not showing him mercy.

And Brandon refrained from making remarks on the matter.

After all, he was the one who personally took Alina away at that time, and also watched with his own eyes what Caleb’s choice between Alina and Emma was.

What he saw at that time was how heartless Caleb was towards Alina.

At that time, he actually didn’t even want the baby for Emma, so now Alina fought back.

No matter how tough Alina was, in Brandon’s opinion, she was not as ruthless as Caleb’s back then.

It was Caleb who didn’t leave any room for manoeuvre back then.

.....

In the study.

When Caleb heard that Brandon was also there, he threw the documents on the ground.

“Get Brandon here.”

“Yes.”

Brandon nodded his head and went up.

He didn't expect that Brandon would dare to appear here.

Since meeting Alina, Caleb naturally knew what was really going on back then, and he wanted to tear Brandon apart at all times.

When Tomas came up again.

Alina was really pissed off.

“I said I won't see him.” She Shouted.

Tomas, “He wants to see Brandon.”

Alina looked at Brandon, only to see Brandon frowning.

Alina, “Brandon won't see him either.”

“I will be right back.” Just as Alina's words fell, Brandon put down the needle and thread.

Alina froze.

Now that Brandon had gone to see Caleb, she was afraid that he would be torn apart by Caleb.

Tangled, she put down the work in her hand.

“I'll go with you.”

“No, you and Joanna stay here.” Brandon said in a calm tone, as if he had no fear at all.

Brandon followed Tomas and left.

Joanna and Alina looked at each other.

Alina, “I'll go take a look.”

Obviously, she felt uneasy.

Caleb was so mad that he dared to fight with his brother, who knew now, was he going to tear up Brandon?

“Wait.” The moment she got up, Joanna pulled Alina back.

Alina, “What’s wrong?”

“Don’t worry, Brandon has a way to deal with it, you still don’t understand that he has been by your side for the past few years?”

These years Alina had seen that Brandon was a capable person, but Alina was still very worried.

This was Caleb after all.

But when she thought about it, she put her mind at peace.

“Alright.”

The moment he sat down, Alina only felt that this scene was now in complete chaos.

Joanna said “Do you feel that the scene is now in chaos?”

“Yes.”
