

I'm Richer Than My Billionaire Ex-husband Chapter 230

Andre understood Alina's meaning and finally nodded, "Okay."

Although he was worried about Alina now since this was what she wanted, then Andre supported her.

The Hughes family had sponsored two university students, but they didn't expect that one of them would be outright vengeful.

She even destroyed the Hughes family.

.....

Three years ago, after leaving from Ingford, Alina had never thought of revenge. Especially after having a child, all the harm Caleb and Emma had done to her were all insignificant in her world.

All these years.

She lived with her daughter, surrounded by such a group of people who cared for her and loved her, and all she did not want to see Caleb again.

But, she was still completely shattered by a phone call, she had never thought that behind that phone call, there was such a shocking truth.

At that time, when she received that phone call, she had been carefully thinking back to what enemies her grandmother had had over the years.

But no matter how much she thought her brain through, she didn't get any answer.

Surprisingly, it was Emma.

.....

When Caleb rushed to Shirling, he was informed that Alina had already gotten on the plane back to Ingford two hours ago.

At this moment.

Caleb ordered in a cold voice.

"Go back."

Tomas, "Yes."

"Wait."

“What’s wrong?” Tomas looked to Caleb, seeing the gloom and depth shining in his eyes.

Respectfully, he waited to the side.

Caleb asked, “Why is she in a hurry to leave Shirling every time I come?”

Tomas hadn’t noticed this, and now when he heard Caleb’s words, he obviously realised that something was wrong too.

After all, according to the information on Alina of the ticket before, she was staying over here for a week.

Last time, she had also left in such a hurry.

It seemed that both times, she had left immediately because of Caleb’s arrival on her side.

“She probably doesn’t want you to disturb her and Andre’s world?”

Caleb’s already not-so-good face now turned more and more gloomy at Tomas’ words.

She didn’t want him to disturb her and Andre? So she got the news that he was coming and left.

“Why do I get the feeling that she’s deliberately hiding something from me?”

His tone grew sharper.

Tomas, “It’s possible.”

Now, seeing that Alina left in such a hurry, it wasn’t like she was avoiding Caleb.

It seems like it was because of his arrival and fear of getting some bad news because she was over here that she left.

Caleb’s eyes shone with an endless coldness.

“Damn it.”

“Go and find out exactly why she left.”

“Yes.”

He wanted to see what this woman had been hiding from him all these years.

Tomas nodded, “Yes.”

It was so late at night that the two of them couldn't just leave, so they went straight to the Collins' hotel.

It was a cool night in Shirling.

Caleb sat in front of the floor-to-ceiling window, looking at the lights of all the homes in Shirling.

For years.

No matter how much he searched for Alina outside, and she was always in this city quietly.

Three years ago and three years later.

It was as if he had never known Alina before, especially this time, she was like trying desperately to hide something.

Once Caleb thought that he would have known Alina so well.

Soon after, Tomas got the news and hurried back, "Sir."

"What is it?"

"It's because of Emma that Lady Alina left," Tomas' tone was tightening as he spoke of this matter.

At this moment, even cold sweat broke out on his spine, and his face was full of gloom.

Before this, Werland Villa was in a particularly intense occurrence.

He thought that it was because Caleb had handled things incorrectly and brought the two together to trigger such a scene, yet now it seemed that things were not simple.

Tomas told him all about the story.

And the more Caleb heard it, the more his pupils tightened.

"You're saying that she had something to do with what happened to Erica?"

"Yes, it's true that after going to the police station that day, Lady Alina came back to Werland Villa to mess up with Miss Bell."

So, it was because of Erica's affair that she was treating Emma more excessively than once.

"And today, she received a call from the police station, saying that the car accident seems to be related to Miss Bell as well."

At this, Tomas could no longer bear to say more.

The air was frozen.

At this moment, Caleb's face was more than gloomy.

It was as if his world was collapsing.

Some what had been a very firm perception was completely pried up by this sudden news.
